Jesus said: "My people, growing your grain crops is a delicate balance between having enough seed, sun, and rain in the right amounts at the proper time. Flooding, rotting in storage, and transportation of the food products also control how much bread can be made. I have asked My people to store one year's supply of food and some heirloom seeds for a coming famine. It does not matter how

much money or gold you have if there is no food to buy. Food will be more valuable than all of your riches. Your farmers are important for your survival, yet you short change them, and you do not pay them enough for what the food is really worth. Give thanks for your harvest of crops."

Jesus said: "My people, America has always had plenty of food, so you are not acquainted with how desperate people can be when famine and empty store shelves come about. Farmers will have some extra food, but distribution will be subject to thievery. Those, who have stored food, will be able to share it, as I will multiply the food that is needed. Heed My warnings now to prepare for the coming famine, or you could be dying of hunger."

Jesus said: "My people, many of your people have part time or marginal jobs that they have taken just to get by with a minimal living. You have more people on food stamps and government entitlements than ever before. Your economy is improving a little, but there are not enough taxes being collected to support your current welfare society. When your entitlement funds go broke in a short time, you will see massive riots for jobs, food, and benefits that will not be available. This coming problem of not enough money, will cause a martial law when the evil ones will try to reduce the population. Once you see such turmoil, I will warn you to come to the safety of My refuges."

Jesus said: "My people, Lent is an opportunity to get your spiritual life in order as you will be preparing for the coming persecution. When you fast from food, you are learning how hard it is to deal with hunger. You will be sharing food and housing in My refuges, so you need to think more of sharing what you have with others out of charity. Do not be selfish with your donations of money, time, and talent. You can give some donations to your local food shelf to help others have a meal to eat. When you feed the hungry, clothe the poor, and share your faith, you are sharing with Me in the poor."

Jesus said: "My people, in your families at times you may have to help each other with some food or money for housing. Your economy has stressed people with lost jobs, or lost benefits, and these problems may require help from family members who have more means than others. Both families and friends are sharing housing and food because of your problems. The rich have money, and some poor have entitlements, but the middle class is struggling to make ends meet. Pray for all of your people who are struggling with financial problems to

keep their homes and cars. By sharing with others, you will store treasure in heaven."

Jesus said: "My people, you remember how Elijah multiplied the oil and flour so the woman, her son and the prophet could survive through a year's famine in Israel. This multiplication of food is how I will help My faithful survive at My refuges. Just as I took the loaves and fish and multiplied them for the 4,000 and the 5,000, so I will multiply what food you have so all of you will have something to eat. Trust in Me that I will multiply all the things that you need to survive. Keep close to Me in your prayers, and you will be united with Me in love."

March 15, 2012

Friday, March 2, 2012:Jesus said: "My people, when you look into the sky on a clear night, you are awestruck by the immensity of My creation of the universe and all of its stars. Your sun is just one of many stars in your own galaxy. In other ways you appreciate beautiful landscapes at sunrises and sunsets. You view the beautiful spring flowers and fall leaves. Even when you look at your own bodies, you see how you are wonderfully made, and everything is made originally perfect in My eyes. It is man's pride that has deformed things with the manipulation of the DNA that I made perfectly. When you look at the animals and plants, they all give glory to Me in their very existence. I have made mankind in My image in giving you free will to follow My mission for your life, or your own way. If you follow Me, then you will be giving glory and worship to Me out of love. You can be in harmony with all of My creation, or you can reject Me. This is your choice. I prefer My creatures to come to Me out of love because I love all of you whether you are with Me or not. There are consequences though of your decisions. If you abide by My Commandments and allow Me to be the Master of your life, then you can be assured of a place in heaven with the One who loves you. If you reject Me, and disobey My laws of love, then you are on the broad road to hell where you could live in torment forever in hell with the devil who hates you. Heaven and hell are your only choices, so lead your life accordingly. I struggle every day to save souls from hell, but I cannot force them to love Me. The devil also is struggling to steal souls away from Me through his lies and temptations. This is the battle for souls and you would prefer to be in

My territory of love, rather than the devil's territory of hate. Fight to save your soul and the souls around you so you can be with Me in heaven."

Jesus said: "My people, this vision of the three matches being struck to produce a flame is a sign that I want My faithful's hearts to be set on fire with a burning love for God the Father, Myself, and God the Holy Spirit. When you read the Scriptures and when you receive Me in Holy Communion, your hearts should be burning with love for Me. You remember My disciples on the road to Emmaus after My Resurrection, how they listened intently to all the Scriptures that foretold My coming and suffering. (Luke 24:32) â€˜Was not our heart burning within us while He was speaking on the road and explaining the Scriptures to us.â€ Many faithful would have liked to be with Me on that road to listen as well. I want My disciples to be constantly in love with Me, and show that love in your actions by helping people. You are a live, living being, so you should be active in evangelizing souls for My Kingdom. I want My faithful fired up so you are not like the lukewarm who are not active at all. (Rev. 3:16) â €˜But because thou are lukewarm, and neither cold not hot, I am about to vomit thee out of My mouth.â€ Without good works in your hands, you will find it difficult to get to heaven. So put your faith to work in your actions. Show people, that you love Me so much, and you want to share your love for Me with all those people that you meet. By being on fire with love in your hearts for Me, the Holy Spirit will lead you to accomplish great things for My Church."

March 15, 2012

Saturday, March 3, 2012: (St. Katherine Drexel)Jesus said: "My people, you have seen some unusual weather this year with low snow levels, and a constant up and down with your temperatures that have been warmer than usual. In recent years your tornadoes have been more frequent and have caused more deaths because of more violent storms. It is the variation in your jet streams that has caused more violent winds. This can be controlled by the HAARP machine which can enhance tornadoes and hurricanes. The more man tries to manipulate your weather with microwaves and chemtrails, the more changes you will see in your weather patterns. Man is bringing the violence of your wars and killings into the violence of your weather. The constant changes of hot and cold in the weather are also a sign to those who are lukewarm to Me, that they will be

spewed out of My mouth if they ignore My love. You are here on this earth to know, love, and serve Me, but if you ignore My Presence in your lives, then you are on the broad road to hell. The people need to wake up from their spiritual laziness before it is too late, and Satan will sift them into hell."

Jesus said: "My people, your people of freedom have developed a great nation based on My Word in your documents. Then the evil central bankers through the Federal Reserve System have gradually led you into wars and stock crashes that have left you on the verge of bankruptcy. Through years of deficit spending, your National Debt is consuming your budget. In this vision you saw the gold removed from a building which is a sign of when your money was taken off the gold standard. Now you have fiat money and your financial system is deteriorating under the burden of your huge debt. This has been the plan of the central bankers to bring down your government through your debts so they could make America a part of the North American Union. Eventually, they will form a one world government controlled by the Antichrist. You also are headed to a spiritual bankruptcy as well. Your country was founded on Godly principles, but now you are turning your backs on Me in all of your public places. You have your spiritual treasure in My Presence in your tabernacles. Now many people do not even believe in My Real Presence in My consecrated Hosts. Once you remove Me from your lives, you will also see a crumbling of your country in your abortions and sexual sins. As a punishment, the one world people will be allowed to take over your country for a short time. I will protect My faithful in My refuges during the coming tribulation. I will then come with My victory to defeat the Antichrist and the evil ones as they will be cast into hell. Then I will renew the earth and bring My faithful into My Era of Peace. Have no fear and trust in Me, and you will have your reward with Me in heaven."

March 15, 2012

Sunday, March 4, 2012:Jesus said: "My people, both of today's readings are all about mountain top experiences of joy. I showed My apostles the full countenance of My glorified Body to give them hope for all that they would suffer for Me. In the end at the final judgment, all of My faithful will be joined with their own glorified bodies. By seeing your future with Me in heaven, this will inspire you to keep struggling in this life for your prize in heaven. In the

first reading I tested Abraham if he would be able to offer Me his only son. He was about to kill Isaac when My angel stayed his hand. Then I knew that Abraham loved Me so much that he was willing to obey My every command, even if it meant killing his only son. This scene is actually a parallel of My own love for all of mankind, since My Father in heaven was willing to offer up His only begotten Son for all sinners. As you purify yourselves through Lent, you will be suffering with Me on My cross as you lead up to My death on Mount Calvary and My Resurrection after three days. My Transfiguration is a prefigure of My Resurrection, and I died for you to show you how much I love you. I also am the only sacrifice that could be offered up to save all of mankind from their sins. Give praise and glory to the Blessed Trinity for all the gifts that We have bestowed on everyone out of love for each of you."

Jesus said: "My people, at the Fifth Luminous Mystery you saw Me holding the bread that I consecrated into My Body and Blood. This was a precursor of when I died for all of mankind on Good Friday. As you are praying the Sorrowful Mysteries of the rosary, you can join your Lenten penances with My suffering on the cross. This belief in My Real Presence in the Host is a central belief of your faith in Me because I am always with you. My Presence in your tabernacles means that you can come and visit Me at any time to give Me glory and Adoration. When you come to the Triduum of Holy Week, you can identify with My apostles and see how frightened they were to stand by Me. Only St. John stood at the foot of My cross as I gave him to My Blessed Mother and her to him. Later, St. John looked after My Blessed Mother as you saw her home in Ephesus, Turkey. Be thankful for every Lent so you have a time to purify your spiritual life."

Monday, March 5, 2012

March 15, 2012

Monday, March 5, 2012:Jesus said: "My people, I have warned you earlier that there would be a big event coming this year. Now I am telling you that it could precipitate a crash in your money system just as you are seeing in the vision how things are going down the drain. Be prepared with extra food. If your power goes out, be prepared with an alternative means for heating your house. You could even see a bank holiday, so have some money on hand, and something to barter with for your needs. If martial law is declared nationwide, you may have to be

prepared to go to your refuges. If you do not know where some refuges are, you can call on Me and I will have your guardian angel lead you to the nearest refuge. Many major events could happen this year in addition to your many tornado disasters. You should be prepared when these things happen."

Jesus said: "My people, there is a lot of imagery in this vision as it represents the hard times in which you are living. Being at sea in a boat represents how you are living on the sea of life. The large dark storm represents the overwhelming evil that is rampant in your world. Even when you trust in Me in your prayers, you know it is impossible to deal with such evil on your own. You are seeing all the signs in your daily events that it is just a matter of time when you will be dealing with mandatory chips in the body, mandatory flu shots, and martial law. This is why you changed your course on the water for the safety of the harbor. The harbor is the safety of My protection that you will find with My angels at My refuges. If you stay in your homes and refuse to seek My refuges, you are risking capture and death by being killed by the one world people in their detention death camps. Coming to My refuges when the time comes is the safest place to be both for your soul and your body. This is why you need to warn your family and friends that the refuges will be your best place to be when the persecution gets bad. Look how Christians are being killed in Muslim countries and communist countries because this will be your future."

Tuesday, March 6, 2012

March 15, 2012

Tuesday, March 6, 2012:Jesus said: "My people, you have been seeing dozens of deaths from the latest series of tornadoes. This season of deadly storms has already passed last year's deaths at this time, and last year set a record of over 500 deaths. Tornadoes are hard to prepare for, especially at night or with dark clouds. In the vision you see that the safest places are underground. Just as you know enough to build a shelter in the ground for tornadoes, I am showing My faithful how to build refuges for the coming storm of evil in the tribulation. At times you are ravaged by serious storms as a punishment for sins. Soon you will see the Antichrist's coming as a punishment and a test of your faith in Me. You know that without Me, you can do nothing. So when I give you instructions on how to protect your lives and souls with My angel protection, you should heed My words. Be prepared to come My refuges. There you will be made invisible

by My angels from the evil ones who want to kill God's people."

Jesus said: "My people, you are seeing threats of war coming from Iran and from many of your own leaders. I have asked My people to pray for peace and not war against Iran. Some people think bombing Iran's nuclear plants or their centrifuges could stop them from making nuclear weapons. Some of their facilities are built underground to protect them from attacks from the air. Any start of a war would most likely come from an Israeli attack. Any war could precipitate Iran's own attack with missiles on Israel and possible attacks on any US ships in the area. A complete all out war could disrupt oil flows that could cause your gas prices to soar. If America gets drawn into this war, the expenditures of such a war could threaten your fragile economy and may result in your government's bankruptcy. America needs to be careful about becoming involved in a new war. Your citizens do not favor it, and if other countries become involved, you could see a world war with many deaths. Continue to pray for peace, and write to your Congress people to stop America from getting into another Middle East war."

Wednesday, March 7, 2012

March 15, 2012

Wednesday, March 7, 2012:Jesus said: "My people, in your national songs you sing about America as the land of the free, but your government is gradually trying to take away your freedoms. Recently, you have been complaining about your freedom of religion as your Health Department is trying to force people to provide birth control devices against their faith. In other new Defense laws your government can threaten to incarcerate you at their whim and hold you in detention centers indefinitely. Many other freedoms of speech have been challenged. Soon your new Health Plan will force chips in the body for your health insurance that you will be forced to buy against your will. Many of these freedoms are being threatened by incarcerating you if you do not go along with their mandates of chips in the body and mandatory flu shots. When these mandates start getting enforced, it will be time to go to My refuges. When you see a world famine, a division in My Church, martial law, or mandatory chips in the body, these will be the signs to come to My refuges. Call on Me and I will have your guardian angels lead you to the nearest refuge. The ultimate loss of your freedoms will come when the one world people will force America into the

North American Union when all of your sovereignty rights will be lost, as your Bill of Rights. Enjoy your freedoms that are left for awhile because you will soon be taken over by the evil ones. Be prepared to leave for My refuges when I warn you, or when you see the signs that I have mentioned. This takeover is not a matter of if it will happen, but it is a matter of when it will happen."

Jesus said: "My people, this vision is that of a man who does not want to be known. This man represents one of the many one world people who have a one world government as their goal. To achieve this goal they have to bring down America's economy and its military. By arranging constant wars, these evil ones are wearing down your military, and the expense of these wars is increasing your National Debt which could result in your bankruptcy. Bankrupting your government is one means to achieve their takeover of America. The one world people are very secretive and through their money and influence, they control governments through the government's debts. The time of the one world people and Satan is running out, and they will be speeding up events to bring about their new world order. I have been warning My faithful to have food and preparations to leave for My refuges. You are seeing many events happening quickly so the evil ones can obtain their brief reign. Do not be afraid if you have to live at My refuges for a while because I will protect you and provide for your needs until I will bring My victory over evil. Have faith that I will bring the evil ones to justice with My coming Comet of Chastisement. They will be cast into hell while I will bring My faithful into My Era of Peace as your reward for staying true to My Word."

March 15, 2012

Thursday, March 8, 2012: (St. John of God)Jesus said: "My people, I have asked you to research the meaning of the â€˜Sword of Damoclesâ€&#65533;. You have seen that a servant Damocles was asked by King Dionysius to live a day in his life. The king had a sword suspended in air by a horse hair, and it was hung over the throne. The servant preferred his simple life as safer than living in fear of death. Many kings, presidents, and prime ministers have to deal with a threat of death in wars or potential wars. Even your President, John F. Kennedy, compared the threat of nuclear annihilation to a â€˜Sword of Damoclesâ €&#65533; hanging over the people of the world. Now, you can understand the fear that

Israel has over the potential of Iran having nuclear bombs with the missiles to deliver them to Israel. This is enhanced when the leader of Iran has proclaimed many times that he wants to annihilate Israel off the face of the earth. By your listening to Israel's prime minister, there is a strong possibility that Israel may attempt a preemptive attack on Iran's nuclear facilities in a way to stop Iran from making an atomic bomb. There is an implied danger that Iran's response could affect the shipping in the Persian Gulf, or it could involve America in a war. Keep praying that a major war does not start over the making of nuclear weapons in Iran."

Prayer Group:Jesus said: "My people, you have been seeing a heavier than usual number of solar flares because of the peak of the sun's sunspot activity. Up to now you have only seen a small increase in the Aurora Borealis when this solar storm strikes the earth's atmosphere. The earth's magnetic field deflects these particles from the sun to the polar areas because there is less protection there. Your scientists have been measuring some relatively fast movement in the earth's magnetic north which could mean a possible polar shift. Such a shift in transition could cause a weakening in your solar protection."

Jesus said: "My people, you have seen some deaths and much destruction from your recent tornado outbreaks. It is hard to put a value on these lost homes, and the lost lives cannot be replaced. Pray for the grieving families and that they will get sufficient aid to rebuild their homes and lost jobs. Even the scientists were saying that the jet streams were coming closer to the earth to cause this violent weather. Your microwave weather machines are also contributing to your violent weather. Pray thatthe people could be better prepared so there would be fewer deaths. Safe rooms underground could be a place for the people's protection."

Jesus said: "My people, supplies of oil and gas are plentiful, so your price rise is based more on speculation of a coming Iran war and a slower world economy. Higher gas prices have become a topic of debate in your election preparations. America does not have a real energy plan to be less dependent on oil from the Middle East. As prices rise, they do give more incentive to find more oil on your own lands. Unless some plans move forward to change your energy needs, you will still be dependent in the future. Such sustained high prices could affect inflation in America. Pray that your politicians can resolve their disagreements so America can have better sources of energy."

Jesus said: "My people, your need for fresh water has put a heavy demand on your underground aquifers for both drinking and farm needs. Areas of drought do not have cheap sources of water available, especially when rain levels are low. Your people may have to use membrane technology in order to provide more fresh water from your oceans or pond water. Purification of your used water can also fill some needs. Fresh water will be an ongoing shortage that could lead to your coming world famine. Pray that your country will receive sufficient rain water to avoid persistent droughts."

Jesus said: "My people, your people and those among your troops are tired of constant tours of duty in your long drawn out wars which are not really accomplishing much. Many people see the danger of Iran developing a nuclear bomb. Iran appears determined to develop nuclear weapons, even despite sanctions and other means which are trying to stop them. This is why Israel and America are preparing militarily for a possible war. I have asked My people to pray much that such a war does not come about."

Jesus said: "My people, many of your corporations have exported your manufacturing jobs to cheaper labor markets, and they do not want to bring back expensive laborers to your factories. Unfortunately, your skilled unemployed workers will soon lose their skills, and they will have to find lower paying service jobs. This is why the average home's income has been decreasing with less benefits. America will have to establish new industries or make some changes in your import and export policies. You need to give your employers an equal playing field, or you are headed to a third world status. Many of America's problems are being caused by the one world people who are trying to bring down your economy. Be prepared to go to My refuges when your economy crashes."

Jesus said: "My people, when I brought My Gospel of love to the people, many rejected Me because I was interfering with their pleasurable sins. I told My followers that as I was persecuted for proclaiming moral principles, so they would also be persecuted as well. This is the same today when you try to get sinners to repent from their fornication, adultery, birth control, and even abortions. When you protest abortion, you see women's rights people come against you. If you say anything about people living together without marriage, or anything against homosexual marriages, you are persecuted. So do not be disturbed that you are persecuted for standing up for good moral principles because I was even killed for the same reasons. Keep proclaiming My love and

the need for souls to repent in order for them to be saved from hell."

Friday, March 9, 2012

March 15, 2012

Friday, March 9, 2012:Jesus said: "My people, in today's readings you can see the contrast of how Joseph was sold into slavery by his brothers for twenty pieces of silver. Then in the Gospel there is the implication in the son's death how I would be betrayed by Judas for thirty pieces of silver. In both of these betrayals, the brothers and Judas were even willing to profit from their wrongful deeds. Because of their crimes of betrayal, there was another payment due in the consequences of their actions. The brothers had to suffer embarrassment when Joseph tricked them into a theft, and accused them of a crime. Then finally they had to admit their evil deed of selling their brother into slavery. Fortunately, this was My plan to provide food for My people during a famine. In the case of Judasâ€ betrayal, he was so sorry for his crime that he did not think that I would forgive him. Then the devil encouraged him to commit suicide by hanging himself to death. In today's world there are times when you may have betrayed someone's confidence by speaking about a person's secrets behind that person's back. You may at first think you are better than other people by belittling them, but you need to repent of your betrayals in Confession and even beg that person's forgiveness. I am the only One to pass judgments, and it is not your place to gossip to people about your friends or strangers. During Lent you should seek repentance for your own crimes and gossip in Confession, when you ask for My forgiveness. Come to Me over any sin, and I will always forgive a repentant sinner."

Jesus said: "My people, I am grateful for your work in keeping your prayer group going for these forty years. My Blessed Mother is also grateful for all the many rosaries and Adoration of Me that you have had at your meetings. It is not easy to keep people faithful to a prayer group for so long. Do not worry about the numbers that come, but be faithful to Me and My Blessed Mother in all of your work. For many years you attended the Blue Army meetings, and I know how faithful you are in praying your daily rosaries and wearing My Blessed Mother's scapular. Continue to pray for My Blessed Mother's intentions, especially for sinners, peace in your world, the stoppage of abortion, and for the poor souls in purgatory. You remember the chapel to Our Two Hearts as you

have a picture of My Sacred Heart and My Blessed Mother's Immaculate Heart in your room at your home. As you pray your rosaries, remember to pray for all of your family's needs and to help pray for their souls to be saved. Family prayer is very important to keep spouses together and to avoid divorce. My Blessed Mother and I are always watching out for you, and we are always available to answer your requests in prayer."

Jesus said: "My people, you know that the Antichrist will be allowed a brief reign of less than 3 Â½ years when he will be allowed to control the earth. It should come as no surprise that America will be taken over for the Antichrist to control it. This is why I am showing you a funeral of America's fall from power. Do not have fear of this time because you will be empowered by the Holy Spirit to fight for souls in the battle of good against evil. You will be persecuted for believing in Me, but when you stand up against this coming evil, you will see My reward."

Saturday, March 10, 2012

March 15, 2012

Saturday, March 10, 2012:Jesus said: "My people, at the Mass I feed all of My children the Bread of Life in My consecrated Host. I know you cannot come to heaven unless you eat My Body and drink My Blood. Under the appearances of bread and wine you are receiving My Real Presence. I also know that your body needs food for this human life. There will be a world famine coming, and I have asked you to store one year's supply of food for this event. This food is not meant to be hoarded, but you are to share it with anyone who comes to your house. As you share what little food you have, I will multiply it for your needs. In the vision you are seeing how I will multiply your food, even as I multiplied the bread and fish in the Gospel. Trust in Me to feed you Communion with My angels, and the food that you will need both before and after you come to My refuges."

Sunday, March 11, 2012

March 15, 2012

Sunday, March 11, 2012:Jesus said: "My people, the readings speak of how I died for all sinners, no matter how serious their sins are. This is a great show of

My love for all of you. I lift all of you up in My blessings and graces so you will have the strength and courage to follow Me through all of life's trials. This sharing of Myself with the woman at the well was an opportunity for Me to tell her about My living water. In St. John's Gospel I have told you that you must eat My Body and drink My Blood if you are to receive eternal life with Me in heaven. This living water is given to all of you in Holy Communion where you receive My Real Presence and that of God the Father and God the Holy Spirit. I ask that you receive Me worthily in the state of grace so you do not commit any sin of sacrilege. Unfortunately, at every Mass there are people who knowingly or unknowingly are having sacrilegious Communions. If you have mortal sin on your soul, you cannot receive Me in Holy Communion until you have that sin confessed by the priest in Confession. Some people are rationalizing their mortal sins as being venial sins so they are not embarrassed to remain seated without receiving Holy Communion. Do not compound any mortal sin by additional sins of sacrilege. The priests are available in Confession so there is no excuse for not having pure souls to receive Me worthily in Holy Communion. Give honor to My Blessed Sacrament by only receiving Me with a pure soul. By following Me in all that I have commanded you, you will truly have your reward in heaven."

"

Monday, March 12, 2012

March 15, 2012

Monday, March 12, 2012:Jesus said: "My people, you have seen in the reading how Naaman was healed of his leprosy by the prophet, Elisha. This leprosy can be seen as a sign of sin that all of you are afflicted by it. I call all sinners to come to Me to be cleansed of your sins by the waters of Baptism and through the absolution of Confession. You are all sinners, and you are in need of My forgiveness. During Lent you are purifying your spiritual lives, and you need to come to Confession at least once a month. By the power of the grace of your Baptism you are priests, prophets, and kings. Even as I was persecuted for preaching My Gospel of love, so My faithful are also called to go out and evangelize all nations. Do not be fearful of speaking out in My Name, but be a strong witness of My love to everyone, even those who reject you. By proclaiming My Word, you will receive your reward in heaven."

For Noreen: Jesus said: "My people, I know you are grieving over Joseph, but you had the joy of experiencing the gift of his life. I want you to pray for him because he needs only a few Masses to come to heaven. He is at peace and he sends his love to all of his family. He will be praying for all of you."

Tuesday, March 13, 2012

March 15, 2012

Tuesday, March 13, 2012:Jesus said: "My people, when I talked of forgiveness in the Gospel, My faithful should not act with indifference to people as this stone wall. You need to be able to forgive people seventy times seven times, even as I forgive you of your sins. When I talked of forgiving a huge debt, I was referring to how I died on the cross for all of mankind's sins. My people need to be loving and forgiving, even though it may be difficult to forgive insults or thefts. When you are driving your car, you are to forgive slow or rude drivers. You also should seek the forgiveness of others when you may have hurt them physically, or with your insults. By forgiving others in love, you will be imitating My example. This will also be like living out the â€˜Our Fatherâ€ prayer when you say: â €˜Forgive us our trespasses as we forgive those who trespass against us.â € This is why loving Me, and your neighbor as yourself, is such an important Commandment."

Jesus said: "My people, the winds of war are swirling between Israel and Iran. America has tried to allow time for sanctions to change Iran into not building a nuclear bomb. But Israel is threatening to bomb Iran's nuclear facilities, and they are choosing the time without notifying America. Israel feels it has to defend itself from a nuclear Iran. If Israel carries out its threat, there could be some dangerous repercussions with oil deliveries and a possible war. Keep praying that such a war does not start. The one world people have involved America in many long no-win wars that have only weakened your military and your economy. They are planning the next war even now."

Wednesday, March 14, 2012

March 30, 2012

Wednesday, March 14, 2012:Jesus said: "My people, because you are seeing increasing gasoline prices, there is a question being raised about developing

America's own oil and gas, as well as getting oil from your neighboring countries. If gasoline prices are high, then why is America exporting refined fuels? As usual your government is not telling you everything about your energy needs. Your country is using twenty percent of the world's energy supplies with only five percent of the population. There is a plan by the one world people to force oil prices higher by threatening oil sources in the Middle East with another war. Once the oil prices are higher, then the oil companies will expand their drilling for more expensive oil, giving them higher profits. They do not care how many lives are lost in their contrived wars, as long as they profit from selling the arms and the expensive oil. Your economy is still weak with higher unemployment than is reported. Higher fuel prices could threaten inflation and another recession. Pray for no wars and more jobs. The one world people are still meaning to form their one world government at the expense of your freedoms. Continue to be ready for some major events that could require going to My refuges of protection."

Jesus said: "My people, you are about to see a showdown between the states and your government in the Supreme Court trial that will determine if it is constitutional for your government to mandate health care with financial penalties for non-compliance. The government is trying to force every citizen to buy their health insurance, and this bill originally even demanded a mandatory chip in the body. Even today there have been estimates that this Health Plan will cost much more than originally stated, as in trillions of dollars more to pay for more than thirty million new patients. It will be hard to find enough doctors, and rationed care is a real possibility. Eventually, mandatory chips in the body and mandatory flu shots will be included. Refuse to take any chips in the body that could cause voices to control your mind. Refuse any flu shots that could cause your immune system to be damaged. This computerized Health Plan is a means to control your people, and possibly a means to reduce your population with dangerous vaccines. If your government tries to enforce mandatory chips in the body, or mandatory flu shots, then you will have to call on Me to have your guardian angel lead you to the nearest refuge. Trust in Me to protect you from the one world people who want total control over your minds and souls."

March 30, 2012

Thursday, March 15, 2012:Jesus said: "My people, these ugly demons were once beautiful angels that rebelled against Me out of their pride. Hell was made for them, and there being in hell has turned them into ugly beings that you do not want to look at. In the same way I have shown you the soul bodies that are in hell, and they also appear as ugly human beings. I do not want to see any souls sent to hell, but people by their evil lives, send themselves to hell. In the Gospel you saw how I cast out the mute spirit from the man who was possessed by a demon. Even today there are possessed people that have invited demons into their souls in various ways. Avoid seances, devil worship, tarot cards, evil potions, and Ouija boards that can allow demon possession. These people require an exorcism by a priest, and these exorcist priests are hard to find. Even various addictions of drugs, drinking, and gambling have demons associated with these addictions. By using blessed sacramentals, blessed salt, and holy water, you can protect yourself from these demons. Praying for deliverance from demons and addictions requires prayers of St. Michael and fasting because there may be multiple demons in severe cases. There truly are devils, and there is a hell that exists. So do not believe anyone who tells you that they do not exist. This is a trick of the devil to deceive you. Every soul that leaves its dead body, does not go straight to heaven. Very few souls go straight to heaven. Some go to hell and some go to purgatory. This is why it is so important to have Masses and prayers said for the dead because you do not know how they were judged. Keep praying for the souls in purgatory because if certain souls are in heaven, your prayers will be applied to other family souls in purgatory. Also pray and fast for poor sinners who have not yet died, so they can be saved from hell."

Prayer Group:Jesus said: "My people, these race cars represent how your people in America are living a fast paced life that can cause you to be anxious and worried that you could not get everything done that you had planned. I have mentioned this before that you put too much on your agenda to accomplish each day. It is better to make a shorter list and have enough time to do things without being hurried. If you spend time on too many things, you will not leave enough time for your prayer life with Me. Better to work things around your prayer time, than to allow earthly things to push Me out of your life."

Jesus said: "My people, you are approaching the middle of Lent, and it would be a good practice to examine how well you are keeping your Lenten resolutions. If you do not see any progress, maybe you could improve on your original

intentions, or make some new ones to test your endurance. Refraining from snacks between meals, and any of your penances may seem like a struggle, but it is good to be able to keep the body under control. Many times you give in too easily to all the desires of the body. By curbing these desires, you can see how the soul should be more in control of your life. By imitating My life, you can improve in your spiritual life."

Jesus said: "My people, you are doing your best with your Lenten devotions, but you may want to spend some time reading about some of your favorite saints. See how they were so much in love with Me that they all wanted to do all that they could to please Me and help their neighbors. By thinking of helping others out of love, you will have less time to satisfy your own desires. It is hard to live a saintly life in your world because you may get criticized for not conforming to worldly goals. Imitate the saints out of love for Me, even if you are criticized and persecuted."

Jesus said: "My people, when a nation turns its back on Me, it will see how its blessings will be taken away. You have taken prayer out of your schools, My Commandments out of your public buildings, and some have tried to remove My Name from Christmas. You also are continuing to have abortions, living together in fornication, and having homosexual marriages. When you make money, possessions, and fame your gods, then you are pushing Me out of your lives. America needs to repent of its sins as a nation and individually. You need conversions and a good prayer life to restore your country in My eyes."

Jesus said: "My people, you need to examine your goals in life, and allow Me to be the Master of your lives. Everything that you do should be done for My greater glory instead of your own glory. Seek to serve Me in leading souls to heaven, and you will store treasure in heaven for your good deeds. I know what you need to survive, so trust in Me for all that you need. I want you to use your talents to achieve the mission that I have given you. This means that you have to involve Me in discerning your daily decisions. By allowing Me to lead you, you will accomplish great things for Me."

Jesus said: "My people, when you do not call on My help in life, you will be carrying a cross that is twice as heavy. Without Me in your life, the devil will lead you into earthly addictions that you may not be able to change. A holy life will lead you on the right path to heaven, but a Godless life will lead you on a

path to hell. Every soul eventually seeks peace, but I am the only One who can give you peace in My sacraments. My faithful need to help those who do not have Me in their lives. Pray for sinners and evangelize as many souls as you can to My love in a personal relationship. Saving souls from hell should be everyone's mission."

Jesus said: "My people, when you plan to build a building, you count the costs and you plan for a sound foundation. Even a soul who desires salvation needs to count the costs of coming to Me or turning away from Me. To come to Me I ask that you give your will over to My Divine Will. To have a good foundation in the faith, you need some sound religious training in prayer and the Scriptures. By making these sacrifices out of love for Me, you will be on the right path to heaven. Those, who choose to depend only on their own means, are like those people who build their houses on sand that will not stand up to a strong wind. Instead, build your house on the rock of faith in Me, and your house will last, and your soul will be saved."

March 30, 2012

Friday, March 16, 2012:Jesus said: "My people, this tornado is a sign that you are going to see a whirlwind of events happen very quickly. You will see major events occurring that will cause your stock market to crash according to the one world people's plan. Wars and financial upheavals are in your future as the plans for America's takeover will be carried out. When you see the euro and the dollar crash, there will be riots and chaos that will precipitate a national martial law. Mandatory chips in the body will be enforced, and I will warn My faithful when it is time to leave for My refuges. These refuges will be your only safe haven as the men in black will be coming to your homes to try to force chips in the body on people. Those, who resist, could be martyred in the one world people's death camps. Trust in My warning and gather your things quickly to come to My refuges. Your government will be taking away your freedoms until America becomes part of the North American Union. My faithful remnant will have to go underground from the division in My Church, and the evil ones who will be targeting Christians and patriots. America will receive its punishment in exile much like Israel was taken over by the Assyrians. Prepare for this coming tribulation both physically and spiritually."

Jesus said: "My people, the eagle represents America, and the flying through the air is how America is known as the land of the free. This is opposed to countries as Russia and China that are totalitarian, communist controlled governments. The one world people want to control America as the communists do. This is why your freedoms are being gradually taken away by a government that is over regulating all parts of your life. You are being told what you can do on your property. Your taxes are taking more of your income, and your debt obligations are choking your economy. Many parts of your free speech and freedom of religion are being violated. Soon you will be forced into a Health Care program that will demand chips in your body. If you do not obey your government's edicts, they will threaten you with prison and possible death sentences for not going along with their new world order. Be prepared to come to My refuges when your freedoms will be stripped from you. You need to obey Me first over obeying man. This is why I will be protecting you at My refuges."

Saturday, March 17, 2012

March 30, 2012

Saturday, March 17, 2012: (St. Patrick's Day)Jesus said: "My people, the handrail in the vision represents America's freedoms based on the Constitution and the Bill of Rights. When the wooden peg that held up the handrail was broken, then the handrail fell down. This is what happens to your freedoms in America when your government institutes edicts that violate the Constitution and your Bill of Rights. Your Health Plan is one example that will force everyone to buy the government's insurance plan, and eventually it will force chips in your body that will control your mind. The Executive Branch is declaring war without Congressional approval, and the Senate is not even passing their budgets. Many other freedoms are being violated, such as the internment of your citizens without any real cause. You will soon be stripped of your sovereignty rights when the one world people will force America into the North American Union. Once these evil ones force mandatory chips in the body on you, or declare martial law, then it will be time to come to My refuges. Many do not want to believe they are in a police state, but when your neighbors are dragged off to your death camps, then you will be forced to believe it. Wake up America, and fight for your freedoms before they are all taken away."

Jesus said: "My people, I have warned My faithful to be prepared when the

dollar will crash. Several countries have issued new currencies when the old money became worthless. Since the dollar was taken off the gold standard, it has no inherent value. What is interesting is that the rich people do not own anything on paper. They own property, antiques, gold, and silver. That is why the rich do not care if your government goes bankrupt, or your dollar becomes worthless, because they own things of inherent value. This is the same reason that I have encouraged My people to store one year's supply of food and some water. You need food to survive, but if your money is worthless, you will need something to barter for the food. Once the dollar crashes, all of your dollar denominated things on paper as stocks, bonds, and annuities will become worthless as well. Gold and silver will be a medium of barter until the amero is established as your new currency. By having food and things of value, you can get through the currency crisis. Not everyone will be prepared for this disaster, so you could see riots and chaos that could result in martial law. If this happens, you may have to come to My refuges for My protection. Trust in Me that I will provide for your needs at My refuges."

Sunday, March 18, 2012

March 30, 2012

Sunday, March 18, 2012:Jesus said: "My people, in the Gospel Moses lifted up the bronze serpent on a pole that was meant to heal those who had been bitten by the seraph serpents. These serpents were sent among the Jewish people because they complained about the food that they were receiving. This serpent on a pole was the same image of Me on the cross as a Healer of both your sins and any sickness. The serpent in the vision represents the same Satan who tested Me three times after I fasted for forty days in the desert. This forty day fast is the same fasting that represents how I want My people to fast between meals during Lent. Satan tempted the Jewish people of Israel to worship other gods before Me. This is why I allowed the Assyrians to defeat Israel, and carry off the people in the Babylonian exile. Satan today is attacking the people of America in the same way as you are being tempted by money, possessions, and fame as the gods of your time. Do not be deceived by Satan and the Antichrist who will be allowed to take over America in punishment for your sins. During the coming tribulation, I will call My faithful remnant to My refuges to protect your bodies and your souls. Once you come to My refuges, you will see My luminous cross in the sky, where you will be healed of body and soul when you look on it. This

will be a comparison of the bronze serpent of the Old Exodus to the luminous cross of the New Exodus. At My refuges you will be protected from the Antichrist and the evil ones with a shield of invisibility by My angels. Have no fear of the evil ones because My power is greater than all of the evil ones put together."

Monday, March 19, 2012

March 30, 2012

Monday, March 19, 2012: (St. Joseph's Day)Jesus said: "My people, today's Gospel was when I was twelve years old, and I had stayed behind to talk with the teachers in the Temple. St. Mary and St. Joseph were stressed to find Me as in the Fifth Joyous Mystery of the rosary. I had recognized My mission from My Father, and the teachers marveled at My understanding of the Scriptures. This is why I answered My parents with: â€˜Did you not know that I had to be in My Father's house?â€&#65533; They did not understand My words, but I was then obedient to them in Nazareth. Just as a young person matures enough to learn how to drive a car as in the vision, so I was learning about My coming mission as I matured into a grown man. There is also a lesson here for parents that they need to teach their children the faith, just as much as their worldly preparations. Love your children, and give them good example in imitating My holy life."

Jesus said: "My people, every time that you come to Mass, you are repeating the Pascal meal of the Passover. As you approach Holy Week, the Eucharistic meal will be the central focus for Lent. My whole purpose for coming to earth as a man was to be able to sacrifice My life for all the sins of mankind. Another blessing of My Eucharist is that you now have My Real Presence in every consecrated Host in all of your tabernacles. This allows Me to be with you all the time, and you can visit Me at any time when a church is open. There are a significant number of Catholics that do not believe in My Real Presence, even though this is taught by My Church. This is also why I have allowed many miracles of bleeding Hosts to show the unbelievers that I am truly Present in My Hosts. Rejoice in every Mass because you are witnessing a miracle in the transubstantiation of bread and wine into My Body and Blood."

Tuesday, March 20, 2012

March 30, 2012

Tuesday, March 20, 2012:Jesus said: "My people, when you pray to Me for your needs, I already know the needs of your body. There are many people in the world that do not always have water and food as accessible as your people in America. Water is definitely scarce in arid country as deserts. The readings are about water, but I draw your attention to the vision in how I miraculously provided water for My people in the desert during the Exodus. When I protect My faithful at My refuges during the tribulation, I will also provide water for My faithful remnant, even if I have to provide miraculous springs. You remember how Bernadette scratched the ground to form the healing waters at Lourdes, France. If My refuges do not have an independent source of water, I will allow a miraculous spring to provide the water. In addition to providing water, this water will have healing properties, just as looking on My luminous cross. Where there are interim refuges without My luminous cross, they will still have healing in the spring water. Give glory and praise to Me for providing for your spiritual and physical needs."

Jesus said: "My people, the one world people have your President carrying out their orders. Recently, a National Defense act was passed that enabled your government to indefinitely imprison any citizen deemed a threat to the government. Now, on March 16, 2012 your President has issued an Executive Order that could enable him to declare martial law in peacetime in any non-emergency situation. This could give him dictatorial powers over everyone and all resources in your country. This move was done secretly to not draw any attention, but it is putting the one world people in position for a grand takeover of America at any time. Should such a national martial law be declared, this would be a sign to call on Me to have your guardian angel lead you to My nearest refuge of protection. Once martial law is declared, the government will target Christians and patriots for execution by order of the one world evil people. You are in a battle of good and evil, so choose to be with Me against the evil forces. Trust in My protection, and you will save your soul."

Wednesday, March 21, 2012

March 30, 2012

Wednesday, March 21, 2012:Jesus said: "My people, I have warned you that you would see a whirlwind of events, and you are seeing this continue with a 7.4 earthquake in Mexico and a 6.2 earthquake in Indonesia on the same day.

Tornadoes and earthquakes are humbling people, as homes are destroyed and some deaths are occurring from these events. You will see more of these events as you usually do, but the coming events will be greater than usual that are approaching biblical proportions, which are signs of My coming. Before I come, you will see evil get worse with the coming of false christs and the Antichrist. So be prepared to come to My refuges for protection from those who want to persecute you because of your belief in Me. You are living in the end times as I have warned you, and you see your government taking away your freedoms frequently. Trust in My greater power as I will protect you from these evil ones."

Jesus said: "My people, I have confirmed this message that you will be seeing a major earthquake and tsunami in the Pacific Ocean that could cause major flooding and some deaths. If there is a major tsunami warning, people need to move inland from the coast as fast as possible. Tsunami waves travel very fast, and they can be quite high with a large underwater earthquake. You have been seeing some fairly large earthquakes, and there will be more coming. These events will become more frequent and more severe. I have warned My people to avoid living close to the ocean, and away from known earthquake faults. If a major event happens, It could affect your food and water supplies, which is why I have asked you to store some food and water. If food is scarce, you are to share what you have, and I will multiply what you have for your needs. If a national martial law is declared, be ready to leave for My refuges. This is because the one world people will use even major natural disasters for their takeover. Even some of these things can be created by the HAARP machine for the purpose of a takeover. Trust in Me that I will protect you and provide for your needs."

Thursday, March 22, 2012

March 30, 2012

Thursday, March 22, 2012:Jesus said: "My people, I have given you many messages about the need for My refuges during the end times of the tribulation. I used Moses and his staff to perform miracles to protect My people from the Egyptian army, as the Egyptians were drowned in the Red Sea. During the Exodus I fed the people with manna and quail in the desert. When the people worshiped the golden calf, many of these people were killed for disobeying My Commandment. I am the only One worthy of your worship. During the coming reign of the Antichrist, you will see a modern day Exodus where I again will

protect My faithful remnant from being killed by the one world people and their followers. I will have your guardian angels lead you to My refuges, and they will shield you from the evil ones by making you invisible to them. You will also be fed daily Communion by My angels, and with deer for meat. At the end of the tribulation, you will see My Comet of Chastisement kill all of the evil ones, as they will be cast into hell. My refuges will be miracles of protection that will be guarded by powerful angels. Believe in My refuges because this is how I will defend My faithful from the evil ones of today, even as I defended My people in the Exodus from the Egyptians."

Prayer Group:Jesus said: "My people, Juliet's Gospa Prayer House is a refuge and it has been a refuge for some time according to several messages. Recently, there has been some circumstances that have prevented a conference from taking place. You are even having some expansion before the refuge time. If it is possible, you could ask your authorities what conditions would allow a conference to take place. Continue to pray for a solution to this problem including some novenas."

Jesus said: "My people, Donna was using her faith well in blessing their buildings with blessed salt. As a result, they have seen the apartments fill up with more tenants. The assessment problem is still creating a cash flow problem if there is no change. All of your decisions and problems could be given over to Me in prayer and novenas. You were witness to My help in the past, so keep faithful to Me in your prayers, and I will help you in your troubles."

Jesus said: "My people, you have been to New York City to see where this commitment was made by George Washington at St. Paul's Church. You have seen in this story of â€˜The Harbingerâ€&#65533; how there are many parallels of Israel's exile to similar happenings in America. I have given you many messages of how important it is for America to repent of its sins. Unless America returns to Me, your country will be repeating the same story as Israel and the Roman Empire. Learn from history, or you will repeat it with your own demise."

The Holy Spirit said: "I am the Flame of Light that came over the apostles on Pentecost. Many faithful people have become a little complacent in standing up for their faith. I am coming to inspire you with My fire of love so you can see clearly why it is necessary to fight for your freedom of religion. You need to be a

witness of your belief in the laws of God by living your faith in your actions. Do not seek the safety of following the crowd, but step out in faith to tell people when they are violating the Commandments. This is why you want to strive to save souls from hell."

Jesus said: "My people, your recent attack on religious institutions for not giving out contraceptives is just the beginning of even more attacks on your churches. You have seen hate laws where you cannot even preach that homosexual acts are serious sins. Many religious freedoms are under attack in religious buildings that accept Federal aid. Soon your political views will threaten your tax exempt status in your churches. You may even see your churches closed for not going along with the new world order. Prepare for many persecutions to come, even as you have seen in Russia and China. Pray for My help at your refuges."

Jesus said: "My people, you are well aware of the unusual warm winter that you have had, and some have seen less rain and snowfall than normal. Pray that your farmers will receive enough rain and irrigation needed to grow their crops. Many violent storms have upset farms with your latest tornadoes. The success of your farmers means that you will have enough food to eat. If they cannot grow a full crop, then your food will be expensive and scarce to find. This again is why I have asked you to store one year's supply of food for a coming famine. You will share what you have, and I will multiply your food so all of you will have what you need."

Friday, March 23, 2012

March 30, 2012

Friday, March 23, 2012:Jesus said: "My people, I am showing you a tree much like the Tree of Life in the Garden of Eden. I am the Tree of Life, and you are the branches. Without Me, you will wither and die. When you look at My crucifix, you see Me dying on the wood of the cross. In the vision you saw grapes and wheat circling around this Tree of Life. This represents the bread and wine that I consecrated in the first Mass which I changed into My Body and Blood. I have repeated the words of St. John's Gospel many times: â€˜You must eat My Body and drink My Blood in order to have eternal life.â€ You are receiving Me in Holy Communion, and I bring life into your soul. It is My death on the cross that has brought salvation to all sinners. It is everyone's choice to

accept Me as Master of your life or not. I forgive all repentant sinners who seek My forgiveness. This is why you all are so blessed to receive Me into your souls, so you have the grace of My sacrament that permeates your body and soul. I will be with you in My tabernacles until the day a new life will start in My Era of Peace. In My Era of Peace you will see the same Tree of Life that was seen in the Garden of Eden, and I will be with you spiritually. Rejoice when you visit Me at any of My tabernacles so I can bestow the grace of My Real Presence among you."

Jesus said: "My people, in the Garden of Eden I created Adam and Eve, and they were not meant to die as long as they stayed in the Garden and they did not eat the forbidden fruit. Once they listened to the devil, they ate the forbidden fruit, and they were cast out of the Garden of Eden. One of the consequences of this original sin is that all of mankind became mortal and had to die to this life. Now you see a cycle of life from an infant to an adolescent, and then to an adult. You are familiar with the aging process that causes your body to grow old. Once your soul is created, you will live forever. Your body will die, but your soul will be separated from your body and live on. By your life's actions, you will be judged to heaven, purgatory, or hell. At the final judgment, all of My faithful will witness their own resurrection as your soul will be reunited with a glorified body. This is My promise that I gave to everyone who would follow My Commandments and show love to Me and the neighbors. This is the complete cycle of life from Adam and Eve until My final judgment of mankind. Be faithful to Me, and you will have your eternal reward with Me in heaven."

Saturday, March 24, 2012

March 30, 2012

Saturday, March 24, 2012:Jesus said: "My people, you are familiar with your shadow in the sunlight, but I am showing this to you in order to represent your soul body which is superimposed in your physical body. You know that you are made up of a body and soul, but your soul is the most important because it will live on forever. You only have two destinations of either being with My love in heaven, or with the hate of the devil in the flames of hell. By following My Commandments of love and My Gospels, you can imitate My life of prayer and service to God and your neighbors. This is your path to heaven for your soul. I will send everyone a Warning experience before the Antichrist is allowed to

declare his reign. In the Warning your soul body will leave your physical body, and you will come before My Light where you will experience your life review. I will show you your whole life with an emphasis on your unforgiven sins. Then you will receive a mini-judgment to heaven, purgatory, or hell. You will then have your soul body return inside your physical body. You will have an opportunity to improve your spiritual life, and if you do not improve, your soul body's destination will be that of your mini-judgment. Keep focused on Me at all times in your prayers, and in all of your actions that you do for My greater glory. At the end of the tribulation I will separate the evil souls who reject Me or ignore Me, and they will be sent to hell. Those, who love Me and seek My forgiveness of their sins, will be taken into My Era of Peace and later into heaven. At your death in the body, your soul body will be separated for its final destination. If you die before My return, you will see Me in judgment, and some may have to be purified in purgatory. Pray to evangelize souls in this life so you can keep them from going to hell. Pray also for the souls in purgatory who need your prayers to come to heaven sooner. I love all of My people, and I desire that all of your soul bodies could come to heaven. It is your choice in how you live that will show Me how you love Me or not."

Sunday, March 25, 2012

March 30, 2012

Sunday, March 25, 2012:Jesus said: "My people, before the people in the Gospel reading, I gave glory to God the Father, and I invited Him to glorify Me in His own voice that the people could hear. My people were given My words that unless a grain of wheat dies, it cannot sprout and yield fruit. This is how I plant My seed of faith in each soul, even as I told you in the parable of the Sower. I ask all souls to come to Me and die to themselves, by giving over their free wills to Me so I can be the Master of their lives. When I lead you in your daily lives, then I will give you the sufficient grace to fulfill your mission and bear the fruit of your gifts. Just as trees blossom, then later they bear fruit to eat. So My people also need to blossom in their faith in Me, so their good works for others will be the fruit that they can bring forth. Remember that by your fruits, I will know if you are following Me or not. A good tree can only bear good fruit, while a bad tree can only bear bad fruit. Be loving of Me every day so that all that you do will be done for My greater glory. Do not seek glory for your good works, but be satisfied that you are doing only what is expected of My followers. Love Me

and one another, and you will have the gift of eternal life with Me in heaven."

March 30, 2012

Monday, March 26, 2012: (Feast of the Annunciation)Mary said: "My dear children, I am happy to be with you on my feast day, even as you pray my rosary every day. This feast shows you how I was prepared by God a long time ago so I could be born without original sin, and I lived in the Divine Will of God without sin. I was given a mission that I accepted with my fiat to be the Mother of God in my Son, Jesus. By the power of the Holy Spirit, He overshadowed me to conceive the child Jesus in my womb. I was overwhelmed with this special blessing of being a part of salvation history for all of my children. At the foot of the cross, Jesus gave me over to St. John as his mother, and as the mother of all of Jesusâ€ people. Even from heaven I put my mantle of protection over all of my children as I look after your souls. Rejoice in this feast when St. Gabriel spoke these words to me, as I accepted the will of God in becoming His Mother."

Jesus said: "My people, I love all peoples, even all denominations and those people who do not believe in Me. The builder of this community has done a great work to promote the Catholic Faith. If you can encourage people to follow My Commandments and the words of My Gospels, you are being a good evangelist. I have made all of you in My Image, in that I have given you all free will to choose to love Me or not. I desire people to follow My ways, but I do not force My love upon anyone. Those, who choose to live in this community, are aware of some restrictions, but they have accepted them. In any community you may have certain zoning or neighborhood laws, but not always restrictions of religion. Some may take offense to this restriction, but they can live in other neighborhoods. My faithful are like any other people, but they are different in allowing Me to lead their lives. When you love Me and your neighbor as yourself, you are giving good example to others without forcing them to believe in the Catholic Faith. Hold close to your faith in Me as you pray for My protection. Those, who live their faith in Me by their actions, will receive their reward with Me in heaven."

March 30, 2012

Tuesday, March 27, 2012:Jesus said: "My people, in today's reading you saw how Moses had to lift up the bronze serpent on a pole so those, who looked on it, could be healed of their snake bites. This is another image as I was also raised up on the wood of the cross so I could die for your sins. Now, My followers can look on My cross and ask for My forgiveness of their sins, and they will be healed. The serpent in the devil has caused you to sin in the bite of his temptations, but you can be forgiven in Confession. Once your sins are forgiven, now you can be healed by receiving Me in Holy Communion. My Body and Blood heals any spiritual damage done to your souls by your sins. You soon will hear My Passion account of My crucifixion on Palm Sunday, and you will walk with Me to Calvary on Good Friday. I was in the tomb for three days before I resurrected on Easter Sunday. You have been doing your Lenten prayers and fasting to purify your spiritual lives. Soon you will be rejoicing with Me on Easter Sunday in My Resurrection. Give glory and thanks to Me for all the gifts of My love that I have bestowed upon you in My sacraments."

April 12, 2012

Wednesday, March 28, 2012:Jesus said: "My people, in the reading from Daniel you saw how the three Jewish men were tested by the king to worship the false god of his statue, or face death in the fiery furnace. The three men chose to follow God and His ways, rather than obey the king's order to worship his false god in idol worship. The king had them placed in the hot fiery furnace, but an angel protected them from being burned to death. As a result the king was converted to God, and stopped believing in his own attendants. In today's world you are also being persecuted for your belief in Me, even as I was persecuted and even killed. You may not face death right now, but a time is coming when you could be martyred for your faith if you do not follow My advice to come to My refuges of protection. The people in authority are controlled by the evil one world people. These evil ones are trying to take away your freedom of religion in forcing you to accept homosexuality and giving out contraceptives. The authorities are trying to force you into a socialistic government that wants to

totally control you with chips in the body. Refuse these chips in the body because they will control your mind and your free will. Those, who knowingly take the chip in the body and worship the Antichrist, are condemning themselves to hell according to the Book of Revelation in chapters 13 and 14. Just as the three Jewish men defied the king, so My people need to defy your government that is trying to force you to take the mark of the beast. This is all part of your Health Law that they are trying to force on you. I do not want My people to use guns against these authorities, but when you see martial law and mandatory chips in the body, it will be time to follow your guardian angels to My refuges. Many saints were martyred for their faith, and there will be more martyrs in the tribulation. Hold fast to your faith, even if people threaten to kill you if you do not take the chip in the body."

Jesus said: "My people, when you see the priest hold up the Host at the Consecration, I want you to think of all that I suffered on Good Friday. You remember how I was scourged with wounds all over My Body. I then carried My cross to Calvary where I fell three times on the Via Dolorosa. Then I suffered much when they stripped My clothes, nailed My hands and feet to the cross, and I suffocated on the cross. All of this suffering was the price of all the souls that I had to redeem. This was the reason for My coming to earth as a man. All of this pain that I endured, was to show you how much I love each soul. This is why I want a large crucifix on every altar, so you can remember how much I love you. People have short memories, but by looking on My crucifix all the time, you will never forget My love for mankind. Rejoice and give thanks that I have paid the price for your sins and your salvation."

April 12, 2012

Thursday, March 29, 2012:Jesus said: "My people, I have warned My people not to take the mark of the beast in their bodies, and not to worship the Antichrist. This is in the Book of Revelation, and you will be told this as well in your Warning experience. This Antichrist will be a man possessed by a demon, and he will have powers to hypnotize you to worship him by his eyes. Do not look at his eyes or listen to his words. That is why after the Warning, you should remove your TVs and your computers out of your houses so you do not have to look at him. Many will be attracted to him because he will promise peace, food, and

wealth through his chips in the body. These people will be drawn by his charisma to worship him, and the chips in the body will control their minds. This is why in the vision you are seeing the Antichrist drawing crowds of people right down into a vortex of the whirlpool into the pits of hell. Wake up to this battle of good and evil, and choose to follow My love to heaven, rather than the Antichrist and Satan into the flames of hell. During this coming reign of the Antichrist in the tribulation, call on Me to have your guardian angel lead you to My refuges where your soul and body will be protected from the evil ones. Those, who refuse to come to My refuges, are risking martyrdom, or some may even lose their souls to these evil ones. Trust in My words of preparation because this evil could overwhelm even some of My elect."

Prayer Group:Jesus said: "My people, this vision of soul bodies coming up to Me from their physical bodies, represents the time of the Warning when all souls will receive their life review. This will be a wake-up call for all sinners because they will see how their actions have offended Me in their sins. People will receive a mini-judgment after their life review, and they will have a small taste of hell, purgatory, or heaven. Rejoice that you will have another opportunity to improve your spiritual life. Every time that I show you these signs of the Warning, you are sensing how close you are to this test."

Jesus said: "My people, one side is trying to put forth a budget that tries to balance some of the huge deficits that America is accumulating. Other actions are concerned with your gasoline problems in respect to pipelines and oil company subsidies. Many comments are covering up your true unemployment levels and your true inflation rate. It is very difficult to sort out the truth because each side exaggerates the numbers for their own purposes. Pray for all of your financial problems which are worse than you are being told."

Jesus said: "My people, you will soon be carrying palms on Palm Sunday, but there will be only a short celebration before you read the account of My Passion. You have been offering up your penances, prayers, and fasting for Lent. Be prepared for Holy Week by going to Confession, and be willing to make some donations for the poor in your almsgiving. You could donate to your local food shelf or the Catholic Relief Services that helps people all over the world. Make some time to attend these Holy Week services that are a Church tradition. These traditions should be supported and passed on to your children. Traveling to several churches on Holy Thursday helps to unite your churches."

Jesus said: "My people, having a National Health Care law is designed to help everyone to have some health care insurance. It is difficult to force everyone to buy insurance under the threat of a severe financial penalty. There is still a problem of finding enough doctors and the finances to support such a plan. Already your people are seeing trillions of dollars projected in future deficits to pay for this health plan. Pray that a fair system will be developed that does not include the mark of the beast that would force computer chips in your bodies."

Jesus said: "My people, you have only two more Fridays to pray your Stations of the Cross. This last Friday on Good Friday prepares you to see how much I suffered as I brought salvation to the world. All of your own sufferings can be united with Me on My cross. It is not easy to suffer the trials of earning a living and supporting your families. I suffered your human condition, except sin, so I know what you are going through. Offer up all of your actions for My glory."

Jesus said: "My people, the signs of spring are coinciding with the new life of My Resurrection. Flowers are coming forth and trees are coming to life. Even your days are getting longer which gives you more light each day. Easter is a beautiful time of year with a burst of color and new life that covers up the barrenness of winter. Rejoice in the new life of My Resurrection as My creation comes alive as well."

Jesus said: "My people, there are many beautiful kinds of flowers to see in their radiant colors. Just as you have new life in the flowers, so you can see the beauty in the birth of many babies. The only sad part of human life is that you are aborting millions of My babies every year. How can you see the beauty of babies if you are killing them in the womb? Encourage these mothers to have their children, and live with a little less of your country's abundant wealth. Once you have your children, how can you think of wanting to kill such beautiful life? America needs to learn how precious life is, or you will suffer My punishment for killing My babies."

April 12, 2012

Friday, March 30, 2012:Jesus said: "My people, at times you take your car into the carwash to clean off the dirt. Even daily you take a shower to cleanse the

outside of your body. How much more you should be concerned with cleansing the sins from your soul in Confession. You are about to renew your Lenten devotions in Holy Week that is a remembrance of how I died on the cross for your sins. I love My people so much that I gave up My life so I could pay the price for your sins. I have given you My sacrament of Penance or Reconciliation so you could seek the forgiveness of your sins from Me. You can keep a clean soul by going to frequent Confession at least once a month. If you commit a mortal sin, you should get to Confession as soon as possible. You do not know when you are going to die, so by keeping a pure soul, you will be ready to meet Me at your judgment. People, who are living in mortal sin, are risking the loss of their soul to hell. So strive to avoid sin, and keep your soul clean by confessing your sins in Confession."

Jesus said: "My people, you have studied some of the old civilizations, and you see how they rose to power, and then deteriorated from within. You have seen how America started by winning its freedom from Great Britain, and you placed My Name in your early documents. Over the years you have fought many wars to preserve your freedoms. It is only since the Federal Reserve System controlled your money since 1913, that the central bankers have gradually controlled you through your deficits and your debts. When you went off the gold standard, this made your money absolutely worthless with no inherent value. This is why you have lived on fiat money, and your National Debt is over $15 trillion with very few countries wanting to buy your debt. You are spending money in deficits of $1.5 trillion each year, and your Federal Reserve is financing 62% of that debt with Treasury Bonds made from thin air. It is just a matter of time before inflation will take over, and your artificial interest rates will accelerate higher. Prepare some food storage and some metals for barter because your dollar will soon be crashed by the one world people. This crash of the dollar's value will crash everything denominated in dollars. Be prepared for martial law when this happens, as it will be another reason to go to My refuges of protection. You will see the Antichrist reign for a short time before I will bring My victory over evil, and My faithful will be rewarded in My Era of Peace."

April 12, 2012

Saturday, March 31, 2012:Jesus said: "My people, this vision of the lower part of purgatory is where souls suffer a burning sensation in their soul bodies. They also suffer the pain of missing My loving Presence. In the upper parts of purgatory they do not suffer from these flames. These souls are promised one day to be with Me in heaven. Very few souls come straight to heaven. So those souls, who avoid hell and do not come straight to heaven, still have to be purified in purgatory until they are worthy of the perfection of heaven. Because you do not always know the disposition of the people who die, you should pray for them and have Masses offered for their souls. Many souls are still languishing in the suffering of purgatory because people have forgotten to keep praying for them. Masses will move these souls up in purgatory the most. There are some souls in the lower parts of purgatory who need to suffer a set time before Masses and prayers can help them. Remember to keep praying for your family members who could still be in purgatory. If one soul, who you are praying for, has come to heaven, then your prayers will go to your other family members. Also, pray in general for all the souls who have no one praying for them. The suffering of these souls is difficult, and you could relieve some of their suffering by your Masses and prayers. Do not be lazy in forgetting to pray for these souls. They should be in your prayer intentions every day."

Jesus said: "My people, you are living in an evil time where good and evil people are becoming more obvious. You are seeing in the vision that My Church is being attacked by evil people inside My Church, and from the authorities outside My Church. You will be seeing a division in My Church led by the Masons who will separate a schismatic church from My faithful remnant. Avoid this schismatic church that will be teaching New Age worship of things, and that sexual sins are no longer mortal sins. Stay with My faithful remnant that may have to meet secretly in homes. Gradually, your government will be persecuting you for your belief in Me. They will eventually seek to imprison you and kill you for not taking the chip in the body. I will warn My faithful when it is time to leave for My refuges. Have no fear because My angels will put an invisible shield around you so the evil ones cannot harm you. At My refuges you will be protected from any viruses or any means to reduce the population. You will have food, water, and shelter to survive. You will be praying more, and worshiping Me in Adoration of My Host around the clock. Give thanks to Me for My protection as I will have My angels defend you from the evil people and the demons."

April 12, 2012

Sunday, April 1, 2012: (Palm Sunday)Jesus said: "My people, when I prayed in the Garden of Gethsemene, I invited My apostles to pray one hour with Me also. Several times I returned to them, and I found them sleeping. Even now I ask My people to pray every day for the sinners of the world, and many are spiritually lazy, and they are not praying as I asked. During the reading of the Passion, the Jews wanted to kill Me for blasphemy, but they did not realize that I truly AM God the Son, the Second Person of the Blessed Trinity. I truly did die for all the nations of all peoples so I could pay the ransom for your souls. I am the only worthy sacrifice to forgive your sins. So come to Me in Confession to claim your forgiveness because of My death on the cross. Unless you seek My forgiveness and allow Me to be Master of your life, then you cannot enter heaven. I have brought victory over sin and death, but My people need to take advantage of My salvation by seeking the forgiveness of their sins."

April 12, 2012

Monday, April 2, 2012:Jesus said: "My people, problem pregnancies are very traumatic for women who have been fornicating, or are not able to support any more children. Your court system in America has given women a right to kill their baby in the womb, but this is still killing innocent life in My eyes. At times you see some inspirational movies that bother some people on the issue of abortion. These movies actually are testing people's consciences because they know deep down in their hearts that abortion is killing babies. People, who promote abortion, are always claiming that the baby which is starting, is just tissue or a fetus. They do not want to admit that it is a human baby because they do not want to face the truth. But every abortion is a sin that mothers and doctors are responsible for at their judgment. Mothers can be forgiven in Confession, if they seek My forgiveness. The movie that you saw was unique, when a failed abortion grew into a woman who was finally able to forgive her mother for aborting her. Unfortunately, all those children, who were aborted, never had a chance to speak to their mothers, except for their silent screams when they were killed."Note: We saw the movie "October Baby".

Jesus said: "My people, you are seeing a preview of Good Friday in the vision. There was truly a darkness about the time of My death as evil had its hour. Even an earthquake occurred that split the curtain in the Temple. You have been to the Holy Sepulcher, and you have seen the split in the rock. This week is very somber as you read of My Passion and death. Even if your services are long, take the time to honor My death on the cross for the remission of your sins. My death on the cross and My following Resurrection is a victory over sin and death. It will be a quiet service on Friday, but a joyous service on Easter Sunday as you celebrate My glorious Resurrection. Give thanks and glory to your Savior who has redeemed your souls from your sins."

Tuesday, April 3, 2012

April 12, 2012

Tuesday, April 3, 2012:Jesus said: "My people, even at the Last Supper you are seeing the battle of good and evil. You see the contrast of Me as the Light of the world compared to Satan in Judas as the darkness of the world. Evil does not want to have its wicked deeds seen, so evil deeds are done in the darkness of night. Even though there is evil in the world, My people can come to Me for help. You can ask Me, and I will send My angels to protect you from the attacks of the devil. Until Holy Thursday, I did not allow the evil ones to hold Me. I always slipped through the crowds undetected. But that night it was evil's hour, and I allowed them to capture Me. I had a world to redeem and I used Judas and the Jews to carry out My crucifixion. Judas is mentioned several times in the Gospels as My betrayer. It was hard to see one of My very own apostles betray Me with a kiss. Every time My people offend Me in their sins, you are turning your back on Me as well. Be ready to come to Me for the forgiveness of your sins, because I am waiting to take you back into My good graces. Some people refuse to ask My forgiveness, but I will always forgive a repentant sinner, no matter how serious the sin is."

Jesus said: "My people, you have heard the news reports of the latest tornadoes, and you have seen pictures of the destruction left behind. In the spring it is not unusual to see many tornadoes. What is unusual is the picture of the low pressure system in the middle of your country which had a center looking like the eye wall of a hurricane. You are aware of the HAARP machine that can cause more violent weather than usual by the use of strong microwaves. It would

appear that such action is going on to cause these recent tornadoes. Pray that these abuses of your weather by the HAARP machine can be exposed because your government's armed forces control this machine. The one world people are using man-made disasters to allow them to eventually take over with a martial law. When this happens,My faithful will need to come to My refuges of protection."

Wednesday, April 4, 2012

April 12, 2012

Wednesday, April 4, 2012:Jesus said: "My people, again in today's Gospel you read of how Judas betrayed Me for thirty pieces of silver. Not only was I hurt by Judasâ€ betrayal, but My Blessed Mother was also heart broken to hear that one of My apostles had betrayed Me. The whole time of My capture and My agonizing crucifixion was also a time of suffering for My Blessed Mother. She greeted Me on My way to Calvary as I carried My cross. She was at the foot of My cross and watched Me die. She also held My dead Body, once I was brought down from the cross. This is why you see her looking down and dressed in black in the vision. She was overjoyed to later hear of My Resurrection, and she learned from My apostles about all the events where I appeared to people. My death caused her great sorrow, but she realized the importance of My mission where I had to die for the salvation of souls. Keep praying her rosaries every day so you can help souls as well."

Jesus said: "My people, you are seeing major deficits in your Federal Budget that is getting worse every year. Even with planned increases in your taxes, there will not be enough new money to balance off the rate of spending on your entitlements. Both individuals and your states are obligated to have balanced budgets. On your home budget, you cannot afford to buy things that your income cannot cover. If your income is limited, then you have to cut back your expenses to fit your income. Your government should be doing the same, but you may be forced into an austerity budget if you cannot pay your debts. You have seen European countries forced onto austerity budgets when they sought loans to pay their debts. Since many countries do not want to invest in low yield Treasury Notes and a big debt, your Federal Reserve is buying most of your debt with artificial worthless bonds. This will eventually force inflation beyond your artificially low interest rates. Your banking system is teetering on bankruptcy if

your budgets are not balanced soon. Pray for a solution to your deficits, or a threatened bankruptcy will force My faithful to come to My refuges when martial law is declared."

Thursday, April 5, 2012

April 12, 2012

Thursday, April 5, 2012: (Holy Thursday)Jesus said: "My people, in the vision of the multiplication of fish and bread, there is a foreshadowing of the Communion that I distributed among My apostles at the Passover of the Last Supper. There are priests consecrating the bread and wine into My Body and Blood all over the world. Tonight My Holy Communions will be reposed for your Good Friday service when there will be no Mass. I am therefore fully Present in My consecrated hosts all over the world in many tabernacles. Give honor and thanks to Me for giving My life up for the salvation of all souls. This Holy Week you are commemorating My crucifixion and then My Resurrection. You are sad to see My death, but you are raised up in joy on Easter Sunday with My Resurrection. Give Me your trials and sufferings so I can join them with Me on My cross. These services are the spiritual high point of the Church Year. So make a point to attend them for Me."

Friday, April 6, 2012

April 12, 2012

Friday, April 6, 2012: (Good Friday)Jesus said: "My people, today is a solemn day when you commemorate My death on the cross when I offered up My life as a sacrifice for all the souls who died, those who are living, and those who will live in the future. In the Gospel you saw Me led to My crucifixion like a sheep led to the slaughter. I willingly died for your souls so you could come to Me for the forgiveness of your sins. I paid the price with My Blood for the remission of your sins. When you are baptized in faith, you become one of My faithful. When you seek My forgiveness of your sins, and make Me Master of your lives, then you will be ready for heaven. At the end of your service today, you left in quiet because I was laid in the tomb for three days. Thank you for all of your Stations of the Cross that you prayed on the Fridays of Lent. Soon you will be celebrating My Resurrection."

Saturday, April 7, 2012

April 12, 2012

Saturday, April 7, 2012: (Easter Vigil-candle ceremony)Jesus said: "My people, the Light of My Resurrection so affected the guards that they fell down as dead men. My angels told the women who came that I would see My apostles in Galilee. The women were astounded by the angels, but they believed the angelsâ € words that I had resurrected. The women told My apostles, but My apostles did not want to accept this news at first until it was confirmed. I told My apostles that I would rise from the dead after three days, but they did not understand what rising from the dead meant. Later, after My appearances, they believed, but blessed are My disciples of today who have believed without seeing Me. Many of you have struggled with fasting and your penances, but now you are free to celebrate the freedom that I bring to each soul in loosening your bonds of sin to truly make you free."

Sunday, April 8, 2012

April 12, 2012

Sunday, April 8, 2012: (Easter Sunday)Jesus said: "My people, today many people come to church on Sunday who may not come every Sunday. I want My faithful to remember that the Third Commandment says that those, who believe in Me, need to honor Me at Mass on every Sunday, not just when it is convenient. My faithful should be able to find at least one hour a week to come to Sunday Mass. If you do not establish a loving relationship with Me, then I may not recognize you when you face Me at your judgment. Daily prayer is also a way of showing Me your love. I died for all souls to show you how much I love each of you. If you truly love Me, you should show your love by more than one hour a week. Give glory and thanks to Me for bringing salvation to all souls. Rejoice with Me as you see new life spring forth from My creation."

Monday, April 9, 2012

April 12, 2012

Monday, April 9, 2012:Jesus said: "My people, after Easter Sunday your readings will focus on the accounts of My early Church in the Acts of the

Apostles by St. Luke. You are now in the Easter Season that will last up until Pentecost Sunday. St. Peter was announcing My Resurrection, even though the authorities of My time did not want to accept that I rose from the dead. The Holy Spirit enabled My apostles to speak in various languages, and He gave them the courage to evangelize souls in My Name. Even though they risked their lives to speak out, they still continued to spread My Good News. My faithful of today also need to take courage from the Holy Spirit and spread My Good News to all the nations. Reach out to preach My Resurrection, and invite souls into My Church to have eternal salvation. You have been given My gift of faith, and you need to share your gift with as many souls as you can."

Jesus said: "My people, I have talked to you before about the importance of fresh water for man's survival. The cheapest source of fresh water comes from rainfall that you can collect and filter. Other fresh water comes from wells and aquifers. Even your Great Lakes contain 20% of the world's fresh water. My message today is concerned with people who exploit free water for their own monetary gain. You have seen one freshwater plastic bottling company that relies on an aquifer that runs into Lake Michigan. They barely filter the fresh water, and they make millions of dollars selling it to all countries. Other people try to buy water rights to big aquifers in the Midwest, much like they buy oil rights to properties. When you have to distill or use membranes to purify salt water, water becomes much more expensive. This is done on ships or in arid places where it is too expensive to ship water in bulk. Be aware that storing water is also a part of your preparations for the tribulation, not only for drinking, but for using it to reconstitute dried foods. Everyone requires fresh water daily, but if you cannot readily obtain water, then you have a threat to your survival without a backup supply. This is also why all of My refuges need an independent source of water for survival as well. If necessary I will miraculously provide springs of water for your needs. Be thankful that there is plenty of water available, even if it requires purifying."

Tuesday, April 10, 2012

April 12, 2012

Tuesday, April 10, 2012:Jesus said: "My people, Mary Magdalene was crying over My death, but she did not recognize Me in My glorified Body. When I called out her name, she then knew who I was. This is an example to My faithful

that you should work on having a personal love relationship with your Lord. If you do not pray to Me or worship Me on Sundays, how am I going to recognize you at your judgment? Do not wait until your deathbed to start learning about Me. You are placed on this earth to know, love, and serve Me, and not to ignore Me. I am your Creator and Lord of your life, so you need to show Me your love if you want to come to heaven. I have shown My love to all of you by dying for your souls on the cross. You need to give Me thanks and love Me for all that I have given you. You have life, air to breathe, sun to see things, and I gave you talents to obtain what you need. You also have My unconditional love despite your sins. Wake up and realize that only by asking for My forgiveness and allowing Me to be the Master of your life, can you be ready for coming to heaven. You would much prefer to be with the One who loves you in heaven, than be with the one who hates you in the flames of hell."

Jesus said: "My people, there is a lesson in how some flowers only last for a few weeks. This is true also in your current budget deficits. The plan to raise more taxes will not even cover most of the current deficits. Even if your Health Care Law gets by the Supreme Court, the current estimates are for a large increase in cost over the original plan. Your Congress and your President are not making any serious plans to have a balanced budget. Instead of promising more giveaways, it is time to be serious about limiting the largest growing cost which is the rate of increase in your entitlement expenditures. Unless these increases are addressed, your budget deficits will get larger, and even threaten bankruptcy. Some European countries are facing austerity budgets to control their spending. This is because the banks that finance these countriesâ€ debts are asking higher interest rates for riskier loans. In America your Federal Reserve is financing most of your debt, yet they are keeping interest rates at near 0%. This gives no incentive to lower your debt. If the Federal Reserve threatened higher interest rates if your deficits continued, then you also would be forced into austerity budgets. This is why the interest rates are artificially low, and the Federal Reserve is putting more credit into circulation with worthless bonds that are paying for your debt. This is also why a crash of your dollar could come at any time when other countries stop using the dollar as a reserve currency. Be prepared to come to My refuges when the euro and the dollar crash."

April 26, 2012

Wednesday, April 11, 2012:Jesus said: "My people, as I walked with My disciples on the road to Emmaus, I was disappointed that they did not fully understand My mission on earth. They were amazed at many of My miracles of healing, and they believed that I was the Messiah from God. But the idea of My dying to redeem all of mankind was still not fully understood. I had told My apostles several times that the Son of Man must die for the people, and I would rise from the dead on the third day. They had seen Me raise several people from the dead, as Lazarus. They did not realize that death had no hold on Me. So I explained to My two disciples all the Scriptures that referred to My coming. They were delighted to have My insights shown to them, and they finally recognized Me in the â€˜breaking of the breadâ€. It is a miracle of faith to believe that My death was the price to redeem all souls from their sins. This is My gift of Myself to all of humanity. I left another miracle with every priest who consecrates the bread and wine into My Body and Blood at the Mass. Now you have Me with you at all times at Holy Communion and in My Hosts in My tabernacles. Rejoice in My victory over sin and death, and also in the gift of My Eucharist."

Jesus said: "My people, it is sad to say that the Republican primary fight appears to have gone to the candidate with the most money to spend on it. It is hard for any other candidates to get enough financial support to beat a well funded opponent. Most of the political money went to support the front runner, who was also supported by the main party faithful. In the Presidential election, your incumbent President has a huge amount of money already collected for his campaign. The Republican front runner is just starting to get his fall campaign funded, after spending millions of dollars to get his party's nomination. Just as money was a determining factor in getting the Republican nomination, so money could also affect the outcome in the November election. The one world people are behind the scenes in directing the outcome of these elections so they will have total control over whoever is elected. Pray for the best God-fearing person to win so he can lead your people out of debt. Pray also for your preparations to leave for My refuges when I give you My warning."

Thursday, April 12, 2012

April 26, 2012

Thursday, April 12, 2012:Jesus said: "My people, in this vision of My

Transfiguration, My apostles saw Me in My glorified Body, just as I appeared to them after My Resurrection. I told them at that time not to reveal that vision until I had risen from the dead. This was a preview of My Resurrection. Then in the Gospel I again showed My glorified Body to My apostles which is why they had some trouble recognizing Me. I showed them My wounds from the nails that were in My hands and feet, and I even ate some baked fish to show them that I was not a ghost. I then reminded them of all the Scriptures of how I had to suffer death as a ransom for all of mankind's sins. This was similar to My explanation to My disciples on the road to Emmaus. My apostles were incredulous with joy to see Me alive again in My Body. My Body was glorified from My Resurrection experience. My Resurrection is a hope for all of My faithful. One day at the final judgment, My faithful souls will be rejoined with their glorified bodies."

Prayer Group:Jesus said: "My people, I told you in a previous message that you could see another tsunami in the Pacific Ocean. Recently, you have seen 8.6 and 8.2 earthquakes in Indonesia which caused a 30â€³ wave on shore. You also have seen evidence that the HAARP machine was on and witnesses saw colored lights before the earthquake happened, which is a signature of it being used. It is unusual to see two 8.0 earthquakes in Indonesia, 7.0 in Mexico, and 5.9 off the coast of Oregon in one day. The next day there was 6.5 and 6.0 in the Gulf of California. The one world people are using this microwave device to cause chaos and reduce the population. This same machine was active in causing some severe tornadoes."

Jesus said: "My people, growing crops may appear to be a simple process, but it requires adequate watering and fertilizing. There is also a problem with genetically modified seeds which could be giving you adulterated foods that could lead to higher cancer levels. I have given you My perfect plants for food, but man is trying to make crops with insecticides built into the plants. This is upsetting the bees and the insect balance in nature. Many of these modified crops should be researched for any bad effects on your health. It is your seed companies and food growers that are concerned more with making money than providing healthy foods. Pray to have more research done to see any side effects of these modified crops."

Jesus said: "My people, your recent news reports are claiming one child out of 88 will develop a case of autism. It would appear that there is a recent

connection with your vaccines that is causing this increase in autism cases. There is some indication of a connection with human fetal tissue being used to make vaccines that is linked with this current increase in autism. More research should look closely at what parts of your vaccines are causing this problem. America does not have any better health as a result of these vaccines when compared to other countries. It is your drug companies again that should be investigated."

Jesus said: "My people, your current economy is still struggling with a high level of unemployment. Some signs show an improvement in business, yet wages are still a problem for the average worker. The latest Health Care Law is adding uncertainty to many employers who are having difficulty with increasing health costs. Pray that your jobs will continue to be increased to provide work for your people."

Jesus said: "My people, America's dollar has been used as the reserve currency in international trade, especially for purchasing crude oil. I have mentioned to you before that once the dollar loses this status of being the reserve currency, your dollar will decrease in its value. There is no inherent value in a paper dollar. So when too much money is printed, its value will decrease. There are more dollars in credit being formed in Treasury Notes than actual physical dollar bills. Now you are seeing countries, that use a lot of oil, are making separate contracts without using the dollar, but they are using other currencies and gold. As other countries stop buying your Treasury Notes, and they avoid your currency, then the value of the dollar is in jeopardy. Your huge deficits are also decreasing the value of the dollar as the Federal Reserve is buying 62% of your debt. Be prepared for a coming crash of your dollar by storing food and other means of barter. When a crash does come, you will need to come to My refuges."

Jesus said: "My people, just as you see the beautiful flowers on your altars, so you are happy to be celebrating the new life of My Resurrection. My Resurrection accounts in your readings are full of joy and many miracles. This season will last up to Pentecost Sunday. The new life in nature helps remove the lack of vegetation from winter. Rejoice in the colors of the flowers, and share your faith with those who want to have Me in their lives. Keep praying for those souls who are not using My sacraments of grace. Do not give up on praying for them, but continue to give them good example in your behavior."

Jesus said: "My people, you are in the octave of Easter, and you will be celebrating Divine Mercy Sunday this weekend. The Divine Mercy Novena of nine days before Divine Mercy Sunday is a great blessing to take away the reparation due for your sins. By Confession, your novena, and other prayers, you can have this blessing which was promoted by St. Faustina. Follow these requirements so you will have less suffering in purgatory."

April 26, 2012

Friday, April 13, 2012:Jesus said: "My people, you are still celebrating Easter, even as I have been warning you to make preparations to come to My refuges. You remember in the Scriptures how St. Paul spoke of peace, peace, and then there was sudden destruction. I have been giving you messages for many years to be prepared to come to My refuges. Now, this time is growing close and many of My faithful are still not ready to face the coming tribulation. They do not realize that once they leave their homes, they are not going to return to them. This is why you need sleeping blankets, tents, and some food and water to carry to My refuges. You will also need some toiletries and other personal hygiene things. You may have to endure a more rustic living for up to 3 Â½ years during the tribulation. There will be some who will be martyred for My Name's sake, but they will go straight to heaven. Do not be fearful because I will protect you from the evil ones when My angels will make you invisible to them. I have been giving you many details of how to prepare your refuges with extra bedding, multiple fuels in colder climates, food supplies, a water source, and even non-hybrid seeds for growing your crops. You will be going to a modern day Exodus where My angels will provide you daily Communion and deer meat which is similar to the old Exodus. You will have a luminous cross in the sky for healing when you look upon it. You will also see a large angel of protection that will not allow any evil people to enter My refuges. You will have perpetual Adoration of My Blessed Sacrament at My refuges. Rejoice, because no matter how evil things will be, you will be safe at My refuges."

Jesus said: "My people, after My Resurrection St. Peter wanted to go fishing, or he wanted to return to his old profession. I enabled him to have a large catch of fish to show him My power. Then I asked St. Peter if he loved Me three times, and he responded that he did love Me. Then I said: â€˜Feed My sheep.â

€ These three responses were to make up for when St. Peter denied Me three times. I was also trying to show St. Peter that I was sending him and My apostles out to preach My Gospel of love to all the nations. I told him that I would send down My Holy Spirit upon him and My disciples. With the gifts of the Holy Spirit My apostles were given courage to speak out in witness to My Resurrection. They were also given gifts of healing both for the body and the soul in Confession. In today's world you have your jobs to provide for your families, but you are also called to do works of mercy for everyone. I asked you to feed the hungry, to clothe the naked, and to give shelter to the homeless. You can also visit the sick, the elderly, and those in prison. The more you do these things to help people, the more you help Me in these people. By storing up your good works in heaven, you will be preparing yourselves to meet Me at your judgment."

April 26, 2012

Saturday, April 14:Jesus said: "My people, when you are suffering the trials of life, I ask you to invite Me into your souls so I can calm you down from all of your fears and anxieties. It is not easy to deal with all of life's troubles, but with faith in Me and My graces for you, you can endure anything. In the Gospel reading you have seen how even My apostles did not want to believe that I rose from the dead, even after being told by the women and the two disciples who saw Me in My Body on the road to Emmaus. It was not until they saw Me in person that they believed in My Resurrection. I told them that they believed in Me because they saw Me, but blessed are those people who believe in Me without seeing My Body. It is one thing to believe in Me with your words, but it is a better witness by your actions in your good works. My apostles were blessed by the Holy Spirit on Pentecost, and their infusion of grace and belief in My Name allowed them to heal the crippled man. The Jewish leaders wanted to punish them, but they warned them not to speak in My Name. The two apostles were later beaten for preaching My Name in defiance of the Jewish leadersâ€ orders. They rejoiced that they could suffer to spread My Gospel. The people of today also want to criticize My faithful for preaching in My Name in public. They have forced My Commandments out of your public buildings and have stopped prayer in your schools. You are persecuted for protesting abortions, and you can be imprisoned for hate crimes for speaking out against homosexual acts

that I consider an abomination. My faithful can show Me your love by evangelizing souls. Preach My Good News that I died for your souls to be saved from your sins. Preach that as I resurrected, so My faithful also will be resurrected at the last judgment. Rejoice in My love as My Easter people."

April 26, 2012

Sunday, April 15, 2012:Jesus said: "My people, I greeted My apostles with â €˜Peace be with you.â€ I appeared to them in My glorified Body with My wounds in My hands, feet, and My side. They rejoiced to believe in My Resurrection, but St. Thomas was not with them at My first appearance. He later would not believe until he saw Me in the flesh. People may criticize St. Thomas for doubting, but in fact most of the other apostles did not believe either until they saw Me. Once St. Thomas put his hands into My wounds, he exclaimed: â €˜My Lord and My God.â€ These are the same words that you announce at My Consecration as the priest raises the bread and the wine. These words are an acknowledgment of My Real Presence in My Body and My Blood. I also breathed the Holy Spirit upon My apostles as I said: â€˜Whose sins you shall retain, shall be retained in heaven, and whose sins are forgiven, shall be forgiven in heaven.â€ This was conferring the sacrament of Holy Orders on My apostles as priests so they could absolve the sins of sinners in Confession. Today is also Divine Mercy Sunday that was promoted by St. Faustina. You have been given the grace of Divine Mercy when you recite her novena and come to Confession within a week before and after this feast. My mercy will forgive the reparation due for your sins which could lessen any punishment in purgatory. You are joyful in My Easter celebration for these fifty days, but you are also rejoicing to receive My Divine Mercy every day that you come to Me in your daily chaplet of Divine Mercy at 3:00 p.m. Remember that when you pray in front of My Divine Mercy image, that you receive extra graces for believing in My Divine Mercy. You have been given all of these opportunities for My graces, so take advantage of My many gifts to you including My gift of Myself in My Blessed Sacrament."

April 26, 2012

Monday, April 16, 2012:Jesus said: "My people, today's Gospel spoke of My conversation with Nicodemus when I told him that all of My faithful are called to be â€˜born again in the Spirit.â€ You have heard how I breathed the Holy Spirit on My apostles. On Pentecost they received the Holy Spirit with flames of fire over each of them. My faithful of today have been baptized and confirmed with the Holy Spirit so you can evangelize souls. The Holy Spirit inspires you and He gives you the words to proclaim to My people. When you are born in the Spirit, you receive My graces every time that you receive Me in Holy Communion. I do not force Myself on you, but I invite you to love Me and spread My Gospel of love. The vision of nature will also be at My refuges, and at My Era of Peace. The grounds of your meeting are beautiful, but when you are brought into My Era of Peace, it will be even more beautiful than this. Before you come to this Era of Peace, you will need to suffer through the tribulation of the Antichrist's brief reign. Do not have any fear because I will protect My faithful at My refuges. Rejoice in My hope of your future resurrection, and trust in My protection always."

Tuesday, April 17, 2012

April 26, 2012

Tuesday, April 17, 2012:Jesus said: "My people, you are still celebrating My Resurrection as My Easter people. You are realizing the importance of My death and Resurrection as now souls are able to come to heaven once they have been tried in this life and most have been purified in purgatory. I love all of My souls so much, and I provide everyone an opportunity to be saved by My ransom of souls. Only I could provide the worthy sacrifice for all of your sins. Now you can show Me your love in your Masses, prayers, and donations of charity in money and your good works. By your donations to the missions and your own food shelves, you are sharing your wealth with the poor much like the Early Christians who shared their money in common. I have given you many gifts, and your charity donations show your love for Me and your neighbors. Many of the accounts in the Scriptures give you good example of how to lead a good Christian life. The good works that you do, can balance off any reparation due for your sins at your judgment."

Jesus said: "My people, you know how dangerous it is to be in a swampy area that has snakes and alligators. This is just a sign in nature how there are dangers in both the physical and the spiritual worlds. You are living in an evil age where the demons are holding on to people in their addictions. This is why people are addicted to alcohol, pornography, and even computer programs on the internet. Evil takes many forms, but the worst is the taking of life in your abortions. Without any immigrants coming in, America's birth rate would cause a decrease in your population. Some of your people are using birth control, contraceptives, and pills as a means of not having many children that would interfere with their lifestyles of pleasure. You need to call on My help and that of My angels to protect you from the temptations of the devil. You are in a daily battle of good and evil, so keep praying and wearing your blessed sacramentals for protection from the evil ones."

April 26, 2012

Wednesday, April 18, 2012:Jesus said: "My people, today's Gospel reading (John 3:16) is famous to everyone when My Father sent His only begotten Son to save My people with My death that gives everyone an opportunity for eternal life. In the vision you see Me as the Light that disperses the darkness. Those, who do evil deeds, do not want to come near My Light which would reveal their evil works. But My faithful are drawn to My Light of grace because you can come to Me for all of your needs. If you seek to have your sins forgiven and allow Me to be the Master of your lives, then truly you will be on the right road to heaven. My Light will guide you, and show you the way to fulfill your mission. This gift to My faithful of eternal life in heaven is a reward for believing in Me and imitating My life. Take advantage of My gift and accept Me into your lives."

Jesus said: "My people, this vision of beautiful purple flowers show you how life is full of sorrows, but yet there are beautiful moments of joy when I send you a reward for following Me in your works. There is beauty in nature, and everything that I provide for you is made perfectly. It is your actions that need to be perfected in obeying My Commandments. Man has manipulated the plants and animals to his own liking with no regard that I made everything perfectly for your use. When I come to defeat the evil ones, I will need to renew the earth so I can prepare My faithful for an Era of Peace in a perfect world. This new Era will be your reward for being faithful to My call. Rejoice in My Easter message of love where you are called to go out to all the nations to spread My Good News, and evangelize souls to the faith so they could be saved from hell."

April 26, 2012

Thursday, April 19, 2012: (Funeral for Henry Mitalski-Carla's uncle)Jesus said: "My people, in your life time you just scratch the surface of things that you could learn about in this short life on earth. The spiritual world is another realm of knowledge which is focused on a battle for souls. You will not be judged on your knowledge, status, or how much money you have. You will be judged on your actions, and how you loved Me and your neighbors. My Commandments of love are your spiritual guides as you should do everything out of love for Me. Keep focused on Me throughout your lives, and I will lead you to your home in heaven. Pray for Henry and have Masses said for him, as he will be praying for all of you. Strive for the higher levels of heaven in all that you do to carry out My mission for each of you."

Prayer Group:Jesus said: "My people, you are seeing various places where statues and icons are weeping tears of oil, and even blood in some rare instances. These weeping statues are occurring because of heaven's response to all the abortions being committed. There are also many sexual sins, as your society is turning its back on Me. Pray for sinners, especially for the lukewarm who are spiritually lazy when they do not come to Sunday Mass. Do not refuse My graces by not coming to Mass, but come to Communion so you will have strength to fight the devil's temptations."

Jesus said: "My people, many places offer free flu shots that your government is paying for. The vaccines are made by your drug companies who are making a good profit. It is sad that some

shots are using aborted fetal cells to make the vaccines instead of animal cells. It is safer to reject these flu shots which are causing more harm to your immune system than they are helping. I have asked you to take Hawthorn pills, herbs, and vitamins to build up your immune system. You will need this protection when the evil ones will try to spread a new Bird Flu that will be contagious and deadly. This is the pandemic virus that will be spread by chemtrails to reduce the population."

Jesus said: "My people, a good number of My faithful are working to set up refuges for the coming tribulation. Some refuges will be found in caves or dug out houses in the side of a hill or in the mountains. My angels will be guarding My refuges, and they will protect My faithful. You will need full trust in Me when you come to My refuges. Those refuges, where they have stocked food and water, will have these necessities multiplied as more people come to My refuges. My faithful will have an invisible shield around them, and a luminous cross of healing at My refuges. Trust in Me to provide for your needs throughout the whole tribulation."

Jesus said: "My people, you are seeing millions of abortions carried out each year, and most of these mothers have no feeling about killing their babies. Killing a defenseless little baby is about the worst abuse that you could do to My children. You know how much I love the little children, and I am crying like your statues to see these killings continue every day. This killing is an evil in your society that can never truly be justified. Your country will suffer greatly for all of these crimes. Your people need to realize that the death culture's abortions are the worst and most brutal means of reducing your population. Pray for abortions to be stopped, or your punishment will be even worse."

Jesus said: "My people, it is a hard task to carry through with building and stocking a refuge with food and fuel. Those faithful, who have chosen a particular refuge to come to, may consider helping with money and food donations, or even some physical labor. Many people, who come to refuges later, will be forming communities to help each other through the coming tribulation. Be grateful to all those people who have volunteered to set up a refuge. Helping them could be your best gesture to show your appreciation for their work."

Jesus said: "My people, if you are not setting up a refuge, you could also think of possibly bringing as much food and bedding that you could bring in your vehicle. If you can bring more than one vehicle, you could help by bringing even more food. Whatever food and bedding that you could bring, it would be multiplied and a help to support the refuge of your choice. If many people would do this, it would help those people who are setting up refuges."

Jesus said: "My people, when people first come to My refuges, it is going to be a huge task to organize it with people doing various chores. You need to determine what skills people have, and hopefully they could bring their tools of their trade. Once you allocate the skills, then one or more people need to plan what is needed most. Setting up housing and bedding even in tents will be first. Then setting up places for food preparation would be next. You will need to farm crops or pray for food to be multiplied. Organize a means of water for drinking, bathing, and washing dishes and clothes. Plan for your hygiene needs and possibly a place for latrines. In colder climates you may need wood or other fuels for heat and cooking. All of your major needs will be provided, but all the people in the community will have to make their own work contribution."

April 26, 2012

Friday, April 20, 2012:Jesus said: "My people, in today's first reading about Gamaliel (Acts 5:29-39) you are seeing a conflict between the Jewish leaders and the two apostles who wanted to preach My Gospel of love and salvation. St. Peter was defying the leaders because he told them: â€˜We must obey God rather than men.â€ This principle applied then, and it also applies to your situation in today's time. If you are preaching My Word to follow, and you meet opposition from either the secular or religious people, then you also need to keep preaching so souls can be saved. You will face Godless people in the secular world, and even some misled people in the religious world who will try to silence your mission. I have given you My messages to spread, and your mission is to help save souls from going to hell. So follow Me as much as you can without letting men interfere with your mission. Gamaliel suggested to the Jewish leaders to leave My apostles alone, as he gave examples how other men arose and then their followers were dispersed. (Acts 5:38, 39) â€˜So now I say to you, keep away from these men and let them alone. For if this plan or work is of men, it will be overthrown; but if it is of God, you will not be able to overthrow it.â€ Indeed, My apostles had a mission from God, and I have told you that the gates of hell will not prevail over My Church. You are about to see a division in My Church between a schismatic church and My faithful remnant. This schismatic church will teach New Age principles which are not of God. It is My faithful remnant that will be protected from the gates of hell. My remnant church will eventually have to go underground because of an evil persecution. Keep faithful to My teachings and avoid any churches that teach New Age. As your persecution starts to threaten your lives, I will warn you when it is time to come to My refuges. Have no fear of the evil ones because My power is greater, and you will be protected by My angels."

Jesus said: "My people, every day you look into the mirror when you are washing up. Sometimes you stop to notice how your face has changed over the years as you grow older. You do not know how many more days or years that you have left, but you know one day that you will die. At times you should recollect how you are progressing in your faith, and if you are improving or not each year in your love for Me. I have asked everyone to strive to be perfect as My heavenly Father is perfect in heaven. If you are to strive for perfection, that means you should work to improve on your spiritual life every year. If you find yourself falling into bad habits, then you need to make an extra effort to get rid of these sinful habits. Start working on your most frequent sin, and focus on how I would act to help fight that sin. Read some good spiritual books like the various lives of the saints so you could imitate their good traits. Call on Me, God the Father, and God the Holy Spirit to send our blessings and graces to you so you can be healed of any sinful habits. If you are being attacked by the evil spirits, you can call on Me and I will send you My angels to protect you from these temptations. Trust in Me and work to keep your peace in your soul guarded from all earthly distractions and troubles. By focusing on Me in all that you do, you will have My grace to improve on your perfection so you are ready to meet Me at your judgment on the day that you die."

April 26, 2012

Saturday, April 21, 2012:Jesus said: "My people, after St. Peter received the power of the Holy Spirit, he and My apostles started to proclaim the Good News of My Resurrection in various languages. They proclaimed My Gospel of love even though they risked persecution and even death. All the apostles except St. John were eventually martyred for their faith in Me. My people of today have less risk of martyrdom in proclaiming My Good News. Persecution of My faithful is increasing, and you will have to go underground for your worship of Me before you come to My

refuges. I have asked you to share your food, money, and your talents with your neighbors. You can also share your faith with those who you meet. By evangelizing souls, you will help them to avoid hell, and you will be helping Me in them as well."

Sunday, April 22, 2012

April 26, 2012

Sunday, April 22, 2012:Jesus said: "My people, My apostles were still having reservations about My Resurrection after hearing accounts from the women and My two disciples. Then I appeared in their midst, and that appearance ended any doubts of My Resurrection. I showed them My wounds in My hands and feet, and I ate some fish to let them know that I was not a ghost. I let them touch Me to see that I was present in the flesh. Their joy knew no bounds, and they were happy to have Me back among them for a short time. I made several appearances to My apostles to encourage them in their mission to spread My Good News of My Resurrection. I loved My apostles when I was on the earth in the flesh, and I did not want to lose any of them except for My betrayer who was led by Satan to kill himself. As My apostles believed in Me, so I want My faithful to believe in Me as well, even without seeing Me. I said: â€˜Peace be with you,â€ to My apostles, and I say the same to My faithful. Rejoice as you read from the Acts of the Apostles and My Gospels about the many beautiful happenings after My Resurrection."

Jesus said: "My people, you have just heard a beautiful concert where the conductor was leading the various instruments as they played music in harmony together. I am showing you a vision of the stars, and a vision of people's various skills. If you look at My angels, the beauty of nature, and the beauty of mankind, you can see that I am like a conductor drawing everything together in My harmony of love. I have given the angels and mankind free will to follow Me or not. Some of the angels refused to serve Me, and their disharmony was punished in hell. Even all of mankind is in a weakened state where there is disharmony in sin, wars, and killings. You have been given an example in My life to imitate, and you have My Commandments to keep order and harmony. When you follow My ways, My faithful can make beautiful music together in fulfilling the work of their missions. Those people, who want to follow their own way, can cause disharmony, and they will be punished accordingly. I ask you to look at the harmony in nature and the stars, and you can see how to follow Me so you can be in harmony with My love. I desire that all of you would seek a loving relationship with Me. I can then use you to help each other with your individual skills to make a beautiful world in concert with your Master Conductor. This world has been infected with evil, but a time is coming in My victory when all the evil demons and evil people will be removed to hell. Then once again you will see a beautiful harmony with nature when I will renew the earth in My Era of Peace. After My faithful are perfected, you will see the perfection in heaven that will be a delight to see Me in My beatific vision. Rejoice as you strive to be in harmony with My love through My sacramental graces."

Monday, April 23, 2012

April 26, 2012

Monday, April 23, 2012:Jesus said: "My people, in the Gospel you saw the people searching for Me in the boats right after I had multiplied the bread and fish for the thousands of people. I asked them if they were looking to receive more food at first, but then I asked them to follow Me because

of the works that I was doing. They asked Me what works of God are they to perform. Then I told them: (John 6:29) â€˜This is the work of God, that you believe in Him whom He has sent.â €&#65533; This was a hard saying for them to understand because they did not understand how God the Father had sent Me to earth in order to die for mankind's sins. They accepted that I was a prophet because of My miracles, but they would have difficulty in believing that I was the Son of God. My faithful believe in Me because they accept that I am the Messiah, the Son of the living God. You also know that you can come to Me in prayer because I told you that I would give you what you ask of Me. I do answer your prayers, but not always in the way that you desire. I answer your prayers in My time, and I help those in ways that will best help their souls. Just as the people wanted more bread, there is more to life than just living on bread alone. I feed My faithful in Communion where I feed the soul more than just the body because I am the Bread of life. Seek first the kingdom of God, and everything else will be given to you."

Jesus said: "My people, a while ago I pointed out a circling eye wall of a storm out West being caused by the HAARP machine. In your latest snow storm in the Northeast you are seeing another swirling storm that looked like a hurricane. When you see a storm over an area for a long time, this is another signature of the HAARP weather making machine. You are seeing unusual amounts of snow, flooding, and some power outages. These weather disasters are designed to cause chaos and disruption of your infrastructures. Enough disasters could give your authorities more reason to declare emergencies and local martial law testing. Between major earthquakes and weather disasters, the one world people have a machine at their disposal that could cause disasters wherever and whenever they desire. This is why information on the HAARP machine is being censored by your media so the one world people can cover their devastating secrets."

Tuesday, April 24, 2012

April 26, 2012

Tuesday, April 24, 2012:Jesus said: "My people, you see in the vision how I fashion the vases, as you are the clay and I am the potter. I make you as earthen vessels to hold your souls that I treasure so much. This human condition is how I lived for thirty-three years, so I know all of your pains and difficulties. It is not easy to find work and bear with it to provide for your food, and any health problems. Even in today's reading you could be endangered by your own religious beliefs in Me. St. Stephen died a martyr's death as he defended Me. Certain people cannot stand to hear the truth, so they strike out at those who bother their conscience. They find ways to either kill religious people, or to silence them in prison or take away their money. You will soon be seeing more persecution of My faithful as the evil ones are preparing the way for the coming Antichrist. I do not want My faithful to take up weapons to kill their persecutors, but I will provide My angel protection at My refuges. Once your lives are threatened with martial law or mandatory chips in the body, I will warn you when it is time to come to My refuges. You can come to heaven as a martyr, or you can follow your guardian angels to My places of safe havens."

Jesus said: "My people, many people in America take their freedom for granted without realizing how many people had to die to gain your freedom from England, and other dictators. Many recent wars have been trumped up by the one world people for financial gain, and to weaken your military. Your Air Force and Navy have been shrinking in planes and ships. Your Army ranks are barely able to support one small war. The one world people want to take over America so they are stripping your strength and increasing your debts to near bankruptcy. It is sad that these events are going on, and the people are unaware that their freedoms are slipping away. Your country's

abortions and sexual sins are so rampant that America's punishment will be allowed to come with a new world order takeover. If your people continue to turn your backs on Me, and they do not repent of their sins, then your destruction as a nation is imminent. Evil will be allowed its hour during the tribulation, but I will protect My faithful, and then My victory will cast the evil ones into hell. You will then rejoice in your reward in My Era of Peace. Be patient and trust in My power which is greater than all of the evil ones put together."

End April 2012

May 2012

Wednesday, April 25, 2012

May 10, 2012

Wednesday, April 25, 2012:Jesus said: "My people, you have seen many deacons and helpers who assisted My apostles in My Early Church. St. Luke and St. Mark are not only evangelists, but they were some of the early workers as well. It was the Acts of the Apostles that has given you much information about how My Church was started and how the Gospel was proclaimed with healings and signs as in My own ministry. I protected My apostles for a while, but eventually they were martyred except for St. John. This kind of persecution will be revisited as you approach the time of the tribulation with the Antichrist. Even despite this persecution, I want My faithful to evangelize as many souls as possible because you have little time left before the Antichrist declares himself. This vision of the flooded car in the street is a sign that your weather is going to become more violent with more destruction. A good portion of this increase will be man-made by the HAARP machine. You normally see shifts in your weather from the cold and warm waters of the Pacific Ocean. Now you are seeing unusual jet streams coming closer to the earth, and stronger tornadoes and hurricanes than usual. Be prepared for such events again with your stored food, water, and blankets. Even your temperatures have been swinging back and forth from hot to cold. See these things as signs of the end times coming closer."

Jesus said: "My people, today you have been admiring the beauty of nature in My flowers and trees. Each flower has its own special shape, color, and even pleasing aromas as in the lilacs. When you look at human beings, there is not only a pleasing appearance, but you are interacting with loving the inner spirit that I placed in each body. This is how you come to love your wife or your

husband, as you want to do all that you can for each other. A married couple shares a deeper personal love that is more than a casual friendship. The two become one flesh as I created Adam and Eve. When you see pictures or visions of Me as a human being, you are seeing a pure Spirit without sin. Your love for Me is on an agape spiritual level which even goes beyond human love. I desire to have a deep loving personal relationship with each soul because I created you as an extension of My love. Once you are with Me in heaven, you will experience a peace and such a personal love for Me that you will even become one with Me. When I have given you such an experience, you did not want to return to this life. This life is a test of your faith in Me, and it is also a place to work on perfecting your love for Me. Every time that you visit Me in Adoration or receive Me in Holy Communion, you have a small taste of heaven, and My deep personal love for you."

Thursday, April 26, 2012:Jesus said: "My people, many of your metals, as iron, have to be heated to very hot temperatures in furnaces in order to purify the metal, and mold it into the desired shape. In a different way My souls need to be purified in Confession to absolve them from their sins, so they can be worthy to receive Me in Holy Communion. Even souls after their bodies die, need to be purified in purgatory, and some with flames of punishment. You have heard in the Gospel that â€˜I am the Bread of life.â€ At the Mass the priest consecrates the Host, and he changes the bread and wine into My Body and Blood through transubstantiation. I ask you in faith to believe in My Real Presence in My Host, even though the form of the bread does not change. Because this is My holy Body, this is why My faithful need to have pure souls in order to be worthy of receiving Me. Pray an Act of Contrition to remove any venial sins, but mortal sins need to be cleansed in Confession through Me in the priest. Do not receive Me in mortal sin, or you will be committing another sin of sacrilege. Keep your soul cleansed with frequent Confession so when I come to take you home, you will be prepared to meet Me at your judgment."

Prayer Group:Jesus said: "My people, you have a network of air freight and large trailer trucks that deliver your food to your local grocery stores. These stores keep only three days supply of food to keep your stores full. If there is

something to keep these trucks from their deliveries, many people could go hungry. I have suggested for some time to have about one year's supply of food on hand for each person in your household. You can buy this over time, and food is not that expensive compared to gold and silver that you cannot eat. If you do not have much money, or little space to store food, then I will multiply what you need until you leave for My refuges. A man-made famine is coming, so have some food on hand."

Jesus said: "My people, I have been warning you to be prepared for a coming bird flu epidemic that will be contagious and deadly. There has already been news of such an experiment in Dutch labs. One of the goals of the one world people is to reduce the population by the use of a pandemic virus. I have suggested that My people have surgical masks, and take Hawthorn pills, herbs, and vitamins to build up your immune system. Once you see people dying from this new bird flu, then I will warn you to leave for My refuges where you will be healed by looking on My luminous cross in the sky, or by drinking My healing spring water."

Jesus said: "My people, you are seeing a lot of violent weather that comes in the spring in the form of tornadoes. You also have seen snow and cold after your trees and plants came out with early warm weather. Some farmers are claiming losses with their fruit crops that could be harmed by the buds freezing. You will see continuous weather problems that could threaten your food crops. Again be prepared with some extra food. I will provide for your needs, so call on Me."

Jesus said: "My people, you are seeing a battle between those who want to do away with fossil fuels, and your energy companies that provide coal, oil, and natural gas. If you did not have cheap fuels, you would have less travel, and a much lower standard of living. Minimizing your air and water pollution is a goal, but it is difficult to find enough non-polluting fuels or methods to take the place of your existing fuel needs. Your people will need to have a compromise, or your power plants will be closing."

Jesus said: "My people, a good number of your manufacturing jobs have been exported to sources of cheaper labor, and many are not going to return. Many of your college and high school graduates are going to have a hard time competing with the skilled workers that are still seeking jobs. Your government already provides 20% of your jobs, but they do not really produce anything except wages

for your economy. Until your economy is allowed to prosper, your job growth will be slower than most recoveries. Pray for more jobs, but you cannot depend on long term unemployment benefits and welfare to answer all of your needs."

Jesus said: "My people, you do not realize how desperate you will be in order to find a place of safety from the evil ones who will threaten to kill My faithful. These evil ones, who are led by the Antichrist, will be seeking to kill those who believe in God, and those who will not go along with the new world order. Fear not, My people, because My angels will lead you to the nearest refuge of safety where they will make you invisible to these evil ones. Food and shelter will be given to you at My refuges which is why you will be thankful that I am calling many people to set up refuges of protection. When you put your full trust in Me, I will provide for all of your necessities."

Jesus said: "My people, you are already living in a police state as your government is already setting up detention centers to place millions of people when martial law is declared. I am showing you many places of refuges that will be located at My Blessed Mother's places of apparition, monasteries, holy ground places as farms, and even caves. When the coming persecution threatens your lives and souls, I will warn you when it is time to come to My refuges. Once you are warned, call on Me and I will have your guardian angels lead you to My nearest refuge. Do not delay, or you could risk martyrdom when the men in black will come to your homes to force a mandatory chip in your body. Refuse to take any chip in your body because it will control your mind and your free will."

Friday, April 27, 2012: (Conversion of St. Paul)Jesus said: "My people, Saul was converted to St. Paul when he was thrown from his horse with My great Light. He was blind for a few days until My servant, Ananias, laid hands on his eyes to heal him. Once he saw clearly again, he followed Me and became one of My greatest missionaries for the faith. You are reading many of his epistles during the Church Year. So it is with My disciples of today. I want all of My faithful to see clearly that evangelizing and saving souls is your mission. Some of you have been given different gifts for different missions. Do not criticize each other, and

do not be jealous that one mission seems more important than another. Be joyful in doing your duty for Me because I need all of you to help Me in this final battle for souls with the evil ones. Take courage because My angels will do battle for you. Just call on My help, and I will send My angels to help you."

Jesus said: "My people, subways are very vulnerable in earthquake areas. Earthquakes have been happening more often, even at 7.0 and beyond 8.0. Severe earthquakes can be devastating to utilities and your means of transportation. This is why I have advised My people to live away from the ocean, and away from earthquake fault lines. Those, who live in such areas, are living there at their own risk. It is bad enough that earthquakes occur, but now you have man-made earthquakes being caused by the HAARP machine. Remember that I warned you about the New Madrid fault and the San Andreas fault as the next targets. Be ready with some extra food if your transportation lines are stopped by earthquakes. If these earthquakes are severe enough, they could even cause a national martial law when you may have to come to My refuges. Pray for My protection. At My refuges you will be safe from any earthquakes."

May 10, 2012

Saturday, April 28, 2012:Jesus said: "My people, in today's Gospel you are continuing to see the emphasis on My Real Presence in the consecrated bread and wine. Some of My disciples could not accept that I would give them My Body to eat and My Blood to drink, so they left My company. When I asked My apostles if they would leave Me also, St. Peter said: (John 6:69) â€˜Lord, to whom shall we go? You have the words of everlasting life.â€ This was acknowledging their belief in My words when I said: (John 6:54) â €˜Unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you.â€ Even today a majority of Catholics do not believe in My Real Presence in My Blessed Sacrament. If My people truly believed this, they would have more reverence for My Eucharist, and I would see more people coming to Adoration of My Blessed Sacrament. In the vision you are seeing the various levels of heaven which are what you should be focused on now for after your death. Striving for the higher levels of heaven should be your goal in pleasing Me with your prayers, Adoration, and good works. Enter through the

narrow gate to follow Me, instead of the broad road that leads to hell. If you are so focused on desiring heaven, then take the next step to seek the higher levels of heaven as well. All those, who believe in Me and live their faith in their actions, will rejoice in their reward with Me in heaven at the end of this life."

May 10, 2012

Sunday, April 29, 2012: (Good Shepherd Sunday)Jesus said: "My people, today's Mass was special for you as you watched the young girls and boys dressed for their First Holy Communion. Some of you may be able to remember your own First Holy Communion, and how innocent you were in those early years of your life. You may have lost some of your innocence, but with frequent Confession, you can keep a pure soul. The Gospel speaks of how I left the ninety-nine together in the desert as I went off to search for the lost sheep. I am always drawing My flock of souls to Me as I love you tenderly. I asked My disciples to bring the little children to Me as these First Communicants. These are My little lambs that I carry on My shoulder. The sheep know the voice of their shepherd, and they follow him. My faithful also know My voice, and I call you to come to receive Me worthily in Holy Communion as often as you can. When you receive Me in Communion, I am present in your soul for awhile. Enjoy these intimate moments with Me as I share My graces with you in helping you on your path to heaven. Keep focused on Me as you receive My Body and Blood which will bring you eternal life with Me in heaven."

Jesus said: "My people, the young people are so taken up with entertainment stars that they have little time for Me or the saints in their lives. You have seen how difficult it is to find the young people at Sunday Mass or at prayer groups. I understand after working or going to school all week, that people need some entertainment time. But I am their Creator, and I should deserve some time in their lives. Young people should not always expect to be entertained at Mass, but they should try to understand how much I love them that I died to save their souls. They know in their young lives about their desire in loving a boyfriend or a girlfriend. They should take this love one step higher in loving Me. If they would give Me some of their time to have a personal relationship with Me, they would be overwhelmed when they pray with Me. Satan has distracted today's youth with fame, materialism, and electronic gadgets. Pornography, bad movies,

and games have captured the attention of the youth, but they need to be focused more on beautiful and chaste things. Parents need to give their children good examples to follow and encourage their children to come closer to Me in their prayer life and weekly Sunday Mass. If the children do not see My influence in the lives of the parents, then the children will not seek Me in their lives. Pray for your youth to come to Me more in their needs, and seek My help in their daily problems."

May 10, 2012

Monday, April 30, 2012:Jesus said: "My people, every Easter you celebrate My victory over sin and death. This means that since My death the gates of heaven have been opened to worthy souls who have been purified for heaven. My victory over sin is now available in Confession where your sins can be forgiven and absolved by the priest. Another victory is coming soon when the Antichrist and Satan will be cast into hell along with the demons and evil people who did not choose to love Me. Satan's time is short, and that is why this current battle for souls has become so intense. You need to evangelize as many souls to the faith as you can so you can save these souls from hell. I have shown you how hateful the souls are in hell, but there is such a hopeless feeling for these souls that they will never see Me again. Pray for all sinners that they will be led to follow Me eventually to heaven. You would much rather be with the One who loves you in heaven, than the one who hates you in hell. I love all of you, and I am drawing you to Me with My sacramental graces. Rejoice in My coming victory over evil when you will come to My reward in My Era of Peace and finally to heaven."

Jesus said: "My people, it is appropriate to make a visit to the Shrine of Blessed Kateri Tekakwitha where she lived for a while. Especially, because she will be canonized a saint by My Church this year. She died at a young age, but she had a great love for Me and her people who she served. She contracted a disease from serving the sick, and she died from this as well. Miraculously, her lesions disappeared after her death. Rejoice in her sainthood as My Church acknowledges the miracles through her intercession."Jesus said: "My people, I am happy to see all of My faithful who are here praying My Blessed Mother's rosary. It is true that I am with you when you pray together for your intentions.

Many times you seeit raining where people honor My Blessed Mother. These are the heavenly tears of sorrow for all the sinners who need forgiveness of their sins. Keep praying for all sinners and the souls in purgatory. There was a message that I gave on February 10, 2012 that spoke of the coming harvest of souls when I come to judge the souls of the earth. This picture that you are showing the people, is about Me as Christ the King, and I am asking My faithful to be ready with pure souls because you do not know when I will come. Come to frequent Confession, and you will be ready to meet Me at your judgment."

May 10, 2012

Tuesday, May 1, 2012: (St. Joseph, the worker)Jesus said: "My people, in the Garden of Eden, Adam and Eve committed the original sin by taking the fruit of the forbidden tree because they listened to the devil's lies. As a consequence of their sin, they were put out of the Garden of Eden, and they had to work by the sweat of their brow in order to work for a living in providing their food and shelter. From this early event men and women have been working as well for their daily bread. Only in recent years have women been forced to work outside of the home in the general work place. Work helps to provide the skills needed to help everyone in each person's daily necessities. By your working, you help other people in their struggle for survival. Farmers provide your food to eat, and many other workers provide for your other needs. Your work compensation helps you to buy food, houses, and cars for your livelihood. I remind people that you are here on this earth to know, love, and serve Me. So accumulating a lot of wealth is not your main goal. Keep everything in perspective by sharing your wealth and your time to help your neighbors with good works."

Jesus said: "My people, when one of your friends is afflicted with a stroke or cancer, you are quick to go and see that person and to comfort him or her with your presence. You have seen Me heal many people in the Gospel, and it was the people's faith in My healing that healed them. Keep praying that your friends can be healed with My grace and your faith in Me to heal them. Ask Me to send down My angels to comfort them, and help your friends on the road to recovery. You have fasted and prayed novenas for healing, so you can do so again for the recent events in your life. Trust that I can enable a quicker recovery, and to stop any cancers from getting worse. Life and your health is a precious gift, and it is

when you see yourself or another with a health problem that you realize the thin line between health and sickness or being incapacitated. Pray for your own health, and for that of your loved ones, especially those who are sick or have strokes."

May 10, 2012

Wednesday, May 2, 2012: (St. Anthanasius)Jesus said: "My people, there were some early heresies where people did not believe in My Divinity. It is still a mystery how I could be God and human with both natures in My Incarnation. Even My apostles did not fully understand My Divine nature. It was through the power of the Holy Spirit that My Divinity was revealed to St. Peter when he exclaimed: â€˜Thou are the Christ, the Son of the living God.â€ My apostles witnessed My miracles, and they finally believed in My Resurrection, once I appeared to them in the flesh. It is also a belief in faith that I am truly Present to you in My consecrated Host and Wine. Many miracles of blood on the hosts were allowed to help people believe in My Real Presence. My faithful recite the Apostlesâ€ Creed and the Nicene Creed at Mass which professes My Divinity and My human nature. Even if some people do not believe in My Divinity or My Real Presence in the Host, it does not change the reality of your beliefs, and that I am truly the Son of God."

Jesus said: "My people, in some years you see your grass has died out in spots either from a lack of water, or heavy shade from your trees. You know how difficult it is to re-seed large portions of your lawn. You can see a parallel with physically planting grass seed, and planting the seeds of faith in open souls. With a lawn you need to have good soil to receive the seed which could mean adding new rich topsoil. Then you rake in the seed and water it continuously each day for a week or two. You also noticed that you need warm weather to grow the grass. With souls you need to have them open to receive My message of love in their hearts. You may have to prepare them with an RCIA program. Then you plant the seed of faith with them. In order for the seed of faith to take root, you may have to nurture this budding faith with repetition and a good example from a faithful person. Each new candidate will need to study and practice the faith which he or she is learning. Teaching each convert about having a personal love relationship with Me can be fed by adopting a daily prayer life. Each soul must

come to know Me daily, and not just by coming one hour a week to Sunday Mass. Frequent Confession will also be needed to cleanse each convert's sins. With proper training and nurturing, you can evangelize souls to be saved from hell. This is the best way to follow your mission by leading souls to Me for their salvation in My graces."

May 10, 2012

Thursday, May 3, 2012: (Sts. Philip & James)Jesus said: "My people, at times you receive criticism for talking about refuges where some say they are not in the Bible. At this point in time in non-communist countries you are not openly persecuted to the point of martyrdom for your faith. Yet in the Early Church, Christians were being martyred, so that they practiced their faith secretly in the catacombs. Even the prophets were threatened with death because the people did not want to hear the prophet's words of repentance for their sins. As a result Elijah hid in a cave at Mt. Carmel in Haifa, Israel to avoid being killed. As in this vision, I even told you that where necessary, My angels would carve out caves for your safe havens. I am giving you a message of hope during the tribulation that My angels will protect you at My refuges by making you invisible to your persecutors. You will have to leave your homes, if they are not refuges, so you can be led by your guardian angels to your safe havens. I will provide for your food and shelter, and My angels will defend you from the evil ones."

Prayer Group:Jesus said: "My people, I listen to all of your prayers, but you are praying a special prayer for Eileen, your prayer group member and daily Mass member. She is being watched over by Me and My Blessed Mother. I know she is in your thoughts for recovery from her stroke. Keep praying for her with your novenas as well."

Jesus said: "My people, when your friends or relatives have a sudden illness, stroke, or heart attack, you should find it in your heart to visit them as a support in their hour of need. The family and the patient will appreciate your visit, and your concern for their health. It is also comforting for the family to know that you are praying for the patient's recovery."

Jesus said: "My people, you are in a tense military condition when you see nations such as North Korea and Iran testing missiles, especially multi-staged missiles. You are concerned about any possible attack on Iran from Israel to stop their nuclear bomb making. Even as you see many threats around the world, some are downgrading your Defense capabilities. Compromise is better than war, but with dangerous nations, you need to be prepared."

Jesus said: "My people, because of your new technologies, you are producing more oil and natural gas than usual. Your natural gas has become so abundant that the price has dropped. As more uses are found for natural gas, you will be even less dependent on foreign oil. You are still seeing conflicts between those who want green energy sources and those who want your fossil fuels. Many so called â€˜green sourcesâ€&#65533; are not able to replace the need for your fossil fuels. Some compromises need to be made with your government and your energy producers."

Jesus said: "My people, in this Easter Season it is a joy to read the healing accounts in the Acts of the Apostles. You have heard of some healing even today when people pray and lay hands on the sick. I have told you that there will be more people with healing gifts as you approach the end times. Even at My refuges, people will be healed by looking on My luminous cross in the sky and by drinking the spring water. Give praise and glory to Me forall the miraculous healing of My people."

Jesus said: "My people, you have seen the United Nations at work in trying to help nations and minimize wars. I am warning you that the one world people are always manipulating such organizations to help them in their goal for a new world order with a one world government. Follow the money that is spent by the UN to see what their agendas are. The International Monetary Fund is another organization that is used by the one world people. These organizations get some of their funding from your taxpayers."

Jesus said: "My people, when you were at the doctor's office recently, you noticed how everything is being recorded on computers for your health records. You also are seeing your voting machines becoming more computerized as well. While computers are helpful for storing data, they also are prime targets for attacks from computer experts. You are using your fourth new charge card in a few years because of people stealing many charge card numbers. This is why

your health records and your voting numbers are at risk from such computer hackers. This could compromise your health information to others and threaten any close elections. In some areas your old methods had better security than today's computers."

May 10, 2012

Friday, May 4, 2012:Jesus said: "My people, man has been very prolific in the many cities and buildings that he has made. Do not get so wrapped up in your business enterprises that you leave Me out of your life. I know that you have earthly concerns to provide for your families in their needs, but you have spiritual needs for your souls as well. In the Gospel, St. Thomas asked Me to show him the way to God the Father. That is when I told him: â€˜I am the way, the truth, and the life. No one comes to the Father but through Me. When My people come to Me in their Warning experience, I will give these same words to everyone. It does not matter what you believe in your religions because you can only come to heaven through Me. That is because I paid the ransom for every soul. Once you come back into your bodies after the Warning, you will have an opportunity to praise Me, and follow Me in all that you do. You will have a burning desire to repent of your sins in whatever way that you can. For Catholics it is in Confession that you are forgiven and cleansed of your sins. If you imitate My life and obey My Commandments, you will be on the right path to heaven."

Jesus said: "My people, you have seen gold and silver refined in an earthly setting, but I want to see My faithful souls purified in a spiritual setting. You all have souls, as you are made up of body and soul as a human being. I love your souls, and I desire to save as many souls for heaven that will love Me in return. You all are weak to sin because of your fallen nature, but I have given you My sacrament of Penance so you can cleanse your sins. I have also given you an opportunity for plenary indulgences with My Divine Mercy. If people die and they still have reparation due to make up for their sins, there is also purgatory to purify your soul. With all of these means available to refine your impurities of sin, then you need to take advantage of My gifts in order to gain heaven. By prayers, good works, and obedience to My Commandments, you can be set on the right path to heaven. I can purify souls when they seek My forgiveness and

repent of their sins. I will always accept a repentant sinner back into My good graces. Seek to love Me always, and you will have your reward with Me in heaven for all eternity."

Saturday, May 5, 2012

May 10, 2012

Saturday, May 5, 2012:Jesus said: "My people, St. Paul and Barnabas were teaching about Me in Antioch, and many of the Jews came to believe in Me at the synagogues. So many people were following St. Paul that the Jewish leaders stirred up a rebellion against him. St. Paul then said: (Acts 13:46) â€˜It was necessary that the Word of God should be spoken to you first, but since you reject it and judge yourselves unworthy of eternal life, behold, we now turn to the Gentiles.â€ The Gentiles were delighted to hear the Word of God, and St. Paul became a true missionary for the Gentiles. Because St. Paul and Barnabas were expelled from Antioch, they shook off the dust from their feet in protest against them. These disciples were very much led by the Holy Spirit. (Acts 13:52) â€˜And the disciples continued to be filled with joy and with the Holy Spirit.â€ It was their faith in Me, and the joy of sharing My message that inspired St. Paul to continue on in his missionary work for My Church, even among the Gentiles."

Jesus said: "My people, your President is already showing you where he is going to focus his campaign. He has reminded you of his killing of Osama bin Laden by his recent trip to Afghanistan. He is emphasizing his lead with women and the young voters. He is also typically campaigning in the states that are too close to call. Currently, he has a collection of campaign funds that are ten times that of his likely opponent. With the media on his side, as well as being an incumbent President, it will be difficult to unseat him. His biggest threat to his re-election will be if the economy gets worse or if gasoline prices and unemployment remain high. I have mentioned before that the one world people control both parties. It does not matter which candidate wins when their cabinet members are picked by the one world people. The Cabinet members all belong to the same one world organizations. I also have mentioned that several events could have an influence on your coming election. I repeat My words from before that you should pray for the most God-fearing candidate to win."

Sunday, May 6, 2012

May 10, 2012

Sunday, May 6, 2012:Jesus said: "My people, the Gospel spoke of Me as the vine and you are the branches. Without Me you can do nothing. It is only from My vine that you can produce fruit. The most important fruit is to evangelize souls for heaven in conversions. You nurture your soul by receiving Me in Holy Communion as you receive My graces. It is by My Bread that you will have eternal life. When you come to Church, you are called to share your treasure, talent, and time with the people. It is this giving of self to help others that I call all of My faithful to share. When you receive Holy Communion, you are receiving the Blessed Trinity in all Three Persons-God the Father, the Son, and the Holy Spirit. Watching the young boys and girls receive their First Holy Communion is a joy to see the children brought to Me."

Jesus said: "My people, at your Mass this morning the children were given rosaries touched where I was born in Bethlehem as a help to pray daily. I love the little children, and they need to be protected from abuse and given good example in how to live a good Christian life. A child can learn things very easily, and that is why they should be taught good things instead of any sinful things. Having a good daily prayer life can help them through life's trials. Parents need to help their children to learn the faith, and to see how important it is to come to frequent Confession and to Sunday Mass. Parents can also give good example by visiting My tabernacle to give praise and Adoration of My Blessed Sacrament. Teach them also about My Real Presence in My consecrated Host. If parents and teachers do not teach these things to their children, then how are they going to know how to have a good love relationship with their Lord? My parents are responsible for their children's souls as much as you can help them, even after they leave your home. Pray every day for My help and My Blessed Mother's help in bringing your children's souls to heaven."

Monday, May 7, 2012

May 10, 2012

Monday, May 7, 2012:Jesus said: "My people, in the Gospel I have asked you to follow My Commandments out of love for Me. I have given you many teachings of how to live a good Christian life. But unless you take My Word into your

heart and act on it, then you are not witnessing your love for Me or your neighbor. It is by faith and works that you will be allowed into heaven. If you go out of your comfort zone to do a charitable deed for someone, then you are being moved by your love for your neighbor. You may have a great understanding of My Scriptures, but the real confirmation of your belief in Me is witnessed by your good deeds. When you do things out of love, you do not look for compensation, and you do it spontaneously without being asked. Do everything out of love for Me, and you will truly find your reward in heaven."

Jesus said: "My people, beware of the one world people who are trying to destroy your economy and weaken your military. One plan is to so overspend your budgets that your National Debt will cause a situation where there is not enough money to even pay the interest on this debt, let alone the principle. The other plan is to have the housing industry so tied up in derivatives and foreclosures that the banks will own most of the available housing. As the dollar loses its â€˜reserve currencyâ€ status, it will begin losing its value which will create an uncontrolled inflation. This will crash the dollar, and it will cause a martial law that will force My faithful to go to My refuges. The one world people will force the amero as a new currency for the North American Union, or they will try to force mandatory chips in the body to control people like robots. Either by martial law or mandatory chips in the body, the one world people will do everything to take over America. I will warn My faithful when it is time to come to My refuges. I have warned you to have food and to have your things ready to come to My refuges. You have a limited time before the one world people will place the Antichrist into the European Union as the ruler of the world. His reign will be shortened for the sake of My elect. Rejoice when I will bring My victory over Satan, the beasts, and the demons. As you see the signs of the Antichrist coming, know that My victory is soon to follow."

May 10, 2012

Tuesday, May 8, 2012:Jesus said: "My people, some of you have been to see many of the places that St. Paul traveled as in Rhodes where he was shipwrecked, and in Greece and Turkey. St. Paul had Barnabas and other disciples helping him to preach to the Jews and the Gentiles. His travels had many hardships that threatened his life at sea and being stoned. The people did

not always want to hear his words of the Gospel, and the Jewish leaders tried to get them out of town because the people were believing in his miracles. In your own mission you have traveled to evangelize souls, but you had cars and planes for faster travel. St. Paul wrote his epistles that are now available in the Bible. You have had the internet and your books and DVDs to spread My Word. Imagine if St. Paul had these helps. Being a missionary requires a commitment of time as you wait for planes, and stay in people's homes. Carrying books and DVDs around is a chore, but you are also able to share rosaries, scapulars, and Confession preparation sheets. As St. Paul mentioned, it was a joy to share My love and evangelize souls for Me. All of My faithful are called to go out to all the nations to evangelize souls, so the faithful should be thankful that My chosen ones are doing their job."

Jesus said: "My people, America has known freedom for many years, but there are one world people who are taking away your freedoms one by one. Other countries have been oppressed for many years under ruthless dictators. You do not fully appreciate your freedoms until they are taken away. The one world people are not satisfied with just stealing your money in taxes and crashed stock markets. They crave power over the people as in dictatorships. They even want to turn your people into their slaves and reduce the population. This is why they want mandatory chips in the people to control their minds, and make them into robots. It is in their plan to continue abortions, and to get rid of all the people who cannot work for them. Your new Health Plan will be using rationed care for those who are younger and more productive. This is why My faithful should refuse any chips in the body and refuse any flu shots. If the evil ones want to kill you for not taking chips in the body or not taking the flu shots, then you need to soon leave for My refuges. I will provide for your food and shelter at My refuges, but do not allow the Antichrist to control you by avoiding his eyes and not looking at him on TVs or computer screens. When you follow your guardian angels to My refuges, you will be protected from the evil ones by My angels. Trust in My greater power over all the evil people and demons."

May 31, 2012

Wednesday, May 9, 2012:Jesus said: "My people, there were several times in the Acts of the Apostles where practical decisions had to be made in how to run My

Church. They first decided to replace Judas Iscariot by choosing between Justus and Matthias. Matthias was chosen to complete the twelve apostles that was similar to the twelve tribes of Israel. As the number of converts grew, it was too large a group for only a few to be ministers. This was when the apostles laid hands on certain men to make them deacons. This organization later developed into your current Magisterium of deacons, priests, bishops, and cardinals. The Pope was always an imitation of St. Peter as the leader of My Church. In all of these decisions, the Holy Spirit was guiding the deliberations of the apostles. Today's reading was the beginning when the Gentiles were not forced to be circumcised. Many of the more human elements of the Jewish customs were also not forced on them. I came to fulfill the law, and not to change it. It is love that should be leading people to follow Me, and My Commandments are guides for how to live your lives. Breaking My Commandments are sins, or violations of My plan for harmony among My people. Some customs are changeable, but My Commandments are not to be changed. When you obey My laws out of love for Me, then you are abiding by the spirit of My laws."

Jesus said: "My people, in today's reading I want you to focus on one passage. (John 15:5) â€˜I am the vine, you are the branches. He who abides in Me, and I in him, he bears much fruit; for without Me you can do nothing.â€ Many people do not fully understand the meaning of this statement because they believe that they are doing everything for themselves. They are not looking at the big picture. It is by Our Will that any of you continue to remain in existence. I have given you a life spirit that allows you to have life. I have given you all of the abilities that you have to learn things. I have given you good health to accomplish your mission. I allowed you to have the jobs which you had or are holding. I give you the oxygen to breathe and the water to drink. You may have been gifted with a beautiful wife or husband, children, and even grandchildren. These things did not happen by themselves, and you are beholding to Me for all the gifts that you have received. Having faith in Me and the access to My sacraments are your lifeblood for your spiritual life. When you truly realize that you are dependent on Me for everything, then you humbly admit it, and you should give praise and thanks to your Master. I ask each soul to give one's will over to follow My Divine Will. By doing so, you are seeing why you have been put on this earth, which is to know, love, and serve Me."

Jesus said: "My people, when you see My crucifix, it is a stark reminder of how

much I love all of humanity, that I would give up My life for all of you, and suffer an agonizing death. By My death I am offering salvation to every soul. To gain heaven you must repent of your sins and accept Me as Master of your lives. You also are called to obey My Commandments and give up all of your addictions to human pleasures. This is why some people try to get rid of My crucifix because they do not want to be faced with the Truth which they do not want to follow. They know that you have two choices-either come with Me to heaven, or go with the evil one to hell. Some people love their sins so much that they do not want to be told that living in sin will bring them to hell. You need to follow Me as your Master, but again some people want to be their own boss. This is why some drink and take drugs to forget their sins, and focus more on earthly pleasures than on Me. I have given you the quotation that â€˜Many are called, but few are chosen.â€ My faithful remnant are My chosen ones, and those, who will be saved, are in the minority. I offer people many opportunities in their lifetime to be converted and repent of their sins. The devil is constantly distracting souls and telling them lies to trick them into sin. The greatest lie is that you have plenty of time to be converted. People cannot even promise themselves that they will live to tomorrow, let alone for a long time. It is better to come to Me now while you are still alive. Once you die and you are not ready for your judgment, you could lose your soul to hell. Repent and confess your sins now, and you will be on the right path to heaven."

May 31, 2012

Thursday, May 10, 2012: (St. Damien of Molakaâ€i)Jesus said: "My people, St. Paul went to Jerusalem to plead the case for the Gentiles so they would not have to bear all the Mosaic laws of circumcision and other customs. It was agreed among the apostles that the Gentiles did not have to bear this burden. This opened up the Catholic faith to everyone in the world. There is one restriction that was maintained in lawful marriage between a man and a woman. Divorce has been frowned on because marriage was meant for life. I understand there are some unbearable situations where remaining married may not be possible. Some have separated, and some have been allowed annulments in special cases to allow remarriage in My Church. There are other so-called marriages that are not accepted by My Church. Common law marriage may be accepted civilly, but in My eyes living together in fornication is a life of constant

sin. I love everyone, but it is your sinful actions that alienate you from Me. In the vision you could see how God the Father was especially not happy with same sex marriage or those who promote it. I have told you in previous messages that I consider homosexual acts as abominations. This is another sinful lifestyle which My Church and I do not approve of. Even if some people consider same sex marriage politically correct because it is tolerated, it does not change the fact that it also is a life of sinful actions. I am always willing to receive people who want to repent of their sins, but living in relationships outside of marriage, either heterosexual or homosexual, are improper lifestyles that should be avoided. These are delicate issues to discuss, but it is important that I warn souls that such sinful living can lead to hell if you do not change. Love of God and neighbor should be leading your lives."

Prayer Group:Jesus said: "My people, your government is continuing to spend money that is not collected in taxes, the Senate has ceased establishing budgets, and it is not controlling out of control expenditures. These deficit budgets will put many of your entitlements out of money in a short time. Neither party is willing to compromise for the sake of the people. Your deficits are threatening your whole financial system just as the European countries are ready for bankruptcy. Pray that reason will come to your leaders before your own country could go into bankruptcy."

Jesus said: "My people, some of your politicians are focused on pleasing various segments of your voters to gain more votes at election time. Unusually large sums of money are being collected for the coming campaigns for election. It is the people of influence in the one world people who are controlling both parties. This election could well be your last if candidates for the people are not elected. Pray for America because your freedoms are at risk in this coming election."

Jesus said: "My people, you saw some severe droughts last year, and there is a chance that you will see similar problems with fires as well this summer. Some areas are having problems getting fresh water when the rains cease. Pray that you will not see more disasters that threaten lives. Earthquakes could again be severe in areas with major faults. Have some food ready for any shortages from these coming disasters. I will see to your needs, but your sins are calling for My justice."

Jesus said: "My people, in the last year or so your stock market has been

threatened by potential bank failures in several European countries. Many of these situations are not being helped by austerity budgets. The banks which are financing these loans are having problems, and they will be raising interest rates that could start a domino effect of failures in these countries. This could trigger a failure in the euro and eventually a failure of the dollar as well. Such problems could trigger a world recession or depression that would invite a takeover by the Antichrist. Pray for My help which may lead you to My refuges."

Jesus said: "My people, I have shown you before the plans of the one world people to cull or reduce the population. They will begin this plan by spreading a deadly flu and requiring mandatory vaccine shots that will ruin the people's immune system if they take it. Refuse to take these flu shots. If you see many people dying from such a virus, or the authorities try to have mandatory flu shots, this will be another sign for My people to come to My refuges so you can be healed of any diseases by My luminous cross and the healing spring water."

Jesus said: "My people, I commend your prayer group and other prayer groups for your persistence in your prayers. By joining together in prayer, you also are forming a network for My faithful to keep in touch with various refuges for helping each other in the coming tribulation. Some prayer groups may even form their own refuges to stock food and needs for your people to survive independently from outside sources. I have been calling many people to set up refuges so My angels can help protect My people from the evil ones. Pray for My help as you need to prepare yourselves for living at My refuges."

Jesus said: "My people, as you make plans for your refuges, you also want to pray for good counselors as well to calm down the frightened people when they first come to My refuges. This is why you will need a quiet place of perpetual Adoration at each refuge. You will be in total trust in My protection, and I will have My angels keep the evil ones away from My refuges. I have shown you healing, multiplied food and water, and the angel's shield of invisibility. So fear not the evil ones, and place your full trust in Me at this time."

May 31, 2012

Friday, May 11, 2012:Jesus said: "My people, what is different from thirty years

ago and today in your churches? The numbers of faithful coming to church on Sunday have been reduced considerably. There has been a change in the priesthood and in the laity. In both cases I believe there is less prayer said in each group. In the priesthood various people were purposely turning away many callings that has caused your shortage of priests. If My priests are not holy, it is difficult for the people to be spiritually nourished. The laity also have become spiritually lazy by skipping their prayers and not coming to Sunday Mass or Confession. Satan has distracted many souls with the gods of money and materialism. If My people do not nourish their faith with prayers, fasting, retreats, and spiritual reading or Bible study, then their faith slowly dies as a plant that is not fed. You have seen in Europe how very few people come to church. America is going down this same path if your people do not wake up to save their faith. This falling away from the faith is another sign of the end times. This is why I said: â€˜When I return, will I find any faith in My people?â €&#65533; I call on My faithful remnant to share their faith with souls around them before it is too difficult to change souls from being lost to the evil one. You have one last chance after My Warning. After that, if people do not change, then Satan and the Antichrist will sift the remaining souls into hell."

Jesus said: "My people, I am telling you that the one world people are planning purposely to crash the U.S. dollar before the election. This action is similar to how they brought about the crash of your financial system in 2008. In Europe the central bankers have been giving just enough money in loans to the teetering economies to keep them solvent for a time. At one point they will raise the interest rates so high that these countries will not be able to even pay the interest. At this point the bonds of these countries will fail, and their failed economies will eventually crash the euro as a currency. America and its banks are so tied to supporting Europe that the insolvency of the euro will put such a strain on the dollar that it too will crash. These events will be timed before your election so your President, if he so chooses, could postpone your election so he could invoke his new Executive Order. This would allow him to call an emergency martial law to control the chaos that would ensue from the dollar's collapse. This would cause a bank holiday and a new currency or a chip in the body would be established as a new means of buying and selling. Be prepared, My people, with food to survive this crisis, and be prepared to leave for My refuges when people start stealing and killing for food. This kind of crisis is being deliberately caused by the one world people so they can take over America and make it a part of the

North American Union. My refuges will be your places of protection where My angels will shield you from the evil ones. Have no fear, and trust in My power over the evil ones."

May 31, 2012

Saturday, May 12, 2012: (St. Nereus, Achilleus & Pancras)Jesus said: "My people, the Jewish leaders hated Me before people hated you. Whenever My faithful try to reach out and convert souls, you are going to see a backlash from the demons, either directly or from people they inspire against you. It is one thing if people just refuse your preaching, but it is an evil force that tries to stop you from evangelizing. It is hard to get faithful people to share their faith, and it becomes almost a danger when you get violent reactions against your efforts. Even when you protest abortions or speak against same sex marriage, you get some vigorous reactions from advocates of the other side. Whenever you promote proper behavior, or speak out against sinful lifestyles, you can get criticized for interfering with their rights. This becomes a moral problem when some people think that they have the right to kill babies or kill older people with euthanasia. There are people who love their sins, and they do not want people to criticize them. This social attitude is why it is difficult to get people to repent of their sins, and convert their lives more to serving Me. Even when My faithful are persecuted, you are to be commended for trying to save souls from hell. Call on Me and My angels to help you in your mission."

Jesus said: "My people, there are two kinds of medicine for healing diseases. The one is with natural plant sources that have very little side-effects, and they are usually inexpensive. The other is man-made medicines, and even in a pure form they usually cause side-effects and are expensive to pay for the research. The pharmaceutical companies make more profit on the man-made medicines because they can charge a high price to make up for their research expenditures. If their goal was to find the best medicine, they could make better use of the natural product medicines. Because these companies are more concerned with making money on artificial medicines, they try to thwart the use of alternative natural medicines as not being effective. In a good number of cases, today's medicines are derivatives of earlier medicines found in nature. In the Bible I have told you that I give you the various parts of plants for your medicines. It is

man's job to discover which plants will have the best healing for different diseases. In the same way people should be able to use the best and cheapest medicine for their sicknesses. Pray that people can be open to alternative medicines that may work just as well as those from the drug companies. Most medicines just treat the symptoms, but pray for people to be healed of the causes of their sicknesses. I am the greatest of healers so you can pray for My healing as well."

May 31, 2012

Sunday, May 13, 2012: (Mother's Day)Jesus said: "My people, Mother's Day should be a joyous occasion to celebrate their children. It is a somber, but true problem that some mothers are still aborting their children. Unwed women are faced with serious choices when they become pregnant at any age. It would be better to give the children up for adoption than to kill them. It is sad that these memories of abortion will be with certain women for the rest of their lives. I can forgive such a sin, but it is hard to understand why a mother would want to kill her own child. Women should be proud to have children, but it is sinful unless they are married. It is not easy to bring up a child, but a life is more precious than a career that can be put off for awhile. Life is more precious than money, convenience, or embarrassment. Once you see your child, how could you refuse to take care of her or him? Rejoice when your family comes together today, and pray for all pregnant mothers that they bring their babies to full term. Call on My angels to fight the demons who are tempting mothers to have abortions. Remember also to wish My Blessed Mother a happy Mother's Day today. You could say a rosary in honoring her as My mother."

May 31, 2012

Monday, May 14, 2012: (St. Matthias)Jesus said: "My people, in your working years you are first happy to have a job with all of the high unemployment rates. This vision of coming to work on Monday morning was always a trial when you were facing another week. Some people are fortunate to have a job in their trained profession. Others have to take jobs in other fields, and have to adjust or take some training in a lesser paying job. Still others, who cannot find full-time

jobs, have to take part time jobs, usually without health benefits. When people, who are working, struggle every day to make ends meet with their bills, it is hard to accept the fact that others are receiving free government money from various entitlement programs. Social Security for the retired or disabled is different because these people paid into this plan for many years. Unemployment help is needed also for those still seeking jobs. It is difficult to understand how your government can run large deficits without trying to limit entitlement plans that are not affordable from your income taxes. Pray that your legislators will try better to balance your expenses with your income."

Jesus said: "My people, your old tungsten incandescent light bulbs are being forced out of the market by regulations and economy. The new twisted mercury bulbs use less energy, and once they are warmed up, they give adequate light. There is a mercury disposal problem, but it is being overlooked in the face of saving electricity. The bigger problem is that your old bulbs are not going to be made anymore, adding more control to what you can use. Many of your regulations start out with good intentions, but it is how they are forced on you that shows you that the one world people want total control over your life. In the vision the electricity went out which represents another control over your life which the one world people will use against you during martial law. The one world people are using fear and threats to your way of life to force you into being their slaves. They want to track you, put chips in your body, and limit your travel without gasoline. You can see your freedoms being restricted every day, and if your citizens do not rise up against this tyranny, you will soon have all of your freedoms taken away. There will be a time coming when it will not be safe for your life or your soul to stay in your home. This is when I will warn My faithful that it is time to leave for My refuges. Do not fight these evil ones with guns, but have My angels shield you on your way to My refuges by making you invisible."

Tuesday, May 15, 2012

May 31, 2012

Tuesday, May 15, 2012: (St. Isidore)Jesus said: "My people, many of you have grown vegetables in a small garden, and it takes care to prepare the soil, remove the weeds, and water the seed bed to grow your crops. Once you come to your refuges, you will have more time to pray and grow crops for your survival. Most

refuges will be rural and they will have land with water resources. I have asked you to buy some heirloom seeds or non-hybrid seeds so you could have seed for the following year. Whatever food you grow or have stored, I will multiply to feed the people at your refuge. Unless you have solar power, most refuges will not have electricity. You will need to be resourceful in providing for your everyday needs. Storing some soap or making it will be needed to clean yourself and your clothes. Think of all the things that you buy and how you can replace them independently. I will have My angels protect you at My refuges, but all the people at My refuges will have to work together for their needs. Prepare to live a more rustic life than you have now. Trust in Me in your daily prayers."

Jesus said: "My people, in the vision I am showing you not to use guns in the coming tribulation. Call on My angels to fight your battles of protection when they will make you invisible to those people who want to kill you. You need to love the people, even your enemies. This is why I do not want you to use guns because I do not want you to kill people. It is the demons who try to get various factions to fight each other in wars. These evil ones are also leading the one world people into planning wars for the purpose of reducing the population. The death culture is also led by Satan to reduce the population with abortions, euthanasia, wars, and life threatening viruses. So do not let these evil ones fill you with hate, but only focus on My love and your love for your neighbors."

May 31, 2012

Wednesday, May 16, 2012:Jesus said: "My people, when St. Paul was preaching about an â€˜unknown godâ€, he also was telling the Greeks in Athens about My Resurrection from the dead. At that point some of the people walked away because this was hard for them to accept. Having faith in Me requires accepting many mysteries that are hard for man to understand. My Incarnation as a God-man is one mystery because it is hard for you to understand how I could be limited by a human nature. You have read in the Bible of My many miracles which impressed and converted many souls. I came as a man so I could offer My life up to ransom all of your souls from your sins. Forgiving all of your sins with this one sacrifice is even difficult to comprehend. My Resurrection from the dead is My greatest miracle because death has no hold on Me. I conquered sin and death to offer man an opportunity to be saved, and also to be resurrected at

the final judgment. Another mystery is how I have allowed My priests to consecrate the bread and wine into My Real Body and Blood. This transubstantiation of these species into My Real Presence is also hard to understand. I also claimed that I would bring spiritual division into families because some would believe in Me, while others would reject Me. My people have to take these things on faith without being able to fully comprehend them. Even though mysteries like the Blessed Trinity are not meant to be fully understood, still you have My love and all the gifts of grace that I bestow on you. Repent of your sins, and allow Me to be the Master of your life, and you will be on the right path to eternal life with Me in heaven. This is enough to know and accept to be one of My disciples."

Jesus said: "My people, I have asked My faithful in one of My messages to have some bicycles on hand in case you have a problem in getting gasoline to go to My refuges. When the one world people decide to call martial law, I told you that one of their tactics would be to turn off your electricity. This would shut down home computers, bank computers, and gasoline pumps. Some of these could work if they had back up natural gas generators. This action would restrict your travel to the amount of gasoline in your car and that which is stored in your garage. If you take your bikes in your van, then you could keep traveling without being restricted by gasoline. It may be difficult to carry your back packs and camping things on your bikes, so some carrying device would be helpful. You may have to travel one or two days to arrive at the nearest refuge. This could be longer if you are using bikes. Remember to have your bike helmets, and bring your tire pump to keep your tires inflated. I will help you to get to your refuges in a timely manner, but it would be sooner if you planned for some backups. By planning ahead and being ready to come to My refuges, you will be ready sooner to adjust to your rustic living accommodations. Trust in My help, and you will have all that you need."

Thursday, May 17, 2012

May 31, 2012

Thursday, May 17, 2012: (Ascension Thursday)Jesus said: "My people, today you are celebrating My Ascension into heaven as I left My apostles to carry on My work. Listen to what the angels have told you: (Acts 1:11) â€˜Men of Galilee, why do you stand looking up to heaven? This Jesus who has been taken

from you into heaven, shall come in the same way as you have seen Him going up to heaven.â€ You are seeing the beginning of a financial collapse in Greece as many people are taking their money out of the Greek banks. If this precipitates Greece leaving the European Union, it will cause problems in the making of a new currency, and any Greek debts may be defaulted. As a percentage of the total European Union, Greece is a small part. But if they default on their loans, all of the holders of Greek debt would lose, and this could precipitate loan problems in the other European countries. You are seeing the result of using debt money which eventually will crash. Even America is in the same problem that your financial system will crash under the weight of its increasing National Debt. You can easily see how the one world people's plan to crash the euro and then the dollar is well on its way. When there is a financial collapse of these major currencies, you will see the one world people move in to take over, and their continental unions will be formed. Then these unions will be given over to the Antichrist to declare himself a world ruler at the beginning of the tribulation. His reign will be short, and then you will see Me return on the clouds to defeat all the evil ones as the angels prophesied. Rejoice when you see the Antichrist about to take over, because My victory over him will soon follow. You will suffer for a while at My refuges, but then your faithfulness will be rewarded in My Era of Peace and then into heaven."

Prayer Group:Jesus said: "My son, I have shown you the Antichrist in several messages, and he appeared to you to be a Moslem spiritual leader. I have confirmed his identity to you by telling you that he will declare himself with a different name than you know him. He has announced in previous publications how he will be a world ruler. His personal spokesman has announced his coming with the many different shaped stars in the sky that were made with lasers. This is a sign like My Star of Bethlehem that the Antichrist is mocking. Be watchful of this demonic beast, and do not look at his eyes or listen to his voice. Refuse his mark which will be a computer chip in the body. Fear not this evil one because My angels will protect you. His reign will be brief before I will bring My victory over evil."

Jesus said: "My people, the one world people have created their debt based currency for the express purpose of crashing your financial system. A debt based currency is when Federal Treasury Notes are printed and loaned to your government for interest to be paid back. Eventually these debt notes will

accumulate a massive interest bill if the National Debt is not paid back. It is just a matter of time before this interest will consume most of your income. All of those people who have fought to eliminate the Federal Reserve have been killed. These central bankers are ruthless, and they will take over America when the dollar crashes. A time will come when I will overthrow the bankers as I threw them out of the Temple. My coming victory will bring down all of their buildings and their money schemes. Rejoice when I will bring My justice against these central bankers."

Jesus said: "My people, those, who are students of history, remember the crash in 1929 when there was a run on the U.S. banks, and the depression resulted with heavy unemployment. This is what is going on with the banks in Greece because the depositors are afraid of a bank holiday with a failing government and heavy debts. Greece also has a debt based currency in the euro, and their debt ratio to GDP is worse than in America. Unless Greece gets some new loans or a new non-debt currency, there is a strong chance of a financial collapse. Already you are seeing riots over the austerity budgets. Take heed America because this could be your future as well."

Jesus said: "My people, you are celebrating the graduation of your friends and relatives. After graduation the reality of a poor job market will face these graduates. They will be competing with equally skilled workers, but the older unemployed people will have more work experience. It is this younger group under 25 that has the highest per cent of unemployed. Your economy is generating some jobs, but not enough to keep all of your graduates employed. Pray for these young people to find good jobs because they may have to take less paying jobs to support themselves and pay down their education loans."

Jesus said: "My people, as I ascended to My Father in heaven, I told My apostles to evangelize people in all the nations. I also told them that I would send the Holy Spirit to inspire them in their mission, as they would receive many gifts from Him. You now have another novena time before you celebrate Pentecost. This is the last major feast before you return to ordinary time again. The Holy Spirit also inspires My faithful from Baptism and Confirmation. Rejoice in the graces of the Holy Spirit who helps you in your mission."

Jesus said: "My people, I have been warning you of some coming financial turmoil and a possible war in the Middle East. These events could be well

underway by the fall time of this year. Any serious events that would be cause to go to My refuges, will also require My Warning to come first. I have warned My faithful to have food stored, and your things ready to leave for My refuges. I will warn My people when events will require you to come to My refuges."

Jesus said: "My people, there are signs in the Bible that speak of My coming when you see famine, earthquakes, and pestilence. When you see the Antichrist about to declare himself, this will start the tribulation. Call on Me to send My angels to protect you from the evil ones. I have warned you for many years that this time was coming, and now you are seeing these signs that will eventually bring about My return to the earth in victory. Have no fear and trust in My protection."

May 31, 2012

Saturday, May 19, 2012:Jesus said: "My people, you have read how St. John the Baptist wanted people to repent of their sins and be baptized. You also remember how Jonah told the people to repent and fast or Nineveh would be destroyed. Some of you have read the recent book about the Harbingers, and how America has been warned to repent of its sins, or you could follow the way of Israel into exile. You have been warned as in Isaiah 9:10, in the destruction of 9-11-01 and your financial collapse of 2008. If you do not change your ways and follow Me, then you are calling My judgment against America. Still you are aborting your children, committing many sexual sins, and now some are justifying same sex marriage. Without following My ways instead of man's ways, how can you hold back My judgment against America? In the Gospel I want to lead you to My Father in heaven, but if you do not listen to My words, and put your faith into actions, then My judgment will fall on you. America is turning its back on Me as few are praying and honoring Me on Sunday. If you truly love Me, you would show your love in prayers and worship, as well as showing your love for your neighbor in good works. America's judgment is coming, and it will come through the one world people in taking over your country. I am merciful and loving, so I will allow you to have My angelsâ€ protection at My refuges. Trust in Me and follow Me, and you will have your reward with Me in heaven."

Jesus said: "My people, I leave the doors to My heart open all hours of the day,

which is different from your locked churches. I am open to repentant sinners, and I will forgive their sins at any time. Some people are reluctant to come to Confession for fear that the priest will criticize their sins, or for being away from Confession for a long time. Have no fear of coming to Me because I want My faithful to be cleansed of their sins at least once a month. There also are some people who do not want to confess their sins to a priest, or some who do not want to admit that they have committed any sins. To come to Confession, My faithful need to humble themselves in asking for My forgiveness. Call on Me to send you My angels to defend you from the demons. I love all sinners, and I want to see them repent so their souls can be saved. Give praise and thanks to Me for offering up My life for each of you. You all are in a battle for souls, and you need to reach out in charity to evangelize as many souls as possible."

Sunday, May 20, 2012: (Ascension Thursday)Jesus said: "My people, as you look down at the faces of the people, you can see their souls through their eyes. When you come to worship Me at Mass on Sunday, My love goes out to all the people who are following My Commandments. Your souls are so precious to Me, and that is why I do not want to lose even one soul to the evil one. I wish I could instill this understanding of how precious souls are into everyone of My faithful. If you understood this love of Mine for souls, then you would understand why I send My disciples to all the nations to bring My Word to everyone. I want to give everyone an opportunity to be saved from hell, and to experience My love for each soul. Love of God is on a higher level than earthly love, and I want all souls to receive My gifts and the gifts of the Holy Spirit. You are about to celebrate Pentecost when the Holy Spirit came down upon My disciples in the form of flames of fire. It is by the power of the Holy Spirit that My missionaries are inspired to evangelize souls, just as My apostles and St. Paul were great evangelists. Rejoice that you are blessed to go out and give witness of My love to the people of the world."

Monday, May 21, 2012:Jesus said: "My people, you have seen a recent

earthquake in Italy, and I have given you messages about the coming earthquakes in America on the New Madrid fault and the San Andreas fault. These major earthquakes are signs of the end times, as I gave you in the Scriptures. In the Gospel My apostles said they believed in Me, but I warned them how they would scatter except for St. John who stood by Me at the foot of My cross. Even today, My disciples claim to know Me, but how will they keep their faith when it is tested in the coming tribulation? I want My faithful to not lose their faith in these coming trials, but they should follow My directions to stand up against the evils of your day in defending My Church. You will see a religious persecution getting worse as you will be stripped of your freedoms. Be prepared to follow your angels to My refuges for the safety of your body and soul. I will tell you individually when it is time to leave for My refuges. But have no fear and keep peace in your soul as My angels will protect you with a shield of invisibility."

May 31, 2012

Tuesday, May 22, 2012:Jesus said: "My people, some of you have experienced a trip to My tomb in the Holy Sepulcher Church in Jerusalem, Israel. Many of these holy places mark the major events of My life. You have seen replicas of My Holy Shroud from My burial clothes. With this evidence some people need to be reminded that I was truly on earth in physical time and space over two thousand years ago. I am still present to you now in My Blessed Sacrament. I am telling you these things because I truly took on a human nature, and I died for all of mankind's sins so each of you could be ransomed to come to Me in heaven. All, that is required, is to seek the forgiveness of your sins, and to let Me be the Master of your life. The devil wants to keep you busy in the noise of material concerns in the world. I call My faithful to calm down in the quiet of My Presence before My Blessed Sacrament. It is in this quiet contemplative prayer that I can talk to your soul. If you keep talking and are too busy, you have a hard time to let Me come into your life in prayer and leading you to Me. At times people busy themselves with too many activities. It is good to help people with good works, but not to the exclusion of your prayer time with Me. There are not so many important things to do that you could not find one hour for Me each day of your life. If you are too busy, then you need to cut back on your schedule to leave time for Me. I love you and I want you to show Me your love in your

prayer time."

May 31, 2012

Wednesday, May 23, 2012:Jesus said: "My people, you are very alert to having a good, clean appearance. So every day many of you take a shower and groom yourselves in your physical appearance. Just as you are so concerned with your earthly appearance, so you should be even more concerned with your spiritual appearance to Me. Before you receive Communion and before you go to sleep, you could recite to yourself an act of Contrition in sorrow for your venial sins. This helps to keep your soul clean. If you have committed a mortal sin, you should make an effort to get to Confession as soon as possible so you can restore yourself to My heavenly graces. Even at least once a month you should come to Confession to cleanse your sins and receive the grace of My sacrament of Penance. Cleansing your souls of sin will keep a good spiritual appearance, and you will always be ready for your judgment when I call you home in death. Seek to evangelize souls so they too, can be converted in My sacramental graces on the right path to heaven. Saving souls from hell requires My help so you can be protected from the attacks from the devil, who does not want to give up souls easily. But in My Name the devil scatters."

Thursday, May 24, 2012

May 31, 2012

Thursday, May 24, 2012:Jesus said: "My people, these riots and encounters with the police are purposely being instigated by the rich one world people who are using â€˜occupyâ€ groups for their own purpose. I mentioned to you before that one reason for martial law to be declared is the use of false flag terrorists in various cities across America. It is those â€˜occupyâ€ groups that will be used to cause these acts of terrorism to scare the people into the submission of control. Their first purpose was to counteract the Tea Party movement, and to create a division in your country between the rich and the workers. You have seen articles of billionaires of the one world people who are supporting this â€˜occupyâ€ movement, and they are directing orders to these groups in how to cause trouble and riots. As time goes on, you will see how this movement will cause more and more chaos with the plan to precipitate

a martial law. Once you are controlled by the one world people, Americans will lose their freedoms to a dictatorial power that will eventually lead America into the North American Union. Fear not these evil ones because before martial law is declared, My faithful will be called to My refuges of protection. The Antichrist's reign will be brief before I will come in victory. Be prepared for the coming need to be at My refuges during the tribulation."

May 31, 2012

Friday, May 25, 2012: (St. Bede the Venerable)Jesus said: "My people, the apostles had gone back to their old profession of fishing, but it was through My help that they caught 153 large fish. I had told them before that I would make them fishers of men. At breakfast this was another of My appearances to My apostles after I had resurrected. I had told the women at the grave how I would meet My apostles at Galilee. I asked Peter three times if he loved Me, and he acknowledged how he did love Me. Then I told him to feed My sheep. This was because he denied Me three times, and because Peter was the head of My Church. Peter also was being told about his mission, and to follow Me in imitating My life. The apostles were still afraid of the Jews since the Jewish leaders wanted to stop anyone who was teaching in My Name. I told My apostles that I would have to leave them so they could receive power from the Holy Spirit. You will soon be celebrating Pentecost when the Holy Spirit came upon My disciples in the form of tongues of fire. It was the gifts of the Holy Spirit that enabled My apostles to start speaking out in My Name and healing the sick. Many people were also astounded when they heard the apostles speaking in several different languages. Rejoice, My faithful, because you too, have been enabled by your Baptism and Confirmation to go out to all the nations and preach My Good News."

Jesus said: "My people, I want to compare graduating from college with graduating from this life at your death. Today it takes a large amount of money or some good scholarships to even be able to enter college, unless you go to a community college or some state colleges. Many students are taking out huge loans which may be hard to pay back. The money for college can be contrasted to the graces you need to get into heaven after your death. Students also need to have good study habits and the ability to plan their priorities for the time they

have. In the same way souls also have a limited time without knowing when they are going to die. By keeping your soul pure with daily prayer and at least monthly Confession, you can be prepared for your judgment. In college you need to be able to do your assignments and pass your tests. In life you also need to work on your life's mission, and with My grace you can endure your trials. In either case you need My help to both graduate from college and graduate to heaven. In both cases you also have to apply your knowledge to accomplish your goals. You need to be able to apply your book knowledge in solving problems in life situations. In the same way you use your knowledge of faith in life's choices by following proper moral principles. There are some parallels in both graduations, but coming to heaven is your most sought after desire in all the world."

Tenth Station tree: Jesus said: "My people, I have answered a request for a sign at this Tenth Station of the Cross, as this station is special at Marmora, Canada also. This sign of a weeping tree is but one miracle that witnesses this place as an interim refuge. When you work with Me to follow My Will, you will see your reward. It would be good to offer a sign of thanks for answering this request."

May 31, 2012

Saturday, May 26, 2012: (St. Philip Neri)Jesus said: "My people, in the Scripture readings you have seen how St. Paul was in jail, and how all the apostles, except St. John, were martyred for My Name's sake. With many of My faithful killed, you were fortunate to have My Gospels and St. Paul's writings preserved in the Bible. The religious leaders in My time did not want their authority challenged, and they did not want to change their way of worship for many years. These leaders could not accept that I was the Son of God incarnated as a man. This is why these Jewish leaders persecuted those who wanted to spread My Word. Even the Romans continued this persecution of Christians for several hundred years. I have told you before that if they persecuted Me, the people of today will persecute you as well. In America you are being harassed by the media and the one world people. The sinners around you do not want to be told of their sins that they are committing because they want to enjoy their sinful pleasures. Even if the evil ones want to kill you for your belief in Me, I will still protect My faithful at My refuges. Call on Me and My angels to protect you in this coming

trial. When you are being persecuted, you will be told when to come to My refuges when your lives will be in danger."

May 31, 2012

Sunday, May 27, 2012: (Pentecost Sunday)God the Holy Spirit said: "I am the Spirit of love and life. You are all temples of Mine because I give life to your soul. God the Father's love for God the Son generates the Third Person in Me. You have understood My Presence in the signs of the white dove, a blowing wind, and the flames of fire. I bestowed My seven gifts of wisdom, understanding, counsel, fortitude, piety, knowledge, and fear of the Lord on the apostles. By My grace they also were given gifts of speaking other languages and healing gifts. They were given the words to speak in gaining converts to the faith. Even in your own mission, I give you the words to speak at your talks, and I am there when you ask for healing of the people who you are praying for. In addition to these gifts, I also bestow the gift of prophesy on various souls who are led to be missionaries and evangelists. Be grateful for My many gifts, and keep calling on Me to help you in your mission."

Jesus said: "My people, you are celebrating Memorial Day for all the servicemen who died in your various wars over the years. Wars are always upsetting people's plans, and some service people return with injuries or trauma, if they return at all. Many service people are scarred for life by their wartime experiences. Even though you are remembering the service people who died, you also need to thank those who suffered in their health from their time at war. Many of your soldiers had to make great sacrifices so America could maintain its freedoms. Treasure your freedoms that many had to die to protect them. Pray for the souls of all of your service people for both those who are still living, and for those who have died."

Monday, May 28, 2012

May 31, 2012

Monday, May 28, 2012: (Memorial Day)Jesus said: "My people, you are seeing droughts and fires already in another hot year coming in the summer. Even the tropical storms are starting early before the official beginning of the hurricane

season. In the spring you have seen hot and cold that has caused problems with your orchard crops. If droughts continue in some areas, you could see problems with your other crops. A world famine is coming that will be controlled by man to some degree, but hot weather with little rain will be part of this cause for a famine. As grass and brush become dry, there will be a threat of more severe fires. Watering crops and irrigation is dependent on available water supplies, but this could be in short supply without enough rain. Pray for your farmers that they may be able to supply you with enough food to eat."

Pat D.: Jesus said: "My son, you did not have an opportunity to come to his services, but you are helping his soul by offering up this Mass for his intention. It is hard for the family to endure such a sudden loss at a relatively young age. He is still in purgatory, and he could use more Masses and prayers to help his soul. He is sorry for any problems that he may have caused people in his life. He asks for your forgiveness, and he will be praying for his family and friends."

Jesus said: "My people, this imagery of an octopus holding onto things with its tentacles, represents the power of the one world people who are desperate to control everything and all the people. The spewing forth of the octopusâ€ black inky fluid is a perfect fit of how they spew forth the evil from their cold hearts. I have told you how many of the one world people actually worship Satan, and they get their working orders from him. Since Satan hates man, he is doing everything to direct his subjects to kill people and reduce the population with his death culture. This is why these same one world people support abortion, euthanasia, wars, and deadly viruses. These powerful people use their wealth and position to control people in every way possible. Their goal is to try and place a computer chip in everyone, and control the free will of all the people, making them slaves and robots to do their bidding. Refuse to take any chip in the body, even if the evil ones threaten to kill you. When these evil ones try to force mandatory chips in your body, then it is time to call on Me to have your guardian angel lead you to My nearest refuge."

Tuesday, May 29, 2012

May 31, 2012

Tuesday, May 29, 2012:Jesus said: "My people, you have seen the evil in wars where many are killed or wounded for life. It is the one world people who are

always looking to control people and reduce the population that are purposely causing many of your wars. You are grateful for your service people in protecting your freedoms. But it is diabolical for these evil ones to cause unnecessary wars that disrupt many people's lives. The rich make profits on wars in the selling of arms, and they profit from the interest on the debts caused by wars. I have asked you many times to pray for peace in the world. Now, you need to pray that your President and Congress stop getting you involved in long drawn out wars that the one world people instigate in getting two sides to fight each other."

Jesus said: "My people, ever since some leaked Vatican documents showed up in various publications, My Church prelates have been embarrassed at these revelations. The Pope's butler has been accused of stealing certain documents, but it is going to be difficult to find out the truth of these allegations. The dark house is a sign that there are masons in My Church, and there could be a plan why this came into the open. During any coverup or confusion about the facts, there appears to be some irregularities with the Vatican's finances. My Church is always protected, but there could be some evil attacks to try and undermine the authority of My Church. Pray that these problems will be settled so evil cannot enter into My Church's proceedings."

Wednesday, May 30, 2012

June 14, 2012

Wednesday, May 30, 2012:Jesus said: "My people, My apostles John and James wanted to sit one on My right and the other on My left side in heaven. They were willing to suffer as I did, but they were asking something that I could not give them. My Father in heaven has reserved everyone's place in heaven who will come there. I have told you that there are many mansions in heaven, and I will go to prepare a place for you. So you can seek the higher places in heaven, but it is My heavenly Father who will seat you in your reserved place in heaven. Be thankful that you were blessed with faith, and can make it into heaven by My

grace. Seeking heaven with Me should be everyone's goal on earth. So follow My Commandments, and do all that I have asked you to do in fulfilling your mission on earth. Love Me and your neighbor, and you will have your reward in heaven."

Jesus said: "My people, you read in your news of many cities that have suffered damage from tornadoes or hurricanes. It becomes more personal if it happens near you, or in your backyard. Cleaning up some major destruction may be costly, especially if your insurance or government does not pay for it. Every year your country suffers billions of dollars of damage that are losses to the owners, insurance companies, and FEMA expenses. Some of this damage can even come from the HAARP machine which can cause serious tornadoes, droughts, or floods. Be grateful if you do not have to suffer any damage from such disasters. Pray for the people who do suffer from these trials that their lives are spared, and they are not financially ruined. You could even make some donations to help those who lost their homes."

June 14, 2012

Thursday, May 31, 2012: (Visitation of Mary)Jesus said: "My people, this feast of My Blessed Mother at the Visitation of Elizabeth was an example of her desire to help her cousin in a late pregnancy. This is another miracle pregnancy to bring St. John the Baptist into the world when his mother was beyond normal child bearing years. Even though My Blessed Mother was in early pregnancy, she made a long journey to help Elizabeth. In the Gospel St. John leaped in his mother's womb at the announcing of My Presence in My Blessed Mother. This feast is also a pro-life example of how the unborn babies could sense each other's presence. Mothers need to bear their children since all children have unknown missions that can only be carried out if they are born. Even My Blessed Mother was in a delicate position since she was pregnant by the Holy Spirit before she was married. But Mary had no thoughts of aborting Me. So mothers in a similar position should have their children as well, and not kill their own babies. Rejoice to have new lives that are fulfilling God's plan. My people should look at the big picture, and avoid having abortions under any circumstances."

Prayer Group:Jesus said: "My people, you have seen a large number of monarch

butterflies around your neighborhood. The life of a butterfly is very much like your own spiritual life. A butterfly starts out as a caterpillar that is not always beautiful to look at. Then it goes through a metamorphosis when it spins a cocoon, and finally a new life of a butterfly emerges. A human life starts in the womb as a fetus that blooms into a beautiful baby. You grow into a mature human being, and then you die to this life. Your spirit can come to heaven, and at the last judgment you will be rejoined with a glorified body when you are resurrected. This new life is like the transformation of a caterpillar into a butterfly. Rejoice that you are looking forward to being transformed into a glorified body at your resurrection."

Jesus said: "My people, you have just celebrated the coming of the Holy Spirit upon My apostles in the form of tongues of fire. I left My apostles on earth so I could send them the Advocate in the Holy Spirit to inspire and strengthen them in their evangelization mission. You are celebrating My Blessed Mother's Visitation to Elizabeth today. It was the Holy Spirit who became the Spouse of My Blessed Mother. By His indwelling I was incarnated as a man in the womb of My Blessed Mother. The two unborn infants also were joined in spirit. Be thankful to the Holy Spirit for all of His gifts, and His very dwelling in each of your souls."

Jesus said: "My people, you have seen people seeking out gold things to buy in many of your local stores. The price of gold has gone up and down because of speculation. Gold has an inherent value as a commodity because it is scarce. Your rich people treasure things of inherent value over things that are written on paper. They do not have dollars, or stocks because these things can become worthless. When the dollar crashes, many people will have nothing of value, but the rich will still have their wealth. Earthly wealth is of no value to your spiritual life. It is your good deeds and actions that will store up real treasure in heaven. It is your love for Me and your neighbor that you will be judged on, and not your physical wealth. So see the real treasure of a pure soul is more meaningful in My eyes than all of your earthly wealth. What does it profit a man to gain the whole world, and lose his soul in the process?

Jesus said: "My people, while some people seek the wealth of this world, I am showing you that the soul is your most precious possession. This is why your abortions are so evil, because you are killing these little lives before they have a chance to carry out their missions. These souls are My most precious gifts of life

to you, and you are throwing them into your garbage cans. This is a slap in the face for My creations, and your people will be punished for these killings and insulting Me. Keep praying to stop your abortions."

Jesus said: "My people, you have seen bank failures and home foreclosures that caused your serious recession in 2008. Many of your large banks were bailed out by billions of dollars of taxpayer money that now makes up part of your growing National Debt. Most people do not even know about the trillions of dollars of derivatives that these banks and hedge funds were involved with. When these paper valued derivatives crash, this will be worse than a crash of the currencies. Be prepared with food and some things to barter when the dollar and the banking system will fail."Note: Derivative values held: JP Morgan Chase $70.1 trillion, Citibank $52.4 trillion, Bank of America $50.1 trillion, Goldman Sachs $44.2 trillion. The nine largest U.S. banks hold over $200 trillion in derivatives which is three times the entire global economy.

Jesus said: "My people, when people lose everything financially, there will be such turmoil that My refuges will be your only safe haven. When you see people killing over food to survive, it will be the time to call on Me to have your guardian angel lead you to My nearest refuge. Trust in Me when I will warn you that it is time to come to My refuges of protection."

Jesus said: "My people, there are some churches or chapels where My Blessed Sacrament has been adored for many years. These places of Adoration are holy ground, and they will be protected by My angels who always honor My Real Presence. Even at all of My refuges, you will have Adoration of My Host going on around the clock. See that the power of My Real Presence will protect My faithful. This is why all of My adorers will have a special reward in heaven. Come to visit Me at My tabernacles, and you will find peace for your souls."

Friday, June 1, 2012

June 14, 2012

Friday, June 1, 2012: (St. Justin)Jesus said: "My people, today's Gospel has many teachings for your soul. The first lesson is about the fig tree, as My faithful also need to bear fruit. Because it was not the season for figs, it did not bear fruit. But My faithful need to do good works for people even when it is outside

of your comfort zone, or when you see a need without being asked to help. I cast the money changers out of the Temple, not only because they were cheating the people, but they were doing it in My Father's house in defiance of respect for God. I told them that My zeal for My Father's house also drove Me to protect it. When I talked of prayer, I told people to have faith that I would answer their prayer requests. You know that I can do the impossible, so pray with the belief that I can perform miracles. I also asked you to forgive others of any offenses against you, and My Father would forgive you your offenses. But if people do not forgive others from their heart, then they may suffer a longer time in purgatory for holding grudges beyond the grave. Rejoice that you have been given My practical answers for how to live your lives on earth, so you can be prepared for your judgment when you die."

Jesus said: "My people, at times rain seems like an inconvenience when you want to work in your yard. But once you have had a drought or a long time without rain, you welcome an all day rain. Even when you have been working for a long time, you look forward to a cold drink to moisten your parched mouth. In a spiritual way some people have suffered a dark night of the soul, or some may have been traveling without time to visit Me in Adoration. Your soul can be parched from a lack of not being able to come before My Blessed Sacrament. When you come to Me in Communion or before Me in My tabernacle, I can refresh your soul with My grace. I call souls who are labored or weary, and I will give them rest. For My yoke is easy, and My burden is light. Keep close to Me, and I will nurture your soul so you can carry on with your mission. Whenever you are afflicted with life's trials, call on Me and My angels, and we will comfort your spirit with My peace."

Saturday, June 2, 2012

June 14, 2012

Saturday, June 2, 2012: (St. Marcellinus & St. Peter)Jesus said: "My people, this vision of looking down at your feet represents today, and your immediate future which may be distracted by your daily events. The longer view is looking toward your after life that is seeking Me in heaven. The point of this message is that you should keep your focus on Me on your life's path to heaven. Along this path you should be focused on your daily prayers and doing good works for your neighbor out of love. As you love Me and your neighbor, you should show it by helping

souls to convert their lives to following Me. The devil will place many distractions and addictions in your path, but look beyond him so you can do My things for your own mission. If you do not give your will over to Me, then you will be focused on your own desires. Work to serve Me and follow My discernment, and you will keep on the right path to heaven. Keep your soul pure with frequent Confession, and you will be ready to meet Me at your judgment on any day."

Jesus said: "My people, you are looking down on all the tangible assets of your country in the trees, the parks, the mineral resources, and property. It is your banks that control the wealth of your country, even if they pay you in money printed out of thin air with no backing. Many loans use your houses as collateral for your mortgages. If you do not pay your mortgage, then the bank forecloses, and you lose all of your investment. The banks could demand payment, and you could lose your house as well. Even if your house is paid for, your towns or cities could raise your taxes or condemn your property to take it. The one world people, or central bankers, are ruthless people, and they will take over all properties when they crash your money system. This takeover by martial law is coming, and My faithful need to be ready to flee to My refuges before these evil ones will try to kill you. Christians and patriots will be their targets to eliminate for the evil onesâ€ new world order. This is why My refuges will be your only safe havens from being martyred. I have told you before that your dollar will be crashed to cause a bankruptcy. This, together with a pandemic virus and terrorist activities, will cause a martial law. This will lead to a new currency and eventually a takeover by the Antichrist. Some will be martyred, but the rest of My faithful will be protected at My refuges. I will soon come in victory over evil to establish My Era of Peace. Have patience and call on My angels for your protection."

Sunday, June 3, 2012

June 14, 2012

Sunday, June 3, 2012: (Trinity Sunday)God the Father said: "I AM is how people know Me from the Old Testament. You are even seeing various periods of time being ascribed to One Person of God. You have seen Me dominate the time before Jesusâ€ birth. From His birth to the Era of Peace is considered the time of Jesus, and the Holy Spirit will be marked in the time of the Era of Peace. You

know the Blessed Trinity represents Three Persons in One God, but this is a mystery for any of you to understand. So it is in symbols that you can understand Our different Persons. You understand Me in gold colors and in the burning bush. You see Jesus as a corpus on His cross. You see the Holy Spirit as a dove, a strong wind, and the tongues of fire. One thing, that is central in all Three Persons, is the love We have for each other and for all of Our creations. It was My love for man that I sent My only begotten Son to die for your souls to be saved from your sins. So when you see anything about love, it is from Us, and anything evil or of hate, it is from the devil or his demons. You see this in your own life when your guardian angel urges you to do acts of love or good works, but the devil wants you to do evil things or sins of omission. Rejoice that you have a loving God who looks out for you in every facet of your life, and We desire to have all of you come to Us in love for all eternity in heaven."

June 14, 2012

Monday, June 4, 2012:Jesus said: "My people, in today's Gospel of the vineyard and the tenants, I tell a parable about Myself as the cornerstone who was rejected by the builders who represent the Jewish leaders. Just as the tenants killed the servants and the son, this related to how the leaders killed the prophets, and they would eventually kill Me as the Son of God outside of the city. These Jewish leaders wanted to kill Me, but they feared the people who treated Me as a prophet and a healer. In this parable I was giving everyone a blueprint or plan of how I would give up My life for the souls of all peoples. Even the Old Testament by the prophets also told of My coming. Today, you have My modern day prophets who are also revealing My blueprints of how I will come again in victory over the evil ones. This is how the modern day tenants will be brought to justice in the end times, just as in the parable. Rejoice My faithful that you are being prepared for the tribulation, but you know the outcome of My victory over Satan, the Antichrist, and the evil ones."

Jesus said: "My people, New York City has been the center of America's financial exchanges, and you saw the disruption of your finances from the disaster at the trade center in 2001. The one world people have the destruction of your economy as one of their goals for a takeover. These same people have the use of the HAARP machine at their disposal to cause disasters wherever they

please. The most damage that they could do to your economy would be to send another major disaster into your financial center in New York City. This vision of a large storm, that would effect this city's buildings, could be effected by the use of the HAARP machine to enhance your tropical storms up the Eastern coast. You saw the effect of a glancing blow of Hurricane Irene in this area. Any such storm that would affect New York City could throw your recovering economy into a downturn. This is just one of many plans that the one world people could use to make your country vulnerable to martial law. The coming events of the next six months could dramatically change the face of America as you know it today. Pray for My help in bearing these coming events that could lead you to coming to My refuges for protection of your body and your soul."

June 14, 2012

Tuesday, June 5, 2012:Jesus said: "My people, I am showing you the consistency of My protection both in the early Exodus and in the coming modern day Exodus. In the old Exodus I allowed the Israelites to escape the Egyptian army by walking through the split Red Sea. Then eventually this whole army was drowned in the sea. In the new Exodus My people will be protected from the evil ones at My refuges, as in the cave of the vision, where you will be invisible to your enemies. At the end of the tribulation you will see all the evil ones cast into hell during the three days of darkness. Then you will see Me renew the earth in a new heavens and a new earth. My faithful will have their reward in My Era of Peace and later in heaven. Rejoice when you see the Antichrist come, because My victory will come soon in your lifetime."

Jesus said: "My people, I have been warning you with messages that your lives could be in danger in the coming months. The vision of black tombstones represent possible martyrs of some of My faithful. The Nativity scene is to indicate that this time could be around Christmas. These events are changeable with prayer, and if My faithful are timely in coming to My refuges, then they would be safe. The one world people will be targeting Christians and patriots to pickup if martial law is declared. If these events get serious enough, I will warn My people when it is time to come to My refuges of protection. If I warn you with an interior message, do not delay, but get your things together, and call on Me to have your guardian angel lead you to My nearest refuge. Those faithful,

who do not heed My warning, could be the martyred faithful buried at these black tombstones in the vision. Pray to Me to give you peace about these coming events that could see people in chaos and riots searching for food and water."

June 14, 2012

Wednesday, June 6, 2012: (St. Norbert)Jesus said: "My people, in today's Gospel (Mark 12:18-27) the Sadducees, who did not believe in resurrection, tried to test Me with a story of a woman who married seven brothers. Then they posed the question of which husband would the woman have in heaven? This whole question was just a trap of speech because they did not even believe that there would be an after life. I told the Sadducees that they were badly misled because they did not know the Scriptures concerning the resurrection of the soul at the last judgment. I also told them that souls, who enter heaven, are like angels, and they do not marry each other in heaven. This does bring up a question if you will recognize your spouse or relatives in heaven. In heaven everything is in harmony and love, and only those souls, who are worthy, will be there. When you die, you are greeted only by your relatives that are in heaven. These are the same souls who will be praying for you if you need purifying in purgatory. Your main focus will be on loving Me in heaven, as you will be constantly praising Me. When you are in heaven, you will know your loved ones, and you too, will be praying for your relatives in purgatory and those who are still on earth. Coming to heaven will be the most glorious happening in the life of your soul. All of you should be striving for this greatest moment of your eternal life. I love all of My people, and I desire that every soul could come to Me in heaven. I respect every soul's free will, and I do not force you to love Me, but loving Me will bring you an eternal reward."

Jesus said: "My people, I want to give you some advice on how to run your refuges, but you must think of how you will be independent from water lines, gas lines, and electric lines. Water is a primary need for survival, so you need an independent source of water as a well or a stream. If you do not have water, I will have a miraculous spring provide your water, but it will be a limited supply that will need multiplying. Many of you are used to using flush toilets and daily showers. If your water supply is limited, you may have to set up outhouses and use small amounts of water for bathing. If you are in the North, you will need

wood, kerosene, and gas containers for fuel that could be multiplied, and the appropriate heaters. This will be your means of keeping warm. You will need some kind of an oven or cooking device to prepare your food. You will have daily Communion from My angels, deer, and any other food you have stored or that you have farmed. I will provide the food, but you will need to prepare it. Trust in Me that I will provide your food, water, shelter, and protection with My angels. My refuges will be your places of protection during the coming tribulation of the Antichrist. Those, who do not come to My refuges when I warn you, are risking martyrdom if they stay in their homes. Some people feel uncomfortable with the thought of living a rustic life, but these refuges will afford you My protection. It is for certain that this time is coming soon, but do not be concerned with knowing the exact dates of these events. I have told you the sequence of events that will start with My Warning experience, and then the martial law will come. You will be on the road to My refuges before martial law is declared. These events could start any day, so have your preparations ready to leave."

June 14, 2012

Thursday, June 7, 2012:Jesus said: "My people, at various times you find yourself waiting at a doctor's office or at an emergency room when you have some time to spend. Even if you have a different time when you pray, do not waste any of your precious time. Your time goes by very quickly, and it can never be retrieved. In those moments of waiting, you could be praying for your family members or for the souls in purgatory. If you carry your rosary with you at all times, you could pray it while you are waiting. By putting your time to good use, you will be better able to make an accounting to Me of how you spent the time that I gifted to you on this earth. Remember that your time on earth is relatively short compared to the eternal life of your soul. While you are still alive on earth, take every opportunity to love and serve Me and your neighbor so you are living the faith that you believe in. When you come to Me at your judgment, you will be judged on your good works and how much you loved Me and your neighbor."

Prayer Group:Jesus said: "My people, you have heard about various colored auras that some people can see and some devices can measure. This aura is a

sign of the spirit body that animates your physical body. Even the Holy Spirit sent tongues of fire over My disciples. This energy of life is also a sign of the Holy Spirit's Presence in every living human being. At death this life spirit leaves your body, and your soul comes before Me in judgment."

Jesus said: "My people, as your deficits keep mounting, there are some in Congress who are seeking to find some compromise in dealing with your government's overspending. The longer this gridlock continues, your entitlement programs are coming closer to running out of money. Hard choices on the growth of entitlements need to be made now before they could cause your bankruptcy. Some states have made these hard choices, and they are balancing their budgets, and prospering as a result. Common sense to save these programs is needed over continuing political rhetoric with no action."

Jesus said: "My people, the one world people will try to force flu shots on you because of a more deadly and contagious bird flu. This makes money for the drug companies, but the flu shots over time will actually be detrimental to your immune system. Avoid taking these flu shots, and instead build up your immune system with Hawthorn pills, vitamins, and herbs. Also have some masks on hand when the evil ones try to spread this virus with chemtrails. Come to My refuges if you see people dying, so you can be healed by looking on My luminous cross at all of My refuges."

Jesus said: "My people, you have been to many countries in Europe where the buildings of older generations have deteriorated by weathering. It is the stone buildings and statues that have survived over the years. Even historical documents are now being saved to optical disks to preserve what man has discovered. It is important that the history of nations should be preserved as it happened, and not recorded with a false agenda. One thing has been true through the years, and that is when people ignore the mistakes of the past, they may live to repeat them."

Jesus said: "My people, your current wars in Iraq and Afghanistan are winding down, but the regime changes in many Arab countries are causing stress among these peoples. As you see an increasing battle of good and evil, you are seeing more signs of the Antichrist's coming. This tribulation has to come, but I will be victorious over all of the evil ones. Rejoice that you know the outcome of this battle and My victory will prevail."

Jesus said: "My people, it is not easy to set up a refuge because My refuge builders have spent much money, and some have endured harsh criticism. Many of My builders have had inner messages or they have been directed by the Holy Spirit to go forward with their work. Some of My builders have also been given signs to encourage their work. All of them will truly receive My reward for providing safe havens for My faithful."

Jesus said: "My people, it is not easy to go through your day's work when you meet up against problems that seem unsolvable. You should pray for My help in the beginning of your projects, but you may pray harder when things are not working out. After praying, you have seen many times how I have worked out your problems. Remember to thank Me for resolving your problems, and have faith in depending on Me to answer your prayers."

June 14, 2012

Friday, June 8, 2012:Jesus said: "My people, if you are able to move about freely in good health, then you should be giving Me thanks that you are not disabled. You have had some leg operations, and you know how difficult it is to get around on crutches or in a wheelchair. Think of all the people who have painful ankles, knees, and hips, or any other disability as lost limbs. They are suffering chronic pain every day. Some are burdened with having to take pain medication just to get through the day. I want My people to pray for the disabled so they can endure their pain. Those, who live in pain, can offer it up with Me on the cross so they could have some redemptive value in helping souls in their family or in purgatory. I suffered on earth to give everyone an opportunity to be saved from their sins and avoid hell. But sinners must seek Me in repentance of their sins, and ask for My forgiveness. By converting your life from sin, and making Me the Master of your life, then you are preparing yourself to be worthy by My grace to enter heaven. All of your struggles through your trials and pains on this earth are a means to test you and purify you to enter heaven. Indeed, some souls are suffering their purgatory on earth through their diseases and health problems in their later years. Have sympathy for the disabled, and help them in any way that you can."

June 14, 2012

Saturday, June 9, 2012: (St. Ephrem)Jesus said: "My people, St. Paul talked about evangelizing souls, and this is a large part of My faithful's mission. You have read in the Scriptures how the prophets were anointed with oil. After My Resurrection I want My faithful anointed also in Baptism and Confirmation with the holy oils. For you are priests, prophets, and kings when you spread My Word in converting souls to the faith. The ambry in each church holds the holy oils for My sacraments. This anointing of each person makes him or her a member of My Church, and it bestows My graces of My sacraments on you to strengthen each of you for your own mission. Rejoice in this fellowship of Christians who follow My ways and imitate My life. I love all of My people, and I will send My angels to assist you in your work."

Jesus said: "My people, your financial transactions in the futures and options markets are very risky, and they can be likened to bets made in a Las Vegas casino. This area of finances is called the derivatives market that have stocks and bonds as the underlying asset. These bets can be leveraged to as much as 2000 to 1. If a bet wins, the owner makes a lot of money, but if that owner loses, there can be some big losses. In the last financial crisis of 2008 many derivative bets were insured by AIG. This financial institution held bets from the banks of many nations. Your central bankers swindled the American taxpayers by bailing out all of these bad derivatives in the billions of dollars that benefitted even foreign banks. There is no regulation of these dangerous bets, yet your taxpayers are backing these bad debts. The five top banks are leveraged for liabilities that amount to over $200 trillion which is three times the total value of the world's economies. If these banks lose their bets, as one bank has already lost several billion dollars, there is not enough money in the world to bail them out. Only the Federal Reserve could print that much money, but it would inflate the dollar so much that the dollar would be worth next to nothing. The Federal Reserve and your taxpayers should not be liable to cover these bank debts. You can see how if these bets go bad, that the bricks of your financial institutions will come tumbling down as in the vision, and this crash of your money system will bring about a takeover. It is this martial law possibility that is the plan for the one world people's takeover of America. This is why I have been warning My faithful to have food and be prepared to leave for My refuges. Trust in Me that I will bring My victory over these evil ones after the Antichrist's short reign."

June 14, 2012

Sunday, June 10, 2012: (Corpus Christi)Jesus said: "My people, through the years there was an old tradition of having a procession of the Blessed Sacrament in a monstrance all around the neighborhood streets of each church. There also is a long standing practice of adoring My Blessed Sacrament where you have perpetual Adoration. This feast day of â€˜Corpus Christiâ€ or â €˜The Most Holy Body and Blood of Christâ€ is a celebration of My gift of Myself in My Blessed Sacrament. It is a belief in My Church that during the consecration of the Mass, the bread and wine are transubstantiated into My Body and Blood. This belief of My Real Presence under the appearances of bread and wine takes an act of faith in order to believe. If you truly believe that I am present in the Host inside My tabernacle, then you would be willing to come and visit Me more often. Some of My believers try to visit Me every day to show Me how much they love Me, and believe in My Real Presence. Because there are many people who do not believe in My Real Presence, I have allowed some miracles of My Eucharist by having real blood appear on the Hosts. These miracles are not meant to sensationalize My Eucharist, but they are meant to show people that I am truly Present in every consecrated Host. So when you receive Holy Communion worthily, you truly receive Me into your soul. Until the Host is consumed, you are like tabernacles of My Presence. At every Consecration of the Mass, and at My tabernacles, My angels are always present, and they are adoring My Eucharist. Many people pray to Me for petitions, but Adoration and worship of My Blessed Sacrament are other forms of prayer to give Me the honor and glory of being the God of the universe. Try to receive Me in Holy Communion and come to Me in Adoration as often as you can, so you can receive the grace of My sacrament, and the grace of visiting My tabernacle."

Jesus said: "My people, the wood of My cross is tied to this weeping tree at the Tenth Station. I have talked to you about the Tree of Life, and this tree has taken on a spiritual life in giving you a sign. When you look at a cut tree, you can see the rings representing each year of growth. You could see a bright Light over these rings, and it was in the shape of a Host. You are celebrating today's feast of Corpus Christi, and this is appropriate in seeing My consecrated Host. Where you have My Host, you also have My sacramental Presence. This vision is also a reminder to you that I will bless all of My refuges when My angels will bring

you daily Communion if you do not have a priest for Mass. In this way you will be able to have perpetual Adoration at all of My refuges during the tribulation. Rejoice, My faithful, that I will be with you in protecting you at My refuges."

Monday, June 11, 2012

June 14, 2012

Monday, June 11, 2012: (St. Barnabas)Jesus said: "My people, the life of an evangelist is not easy, as you have read the accounts of St. Paul and St. Barnabas in the Acts of the Apostles. You have seen for yourself how you have to manage all the difficulties of traveling in your air travel, driving, and setting up meetings and accommodations. At times you may miss flights, or you may have problems with your luggage. But there is a joy in bringing souls to Me that makes all of your sufferings worth your efforts. Rejoice that you have been called to help save souls. Keep in mind that when you are taking souls away from the demons, that you should be prepared to do battle with the evil spirits. Wear your blessed sacramentals for protection, and call on Me and My angels to assist you in any demonic attacks. You may even see some resistance to your evangelizing efforts from the authorities, or from some who do not want strangers telling them how to follow Me. When you do your work for Me among the people, I will reward your efforts, even if you have to wait until after your death."

Jesus said: "My people, you have been celebrating the feast day of St. Barnabas who was a missionary, and he worked with St. Paul. These disciples of Mine were instrumental in bringing many souls to the faith, especially among the Gentiles. I told My disciples that I came as a man to serve, and not to be served. I also told them that those who desire to be leaders, must serve the rest. At the Last Supper I washed all the feet of My apostles, and I did this to give Myself as an example of how they should serve My people. Helping to save souls is your most important work, but there are many ways in which you can serve people with your good works. You can help serve food at your meetings, and you can feed the poor and the hungry at food shelves or at soup suppers. You can help people by finding apartments to rent for the poor. You can serve by visiting the sick and the elderly. You can even attend funerals to help those who are mourning for their relatives who died. You can also pray for others who are suffering sickness, or those who are seeking employment. By helping to serve other people, you are serving Me and your neighbor out of love."

June 14, 2012

Tuesday, June 12, 2012: (Theresa Vitale Funeral)Jesus said: "My people, My daughter, Theresa, was a good and faithful servant who was attentive to Me at daily Mass and in her daily prayers. You all heard in the eulogies how she cared for all her family in their needs. She loved her family so much, and she was thankful for all those who helped her in her last years, especially Yolanda. She appreciated all of your prayers and offers to help her. She will be praying now for her family and her friends. She is being greeted by her family in heaven. She also wants to thank everyone who came to her wake and her funeral. She sends her love to everyone."

Jesus said: "My people, you can see events moving slowly toward another war in the Middle East, a possible banking problem in Europe, and also a growing National Debt problem in America. The one world people have their takeover plans in place, and events are moving toward their goal. As you can see this large clock moving, the one world people are concerned that the time for taking over is growing short. They know that I am allowing them only a brief reign before they will lose everything. This is why they are shifting their plans into a faster mode, which means they have to speed up the events that will bring about a martial law takeover. The decision on the Health Care issue by your Supreme Court may dictate the coming plans. If the court strikes down any provisions of the current plan, then you will see your President bypass any decisions because they need to control people with chips in the body. Their plan to chip everybody is coming soon either legally or illegally. Their plan to crash the dollar will also be speeded up. These people are on target with their takeover plans, but you may see things moving faster as they now have more of an urgent feeling to get their plan carried out. I will be available to help My people avoid chips in the body and avoid any flu shots. Trust in Me to first bring My Warning, and then I will bring My victory over these evil ones. Be ready to leave for My refuges when I tell you that it is time to go."

Wednesday, June 13, 2012

June 29, 2012

Wednesday, June 13, 2012: (St. Anthony of Padua)Jesus said: "My people, you

have just read the account of Elijah, and how he confronted the many prophets of Baal who were misleading the people away from God. This worship of the pagan gods was a constant problem for Israel because every time that they left Me, they were being conquered by their enemies. Even today, America is faced with the same problem where many people worship the gods of money, lust, and fame. Those, who are teaching New Age, are worshiping crystals, the earth, and everything other than Me. You also are tested by those who promote the death culture. Satan is misleading people to kill their unborn babies and the elderly. It is very difficult to preach the Good News to the people when there are so many prophets of earthly distractions that are misleading the people. This is why I am still allowing signs in miracles to show the people that I am still with you, but they need to have their hearts open to Me in order to believe in these miracles. Many people are not listening to My prophets because conversions to the faith require a responsibility of following My Commandments. To follow Me means giving up their earthly pleasures of fornication and greed for money, and this is hard for those addicted to sin. My faithful are in a battle for souls. So do the best you can to lead as many souls to follow Me as possible."

Jesus said: "My people, there are many people concerned about stressed banks in Greece, Spain, and Italy. You have heard one journalist mention that it becomes difficult to pay back bonds that reach interest rates of over seven per cent. I have told you earlier that once interest rates get too high, then you could start seeing bank failures and even financial crashes in these European countries. There is not enough money to bail out these countries or the big banks. Once the European banks fail, American banks would fail as well. This crash could very well happen this year. This is also why I have warned My people to stock some food to share, and to be ready to leave for My refuges when events could endanger their lives. My Warning experience will come first, and then you will soon see martial law and mandatory chips in the body. I will warn you when to leave for My refuges before the one world people start picking people up for the detention centers. Keep calm, but have your food and something to barter with as gold or silver. I will have your angels lead you to My refuges under an invisible shield. Do not use guns, but let My angels protect you."

June 29, 2012

Thursday, June 14, 2012:Jesus said: "My people, those people, who enter heaven, need to obey My laws, but they also need to be purified either in this life or in purgatory. When you make a vase, you require some painted designs and several glazes that are fire-polished. When you die, you may still have to make reparation for your sins. Purgatory is where My souls are promised one day to be in heaven, but they will spend various times being purified by fire or time until they are worthy to enter heaven. In the Gospel I am telling the people not only to guard their actions, but they also need to guard their thoughts. I look into the heart where you have your intentions both for your actions and your thoughts. Avoid situations where you perform actions for show, but deep down you have the opposite motives which can be sinful. Say yes when you mean â€˜yesâ €&#65533; and no when you mean â€˜noâ€&#65533;. All other thoughts can lead you into sin. Show love in your heart at all times, and I will see your intentions, and reward you for your efforts."

Prayer Group:Jesus said: "My people, as you look at the blooming roses, each rose has its own uniqueness. Just as you see the beauty of My creation in the plants, so there is a duel beauty when you look at different peoples. My people are made of body and soul, and each can have a beauty of its own. You are My creations, and I give you life so you can bloom in your good works and your love of Me and your neighbor. It is this harmony that I put in nature that I wish to see in your society. You all care for one another when you see someone in need of food, clothing, or shelter. Think more of sharing what you have than keeping it just for yourself."

Jesus said: "My people, I have given you a model for a loving marriage in Adam and Eve. I have considered My Church as My bride, and I am the groom. Love is everything in heaven, and this is why even My Commandments are modeled on love of God and love of neighbor. I have made you male and female for the procreation of mankind, and it is from the marriage of a man and a woman that you bear children in a loving environment. This plan of marriage should be the nuclear units of your society that keep people together in the family."

Jesus said: "My people, in the child's early years he or she seeks the love of the parents, and a proper relationship can shape a child's personality. The parents need to nurture and teach their children both what is needed to survive in life and in their souls. Parents need to help them in their faith so they can love and serve Me. If children are not given sufficient love, this can create problem children in

your society. Love is a personal relationship that parents can bring to their children, and the children know when it is sincere and heartfelt. Loving families are much happier in each other's presence than when there is division."

Jesus said: "My people, My Gospel accounts show you many ways in which I showed you My love in My actions. You see how I love My Father in heaven and the Holy Spirit. You saw how I protected and taught My apostles out of love. You saw how I loved Lazarus so much and his family that I wept at his death, and later raised him from the dead. Most of all I showed you all My love when I suffered a scourging and the crucifixion on the cross so My shedding of blood is a ransom for your souls from sin. In becoming a man I know all the pains and trials of life that each of you are going through. I ask only that you love Me in return by imitating My life of holiness."

Jesus said: "My people, you first see love when parents reach out to help their children. As you grow older, you see people in need of the necessities of life. It is this desire to help others out of love that you help in distributing food, share your clothes, and at times help people to find a place to live. This is brotherly love when you desire to help people through their problems. You feel more love in sharing your money, your talent, and your faith, than just helping yourself."

Jesus said: "My people, your prayers to Me are really a way of showing Me your love. By living your life as a constant prayer, you are united with Me in all that you do out of love. You also can show your love for others by praying for them in their work, their sicknesses, and even in death by praying for their souls. Love is a beautiful way of expressing your feelings for Me and for others. Call on My help and My graces in all of your life's needs."

Jesus said: "My son, it is true that I have given you several glimpses of what heaven is like. You described it as being one with Me in total peace and love. Your beatific vision of Me is so beautiful and inspiring, that you have difficulty in expressing this feeling in words. You did not want to leave, but I wanted you to share this experience with others. Living in total love with the God who loves you is far better than even thinking of living in hate in the fires of hell. If you truly desire to be with Me in heaven, then show Me your love and your love of Me in others."

June 29, 2012

Friday, June 15, 2012: (The Most Sacred Heart of Jesus)Jesus said: "My people, this feast of My Sacred Heart is the first of the Two Hearts of My Blessed Mother and Myself. You know that I am Love itself, and your images of My Heart represent the seat of love that you have as humans. A beating heart represents life, and the eternal flame in My picture also represents how I have a burning love for all of you as a perpetual fire. I have shown you many scenes in the Gospel that expressed My love for people in healing their physical afflictions. In the Gospel of today you see My death on the cross as My greatest act of love for mankind, so I could bring salvation to your souls and free you from the bonds of your sins. You are all My creations, and I desire that all of you will seek Me out of love so you can be with Me in heaven. I give all of you free will to love Me because I do not force Myself on you. I desire that you love Me of your own free will, and that you will want to serve Me as Master of your life. By loving Me, you can also love My Blessed Mother because our hearts are joined together as one. Be thankful that you are temples of the Holy Spirit because He gives life to your body and your soul. I want My people to love Me with an agape love which is a spiritual love of God beyond your filial love for other human beings. Keep close to Me in your daily prayers, and you can nurture your personal love relationship with My Sacred Heart."

(The Most Sacred Heart of Jesus) Jesus said: "My people, as I look out at all the hearts of My people, I see a lock on each heart. It is My people that need to unlock their hearts from the inside that will open their heart so I can enter. If a person is focused only on themselves, and they are not open to Me, then I cannot enter that soul and that heart. It is only by your giving of your will over to My Divine Will, that I can enter your heart and share My joy with you in the grace of My sacraments. So listen for My call, and you can open your heart to Me so we can be one heart. In this way you can join My Blessed Mother and the Blessed Trinity as we are all one together in spirit. Give praise and glory to Me because My Sacred Heart is always open, just as you have some churches always open to access My tabernacle."

June 29, 2012

Saturday, June 16, 2012: (The Immaculate Heart of Mary)Our Blessed Mother said: "My dear children, thank you for celebrating both Masses for our Two Hearts. I know it takes some spiritual endurance to be up late at night to honor both my Son and myself. You know that in everything I do, I lead you to my Son, Jesus. I am the bridge to heaven because I keep repeating the phrase that you hear: â€˜To Jesus through Mary.â€ All the rosaries that you pray, I give over to Jesus along with your intentions. All the love that you share with me, I share with my Son, Jesus. Now that I look back on Jesusâ€ remark of his wanting to be in His Father's house, I know how much He loves His Father. Rejoice in our Two Hearts as we want to join your heart with ours at all times."

Jesus said: "My people, you are seeing Syrian military firing shells on their own civilians. In response there are some groups fighting the military as the beginning of a civil war. Recently, there was some reporting of Russia sending attack helicopters to the Syrian government. Since Syria is a Russian client, it is much more of a delicate political situation to try and remove this dictator as in Libya. Still your ships are standing ready to go into action if they are called on. This area and the Iranian nuclear situation are both potential places for war to break out in the Middle East. Americans are weary of all the long wars in Iraq and Afghanistan, but it is very difficult when action is taken by your President as in Libya without Congressional approval. Pray that war does not spread in this area, and that peace can come to this region."

June 29, 2012

Sunday, June 17, 2012: (Father's Day)God the Father said: "I AM is here as I celebrate being the Father of all fathers. I have shared My act of creation with all those men who have fathered children. My Son, Jesus, always revered Me to those whom He was speaking. I pray that people revere Me as well, and that the children give respect to their fathers, especially today. It is good to remember fathers because for the most part they help in supporting and guiding their families. I pray that fathers should remain faithful to their spouses in preserving family unity without fighting. Some are grandfathers and even great grandfathers. It is a blessing to be able to see your children to the second and third generations. It is also a blessing to still have your fathers alive to share their lives with you. There are some people who have lost their fathers when they

were young. Children need a father figure in their lives to give them balance in learning about life. Rejoice in My gifts, and the gift of your father in your life."

Monday, June 18, 2012:Jesus said: "My people, you have read the story of how Jezebel had Naboth killed by her false accusations so King Ahab could obtain Naboth's vineyard. (1 Kings 21:3) There is such a phrase as a â€˜Jezebel spiritâ€&#65533; and it refers to someone who acts like Jezebel in a ruthless manner of control. She was a believer in Baal and she tried to remove all of My prophets in Israel. She also had shrines to Baal erected in their place. It was Elijah who defeated the prophets of Baal, and he had them all killed, despite Jezebel's attempts to kill him. There are many evil people in this world, and you may have to confront the evil that they are doing. Do not use physical weapons to fight evil, but call on Me and My angels to deal with such evil. Even Jezebel and many evil people have been removed as punishment for their evil deeds. Keep your blessed sacramentals on you for a defense against the evil spirits. By trusting in Me, I will deal with the evil around you, and I will bring My victory against these evil ones in My time. Using Confession can keep your souls free from sin, and that is why I showed you these confessionals in the vision."

Jesus said: "My people, I have told you before that your freedoms would be taken away from you one by one. You have a situation in America where your Executive Branch is taking over more power from your Congress in regard to immigration, war powers, printing money, and many violations of your Bill of Rights. Executive orders are being passed that are definitely in violation of your Constitution, and your personal liberties. Even your courts are making laws without Congress. The one world people are directing a takeover of your country, and you do not even put up a fight over your freedoms that are being taken away. Eventually, you will have a dictatorship of the new world order that will be seeking to kill those who believe in God. When your lives are in danger from the coming martial law, I will warn you when it is time to seek safety at My refuges. My angels will make you invisible to your enemies so you will not need weapons. Trust in My caring for you in this modern day Exodus, so you should have no fear and only peace in My love."

June 29, 2012

Tuesday, June 19, 2012: (St. Romuald)Jesus said: "My people, many people on earth fail to appreciate the many beautiful things of My creation that were all made perfect in the beginning. Many of your plants and animals have been manipulated by man in the changing of their genetic make-up. Man in his scientific pride thinks that he can improve on My perfectly made things. Man's view does not look at the big picture, but only on things that he likes, which is why you are destroying My balance of nature. You are seeing more cancers and sicknesses from all of your adulterated foods and the pollution of your environment. This is why I will have to renew the earth from all of your misguided changes. Even man and woman were made perfect before Adam's sin. But now you all have inherited a weakness to sin, and you needed My redeeming act of My death to offer you an opportunity for salvation. I have asked all of you to seek perfection as My heavenly Father is perfect. I know that you cannot do this on your own, so I have given you My sacraments of grace to help you. Many of the Gospels have given you models and examples to follow so you could improve your spiritual lives. My teachings are all about loving Me and loving your neighbor. I even have asked you to love your enemies and persecutors as a means of striving for perfection. It is easy to love those who love you, but it takes an extra effort to love those who have harmed you or have insulted you. Be able to forgive everyone as I forgive you, and you will not be far from entering My kingdom of heaven."

Jesus said: "My people, over the last few years you have seen several underwater earthquakes off the coast of Oregon. This is of particular concern because of a possible underwater earthquake that could cause a tsunami. The earthquake in the vision was severe enough to cause damage to buildings, but the tsunami in the vision was only about ten feet high. There are many earthquakes on this Pacific Rim, and this area has been due for a good sized earthquake. This is not the big earthquake for San Francisco, but it may be a precursor for a larger earthquake. I have warned My people to avoid living close to the coastline in tsunami and earthquake prone areas. My people need to be ready for some big disasters in these end times, especially if they are severe enough to cause a martial law. I will warn My people when it is time to come to My refuges. Trust in My protection, and have your things ready to leave for My refuges."

June 29, 2012

Wednesday, June 20, 2012:Jesus said: "My people, today's Gospel (Matt. 6:5-18) spoke about praying and fasting in secret, instead of trying to impress people with your holiness. Those, who seek to please people, are praying for show, and not just to show Me their love. Their reward has already been given on earth, but those, who pray in secret, will have their reward in heaven. This is also about having humility when you pray as in the vision of the parable about the Pharisee and the publican. (Luke 18:9-14) The Pharisee in the Temple was proud of himself in fasting, praying, and giving alms, and he was putting down the publican. The publican was humble in striking his breast, and asking for My mercy as he claimed to be a sinner. I told the people that the publican went home more justified in My eyes with a sincere prayer of contrition in his heart for his sins. Those, who exalt themselves, will be humbled, but those, who humble themselves, will be exalted. It is a humble and contrite heart that will be more pleasing to Me than a proud and assuming heart. When you pray from the heart, I will see the true intention in your heart whether you are praying for your own gain, or whether you are sincere in your love for Me. You may think that you can fool others, but you cannot fool Me. Focus your lives on serving and loving Me, and you will find your reward in heaven."

Jesus said: "My people, the one world people are also preparing safe places for their VIPs in large underground cities. They are prepared to endure revolutions and any EMP attack on their sophisticated electronic equipment. Some of My refuges are in underground caves, but My people need to be careful about enough oxygen and light to see. Call on My angels to protect you, and to provide for your needs. You may need to stay near the opening of the cave for oxygen and light. In the caves you will need your windup flashlights, tents, and sleeping blankets. At My refuges I will have My angels watching over all of My faithful. Trust in Me wherever you will stay at My refuges."

June 29, 2012

Thursday, June 21, 2012: (St. Aloysius Gonzaga)Jesus said: "My people, today's Gospel is about prayer and how I gave My apostles the Lord's Prayer in the â

€˜Our Fatherâ€. There is an emphasis on praying from the heart, and not just repeating words in a fast manner. You should pray your prayers slowly so you can remember the meaning of the words. At the end of this prayer I make a comparison. As you are forgiven by Me, so you should forgive your neighbor. There are two parables that speak to this principle of forgiveness. The Parable of the Prodigal Son is how I feel in waiting for sinners to return to Me for the forgiveness of their sins. I am like the loving father who wants to lavish his affection on his son. I also want to lavish My repentant sinners with My love and graces. In another parable one servant was forgiven a large debt from his master, but then the servant caused one of his debtors to be put in prison for a much smaller debt. Later, after the master heard of this incident, he asked his servant why he did not forgive the smaller debt as he had been forgiven. Because of this refusal to forgive the smaller debt, the master had his servant placed in jail until he paid the last penny. So it will be for My people who do not forgive their neighbors. As I forgive your sins, you also should forgive others in a like manner. Those, who cannot forgive others, will have to suffer in purgatory for any lack of forgiveness in their hearts."

Prayer Group:Eileen said: "I want to say good-bye one last time to all of the prayer group members, and to all the Nocturnal adorers who came to my wake. I thank you, John and Carol, for all the beautiful years that we spent in working together for the Lord's causes. I wanted to share with you a mention of my holy groanings when some of your messages touched my heart. I thank everyone for your prayers, your flowers, and your Masses. I did my purgatory in my weeks of suffering on earth because of my strokes. So I am rejoicing with Jesus while I am praying for all of your souls and those of my family."

Jesus said: "My people, it is not easy to have to assist at the burials of your friends and relatives. It is hard to say good-bye to them, but you could see them later in heaven after your own death. Many times you grieve for their loss because these people have become an intimate part of your life. Be thankful that these souls have found peace and love with Me. Be grateful that your prayer warriors can pray for you when they are in heaven. Your tears of sorrow should be turned into tears of joy that your friends and relatives are receiving their reward with Me in heaven."

Jesus said: "My people, you may have seen such a scene when the casket is lowered into the ground and shovels of dirt are thrown on the casket. This is a

closure statement for the living, but you are only burying the outer shell of the body because the life spirit continues to live on. It is the glory of God that is praised for every gift of life that is placed into your own life. As you look around you, you are happy to share your love and feelings with those people that you are living with. Give praise and thanks to Me for every moment of life that I am granting you."

Jesus said: "My people, your children's bullying of a bus monitor has reached an unacceptable level for the cruelty of these children to this woman. They should be made to make a written letter of apology to this woman for their threatening language. The parents of these children should be ashamed of themselves for not bringing up their children with better manners. These children need to know that they have stepped beyond the line of civility in their language. Pray for these children and their parents to repent of their activities."

Jesus said: "My people, at times your jury trials do not always seem to bring about a just decision. Yet your jury system is a fair means of having justice carried out the best that you can. This right of trial by jury is one of America's basic rights in your Bill of Rights. Other countries have a much harsher form of justice as in communist countries and Muslim countries. Work to save your country from the one world people who want to take away all of your freedoms."

Jesus said: "My people, over the years many soldiers have lost their lives in the defense of your country and your freedoms. You are coming upon your celebration of your Independence Day on July 4th. Remember to thank those who fought to protect your freedoms. You are seeing now how the one world people are directing their puppets in your government to take away your freedoms one by one. Your people need to rise up and fight this stealing of your freedoms, or you will lose all of your rights. The more public opinion resists these new edicts, then you will see these evil ones back down. Pray for your country's freedom, or you could lose it."

Jesus said: "My people, you have seen some dramatic scientific discoveries made over time that have helped you in many parts of your lives. In previous years inventions were made to ease man's burdens and to give people a longer life. Now in recent years your science is being abused for the sole purpose of making money. The ethics of what they are working on is not always questioned, but when you do things that violate My laws, people should complain of their

wrongdoing. I will need to renew the earth of all of man's manipulations of nature in order to return it to My original plan. Rejoice when you will see My new heavens and new earth after My victory over Satan."

June 29, 2012

Friday, June 22, 2012: (St. John Fisher & St. Thomas More)Jesus said: "My people, in the first reading you could see how the king's children were protected from the leaders who favored the worship of Baal. Once I allowed the rightful heir to the throne, then the prophets and supporters of Baal were killed and peace reigned again in Israel. There have been many evil rulers throughout history that finally were overturned. This vision of someone being backed into a corner could represent the martyrs of today in St. John Fisher and St. Thomas More. They refused to follow the orders of the tyrant King Henry the VIII, and they were beheaded for their faith. Even in these end days My faithful will also have to endure a worse evil in the Antichrist during the coming tribulation. If you are fortunate to come to My refuges of protection, My angels will shield you from these evil ones. You may see many martyred for their faith in these times, but never give up your faith, even if you are threatened with death. Those, who die for their faith, will become instant saints in heaven. My people need to remain strong in their faith, even during the reign of evil rulers. Those, who remain faithful, will receive their reward in My Era of Peace and heaven. Trust in Me because I will soon bring My victory over all of these evil ones who will be cast into hell."

(Eileen Wilkin's Funeral Mass) Eileen said: "My people, I am crying because I did not want to leave my family, but God has other plans for Me. I am sorry that I could not communicate very well to my family and friends in my last days. I want to thank all of the doctors and nurses for my care, and my dear husband, Jack, for being with me all the days of my strokes. Thanks also go out to all of you who visited me and prayed for me. I love all of my family so much, and thank you for the kind words about me at the Mass. I will be with all of you in spirit, and I will be praying for my family and friends. I thank God for such a blessing to have a beautiful family, and you know how much I cared for all of you. I will be waiting to greet you in heaven. Keep praying your rosaries and come to Sunday Mass because I will be watching you."

June 29, 2012

Saturday, June 23, 2012:Jesus said: "My people, I am showing you how the farmers provide the crops for your food, and the miracle of how plants grow with the proper amount of sun and rain that I provide. So do not worry about what you will eat, what you will wear, or where you will stay. I give you a life long message that you have lived by for many years. (Matt. 6:33) â€˜But seek first the kingdom of God, and His justice, and all these things shall be given you besides.â€ In the first reading the Israelites killed My prophets and they worshiped other gods. So I allowed a small foreign force to defeat Israel as a punishment for turning their backs on Me and not listening to My prophets. This is a lesson for America today because you are worshiping the gods of materialism, fame, and money. You also are turning your backs on Me in your trying to take My Name out of the public because of a few atheists. Because you are not listening to My prophets of today, and your idol worship, America will also be chastised by the one world people. There will be a punishment for not coming to church, removing My Commandments, and taking prayer out of your schools. America is following the mistakes of the Israelites as in the Harbingers of 9-11-01 and your 2008 crash. Even with these signs that should draw you to repentance, you are calling further judgment upon yourselves by your pagan customs of pleasure and sexual sins."

June 29, 2012

Sunday, June 24, 2012: (Birth of St. John the Baptist)Jesus said: "My people, St. John the Baptist was My herald in the desert, and he was the last prophet before My earthly ministry started. He announced to the people that I was the â€˜Lamb of God who takes away the sins of the world.â€ The people at first did not know that I was the Messiah, but it was later revealed to them by My apostles. You are in the end times, and the reign of the Antichrist is not far off, as is My victory over him. I am sending you many prophets in this time to prepare the way for My coming. You, yourself, have been given a mission to prepare My people for this coming tribulation. You have also talked in My messages of My refuges of hope where My faithful will be protected by My angels. I thank you for answering My call. I have given similar messages to

others, as well as to those who are preparing My refuges. Trust in Me to provide and protect My faithful. There will be some who will be martyred for their faith in Me, even as St. John the Baptist was martyred."

Monday, June 25, 2012

June 29, 2012

Monday, June 25, 2012:Jesus said: "My people, today's Gospel is about not making judgments about people because I am the only One to judge them. Many people are quick to notice any defects in others, but they fail to recognize their own sinfulness. Before you start to evangelize people with My help, you need to get your own spiritual life in order. How can you instruct others if your own behavior is not following My laws? Do not be a hypocrite. You should practice what you are preaching. You are all sinners and liable for judgment, so act humbly without judging others. Once you have cleansed your own soul, then you can suggest My salvation for others. Just as I do not force My way on people, you should not try to force your will on people. Invite people to love Me and give them good example, and you will be fulfilling your mission."

Jesus said: "My people, in the early days of Christianity My faithful hid in caves and catacombs so the Romans could not find them. In the end days My faithful will also be seeking protection at My refuges. My angels will place a shield of invisibility over all of My disciples, and your enemies will not be able to detect you in any way. By this miracle you will be safe from your enemies, and I will provide food and shelter for you as well. Have faith in Me to protect you when the evil ones will want to kill you. I love you, and I ask you to have no fear of the evil ones who will soon be cast into hell at My victory. These shrines will be places of refuge, even if they are not preparing as My other refuges have prepared with stored food and water."

Tuesday, June 26, 2012

June 29, 2012

Tuesday, June 26, 2012:Jesus said: "My people, the Israelites in today's first reading were fearful of the Assyrian army as they were about to attack Israel. The king of Israel rent his garments and sat in sackcloth and ashes, and the people prayed to God for protection. Isaiah proclaimed how they would be saved

from the Assyrian king. I sent an angel to destroy his army to protect Israel. (4 Kings 19:35) â€˜And it came to pass that night, that an angel of the Lord came, and slew in the camp of the Assyrians a hundred and eighty-five thousand.â€ You are familiar with this passage as you have used it to show the power of the angels against man when they are given the order by God. These same angels will be protecting My faithful at My refuges. I know that your scholars have speculated on many Biblical passages, but this event of the destruction of the Assyrian army was truly carried out by My angel. In the same way I used plagues to cause the overthrow of the Egyptians, and I destroyed their army as well at the Red Sea. Believe in the power of prayer and My miracles because for Me all things are possible."

Jesus said: "My people, you have a physical treasure where the Crusaders built churches over most of the holy places in Israel. In Nazareth you saw the Church of the Annunciation and even a church to St. Joseph. In Ein Karem you saw a church honoring the Visitation. In Bethlehem you saw a Church of the Nativity and a small church honoring the Shepherd's Field. You saw the Wailing Wall of the Temple where I was presented and later where I was found teaching as a child. There was a church at Cana where I attended a wedding. There is a place of the Upper Room where I had the Last Supper. There is a church honoring My Agony in the Garden as well as My scourging. There is a place that housed the soldiers where I was judged. Again the Church of the Holy Sepulcher has the place of My Crucifixion and the tomb from where I resurrected. Every time that you have an opportunity to visit where I lived, the Bible comes alive for you as you realize that I truly walked the earth as a man. Give thanks for My gift of Myself in dying for your souls to be saved from sin. Give thanks also for all of My churches that house My Hosts in your tabernacles. You have the grace of being with Me at Holy Communion and at Adoration of My Blessed Sacrament. Keep your lives focused on Me in your prayers and your good works, and you will have your reward in heaven."

End June 2012

July 2012

Wednesday, June 27, 2012

July 12, 2012

Wednesday, June 27, 2012: (St. Cyril of Alexandria)Jesus said: "My people, today's first reading was an emphasis on the reading of the Jewish laws according to their traditions. This would be like reading the Ten Commandments or parts of the Catechism. As Catholics My people also need to follow the laws and traditions of My Church. My laws do not change, but at times there are some who rationalize their meaning to avoid the spirit of the law. When the Gentiles were accepted into the Church, My people did not have to adhere to all of the strict Mosaic laws. The two basic Commandments of loving Me and loving your neighbor as yourself, are the basis for My laws of love. I have also given you My sacraments of grace. When you disobey My laws, you can be forgiven by the priest who represents Me in the sacrament of Penance or Reconciliation. You are sinners, and you are in need of asking My forgiveness. I have even recommended frequent Confession of at least once a month. It is unfortunate that some of your civil laws are in conflict with My Commandments. It is better for you to follow My laws than the laws of man. It is your soul that will have to answer to Me at your final judgment, so follow My laws the best that you can."

Jesus said: "My people, you already are seeing some ongoing weather disasters with your fires in the West and your tropical storm in Florida. You are receiving unusually hot temperatures with a large high pressure system in the middle of your country. These hot, dry conditions are causing fire warnings as some fires are already burning houses and plenty of acreage. The tropical storm in Florida has caused severe flooding in low areas with high rain levels in a short space of time. These high temperatures can continue to cause more fires, and add strength to any tropical storms. Pray that people heed any evacuation notices so there will be less people in dangerous conditions. If there is little rain out West, you could see some serious drought conditions as last summer in Texas."

July 12, 2012

Thursday, June 28, 2012: (St. Irenaeus)Jesus said: "My people, the leaders of Israel continued to sin before Me in worshiping pagan gods. I sent My prophets to warn them to change their ways, and I even allowed them to lose a battle to a small force of Assyrians. Still they did not repent of their sins, and they called

out for My justice. Finally, My justice was carried out by the Assyrians as they conquered Israel. They forced the king, his family, and all the soldiers into exile in Babylon for over seventy years. This history is being repeated in America. America was founded on Godly principles, but now you are worshiping your gods of materialism, money, and fame. You are not coming so much to church on Sunday, and you are removing My Name from your public places. You again have been warned to repent of your sins by My prophets, and you have been attacked at the trade center in 2001, and you had a financial attack occur in 2008. America is about to be exiled as well by a takeover from the one world people as your punishment."

Prayer Group:Jesus said: "My people, only a few people have expensive jewelry that is usually kept under lock and key. Most jewelry is inexpensive or some gold chains. Even deceased mother's wedding rings may be in a special place. I have little treasure boxes that I keep for everyone in heaven. In your box I store the treasure of your good deeds, your prayers, and your tears of sorrow and love. It is these treasures that no one can steal, and the contents will be given to you at your judgment."

Jesus said: "My people, you have seen this split in My Church and how it is carried out in China. Even King Henry VIII caused a split in My Church in the formation of an Anglican church. The coming split in My Church will be between a schismatic church and My faithful remnant. The schismatic church will teach New Age, and they will control the physical churches. My faithful remnant will have to go underground to have home Masses. Eventually, the evil authorities will force My remnant Church to seek out My refuges for protection. Be prepared for an increase in religious persecution as you are seeing in fighting against abortion and for your religious freedoms."

Jesus said: "My people, many people are buying cell phones and many other electronic devices that contain chips that can locate the user with your GPS signature. You have seen your police authorities track and find criminals by following their cell phones. I just warn people that many of your electronic devices can be used against you. There are locating chips in your cell phones, your car ignitions, and your on-star or easy passes. You also have chips in your driver's licenses and passports. I have advised you to put aluminum foil over your microwave devices to avoid detection. Be aware of the abuses of these electronic devices, and keep them hidden from computer thieves."

Jesus said: "My people, not all of the parts of this Health Care legislation have been determined or implemented, but it does appear that it could possibly make your Health Care more expensive. Your original bill contained a mandatory chip in the body, and this may be eventually adopted with another stroke of a pen. Avoid taking any chip in the body because it will control your free will. While giving everyone health care insurance sounds generous, it still remains to be seen how it is financed and whether it will add to your National Debt. Other problems could be who gets treated first, and whether older people will have access to needed care. This issue will be debated for a long time. Trust in Me to take care of My faithful's health care at My refuges where they will be healed of their infirmities by looking on My luminous cross. My care will be much better than Obamacare."

Jesus said: "My people, people that live without electricity and with older methods of providing their necessities, are going to be well prepared for living at refuges. You have visited such restored buildings that date back into the 1800's. Let these visits be a wake up call that you can survive without all of your time saving devices. I have given you several messages of how to prepare for this rustic living at My refuges. Trust in Me that I will provide for your needs at My refuges, and My angels will protect you."

Jesus said: "My people, you have seen some problems with your orchard fruits as apples and cherries because of the hot and cold spring. The heat and lack of rain could cause more problems in harvesting your grain crops. Pray that your farmers get sufficient amounts of rain for this year's crops."

Jesus said: "My people, when you see major storms coming, many people empty the grocery shelves to stock up for any future shortages. I have warned My faithful to store at least one year's supply of food for each person in your household. Just as Joseph in Egypt stored food for a coming famine, so My people need to store for a coming world famine that will be caused by man. When food shortages cause riots, then you will have to seek out My refuges for your safety. Heed My warnings so you can share your food with your relatives and friends."

July 12, 2012

Friday, June 29, 2012: (St. Peter and St. Paul)Jesus said: "My people, in today's reading (Acts 12:6-11) St. Peter had been placed in prison with chains and many guards by King Herod. I sent My angel to free St. Peter from his chains, and at night the angel led St. Peter past the guards and out the gate that fell open. The people were praying for St. Peter's release, and this miracle of My angel enhanced their faith. This week you also had a reading (4 Kings 19:35) when I sent My angel to kill 185,000 Assyrian troops to protect Israel from an attack. These are examples of the power of My angels when I allow them to carry out My commands. At My refuges during the tribulation of the Antichrist, I will again send My angels, as in the vision, to protect My faithful from being killed by the evil ones. You have seen their power, and they are very tall. Be grateful for all of My protection."

Jesus said: "My people, I have given you messages before how the one world people have already drawn up red lists and blue lists of people to be exterminated. The red lists are for people to be picked up before martial law. The blue lists are for people to be picked up after martial law has been declared. This is why I will warn My people to leave for My refuges before the red list pickup. There will be no choices of taking chips in the body for the people on these lists. The intention is to exterminate all the enemies of the new world order. The men in black in the vision will be paid mercenaries from foreign countries. These trains will have boxcars with shackles to restrain their prisoners. There will be some who will be martyred in the gas chambers of these detention center death camps. The money for this operation will be a secret military operation that no one will know about. Martial law will be the beginning of the end of your freedoms in America. Those people, who are not on these lists will be given an option to take a chip in the body or be put to death in the death camps. These chips should not be taken because they will control your mind like a robot. This is why My faithful need to leave their homes and follow My angels to My refuges where they will be safe from these killers as I will protect My faithful. I am giving My faithful hope at My refuges. If you refuse to leave for My refuges after My warning, then you are risking martyrdom at the hands of these mercenaries. Trust in Me to help you in your battle against the evil people and evil spirits. The reign of evil will be brief, and then I will bring about My victory."

July 12, 2012

Saturday, June 30, 2012: (First Holy Martyrs in Church)Jesus said: "My people, in today's Gospel you see a great faith in a Roman centurion when he asked Me to heal his servant without coming to his house. He knew that a Jew would be defiled to enter his house, so he just asked Me to say the word, and his servant would be healed. He went on to explain how he had soldiers and slaves subject to him, and when he gave the word, they followed his orders. By explaining his authority, he also recognized My authority in healing people by faith. This is why I told the people that I had not seen such faith in all of Israel. It is this act of faith from the centurion that you repeat at every Mass right before you receive Me in Holy Communion. I desire that My disciples would have such a deep faith in Me also. By giving over your will to My Divine Will every day, your prayers are more humble and sincere. Because you have such faith in My care for you, your prayers will be answered in My way and in My time."

Jesus said: "My people, the one party that passed your Health Care Bill in the House and Senate were able to get support for it because it was a mandated penalty and not considered a tax. When that same party tried to win Supreme Court approval, they had it passed by treating it as a tax that Congress could levy. If this was proposed as a tax in the beginning, it would have failed. Since some feel this was a trick to get it by the judges, then your people will need to change those in office if enough people want it repealed. There are some good points and some questionable elements in this law. Implementing all of the features in the law may still require some compromises in its funding and how choices will be made for people to get the care they need. The identification cards with chips and any mandatory chips in the body will still have to be worked out. I have always told My people not to take any chips in the body for any reason, even if someone threatens to kill them. If the authorities try to force chips in the body, then this will be the time that you will need to come to My refuges for protection from the evil ones. Trust in Me because I will have My angels put a shield of invisibility over all of My faithful so you will not need guns for protection."

July 12, 2012

Sunday, July 1, 2012:Jesus said: "My people, today's Gospel was an unusual healing of raising a twelve year old girl from the dead. (Mark 5:21-43) Jairus had faith that I could heal his daughter, but the people did not want to trouble Me further when she died. Even though the people criticized Me when I said she was only asleep, I then put them out, and I raised the daughter to life again. The people were astounded, and they believed in Me more. There are several instances in the Bible where people were raised from the dead, even as I raised Lazarus as well. But I was the only One to rise from the dead on My own, and in a glorified Body. I showed My glorified Body to My apostles at My Transfiguration on Mt. Tabor as a preview to My Resurrection. My worthy faithful will have to wait until the last judgment in order to see their glorified bodies when they will be resurrected. My Resurrection is the hope that I give every soul if they are true to My Commandments. Rejoice in My promise of salvation that will be My reward for those who are faithful to Me."

Monday, July 2, 2012:Jesus said: "My people, I know that your lives can be complicated in your modern world, but every day you need to plan your events so that you leave some time for Me in prayer and meditation. You need time for working, sleeping, and taking care of your family, but you should offer up all that you do to Me, so all of your work becomes a prayer. If you really are intent on doing something, you make it a priority for your time. Do not try and plan so many events in a day that you could never finish them. There are necessary things to do, but having adequate time for prayer should be one of them. Helping people with good works are like prayers in showing your love for Me in others. You should also think about giving your will over to My Divine Will so you can follow My plan for your life instead of your own will. Be careful not to load up your schedule with unnecessary busy work that you do not need in your life. I am the center of your life, and you need to be ready any day to meet Me at your judgment at death. This life is about serving Me, and a test of your faith in Me. Your goal is to be with Me in heaven, so let heavenly things be your focus more than earthly things and pleasures."

Jesus said: "My people, I told you that you could see a major earthquake soon that could change the geography of your Western coastline. This split will occur

down the San Andreas fault line in California. I have shown you before how San Francisco will be thrown into the ocean, and it will be destroyed as a punishment for the sinful lifestyle of the people of this city. This will be such a major event that it could trigger other disasters to cause a national martial law. Whenever you see such a major disaster, be ready to pack up your things to leave for My refuges once I warn you that it is time to leave. Such events could be caused by a man-made device, so I have warned you to be prepared by having food stored with your refuge things ready to leave. Trust in Me to protect My faithful at My refuges so you can survive the coming tribulation. Evil will have a brief reign before I will bring My victory against all of the evil ones."

July 12, 2012

Tuesday, July 3, 2012: (St. Thomas, 47th Wedding Anniversary)Jesus said: "My people, today's feast of St. Thomas is in today's Gospel when I made sure that his faith was certain by asking him to put his finger into My hands and feet, and his hand into My side. In doing so he exclaimed: â€˜My Lord and My Godâ€ which is what you say at the Consecration of the bread and wine into My Body and Blood. This belief in My Real Presence is a testimony to your true belief in My words. This is why I said: â€˜Blessed are those who believe and have not seen Me in the flesh.â€ This day is also your 47th wedding anniversary, and you saw a flashback of when your children were very young. It is in those earlier moments which are contrasted to seeing your grandchildren, that you realize how time passes more quickly than your realize. Your time on earth is short, so you have to make the most of every day of your life. When you face Me at your judgment, you will have to make an accounting for all of your time on earth. Keep your focus on Me throughout your life, and you will be well along on your path to heaven. Congratulations to you and your family on your 47th wedding anniversary."

Jesus said: "My people, a good number of your states are still trying to determine how many new expenses they will have to pay for when all the new people sign up for this new Health insurance plan. It is hard to know if there will be a political fight over the funding of this new law. Many employers may stop funding health insurance plans and let the government pay for the insurance. There will still be problems in finding enough doctors to serve the new patients.

If the doctors are not paid appropriately for their services, they may choose not to take new patients or move out of your country. There will be more battles over religious freedoms and possible mandatory chips in the body. Depending on the outcome of the elections, this law or parts of it could be repealed. Now that the mandate is considered a tax, there could be some implications that more people will be against this law. This law was forced on the people by one party without the Congress people even reading the bill. Because of all the problems caused by this law, you could see some serious divisions between your states and your government. Pray for peace in your country, but this will be debated for some time."

July 12, 2012

Wednesday, July 4, 2012: (Independence Day)Jesus said: "My people, many of your early documents honored Me, and the reason that people came here, was to have religious freedom to worship Me in the way they wanted. Now you have a few atheists demanding that you cannot pray in your schools or they would be offended. Even your books, coins, and other public places are being forced to remove My name. Your country was founded on Godly principles as a republic, but now you are accentuating a controlling democracy where the masons and the one world people are dictating their Godless rules to you. You are having to struggle for your religious freedoms that your President's edicts and czars are trying to remove. Your true independence is being threatened, but only a few are fighting back against your current rulers. Because My Name is being stricken from your society, and many are falling away from their faith in Me, you will see a judgment fall against your country. You are being punished for denying your dependence on Me, and you are not repenting of your sins and idol worship. When your country falls to the one world people, you will truly see how you had such freedoms with My help. When you refuse My help and My blessings, you will fall like a rock because you are depending only on your own strength, which is nothing without Me."

Jesus said: "My people, smoking cigarettes is a bad habit that can become an addiction. Cigarettes are heavily taxed and this smoking can be expensive, and it can cause lung cancer. People who smoke do not realize how second hand smoke can be offensive and harmful to people around them. It is not easy to stop

smoking, just as it is difficult to break other addictions as drugs or drinking alcoholic drinks. Many of these substance abuses can affect the liver or other parts of the body as the brain. These things are all unnatural to your body, and you would be well not to start any of these addictions. Remember that most addictions have a demon associated with them, and it is sinful to purposely harm your body for such pleasures. The bigger problem is that under the influence of drugs and drinking, you do not have full control of your actions, and you could harm people in bad driving or by your behavior. There are many people that have these addictions, and they are hard to stop. A person needs to have the desire to stop, and seek help in clinics that may help that person break any bad habits. Pray for all of these people with addictions that they may desire to break their addictions in order to save their health and allow for the safety of others."

July 12, 2012

Thursday, July 5, 2012:Jesus said: "My people, you have seen people crying at funerals over the loss of their relatives. You have seen others crying over the loss of their homes in the fires and the wind storms. In the vision you are seeing a different sorrow when the people of Israel were weeping at the exile of their nation. The Israelite kings were in error when they worshiped Baal and other pagan gods instead of Me. Then when I sent them prophets to warn the nation to repent and change their sinful lives, the people of Israel did not want to hear the words of Amos and Elijah. They actually sought out My prophets to kill them. Then I brought My justice upon Israel, and they were exiled for over seventy years in Babylon. This is when the people of Israel wept over the loss of their country. Today, My prophets are again warning America to repent and change your ways, or you too will be visited by My judgment for your abortions and same sex marriages. You have seen this same message of a coming judgment being given by many people from even different faiths, but still the people of America are not changing their sinful lifestyles. Again the people do not want to hear any critical words from today's prophets either, and the lives of My prophets could be in danger. Yet if a nation does not repent, it will face the wrath of My judgment. Just as the people of Israel wept over the loss of their nation, even so, the people of America will also be crying at your loss if you do not change your ways."

Prayer Group:Jesus said: "My people, many of you have just attended your child's or your grandchild's graduation, but it will be difficult for them to find a job, even with a college education. Your country has allowed your corporations to send jobs overseas for cheaper labor, and then they bring these products back here to be sold at full price. Because of this drain of jobs, many of your American workers remain unemployed. Unless your employers can have a fair playing field in competing for jobs, you will continue to have a high unemployment rate. Pray for your employers that they will be able to employ your sons, daughters, and grandchildren."

Jesus said: "My people, if your community colleges can offer an education at a reasonable price, why are your other colleges and universities charging such an exorbitant tuition and fees? It is already difficult for a family to support their children in college, even with all the aid programs that are available. With such a high cost for a degree, it will be even harder to pay off the school loans with the jobs that are available. Pray for a means to find a cheaper tuition so most people will have an opportunity to obtain a degree."

Jesus said: "My people, you realize how important it is to have a trade or a degree in some profession so people can be prepared for the work force. It is the public funded state schools that are becoming the cheapest source for obtaining degrees, in addition to correspondence classes. If you want your people to be educated, then some public supported schools may be the best way to support these colleges. Colleges and universities could also encourage intern jobs to provide a labor force that companies can use for on the job training. If schools and companies could interact more, then they could find the trained workers that they desire without bringing in workers from other countries."

Jesus said: "My people, most of your jobs come from the private sector that does not require any government help. It is the increasing regulations, taxes, and the new Health Care costs that are making it more difficult for small businesses to provide more jobs for your economy. It also is hard to hire more workers when you are seeing such a slow recovery from your recession. Pray that government and business can work together to solve your employment problems instead of fighting against each other."

Jesus said: "My people of America, you have been used to having your freedoms for so long that you do not realize what it would be like to live in a condition of

slave labor. China has provided cheap labor, but your corporations are allowing that government to take advantage of slave labor. These people in China should be allowed to receive a wage that could afford a reasonable living. By your corporations condoning slave labor, you are forcing these people to work for low wages at the expense of American workers. Pray for a resolution of this problem that exploits slave labor."

Jesus said: "My people, you are seeing a breakdown in your society when your families are not teaching the faith to their children. With the closing of many Catholic schools, the children are not receiving the proper training that would help them to come to know and love Me. When the young children stop coming to church, then the faithful will lose its future members. Pray that your parents will be more vigilant in teaching the faith, and giving good example by their coming to Sunday Mass as well."

Camille said: "I am doing what I can to wake up my family to come to Mass and Confession. The reason that you have seen me more active, is because your time to improve and change your lives is growing short. You have little time left before major events are going to limit people's opportunity to convert their lives. You know in your messages how time is running out, so encourage your family members to act quickly while they still have time to change."

July 12, 2012

Friday, July 6, 2012: (St. Maria Goretti)Jesus said: "My people, I chose My apostles from many walks of life, and Levi was a tax collector to whom I gave the name Matthew when he decided to follow Me. When I went to his house for dinner, there were many tax collectors and sinners there. The Scribes and Pharisees asked My apostles: â€˜Why does your Master eat and drink with tax collectors and sinners?â€ In answer to them I confounded them when I said: â€˜The healthy people do not need a physician, but the sick do.â€ I came to call sinners to conversion, and not the self-righteous. In My eyes all of the people are sinners, but many do not want to admit it. It is the humble of heart that know they are not worthy of heaven by their own merits. Only those, who are purified, are worthy of entering heaven. You must strive for perfection, and you can only be purified by My help, and the Blood of My perfect sacrifice. I

offer all peoples an opportunity for salvation, but you must come to Me and repent of your sins, and ask for My forgiveness. I have given you My sacrament of Penance where you can come to Me when you go to the priest in Confession. Once you confess your sins, I can release you from the bonds of your sins, and grant you My grace to renew your soul. I invite all sinners to cleanse their souls, and come to My Eucharistic banquet at Mass to share My dinner. Unless you eat My Body and drink My Blood, you cannot have eternal life."

Jesus said: "My people, My angels are praising Me constantly at every tabernacle on earth. Even if people do not visit Me in My tabernacle, My angels are always keeping company with Me all day long. You are being graced to see My angels at My tabernacle in the vision because they are spirits who you cannot see normally. When you see these angels giving Me praise, this is another proof to you that I am truly present in every consecrated Host. My Hosts appear as bread, but you have My Body present just the same. My Blessed Sacrament is a source of grace to you in Holy Communion, and you receive graces for making holy hours in adoring Me and praising Me. I have told you many times that My faithful adorers, who visit Me regularly, are very close to Me, and they have a special place in My Sacred Heart. Many of you make special trips to come and pray before Me, and I will store your treasure in heaven for the day of your judgment. Because you are familiar with Me, and I know the sincerity of your faith in Me, you are assured of coming to heaven. Woe to those, who do not know Me, since they will not enter heaven because they did not love Me, and they did not follow My Commandments."

July 12, 2012

Saturday, July 7, 2012:Jesus said: "My people, the Gospel talked about fasting when the Pharisees questioned why My disciples did not fast. I told the Pharisees that My apostles would fast when I leave them. Many people pray to Me for their special intentions of illnesses or financial problems. The most important intention is praying for the conversion of sinners. It is the saving of souls that is most important because the souls are the real treasure of this life. In addition to your prayers, fasting is also a means of petition. Fasting and prayer together are even more powerful in having your intentions answered. In the vision there are some who are more focused on gaining riches instead of prayer and fasting for

souls. You can pray for the souls in purgatory as well as for the souls who are living. If you are preparing for the end times, there are some who are exchanging their dollars for gold and silver because of a threat to the stability of paper money. Having stored food to share and some means for barter, may help you until you are able to come to My refuges at the proper time."

July 12, 2012

Sunday, July 8, 2012:Jesus said: "My son, these readings are very appropriate for you because you have to deal with people and family in your hometown as well. The word â€˜prophetâ€&#65533; can be used to mean teacher, or it can mean your situation where you are receiving messages from Me. I have told you before that you need to stay close to Me in your daily prayers, Mass, and Communion. Coming to Me in Adoration and at Mass has enabled Me to share My messages with you. I am showing you a dark room as a confessional because being humble and coming to frequent Confession are also a part of your life. Some people may criticize you for My words in My messages because they do not believe that I am giving them to you, or they are offended with the words. It is not easy to live a holy life, so you need to work on your actions to give good example. I was rejected in My hometown, and many times My words of changing people's lives were hard to accept because it means giving up sinful pleasures. Giving messages on the end times of the Antichrist and refuges is even harder for people to accept, but it is the mission that I am calling you to do in order to prepare souls for the coming tribulation. Many things that you have warned people about, are happening now, and they cannot be denied. Stay true to your mission of telling people how to follow My Commandments of love in order to save souls. Many prophets have been criticized, and I have asked you not to make any defense, but believe in My words. Some prophets have even had to hide from being killed because the people do not want to hear My words of judgment against their country for its sins. Preaching a message of repentance is not going to be a popular message, but it is still a message which you need to keep proclaiming, even if your life is threatened. Call on your angel and My angels to protect you at your talks and in your travel. I thank you for answering My call to this ministry."

Jesus said: "My people, this year the Olympics will be held in London, England.

(July 27 to August 12) Already some terrorists have been captured with weapons. This vision of an attack once the Olympics are underway, is a plan by several terrorist cells to disrupt the Olympics and kill some people. They will try to deploy explosives wherever they can find a weak link in the heightened security. This is not the first time that such attacks have been made. Several incidents have occurred at other Olympic sites in previous years. Metal detectors and some search devices may be used to check people entering where the games are played. You have seen bombs in buses and other transportation before, so attacks could come from many directions. Security for so many people will be a major undertaking. Pray that any possible terrorists could be stopped from killing anyone."

Monday, July 9, 2012

July 12, 2012

Monday, July 9, 2012:Jesus said: "My people, if today's Gospel from Matthew (9:18-26) sounds familiar, it is because you heard a longer version of this account a week ago on Sunday from Mark (5:21-43). In this account from Matthew the little girl of twelve was already dead when the ruler asked Me to bring her back to life. This is very similar in Luke (8:40-56). When raising a girl from death and a woman being healed from her bleeding is mentioned in three Gospels, this underlines the importance of these readings. In Mark's and Luke's account the ruler of the synagogue, Jairus, was encouraged to have faith in his daughter being raised to life. (Mark 5:36) â€˜Do not be afraid, only have faith.â€ The main message is the faith of Jairus to have his daughter restored to life, and the faith of the woman who desired to be cured of her bleeding by touching My tassel. I had many miracles of healing people from their afflictions, but only a few accounts of bringing people back to life. It was My restoring life to Lazarus that was one of the reasons that the Jewish leaders wanted to kill Me and Lazarus. Too many people were converting to Christianity, and the Jewish leaders felt threatened in their positions of authority. Be attentive to other important readings as well that are found in multiple accounts of the Gospel writers."

Jesus said: "My people, beware of the darkness where the demons and the Antichrist hide their treachery. There will be a division in My Church between a schismatic church and My faithful remnant. The Masons and the one world

people will find a way to control the churches. This schismatic church will teach New Age principles and they will try to deceive even My elect. I will warn My faithful to have meetings in secret, and My angels will help My faithful to discern who is true and who is false. After My Warning, you will know My faithful by the cross visible on their foreheads. Those, who do not bear My cross on the forehead, will be the evil ones who have taken the mark of the beast after the Warning. When the lives of My faithful are in danger, I will warn them that it is time to leave for My refuges. Rejoice in the protection of My angels at My refuges. Your guardian angels will guide you to My nearest refuge where you will be protected, and I will provide for your needs. This is an exciting time to be alive when My faithful will be separated from the evil ones. Some of My people will be martyred for their faith, but they will be rewarded with instant sainthood in heaven. Trust in Me to guard your faith, but you must stay close to Me in prayer and My sacraments. Your sacramentals and My angels will be your shield, and not any physical weapons."

Tuesday, July 10, 2012

July 12, 2012

Tuesday, July 10, 2012:Jesus said: "My people, I healed many people of various diseases and afflictions, and this was amazing to the people of Israel. When I showed My power over the demons, the people had more trouble in understanding My power as the Son of God. They even accused Me of being the prince of demons, but I told them that Satan's kingdom would fall if it was so divided. Some of the people could not understand how a man could have power over the evil spirits. They did not realize that I was God, the Second Person of the Blessed Trinity. All things, people, and spirits are under My power and authority. The evil spirits know who I am, and they sometimes even admitted this in words that people could hear, but I rebuked them. Healing people, raising people from the dead, multiplying food, calming the storms, and even resurrecting from the dead are all signs of My power as God. Many came to believe in Me because of the miracles that I performed. My main mission was to bring salvation to all souls by My eventual sacrifice on the cross. I taught My apostles in My sermons and parables of how to live a life worthy of heaven in obeying My Commandments. I sent My apostles out to preach the Good News of My Resurrection and salvation by My sacrifice. I even mentioned in today's Gospel to pray to the harvest master in Me to send out more laborers to harvest

the souls for heaven. My people of today also need to pray for vocations to the priesthood. I call many souls to the religious life, and you need to nurture and encourage these men, instead of rejecting their call by having them seek other earthly professions. My priests and lay ministers are helping to direct souls to conversion, so encourage these people to bring souls to Me."

Jesus said: "My people, there are many people both in your country and abroad that depend on your corn crop and other grains. The hot temperatures are drying out your crops, and with a lower rainfall many crops are going to be lost without irrigation to provide water. If the output of crops is low, then there will be rationing to all the customers. If you start to see a famine or food shortage, this will fit the world famine that I have tried to prepare you for. Those, who have food, should share it with their relatives and friends. The problem will come when some people cannot get their own food, and they will try and steal it from others or from their fields. This is where violence with guns will make it dangerous for the lives of My faithful. If you are not threatened, then I will multiply your food while you are at your homes. If people start killing for food, then it will be time to come to My refuges for protection. Have no fear because there will always be enough to eat for all of My faithful who come to My refuges. Again, food will be multiplied at My refuges so you will not go hungry, even with a world famine. As your crops are endangered, you will appreciate the value of your farmers more, and the sun and rain that I provide to grow your crops. Pray for your farmers, and pray that the people will find enough food to survive."

August 1, 2012

Wednesday, July 11, 2012: (St. Benedict)Jesus said: "My people, St. Benedict reformed monastic life in the monasteries, and made prayer a more integral part of their lifestyle. My faithful may not lead a structured life as in a monastery, but their prayer life is still needed in their daily lives. When you are praying, it is your way of speaking to Me and loving Me for who I am. I know you all have

unusual events come up that can use your time, but do the best that you can to work your prayers into your plans. Remember to make up any missed prayers on the next day. If you keep missing your prayers, then you are doing too many busy activities without Me at the center of your life. You are stewards of your time in your daily activities, so you need to plan better to work your prayer time into your daily schedule. This light coming in when you opened the door in the vision, represents the graces and joys that I share with you when you open your hearts to Me. I love you all dearly, and you can make some time for Me, even if you do not live in a monastery."

Jesus said: "My people, it is one of the one world people's plans to start another war in either Iran or Syria. Russia has been arming both countries with their latest military weapons. Any war in this area could draw other countries into a larger conflict. The timing of this war around the election time could give your President an excuse to postpone the elections. Such a postponement could also come about through a planned crash of the dollar. You have seen an increase in Executive Orders by your President so he could declare an emergency for a martial law takeover. Once martial law is declared, your government will cease to exist, and you will be under a dictatorship of the one world people. Should such an emergency come about, I will warn My faithful beforehand to seek out protection at My refuges. I have been warning you about this possibility for some time because it could happen any day. You will see My Warning of the illumination of conscience before these major events take place. Have some food ready, and be ready to leave for My refuges. Have no fear because My angels will protect you at My refuges."

Thursday, July 12, 2012

August 1, 2012

Thursday, July 12, 2012:Jesus said: "My son, I sent out My apostles to spread My Good News of salvation. I told them not to worry about taking money or bags because good people would provide for their needs. They were to stay at a good person's house and bless it with their peace. If that town refused to accept them, then they were to shake the dust from that town from their feet in testimony against them. I am sending out many of My prophets and lay people to spread My Good News of conversion, but also to warn people how to prepare for the coming tribulation. One of the points mentioned in the reading was about not

accepting money other than for travel, eating, and accommodations. I have given this to you many times that My Word is given freely, and you should not ask for stipends since I take care of your needs. In the same way you do not make money on the books and DVDs. I do not want you to be tempted by taking money, since your expenses are taken care of by others. You have been given messages about preaching for conversions and saving souls, but also to warn people to have some food set aside for the coming famine and possible chaos in finding food. Many serious events are coming soon, and My faithful need to have some things ready to leave for My refuges of protection. The evil ones will soon threaten you with chips in the body and martial law, and this is when I will direct people to leave for My refuges. This is not a message of fear, but it is a message of hope that I will take care of My faithful."

Prayer Group:Jesus said: "My people, those people, who live close to the Great Lakes, do not realize how fortunate they are to be living near such a large source of fresh water. Hopefully, your people will keep it free of pollution. There are many farmers who could use such fresh water for their crops that are dying for lack of rain. Water is essential for all life, and you are seeing its necessity in the latest drought conditions in parts of your country. Pray that your people will find sufficient water for their needs."

Jesus said: "My people, your extremely warm weather has created very dry brush and fires are continuing because of less rainfall. It is hard to find and afford enough fire fighting equipment to contain these fires. Many homes and some deaths have been lost to these fires. Pray for these families for the loss of their homes and any loved ones lost."

Jesus said: "My people, your Presidential campaigns should be focused more on the issues of jobs and improving your economy instead of on personal attacks on the candidates. When people make up stories about candidates that are not true, your campaigns have gone over the edge with their lies and insinuations. Millions of dollars are being spent on these ads, and this money could be better spent on helping poor people."

Jesus said: "My people, in your Supreme Court decision on your health care mandate you have seen the real truth come out about all the new taxes that are being exposed with your latest law. If all of the new taxes were known by the public, this law would never have been passed. Now you are seeing several

states wanting to opt out of this new law because of the new funding liabilities in paying for millions of new people's health insurance. This huge increase in taxes will be well known before your election, so the people can decide if your country can afford it."

Jesus said: "My people, you have recently seen missile firings by Iran to show off their new weapons to discourage attacks against their nation. Even America is displaying aircraft carriers and minesweepers to discourage Iran from attacking its bases or shipping in the straits of Hormuz. With such close proximity of these forces together, it is very dangerous for these nations to threaten any warfare. Pray that peace will prevail in the Middle East where oil supplies would be held hostage if a war broke out in this area."

Jesus said: "My people, before a war starts, you are seeing the media speaking about the dangers of Iran's weapons and the work they are doing on their nuclear bomb capability. Many sanctions and attempts to stop the nuclear bomb work have been unsuccessful. This is why Israel may consider a strike because their nation is at stake. Any strikes on Iran by Israel could possibly draw America into a new war. Troops and armaments are being positioned for the possibility of such a war with Iran. The one world people also want such a war, so it would not take much to set off a serious war among these nations. Again pray for peace that these war plans could be thwarted."

Jesus said: "My people, it is frustrating for people in how to stop these ongoing wars and all the problems in America that could lead up to martial law being declared. You can call on Me in your novenas of prayer to hold back these serious events that could cause many to be killed or starved by wars and famines. You haveseen the power of prayer demonstrated in many other historical events. Now more than ever you need to call on Me for your protection and safety from the plans of the evil one world people. Without America repenting of its sins, how can I hold back the judgment against you? When the leaders of Israel and Nineveh repented in sackcloth and ashes, I held back My judgment against them. So America can pray and repent to mitigate any judgment against it."

Friday, July 13, 2012: (St. Henry & St. Cunegundes-wife)Jesus said: "My people, in the Gospel reading I am encouraging My apostles in what they will face when they go out to preach My Good News. I told them how they would be persecuted for My Name's sake, and how they would be brought before the authorities to stand trial. The Holy Spirit would give them what to speak, even as He helps you in your talks and writing My messages. In this reading I tell those, who are living in these end times, that they will flee from their own homes to various towns of protection. You will not travel to all the towns of Israel before the Son of Man will come. I have given you many messages that people will have to leave their homes and they will travel to various interim refuges on their way to My final refuge. At these refuges your guardian angels and the angels at My refuges will shield you from the evil ones by making you invisible. The reign of the evil ones will be brief before I will come in victory over them, and they will be cast into hell. Rejoice because you know that I will take care of you in this time of tribulation, and you know that I will be the victor in the end. Pray for souls to be saved so they are not misled by the Antichrist and his companions."

Jesus said: "My people, when you gather the leaves, it is like gathering the lost sheep for conversions. In this modern age it is hard to find people with a sincere faith in Me. Many people are so taken up with their earthly schedules that I am excluded from their lives. I am sending out many missionaries and prophets, but the people do not want to listen to their words. People are rejecting My way of life because it would mean that they would have to stop their sinful pleasures. In some people's eyes they would favor earthly pleasures over preparing to come to heaven. I have shown you the beauty of heaven and the ugly life in hell and purgatory. I want My people to desire perfection so you can come closer to heaven. Focus your will on pleasing Me and obeying Me over following your own ways. By seeking to serve Me more than man, you will be on the right path to heaven."

Sunday, July 15, 2012:Jesus said: "My people, at your church you had the joy of listening to a Viet Nam monk, and a chance to help their order in rebuilding their monastery that was destroyed by a typhoon. In today's Gospel you are again

reading about how I sent My apostles out, and how I gave them authority over the demons and protection from poisons. Just as I called My apostles to be missionaries of My Gospel, so I call on My faithful to share their faith with those who are around them. The most precious gift that I give to everyone is your immortal soul that lives on past the grave. This is why your most important work is to reach out to save souls. I have died for all souls so salvation is available to everyone. But each soul should repent of its sins and seek My forgiveness in Confession in order to be saved. Make Me the center of your life by giving your free will over to My Divine Will. It is a joy when you can convert even one sinner to the faith. Just as heaven rejoices over one sinner who repents, I am also grateful to those who enable these conversions. Call on My graces and the power of the Holy Spirit to save souls."

Monday, July 16, 2012: (Our Lady of Mt. Carmel)Jesus said: "My people, I ask My faithful people to spend one hour with Me on Sunday morning or Saturday night to worship Me and give Me the glory as the God of your life. To all of those people who have soccer games and baseball games on Saturday evening or Sunday morning, I ask them who is your God? Is it I or your sports games? If you cannot take time to honor Me on Sunday as in the Third Commandment, then how will I know you at your judgment? You do not want to hear the words that I do not know you because those souls are risking the fires of hell. You can only be saved then by a miracle or your family and friends praying for you. My prayer warriors need to pray for those people who make earthly things and earthly events as their god. There is nothing more important than loving Me and loving your neighbor. The First Commandment says that you should not have any other gods before Me. Sports, money, fame, and earthly pleasures are today's idols and gods that are placed before Me as more people are losing their faith in these end days. My people should be focused on Me and your preparations of food and your things to take to My refuges. I have warned you of some coming events this year that could shake your whole world. Be prepared for some serious persecution, and stop letting worldly things distract you from your love of Me."

Jesus said: "My people, I have talked to you before about a coming famine.

Now, right before your eyes you have seen your cherries and apples ruined, and recently your corn is dying in the fields for lack of rain. I have also mentioned before how the HAARP machine can be used to control your weather by controlling the jet streams that bring rain. In March of this year you saw some unusually warm weather which brought out the buds on your orchard crops. Then it turned cold again and the buds were frozen and killed. By causing this warm and cold cycle the HAARP machine could ruin your cherries and apples in Michigan and New York. Now in the summer time you are seeing the jet streams staying in the North with a huge hot high pressure system sitting over the middle of your country without any rain. When such a pressure system remains in one area for a long time, this is a sign of the HAARP machine being used. I also told you that the one world people are running out of time, so they are creating these weather problems that could affect your crops and create chaos with food shortages. I have been telling you for over a year to store a year's supply of food because of the coming famine. You can share your food with friends and relatives, and if necessary I will multiply what you need. Once people start killing for food, then you will need to go to My refuges where My angels will make you invisible. I will provide food, water, shelter, and daily Communion at My refuges. There you will always have something to eat without fear of the evil ones trying to kill you. Trust in My messages of hope, and prepare your food and your backpacks to leave for My refuges."

Tuesday, July 17, 2012:Jesus said: "My people, in the Gospel you saw Me criticize the towns around Me for their lack of faith. There is a Scripture passage when I spoke to My apostles of the weak faith of the people while I was still with them. I said if they are this weak in the time of green pastures with My presence, what are these people going to do in the time of the â€˜dryâ€&#65533;? I was speaking of the end times when My Name is forbidden to be expressed in public. (Luke 23:29-31) â€˜For behold days are coming in which men will say, â€˜Blessed are the barren, and the wombs that never bore, and breasts that never nursed.â€&#65533; Then they will begin to say to the mountains, â €˜Fall upon usâ€&#65533;, and to the hills, â€˜Cover us!â€&#65533; For if in the case of green wood they do these things, what is to happen in the case of the dry?â€&#65533; With the current drought with very little rain, your grass has turned

brown and your crops in the fields are withering. You are seeing the lack of faith in the spirit mirrored in nature as a lack of water. It is My grace in My sacraments that refreshes your souls and makes them vibrant. It is My Body and Blood that you eat and drink worthily that can restore your faith and belief in My Real Presence. If you have strong faith in your heart, you will be able to endure any persecution or drought in your spiritual life. Stay close to Me in My love, and you will be joyful without worries or depression from life's trials. You know how to water your lawn to keep it green, so you know how to water your soul with My grace which is the lifeblood of the soul."

Jesus said: "My people, every day your privacy freedoms are being invaded with more cameras and listening devices. There are people monitoring your phones, cell phones, e-mails, and any other forms of communication. The latest Executive Order gives your President control over all of your communications, even the internet. These new edicts by your President will allow him to declare martial law at any time. Some people on the West Coast are seeing radioactive Cesium 137 (half-life of 30 years) in the air and water coming from the crippled Japanese nuclear reactors. Chemtrails could be used to spread such radiation poisoning without the people knowing the danger unless they had a Geiger counter to measure the radiation. Some people have obtained such devices in the West to monitor any unusually high levels of radiation. Chemtrails can spread virus diseases, but radiation and heavy aluminum oxide levels are the new threats to people. If chemtrails are thick and numerous, it may be better to stay inside to avoid any contamination. It will not be long before you may have to come to My refuges so you can be healed of any radiation or viruses by looking on My luminous cross. Call on My protection, and I will have My angels lead you to My refuges."

Wednesday, July 18, 2012:Jesus said: "My people, in the Gospel I have asked My people to be childlike in order to come to heaven. It is not by your own merits that you can come to heaven, but through My death and Resurrection you are saved. Each soul needs to be humble and ask My forgiveness of his or her sins. It is not easy to acknowledge that you are a sinner, but you need to swallow your pride and come to Me in Confession at least once a month. If you truly are

going to serve Me, then I need to be the center of your life, which means that you need to conform your will over to My Divine Will. When you follow Me in this way, you can trust in Me that I will watch over you and guide you on your way to heaven. It is only by focusing on My ways that you will be able to fulfill the mission that I have planned for you. Give praise and glory to Me for all that I do for you in this life."

Jesus said: "My people, you remember when James and John wanted to sit one on My right side and the other on My left side in heaven. (Matt. 21:20-23) I asked them if they could drink the same cup of suffering that I was about to endure. This cup of suffering is what you are seeing in the vision. The darkness in the cup represents the hour of darkness when I would allow the devil to use men to put Me to death. Many followers of Mine have died for their faith as martyrs. A time of persecution is coming soon with an evil that you have yet to see when the Antichrist declares himself in power over the whole world. Soon My faithful will have to drink their cups of suffering as you have to live through this brief reign of evil. Some of My people will be martyred for their faith, but others will be protected at My refuges. Pray that the Holy Spirit will give you what to say when you are tested. Have faith in Me, even if the evil ones threaten to kill you. All martyrs, who die because of their faith in Me, will become instant saints in heaven. Refuse to worship the Antichrist and refuse any chips in the body. You will all be warned when your life is in danger, and when it is time to leave for My refuges. Those, who do not leave in time, are risking martyrdom in the death camps."

Jesus said: "My people, in some areas you are seeing the decay of My churches. Some parishes have only older people, and as they grow old and their hair turns white, eventually they are dying off. You need young people in a church to keep it vibrant, otherwise it will decay to nothing. There are other forces that will cause a division in My Church when you see New Age teachings start a schismatic church that will force My faithful remnant into home Masses. After this, you will have your religious freedom taken away by your authorities, and it will be unlawful to have a public Mass or church service. My Church will go underground until your lives will be threatened, and you will need to come to My refuges so My angels can make you invisible. At each refuge you will have daily Communion by My angels, and you will have perpetual Adoration to protect you and provide My graces for your souls. Do not fear the end times or

the evil ones because I will be at your side protecting you from those who are trying to kill you."

Thursday, July 19, 2012: (Rosemarie Strollo Funeral Mass)Jesus said: "My people, it is difficult to lose a mother, and I console the family in this loss. Her spirit lives on, as she loves all of you and she will be praying for you. She was thankful for all of her family and friends who could attend this funeral Mass. Pray for her with some Masses, and she will soon join her husband and relatives in heaven. Love is the joy of life, and she shared all that she could with her loving family."

Prayer Group:Jesus said: "My people, in order for a ship to reach its proper destination, you need to steer the rudder according to a set compass reading. This steering wheel circling around in the vision represents how America's heading and direction are out of control both physically and spiritually. A country should be controlling its spending according to a balanced budget. When your budget and spending are out of control, then your deficits will consume most of your budget. Your moral heading is also out of control when your laws allowing abortion, euthanasia, and same sex marriage are violating My Commandments. Once a country does not follow My laws, and does not even see Me as the center of your lives, then that country is calling on My justice for punishment. Pray for your country and its leaders so you can put your country back on the right course."

Jesus said: "My people, in your latest financial collapse in 2008 the taxpayers of America bailed out many large banks and some car manufacturers. Your unemployment levels are still high, but the real truth is coming out about why your jobs are no longer here. Many of your corporations are sending jobs out to places of slave labor in communist China. Even one of your car manufacturers, that was bailed out with taxpayer money, has 70% of its employees in China. Unless the people change the financial incentives of these businesses, more and more jobs will disappear. Pray for your children's future jobs by stopping this theft of your jobs."

Jesus said: "My people, much of your country's wealth has come from its innovation in patents and research. Even in your military, your weaponsâ€ technology has kept you in power. Since much of your manufacturing is sent to communist China, you are enabling them to use your technology against you when they make their own weapons. Communist China's slave labor and its trade are making it the most powerful nation that will pass up America. These slave labor leaders are taking advantage of their own people, and they are gaining control of the world because of the greed of your corporate leaders. Even if the one world people gain control of the whole world, it will be brief before I bring My victory over all of these evil ones when they will be cast into hell."

Jesus said: "My people, you are seeing more of an open rebellion against the current regime in Syria that has been killing its own people. Even various Western governments want to give aid to the rebels. Behind the scenes this is another way that the Moslem Brotherhood is trying to influence another take over of an Arab country. These regime changes are helping the one world people in reaching their goal of world control."

Jesus said: "My people, all of your central bank's easing or printing of Treasury bonds is continuing to increase your National Debt without any improvement in your economy. Their intent is to eventually bankrupt your country's finances through a heavy burden of manufactured debt by wars and overspending. This plan could precipitate a martial law which would crash the dollar and bring about a new currency of the amero when you are brought into the North American Union. Once such a regime change is underway, My faithful will need to come to My refuges of protection."

Jesus said: "My people, you are seeing evil taking power that seems impossible to fight in your eyes. I am showing you My angel power to give you more hope and trust that I am always in control of things. My angels at My refuges have the same power that destroyed the Assyrian army. They are tall and they will destroy any evil ones who come near My refuges, so have no fear. There will be a Battle of Armageddon in Israel, and you will see the ultimate battle of faithful people and My angels defeat the demons and all the evil leaders. Trust in Me because My angel power and My power are greater than all the demons and evil ones combined."

Fr. Klem said: "I have lived a long life in God's service and I see my reward

coming soon. Now, I know how St. Paul felt when he reached the end of his ministry. Pray for me and I will be praying for you. I was thankful that I could help direct your ministry in its early beginnings. I see now how God is using you to prepare the people for this coming trial of tribulation. Keep close to Jesus in your prayers and the use of His sacraments so Our Lord can use you as he used me in accomplishing our missions. I love all of you, and I thank you for remembering me."

Friday, July 20, 2012: (St. Appolinaris)Jesus said: "My people, the Mosaic law about not doing any work on the Sabbath could be superceded when you may have to do some work in order to eat for survival. Even today this is abused by some places that force people to work at their job on Sunday. Honoring My day of worship on Sunday should at least take priority to come to church unless someone is truly sick. It is the spirit of the law that should be upheld, even if there are some exceptions. You used to have â€˜blue lawsâ€&#65533; that did not permit people to normally work on Sunday. Now, your society thinks nothing of working on Sunday, as this is just another sign of how America has stopped thinking about Me in My laws. Another part of this Gospel is how you are quick to criticize other people's faults without thinking of improving your own faults. Do not make judgments on others because judgments should be left up to Me. Do not be hypocrites by committing the same sins that you are preaching against. Encouraging your children to attend Sunday Mass is good as long as you are trying to help their soul as your intention. I read the intentions of your actions in your heart, so live a Christian life as a good example to others."

Saturday, July 21, 2012: (St. Lawrence of Brindisi)Jesus said: "My people, the people of Israel were given the Ten Commandments by Moses which told them not to worship idols or other gods. Yet, they followed other gods as Baal, and for this they were punished in the Babylonian Exile. They were promised a Redeemer for their sins, but they did not want to recognize Me as the Messiah. Instead, I became the suffering servant of Isaiah, and I died to set men free. Now

that I have been offered as an unblemished lamb, you have been freed from the bonds of your sins. Now even the Gentiles and the Jews have the opportunity to be saved. You must come to Me as a repentant sinner in asking Me for the forgiveness of your sins. You also need to allow Me to be the Master of your life in following My Commandments. When you love Me and worship Me, I will put you on the path to heaven. Abide by My ways and imitate My life, and you will be saved."

Our Lady said: "My dear children, I am happy that all of you were able to attend this Chaplet of Divine Mercy, my rosary, and the Mass where I bring you to my Son, Jesus. As you can see, my Son and I are blessing all of you, and the angels are protecting this Shrine. As I told you at your local Fatima Shrine, all of my shrines and places of holy ground will be my Son's refuges that are guarded by angels. You know that I am a spiritual refuge of sinners, but at the coming tribulation in my places of apparition and my shrines, I will also provide physical refuges protected by my Son's angels. Pray and trust in my Son, Jesus, that we will be watching over our children, and we will be protecting you from the Antichrist, the demons, and the evil people."

Jesus said: "My people, this vision represents an expression of yours where â€˜the rubber meets the road.â€ This situation occurs when people have to go to work in order to pay the bills and put food on the table. Some people have it harder than others when they may have heavy manual labor jobs or jobs that cause a lot of stress with people or the job itself. Some people are locked into low paying jobs, and they are called the working poor. With so many manufacturing jobs being sent overseas, people are fortunate to even have a job. Despite all the troubles of the workplace, it still is important how you react as a loving person in your own situation. It is better to have an uplifting attitude of loving people and helping each other, rather than live with a negative attitude in despair about the hard things of life. It is even better to invite Me into your life every day to help you with My grace in all that you do. At times you start projects, and you fail on your own. Learn to ask My help before you start projects, and it will go better for you with My help. You need to have faith in Me, and trust that I will guide you in helping your family. I know your needs before you ask Me, so come to Me because you are dependent on Me for everything."

August 1, 2012

Sunday, July 22, 2012:Jesus said: "My people, in today's Gospel I asked My apostles to set out for a deserted place so we could take a rest. This is a good suggestion both for your physical and spiritual life. You spend time away from work on vacation when you can, but you can also spend time at retreats to help your spiritual life. When you are at retreats, you have time for Confession, and some spiritual reflections in some talks. It gives you a rest from the noise of worldly concerns, and time to think of how you can improve your spiritual life. Even your daily prayer time gives you a little respite so you can talk to your Lord about your love for Me. Just as I retreated into the mountains to pray, My people need to recharge their spiritual batteries so you can go out to convert souls to the faith. Be good examples of Christian living so people can see by your actions that you practice what you preach. Saving souls is your most precious ministry, and My missionaries will receive a heavenly reward."

Monday, July 23, 2012:Kateri said: "My son, I am happy that you are here to honor my tomb. You have been here before and in Fonda, N.Y. to honor me. I would gladly honor any of your requests to be a patron of protection for your refuges. You have asked me before to watch over your daughter, Catherine, because she has my namesake. You gave her my statue when she was younger. Now, you are requesting that I help her to see the importance of coming to Sunday Mass and coming to my Jesus in Confession. Tell her that you and I are praying for her soul, and she needs to be a good example for her daughter, Jocelyn. Make sure my statue is blessed and ask her to place it in a special place in her house where it can be seen. The Church is about to honor me with official sainthood for the miracles of my intercession. I have prayed to Jesus for many requests of the people who have prayed to me as an intercessor. Have faith in my Jesus that your prayer requests have been given to heaven."

Jesus said: "My people, the conjugal act of marriage is protected by this sign of the â€˜marriage bedâ€. All other unions of fornication, adultery, or homosexual unions are forbidden by the Sixth Commandment. The use of birth

control devices, artificial insemination, vasectomies, tubal ligations, and masturbation are also mortal sins, and need to be confessed before you can worthily receive Me in Holy Communion. Avoid pornography, immoral thoughts of sexual sins, or any other improper touching of the opposite sex. There are many sexual sins that can cause souls to be lost in hell. Do not let sensual pleasures lead you into serious sin. Pray to treat each othersâ€ bodies with respect, and spouses need to be faithful to each other as long as they are married. Spouses can be a means of leading each other to follow Me to heaven. Love is a beautiful way of uniting a man and a woman, and in marriage I am the third partner uniting them."

August 1, 2012

Tuesday, July 24, 2012: (St. Sharbel)Jesus said: "My people, I love all of you dearly, and I used this moment of greeting My Blessed Mother and My apostles as a teaching moment. I did not ignore them, but I wanted the people to realize that those, who followed Me, were welcomed also as My brothers and sisters. I seek to have a personal relationship with all of My faithful. When you speak to Me in informal prayer or in formal prayer, you are uniting our two hearts in love. If you truly love Me, you should show it in your actions so you can be a good Christian example to others. Guard your eyes and your actions so that you do not allow the evil one to tempt you into sin. Again, if you love Me, you would not do anything to offend Me in sin. It is by striving for purity and perfection that you can train yourself with My grace to be a worthy disciple. In order to come to heaven, you must cleanse yourself of all human desires and pleasures so you can be totally focused on loving Me and loving your neighbor as yourself. This is how you will be tested at your judgment, so be prepared with the help of My sacraments."

Jesus said: "My people, I have talked to you before about the old tradition of the priest carrying My Blessed Sacrament outside in a procession. Here at this Shrine, the clergy have kept up this tradition because the Real Presence of My Host is worthy of being displayed to the whole world. There are fewer people believing in My Real Presence because most of My priest sons are afraid to teach this truth in the pulpit. Even some of My priests have a hard time believing in My Real Presence, and this is why I have allowed Eucharistic miracles to try

and convince My priests that I am truly present in My Host. These miracles usually involve spots of My Blood that come out on My consecrated Hosts. These miracles also have helped many faithful people to believe in My Real Presence. Rejoice in this gift of Myself that I have left with you until the end of this age."

August 1, 2012

Wednesday, July 25, 2012: (St. James)Jesus said: "My people, I pray that every soul desires to be with Me in heaven, so each soul can be overwhelmed with My love and peace. It is enough for each sinner to repent of his or her sins, and I will put you in the place that I have prepared for you in heaven. I do ask each of My faithful souls to strive for the higher levels of heaven because this requires a deeper love, and a personal commitment to save souls. Do not have any spiritual pride that you are better than anyone else, because you are all equal in My eyes. Each of you have been given different talents to achieve the mission that I have planned for you. In order to fulfill your mission, you need to give your free will over to Me so you can live in My Divine Will. Just as I came to serve and not to be served, so I call on My disciples to serve people in evangelizing souls. You remember your earlier training that you are placed on this earth to know, love, and serve Me with your whole heart, your whole soul, and your whole mind. Live this life in My love, and you will allow Me to lead you to your place in heaven."

Jesus said: "My people, many times I have prayed over people not only to heal their physical problems, but I also desired to heal the people's souls as well. You have noticed in many of My healings that it was faith in My healing gifts that healed the people. In My own hometown I could not heal more than two people because of their lack of faith in My healing gifts. So when you are asked to pray over someone, try to gather a sense if they believe in God. If someone has any addictions, pray to bind any evil spirits of these addictions to the foot of My cross in My Name, Jesus. Pray the St. Michael prayer for that person as an exorcism prayer. Once their faith is open to Me, then My grace and that of the Holy Spirit can work to heal their physical ailments. When people witness any healing through your prayers and My grace, be sure to give thanks to My intercession and healing. All healing comes from Me and the Holy Spirit, so be

sure to give Us the credit without claiming that you did the healing by yourself. I have told you that you will be seeing more healings through My prophets and messengers as you enter the end times. Again, be grateful for every miracle that you see, because these are gifts from God. Also, when you pray over people, be sure to pray for their souls and their bodies as well."

St. Anne said: "My dear children, I am the grandmother of Jesus, and the Blessed Virgin Mary is my daughter. You are grandparents yourselves, and you know what a joy it is to have grandchildren. I brought Mary up with our Jewish traditions, and these were the same teachings that Mary taught Jesus. My husband, St. Joachim, and I knew of the teachings of the coming Messiah. But we did not realize that I would bear the Mother of God. Mary was sinless, and she had no original sin in her Immaculate Conception. As you can see by the many crutches in the main church, I have been an intercessor of prayer and an intercessor of healing miracles. Just as you pray to the Blessed Mother for prayer petitions, so you can call on me also to intercede for your requests that are given to Jesus. I love all of you so much, and I am happy that your group could come to my Shrine to celebrate my novena and my feast day."

August 1, 2012

Thursday, July 26, 2012: (St. Anne & St. Joachim)Jesus said: "My people, today you celebrate the feast day of My grandparents. You have seen in the Scriptures about the birth of My Blessed Mother and My own birth. The vision is when I read the Scripture of Isaiah in Nazareth that spoke of the coming of the Messiah. After I read the Scripture and I sat down, I told them that on that day this Scripture has been fulfilled in their hearing. Later, I emphasized that I came from My Father and the people wanted to kill Me because they thought I was blaspheming. In the Gospel of today I told the people about My parables of the coming of My Kingdom. Then I said: â€˜Many prophets and religious people longed to hear what you are hearing, but did not hear it, and to see My miracles, but they did not see it.â€ My people of today have read My words of the Gospels, and you have read about My miracles, but you have faith without seeing Me in the flesh. I told My apostles after My Resurrection that they believed because they could see and touch My glorified Body, but blessed are those who did not see Me, and still they believe in Me. I love you, My children,

and I ask you to follow Me through life, and you will have your reward in heaven for your belief in Me."

August 1, 2012

Friday, July 27, 2012:Jesus said: "My people, you have just read the Parable of the Sower who was sowing the Word of God and the coming of the Kingdom to various souls. The first souls mentioned are the atheists, who hear the Word of God, but they reject Me for other gods. This is the seed that fell on the pathway. The second souls are the lukewarm, and they are represented in the seed that falls on the rocks, but the Word fails in those souls because they have no roots and the seed withers and dies. The third souls are those, who accept My Word for a time, but as they grow up, the desires and concerns of the world choke off their faith. This is the seed that falls upon thorns and weeds. The fourth souls are the seed that falls upon rich soil and they yield fruit a hundred, sixty, and thirty fold. My faithful have been given a gift of faith, but just like a plant, they need to nourish their faith with the grace of My sacraments. You need the sun to grow plants, and you need My Light when you come to adore Me in My Blessed Sacrament at Adoration. Once you have grown in your faith, now you need to share your faith with others by evangelizing people to the faith. The power of the Holy Spirit will give you what to say, and by saving souls, this will be the fruit that you can bear. Rejoice in the joy of My love, and rejoice in bringing new souls to the faith so they can enjoy My love and peace as well."

Jesus said: "My people, you have looked back through history to see how different civilizations dealt with various forms of money. The best sources of money came from non-debt money. At times you have seen Colonial script, greenbacks, and gold and silver coins. These currencies had one thing in common in that they did not require interest to be paid in order to produce the money. When your Congress prints money or coins money, then you do not owe interest to anyone. Your country prospered the most without involving the Federal Reserve Notes. Once you allowed the Federal Reserve, or the central bankers, to control the money, now you are under their control. It is the one world people's wars and your entitlement overspending that has expanded your

National Debt to $16 trillion with $60 trillion or more in promises to provide for Social Security, Medicare, and Medicaid. It is just a matter of time before your dollar will be crashed in preparation for the â€˜ameroâ€ which is the currency of the North American Union. These central bankers want to control the amount of money so they can create recessions, depressions, and recoveries. Their next objective is to crash the dollar so they can use America's bankruptcy to declare martial law. This would make your President a dictator under his Executive Orders. Once the euro and the dollar crash, you will need to come to My refuges of protection because there will be chaos over no money and killing for food. Have some bartering coins of silver and gold, extra food, some cash, camping equipment, and extra fuel ready for when the banks will close. You may need these things before you come to My refuges. Once you are led to My refuges, My angels will protect you and provide for your needs. Have faith and trust in Me to lead you to safe places away from the evil ones."

August 1, 2012

Saturday, July 28, 2012:Jesus said: "My people, everything in your life should be directed toward your final destination in heaven. This life is a test of your faith in Me, and it is very short. Do not get comfortable with this life because it passes you by in a relatively short time. If your desire is to be with Me in heaven, then you need to repent of your sins and pray to Me every day. It is not easy to live a Christian life because you need to give your life over to Me in following My plan. Because the Israelites worshiped Baal and other gods, they were punished by being exiled. America is also worshiping other gods of sports, money, fame, and pleasures. Because you are turning your back on Me, America also will be suffering a coming punishment at the hands of the one world people. I have told you of some possible major disasters, and a possible martial law coming soon. Before these events take place, I will send you My Warning to prepare the people spiritually for the evil that will come with the Antichrist. Americans need to wake up and get their spiritual lives in order because you will be facing a takeover of your country from war and bankruptcy. You will be alerted in the Warning not to take any chip in the body, and not to worship the Antichrist. My faithful will choose between coming to My refuges or suffering martyrdom. From now to the refuge time, you will need to store one year's supply of food because you may not find it in the stores, or you may need a chip in the body to

buy it. You also may find that your dollars will become worthless so you cannot buy the food. Once your life is in danger, I will warn you that it is time to leave for My refuges. Those, who stay in their homes, are risking martyrdom at the detention death camps because Christians and patriots will be the targets to be killed. The Antichrist will bring about his new world order for a brief time, and I will come and defeat him. The evil ones will be cast into hell, and I will bring My faithful into My Era of Peace."

Jesus said: "My people, this tree represents the Tree of Life that will be prolific in My Era of Peace. Rejoice that this coming Era of Peace will be a reward for all of those who will remain faithful to Me throughout the tribulation. I have invited many prophets and messengers to share My words of preparation with My people so they may be ready to endure the coming tribulation. It is not easy to encourage people to repent of their sins and make preparations for a coming famine and martial law. When you see the banks and stores close, you will be thankful that I warned you to store one year's supply of food and water. My people need to heed My words of preparation so you will have food for your relatives and friends. Pray that people will discern and prepare so they do not go hungry."

August 16, 2012

Sunday, July 29, 2012:Jesus said: "My people, throughout My three years of ministry I performed many miracles to heal people both spiritually and physically. This miracle of the multiplication of the bread and fish is a sign of how I would bring My very Body and Blood to all of those who receive Me worthily in Holy Communion. I am truly present in every consecrated Host, and you receive My grace of this Eucharistic sacrament every time that you receive Me. Some of My faithful even come to visit Me and adore Me at Adoration of My Blessed Sacrament in the monstrance. While I am present in My tabernacles, it is even more personal to see your God in My Host displayed at Adoration in the monstrance. You also receive grace when you come to adore Me and praise Me in My tabernacle or exposed in the monstrance. Perpetual Adoration at various churches is a blessing for My faithful, and it should be promoted everywhere. My adorers are special to Me because they are true believers in My Real Presence. Teach your children and friends about the graces and blessings

that they can receive by visiting Me in My tabernacle. When you come to visit Me, you are at peace in the quiet of your contemplative prayer. I listen to all of your prayer requests, and to all the things that may be troubling your soul. Whatever you ask of Me in prayer, I will answer in My way and in My time. Rejoice in the sharing of My love because I am always with you."

August 16, 2012

Monday, July 30, 2012: (St. Peter Chrysologus)Jesus said: "My people, you are seeing in the news some outbreaks of various diseases in Africa. They have had various diseases as sleeping sickness, a nodding disease, ebola, malaria, AIDS, and dengue fever. Many of these diseases occur with tropical climates and various parasites. Some of these diseases are man-made viruses as ebola and AIDS. There are many innocent people dying from these diseases, as they are planned diseases of the one world people to reduce the population of the world. You may see the beginnings of this plan more in tribal societies as in Africa. Be aware that similar diseases can be transferred to other countries to reduce their populations as well. Abortion has been spread to all countries, as well as birth control devices to cut down the population. Killing My babies is the direct work of the demons, so work and pray to stop abortions."

Jesus said: "My people, I have warned My people to stock up one year's supply of food and some water because a famine is coming. Those, who do not store any food, will have to wait in government bread lines. You will have to have a chip in the body to get any food. Those, who have stored food, can share it with their relatives and friends. It is unfortunate that the people who were warned to store some food and refused, will be the first in line to try and demand a hand out. The people around you do not understand the need for food insurance, and they are too busy with their entertainment to listen to Me or My prophets. America has had food in its stores for so long that some people cannot believe that food could get scarce. Those, who believe in My words, and heed My advice, will be prepared for this time. You also need to be prepared spiritually with Confession, and ready to leave for My refuges when your lives are in danger. You will be notified when to leave, and you will have a short time to pack your food, water, backpacks, tents, blankets, and extra fuel into your vehicles. My angels will make you invisible once you leave your homes. Have

trust in Me that I will protect you and provide for your needs. After My victory over the evil ones, you will have your reward in My Era of Peace and then in heaven."

August 16, 2012

Tuesday, July 31, 2012: (St. Ignatius of Loyola)Jesus said: "My people, this glorious font of My graces from My sacraments is always available to you in Confession and Holy Communion. I have talked about this grace many times as the lifeblood of your soul. At times your soul can be depleted of your graces from the effects of sin, and if you stay away from Mass. My people need to be constantly nourished by My Body and Blood to renew the graces that may have been lost. Just as you eat food to nourish the body, so you need to nourish your soul with My graces by eating My body and drinking My Blood. You also sleep during the night to give your body rest, but you can give spiritual rest to your soul when you come to Me in prayer before My tabernacle. Contemplative prayer can give you a deeper rest in My love. If your graces are taken away by mortal sin, then you need to come to Confession so I can cast away the bonds of your sins, and renew your graces. If you attempt to receive Me in Holy Communion while in mortal sin, you will not receive My graces. Instead, you will commit another sin of sacrilege. Confession is needed to receive Me worthily, and it is My gift of forgiveness that is waiting for every soul. This is why converting souls to the faith and bringing them to My sacraments is so important for them to receive My graces. If your soul is without grace, especially at death, then you are risking the fires of hell at your judgment. I love all of My people, and I desire that all of you can be with Me forever in heaven. You have an opportunity every day to come to share in My font of graces that are always available to you. Take advantage of this free gift, and do not let your sins drag you down to hell."

Jesus said: "My people, your country is in a financial tailspin as your National Debt keeps climbing at a rapid pace with very little done by Congress to reduce the spending or the deficits. In the vision the elevator is going down because you are digging a deeper hole of debt that will almost be impossible to recover from. Many of the agreed upon cuts are now raising cries from the budgets that are being cut. Because of the upcoming elections, your Congress people are

reluctant to upset the voters with any budget cuts or tax increases until after the election. If no changes are compromised, your budget will be cut $1.6 trillion over ten years, and the previous tax cuts will expire. Some changes will be made after the election, or a recession could result. Any war or bankruptcy possibility could change this budget crisis. Pray that a war does not involve America, and that you will find a way to balance your budget."

August 16, 2012

Wednesday, August 1, 2012: (St. Alphonsus Liguori)Jesus said: "My people, during the day the sun blots out the stars, and you see a beautiful blue sky. At night with a clear sky, you can see thousands of stars and even distant galaxies with the help of a large telescope. Each star is like your own sun that gives off light from its nuclear furnace. When you study the sun, the planets, and the stars, you see a huge universe that shows you how small the earth is relative to all other celestial bodies. What is unique to earth is the abundance of life with all of its water at the right temperature and the right distance from the sun. Not only is the universe beautiful, but it is hard to comprehend an endless number of stars. Man cannot really understand the true meaning of infinity or eternity because you have little reference of time in this life. Man's lifetime is fortunate to even reach a hundred years, but this does not even scratch the surface of eternity. Remember your soul is immortal, and it will live on outside of time. You only have two final destinations of either heaven or hell. Once you are judged to one place, your soul will be there for all eternity. Even if you have to suffer in this life, it is worth it to be able to be with Me in heaven forever. You have seen hell, and no one would choose such a horrible eternal destination. Even when people see this possibility at the end of their lives, they will have one last opportunity to love Me and be saved. It is hard to imagine that some souls are so blinded by evil and pleasures that they would choose hell. I desire that all souls would love Me and would want to come to heaven. Those souls, who love Me, will have to suffer much in this life, and they may need to suffer in purgatory to be purified. But the end choice will bring them to the beauty of being with Me in total love for all eternity. This glorious reward is well worth any amount of suffering you may have to suffer to gain heaven."

Jesus said: "My people, the Word of God is represented in this bright light, and it shines on everyone in the room. Do not keep this Word under a bushel basket, but it should be shouted from the rooftops. You know how much My love inspires you, and your soul has its rest in My graces. Only I can bring peace to your soul. It is this experience of faith in Me that you want people to have when they are converted. When you see their faces light up with My love, there is a satisfaction in your soul that you have enabled others to share in your faith experience of loving Me. I send out My missionaries and My faithful to convert souls while there is still time to bring them to Me. You know that some souls are falling into hell, and you want to save as many souls as you can from going to hell. This means you will need to work hard with My graces and My angels to try and snatch as many souls as you can away from the devil. The devil does not give up souls easily, so you need to help renew people's fire of faith constantly to keep them in the territory of God and away from the devil's territory. Remember when people will be coming to the judgment day, I and Satan will be claiming souls as our own. When you come before Me, I want to say that you are â €˜Mineâ€&#65533;."

August 16, 2012

Thursday, August 2, 2012: (St. Eusebius of Vercelli)Jesus said: "My people, at times you need to step back from your day to day activities and appreciate the beautiful gifts of nature that happen every day, such as the dawn of a new day. Each day I give you new opportunities to serve Me for My greater glory. When you rise in the morning, pray your morning offering, and consecrate all of your actions up to Me that day. All of your actions will now be like little prayers being done for Me. Do not let the devil lead you into despair, but every day should be a joy to serve Me and your neighbor. Do not think that life is boring, but put your full being into everything that is asked of you. When you are faced with difficult tasks, pray to Me, for all things are possible for My power over earthly and spiritual things. Every time that you go out of your comfort zone to help someone, you will receive a heavenly reward in your treasure box that I keep for you in heaven. Give thanks to Me for your body and soul that you are even alive to share in the joy of My love and My creation."

Prayer Group:Jesus said: "My people, you have seen killings in Aurora,

Colorado and Syria. Some of those, who were killed, were mothers of young children, and that is why you see children crying in the vision. Some children have been made orphans, and even children were killed at these scenes. Wars and mass killings are hard to prevent, but the victims of these killings are causing trauma to the family members. Pray for all of those people who are being killed, and for their families."

Jesus said: "My people, you have heard from personal testimonies how some people in World War II had to hide from being killed by the German Secret Service. They also had difficulty trying to find enough food to keep alive. This story is a preview of what My faithful will be suffering in the coming tribulation. You will soon see food shortages and Christians will also be hiding from the authorities who will be trying to kill them. This is why I have warned you to store some food for this time so you will not go hungry. Those, who do not have chips in the body, may not be able to buy food or walk around freely. Call on My help and My angels to protect you from the evil ones who will be targeting Christians."

Jesus said: "My people, you currently have your freedoms guaranteed by your Constitution. But once the Executive Branch or the Judicial Branch start making laws without Congress, then your freedoms will be at risk. You have hate crime laws, edicts from your President, and Health Care laws forced on you that are not constitutional. This is how many of your freedoms are being lost as you are slowly coming to a dictatorship that will culminate with martial law. Once your life is endangered from food shortages, the dollar crashed, mandatory chips in the body, or mandatory flu shots, this will be the time to call on Me, and your guardian angels will guide you to the protection of My nearest refuge."

Jesus said: "My people, you have seen one interpretation of the new Health Care plan that will be implemented 36 months after this bill passed which would be April, 2013. Your medical records are being computerized, and it will be very easy to tell which people do not have chips placed in their bodies. If you do not abide by accepting such chips, you may not have medications or operations. As the evil time gets worse, men in black may even start coming to your homes to demand this chip in the body, or they will take you to the death camps. When mandatory chips in the body are implemented, this will be the time to leave for My refuges. Refuse to take any chip in the body for any reason because these chips could control your mind and your free will. Chipping everyone is a goal of

the one world people to control you like robots. Trust in Me that I will protect you."

Jesus said: "My people, I have warned you for many years that it will be necessary to come to My refuges to avoid forced martyrdom. The one world people have red and blue lists of Christians and patriots that they are planning to exterminate because they cannot be retrained for their new world order. If My faithful do not leave your homes when I warn you, you will be picked up and killed. Your leaders are puppets of these ruthless killers, and your time of freedom is almost over. Prepare physically and spiritually for this evil trial that will test everyone's faith in Me. Evil will reign for a brief time before I will come with My victory and cast the evil ones into hell."

Jesus said: "My people, I have told you that time is running out for the evil ones as well as for My faithful who are preparing refuges or preparing to come to My refuges. Once major events start happening, it may be too late to make any more preparations. My Warning will come before your lives are threatened, so everyone will be aware of the evil tribulation that is coming. Prepare spiritually with Confession, rosaries and the wearing of blessed sacramentals. Prepare physically with fuel, backpacks, blankets, tents, and some food and water to come in your vehicles and bicycles."

Jesus said: "My people, once you come to My refuges, you will have to live as a Christian community as you help each other to survive for less than 3 Â½ years. My angels will place shields of protection over you so the evil ones will not be able to harm you. You will be healed of all of your physical ailments by looking on My luminous cross. At My refuges you will have water, daily Holy Communion, food from deer, crops, or stored food. You will have perpetual Adoration, but you all will have special jobs to help each other with meals, bedding, clothing, and latrines. Have no fear of this time because martyrs will become instant saints, and those, who come to My refuges, will be provided for by My angels."

August 16, 2012

Friday, August 3, 2012:Jesus said: "My son, you are reading in Jeremiah how he

was chastising the people for their sins, and God would bring punishment upon the Israelites if they did not change their ways. (Jeremiah 26:1-10) The people even threatened to kill him until he explained that it was God who told him to speak these words. He was later killed as were many of the prophets with similar words. The Israelites did not want to hear the chastising words of the prophets. Israel was later conquered and forced into the Babylonian Exile for seventy years. Even in today's world, the words of My prophets are also not being heeded, and My punishment will come against America because the people are not repenting of their sins. Just as the people killed the prophets of old, the people of today will also reject your words, and you will have to go into hiding for fear of your life as well. These sinful people do not want to change their ways, and they resent prophets telling them what to do. As a result of this resentment and the coming evil tribulation, My prophets will also be in danger of losing their lives for preaching what I have given them. Even if My prophets are martyred, it is more important to carry on their mission of warning souls to repent and be converted to faith in Me. Rejoice in your mission to save souls."

Jesus said: "My people, there are many prophecies in the Old Testament that spoke of the promise of a Messiah sent by God. I told the people that I was the Messiah pointed out by St. John the Baptist when he called Me the â €˜Lamb of Godâ€&#65533;. Still the people did not want to accept Me. Instead, they said that I was a blasphemer, and they crucified Me on the cross. My coming to earth was a fulfillment of the Old Testament. I did not come to change the law, but to fulfill it. I died so all of mankind could be freed of their sins, and I brought salvation to everyone in My sacrifice. I have left you with My Eucharistic gift of My Body and Blood under the appearances of bread and wine. I am with you always in My consecrated Hosts in My tabernacle. I thank you for coming to this Divine Mercy Holy Hour, and My Benediction to recite My Divine praises."

Saturday, August 4, 2012

August 16, 2012

Saturday, August 4, 2012: (St. John Vianney)Jesus said: "My people, you have been patiently waiting for My return, and an end to the evil going on around you. Many events need to take place first before My victory will begin. Before the one world people are allowed to take over, you will see My Warning where all

souls will be illuminated by their life review, as you see when you die. This will be a blessing for all souls so they have one last opportunity to convert their lives and be saved. You will be warned not to take a chip in the body and not to worship the Antichrist. After the Warning you will see some major disasters that will lead up to martial law, and then America's takeover with the formation of the North American Union. You will be warned to come to My refuges when your lives are in danger. Then you will see all the world unions joined as one under the Antichrist once he declares himself. This will start the tribulation time that will be shortened for the sake of My elect. Once you see this man come, you will know that My victory is not far off. At the end of the tribulation I will bring My Comet of Chastisement when the evil ones will be defeated and cast into hell. After the Three Days of Darkness, I will renew the earth and My faithful will have their reward in My Era of Peace. Rejoice when you see this curtain open in the vision because then these events of the end days will begin."

Jesus said: "My people, you have been given a choice by your free will to choose to follow My ways or man's ways. My ways lead to life in heaven, but man's ways lead to being lost in hell. You are in a constant battle between the forces for good and the forces for evil. If you follow My ways, you will worship Me on Sunday and repent of your sins as you show your love for Me. If you follow man's ways, you will love only yourself, and refuse to repent of your sins. Those, who are with Me, are against abortion and same sex marriage. Abortion is killing My babies, and yet your court decision allows violating My Fifth Commandment of thou shalt not kill. I created man and woman to be married and become one flesh. Same sex marriage is a defiance of true marriage, and it is an abomination, as well as homosexual acts are abominations. This defiance of My moral laws is part of a plan by the one world people to destroy your society. You are battling for the minds of your children as some of your teaching curriculums and teachers are tearing down the moral fiber of your country. It is your following Me that has made America great. When you remove Me from your schools, and promote promiscuous behavior in your children by allowing pornography to infect their minds as well as improper sexual education by handing out condoms, then your country will fall. Wake up and realize that the battle for souls is tied to your battle of good and evil. If you refuse to stand up and fight this evil in your society, then you will see evil triumph. You know that I will be victorious in the end, so have no fear if evil will be winning for a brief time. I will protect your souls if you call on Me and My angels to help you."

Sunday, August 5, 2012

August 16, 2012

Sunday, August 5, 2012:Jesus said: "My people, you are seeing more funerals than today's Baptism because fewer young people are coming to your churches. Other Baptisms occur, but not always at a Mass, and some do not baptize their children. Some churches have an older population which again is why you are seeing many funerals of your friends. In the vision you are seeing My empty tomb, and I have conquered death and sin so everyone has an opportunity to convert their lives and be saved. The readings speak again about the bread and wine which are transubstantiated into My Body and Blood by My priests at Mass. When the people came looking for Me after I multiplied the bread and fish, I told them that I am the Bread of life. Truly those, who eat My Body and drink My Blood, will have eternal life with Me in heaven. Later on, some of My disciples left Me because they thought I was encouraging cannibalism, but I was speaking to them of My spiritual food under the appearances of bread and wine. By receiving Me worthily in Holy Communion, I am with you, and you have the graces of My sacrament. Rejoice in the gift of My Eucharist at Communion time, and visiting Me in My tabernacle."

Jesus said: "My people, you have just heard a recent news item of gunmen shooting church members in a Sikh temple in Oak Creek, Wisconsin. Again some were killed and others wounded. This event comes right after another shooting in Aurora, Colorado. Many of your authorities are having a hard time in determining the reason for these sudden killings. The one killer was mocking the Joker in a Batman movie, and this latest event occurred in a religious temple. Such killings are led by Satan, but there also could be another agenda led by the one world people in causing fear, and now you are seeing a threat to religious groups. If this pattern continues with more such incidents, then you will see this a part of an overall plan. Pray that these shootings do not continue."

Monday, August 6, 2012

August 16, 2012

Monday, August 6, 2012: (Transfiguration of Jesus, Eileen's Mass)Jesus said: "My people, today's feast day of My Transfiguration was a preview of My Resurrection that I allowed James, John, and Peter to witness. They were

astonished to see Moses and Elijah next to Me. Then from a cloud God the Father said: â€˜This is My beloved Son, listen to Him.â€ I appeared to My apostles in My glorified Body which is how I would appear to them later after My Resurrection, but with My wounds of the crucifixion. I warned My apostles not to reveal this vision until after I rose from the dead. They did not understand what rising from the dead meant because they had not seen this happen in life. My Resurrection holds out hope to all of My disciples because after the last judgment, all of My faithful will be rejoined with their glorified bodies as they will be whole again in both body and soul. This is how My faithful will truly experience My glory in heaven as you will be constantly giving Me praise and thanks to Me for being in heaven, as you will see Me on My throne. In the vision you also saw Eileen standing with Me in heaven. She loves you all, and she is watching over her family."

Jesus said: "My people, most of you only think of cell phone towers and satellites as a means to communicate with cell phones. These towers not only receive signals, but they can send them out as well to locate other cell phones, or other chips. If people have their cell phones turned on, there are authorities that could track your whereabouts. If people are forced to have chips in the body as the Health Plan demands, these towers could not only track where they are, but the microwave signals could control their minds with voices. This means of controlling people was the main reason for building cell towers in addition to helping people communicate to each other. If you cover your chips and cell phones with aluminum foil, then the microwaves cannot find you or control you. If you avoid using cell phones or cover them up, no one can locate you either. By knowing the plan of the evil ones control, then you can avoid being manipulated by their microwaves. Once you come to My refuges, these chips and cell phones will not work. Be prepared to leave your homes for My refuges without any chips or cell phone devices on you or in you. Those, who choose the chip in the body, or use cell phones, can be tracked. Those who stay in their homes and do not take a chip in the body, are risking capture and being taken to the death camps by truck or train as in the vision. Heed My warning to come to My refuge when your lives are threatened. Trust in My protection and avoid looking at or listening to the Antichrist."

Tuesday, August 7, 2012

August 16, 2012

Tuesday, August 7, 2012: (St. Sixtus II and companions)Jesus said: "My people, in the early centuries after My death, many Christians were martyred by the Romans, even the popes. Today, Christians are still being killed in Arab countries. Wherever you have dictatorships or places that worship other gods, these authorities see the worship of Me as a threat to their ruling power, and they kill Christians. As the end times approach, the Antichrist will also demand worship of himself as a god. All those people, who worship only Me, could also be martyred for their faith. This is why My disciples will have to seek out My refuges for safety from the evil ones and the Antichrist. The one world people already have lists of Christians and patriots that they want to exterminate, as they see that you are also a threat to their new world order. Some of My faithful will be martyred, but the rest of them will be protected at My refuges. Trust in My power for the Antichrist and his workers will soon be defeated and cast into hell. My faithful will then have their reward in My Era of Peace and later in heaven."

Jesus said: "My people, this vision of a mosque burned to the ground was a real event that just happened in Joplin, Missouri. In addition to this a fire in a major refinery in Richmond, California is causing fuel shortages at the third largest refinery in your country. You are seeing an unusual amount of events that are beginning to look like fear tactics that could even be orchestrated by the one world people to control your guns. They have a pattern of create the problem, and then they create the solution. If your plan is to create a situation for martial law, these events would explain why they are happening in quick succession. If you see more of these events, then they will be confirming any possible suspicions of planned false flag events. This is the second attack on a religious church which is another example of the battle between good and evil. Fortunately, in this latest burning, there were no lives lost. Keep praying that no more lives will be lost to any more gunmen."

August 16, 2012

Wednesday, August 8, 2012: (St. Dominic)Jesus said: "My people, I have warned you before of a coming virus that would not only be deadly, but it would be contagious as well through the air. Without occupying a host, most viruses die off in the summer heat. These flu viruses are more virulent in cooler temperatures, and that is why you see less cases in the summer and more cases

between October and February. Many of the flu shots being offered will not protect you against this new outbreak. These shots actually do more harm to your immune system than they help. I have advised My faithful to have masks, and to take Hawthorn pills, herbs, and vitamins to build up your immune system. Any spreading of such viruses in the chemtrails would probably be done in the cooler temperatures, when viruses could survive until they find a host. If you start seeing an unusual amount of deaths from this pandemic virus attack, then you will have to call on Me to have your guardian angel lead you to My nearest refuge. At the final refuges you will see My luminous cross, and when you look on it, you will be healed of any viruses or any other ailments. At the final and interim refuges you will have miraculous springs of healing water. This water will also heal any deadly viruses and other ailments. Have no fear of the evil people's means of killing people because My angels will protect you from their weapons and their viruses."

Jesus said: "My people, over the next few months you will be entering the peak time for hurricane formation. You have had an unusually warm summer, and the heat in the ocean is what feeds these storms. America has only had a few storms make landfall in the last few years, but wherever they hit land, you can see considerable damage. The Gulf of Mexico has many oil rigs at risk to any storm. Any storms that threaten this area could drive up your gas prices even higher. The threat of war with Iran, refinery fires, and speculation on oil prices are driving up oil and gasoline prices. Add inflation from printing so much debt money, and your prices could again approach $4/gallon for gasoline. If these prices continue to rise, you could see a new recession coming. Major events will be picking up to the end of the year, so be ready if you see martial law brought about. I will protect My faithful at My refuges. So when it is time to come, pack quickly and leave your homes with My angels, or you could face martyrdom."

Thursday, August 9, 2012

August 16, 2012

Thursday, August 9, 2012: (St. Teresa Benedicta, Edith Stein)Jesus said: "My people, throughout history you have see persecutors of the people by various dictators and tyrants. Persecutions occurred in My day as well by the Romans and Caesar. At times it was done in the name of ethnic cleansing, and other times it has been because of a person's faith, whether Jewish or Christian. In more

recent times you have seen communists take over many countries. In this case communism teaches atheism, and this is another battle of good and evil. Even Muslims are persecuting Christians in Arab countries. A new persecution is about to begin with the one world people wanting to kill Christians and patriots in America. Just as Hitler singled out the Jews to be persecuted, soon you will see a new target of Christians in your own country. Many evil people in positions of power politically and financially are focused on removing My believers because they cannot retrain them for the new world order that will lead to the brief reign of the Antichrist. Trust in Me that I will protect My faithful at My refuges, and My victory will come soon when the evil ones will be cast into hell."

Prayer Group:Jesus said: "My people, I realize that your Presidential campaign is going on now, but some recent ads are focused more on degrading the character of the candidates rather than talking about the issues. Some of these ads are factually not true, but the campaign people are still using them. It is sad that your politicians have to resort to such lies instead of saying what the candidate plans to do as President. These attack ads or smear tactics may backfire as people start to see the deceit and misinformation that is being displayed. Unfortunately, your media is largely slanted to an immoral and liberal view that even distorts the way your news items are presented. Pray for those people who do not understand the evil in abortion and same sex marriage."

Jesus said: "My people, you are seeing a new way of ruling by edicts using Executive Orders that is usurping the power of Congress. Your President is taking away your religious freedom by his Health Department edicts on issuing handing out birth control devices even by religious organizations against it. He has changed martial law requirements so he can issue it for any reason. He has declared any American can be put into detention centers without a trial, and his Health Plan will mandate chips in the body. All of these acts threaten your freedoms, and he is making rules as a dictator. Pray that these edicts can be fought, or you will have no freedoms left."

Jesus said: "My people, you have been given some information about how the one world people have been planning for many years now to destroy your country from within. It is really a Satanic plan to destroy the family by encouraging divorce and same sex marriage, and this is breaking down the morals of your people. By using the â€˜feministâ€&#65533; movement and

controlling what is taught in your schools and colleges, the one world people have destroyed your traditional culture of a country that follows Godly principles. Once you turn your back on My help, then your country will cease to be great. If your country does not repent of its sins, you will see a punishment come against your country."

Jesus said: "My people of America, your country spends billions of dollars on education, yet your country is far behind many other countries. Many of your courses have been watered down so they can pass more students, but many high school students have difficulty reading. Your teachers spend a fair amount of time keeping discipline which makes it hard to teach. Even your history books have changed, as well as your math and science books, which is why your students are not as smart. Home schooled students usually are much more disciplined and they score better on tests. Your educators should look at the success of home schooling to see where they could make improvements."

Jesus said: "My people, many older Catholics were brought up in Catholic schools when the nuns were teaching your catechisms. Again, it is hard to keep Catholic schools funded privately, and many schools of religion are not very rigorous in teaching the faith. Parents need to pass their faith on to their children, but it is hard to have enough time to teach their children while the parents are working. Parents need to teach their children a desire for daily prayer and for coming to Sunday Mass. Faith needs to be nurtured, and it is hard to find good religion books to teach the children. Pray to evangelize souls with a strong faith in the catechism, or their souls could be lost."

Jesus said: "My people, when you were being brought up in the faith by your parents, they took you to Confession at least once a month. In those days when you came to the confessionals, there were long lines of people for Confession. Today, when you come to Confession, very few people are there, and they are usually older people. The people are still committing sins, but they have become weak in seeing the need to cleanse their souls of sin. Here again the training on Confession has been lacking, and even the parents are no longer going. How can you teach the children to come to Confession when their own parents do not come? You need to teach the faith by a good example, and tell the children how important it is to have clean souls in order to come to heaven."

Jesus said: "My people, the family of father, mother, and children are coming

under attack by the same one world people who want to destroy the morals of your country. I gave you Adam and Eve as a proper example for an environment of love to bring up your children. Living together in fornication, or in homosexual marriages is against My Commandments, but this is what your society is advocating. Encourage family marriage in the Church to keep your souls clean of sexual mortal sins. When you live by My ways and My Commandments, then your society will thrive both spiritually and physically."

August 16, 2012

Friday, August 10, 2012: (St. Lawrence)Jesus said: "My people, when you come to Mass, you bless yourself with holy water, and you receive Me in Holy Communion. The first reading speaks about being a cheerful giver. This means you need to support My churches with a responsible donation, and more than just a token offering. You also need to share your time and talent with your neighbors, as well as reaching out to evangelize souls. This world is not just about receiving gifts and handouts, but it is about giving of yourself to help those who have a lot less than you do. Those, who are able-bodied, should be working when they can find work, so they can help themselves and those who are disabled. You have a welfare society of handouts that takes away people's dignity and a desire to help themselves. You also have a spiritual welfare society when you have Mass provided and the sacraments, but the faithful need to give back with donations and help in evangelizing souls to the faith. Pray for the souls in purgatory, poor sinners, peace in the world, and the stoppage of abortion. Taking time out of your day for daily prayer is very helpful to help save souls, and show your love for Me. By making these efforts to help My Church and save souls, you will gain your reward in heaven."

Jesus said: "My people, if you wonder why I am showing you this loaded truck leaving for a refuge, it is because the time to leave is quickly approaching. You are seeing many edicts from your President taking away your freedoms, and they are increasing his power over Congress. Under his presidency you have yet to see a true budget emerge from the Senate. As long as the Senate and this President remain in control, you will continue to lose more freedoms and your deficits and debts will spiral out of control. You cannot keep running up trillion dollar deficits, and keep printing money to pay these debts. All of your Federal

Reserve's easing programs are printing Treasury Notes out of thin air to buy the deficits that your country is spending. This house of cards will end with hyper-inflation that will cause a planned bankruptcy. This chaos will precipitate a revolution of the people that will cause a martial law takeover. Once the dollar is crashed, a new currency of the amero will be put in its place, as America will be joined with Mexico and Canada to form the one world people's North American Union. Before this bankruptcy occurs, you will see My Warning experience, and you will be warned to leave for My refuges with your angels leading you. Fear not these evil ones because My angels at My refuges will shield you from harm. You will only have to bear this rustic living for a short time before I will bring My victory over all of the evil ones. I am more powerful than all of them, and their power will melt to nothing before Me. Those, who are faithful to Me through this trial, will see their reward in My Era of Peace and later in heaven."

August 16, 2012

Saturday, August 11, 2012: (St. Clare)Jesus said: "My people, when I was in Nazareth, I read the Scriptures of Isaiah that spoke of the coming Messiah. I told them that today this reading was fulfilled in their hearing. Later, when they understood that I was telling them that I was God's Son, they wanted to kill Me, but I went through their midst. Because of the lack of faith in My hometown, I could only heal a few people there. It is important to have faith in Me because I offer all people eternal life if they would repent of their sins. You all make choices in life, but choosing to follow Me is not only a choice on earth, but it is an eternal choice in the next life between heaven and hell. I keep telling people that this life is short, and it is not your eternal destination. Instead, this life is a trial to show Me in your actions that you truly love Me and your neighbor as yourself. This is why in order to follow Me, you must imitate My life of holiness in following My Commandments, and repent of your sins in Confession. I will help lead My faithful to heaven through the grace of My sacraments. Listen to My words in the Gospel, and be saved."

August 16, 2012

Sunday, August 12, 2012:Jesus said: "My people, you see the traditional

churches that still have stained glass windows in the vision. The priest is greeting the people, and inviting them to share with Me at the Mass. There are many people who have left the Church because they became lukewarm in their faith. If they truly loved Me and believed in My Real Presence in the Host, how could they refuse to stop receiving Me? When I ask My people to evangelize and convert souls, I am not just asking them to convert new people, but also to reconvert the Catholics who have left. You have seen the numbers of people coming to church in decline because your nation is becoming a pagan nation that worships the gods of sports, money, material things, and fame. Because you have all of your modern distractions, people are rarely praying to Me. Once you lose your faith in Me, it may require a miracle, or many people praying for you in order to get your faith back. The devil is lulling the American people into a spiritual laziness, and they better wake up before they see My punishment fall upon them. As you turn your backs on Me, your blessings are being taken away. The devil is getting stronger in your drug society, your abortions, and your same sex marriages. Come back to Me, and repent of your sins, and I will restore your blessings."

Jesus said: "My people, as you grow older, some of you require reading glasses to read fine print. It is fortunate that such non-prescription glasses are inexpensive to replace if you break them. You are fortunate also to be able to see because blind people have a much harder disability in making a living. Even as you think of correcting your physical sight, there is also a spiritual sight to be able to understand the faith. I speak sometimes of the eyes of faith because this is needed to know that the end times are approaching. There are signs for the people to tell that the end times are coming. One sign is how the faith is growing cold in the hearts of the people. Another sign is the increase of knowledge as you find everything on the internet. Still a third sign is the formation of continental unions that will be used to bring the Antichrist into power. Other signs are famine, earthquakes, and pestilence. When you see these signs, know that My coming as a victor over the evil ones will soon bring about the defeat of Satan and the Antichrist. They will be cast into hell, and I will bring about My Era of Peace as My faithful's reward."

August 16, 2012

Monday, August 13, 2012: (Mary Pierce's Funeral Mass)Mary said: "I am so overwhelmed to see so many people, my family, and the priests who came to my funeral Mass. I am grateful for all of those who took care of me in my last days, and for all the arrangements for my funeral. I thank Father and Greg for their kind words about me. I had a full life of many beautiful activities, but my experiences at the Logos store were the most satisfying in serving the people in their faith. The Cursio meetings were also very joyous in celebrating my faith in Jesus. My last suffering with cancer was my purgatory on earth, so I am now with Jesus and my husband, Fran. I want to bless all of my family, and I will be praying for all of them to come to church and to say their prayers. I love all of my family very much because you meant so much to me in life."

Jesus said: "My people, you have a set time of years that only I know exactly how long you will live. Time is my gift to all of you, but it is how you use your time that you will have to answer for at your judgment. I have told you several times that when you are planning your schedule for the day, be sure to leave some time for Me in prayer, and do not plan more events than you can practically carry out. Be careful with your time so that you are making the best choices so you do not waste any time. Remember that once time is wasted, it cannot come back. You can only resolve to make better use for your time that is remaining. Much of your time is committed to sleeping, eating, and working for a living. It is your so-called free time that you cannot afford to waste just on entertainment. It is this free time that you can use for prayers, Mass, Adoration, or helping people. You do need some rest just to take a break from your busy schedules. You may think that a lot can be done in one day, but time has a way of passing by you very quickly. If you are over sixty now, you sometimes wonder where all of those years went. But you can only live in the present moment, so you do not have to worry about the past or the future. Sometimes it is good to recollect at the end of the day how you used your time. If you see that you are not using your time wisely, maybe you could change some of your bad habits. Keep checking each day if you are improving, staying the same, or getting worse so you can make adjustments to improve the use of your time. The most profitable time will be spent on saving souls, and loving Me in all that I want you to do."

August 16, 2012

Tuesday, August 14, 2012: (Marlene Kaiser Funeral Mass)Jesus said: "My people, it is always sad to lose a member of your parish family. You can identify with her because she lived in your old neighborhood. There are many older people who have had to move to either assisted living places or to nursing homes. You also have older friends who live in these places. Continue to remember them and pray for them. If you could visit them, they would most appreciate your kind visit. It is hard for older people in these homes when their friends and family forget to visit them. Pray for Marlene and for the family who are grieving her loss. She will be praying for her family and friends."

Jesus said: "My people, I am showing you this baby because you are seeing fewer and fewer of them. Not only are your people having abortions, but they are trying to have their children later in life when they are less fertile. If you take out the children from immigrants, your country's population would be dying because of your lower fertility rate. Between of your environmental pollution and your genetically modified (GMO) foods, these things are decreasing your fertility both in men and women. Because of your low family numbers, other countries and religions are out populating you. Your number of abortions are the biggest reason for a lower population, and it is also a sign of a loss in your morals as a society. You have the one world people doing many things to reduce the population as abortion, euthanasia, wars, and viruses. Now you can add one more tool for their cause in the modified foods that you are eating that can decrease your fertility. You are also seeing more diseases and cancers because of these modified foods. Try to avoid these GMO foods as much as possible by eating more organic foods, and foods from heirloom seeds. This is why I recommended that you buy the non-hybrid seeds for farming at My refuges. Rejoice that I will be coming soon to restore the earth back to the way I made it in the beginning."

August 30, 2012

Wednesday, August 15, 2012: (Assumption of Mary)Mary said: "My dear children, you have been to many funerals lately so you are acquainted with your friends and relatives passing away from this life. You also have read from my Son's quote that He is the Resurrection and the life. He resurrected from the grave into His glory, and I have been blessed to be assumed into heaven with

both body and soul. These events give glory to God, but they also give my children hope that the faithful will be raised up with their bodies after the last judgment. Continue to offer your rosaries and Masses for the deceased, so they can be freed from purgatory to come to heaven, and they can be with my Son and I."

Jesus said: "My people, when you first saw the killings in Colorado and Wisconsin, I warned you that they could be related. Now you are seeing a continuing series of killings with guns that definitely looks like a pattern. As with some incidents in the past, you have seen the one world people place chips in people in order to control them with voices. The voices can cause people to commit killings without even knowing what they are doing. This could explain the strange behavior of these people. This is why I have told My people not to take any chips in the body for any reason because they can control your minds against your free will with these chips. The one world people are planning for a takeover of America, and it is their plan to try and remove your guns by any means. Before the election the liberals are afraid to lose any votes to the strong gun lobby. After the election you may see Presidential Executive Orders to try and remove your guns. Hitler did this same gun removal to take over Poland. I have told My faithful to avoid using guns except for immediate self-defense. Once you come to My refuges, My angels will shield you from harm. Some of My faithful may be captured and martyred at the detention death camps. There will also be some of My faithful who will work with My angels against the evil people and demons in the Battle of Armageddon. Know in the end that I will be victorious against these evil ones as they will all be cast into hell. I will then renew the earth to what it was like in the beginning of creation, and you will see My Era of Peace for a long time."

August 30, 2012

Thursday, August 16, 2012: (St. Stephen of Hungary)Jesus said: "My people, there are some beautiful churches in Europe, but unfortunately, they are becoming museums because very few people are still coming to Mass. Some areas are still strong, but many have forgotten their Catholic roots. The first reading from Ezechiel was a sign to Israel that because they were a rebellious house against Me, they could face exile if they did not repent of their sins. Since

My people worshiped pagan gods instead of Me, they did face the Babylonian Exile exactly as was demonstrated by Ezechiel. This lesson in history is also facing America because of your abortions and sexual sins. You too, are worshiping other gods of sports, money, material things, and fame. I am offering a protected exile to My faithful that come to My refuges. I will allow the one world people to take over America as a punishment for your sins. The evil ones will control the world with the Antichrist for a short time. Then I will come in victory with My Comet of Chastisement, and all the evil ones will be cast into hell. I will then renew the earth, and My faithful will have their reward in My Era of Peace."

Prayer Group:Jesus said: "My people, you are well aware of how much your modern society is dependent on having electricity. You have seen recently in India how their failures affected their services. This flash on your electric grid could come from lightning, an EMP surge, or a solar flare. If a part of your National grid went down, it could affect bank transfers, refrigerated produce or meats, gas pumps, lights, and your air conditioning. Pray that if such an outage occurs, you could have your power restored quickly."

Jesus said: "My people, you have recently witnessed some thievery in several homes in your area. Some thieves are stealing money to feed their drug habits, but soon you will be seeing more attempts to find food as a famine comes over your land. Locking doors at night, and even while you are at home has become the normal behavior because the thieves are becoming more bold. Pray that people will find enough food to eat so there is not a fight for food."

Jesus said: "My people, in days past you would think nothing of going to a busy movie theater. Now when you go to a politically sensitive movie, you are more wary of people that are suspicious, or carrying a bag of weapons. Whenever you may feel threatened, call on Me and I will send My angels to protect you. Be calm and trust in My protection."

Jesus said: "My people, if you are truly concerned about the candidates for office, there is a considerable amount of information available on the internet or in the news. Learning about their plans for your country could help you in discerning the candidate of your choice. I am still asking you to pray that the best God-fearing man will be elected. This year's election is very pivotal in deciding which direction your country will be headed. Your country needs to

repent of its sins, and it needs to get its financial house in order, or you could see bankruptcy and a punishment for your sins."

Jesus said: "My people, the one world people have so much control over your world today, that it would take a miracle of prayer to turn things around. If My people have faith in their prayers, I could accomplish great things for you. You need to focus on daily prayer and do what you can to preserve your freedoms. Your religious freedom is the most important because if it is taken away, you would have to pray in secret. Pray for My protection for your safety."

Jesus said: "My people, the Israelites refused to change their sinful ways of worshiping the pagan gods of their neighbors. When I sent My prophets to change their evil ways, they killed My prophets, even when the prophets said I would send them a punishment. Only the people of Nineveh changed, but the rest did not, and they paid for this with the Babylonian exile of seventy years. America is also being sent prophets to tell the people to repent of their sins, or they will be punished like Israel was punished. You have been warned by the 9-11-01 events and the 2008 financial crash. The plan of the one world people is to crash the dollar so they can take over America and make it a part of the North American Union. This is one step away from the Antichrist taking over when he declares himself. Trust in Me because I will defeat all of these evil ones."

August 30, 2012

Friday, August 17, 2012:Jesus said: "My people, today's Gospel reading was about someone asking Me if it was lawful to divorce a wife. I said to them that Moses allowed divorce because of their hard hearts, but it was not meant that way from the beginning. When a man and woman are married, they are joined as one flesh, and they have made a commitment to be faithful to each other for life. Not everyone can accept this way of life, and that is why My Church in certain circumstances allows annulments. This love in a marriage between a man and a woman is the model that I chose to show My love for My Church. I am the Groom and My Church is My bride. My agape love is on a higher level than your earthly love. Your society has been built around the family as the basic unit

where children are born and raised with a loving father and mother. When one parent is taken away, or in same sex marriages, the children are found lacking emotionally, and they miss a father or mother image in their upbringing. This is why your society is in chaos because of divorce, living together in fornication, and same sex unions. Only a third of your households have a mother and father according to your latest census. This is why married people need to strive to compromise with each other so they can live to help each other in love and faith. I am the third partner in every marriage, so My love and My angels are protecting the family from any attacks caused by your society. Those married people, who have stayed together for a long time, are a good example to all newly married couples. Pray for all married couples to stay together in their love and My love."

Jesus said: "My people, this vision of a sidewalk breaking up is a sign of how America will be breaking up from a bankruptcy caused by the one world people. You are seeing a decline in America both from an increasing debt and a moral failure. Increasing your taxes will only be used for more spending. It is one thing to reform taxes so everyone pays, but almost half of your people are not paying taxes because they are on government assistance. Many entitlements cannot be afforded, and your Congress needs to cut the increases and new additions. If they are not reduced, then these programs will fail because of insufficient funds. The moral decay in America is why you are failing. I am the one who has made your country great. When you do not pray and worship Me, then your blessings will be withdrawn, and you will fail to be great. It is your abortions and sexual sins that are drawing you down. Keep praying for peace, poor sinners, the souls in purgatory, and the stoppage of abortions. Pray for your country and the right leaders that could balance your budgets, and bring souls back to Me."

August 30, 2012

Saturday, August 18, 2012:Jesus said: "My people, this constant stream of water is how My graces are always being poured out on My faithful. I pray also that your prayers would be like an endless stream of love for Me as your Creator. Just as your body needs to be fed every day to give you the energy to live, so you need My sacraments of grace to feed your soul for its life. You also need jobs to provide the money for your food and shelter. You work for your living, and at

times you may need to help those who are disabled or need food from a food shelf. Even the elderly need visits, and driving them for their needs. Give glory and thanks to Me for your health, and for your jobs that allow you to have what you need. Remember that without My help, you would have nothing."

Jesus said: "My people, the apostles had many miracles recorded in the Acts of the Apostles where they were miraculously freed from prison. The first incident was when St. Peter and St. John were freed from the prison of the chief priest. (Acts 5:19) â€˜But during the night an angel of the Lord opened the doors of the prison and led them out.â€ A second incident was again in (Acts 12:7) â €˜And behold an angel of the Lord stood beside him, and a light shone in the room; and he struck Peter on the side and woke him.â€ Peter's chains dropped from his hands and the angel led him past the guards and out the city gate that opened by itself. This is the light that you saw in the prison in your vision. In a third incident (Acts 16:25) St. Paul and Silas were freed by an earthquake, and they converted the jailer and his family. â€˜And suddenly there was such a great earthquake that the foundations of the prison were shaken. And at once all the doors flew open, and everyone's chains were unfastened.â€ I am reminding you of these miracles because in the tribulation, you will also see miracles by My angels who will free some of your leaders from prison to give hope to My faithful. My angels will lead you to My refuges, and they will shield My faithful from any harm from the evil ones. Rejoice because I am with you at all times to protect your body and your soul."

Sunday, August 19, 2012

August 30, 2012

Sunday, August 19, 2012:Jesus said: "My people, when you come to Confession, you are being forgiven by Me through your priest. When your priest consecrates the Host, it is I that is coming down on your altar in the bread and wine. That is why you see Me in the pulpit in the vision because I act through My priests. In today's reading I told people that they had to eat My Body and drink My Blood to have eternal life. I am asking people to believe on faith that I am truly Present in the consecrated bread and wine. Some disciples thought that I was calling them to cannibalism, so they left My company. My apostle stayed because St. Peter said that I had the words of everlasting life. It is difficult to believe in My Real Presence because it is a mystery that My people have to take on faith. In the

second vision you actually saw a miracle of My Eucharist when a bleeding Host appeared on someone's tongue right before your eyes. I have allowed some bleeding Hosts to be seen as a proof of My Real Presence, especially for those people who do not believe in My Real Presence. Once people see and witness these miracles, then it helps their faith to accept My words in St. John's Gospel. Rejoice that you have Me with you always in My Hosts until the end of this age."

August 30, 2012

Monday, August 20, 2012: (St. Bernard)Jesus said: "My people, you have been to a monastery, so you know a little about their lifestyle of prayer and silence. Many of the monks have made vows of poverty, and they live a life of silent contemplative prayer. In the Gospel I told the rich man to give away all of his money to the poor, and to follow Me if he wanted to live a holy life. He went away sad because very few people can live a vow of poverty. Those, who give everything up to follow a monastic life, will have their reward in heaven. I know it is difficult for everyone to live this way of life, but you could still make room for Me in your daily prayer time. You can still strive for perfection when you reach out to do some good deeds for people, and when you evangelize souls to save them from hell. You may not live a monastic life as in a monastery, but you can still lead a holy life at Mass, Adoration, and in your prayers. Consecrate all of your day to Me, and you will be offering up all of your actions to Me."

Jesus said: "My people, you have two kinds of viruses to deal with. I have warned My people not to take any flu shots because they can cause more harm to your immune system than they can help. They are placing coded viruses in these shots which will make people vulnerable to the coming pandemic virus. This virus will have a high per cent of fatalities for people who are sick with this flu. Also avoid using nasal applied vaccines that will cause harm to your immune system. Have some masks, and take Hawthorn pills, herbs, and vitamins to build up your immune system. Come to My refuges to be healed of any viruses. There are computer viruses as well that can be targeted at large banks to cause shutdowns and bank holidays. Viruses can also be used to damage the internet, and affect computers that control your electrical grids. If major hacking occurs all at once, you could see another excuse to cause martial law. If you see a major

bank holiday or a national martial law about to be declared, then you will have to come to the safety of My refuges. Trust in Me that I will warn you when it is time to leave for My refuges."

Tuesday, August 21, 2012

August 30, 2012

Tuesday, August 21, 2012: (St. Pius X)Jesus said: "My people, in the first reading of Ezechiel (Ez 28:1-10), the king of Tyre was content with his wealth for himself without worshiping Me. He became lazy in worshiping himself as a god. As a result, I allowed foreigners to kill him and his people with the sword, even as Ezekiel was given this in prophesy. This is a lesson for all the people who allow themselves to be the center of their lives without worshiping Me. The easy chair in the vision is all about how some people are lazy instead of working when they are able-bodied. Your country has too many people who receive entitlement payments from your government for not working. Many of your people, who are young and not retired, could find jobs if they tried harder. Many of your corporations are sending jobs overseas, which is why you have so many people who are unemployed. Laziness is really a sin of sloth if jobs are available. The incentives to work are not encouraging people when their wages after taxes may be less than what is given freely on welfare. There is also a spiritual laziness in people who do not come to church on Sunday to give Me worship. You are dependent on Me for everything, whether you want to accept it or not. So do not allow yourself to be lazy in the body or the spirit."

Wednesday, August 22, 2012: (Queenship of Mary)Mary said: "My dear children, today's feast of my Queenship is an appropriate time that follows my feast of my Assumption into heaven body and soul. In the vision you are seeing my coronation as Queen that you honor in the Fifth Glorious Mystery of the rosary that you pray every day. My Son, Jesus, has blessed me with this honor for being his mother and being faithful to Him with a sinless life. He is the One who prepared me for this time in history that would allow Him to be incarnated as a God-man. Jesus is the fulfillment of all the promises of a Redeemer who would save His people. Give praise and glory to my Son who offers eternal

salvation to every soul who accepts Him and repents of his or her sins. I also want to thank your publisher, Queenship Publishing, for adopting this feast of mine in their name, and I thank them for all their work that they do in bringing souls to my Son."

Jesus said: "My people, I told parables to the people, but many times I would explain the hidden meaning to My apostles. In the parable the owner of the vineyard sent workers out to work at all hours of the day. The surprise in this story was that the owner gave each worker the same wage no matter how many hours they worked. In a financial sense the workers did not understand the difference between generosity and a fair wage by the hour. The hidden meaning in this story is more about saving your soul than about money received for work. The generosity of My justice is that if a soul repents of their sins even on their death bed at the last hour, they can still be saved from hell. I would just encourage people to come to Me now, because you could die suddenly without a chance to repent."

August 30, 2012

Thursday, August 23, 2012: (St. Rose of Lima)Jesus said: "My people, I have shown you volcanoes before in how the demons come out of them. This show of fire is what hell is all about where souls suffer. In the Gospel (Matt. 22:1-14) I told of how a king had a wedding feast for his son, and he sent out messengers to invite people to the feast. Some people killed his servants, but later the king sent his army to destroy those murderers, and the army burnt their city. Then the king called in people off the road to fill his banquet house. A man came in without a wedding garment, so he was bound and cast outside where there was weeping and gnashing of teeth. Then I said: â€˜For many are called, but few are chosen.â€ Even now I am inviting all peoples to share in My Wedding Banquet in heaven. But in order to come into heaven, each soul must be purified by repenting of their sins. Once a soul repents, that person will be given a white wedding garment of grace that will allow the person to enter heaven. Those, who do not repent, and do not have a proper wedding garment, will be thrown into the fire of hell where there will be weeping and gnashing of teeth. This is My justice, for the faithful have been chosen to enter heaven, but the evil ones will be cast into hell."

Prayer Group:Jesus said: "My people, your weather forecasters are projecting this latest storm to pass into the Gulf of Mexico. Every time that storms enter the Gulf, there is a fear that your oil and gas rigs could be damaged. This also adds to oil speculation and a rise in gasoline prices. Between food prices rising because of your drought, and the potential storms raising gas prices, you could see a considerable increase in inflation. People are already strained because of your high unemployment rate. Pray that your people can find enough food to eat and gas to drive your vehicles."

Jesus said: "My people, many of the negative ads have not really changed the minds of your voters. In recent weeks attention is coming back to the issues of budgets, the economy, and jobs. These are the real concerns of your people despite the attempts by your reporters to dwell on any news of various distractions. It is discouraging that your politicians are spending unlimited amounts of money on TV ads for President, and seats in your House and Senate. Your country's future will be determined by how your people vote this November."

Jesus said: "My people, you are seeing continuous shootings of civilians in Syria, and some countries are supplying weapons to the rebels that are fighting the government. In other news Iran and Israel are threatening attacks against each other. Much unrest in this area is threatening war, and a possible disruption of oil moving through the Persian Gulf. It is this instability that has contributed to rising oil prices. Keep praying for peace, especially in this area of the world."

Jesus said: "My people, your most recent concern has been over the rapid spread of West Nile virus by mosquitos in Texas. Other concerns are about a new flu virus in America that could be more deadly than the seasonal flu. In Africa there is a continuing concern about ebola and a new virus that has similar symptoms to HIV. Pray for a control of these diseases which will be healed at My refuges."

Jesus said: "My people, you have seen how many good factory jobs have been exported to countries like China that have cheap slave labor. As a result many American factories have closed, and your workers have had to take two low paying jobs to try and pay their bills. These disruptions have lowered the average family income so that the middle class income has actually decreased in the last decade after inflation. Most families know this fact because they are living it. Pray for your families in securing enough work to keep their homes and cars."

Jesus said: "My people, you are seeing a current struggle between those who are seeking fossil fuels and those who are seeking green sources. Your new fracking methods are finding new oil and gas supplies with some environmental concerns. Your coal plants that generate electricity still are needed for now. The green sources are not supplying enough energy to replace the oil, gas, and coal that you are using. A new energy policy needs to be formed so your old grid infrastructure can be maintained. The cost of fuels and their sources of availability are becoming a large problem for your manufacturing."

Jesus said: "My people, when you think of students going back to school, you are seeing various problems of lower enrollments in some areas and rising costs of college. Another concern has been a large amount of school loans that are becoming a major burden when graduates have difficulty finding good jobs to pay back the loans. Pray for your children to be able to afford an adequate education, and that they could obtain good jobs."

August 30, 2012

Friday, August 24, 2012: (St. Bartholomew, former name Nathaniel)Jesus said: "My people, be careful that you do not let pride run your life. Pride is the sin that led the devil's fall from grace in heaven. When Nathaniel heard that I was from the town of Nazareth, he wondered if the Messiah could come from there. This vision of a walking peacock with all of its beautiful feathers, is a symbol of how some people think that they are more important than they are. Do not look down on others if they are poorer than you are, because you are all equal in My eyes. There are some people with different gifts than yours, but you are all responsible for the gifts that you have been given. So treat everyone as your equal without discriminating with any source of pride. Keep your focus on serving Me, and put any pride aside like you would any other temptation of the devil."

August 30, 2012

Saturday, August 25, 2012: (St. Louis)Jesus said: "My people, I am grateful that you are giving devotion to My Blessed Mother of Fatima. Heaven knows that you are battling the evils of this day, and the many apparitions of the last

hundred years are helping you to bear your trials. Some people have been impatient with heaven that We have not ended this evil. You will be seeing a culmination of evil's last throes when you are faced with the tribulation of the Antichrist. Before you will see the Era of Peace that was spoken of by My Blessed Mother, My faithful will be tested dearly. When you see the coming into power of the Antichrist, you will know My victory is not far off. In My messages I am giving you hope of My protection at My refuges. I will be with you in My Blessed Sacrament to feed you My graces and strength to endure this time of evil that will grow worse. Trust in My Blessed Mother's weapon of the rosary, and My angels who will protect you. If you are facing evil times, call on Me and My angels to help you. I have asked you to be prepared both physically and spiritually for the major events that are coming soon. I will notify My faithful when it is time to come to My refuges, so you will be protected from the enemy's viruses and death threats."

August 30, 2012

Sunday, August 26, 2012:Jesus said: "My people, you have some beautiful messages of life in today's readings. You have a faith declaration from Joshua when he said: â€˜As for me and my household, we will serve the Lord.â €&#65533; This is a faith message for life that his family knows the importance of keeping the tradition of acknowledging Me as Lord and Master of their lives. The message of St. Paul is for married people to not only be submissive to each other, but they need to be submissive to Me in their lives. Just as St. Paul calls husbands to love their wives, I call on all peoples to love Me as I love all of you. When a man and woman marry, they become one flesh as you are one with Me. I call on parents to love their children, and bring them up in the faith. In the Gospel reading you see a continuing account of when people did not understand how I would feed them My Body and Blood under the appearances of bread and wine. Some of My disciples left Me, but My apostles remained faithful because St. Peter said I had the words of eternal life. This understanding of My Real Presence in My Eucharist has to be taken on faith because it is a mystery. This gift of My Presence in My consecrated Host, is a blessing so I can always be with you in My sacraments. You can receive Me in Holy Communion or visit Me in My tabernacle whenever you wish to share your love or your troubles with Me. It is also a time to ask My help in discerning any important decisions that

you need to make in life. Rejoice, My people, that I am providing for your daily needs, and I am always listening to your prayer petitions."

Monday, August 27, 2012

August 30, 2012

Monday, August 27, 2012: (St. Monica)Jesus said: "My people, today's feast day of St. Monica helps people to remind them to keep praying for their own children as she prayed for her son, Augustine, and his conversion. Many mothers can identify with her desires to have her son return to the faith. St. Monica was blessed that her son became a bishop and a doctor of the Church. I can encourage My faithful to keep praying for any relatives or friends who have left their faith. If these souls have died, they need prayers, Masses, and fasting to help them if they are in purgatory. Evangelizing or reconverting souls should be your most important work. So do not give up on any soul, but constantly pray for their conversion. In the vision you look down the road of your life, and you think that you have a long time to convert. Some people do not realize how quickly your time passes away, and you could die at any time. It is better to stay close to Me in daily prayer, and frequent Confession so you can keep a clean soul, and you will always be ready to meet Me on the day of your death. Do not keep putting off your conversion to another day, because you could pass on at any time. Rejoice and give Me praise when a soul is converted, because it is a joy to see the reward of your effort for that soul. All of heaven also rejoices over one soul that repents and is saved."

Jesus said: "My people, as you look at a dead body in the casket, you start thinking of how some day you will be dead in a casket. It is not easy to face the fact that your body is mortal, and you could die at any time. The important fact is not only that you are going to die, but that you need to have your soul prepared for the death of your body on any day. Once you die, you will have to face your Maker at your first judgment. This is why you want to have a pure soul at all times so you are ready for your judgment. The other reason for this vision is to have mercy on the deceased person's soul. You do not always know the disposition of that soul in how that person was judged. Assume that the person is in purgatory so you can pray for that soul and offer Masses up for their intention. If that soul is not in purgatory, your prayers and Masses will be applied to your other deceased family members. Rejoice when souls have finished their missions

on earth, because now they can pray for souls on earth."

August 30, 2012

Tuesday, August 28, 2012: (St. Augustine)Jesus said: "My people, in today's Gospel you read how I criticized the Pharisees for being hypocrites in their religious practices. They washed the outside of their cups and followed giving tithes in their donations, but inside their souls there were many sins. It is important for My faithful to practice what you preach by your actions. Do not just go through the motions of being religious, but you need to cleanse your sins in frequent Confession, and perform true works of charity for your neighbors. Focus on Me in your prayers, and consecrate everything that you do for My sake. People should be able to tell you are a Christian by your humility, faith, and your actions. Guard your tongue from any bad language, and control your behavior from any outbursts of anger. In essence, you need to give a good example to others so they can see that you are not hypocrites like the Pharisees were."

Jesus said: "My people, you are seeing two weather events that will be testing your people. This latest hurricane is the first to hit your mainland in some time. It is interesting that this storm is coming into Louisiana exactly seven years after Katrina, only this is a smaller storm. There will still be considerable wind and flooding with this storm. You are just approaching the peak of your hurricane season, so you could even see more storms. The other weather event is the hot weather that has brought drought to many of your cornfields. Early forecasts are for a 15% loss in your corn crop, but this could be higher in some areas. Only after the harvest can your farmers see the true reduction in your crops. Without sufficient water throughout the growing season, it is hard to have a good yield in your crops. These are just a few weather signs that can affect your food levels and even your gas prices, if there is a stoppage in your oil production. Have faith that I will provide for your needs, but major events will be testing you."

End August 2012

September 2012

Wednesday, August 29, 2012

September 14, 2012

Wednesday, August 29, 2012: (Passion of St. John the Baptist)Jesus said: "My people, St. John the Baptist was a brave evangelist who baptized many people in the Jordan River. He even baptized Me, and called out that I was the â€˜Lamb of Godâ€&#65533;. In a moment of faith he criticized King Herod for marrying Herodias who was the wife of his brother. As a result St. John was imprisoned, and later he was beheaded when King Herod made a promise to his wife's daughter. St. John became a martyr for his faith in speaking out against King Herod. Now, you are about to enter the tribulation, and you will be seeing more people martyred for their faith. In the Book of Revelation (20:4) it speaks of a time when people will be beheaded for their faith. â€˜And I saw the souls of those who have been beheaded because of the witness to Jesus and because of the Word of God, and who did not worship the beast or his image, and did not accept his mark upon their foreheads or upon their hands.â€&#65533; There have been several reports in your own country that guillotines have been purchased by your government for public executions. This is how the authorities will kill Christians for their faith. These authorities will use scare tactics of beheading people to follow their edicts. Here again My people will need to leave for My refuges to avoid the coming persecution of My faithful."

Jesus said: "My people, there is a reason that this hurricane is coming seven years after the anniversary of Katrina. You have read the Harbinger book and you have watched the movie about â€˜The Isaiah 9:10 Judgmentâ€&#65533;. In there it explains that America had its first sign to repent with the 9-11-01 destruction of the Twin Towers. Then seven years later to the day, you experienced the 2008 financial collapse. This was explained as a Jewish term of when every seven years all debts were cancelled. Now, seven years ago in 2005 your country experienced a natural sign of destruction with Hurricane Katrina that devastated New Orleans. Again seven years later, you are witnessing another hurricane that struck in nearly the same location at New Orleans. This is another natural sign from Me to again ask your people to repent of their sins. You can see the parallel of the first two signs caused by men and these last two signs are from Me, but both were separated by seven years. There is another parallel in that the first two events happened in New York City, and the second two events happened at New Orleans. If America does not repent and change its

ways even with these warnings, then your country will face a worse punishment that will throw your people into exile as Israel was punished."

September 14, 2012

Thursday, August 30, 2012:Jesus said: "My people, today's Gospel reading (Matt. 24;42-44) has significant meaning to My son. â€˜Watch therefore, for you do not know at what hour your Lord is to come. But of this be assured, that if the householder had known at what hour the thief was coming, he would certainly have watched, and not let his house be broken into. Therefore you also must be ready, because at an hour that you do not expect, the Son of Man will come.â€ In the vision you had a flashback to when a thief stole the two purses of your guests by coming into your living room while you were in a back room. You left the front door unlocked at night, even though you were in your house. When you prayed to determine the whereabouts of the purses, you saw a black figure come in. You were seeing the two demons come in with a person on drugs. These were the demons that your friends cast out of your house as the demons came to destroy your work. With this sign you know now to put blessed salt and medals buried around your house to keep the demons and evil people from entering. This is also a sign of more attacks that will be coming against your ministry. Call on Me and My angels to help you whenever you feel threatened. I am with you always, but you will be suffering more as time leads into the tribulation. Keep close to Me in prayer and continue to wear your blessed sacramentals."

Prayer group:Jesus said: "My son, I have asked you to call on Me and I will send you many angels to help in fighting the demons around you. Several times you prayed over some possessed souls and My angels protected you. Even when they caused a car crash, you were unhurt. Continue to wear your blessed sacramentals, pray your daily prayers, and share with Me at Mass, at Adoration, and in the confessional. I have asked you to do a mission for Me, and I am giving you the graces and angel protection to carry it out."

Jesus said: "My people, you have seen the devastation of your Gulf states by this storm. Pray for those who are bearing power outages and flooded homes. Send whatever donations you can to help the victims of this hurricane. Help those who

are delivering food, water, and shelter to the homeless. See this storm as another warning to America that your people need to repent of their sins and change their sinful lifestyles. Remember I am always with My people, but My faithful will have to endure a coming tribulation. In the end I will be victorious over all the demons and evil people."

Jesus said: "My people, the one world people are planning another major war in the Middle East that could greatly affect the flow of oil from this area. This potential war could still affect the outcome of your Presidential election. Even as your defenses are being weakened, you may still have to deal with fighting a new war. Pray for peace in this area, but the one world people are always behind these wars."

Jesus said: "My people, the one world people are behind causing your recessions and depressions by their control of the borrowing and printing of money. Even the Federal Reserve is run by these central bankers, and they may still put more money into circulation with further easing. There is no other way that your Treasury Bonds can be supported, except if the Federal Reserve is the buyer of last resort. The Federal Reserve is supporting your large deficits, but they are printing bonds out of thin air that adds to your National Debt. You will still see more battles over your National Debt limit and your deficit spending."

Jesus said: "My people, in private and Catholic schools the children are learning about Me and the importance of a religious life in the world. It is difficult in public schools to learn about Me because your school system is growing more atheistic by not allowing prayer in the schools. By not allowing any religious training, the children are being taught to depend on themselves or the government. You know how important it is to have Me lead your lives, so parents are forced to share their faith with their children. Keep praying for your children, and teach them the need for prayer in their lives."

Jesus said: "My people, as Christians and Catholics, My faithful need to vote against those candidates that support abortion and same sex marriage. This means that you should put your support in voting for those candidates who are against abortion and against same sex marriage. You have a clear moral choice in this election, and you need to live your faith by supporting moral choices that follow My laws. You know that abortion is against My Fifth Commandment of not killing babies. Those, who are living in fornication or committing

homosexual acts, are living in mortal sin. Pray for these souls to convert their sinful lifestyles, but do not promote those candidates who are supporting abortion and same sex marriage. Live in a proper marriage of man and woman as I gave you an example with Adam and Eve."

Jesus said: "My people, I have talked to you about the need for having refuges of protection during the coming evil of the tribulation. The Antichrist, the demons, and the evil people are going to have their hour of controlling the world that I will allow. Even while evil may appear to be winning, I will still be protecting My faithful remnant because I promised that the gates of hell will not prevail over My true Church. Trust in My angel power that will be making you invisible to the evil ones. When you see martial law caused by bankruptcy, pandemic viruses, and false terrorism, as well as mandatory chips in the body, know that this will be the time to call on Me to have your guardian angels lead you to the nearest refuge. Many are being called to set up refuges, and I will help them and reward their work. You should be thankful for all of My refuges and the builders of refuges that will provide the protection of My faithful."

Friday, August 31, 2012

September 14, 2012

Friday, August 31, 2012:Jesus said: "My people, I ask you to follow Me in the cross of My suffering. This life as a human being has many demands from you, as you are limited by the body that is in a weakened state to sin. It is not easy to live a holy life of the cross because you are dealing with the needs of the body, and the temptations of the devil. In order to strive for heaven, you need My help to struggle through all of your distractions and disappointments. When you are battling the devil or dealing with your personal troubles, you can call on Me to share your suffering with My suffering on the cross. My people need to keep themselves pure with frequent Confession so you can always be ready when I come to take you home. You need to imitate the five wise virgins, and do not be lazy in praying your prayers."

Jesus said: "My people, it is hard for the people in New Orleans where their homes are sitting in twelve feet of water. Certain levees that were repaired, are working, but other levees could not withstand the storm surge. It will be a problem to repair the levees that broke, and pump the water out of a low lying

area. More plans are needed for the next possible hurricane. Even with man's plans, a category one hurricane was able to cause much flooding and damage. Pray for the people affected by this disaster, but this is another sign to America to wake up and repent of its sins. If you do not change your sinful lifestyles, you could see even worse disasters. You need more than just a change in your physical lives, you need even a greater change in your spiritual lives."

Saturday, September 1, 2012

September 14, 2012

Saturday, September 1, 2012:Jesus said: "My son, I am showing these chains to you because many of My faithful have had to endure persecution, and even death for their faith in Me. You need to be prepared to be tested in your faith for Me, even if you are threatened with death. Many have been martyred for their faith, and they have become instant saints. Your mission has been to prepare people for the end times during the Antichrist's reign. Those, who speak out against this evil one, will face extra persecution. As time grows closer to his declaration, you will need to seek out My refuges. I told you that you would be traveling with My angels to various refuges to give encouragement to My faithful during this trial of evil. You will be traveling even as St. Paul traveled to encourage his converts in the various cities of his time. Rejoice that you have been chosen for this task to serve Me, but remain humble as you have a loving responsibility to help souls, and keep them from going to hell."

Jesus said: "My people, you saw a recent earthquake of about 7.6 off the coast of the Phillippines that caused a small tsunami. These large underwater earthquakes can cause tsunamis of a good size. In the Pacific Ocean there are many warning systems to alert people of any tsunami. Be alert that these events could happen at any time. After the devastation in Japan, many are concerned if another event could affect other nuclear reactors along the Pacific coast. Remember that I warned people to not live on the coastline to the oceans. The people in New Orleans are still suffering from Hurricane Isaac. Pray for your storm victims and be prepared for any more major disasters."

Sunday, September 2, 2012

September 14, 2012

Sunday, September 2, 2012:Jesus said: "My people, the Gospel reading is about how My apostles were criticized for eating without washing their hands. The Pharisees were citing the rules of the elders, but I could see the hypocrisy of caring for human traditions while they disobeyed My Commandments. This is why I want My faithful to give a good example by living their faith in their actions. You should have your own soul cleansed of the sins that you are preaching against. In the vision of the rainbow, there is a representation of people who appreciate the preciousness of life in protecting babies from being killed in abortion. Your deacon's homily touched on the fight against abortion in reference to the upcoming Presidential election, and electing Congress people and Senators. Christians and Catholics should be voting for those candidates who vote against abortion and against same sex marriage. This election is clear how your candidates stand, so it is your spiritual and civic duty to vote for the most God-fearing candidates. You cannot vote just for human reasons, but you must vote for people who uphold My Commandments in their votes. Abortion is killing babies, and it is against My Fifth Commandment of thou shalt not kill. So stand up against abortion publicly in your voting, so God-fearing candidates can be elected."

Monday, September 3, 2012

September 14, 2012

Monday, September 3, 2012: (Labor Day, St. Gregory the Great)Jesus said: "My people, you may be familiar with the communist celebration of May 1st every year, but Labor Day is also another reason for them to celebrate. You have been seeing movies and literature that are explaining a progressive or socialist movement in your country that is using these words to hide their communist goals of controlling America. The liberals or progressives have taken over your media and your schools to brainwash your children and the adults to follow their Marxist agenda. Atheism and the ridding of religion from your society is part of their plan, and this is the battle of those who believe in Me against those who do not. Satan is ultimately behind these evil plans, and he is directing the one world people to gain control of all nations under the Antichrist. The tribulation is the reign of this evil, but it will last less than 3 Â½ years. The communists hide their true identity as progressives, but their goals are from Karl Marx. Socialism has communism as its goal. You can see signs of this grab for power in your President's czars and Executive Orders. The liberal judges are defying the

people's laws to force voter identification so the socialists can illegally pad the vote for socialist candidates with people voting multiple times for dead people and people without proper identification. I have warned you that the central bankers can cause a bank holiday with a bankruptcy of your government. This could throw your country into chaos, and martial law could be declared that would negate your election and make your President into a dictator. This could trigger a revolution that your government has been preparing for by ordering massive amounts of ammunition. If you see such a bank holiday followed by chaos, then you will need to come to My refuges of protection from the evil ones. Trust in My angels who will make you invisible to your enemies."

Jesus said: "My people, you saw a recent earthquake of about 7.6 off the coast of the Phillippines that caused a small tsunami. These large underwater earthquakes can cause tsunamis of a good size. In the Pacific Ocean there are many warning systems to alert people of any tsunami. Be alert that these events could happen at any time. After the devastation in Japan, many are concerned if another event could affect other nuclear reactors along the Pacific coast. Pray for your storm victims and be prepared for any more major disasters."

September 14, 2012

Tuesday, September 4, 2012:Jesus said: "My people, in today's Gospel you read how there were people that were possessed by demons in My day. These demons recognized that I was the Second Person of the Blessed Trinity, and called out My Name. I rebuked the demon and I ordered the demon to come out of the man. Those, who were around Me, marveled at the authority of My Word to command the demon to come out, and the demon obeyed. You know My power is greater than the demons, and they fear even when you invoke My Name. The demons are more powerful than man, so do not do anything that would invite them to possess you. Avoid any Satanic worship, Ouija boards, curses, tarot cards, evil potions, or fortune tellers. Instead, you should wear blessed sacramentals as a scapular, a rosary, blessed salt, holy water, and a St. Benedict cross with the exorcism medal on it. In the vision you saw how anxious these demons are to bring souls to hell, and they are constantly attacking you with

their evil temptations. Do not allow your earthly appetites to control your soul in sinful pleasures. Control your tongue in your language, and do not gossip about others. By knowing your weaknesses, you can be ready to call on Me and your guardian angel to fend off the attacks of the devil. By your daily prayers and staying close to Me in My sacraments, you can avoid falling into occasions of sin. Even if you fall victim to sin, you can come to Me in Confession to free you from the bonds of your sins. I am always ready to forgive even the worst sinner. Be humble in admitting the guilt of your sins, and make an amendment to avoid that sin in the future. With My grace and My sacraments, I will lead you on a path to heaven."

Jesus said: "My people, the roots of Masonry go back many years. You were sensing a connection of these one world people to some of the communist organizations in America. In the early days of Lenin, it was the one world rich people that made large donations of money to get communism started in Russia. These same sponsors have been providing the needed funds to keep the progressive movements going to break down America. The breakdown of America is coming from within your government, where worship of Me is against the work of the one world people who take their orders from Satan. At times the liberals or progressives have the same agenda as the communists who are struggling for a takeover of America. It is the top people in the one world people's inner circle that are actually behind forming the continental unions that will be joined with the Antichrist for his takeover of the world. The evil ones will appear to be controlling the world, but I will allow My faithful to be protected by My angels at My refuges. Once the evil ones come to full power, I will unleash My Comet of Chastisement that will destroy two-thirds of humanity. I will have My angels protect My faithful by lifting them up into the air. After the three days of darkness, I will renew the earth and bring My faithful back down into My Era of Peace. The evil ones will be cast into hell, and they will no longer have influence over My faithful. Rejoice when I bring My victory over evil, and My faithful will have their reward in My Era of Peace, and later in heaven."

September 14, 2012

Wednesday, September 5, 2012: (Mario Sorge, funeral Mass)Jesus said: "My

people, pray for the mourners of Mario as they give their respects for him. You are seeing Me in My resurrected Body to give everyone of My faithful hope that one day all of you will be resurrected as well. I am the Resurrection and the life, and with My sacrificial death I have ransomed all souls who accept Me, so they can now enter heaven's gates. Until My death and resurrection, heaven's gates were closed, and souls could only go to a place of suffering because of Adam's sin. Now, at your death you can come to your judgment, and I will judge you based on your actions in life. The more gifts that a soul has been given, the more will be expected of that soul. After a soul has passed and is separated from the body, you need to pray for that soul, and offer Masses to help them out of purgatory, if they were judged there. Once souls are purified, they can now come to heaven."

Jesus said: "My people, you have now recorded seven or more incidents of gunmen killing people, and most of them killed themselves later. These events are not just by chance, but it is part of a plan to cause an excuse to try and take away people's weapons. Many of these attacks used automatic weapons which is one of the targets for your authorities to remove. I have told you before that you can place chips in people, and with voices, you can cause those people to kill people without remembering their crime. These events are more than arbitrary killings because these gunmen are well armed, and they even have body armor. The one world people know that it is difficult to take over a country with well armed citizens and militias. So their intent is to use any excuse to try and disarm your citizens. This is why you will have chaos and a revolution because many people will not give up their arms. My faithful will have to go to My refuges because I do not want My people killing others. On your way to My refuges and at them, My angels will make you invisible, and the angels will not allow the evil ones to harm you. Trust in My protection and My angels so you do not need guns to defend yourselves."

September 14, 2012

Thursday, September 6, 2012:Jesus said: "My people, in Luke's Gospel you read how I enabled My future apostles to catch a large number of fish, even though they caught nothing during the night. They were amazed at the miraculous catch, and once they landed, they left their boats to follow Me. I told them that they

would be catching people for the Gospel instead of fish. I call on all of My faithful by their Baptism and Confirmation to be evangelists of My Word. You, My son, are ever ready to go out and preach My Word to all the people who you meet in your travels. You have been given a special message of preparing the people for the end times. Remember to strengthen your faith with your prayers, Mass, and My sacraments. It is not easy to preach a hard message, but you have been willing to share My message all over your country, and other parts of the world. Call on My angels for your protection as the evil ones will be making their move for a world takeover. Trust in My doing the impossible so you can be an instrument to bring souls to Me to be saved from hell."

Prayer Group:Jesus said: "My people, it was a bit of an embarrassment for the Democrats when they had to restore â€˜God-givenâ€ and â €˜Jerusalemâ€ back into their platform. It is also unfortunate that their platform still supports abortion and same sex marriage. These two sins are the most responsible for any punishment that will come upon America. I have been sending many signs for America to repent of its sins. Since you are not obeying My laws, you will continue to be tested by events as Hurricane Isaac. Wake up America, and see how your sins are bringing you down in your lack of morals."

Jesus said: "My people, your election polls are very close for each of your candidates. I continue to tell you to vote for the most God-fearing man for President. If a person does not follow My Commandments, then it tells you more about a person's moral character. You have a clear choice of what values each candidate stands for. It also is a choice for those who keep their word, and not just a lot of empty words that are not carried out. However America votes, it will decide your fate."

Jesus said: "My people, the one world people are not always able to carry out their plans according to their time line. They have a desire to crash your stock market and end the dollar as your currency. They may not be able to cause a war or a bankruptcy before the election, but it will not be because they are not trying. If anything serious happens to cause martial law, it will create a major disruption in your country that could precipitate a takeover by the military. Pray that your people could have their say at the election. I have mentioned before that it is possible that you will never see another election. Many people will be ready for a revolution if their right to vote is taken away. Pray for peace and that you do not see a revolution."

Jesus said: "My people, I have warned you many times that your current government is stripping away your freedoms one by one, especially through your President's Executive Orders. Your Congress is not fighting for the freedoms being lost because they cannot find any compromise to pass any meaningful legislation. You are seeing both your executive and judicial branches making their own laws without any approval of the people. This also could cause an uprising if nothing is done to protect your freedoms. Continue to pray for your leaders to make the right decisions for your country."

Jesus said: "My people, your students are having a hard time to see good jobs available once they graduate from high school and college. Many of your good paying jobs are no longer available because your corporations are seeking low wages with very few benefits to be competitive. Pray that your economy will improve to provide decent jobs for your children when they graduate."

Jesus said: "My people, you are seeing a church and state division being used to rid all mention of Me in your lives. By removing Christian principles from your society, you are following the atheists who want to rid Me out of your public life. It is better to stand up against abortion, and seek prayer in public places. If My people do not voice their opinion in defense of your religious freedoms, then soon you will see open persecution of those who believe in Me. Pray for your protection and be ready to leave for My refuges once you lose your freedoms."

Jesus said: "My people, you are seeing more incidents of people being killed at church and the burning of churches and mosques. Your religious persecution is becoming more physical as vandals are venting their anger at My places of worship. The next attacks will come from your authorities when they try to restrict religious worship, and you will be forced to pray in the homes or in underground meetings. When you see evil controlling the churches, it will not be long until you will be seeking protection at My refuges."

September 14, 2012

Friday, September 7, 2012:Jesus said: "My people, in the time of King David and King Solomon a great Temple was erected to house the Holy of Holies with the Ark of the Covenant. This temple was to honor Me and My Father, and give

a place of worship. This Shrine also was built as a place to house My Blessed Sacrament in perpetual Adoration. Some may think too much money was spent on this Shrine, but it was made beautiful to give honor and glory to Me. You have a beautiful place here also to give Me worship before My Blessed Sacrament. The nuns here also pray in contemplative prayer as I have asked My people to spend some time in the quiet of their hearts. It is when you spend time to visit Me in Adoration that you can have discernment to direct your earthly decisions how to best serve Me. I thank all of the benefactors who contribute to help Mother Angelica in carrying out her mission. They will receive their reward in heaven."

Jesus said: "My people, you are witnessing a decline in church attendance of My Roman Catholic Church in America and other countries. Some areas are more faithful than others, but your people are becoming more lax in their prayers and their attendance at Sunday Mass. This decline in your numbers is another sign that you are living in the end times. I mentioned in the Bible if there will be many faithful left when I return to the earth? Satan is attacking your modern society with many addictions and distractions so he can mislead My faithful members. He takes advantage of man's weaknesses in man's spiritual life with Me. Every day is a spiritual battle to maintain your faith, and even work to improve your closeness to Me. This is why your daily prayer life and your frequent reception of My sacraments are the best way to keep your focus on Me as you struggle through life for your goal of being with Me in heaven. If you keep close to Me, and you keep strong in your faith, then you will be able to battle the devil who is trying to cause souls to get spiritually lazy. Keep calling on My help and that of your guardian angel so you can keep a pure soul. Those, who are faithful to Me even to the end of their lives, will receive My glorious reward in heaven. Strive to save your own soul, and evangelize weak souls so they can be saved from hell."

September 14, 2012

Saturday, September 8, 2012: (Nativity of the Blessed Virgin Mary)Jesus said: "My people, I am giving you this vision because coming to adore Me in My Host or in My tabernacle is the back door to My Heart. Whenever you receive Me in Holy Communion, you are one with Me as I come into your soul. This is

why I want you to receive Me only in the state of grace without any mortal sin on your soul. Also, whenever you come in front of Me in My Blessed Sacrament, you again are one with Me in your soul. This is why I have even a deeper love for My adorers, because you truly understand, as much as humans can, about My Real Presence in My Host. I know you love Me so much when you share your tears of love for Me. I rejoice in your tears, and I store them in your treasure box in heaven. I invite all of My faithful to be daily Adoration members, because I want all of you to share in My love, and have a deeper commitment to serve Me. It is one thing for My people to call Me, Lord, Lord, but it is more meaningful to act out your faith in your daily life. This means helping your neighbors both in their physical needs and their spiritual needs. This is why it is important to share your money, time, and talent with people. It is even more important to share your love for Me with others in your evangelization efforts. Pray every day in your consecration to Me and My Blessed Mother so you can offer up all of your prayers and actions for My greater glory."

Jesus said: "My people, many of your people do not fully appreciate all the freedoms that you have, compared to other countries. The one world people are slowly closing a vise on your freedoms as they try to remove them one by one. They have two immediate goals of taking away your religious freedom, and controlling your guns. You will see your religious hospitals and related nursing homes forced to remove religion from public buildings. They will even try to take away any church tax exemption. Slowly any public worship will become a crime. After many gun incidents that have been staged, your authorities will first outlaw automatic guns and then all guns. They will send out armed troops to go house to house in order to confiscate all weapons. Lastly, your Executive Branch will declare your country as a part of the North American Union, and all of your rights will be lost as you saw the Statue of Liberty carried away. Along the way you could see chaos and even a revolution against this takeover. Once your freedoms are taken over, you will need to come to My refuges for protection from the evil ones who want to take over America. These events will be happening in a short time so My faithful need to be prepared to leave for My refuges. Trust in Me to have your guardian angels lead you safely to My refuges."

September 14, 2012

Sunday, September 9, 2012:Jesus said: "My people, once you heard the Gospel of My healing of the deaf and dumb man, you can be thankful for having all of your senses that are working. Remember that to those, who are given more, more will be expected of them. This is true of the vision where you cannot just sit on a log, but you need to get up and help people without being lazy. Even as you are called to help your neighbor, I am also calling out to your heart in love. As I called the deaf man to open his mouth to speak, so I am calling My faithful to open their hearts to let Me in. My Heart of love is always open to you, but your heart is like a door that you need to open from the inside to accept Me into your heart. Once I can enter your heart, we can be one in love, and I can share My Divine Will with your will. By knowing My plan for your life, you can fulfill the purpose I have for your life. If you do only your own will, you are not allowing Me to be active in your life. So be open in your heart to know and love Me, then you can serve Me in the use of your God-given talents that use all of your senses."

September 14, 2012

Monday, September 10, 2012:Jesus said: "My people, right now there is a veil of secrecy over your earthly events because your eyes have been blinded by your earthly weaknesses to truly understand your sins and the sins of others. You will all soon experience My Warning when your conscience will be illuminated to understand the severity of your sins and how you have offended Me. Your spiritual eyes will be opened, and you will then be more responsible for your sinful actions because I will have shown you what you were doing wrong. You will also be able to understand the evil of the sins of others. It will be revealed more about the evil one world people so you will clearly know their intentions and how the Antichrist will come to power. You will see and understand the evil of the Masons in My Church as you will see the division occurring between the schismatic church and My faithful remnant. My faithful will be persecuted, and you will need to attend Mass secretly in the homes. Not long after the Warning, it will be apparent to you how the two beasts of the Antichrist and the false prophet will be working together to take over the world. I will warn My faithful when it will be time to come to the safety of My refuges. Some will be martyred

and become instant saints, and some will be fighting at the Battle of Armageddon. Have no fear, because My angels will protect you from the evil people and the demons."

September 14, 2012

Tuesday, September 11, 2012:Jesus said: "My people, you have seen droughts, fires, and storm damage from your last hurricane. In the vision I am showing you more storms and natural disasters that are going to continue to punish America for your sins and laws against My Commandments. If your people do not repent and change their sinful ways, you will see more disasters coming upon your country. Many signs have been given to you in storms and man-made events, but still you refuse to stop your sins. You have recovered from some mild events, but even greater disruptions to your lives will befall you. Be prepared to come to My refuges when your freedoms are taken away, and your lives will be threatened. Pray for My help when evil men will be trying to control you in every facet of your lives."

Jesus said: "My people, traveling through life is similar to praying your rosary. A reverent rosary is said slowly so you can keep focused on the meaning of the mystery that you are praying. If you pray fast, then you are focused more on just repeating words without thinking of the meaning of your prayers. This is true also in how you live your life. If you speed through your life just to try and do a lot of things, then you will not have enough time to dwell on what and why you are doing things. You may be able to visit many places, but your memory of things will be just a blur. If you travel through life at a slower pace as on a bicycle, you may do fewer things, but you will do each thing better and more completely. If you take your time, you can plan things better, and have more time to learn from your mistakes. Just as praying your rosary at a slower pace is more pleasing to Me, so living your life at a slower pace is also more pleasing to Me. Satan knows this as well, so he is always urging you to rush through things so you lose the value of learning from your mistakes. Let Me lead you through life at a slower pace, so you have time for prayer, and you will be following My Divine Will instead of your own will."

October 1, 2012

Wednesday, September 12, 2012: (The Most Holy Name of Mary)Jesus said: "My people, the Gospel of the Beatitudes is a good example to live by, and the Beatitudes are the good works that you could do for your neighbors. Call on Me to give you the spiritual courage to reach out and help people. St. Paul's Epistle spoke of the need for celibacy so those, who evangelize as priests, could be free to devote all of their time to saving souls. In the vision of the Communion rail, you remember in past years how it was more reverent to kneel as you received My Host. There are other traditions in your old Mass that pleased Me dearly in your singing and praising. In older days more people came to Confession more often as you saw longer lines at the confessionals. My priest sons need to encourage Confession and visiting Me in Adoration. The graces of a good Confession are being missed by some, and others should be cleansing their mortal sins so they can prevent any sins of sacrilege. There are fewer people coming to Mass on Sunday because they are not nourishing their faith in Me properly. There is a mystique of holiness in coming to church that is missing in many people today. If they truly understood how beautiful it is to receive Me into their souls, the people, who are not coming, would be drawn to church again. Be a good example to your children in leading them to Sunday Mass, and invite them to share My Blessed Mother's rosary in their daily prayers."

Jesus said: "My people, the one world people and Iran are sponsoring the Moslem Brotherhood to take over the Arab countries surrounding Israel. The incident with this anti-Islamic movie was perpetrated to instigate an excuse to attack your embassies on 9-11. After Syria is taken over, their next target will be Saudi Arabia which could shut down oil deliveries to America. This will affect oil and gasoline prices which could rise to cause an economic recession or worse. America needs to work quickly to get more independent sources of oil so you are not so dependent on the Middle East oil. Once oil supplies are in danger, America may try and defend the oil countries as Saudi Arabia from any Moslem Brotherhood takeover. This could cause a war with Iran and other countries. The

speed of any takeover attempts could possibly interfere with your election. I mentioned before that a war or bank holiday could cause a martial law takeover that would stop your election. If such a martial law occurs, My faithful will need to come to My refuges of protection. Trust in My angels to protect you from the evil ones."

October 1, 2012

Thursday, September 13, 2012: (St. John Chrysostom)Jesus said: "My people, you know how much I suffered on the cross so all of you could be redeemed from your sins. In the Gospel I emphasized to you how you should love Me and your neighbor. I even asked you to love your enemies and those who are persecuting you. To love one's friends is only what sinners do in loving their friends. I want My faithful to strive for perfection as My heavenly Father is perfect. This means that you need to love everyone as I love everyone, even your enemies. Each day I ask My faithful to take up their crosses of the trials of life, and bear their pain in union with Me on My cross. This is why I am showing you My cross of suffering. Offer up all of your trials and persecutions to Me so souls can be helped both on earth and in purgatory. Just as My faithful receive My graces from My redeeming crucifixion, so others can receive the redemptive benefit of your suffering as well. Keep close to Me in prayer and My sacraments, and you will receive your reward in heaven."

Prayer Group:Jesus said: "My people, I thank all of you for attending this holy hour in front of My Most Blessed Sacrament. Your prayers are balancing off some of the evil going on in your world. You have prayer group meetings on My side, and you have occult group meetings on the side of the demons. You have seen how the demons are attacking many souls, and the sin in your world is a result. You have a daily battle with the demons, and you need to invoke your binding of the spirits prayer and the St. Michael prayer. Use your blessed salt, blessed crucifixes, and holy water to fight the presence of the demons. They run from My cross and saying My Name. You know My power is greater than the demons, but you need to cleanse your souls with frequent Confession and receive Me in Holy Communion often."

Jesus said: "My people, you will be seeing a frequent number of disasters that

will cause damage to your homes and your infrastructures. Fires, wars, and uprisings are in your future as your freedoms are at risk in your country. The one world people are continuing their plans to ruin your financial system. Your Federal Reserve is continuing to inflate your dollar with a new round of Quantitative Easing III. Fear not those who are trying to destroy your country, as you will need to eventually come to My refuges of protection."

Jesus said: "My people, you have heard these plans before that the one world people are trying to crash your dollar which could lead to a bankruptcy of America. Your dollar is losing its status as a reserve currency. Because of your increasing debts and deficits, your rating agencies are ready to reduce your credit rating. It will become harder to finance your deficits when fewer investors will want to buy your Treasury Notes. Once this debt cannot be funded, interest rates will be forced higher, and more dollars will need to be printed. Once your money reaches hyperinflation, then the dollar will be near worthless. This will cause the dollar to fail, and it will be replaced by the amero. A crash of the dollar is coming, and it will create chaos and possible killings that could invoke martial law. This will also be a time to come to My refuges."

Jesus said: "My people, you are seeing signs of future food shortages along with potential problems with your banking system. I have warned My people for some time to put aside six months to a year's supply of food for the coming world famine and a bank failure. If your money becomes worthless, it will be hard to buy food. Crop shortages could also contribute to food shortages. You could use your food to survive the coming trials until it will be time to come to My refuges. You are to share your food with friends and relatives. I will multiply what you have put aside when it is needed. Those, who do not heed My warning to save some food, may risk starving or they could be killed trying to find food."

Jesus said: "My people, during the coming tribulation, My faithful will need to come to My refuges where My angels will protect them. Refuges need to be on consecrated land with an independent supply of water. My refuge leaders need to store food and have bedding places for the people. You will also need hygiene kits for personal cleansing and latrines for bathrooms. My angels will bring you daily Communion and they will multiply your food and dwellings as they are needed. My angels will make My faithful invisible to their enemies, and they will defend My faithful from harm. Have no fear of coming to My refuges because I will see to all of your needs."

Jesus said: "My people, My faithful, who do not live at a refuge, should be preparing some things to bring for their journey to My refuges. In your backpacks you could bring your sacramentals of rosaries, blessed salt, blessed medals, andBenedictine crosses. Also, you could bring Bibles and Mass books. For your physical things you could have a tent, some sleeping blankets, a windup flashlight, two changes of clothes, a small amount of food and water, cups, plates and silverware, a shovel, towels, and wash cloths. These are the main things, but masks, and matches for a fire would help. Again I will multiply what you need."

Jesus said: "My people, at My refuges My angels will provide a consecrated Host in your monstrance so each refuge could have perpetual Adoration. Your people at the refuge would take their own hours to keep praying in front of My Host. My daily Communion and Adoration will be your strength to endure this short time of the tribulation. Trust in My power and My miracles to provide for your needs."

October 1, 2012

Friday, September 14, 2012: (Exultation of the Holy Cross)Jesus said: "My people, in the first reading the people of Israel complained about the manna that I sent them for food in the desert. Because of their grumbling, I sent them saraph serpents that bit the people and some died. The people asked Moses to help them, so he mounted a bronze serpent on a pole, and lifted it up for the people to look on and be healed. This is an image of Me as I was lifted up on My cross so I could heal people of their sins. I even rewarded the good thief by telling him that on that same day he would be with Me in paradise. I call all of My people to pick up their daily cross and suffer their trials with Me on My cross. You are all struggling through the demands of your human existence so you can have your reward with Me in heaven. Do not fall into despair from whatever you are suffering, but look on Me face to face on My cross, and ask Me to help you through each day. Consecrate everything you do to Me, and you will gain your reward in heaven for your sufferings. Remember also that I will raise up My luminous cross in the sky over My final refuges so My people can look on it and be healed of all of their infirmities. My cross is your salvation and a source of healing. By My perfect sacrifice, you will see My faithful saved from hell and

brought to heaven. Satan had people kill My human body, but I confounded him and sin as I turned an evil deed into a saving act for souls who accept Me. Cling to My cross as your comfort in this life, even if you must suffer pain for My sake."

(Difante Family Mass) Jesus said: "My people, you are celebrating My feast day of the Exultation of the Cross. It is the grace of My death and Resurrection that has brought redemption to all of mankind. It is up to each person's free will to accept Me and follow My laws, and I will bring that person to heaven. I am always present to you in My tabernacle, but I am still suffering on the cross for all of the ongoing sins of man. This river in the vision represents My endless graces that are constantly available to My faithful through My sacraments. Every time you come before My tabernacle, you can drink in My graces for your visit. Give praise and glory to Me for all the gifts of My graces that I make available to everyone. Many times you watch the river flowing as in the vision, and it is amazing how it seems endless. This is how endless My graces flow out to you from My abundant graces. Take advantage of every grace that you can have from coming to daily Mass. You have a miracle of My Body and Blood which comes before you at every Mass at the Consecration. The more graces you receive, the easier it will be to fight the devil's temptations."

October 1, 2012

Saturday, September 15, 2012: (Our Lady of Sorrows)(Seven Sorrows: the prophecy of Simeon, the flight into Egypt, the loss of the child Jesus in the Temple, the meeting of Jesus on the way to Calvary, Jesus dies on the cross, Mary receives the Body of Jesus in her arms, the Body of Jesus is placed in the tomb) Mary said: "My dear children, I painfully suffered these sorrows as I had to endure my Son's death on the cross. I knew His mission was to save all of mankind from their sins, but as a mother, it is hard to lose a son, even if He is God's Son. I was privileged to be the Mother of Jesus, and I am called blessed among all women. Not only am I the Mother of Jesus, but I am also the mother of His people in the person of St. John at the foot of the cross. I watch over all of my children, and I protect you with my mantle. Call on me in my rosary as you pray the Mysteries of the life I had with Jesus. I am happy to share the joys and graces of my Son, even in the midst of my sorrows."

Jesus said: "My people, I am showing you this stagnant pond with algae to represent a pond that was not being cared for. Sometimes you can use chemicals or have a flow of water to keep the algae from forming. This can also represent a person's spiritual life that is not active. To guard anything of value as your soul, you need to put up a defense, and nourish your spiritual life with prayer, fasting, and Mass. The devil never sleeps, so you cannot ignore your spiritual life, or you may succumb to his temptations. You also need to wear some blessed sacramentals as a defense against demonic attacks. Beware also of any addictions that may try to control you, because demons are attached to addictions. You need to be constantly vigilant because you need to have pure souls, so you are ready to meet Me at your judgment when you die. Those, who are faithful to Me in life, will receive their just reward in heaven."

Sunday, September 16, 2012

October 1, 2012

Sunday, September 16, 2012:Jesus said: "My people, today's reading tells you how faith without works is dead. I have mentioned before how My faithful need to serve Me and your neighbors. When you help your neighbors, you are helping Me in them. In this audience in the vision I am showing you people who are being entertained. When it comes to doing good works for your neighbor, you need to become workers and not just spectators. Some people, who are more fortunate financially, could spend more time and money to help the poor. The more you help others, the more graces you are storing in heaven. Charity comes from the heart, and it is another way to show Me your love and your love for your neighbor. The wealth that you have is only temporary, and you should share what you have while you still can. Remember that I love a cheerful giver."

October 1, 2012

Monday, September 17, 2012: (St. Robert Bellarmine)Jesus said: "My people, you are seeing many world events that are leading up to a financial disaster as well as a planned war in the Middle East. Either of these major events could trigger a martial law that could mean a takeover of America, and the loss of your freedoms. I have told you many times that I will bring My Warning experience before you would be forced to go to My refuges. The one world people have

their plans for a takeover, but I am the One who will determine the time when I will allow this to happen. This is why I am again showing you a vivid picture of how the Warning will appear for everyone. You literally will be swept off your feet out of your body and outside of time as you will pass quickly through a tunnel until you see Me in the Light. You will all experience your illumination of conscience in a life review that will be similar to a dying person or a person with a near death experience. You will be focused on your unforgiven sins as you will remember them when you return to your body. I will warn you not to take a chip in the body and not to worship the Antichrist. You will be shown the place of your judgment and experience that place for a while in heaven, hell, or purgatory. Then you will be sent back into your body with a strong feeling to confess your sins. If you do not change your life, then your judgment will be the same. People will also be prepared to leave for My refuges when the events lead up to the coming of the Antichrist. Come to My refuges when I warn you, or you may have to suffer martyrdom. Trust in Me to protect your soul, and allow your guardian angels to lead you to My refuges. The battle for souls will intensify greatly, but never give up your faith in Me, even if you are faced with becoming a martyr. Those, who remain faithful to Me, will see their reward in My Era of Peace and later in heaven."

Jesus said: "My people, you are dealing with the one world people who worship demons and superstitions. Just as older civilizations believed in various gods of mythology, so these people follow astrology as Hitler did. Many of their war plans are favoring the right alignment of the stars. You are seeing the Israeli leader speaking of months before Iran could have enough enriched uranium to make an atomic bomb. You are also seeing war games of many nations with multiple aircraft carriers and other ships planning a defense against Iran. Iran is planning a war games display. With so many ships in close proximity, any miscalculation could accidently start a war. In addition to a planned bank holiday, there is still a plan by the one world people to instigate a war with Iran. Such a war could quickly involve many nations that could trigger a world war. Israel has atomic weapons, and if they feel threatened, they would use them to preserve their country. Any use of nuclear weapons could trigger multiple bombs going off with a threat to mankind's survival. Pray that such a war does not happen, and that nuclear weapons are not used."

Tuesday, September 18, 2012

October 1, 2012

Tuesday, September 18, 2012:Jesus said: "My people, in this vision of time moving forward, this means that the time of evil's reign is running out. The evil people, who are preparing the way for the Antichrist, are about to bring on their worst struggle to cause a world takeover. They are preparing a financial disaster of a world depression amidst another world war. Their goal is to steal your wealth and make you their slaves. They may take away your money and your homes, but I will protect My faithful at My refuges. Refuse to take any chips in the body so the evil ones cannot control you with their voices. Some will be martyred in the death camps, and some people, who take the chip in the body, will be your enemies who will try to kill My people. Allow My angels to defend you so you do not use guns to kill people. I have been warning you of these coming events for many years, and soon you will see these trials happening before your eyes. Trust in Me when I will warn My faithful to leave for My refuges of protection."

Jesus said: "My people, many of your appliances, vehicles, computers, and anything using microchips are vulnerable to EMP (Electromagnetic pulse) attacks. Some EMP weapons use a small nuclear device which could spread radiation and EMP effects. There are also portable EMP weapons that could be carried by airplanes and directed on localized targets. These weapons can destroy microchips, and they could paralyze equipment and cities. Only if you could provide new chips, or repair your damaged electronics, could your equipment start working again. This is why it would be smart to have such a supply of chips buried in the ground with a shield around it. Many countries have access to such EMP devices, and they could be used to neutralize an enemy's defenses that use guided missiles. This is why it would be good to plan for a non-electric means of travel like bicycles in case your vehicles do not work, or when gas is not available. Trust in My help when I will protect My faithful at My refuges that will be shielded from this warfare."

October 1, 2012

Wednesday, September 19, 2012: (St. Januarius)Jesus said: "My people, I have talked about the one world people many times, and they are the elite in terms of

money and power to influence governments. These people at the top are some of the people who actually worship Satan, and they carry out his directives. This is the meaning of the vision in that those, who worship Satan, are on a path to the flames of hell unless they convert and are saved. These people are even fighting amongst themselves for leadership and power. Once these elite leaders place the Antichrist into power over the world, they are going to be surprised by a double cross when the Antichrist will kill these leaders, and put his own people in power. The one world people are ruthless in their killings of people, and it is poetic that they will be killed themselves. You can put them in your prayers, but it will be near impossible for them to change without them asking for My help. You heard the message of love given by St. Paul. If these people or others do not have love in their hearts, then they will be like clanging cymbals."

Jesus said: "My people, you know how much I love mankind because I was incarnated as a God-man so I could die on the cross for all of your sins. This is why you should have a large crucifix on all of your altars so you never forget how I died to save mankind. All Three of Us Persons in the Blessed Trinity are pure love, and it is out of sharing Our love that creation was brought about. I am showing you My Sacred Heart because My love for My creatures is overwhelming. I love all of you equally so one soul is no greater than another. I even love those souls who have rejected Me, but they have chosen the wrong destination of their own free will. I want My faithful to love Me so our hearts can be joined in love. I have given you My Commandments which call you to love Me and your neighbor as yourself. I have even asked you to love your enemies and your persecutors. It is hard for man to do this on his own, so call on Me to give you the grace to love everyone. I have called My faithful to be perfect as My heavenly Father is perfect. In your human condition loving everyone may seem impossible, but for Me all things are possible. Pray that all souls could be converted, even though many will use their free will to reject Me. By My grace and possibly the Warning experience, you could see some conversions. I will not refuse any repentant sinner from coming into My loving arms."

Jesus said: "My people, this vision of the wet pallet represents how America is on a skid into both a bad economy with a possible war. People want to know dates when things will happen, but I only call your attention to the signs that are happening around you. Many people are aware of your unemployment rate at

over 8.0% for the last three or four years. Even this rate is closer to 22% if you include those who stopped looking for work, and those who are only working part time. Your National Debt is over $16 trillion with obligations of $56 trillion for unpaid promises for your entitlements. Your government is spending over $1.3 trillion more than it takes in for taxes. The Federal Reserve has started more Quantitative Easing (QE3) because it has to buy 70% of your debt in order to prevent your country's bankruptcy. With government spending out of control, you will soon see hyperinflation with the printing of more Treasury Bonds. The Federal Reserve and the central bankers are bailing out your banksâ€ bad mortgage loans at $40 billion per month without any limit. These are signs that show a bank holiday is not far away. Signs of a coming war can be seen in all the Moslem Brotherhood takeovers of the Arab nations as Libya and Egypt where attacks are occurring against your embassies. A danger to oil deliveries is apparent with Iran's threats to oil shipments through the Persian Gulf. Other conflicts are heating up between China and Japan over some uninhabited islands. The same one world people who are threatening a crash of your dollar, are the same people who are trying to instigate a war with Iran so they can profit from expensive oil prices when oil will become harder to ship. Look around you at these signs, and you can see why your freedoms are in danger of being lost. Have no fear, as I will protect My faithful at My refuges."

October 1, 2012

Thursday, September 20, 2012: (St. Andrew Kim & Korean martyrs)Jesus said: "My people, you are seeing in a cloudy mirror America's sins of abortion, fornication, and homosexual acts in same sex marriages. America has been sent signs in 9-11-01, 2008's financial disaster, and the Katrina and Isaac hurricanes. Still your people do not understand that even your leaders are bringing the Isaiah 9:10 judgment against your own nation. You have the Harbinger book that explains the parallels between Israel and America. Israel rejected God's warning to repent of their sins, and they were punished by being taken over and exiled into Babylon for over seventy years. So now in America, you also are being warned of your sins in this mirror and the events that I mentioned. Yet, your people are still refusing to repent of their sins and change their sinful lifestyles. Because you have turned your back on Me, and you have not heeded My warnings, your country will face disasters and a financial chaos that will take

away your freedoms. The one world people and their puppet leaders will take over your country, and you will be defeated and exiled as Israel was because of your worship of other gods. These gods are lust, money, fame, and material things which are against My Commandments, when you should be worshiping only Me. Be prepared, America, to meet your fate, for you will be reaping the punishment for sowing the sins of your passions."

Prayer Group:Jesus said: "My people, your Constitution has a Bill of Rights which is to protect your individual freedoms. I have mentioned before how you are losing your freedoms one by one, as your Congress and your President are passing legislation and edicts that are threatening your constitutional rights. Your religious freedom came under attack in forcing religious health institutions to hand out birth control devices. Some state laws require identification to vote, but the voters are being usurped by liberal judges who are placing injunctions against these laws. When Congress stops certain legislation, your President is forcing this legislation on the people with his Executive orders. Even your health care law will try to force you to buy insurance and have you take chips in the body. Many of these actions take away your freedoms, but your people are not fighting them. If your people do not take a stand against corrupt politicians and judges, then you will have no rights, and you will be forced into the North American Union. Pray for My help in fighting these injustices."

Jesus said: "My people, many inventions and technologies were developed in your space programs. Now you are seeing cutbacks in supporting research and space exploration. There is a need for a good education, but you need to have practical jobs and industries to find good jobs for your graduates. By allowing businesses to send good jobs overseas, you are taking away America's manufacturing potential. The financial incentives need to change to protect your home industries, and allow your inventive skills to keep making needed products. Pray for your children's jobs that they will be available when they graduate."

Jesus said: "My people, your people should take back the right to generate new money without it incurring interest for the central bankers. Your Federal Reserve has taken too much power upon itself with the continuous quantitative easing that now is buying $40 billion per month of the banks bad mortgage loans without any limit in time. They are printing bonds out of thin air to purposely inflate your money supply. There is no check or balance on this thievery, and

they are controlling interest rates at 0% so savers do not get any interest. These bankers and your deficit spending will lead America into bankruptcy if nothing is done by your people."

Jesus said: "My people, the overall plan of the one world people is to form unions on every continent so they can be given over to the Antichrist for his reign of evil. This is why the Presidents of America, Canada, and Mexico are working against the people's rights to form a North American Union (NAU). This is why the one world people want to crash the dollar and replace it with the amero. The quicker they can take over America, the quicker they can form the NAU and bring on the Antichrist's reign. Such a union will take away your money, your sovereignty rights, and your constitutional republic. All of your wars have been fought for your freedom, but these freedoms will be given over to your new dictator. Once this takeover occurs, My faithful will need safety at My refuges."

Jesus said: "My people, I understand the pain and frustration of My faithful who are trying to cope with the evil things that are gaining more control over your lives. Once your jobs, food, and safety are threatened by your evil dictators, it will be necessary for My faithful to leave for My refuges. Many are preparing refuges for you to come to where My angels will protect My faithful. The evil ones do not have any power over My heavenly communications. My angels will be allowed to do the impossible in multiplying your food and dwellings. They will have power to make you invisible to the evil ones, and the angels will protect you from any harm."

Jesus said: "My people, I am showing you My coming victory over evil both in the Battle of Armageddon and My Comet of Chastisement. My people need to have hope and trust in My power when I will allow the evil ones to have a brief reign of power. I told you that the gates of hell will not prevail over My faithful remnant. All of the enemy's armies will be defeated in the Battle of Armageddon by My faithful soldiers and My angels. The Comet of Chastisement will defeat the evil people and demons as they will all be cast into hell. Rejoice when I will bring My faithful into My Era Of Peace."

Jesus said: "My people, you will be seeing another religious battle when My Church will be divided into a schismatic church and My faithful remnant. This split will cause My faithful remnant to go into your homes for your prayers and

services. The schismatic church will follow New Age worship of idols instead of worshiping Me. Eventually, you will need to go to My refuges of protection as the atheists and your authorities will be seeking to kill all believers in Me. Be thankful that My angels will protect you, even though some faithful will be martyred. My faithful will have their reward in My Era of Peace and later into heaven."

October 1, 2012

Friday, September 21, 2012: (St. Matthew)Jesus said: "My son, just as Levi was willing to give up everything and follow Me, so you were willing to do My mission when I called you. Some people, who were called to be prophets, were reluctant at first, but you wanted to follow My Will for My calling, and I thank you. Your mission to prepare people for the coming tribulation is not an easy one, and some people do not want to hear your message. When people are asked to store food for bad times, and leave their homes for refuges of protection, this is hard to accept. Yet, I am providing a means of protection from the evil people and the demons so your soul will be safe. Some of My faithful will be called to be martyrs, and they will become instant saints in heaven. Those, who live through the tribulation at My refuges, will be brought into My Era of Peace and later into heaven. This plan of Mine will be made clearer to everyone in their Warning experience. It is a privilege to be living in this time of My victory. Rejoice, My son, in the mission that I have given you, and stay close to Me in My sacraments and your daily prayers."

Jesus said: "My people, this experience of missing your exit was because that ramp was under construction, and that is why you could not find the name of your exit. Sometimes in life you try to do the right thing, but people have changed the rules, and you have to follow a discerned detour. When you are doing My mission, I will have My angels directing you to your destination, even if it means following a different route to get there. I have given you many messages to share with the people on how best to be protected during the tribulation. Just as you allowed My angels to help you reach today's destination, so you can call on Me and My angels will lead you to the nearest refuge with a physical sign. When you live in trust by following My Will, do not have any fear, but rely on Me to keep you safe from any evil. You will be entering a time

of evil and a time of chaos. So do not be alarmed by your events, but be calm in following My directions. It is the same way for My faithful as they first come to My refuges. My refuge leaders need to calm down these new arrivals with prayer, and show them the miracles that I will perform for My people as multiplying food and dwellings. Once these new arrivals understand how I am protecting them and providing for their needs, they will calm down from any doubts. Then they will trust in My care for them. This truly is how I take care of people all of the time, but you do not always appreciate how I am working in your lives to help you. Give praise and thanks to Me for all the gifts that you receive from Me every day."

October 5, 2012

Saturday, September 22, 2012:Jesus said: "My people, I point out to you My greeting: â€˜He who has ears to hear, let him hear.â€ This Gospel is about listening to My Word of the Gospel. You are fortunate to have Bibles so you can read My very words as recorded by My evangelists. In the first reading you heard how you are made up of body and spirit. The body seeks earthly things, while the soul seeks to have rest from its Creator. In order for My faithful to grow and bear fruit, you must listen to My Word, and place it in your heart. It is only by your providing fertile ground that My Word can grow in your heart. By focusing on Me and living a holy life as I did, you can go forth in performing good deeds for your neighbor out of love for Me and love for them. I give you My Word, but it is what you do with My Word that will allow you to profit from My direction for your life. Not all people have open hearts to receive My Word, and some even reject My Word. These are the souls who need your prayers, since without your help, they could be misled on their path to heaven. Keep praying for them, and they could be saved. You can help your neighbors with the physical needs of their lives, but helping to save their souls by your prayers would be the most important gift that you could give them. Remember to keep listening to My Word, and you will gain eternal life in heaven."

Jesus said: "My people, I am showing you this lonely crucifix as a representation of the many locked churches where I am a prisoner and I am alone in My tabernacles. You are fortunate to find Adoration chapels where you can come and visit Me in My monstrance or My tabernacle. I am God, yet people should

have more access to visit Me in My Hosts. I understand why churches are locked to prevent vandalism, but each area should have one chapel open for people to visit Me. I am a loving Being, and I desire to be with My faithful who believe in My Real Presence. I enjoy every moment that someone comes to keep Me company. Come to Me and share your daily troubles with Me so I can calm down any of your fears. Allow Me to give you discernment in making any major decisions in your life. I love My adorers very much, and I thank you for every visit that you take time to come and see Me. I love you and I want you to share your love with Me. It is a beautiful time in Adoration when you can pray to Me in contemplative prayer. Take five to ten minutes to pray with Me in silence. Be open in your hearts and minds to listen to My words. If you can hear My words, you need to place these words in your journal of secrets. If you have a spiritual director, you could share these words with him. I give gifts of prophecy to many souls, but they need to be open to Me in order to share My words with others."

November 1, 2012

Wednesday, October 17, 2012: (St. Ignatius of Antioch)Jesus said: "My people, My Church has been built on the rock of St. Peter and his successors. This is the Church that I established, and the gates of hell will not prevail against it. This structure of My hierarchy has provided the ruling authority of My Church, and you have had My Word of faith handed down to you from the evangelists of My Gospel. My Church has interpreted My words to follow in your daily lives. Each faithful person has this faith in Me to live by, and to trust in Me that I will give you the graces that you need through My sacraments. It is the support of My Church and the power of the Holy Spirit that strengthens you to keep going every day to put your faith into action by your good works. It is your faith, prayers, and actions that will put you on the right path to heaven. St. Paul tells you how to avoid your earthly passions, and strive to imitate My life of holiness. In the Gospel I am chastising the Pharisees and the lawyers because they voice My Word and place burdens on the people, but they do not practice what they preach, nor do they lift a finger to help people with their burdens. It is so

important to not be a hypocrite. In other words it is by your actions that you show your true love for Me in all that you do. Your love for your neighbor should be seen in how you reach out to share your time and donations of money with them. It is your charity in good deeds and your following My Word that will store up treasure in heaven for your judgment. Keep trust and faith in Me and the Holy Spirit as your pillars of support to get you through each day's trials."

(Gina's Confirmation) Jesus said: "My people, I want you to pray for religious vocations for more nuns and priests. You also need to pray for your priests, deacons, bishops, and nuns to remain true to their vocations. You need sufficient numbers of priests and bishops so your churches can be filled, and My sacraments can be made available to My faithful. My sacraments are your sources of grace that you need for strength against the daily temptations of the evil one. As you receive each sacrament, say a prayer for that priest to give him your support. The priests are most thankful for the parishioners that are praying for them. Receiving Confirmation gives you grace and the seven gifts of the Holy Spirit: counsel, piety, wisdom, understanding, knowledge, fortitude, and fear of the Lord. There are also twelve fruits of the Holy Spirit: charity, joy, peace, patience, benignity, faith, goodness, long-suffering, mildness, modesty, continency, and chastity. All of these gifts and fruits are bestowed on the candidates who receive Confirmation. Be thankful for all the priests and nuns who are making a life commitment to Me to serve My people in the religious life. Give thanks to Me also for Gina and all the candidates who are saying yes to be soldiers for Me in the battle against evil."

Jesus said: "My people, this vision is showing you a ship that was sunk in the Strait of Hormuz by Iranian weapons. The ship appears to be an oil tanker. This will be the result of a threat carried out by Iran because of the effect of the sanctions on their economy. If such an event takes place, this threat could slow down oil tanker traffic for fear of losing more boats. America has taken the responsibility for the traffic through this narrow waterway. Such a destruction could start a sea battle that could lead to a wider war of destruction between America and Iran. If such a battle starts before the election, there is still a possibility that your election could be cancelled. Pray that you do not see a terrorist act in your country, or a war start before your election. You could even see a false flag terrorist incident that would allow a martial law to keep your

President in power. If martial law does occur, My faithful will need to leave immediately for My refuges. Trust in My angel protection no matter what plans the evil ones want to carry out."

November 1, 2012

Thursday, October 18, 2012: (St. Luke)Jesus said: "My people, you know that the devil is strong right now, and many people are falling away from their faith in Me because they are being distracted by many material things and theevents of your world. The attack is being felt the most on the people who are weak in their faith, and they have forgotten to pray their daily prayers. It is hard for some people to recognize how their spiritual lives are deteriorating, but their physical lives are normal. This starts with people who do not come to frequent Confession, and they stop praying. Coming to Mass on Sunday is not enough to remain close to Me. Gradually, these weak souls stop coming to Sunday Mass, and they become part of the lukewarm who know better, but I will vomit them out of My mouth. Pray that the coming Warning will wake up these lukewarm souls, or they are risking hell which I will show them. America is slowly becoming a pagan nation because of your liberal and atheistic media that is removing My Name from everywhere, even from your coins. It is time for America to wake up in this coming election, or you will become a part of the North American Union with no rights, and the loss of your dollars over to the amero."

Prayer Group:Jesus said: "My people, I have told you that time is running out before the main events as the Warning and the Antichrist's coming are very near. Since the devil' time is running out as well, he will be working harder to bring souls to hell. You are living in the end times as evil will have its reign for a short time. You have been living a sheltered life for many years with all of your modern conveniences. Soon My people will be suffering an increasing persecution. After the Warning, events will lead up to the Antichrist' declaration. It is at that time that My faithful will need to come to My refuges for My protection from the evil one."

Jesus said: "My people, every time that you look on My crucifix, you are reminded of how much I love each soul in My desire to die for all of mankind'

sins. It is these rays of love that shine out into your hearts which are very much like the rays of grace and mercy that come out in My Divine Mercy image. Be grateful that I came to earth as a redeeming Savior so all souls could have an opportunity to come to heaven. Give praise and thanks to Me for fulfilling My promise after Adam' sin."

Jesus said: "My people, I instituted My Eucharist at the first Mass when I consecrated the bread and wine into My Body and Blood. This gift of Myself to My faithful is the most precious gift that I could give you. This is how I will be sacramentally present to My people in every tabernacle until the end of this age. I have given you My other sacraments as a source of grace, and Confession is how I can cleanse your sins to make your soul worthy to receive Me in Holy Communion. My people can come to Me at any open church so you can pray to Me in My tabernacle. Adoration is a special love for Me where I can hear your petitions and I can give rest to your soul. Treasure these moments with Me in Holy Communion and when you are present in front of My consecrated Host."

Jesus said: "My people, you all know that your bodies are mortal, and one day I will return to take you home to your judgment. Those, who fear death the most, are those souls who are far away from Me. Every soul will have to make an accounting for that soul's actions and how time was used. I will be looking for the least glimmer of love from each soul. Souls, who completely reject Me, will be condemning themselves to hell by their own choosing. Those souls, who love Me, may need to be purified in purgatory, and then they could come to Me in heaven. Few souls can come directly to heaven."

Jesus said: "My people, every day you have a struggle with the evil one's temptations as you strive for the higher levels of heaven. You have choices to perform good works for your neighbor and to pray each day for My Blessed Mother's intentions. Every day is another step closer to heaven on this stairway. I have given each soul a set number of years to work on the mission that I have appointed for that soul. By giving your â€˜yesâ€&#65533; then your heart will be open to follow My plan for your life."

Jesus said: "My people, many people go through life and they accumulate physical wealth in the bank, in stocks, or in precious metals. This is called elusive wealth because it can be taken away just as it was gained. You will not be judged in heaven on how much wealth you have accumulated on earth

because this world is passing away. In your heavenly treasure box your spiritual treasure cannot be stolen, nor will it lose its value. It is this spiritual treasure that you will have at your judgment to offset any of your sins. This heavenly treasure is much more valuable than any earthly treasure."

Jesus said: "My people, I have warned you many times that My faithful will come under persecution so much that you will need to go underground in secret to have any celebration of Mass or prayer groups. For a time you will be able to worship Me in this way at your homes. Once your government authorities start to imprison and kill Christians for their faith, or for a failure to take a chip in the body, then you will need to come to My refuges for protection. It is My angels who will guide you to My refuges and protect you with an invisible shield. Rejoice in My protection because soon I will bring My victory over the evil ones, and then I will bring My faithful into My Era of Peace."

November 1, 2012

Friday, October 19, 2012: (St. Isaac Jogues and companions)Jesus said: "My people, in today's vision of gas pumps, you are looking at the new normal of high gasoline prices at or above $4 per gallon in America. Your grocery items will also be rising in price due to your shortages of apples, corn, and other crops that suffered from man-made weather manipulations. Your whole economy is being manipulated by the central banker's Federal Reserve that is pumping more money into circulation with QE3 to cover the expense of your deficits and increasing National Debt. You have not seen hyperinflation yet because the banks are sitting on trillions of dollars that they are not loaning out. Instead, the banks are using this money to cancel their bad loans that were created by Wall Street's derivative debacle. Eventually, your dollar will crash because there is not enough money or credit in the world to unwind all the bad derivative bets that were made on bad loans. Many banks and investment firms were betting big money just as people gamble in your casinos. When these bets were lost, now these greedy people want the taxpayer to bail out their bad debts. This is why the Federal Reserve is buying $40 billion/month of these worthless loans and bad derivative bets. These one world people want to crash your economic system so they can take over your country. They will use computer viruses or supposed hackers to close your banks as a beginning sign of their attempted takeover. Such

a bank holiday could lead to riots and a martial law. Your time to leave for My refuges will come when your lives will be in danger. Be prepared to leave your homes with as much as you can place in your vehicles. Have trust in My protection during the coming tribulation."

Jesus said: "My people, I tested My apostles on how so many people could be fed. One said it would take two hundred denarii worth of bread to feed the crowd. Another said that there was a boy with two fish and five barley loaves, but what was this for so many people. Then I blessed the food, and I had My apostles distribute the multiplied fish and bread to the people. I was generous with the food, but I did not want to waste any food, so they collected seven baskets of fragments. Even as I multiplied the fish and the bread for the people, I will also have My angels multiply My Communion so everyone will have daily Communion at My refuges. I will bring deer into the refuges so you will have meat at night. I will also multiply your fuels, water, food, and bedding places. Give thanks and praise to Me because I will be protecting My faithful from evil, and I will provide for your needs."

November 1, 2012

Saturday, October 20, 2012: (St. Paul of the Cross)Jesus said: "My people, there is only one goal in this life, and it means that you either love Me or not. I encourage everyone to come to Me because I am your Creator and your Savior. I love all of you so much that I became a man so I could die as a sacrifice for all of your sins. When you look at the intricacies of My creation, you see how everything fits together in a balance of nature. Man in many ways is upsetting this delicate balance of nature with his fertilizers, pesticides, and GMO (genetically modified) crops. Even the animals are given growth hormones and crossbreeding for various financial reasons. All the plans of man are imperfect, while all of My plans are perfect. You are also seeing more diseases that are man-made for the purpose of reducing the population. Many vaccines and flu shots actually harm your immune system instead of preventing diseases. It is diabolical that companies as Monsanto and the drug companies are making GMO crops and flu shots for the purpose of reducing the population. The GMO crops are causing cancers, allergies, autism, infertility, and many other diseases in the digestive tract. The vaccines also are causing autism and other disorders.

The problem with these side effects is that chemicals are changing the very DNA of your crops and animals. These food sources are affecting many human diets which lead to many diseases because your body does not recognize these DNA changes in the food. For the health of My people, I am encouraging you to avoid GMO crops and the meats of animals that are fed these crops and hormones. Also avoid taking any flu shots, and fight the health professions that are forcing their people to take these bad shots. The next stage will be to force you to take chips in the body, or you will lose your jobs as well. Refuse to take chips in the body, even if they threaten your lives. When mandatory chips in the body come, it will be time to come to My refuges. Trust in My words because Monsanto and the drug companies are only making money on these threats to your health."

Jesus said: "My people, over the years you have seen many people martyred for their faith in Me. It is not easy to be led like a lamb to the slaughter, but it is better to die a martyr's death than to deny that you believe in Me. The blood on the ground now is from the civilians being killed in Syria by their own government. The blood of My babies killed by abortion is on the hands of the doctors and mothers who aborted their children. I will forgive those, who repent of their sins, but they will have to deal with this guilt the rest of their lives. Keep praying for peace from wars, and for the stoppage of abortion. Your meeting today in downtown Rochester, N.Y. was uniting all Christians who are standing up for their religious freedoms from a government that rules by edicts and not by the vote of the people. It is the misuse of the Federal Register on regulations, the misuse of Executive Orders, and ramming legislation through by the Congress that has enabled your health plan to be forced on your people. Many Congress people did not even read this legislation before it was passed. Your people will have a say this November on whether this law will be carried out."

November 1, 2012

Sunday, October 21, 2012:Jesus said: "My people, coming to Mass on Sunday to worship Me is expected of all Catholics because it is the Third Commandment of keeping Sunday holy. Those, who refuse to come to Mass on Sunday, are committing a serious sin if they are able and not sick. Some people do not come because they are spiritually lazy, and they are becoming part of the lukewarm. It is hard to keep up the support of your parish if people do not come, and do not

make a worthy donation. Of the people who do come, there are some who could contribute more than a token amount. These people have money for their comforts, but only share a little in their envelopes. I ask people to give Me at least one hour a week to come and acknowledge their Lord who gives them all that they have. You come on Sunday not only to worship Me, but to thank Me for what you have. Every time you come to Mass, you receive My Real Presence in Holy Communion for those in the state of grace. The same people, who are missing Mass, are also not coming much if at all to Confession. My sacraments are there to cleanse the sins off of your soul, and to strengthen you to fight the devil's temptations. Pray hard for your family members to come to Sunday Mass, and give them your good example to encourage them to attend Mass and come to Confession."

Monday, October 22, 2012

November 1, 2012

Monday, October 22, 2012:Jesus said: "My people, this symbol of a train rushing by represents when I come to take each soul home in death. You do not know when your life will be taken because it will seem like a thief in the night. So keep your soul pure by frequent Confession so you are always ready for Me at your judgment. There are some people as in the Gospel who accumulate wealth, and they think that they will have a long retirement to enjoy their money. But none of you can promise that you will be alive tomorrow. So take each day as a gift, and live it as your last in order to make the most out of your allotted time. Have your will and finances in order because you do not know how much longer you will live. While you are still here on earth, you could try to do as many good works for your neighbor that you can. At your judgment I will be asking you if you fed the hungry, gave water to the thirsty, clothed the people, or visited the sick, elderly, and the imprisoned. If you have done these things, then I will put you on the path to heaven. If you were selfish and did not do these things, then you may find it more difficult to get into heaven."

Jesus said: "My people, the seven new saints were already saints in heaven, but My Church recognizes saints usually with three miracles attributed to them after their death. This ceremony yesterday was special for Kateri Tekakwitha and Marianne Cope because they were from New York State. Many people are involved in struggling to have the Church honor someone with sainthood.

Documentation of the needed miracles is crucial in that decision. So once these people become saints, it is a testimony to the saint and to the hard work needed for the cause of gaining sainthood. I ask all of My faithful to strive to be saints because only holy people can enter heaven. Every time souls enter heaven, they receive a crown of sainthood. This is why I call people to be perfect so they will not suffer long in purgatory until they are released from purgatory into heaven. A crown of sainthood is awaiting each faithful soul in heaven."

Tuesday, October 23, 2012: (St. John of Capistrano)Jesus said: "My people, you come to Mass every day to appreciate My gift to you in the miracle of the trans-substantiation of the bread and wine into My Body and Blood. You receive My Real Presence in Holy Communion, and I am with you to help you through all of your trials of the day. Living in the human condition makes you vulnerable to the devil's temptations, and all of your health problems. Many times sickness can try your patience as you suffer fever, pain, and nausea. Now you are also seeing many cancers from your food and your environment. As you pray for people in sickness or death, you can comfort others by your visits and sharing the grief of those who are mourning the loss of their loved ones. Be thankful for the gift of My sacraments in all of the stages of life from birth to death. By keeping close to Me, especially in frequent Confession, you can keep a pure soul so you are always ready to meet Me at your judgment."

Jesus said: "My people, this scene outside at night represents the American voters who are kept in the dark about the real issues facing your country. The latest sequestration of over a trillion dollars in cuts is to help balance the budget, but it really will just help pay for the overspending on your out of control entitlements. The same can be said for any tax increases in 2013. To control entitlement spending would take some cuts in benefits, but neither party will move before the election. The Executive branch is stealing your freedoms with edicts and Executive Orders that are not being questioned by your Congress. At the current rate, America will soon become a part of the North American Union unless there is a change in your government. This election will be a choice for either socialism or a democratic republic on the temporal side. On the spiritual side it is a choice between a moral or an immoral society. If America's voters do

not wake up, they will soon see their freedoms disappear. Pray that your citizens will vote for those who will defend your freedoms."

November 1, 2012

Wednesday, October 24, 2012: (St. Anthony Claret)Jesus said: "My people, it is one thing for a single thief to break into your house to steal something. It is another thing when a country allows the thieves of the central bankers to come in and steal or inflate your money until it is worthless. Once the Federal Reserve was given the right to charge interest on your bonds, and to print Treasury Notes without any backing, you have let the fox come into the chicken house. Now you have Quantitative easing with no limit, and the buying of the banksâ€ bad debts will not help your economy or produce any jobs. Once the banks start to allow more borrowing, you could see a huge increase in inflation. If the banks continue to hold on to their new money, then you could see a worsening economy with more lost jobs. The coming tax increases alone could cause more lost jobs and a recession. The real theft of your country could come with a martial law that would take away your freedoms and force you into the North American Union. If martial law occurs, My faithful will have to leave their homes for the protection of My angels at My refuges."

Jesus said: "My people, you have heard some of the plans of the one world people, but their time line has not been exact, even by their own admission. I am still in control, and I will only allow the evil ones to have their reign when it is according to My time. Before the major events are allowed, I will bring My Warning experience to give every sinner a wake-up call and some time to repent and convert. You have seen one plan to crash the banks in the third week of this month fail as some tried to hack into your banks. At times the one world people put out misinformation to scare the people. Time for My Warning is growing short, and after the Warning events will move fast to bring the Antichrist into power. I am providing My refuges as a safe haven for My believers to be protected during the tribulation. So have some food and fuel ready until you will be forced to leave for My refuges. I will alert people when it is time to come. Trust in My protection as your guardian angels will lead you to the nearest refuge. They will protect you with a shield of invisibility. At the end of this short reign of the Antichrist, I will bring My Comet of Chastisement, and My angels

will cast the evil ones into hell. I will then renew the earth, and bring My faithful into My Era of Peace, and later into heaven. Rejoice when My victory will come over the Antichrist and Satan."

November 1, 2012

Thursday, October 25, 2012:Jesus said: "My people, faith in Me is a gift, and all of you are presented with My Word in the Bible and My sacraments. It is the soul's choice to seek Me first in Baptism, and continue to follow Me through life's struggles. There are some who do not have parents to baptize them, so these souls may have to choose Me later in life. At some point in each person's life, there is a time when each soul needs to make a personal commitment to follow Me. As you see in the vision, the people are climbing the wall of life, and each person is at various stages of progress in his or her faith. Some progress quickly in loving Me, some are slower, and some fall away from their faith. In the Gospel I am showing people that not everyone in your family is going to be a true believer. There is even a possible division in families between those who believe in Me and those who do not. Keep praying for all of your family members to be saved from hell, especially for the lukewarm or those who do not come to church. It is by your persistent prayers that all of your family could be saved."

Prayer Group:Jesus said: "My people, I have shown you a message of destruction for New York City before (6-4-12). Now your weather forecasters are projecting your latest hurricane to strike close to New York City. With enough prayer it is possible to minimize any damage or send it out to sea. It is interesting that this will come into your financial district right before your election. America has been warned to repent earlier this year when Hurricane Isaac struck New Orleans exactly seven years to the day after Hurricane Katrina. I told you that if America does not change its sinful ways, you could see more destruction. America needs to wake up to all the signs that you are being given."

Jesus said: "My people, your people need to prepare in case this storm strikes near your home in the North where you could see power outages on your power grid. You should have some oil lamps, windup flashlights, extra food and water, and possibly alternative fuels if it is cold. Depending on the severity of the

storm, this will determine how quickly power could be restored. Many of these preparations are the same that My faithful will need before you need to leave for My refuges. Pray for the safety of the people to minimize any deaths." (Note: 10-30-12 there were 8 million homes without power.)

Jesus said: "My people, your new Health Plan, if it is enacted, will cause a problem in determining who gets an operation and who does not. Not only are your health costs going to increase, but there is a problem with not enough doctors to help 33 million new people that will have their insurance with your government. Everyone will not get their needed operation that will be dictated by your 18 member panel that will make these decisions. Other countries that have national health insurance see their people getting secondary health insurance in order to get their operation in a shorter time or to guarantee not being denied. Pray that mandatory chips in the body are not forced on your people as part of this health plan, or you will need to come to My refuges."

Jesus said: "My people, the latest budget cuts will fall heavily on your military because it is a large portion of your budget. With many possible wars that could happen in the Middle East, it is hard to reduce weapons that may be needed to protect Israel. Your Congress will need to make some hard choices on what budgets to cut so you can strive for a balanced budget. Pray that your leaders will make the right choices for your country."

Jesus said: "My people, it is more important to celebrate All Saints Day than to give more time to Halloween. Giving out candy to the children is one thing, but dressing them up as witches, devils, and like give more honor to evil than good. It is better to dress the children in less offensive costumes. Pray that parents do not give their children the wrong message in any honor of evil."

Jesus said: "My people, as your prayer groups, Mass people, and other religious groups have older people, you are losing more of your faithful members to death and health problems. You can remember many of your friends that have died this year. Recently, your daily Mass friend, Bob Carey, just died, and you will be planning for his funeral. Pray for his soul and for his wife and family who are mourning his loss. When you see the current list of friends, you wonder how are you going to replace these souls."

Jesus said: "My people, I keep stressing how important it is for Americans to

stand up for all of your freedoms, including your religious freedom. This Freedom Bell goes back to your founding documents that set up your government as a democratic republic. Today, the central bankers are taking away your financial freedom by using the Federal Reserve to inflate your currency with Treasury Notes printed out of thin air, and by buying your mortgages for nothing in buying the banks bad house loans. If your people do not resist this thievery of your country, then you will soon wake up, and they will have taken over your country. America needs to repent of its sins and take back the people's authority in your government to print money before you cease to exist as a free people."

November 1, 2012

Friday, October 26, 2012:Jesus said: "My people, at times you want to have a quiet word with Me away from the busyness of your worldly things. This is why it is so nice to know which churches are open, so you can visit Me in My real sacramental Presence. When you come before Me, you can pray in discernment of any hard choices in life that you need to resolve. When you are in contemplative prayer with Me, you can think of which areas of your life that you need to improve, so you can be more pleasing to Me in your behavior. You were discussing how I love everyone, even the worst of sinners. It is truly your actions that can displease Me at times. I love people more when they love Me sincerely with their heart, mind, and soul of their own free will. This is why you need to pray for all of your family members, especially those who are far from Me in their actions. It is on your actions that you will be judged, because all souls are lovable as My creations."

November 1, 2012

Saturday, October 27, 2012:Jesus said: "My people, I am showing you this Blessed Sacrament chapel as an expression of My love for My people for every time you receive Me in Holy Communion. The fireplace represents the fire of My love that is forever burning in your heart. Many times in pictures you see a flame burning in My Sacred Heart. This is an eternal flame of love that I send out to permeate all of My creation. The seat against the wall represents My

peace and rest that I bestow on all of My faithful when you come into My Real Presence. When you looked upon My Host in the monstrance, you felt a tingling throughout your body when you became one with Me as you will feel all the time in heaven. Receiving Me in Holy Communion is the best taste of heaven that you could receive on earth. Give praise and glory to Me for My gift of Myself to all of you in My Eucharist. Give thanks to Me for being your Creator and Redeemer of your soul from your sins. Keep close to Me in all that you do out of love for Me. I send My angels of protection to guard you from the evil one, and I give you My blessings to guide you on your path to heaven."

Jesus said: "My people, you are always being tempted by the evil one, and at times you find yourself in sin. This cleansing water is like the cleansing of sin with Baptism. In the Gospel you saw how I exorcized the legion of demons out of the possessed man. Because the demons drowned the swine, the people asked Me to leave their territory. I have given you messages before about possessed people in this age, but this Gospel reminds you that some people could be possessed by more than one demon. An exorcist priest would be the ideal person to exorcize possessed people. At times such a priest may not be available. My faithful can pray as a group for deliverance of such demons, but you should protect yourselves with your sacramentals, holy water, and blessed salt. Bind any evil spirits to the foot of My cross in My Name, and pray the long form of the St. Michael prayers. Sometimes you need to pray such deliverance over people with addictions to drugs and alcohol. Many addictions are tied to demons which is why these people need deliverance. I warn people to avoid occult meetings and seances, as well as tarot cards, palm readings, hypnotism, Reiki, and any other Eastern transcendental meditation. Avoid evil potions, and all Harry Potter movies and books which lead to witchcraft, spells, and curses. By wearing your sacramentals of scapulars, rosaries, and Benedictine crosses you can protect yourselves from any demon possession. When you feel that you are under attack by demons, then call on Me, and I will send you more angels of protection. Have trust in Me that I am guarding My faithful from harm at all times."

November 1, 2012

Sunday, October 28, 2012:Jesus said: "My people, America has been warned in many ways to repent of its sinful lifestyles, or a punishment will fall on your

country. Your laws and decisions are allowing abortion, and they need to be changed. Just as individuals are responsible for their sins, so nations are also responsible for the collective sin of their people. America is being tested by many weather events as a punishment for your sins. If Americans do not repent of their sins and change their lifestyles, they will suffer like Israel in the loss of their freedoms. Keep praying for your country and the souls of its people, and you could mitigate any suffering."

Jesus said: "My people, I have told you that places of My Blessed Mother's apparitions would be places of refuges. This will be a rustic refuge as many refuges may not have electricity. Even if food and bedding places have not been prepared, I will have My angels provide for your food and bedding. They will multiply the buildings so people will have a place to stay. The angels will also multiply the food and water that will be needed. There is a special angel of protection here at this place."

Jesus said: "My people, churches that have Adoration of My Blessed Sacrament will be refuges during the tribulation. The angels will help expand your church and provide dormitories for the families to live. Any food preparations will be multiplied for the people who come here so they have enough to eat. Your well will become healing water as well as water to drink. Rejoice in this church when you will have perpetual Adoration. I will even multiply your candles and other needs for this church. The leader will need to direct many people in the jobs people will need to do in helping your community. Rejoice in My angel protection throughout the tribulation."

November 1, 2012

Monday, October 29, 2012:Jesus said: "My people, I am showing you another major earthquake on land near the Western coast of your country. This split could be severe and some people could die as a result. You have seen a recent earthquake of 7.7 in the Northwest area. You will see some aftershocks, but it also could cause other faults to move as a result. Be prepared for more serious earthquakes, especially if the one world people use the HAARP machine to initiate them. The Gospel reading shows that I healed many people, and some were healed on the day of rest. The Pharisees criticized Me many times for

healing people on this day, but they were too focused on the letter of the law instead of on the spirit of the law. They did not want to accept that I was the Second Person of God, and that I was Lord of the Sabbath. I have compassion for all people at all times of the week, and I am listening to your prayers constantly. Call on Me with your petitions and I will answer them in My way and in My time. Give praise and glory to Me in all healings that you see and in all the gifts that you receive."

Jesus said: "My people, Hurricane Sandy is the second storm in a row after Hurricane Irene last year to strike in the New York State area. This storm was much larger and the damage is larger also. Millions of people are experiencing power outages, and they may have to deal with cold weather and heaters that are not working. I have warned My faithful to have food, water, and alternate fuels for the coming tribulation, so they are already equipped to handle power outages, and to be able to leave their homes for My refuges with their backpacks. Being prepared can help for any kind of disaster as this hurricane. This storm is coming as a wake-up call for America, and as a punishment for your abortions. This storm is being directed by the jet streams and by the use of the HAARP machine. Pray that the damage can be mitigated and without much loss of life."

November 1, 2012

Tuesday, October 30, 2012: (Bob Carey's Funeral Mass)Bob said: "God bless everyone. I am happy to see all of my family and friends that could come to my funeral Mass. I love you Mary, and all of my family. I will be watching over you and praying for all of you. I thank all of my care givers in my last days. I am in heaven, and I am happy to be free of pain in my soul body. I know my family will take good care of Mary. I have had a full life, and I was happy to help the church in the ways that I could. I thank all of the priests at whose Masses I attended. I enjoyed My hobbies, but I am now joyful to be in the workshop of the greatest Carpenter."

Jesus said: "My people, the effects from this latest hurricane have caused millions of families to lose power, and the flooding could upset normal business for weeks. One problem caused by the power outages would be the affect on people voting next week. If a fair percentage of people could not vote, then some

areas may have to postpone their votes until later. Already people are having problems getting food and gasoline. People will have to be patient in helping each other until order can be restored. It will depend on how quickly roads can be cleared that will determine how soon power can be restored. Some reserve troops are keeping order at night, and they are delivering needed food and water. Those, who are prepared, will have no problems with food, lights, and fuel for heat, but those, who are not prepared, may have to go to shelters for help. Pray that your power can be restored in a short time, and that people will share their food and water."

November 14, 2012

Wednesday, October 31, 2012:Jesus said: "My people, today's first reading spoke of honoring and respecting your parents throughout their lives, especially in their old age. You are seeing a flashback to your own parents, who are deceased, and you know they are in heaven. They were good examples of the faith, and they brought you up in Catholic grammar school. Your father took you and your brothers to monthly Confession. Your parents asked you to keep some pictures of them in plain sight so you could remember them. Right now they are telling Me how much they love you and your family, and they are proud of all that you are doing. In the same way as parents yourselves, you need to take care of your children and grandchildren, and especially watch out for their souls in following their faith in Me. You have even seen how your wife's father has been looking out for your family with a special mission to get your family members to attend Sunday Mass. You all love your family members, and you do not want to see any of them go to hell. So make an effort to pray for all of your family members, and encourage those, who are not coming to Sunday Mass, to start coming regularly. Parents are responsible to pray for all the souls in their family so they can be saved."

Jesus said: "My people, every time a disaster strikes, your political leaders only think of rebuilding without My help, and without repenting of your sins. These leaders used the Isaiah 9:10 prophesy in their speeches, and it became a judgment against your people. You have had Hurricane Isaac strike New Orleans exactly seven years after Hurricane Katrina in the same place. Now you are seeing a parallel of Hurricane Sandy coming a year after Hurricane Irene struck

New York as well. People are not seeing these disasters as signs, yet the disasters keep getting stronger in terms of the destruction. I have drawn your attention to the Harbinger Book before to try and show you why America is being punished for not repenting of its sins, and people are not changing their sinful lifestyles. Keep praying for your country and the sinners that need conversion. I will protect My faithful at My refuges, but the unbelievers need to convert their lives after My Warning, or they could be judged to hell. Time is running out for souls to be saved, so pray hard every day for these souls to be saved from hell."

Thursday, November 1, 2012

November 14, 2012

Thursday, November 1, 2012: (All Saints Day)Jesus said: "My people, you know how My Church canonizes many saints to give them as examples to follow in your lives. This feast day also celebrates all of the saints that are in heaven that have not been recognized by My Church. Being a saint one day in heaven should be the goal of everyone who loves Me. It is not easy to endure the human condition of constant temptations of the evil one, and suffering the pains and sicknesses of the body. Some of My saints even suffered martyrdom, or they were tortured and persecuted for believing in Me. Those, who believe in Me, appear foolish in the eyes of the worldly, and the worldly people do not understand the belief of My faithful that I am truly Present in the consecrated Host. My faithful are ever vigilant in their prayers, Masses, and sharing in My sacraments. By staying close to Me in this way, you will have the graces to carry out My mission for you on earth. Each soul has been given a unique mission that only that person can fulfill. That is why each soul is special to Me, and I guide each of you on your path to heaven. There are some souls who choose to follow their own will, and they may not accomplish their mission. Pray for all sinners who have not been judged yet, so they can be saved from hell. Not all souls come straight to heaven, but very few do who suffer their purgatory on earth. Some are lost to hell by their own choice, but the rest may be purified in purgatory for a time. Once a soul is brought to heaven, that soul receives a crown of sainthood, and the soul receives his or her reward to be in My love and peace for all eternity."

Prayer Group:Jesus said: "My people, you are celebrating All Saints Day today which is the real feast day that should be honored more than the Halloween

witches and devils. It is unfortunate that some children are being given the wrong message about celebrating evil things instead of the saints. Maybe parents should dress their children up as saints instead of evil things."

Jesus said: "My people, you are seeing all the destruction of homes and power outages where people are suffering. My people need to reach out with prayers and donations to help the victims of this storm. You are seeing in disasters how people come together to help each other with the necessities of food, water, and heat. Pray that people will have their power restored in a short time."

Jesus said: "My people, I have warned My faithful to have some extra food and water for the coming and present disasters. When power is out, you see how helpless you become for light, food, and heat. Those, who have prepared, will have sufficient food, oil lamps, and wood burners for heat. At My refuges you will be used to no electricity in a rustic living. Get used to having your comforts removed when My faithful will suffer more persecution."

Jesus said: "My people, I have advised My people to prepare food and water for the coming tribulation. When you see how desperate people get without food, water, and gasoline for their cars, then you will understand more how much you should be prepared. While people are comfortable and they have heat and electricity, they become complacent, and they do not see the need to store food, water, and fuels. Your preparations are not hoarding, but they are meant to be shared for your survival. Let this event wake up people out of their laziness and really understand the need for these preparations. Have trust in Me that I will protect My people at My refuges."

Jesus said: "My people, just as there are poor and those starving for food, so there are souls starving for My love and peace. You know enough to help the poor with the necessities of this life, but many do not realize that many souls are lost in their sins, and they suffer as poor in spirit without Me in their lives. Share your faith with everyone, and work to evangelize even the worst of sinners because you do not want any soul to be lost in hell."

Jesus said: "My people, a time is coming when you will see both a division in My Church and a persecution of Christians from your government. This meeting in the home tonight is a little preparation for when this will be your only way to express your Christian faith. Meeting in secret at night will help until you will

have to leave for My refuges. Be prepared for more persecution and harassment from your government and those who do not believe in Me. Pray for all people to be converted by giving your example of faith to others."

Jesus said: "My people, it is good that you are honoring your deceased friends and relatives. All souls do not go directly into heaven, so My people need to pray for the souls in purgatory and have Masses said for them. With enough prayers and Masses, many souls could be uplifted from purgatory into heaven. Do not forget these souls, but pray for them every day, especially for those whom no one is praying for."

Friday, November 2, 2012

November 14, 2012

Friday, November 2, 2012: (All Souls Day)Jesus said: "My people, some people do not believe in a life after death or in praying for the dead. I have mentioned before how few people are fortunate to go straight to heaven. The two biggest groups of souls are those who choose to go to hell, and those who need purification in purgatory. The souls in purgatory cannot pray for themselves. They rely on the people who are still living to pray for them and have Masses said for them. Masses help the souls the most in advancing them through the levels of purgatory toward heaven. I have asked people many times to pray for the poor souls in purgatory. Even in your will you could have people set up Masses to be said for your intention. Once you die, and if you are sent to purgatory, you will also have to rely on your family members to pray for your soul, and have Masses said for you. All the people in purgatory suffer from not seeing Me or experiencing My love. Those souls, who are in the lower part of purgatory also suffer a burning sensation in their soul body like the flames of hell. The good thing in purgatory is that all of these souls are saved, and one day they will be with Me in heaven for all eternity. Keep praying for all sinners so they can at least gain purgatory, and avoid a hopeless eternity in the flames of hell."

Jesus said: "My people, you may at times think that a day moves slowly, and at other times a day flies by when you are active. But if you look at how old you are, the years have gone by quicker than you thought. When you come to Me for your life review at your Warning experience or at your death, you will be again

fascinated by how fast time passes. You will see all of your actions flash by outside of time, and you will see the good and bad things that you did in your life. There will be a focus on your unforgiven sins as places to improve. At the end you will see your current judgment of where you stand, but hopefully at the Warning, you will be able to improve your current status. You only have one lifetime and one soul, and you need to make a good accounting for your time and your good deeds in order to come to heaven. Live every day as your last with a pure soul, and you will be ready for your judgment."

November 14, 2012

Saturday, November 3, 2012: (St. Martin de Porres)Jesus said: "My people, in the vision you are seeing an audience that represents the workers, and the actors on a stage that represent the leaders. Many of your leaders in government are like puppets on a string. They are doing the bidding of the one world people. Many of your people in New Jersey and New York are suffering from power outages and gasoline shortages. Now the cold is moving in, and heating a home is becoming more of a problem. Many are going to shelters, but some are trying to protect their homes from vandals. Many people are not aware of how the HAARP machine can be used by the one world people to direct storms as Hurricane Sandy by changing the jet streams that steer these storms. If people knew how HAARP and the chemtrails were used as black operations to cause chaos with storms and earthquakes, they would be furious. But this is what is being done to affect the election and reduce the population. Your leaders will be held accountable for all the evil things that they are doing to your people. Remember that the more people are given, the more that they will be held responsible. Also, the more people exalt themselves, they will be humbled. The more you humble yourselves, the more that you will be exalted."

Sunday, November 4, 2012

November 14, 2012

Sunday, November 4, 2012:Jesus said: "My people, I have warned My faithful of a coming division in My Church between a schismatic church and My faithful remnant. This evil schismatic church will be led by Satan using New Age teachings and heresies. This will cause My faithful to form an underground

church as in the catacombs of older days. You will also see religious freedoms under attack by your government, and Christians will be martyred again for their faith. When your lives are in danger, I will call My faithful to have their guardian angels lead them to the protection of My refuges."

Jesus said: "My people, in the days that I lived on the earth, food was not as plentiful as what you have today. At the Last Supper this was a celebration of the Passover Meal which used unleavened bread, cups of wine, and bitter herbs which was a food made in haste. This custom of unleavened bread is still used today in the Host of Communion. The altar wine has certain requirements as well. These two simple foods are used at the Mass, but these should not be substituted by leavened bread. The consecration of these physical species into My Body and Blood is the most precious gift of Myself that I could give to My faithful in My Eucharist. This sacrament is so holy, that My people are directed not to receive Me with mortal sin on your souls. Those, who commit a sin of sacrilege, are committing another mortal sin that should be confessed. I welcome all souls to Confession so you can cleanse your sins from your soul, and then you are worthy of receiving Me in Holy Communion. You gain graces from both sacraments, but many are not coming to Confession as often as they should. The worst situations are people who are living together in mortal sin with fornication, and they continue to come to sacrilegious Communions. Pray for these souls who are disgracing My sacrament of Communion when they need to confess their mortal sins first. In your families you need to encourage your own relatives to live a proper life. Those souls, who continue to live in sin, are risking the fires of hell. Keep praying for these souls since your prayers could save these people."

November 14, 2012

Monday, November 5, 2012:Jesus said: "My people, you are seeing Satan controlling the one world people in all of their attempts to ruin My creation, and reduce the population as well. You are seeing the HAARP machine used to create storms that kill people, and major earthquakes that kill people. You are seeing chemtrails place millions of tons of toxic materials in the air as aluminum oxide and barium ions with viruses that kill people and cause diseases. You are seeing many GMO (Genetically Modified Organisms) crops being used that are killing people with cancers and other diseases. Even your vaccines are being

abused to kill people and lower your immune system defenses. Man through his corporate greed is destroying the harmony of My balance of nature. Yet your people are blind to all of this destruction because of the brainwashing of the people with the lies from your media. Wake up America and see how you are being punished by the one world people's control for all of your abortions and sexual sins."

Jesus said: "My people, you are still seeing people without electricity in cold weather. Let this be a warning to people to have alternative sources of heat for the winter along with enough fuel for several months. It is hard to live in a cold home in the winter time without a source of heat, as from a kerosene burner or a wood burner. Also, you need to make sure that your burners are in working order. You need to have a windup flashlight or oil with your lamps for light. Having food and water is also necessary for survival. Those people, who have been without electricity in the winter, know how necessary these preparations are needed. If your house is an interim refuge, you also need to have these things, and an independent source of water. By being ready to deal without electricity, you will be ready for the one world people who want to control you by shutting down your grids. Trust in My help in the coming trials which could include power outages."

November 14, 2012

Tuesday, November 6, 2012:Jesus said: "My people, in the hierarchy of My Church you have local bishops who are the shepherds of your dioceses. They are to guide My people in faith and morals, and even defend My Church in standing up for your religious freedoms. They also need to care for the management of the diocese in respect to keeping churches and schools open as long as possible. They should also be promoting vocations to the priesthood, and seeing that these candidates are properly educated. By seeing to the care of the leadership of the parishes, bishops should be allowing the parishes to be run by priests as pastors, or by deacons if there are not enough priests. Being a bishop should be a holy office to help the faith of the people, and not so much about politics. Pray for your bishops and priests so they may be faithful to their duties and their vocations. My faithful also need to financially support the bishop and the pastors of your parishes."

Jesus said: "My people, in its former days America was very strong morally, but now it is just a shadow of its former self. Every measurement of Mass attendance, living together in sin, and homosexual marriage, shows America becoming more pagan and hedonistic in your society. Because America is turning its back on Me, I have withdrawn My blessings, and you will be seeing a punishment through the one world people. Your increasing deficits and your unemployment levels will bring your country down in eventual bankruptcy. You cannot keep printing more money to pay for your deficits. Once your financial system crashes, the one world people will establish martial law to take America into the North American Union. It does not matter who is elected President, the end result will be the same. Pray for your country to change its fiscal policy, or your country is lost. Pray also to turn around your sinful society, or it will be lost spiritually as well."

November 14, 2012

Wednesday, November 7, 2012:Jesus said: "My people, in the vision you are seeing the real worldly treasure of the one world people, and it is not gold, but total control with power as a dictator in the scepter for reigning over the people. It is one thing to desire wealth and possessions of this world, but it is another thing to want to control people as robots with chips in the body. This is Satan's desire to control people's free will with chips and voices so they are his possessions. The real treasure for Satan is to control souls, and this is the path of your current government. Most people do not realize the significance of mandatory chips in the body that is promoted by your current Health Care law. If this mandate is carried out, chips in the body will make your people into robots with their souls controlled by Satan. The voices from the chips will be hypnotizing people to worship the beast with this mark of the beast. I am warning all of your people not to take any chip in the body, and not to worship the Antichrist, or you will be condemning yourself to hell according to the Book of Revelation. Once your authorities demand chips in the body, this will be the time to call on Me, and I will have your guardian angel lead you to the protection of My nearest refuge. Those, who do not come to My refuges, are risking martyrdom for their faith in the government's death camps all over your country. At My refuges the people will be protected throughout the tribulation until I will come in victory over evil, and I will bring you into My Era of Peace."

Jesus said: "My people, you have seen the sun in one of its peak cycles for sunspot activity. You have also seen several solar flares from these sunspots. This vision is showing you another flare that could send enough energy to earth that it could cause problems with your satellites, or it could even affect your power grid which is the darkness in the vision. You have seen some man-made interference with the HAARP machine that has caused some major storm activity. Now you could see some interference from My creation. Your scientists have been warning you of some celestial happenings around the earth, and you could see signs in the sky that could coincide with My coming Warning experience. I told you that My Warning would come before the major events that could cause you to go to My refuges. Be alert to the signs in the sky, and the major earthquakes that are going on."

November 14, 2012

Thursday, November 8, 2012:Jesus said: "My people, this vision of a large wave coming against America is a sign that now your country has elected its fate, and it is the status quo without any repentance. Be prepared for more destruction and droughts because your people are depending on themselves, instead of on Me. The more you turn your backs on Me with voting for same sex marriage and legalized marijuana in some states, the more judgment you are calling down on your country. Your politicians are talking about a new cliff of increased taxes and cuts in your budget, but you are also falling off of a spiritual cliff as well. My faithful remnant is growing smaller as your older faithful are dying off, and they are not being replaced with younger people. This is why heaven rejoices over penitent sinners because there are fewer of them as time goes on."

Prayer Group:Jesus said: "My people, these people, who are suffering from a hurricane and a snow storm, are without electricity for almost two weeks, and they are cold without heat. It is also hard to find water and food. Some aid is being brought in, but it is hard to help so many people. The snow storm has caused another increase in power outages. You remember yourself how hard it is to endure the cold even when you had heaters from wood and kerosene. Pray for these people and send donations to help them where possible."

Jesus said: "My people, I have asked people to have food and water stored for up

to a year's supply. This would help you through any food shortages until you may need to leave for My refuges. In the North it would be good to have alternative heating sources as wood and kerosene with the appropriate heaters. Those, who have water wells, should have a mechanical backup to pump water. You may need propane for cooking, windup flashlights, or lamps with oil for light. Even some provision may be needed for latrines. These are all of your refuge needs. In addition you will need winter coats, sleeping blankets, and tents for destroyed homes. By being ready for refuges, you will be ready for power outages."

Jesus said: "My people, America needs to understand that some of this destruction is a punishment for your nation's sins. People are voting in same sex marriage and allowing legalizing marijuana in some states, and they wonder why they are being punished. America needs to repent of its sins and change the people's lifestyles if America wants Me to return its blessings. Learn from your mistakes in your sins, or you can expect even worse disasters."

Jesus said: "My people, you are still relying on oil, natural gas, coal, and wood to provide heat and electricity. It is hard with too many government regulations to provide the needed fuels for your heat and power. Many jobs are also at stake in providing for your energy sources. America needs to have an energy policy to be more energy independent, so your manufacturers can have the fuels that they need. Pray for a compromise that is best for your country. Seeing power outages should make this issue one of immediate need."

Jesus said: "My people, now that your election is over, it is time to really help your business leaders to start hiring more people instead of just talking about it. All of the unemployed workers will not be able to survive on what little unemployment insurance that is available, and this insurance will be stopped because of insufficient tax money. People need to struggle to find work instead of relying on welfare handouts. It is a difficult situation because your jobs are going to cheap labor overseas. Government could change the incentives to keep work in your own country. You will soon learn that you cannot afford to continue your entitlement spending and survive as a free country. Pray for new solutions to providing jobs, even if some jobs can be provided by the government."

Jesus said: "My people, you are aware of the effects of your droughts and storms on your crop production. The lower harvests could cause some food shortages

not only in America, but also in reduced exports to other countries. This already is raising grain and corn prices as the raw materials for many of your foods. Eventually, meat prices will also rise and cause some inflation. Pray that you will have enough food for your needs. This is part of the beginning world famine, and it is why I have warned you to stock up on your food supplies. Your food will be shared with your friends and neighbors, and not hoarded."

Jesus said: "My people, you continue to see fighting in Syria and Israel as tensions are still high in these areas. Threats from Iran in many areas are also a concern for a new war that could break out. Keep praying for peace in these countries because any new war could lead to a wider war, and restricted oil supplies."

November 14, 2012

Friday, November 9, 2012:Jesus said: "My people, as you remember the saints in heaven and the souls in purgatory, you are thinking of the end of your own life. Even the cycle of the seasons shows a cycle of life where nature shows plants dying because of the cold. November is a good month to contemplate on your last days on earth right before the celebration of Advent and Christmas. This is a good time to make an accounting of your year in your spiritual progress. You need to ask yourself if you are getting better, staying the same, or are you falling back. My faithful need to keep getting better in their faith each year because they need to strive toward perfection. You need to show your love for Me in attending Mass when you can, frequent Confession, and your daily prayers. You also need to show your love for your neighbor in helping them with your prayers, donations, and good deeds. When you meet Me at your judgment, you will need to make an accounting for how you loved Me and your neighbor. By following My Commandments and helping your neighbor, you will be ready for your judgment, as I will open the gates of heaven to you."

Jesus said: "My people, you have just witnessed the terrible damage from Hurricane Sandy and the latest snow storm in the same area along the East coast. Many people are suffering in the cold with no electricity and little heat, food, water, and gasoline. It is one thing to be tested with the loss of your physical necessities from storms, but it will be another thing to suffer your coming

spiritual persecution. Christians and patriots are the new targets of the one world people who see My faithful as a threat to their new world order. You are seeing a persecution of your religious freedoms when your government is trying to force Catholic institutions to violate their faith in being forced to provide birth control pills and devices. Your taxes are paying for abortions. Your hate crime laws do not want you to call homosexual acts sins, but they really are abominations in My eyes. Some people are even questioning church tax exemptions for supporting the Republican Presidential nominee. The ultimate persecution will come when your authorities will try to force mandatory chips in the body from your Health Care law. Refuse to take any chips in the body, even under pain of death, because the chips can control your free will like a robot. Your persecution will endanger your life to the point that you will need to come to My refuges for protection. Be prepared to leave your home in a short time when I will warn you to leave. Pray for calm and trust in My help so you can avoid the evil ones who will be trying to kill you."

November 14, 2012

Saturday, November 10, 2012: (St. Leo the Great)Jesus said: "My people, this vision is a representation of an uphill battle in struggling to bring America back to loving Me more in your public worship. Unfortunately, you have atheists who are controlling your media, and they are doing everything to remove My Name from any public buildings or your feast days. Your stores are already encouraging your Christmas shopping, but your political correctness is trying not to mention My Name. The more your country refuses to acknowledge Me in public, the more you are allowing Satan to control your lives and your activities. There are some faithful who express â€˜Merry Christmasâ€ in their greetings, and they place Nativity Scenes in their Christmas decorations outside their homes. You honor My feast days, but people are missing that My birth is the reason for your celebration. Remember that without Me, you will not have anything because you have everything because of Me in your lives. Give praise and thanks to Me for all that you have both physically and spiritually."

November 14, 2012

Sunday, November 11, 2012:Jesus said: "My people, today's first reading, where Elijah multiplied the flour and oil for a year, is a lesson for those who will be coming to My refuges. My faithful will be seeing famine and food shortages all over the world. This is why I have asked My people to store some food and water, even before you leave for My refuges. At My refuges people will also be storing food and preparing bedding for many people. You will have My angels bring you daily Communion if you do not have a Mass. You will also have perpetual Adoration so I can be with you in prayer at all times. You will have deer for meat and water from wells, ponds, or springs that I will provide. The buildings for bedding will be multiplied for everyone to have a place to sleep. I will multiply the food, water, and fuel to support your necessities. When you are called to My refuges, you will be coming in full faith in My protection with My angel's invisible shield. You will be trusting Me in feeding you, and providing clothes for everyone. Everyone will be helping each other to survive with your individual trades and talents. You will be at My refuges during the tribulation for less than 3Â½ years while the Antichrist will be allowed his reign. I will bring My Comet of Chastisement at the end of the tribulation, when I will bring My victory over all the evil ones, who will be cast into hell. I will renew the earth and then I will bring you into My Era of Peace for a long time. After the Era of Peace, I will lead you into heaven. Rejoice in this trial because you will be suffering your purgatory on earth during the tribulation. You trust in Me every day, but you will be needing full trust in Me for everything at My refuges."

November 14, 2012

Monday, November 12, 2012: (St. Josaphat)Jesus said: "My people, in the Gospel reading I asked My apostles to have a strong faith so they could go out to evangelize the people. Even today I ask My people to renew their faith as it once was strong in their initial fervor for Me. When you were brought up in the faith from your parents, you were learning how to love Me from your heart, and not just with your mind. It is this true fervor of love from the heart that I desire from all of My faithful. Sometimes you come to retreats to relight your fire of love for Me in your heart. When your love is strong, it enhances your faith and strengthens you to fight the temptations of the evil one. You also need to share your deep fervor of faith with others, so they can be on fire with love for Me. By coming close to Me every day, you can be ready to meet Me at your judgment

when I will call you home to Me. Give praise and thanks to Me, and thank those who helped you to have such a gift of faith. Watch over your children and your relatives to keep their faith burning as strong as yours."

To a friend: Jesus said: "My people, listen to the inner voices that are guiding you in your work to provide a place for My faithful at My refuges. Just as you have seen in your â€˜Field of Dreamsâ€, the people will come to My refuges as they are led by their guardian angels."

Jesus said: "My people, you will eventually see a preview to martial law when your police and Army will be setting up checkpoints to monitor the movement of your people. Then you will see certain restrictions for entering certain states in order to have a proper reason to enter. Your main state highways will soon require an â€˜easy passâ€ to use them. These roads will eventually require National ids and then chips in the body to use. This is why you will be required to use the back roads for your travel before the tribulation to avoid these checkpoints. When it is time to come to My refuges, you will be invisible to these authorities, so you can avoid being captured. Be prepared for limited travel as your gasoline usage could be controlled as well to cut down on your carbon dioxide pollution."

November 14, 2012

Tuesday, November 13, 2012: (St. Francis Xavier Cabrini)Jesus said: "My people, you are living in an evil age, and it is about to get worse during the tribulation of the Antichrist. During this time of persecution of My faithful, you will need to call on Me to have your guardian angels lead you from your homes to My places of interim and final refuges. You will first be stopping at interim or smaller refuges on the way to your final refuge. At these homes they will provide food, water, and bedding. My people need to have backpacks of clothes, toiletries, sleeping blankets, and a little food and water when you leave your homes. I am calling on many souls to say â€˜yesâ€ to helping people in their needs by setting up refuges. At interim and final refuges, the leaders need to have their places consecrated by a priest, and have an independent source of water by a mechanical well or pond. I will multiply your food and My angels will build more dormitories where needed. After you leave your homes, My

angels will shield you with being invisible to your enemies on the way to a refuge and at all of My refuges. Have no fear of these evil ones because My angels will defend you, as you will not need weapons at My refuges."

Jesus said: "My people, I have told My people not to take any chips in the body for any reason, even if they are threatened with their lives. In the vision I am showing you an operator at an electronic console that could control a person's actions against their will through a chip in the body. That person could commit crimes without even knowing what that person did through voices. These are true capabilities with your modern technology that use chips in the body with voices directed from satellites and cell towers. Any chips, that could be secretly put into your body, will not function without your consent. I will see to it that these secret small chips will not work. Keep close to Me in frequent Confession, and be ready to leave your home for My refuges when I will warn you."

Wednesday, November 14, 2012

November 29, 2012

Wednesday, November 14, 2012:Jesus said: "My people, I wanted your people to see the exact words of your first President, George Washington, as he blessed your nation in New York City at ground zero where the trade towers were destroyed. (April 30, 1789 First Inaugural Address) â€˜â€¦ so His Divine blessing may be equally conspicuous in the enlarged views, the temperate consultations, and the wise measures on which the success of this Government must depend.â€ George Washington also stated that these blessings cannot come upon a country that disregards My laws. â€˜â€¦the smiles of Heaven can never be expected on a nation that disregards the eternal rules of order and right which Heaven itself has ordainedâ€¦â€ I am showing America these words because I have removed heaven's blessing from America because of your abortion decisions and now your acceptance of same sex marriage laws in several states. Now you are more vulnerable to weather disasters and the control of the one world people over your government. This punishment can only be removed by prayer and repenting of your sins. You need to renounce these sinful laws, or you will continue on your road to ruin. I have warned America to repent in many messages, and if you do not learn from the history of how other nations fell by spiritual corruption, then you will be doomed to repeat it with your own fall."

Jesus said: "My people, you need to have your spiritual guard up at all times because you do not know when the devils will attack you with their various temptations. These wicked creatures are searching for any weaknesses to lust, drinking alcohol, or drug and cigarette use. There are also weaknesses to computing, gambling, and overeating. Demons attach themselves to addictions, and they seek to destroy souls through addictions. This is why you need to pray and work with souls who have addictions because they are blind to see how much they are controlled by the demons. My faithful need to wear blessed sacramentals, and be alert to anything that is controlling you. You can check if you are being controlled by seeing what you do with your spare time. If you sense any bad habits controlling you, then you could identify your weakness and seek ways to avoid it. You can cleanse your bad habits with prayer, fasting, and frequent Confession. You can also encourage others to share your faith, and help them to wear sacramentals of protection. Praying for souls in deliverance of their demons can also help save their souls. Frequent Confession and daily prayer will also help protect you from demon temptations. You are in a constant battle with the evil ones, and you need to use your weapons of Mass, rosaries, scapulars, relics, and blessed salt and water. By following My advice, you can protect yourself and others on your way to heaven."

November 29, 2012

Thursday, November 15, 2012: (St. Albert the Great)Jesus said: "My people, in the first reading you are dealing with the issue of slavery with slaves as property by their owners. In the vision you are dealing with fame and status of those who want to be leaders of others. I told My apostles that those, who want to be leaders, have to be the servants of everyone in physical service and not just talk. It is not about being first over everyone or who should be slaves, but I see everyone as equal in My eyes because you are all My creations. I want My people to respect everyone's dignity as a human person, regardless if they are a king or a beggar. Since I treat everyone as equal, you need to love everyone as I do, even your enemies. People have different talents for their missions, and you do not have to like people's actions, but you need to love the sinner because you are all sinners. Pray for those people who are not living according to My Commandments, and give them your good example of loving everyone without discrimination."

Prayer Group:Jesus said: "My people, many of your vaccines and flu shots are becoming more of a danger to your immune systems than they are helping. You have seen some articles where people are suing the drug companies for causing autism in their young children. The vaccine business has been very lucrative for the drug companies who are paid by your government for the vaccines, and they are protected in some cases against people suing them for any side effects. This is all about money more than it is about protecting people. I continue to warn people not to take any flu shots."

Jesus said: "My people, you are seeing many missiles being fired on Israel from the Gaza Strip. Many of these weapons are being shipped to Hamas from Iran, and they were supplied by Russia. These increased attacks are testing Israel's determination to retaliate, and there could be a widening of a war. This could be a sign of increasing terrorism once it appears that America is weak in reacting against the Arabs. The one world people are instigating any war in this area. Pray for peace, or there could be serious consequences."

Jesus said: "My people, your government is preparing for terrorism or a revolution against its policies. You are seeing many people buying guns and ammunition before it will be confiscated. There are already rumors about confiscating automatic weapons from gun shops. Taking weapons from your citizens will be the first signs of a coming takeover of America. My angels will be protecting My faithful so guns will not be necessary."

Jesus said: "My people, it is a little strange that all of your scandals broke out in the military immediately after the election. These scandals among the generals are taking attention away from the killing of your diplomat in Lybia, which was exploited in the debates. Many questions have not been answered in this reporting of a terrorist attack."

Jesus said: "My people, again there are more and more reports of possible vote fraud in the swing states. Some appear to be falsely tabulated, machine malfunctions, and suspicions of voters voting multiple times and in multiple states. It is doubtful that this will receive a serious investigation, but you heard of similar fraud in your previous Presidential election. The one world people will be moving to take over America no matter which President is elected."

Jesus said: "My people, the internet has become a source of information that is

not available on normal media channels. The one world people want to eventually shut down this source of information, and tax people for using the internet which will spread this money to many countries. This would shut down your own website in distributing your messages. Be aware of a continuing restriction of information that those in power are trying to eliminate. This is just one more sign of persecution that will lead to martial law and My people coming to My refuges."

Jesus said: "My people, you are seeing your lawmakers trying to deal with the coming increase in taxes and the full implementation of your new Health Care Law. In public these Congress people are not talking, but even behind closed doors they have not yet come to any compromise. This tax increase and the coming National Debt Limit have little time for negotiation. Pray that your leaders will come to a meaningful agreement that will not throw your country into a recession or austerity budgets. You have seen the violence in Greece and Spain in their efforts to balance their budgets."

November 29, 2012

Friday, November 16, 2012: (St. Margaret of Scotland, St. Gertrude)Jesus said: "My people, as you approach the end of the Church Year, you are going to be reading the end time readings when I will return to the earth. St. John's first reading speaks of the antichrist representing the evil people. This vision of a cup of wine is showing you the grapes of wrath where My angels will separate the good people from the evil people. Some good people will be lifted up into the air so they are not killed by My Comet of Chastisement at the end of the tribulation. Many of those left behind, who do not believe in My Commandments, and do not accept Me, will be gathered as grapes to be crushed in My winepress of wrath in hell. Once the evil ones are cleared from the earth, I will renew the earth, and I will bring My faithful down into My Era of Peace. My justice will be carried out all over the earth."

Jesus said: "My people, this vision of someone opening their eyes is more about a spiritual awakening than a physical one. I have asked all Americans to wake up to the reality of their sins, and repent in their hearts. I talked to you of the veil that is over you before the Warning in that you do not realize how much you

offend Me with your sins. Once you become more alert in your eyes of faith, then you can understand the events going on as signs of the end times that are in the Bible. I have warned you when you see pestilence, famine, and an increase in earthquakes, that My coming is near. My Warning experience for all sinners will be a wake-up call to everyone to be prepared for your judgment. Once you see how I view your sins, you will be more conscious of how much you offend Me in your sinful actions. When I place you back in your body to improve your spiritual life, you will know that the Antichrist's coming will be imminent, and My coming will follow. Do not be fearful because you will find protection at My refuges. My angels will put an invisible shield around you even as you leave your home for My refuge. After the Warning, gather your family members together so you can all come to the same refuge. Read the signs of the times with your own eyes of faith, and you will be ready for the coming end times."

November 29, 2012

Saturday, November 17, 2012: (Gloria Carpenter's funeral Mass)Gloria said: "I am so grateful to God for having such a beautiful family and a happy life where I could help everyone. I thank Karen especially for all the care that she gave me. I thank all of the clergy and my family for their kind words about me. I remember Betty, your mother, in all of our work with the Legion of Mary. I am in heaven now with Dick, and we will be watching over our family in prayer. I love the little ones as they are so dear to me. Thank you also for remembering my care for all the little animals and cats that I took care of. I will miss you all, but know that I love all of you who could attend my funeral."

Jesus said: "My people, it is tragic to lose your home to a storm, but people have to struggle for a new home. In the Exodus Moses led his people from bondage in Egypt into freedom in the desert. Later, the people would seek a new home in the Promised land. So it is in these end times, where I am leading My people out of their comfortable homes to a free and safe place at My refuges. This is like the Israelites who left their comfortable homes in Egypt for the harsh living in the desert. These safe havens will only be rustic protection in the modern day Exodus. Your new home will be living in My Era of Peace which will be a spiritual Promised land free of evil. Those, who survive the coming tribulation, will truly receive their reward of coming into My Era of Peace, and later into

heaven."

Sunday, November 18, 2012

November 29, 2012

Sunday, November 18, 2012:Jesus said: "My people, as you come closer to the end times, you will see a happening in the sky on the day of the Warning that will frighten many people. Everyone will have their life review at the same time. Then you will see where you will be judged. You will have a small taste of your judgment's destination before you will be brought back into your body. After you come back, you will have a strong feeling to repent of your sins, or a need to come to Confession for Catholics. This will begin the events that will lead up to the Antichrist's coming into power. At the end of the tribulation, you will see Me on the clouds coming to judge the people. My Comet of Chastisement will cause the three days of darkness. The evil ones will be cast into hell, and I will renew the earth. Then I will bring My faithful down into My Era of Peace, and later into heaven. Be on the watch for My coming, so your soul is ready to meet Me at its judgment."

Monday, November 19, 2012

November 29, 2012

Monday, November 19, 2012:Jesus said: "My people, as you approach the end of the Church Year, you start having thoughts of your own death that could be approaching. The first reading was pointing out to the Church of Ephesus that they needed to repent of their sins. In America also your people are falling away from their religious traditions of coming to Sunday Mass and celebrating Christmas with Nativity scenes. It is the atheists that are attacking your traditions, and My people need to stand up for their religious freedoms. You need to speak out My Name in defiance of the atheists and those who are politically correct. The people of America need to repent of their sins just as the Church of Ephesus was called to do. If people do not repent of their sins now, they will surely do so when they face My Warning experience. Prepare your souls now with frequent Confession so you are ready to meet Me at your judgment, when I call you home when you die, or when you will have your life

review at My Warning."

Jesus said: "My people, this current firing of rockets from Hamas in the Gaza Strip is being backed by Iran and Egypt. If Israel starts killing very many Palestinians, Egypt has threatened to help their fellow Arabs. Israel is using aircraft attacks, and it has its army moving into position for a possible frontal attack. If this war widens to include other nations, America could get involved as well. Pray that this threatened war does not get wider because it could involve nuclear weapons if Israel feels threatened. If the violence gets worse, there could also be a threat to oil supplies which could raise your gasoline prices."

Tuesday, November 20, 2012

November 29, 2012

Tuesday, November 20, 2012:Jesus said: "My people, I have warned America to repent of its sins, but your people are not listening to My messages, nor are your people following My Commandments. Not only will you be punished with disasters, but in this vision the America that you know, will be taken over, and the documents of your freedoms will be cremated in this urn. This means after martial law is established, your Declaration of Independence and your Constitution will no longer be valid. America will become a part of the North American Union without any rights for its people, and you will soon come under the control of the Antichrist. Once martial law begins, I will have already warned My faithful to leave for My refuges. The evil ones will be looking to kill Christians and patriots, so you will need the protection of My angels at My refuges. Trust in My help and protection, and you will have nothing to fear."

Jesus said: "My people, this is a joyful message to show My faithful how many people are hearing My call to set up refuges, and a good amount of them are saying yes. A good share of these refuge leaders are also receiving messages, and they are writing their messages in a journal to help them set up their refuges. I have been helping many refuge leaders with people's donations when they do not have much money. Events are getting close to the time when My faithful will have to come to these refuges. Some people are starting their refuges late, and they may need My angels to finish them. Each refuge should be consecrated to Me by a priest*, and have an independent source of water. Refuge leaders should start stocking food, fuel, and places to bed down with blankets and sleeping

blankets. They could buy some cheap cots or inexpensive beds. I will multiply the food, water, and bedding. My angels will bring daily Communion to the people, and they will even help build more dormitories as more people come. Rejoice that there will be many places of refuges to offset all the detention center death camps being built by the evil ones."

*Exorcism Prayer Over Property; Consecration of Property

In the Name of the Father and of the Son and of the Holy Spirit. Amen.Our help is in the Name of the Lord:Who made Heaven and earth.

Father in Heaven, You are the Creator of the earth and of all that fills it; You are the Source of all life and of all goodness, and You constantly bestow Your blessings upon those who place their trust in You. In Your Name, and in the Name of Jesus Christ, Your Son, and of the Holy Spirit, and through the spiritual authority granted to the One, Holy, Catholic, and Apostolic Church, I exorcize this property and these buildings of every evil power and influence, and command in the Name of the Most Holy Trinity that every evil spirit be put to flight and be forever barred from returning here; that every hex, conjuring, spell, curse, or form of deception or oppression be shattered; and that every evil scheme or temptation be exposed, unmasked, and brokenâ€“for the Glory of the Most Holy Trinity and the salvation of the entire people of God, particularly those who live or visit here.

In the Name of the Most Holy Trinity, I consecrate this property to the Most Sacred Heart of Jesus and to the Immaculate Heart of Mary, the Mother of God, and in Their Name, I summon all holy angels and archangels, from this time forward, to guard this property and all who live here or come here, from all evil and all harm. Through the power of the Holy Spirit, and the ministry of the angels assigned here, may anyone not called to this place of refuge be blinded to all the traffic that comes here; may anyone seeking to infiltrate this refuge for any purpose contrary to the Will of Almighty God be rendered incapable of any unholy act, and be convicted of the need for heartfelt repentance; and may all who come here in response to the call of Our Lord and Our Lady be kept safe from every physical and spiritual harm, and be truly open to the words of truth proclaimed here, and the blessings of God bestowed here. May all of us fulfill the mission assigned to us in a spirit of gratitude, trust, and humility, and may we be filled with a spirit of wisdom, courage, and fortitude. We ask this in the Name

of Jesus Christ, our Lord, Who lives and reigns with the Father and the Holy Spirit, One God, forever and ever. Amen.

November 29, 2012

Wednesday, November 21, 2012: (Presentation of Blessed Virgin Mary)Jesus said: "My people, I had prepared My Blessed Mother for this moment of her coming to the earth without original sin. She was consecrated to God in the Temple because she was a gift to her parents. My Blessed Mother was living in the Divine Will without sin during her whole life. She is truly a Divine tabernacle to carry Me in her womb for nine months. As the Mother of God she is highly to be honored among all the people on earth. She is also a true model to follow in her holiness. She was an inspiration to My apostles while she was on earth. Now, she is crowned Queen of heaven, and she is placing her mantle of protection over her children on earth. I gave her to St. John as the Mother of My people at the foot of the cross. This is a fitting feast to My Blessed Mother as she started her work on earth."

Jesus said: "My people, when I mentioned caves for refuges, you could also see underground dwellings built into the side of a hill. The vision that I showed you, could be such a dwelling in a hill that had supports, and it was lined to keep out the bugs and water. There was an air vent, and a smokestack for a wood burner for warmth and cooking. The door allowed some light to come in, and it had a screened vent for air. The hill was pitched so the water would run away from the entrance. In Northern climates such a home in the hill would be warmer with less effects from the weather. Many refuges will have a rustic appearance, but you will have protection with My angels defending you from the evil ones. I will provide My people with food and water as I will multiply what you have. This is why My refuge leaders need to have some food stored that could be multiplied. During the coming famine, the people, who criticized your food storage, will understand too late. You may have to share your food with many faithful who did not believe in making any preparations."

November 29, 2012

Thursday, November 22, 2012: (Thanksgiving Day)Jesus said: "My people, all of you are born with original sin on your souls from Adam, and you are as one in shackles to sin. Since I died on the cross for all souls, you now have Baptism to be freed of the bonds of your sins, just as the ten lepers were healed of their leprosy. You come to Mass to give thanksgiving for the blessings of a free country, but you also can give Me thanks for your salvation by My death on the cross. At Mass I give you My Eucharist which is My very Body and Blood. This is a sacrament of thanksgiving in the consecrated Bread. When you are eating your Thanksgiving meal, pray and give thanks to Me for all that I have given you in life."

November 29, 2012

Friday, November 23, 2012: (St. Clement I)Jesus said: "My people, there are two representations of this vision of gates opening to a castle. A castle represents a place of safety as a fortress. So opening the gates to a place of safety is how I am providing people to prepare refuges, and My angels will defend you with their invisible shields. At the tribulation time, My faithful will be directed by their guardian angels to the nearest refuge where I will provide the necessities of life. The second meaning of this vision is how I have opened the gates of heaven with My sacrificial death on the cross. This is the ultimate place of safety, since all the evil ones will be cast into hell. In heaven you will experience My beatific vision, My peace, and My love. Heaven will be the fulfillment of your soul's desire to be One with your Creator. Rejoice that you will find My protection on earth and in heaven."

Jesus said: "My people, the prince, who fell off the chariot and was injured, represents America as it will fall from the grace of God because of its sins. America will not only be injured by disasters, but it will be taken over by the one world people in the central bankers of the Federal Reserve. You have a bad economy when the bankers restrict the money supply in circulation. These bankers in the past choked the people without money, and they were able to buy up the failed buildings for pennies on the dollar in their forced depressions. Now, the Federal Reserve prints as many Treasury Bonds as it wants out of thin air, and it makes this debt money a part of the National Debt on the books of the Federal Reserve. The central bankers are taking nearly $80 billion a month to

buy up all of the bad debts that own all the mortgages from the banks. There is no new money going into circulation, and the bankers are stealing your homes for free. By keeping interest rates low on savings accounts, they are again stealing the money from the older people and poor savers as they make profits on 6% loans. When America goes bankrupt, these bankers will own everything, and they will take over the government. Be prepared to leave for My refuges when martial law is declared to stop the chaos and revolution. Trust in Me to protect you from the evil ones who will want to try and kill My faithful people."

November 29, 2012

Saturday, November 24, 2012: (St. Andrew & companions)Jesus said: "My people, in this vision of a circling green cloud, you are seeing another representation of My coming Warning. You are living in the end times and you are reading about the Book of Revelation where the two prophets were ruling over the world. Moses and Elijah were present at My Transfiguration which was a preview of My Resurrection. Now, the two prophets in Revelation are returning in the end times. You will be experiencing My Warning which will be a preview of your final judgment. You will see your life reviewed with an emphasis on your unforgiven sins. After this life review, you will see a judgment to heaven, hell, or purgatory. You will experience your destination briefly, and if you do not improve your spiritual life, this will be where your life is leading you. You will be returned to your body to improve your life. Now, your eyes will see clearly as to how you are offending Me with your sins, and you will be held more accountable for your sins because of your increased knowledge. The Warning will be a blessing for most sinners to repent and change their lives, but some will still reject Me. This will be the time to evangelize your family members to return to their original faith, or they could be lost if they do not change. Keep praying for these souls that they could be saved from hell."

(Christ the King) Jesus said: "My people, this is the last Sunday of the Church Year, and you are celebrating My Kingship in heaven. The Bible describes how I will come on the clouds to bring judgment on the people of the earth. There will be false christs that will try to deceive the people, but do not follow them. There will also be an Antichrist dressed as an Arab who will claim to be the Man of Peace. Be careful not to look at his eyes because he could cause people to

worship him with his demonic powers. This is why I told you after the Warning to get rid of your TVs and your computers so you do not look at his face. I will come in glory on the clouds with love, but the Antichrist comes with hate and demanding obedience to worship him. Do not be deceived by the false christs. I love you all, and this is how you will recognize Me because of My manner of love."

Sunday, November 25, 2012

November 29, 2012

Sunday, November 25, 2012: (Christ the King)Jesus said: "My people, this feast is a joyous conclusion of the Church Year. It is also a preview of how I will return in glory to judge all of mankind. I have told you many times that you will see this fulfilled in your lifetime. Rejoice that you are living in these end times. All of mankind will have to see their life review at My Warning which will be a chance for sinners to repent before the great tribulation begins. When you see a world famine, a division in My Church, and mandatory chips in the body begin, My faithful will need to come to My places of refuge. After the Antichrist's reign, I will come on the clouds to judge people. Rejoice that I will conquer the evil ones, and I will renew the earth. All of My faithful will then be brought into My Era of Peace. My son, rejoice that you are announcing these events to come, so My people can be prepared in their souls, and in My refuges of protection. Let the people hear My words and rejoice in My victory, as they will see Me as their King and their Creator."

Jesus said: "My people, I thank all of you for coming to this Shrine that honors My Kingship in memory of Charlesâ€ messages from Me. You prayed a beautiful rosary during a moderate snowstorm, and I thank all of you for enduring the cold and snow for My glory. This is indeed a place of refuge as consecrated land. There is a plan to provide a chapel which will need the support of the people to fund it. Time is getting late to build refuges, and My angels may have to help finish such an effort. The vision of fire represents the purification that all souls will need during the tribulation of the Antichrist. Those, who live during the tribulation, will suffer their purgatory on earth rather than in purgatory itself. Give praise and glory to your King on My feast day."

Monday, November 26, 2012

November 29, 2012

Monday, November 26, 2012:Jesus said: "My people, I have warned My faithful to have some spiritual and physical things packed when you will need to go to My refuges of protection. The reason Christians are the targets of the one world people, is because Satan wants to remove all places with My Name displayed. He does not want the Christians to evangelize his subjects that he controls. This is why those, who believe in God, are considered the enemy in the battle for souls. Because Satan is fighting against you with his people, you understand how valuable you are to Me so you can help others to become Christians. Truly you are in a battle between good and evil, and I need My followers to evangelize and pray for as many souls as possible to save them from hell. Do not be fearful of the evil ones, but call on Me, and I will send angels to help you to win souls for Me, and fight off the devil's temptations. Put your trust in Me, and I will protect you and your family."

Jesus said: "My people, your country's Budget is out of control when you are spending a trillion dollars more than you take in for taxes. You have heard a lot of political talk of letting taxes go back to their original level. Just increasing the taxes on the rich will not balance your budget. If you are making cuts, then even people receiving welfare and Social Security will have to suffer the pain with everyone else. Your politicians have been buying votes with increased handouts. Once you start cutting back on the handouts, you will see the people protesting in the streets just as in Greece and Spain. If taxes are not raised, and cuts are not implemented, then your deficits will continue, your credit rating will fall, and interest rates will be forced to rise. Without attempts to reduce your deficits, you will be on the road to bankruptcy. There simply will not be enough money to pay out to all the benefits of the entitlements. Whether the deficits are reduced or not, there will be pain or a collapse of your government. America needs to print its own debt free money, and do away with the bankersâ€ debt money from the Federal Reserve. There is not enough money available to pay off your National Debt or to keep it from rising. When you see chaos in the streets under bankruptcy, hyperinflation, or austerity budgets, then My faithful will need to seek the safety of My refuges where My angels will see to your needs and protection."

Tuesday, November 27, 2012

November 29, 2012

Tuesday, November 27, 2012:Jesus said: "My people, I have given you messages about being ready to come to My refuges when your lives are threatened. I am showing you in the vision how tunnels and caves would be places of refuge. Caves are cold and damp, and you may have to use your tents, sleeping blankets, and some means of heating to keep warm in the winter. You also will need sweaters, winter coats, boots, gloves, and a warm hat for the cold. Whatever food and water that you have could be multiplied. Your angels will bring you daily Communion and deer for meat. These refuges are rustic, but you will only need to suffer this for less than 3Â½ years. Be thankful that My angels will protect you with an invisible shield from your enemies. I will protect you from any wild animals or snakes at My refuges. You may need to work on preparing meals, and using wood fires to keep warm and for cooking. You will have enough food to eat, and water from springs to drink. Trust in Me to provide for your needs for this living purgatory on earth that My faithful will suffer through the tribulation."

Jesus said: "My people, some of your scientists are noticing another alignment of the planets, but there were no effects on earth the last time this occurred. I have mentioned before that the speculation on December 21st of this year will not cause any effect on the earth either. Next year a comet will come around Christmas and an asteroid will come very close in February. The vision of the rover on Mars means that some new discoveries of the rocks could show possible signs of previous water compounds and signs of erosion. The environment on Mars does not appear to have conditions for life, but some crude forms of life could have occurred years ago. Your technology for finding signs of life have greatly improved, so that you could better detect it, or if it was once there."

End November 2012

December 2012

Wednesday, November 28, 2012

December 19, 2012

Wednesday, November 28, 2012:Jesus said: "My people, every Christmas Season people are busy about buying gifts for relatives and preparing their Christmas decorations. There should be a spirit of joy in this season, but some people see it as too much busy work. Many shopkeepers see this season as a chance to make money on this desire for people to buy gifts. It is nice to share gifts, especially with the children. It is also appropriate to send out Christmas cards because it keeps you in touch with those friends and relatives that you may not see too often. Celebrating My birth should be a time of joy and love, but the people should remember that I am the center of the celebration, and not reindeer, snowmen, and Santa Claus. When you are thinking of giving gifts, you could share some of your money with the poor, and even give spiritual gifts of prayers to those in need of help. By sharing with others, then you can really enjoy the Christmas spirit of love for Me and your neighbor."

Jesus said: "My people, there will be many rustic refuges that will be hard to live in for over three years. Yet every refuge will be protected by My angels, which is better than risking execution at the hands of the one world people. When I was born in a cold stable in Bethlehem, it was a crude place to live for your King. If I could suffer a humble birth in a cave, then My faithful could suffer living at a simple refuge of whatever is available for sleeping. Many people in America have palaces for homes compared to the poor in the third world countries. It will be hard for some of your people to leave their comfortable homes for a rustic dwelling in the country or in a cave. But this short trial of crude living is a better choice than risking martyrdom. My faithful will have a bed to sleep in, and food and water to survive. Trust in My protection from the evil ones, even if you have to endure your purgatory on earth."

Thursday, November 29, 2012

December 29, 2012

Thursday, November 29, 2012:Jesus said: "My people, the reading of the Book of Revelation described how Babylon would be defeated which represents the rich one world people and the Antichrist whom they support. In the Gospel you read how armies around Jerusalem destroyed the city, and now you are seeing this same possibility in modern day Israel. This passage from Luke (22:25-28) shows the signs in the heavens and how I will come upon a cloud with great power and majesty in My victory over evil. The last line is so uplifting: â

€˜When these things begin to come to pass, look up, and lift up your heads, because your redemption is at hand.â€ In the vision you saw St. Michael and My angels gathering the evil people and the demons, and they were cast into hell just as he did when the evil angels were cast out of heaven into hell. Then you saw a glimpse of the gold colors of heaven where a wedding banquet place has been prepared for My faithful to come. Rejoice in these end time readings that you proclaim in your talks because these events are about to begin."

Prayer Group:Jesus said: "My people, you have just celebrated My feast of â€˜Christ the Kingâ€ and you honor Me as King and Creator of the universe. The second vision is about My Kingship on My throne as a judge over good and evil. My sickle is harvesting the wheat of My faithful who are to be stored in My barn of heaven. My angels will gather the grapes of the earth with their sharp sickle and the evil souls will go into the winepress of hell. Keep your souls pure with frequent Confession, and you will be ready to meet Me at your judgment."

Jesus said: "My people, this year has been proclaimed the year of â€˜Faithâ€, and it will be honored in various ways in the celebrations of My Church. Faith is a great gift by which you come to believe in Me. The basics of faith are in your Apostle's Creed, but the love for Me in your heart is how you grow closer to Me. Keep humble in your little faith as you remember Me in your daily prayers."

Jesus said: "My people, during your life I give every soul many opportunities to come to know, love, and serve Me. I am your Master and Creator, but I cannot come into your soul unless you unlock the door from the inside so I can enter. Once you accept Me, I want you to give your free will over to My Divine Will so you can accomplish the unique mission that I have given you. By carrying out your mission, you are adding to My greater glory."

Jesus said: "My people, you know how important it is for people of the earth to have enough fresh water to survive. There are some people and factories that are polluting your water which will take various expensive means to purify it again for drinking purposes. Rain is another means of obtaining pure water, but it is hard to capture when it does not rain much. Your people will have pure water at all of My refuges. It may be prudent to store some pure water for the coming

famines and droughts."

Jesus said: "My people, your doctors are growing more concerned over hundreds of cases of viruses that are resistant to antibiotics. Most of these patients are dying if they cannot develop enough antibodies to fight this disease. Another dreaded new disease is a new strain of bird flu that is contagious and deadly. This could cause a pandemic virus that could kill millions of people. I have warned My people when you see many people dying, that you should leave for the protection of My refuges where you can look on My luminous cross or drink the healing spring water to be healed. Trust in Me and I will protect you from physical and spiritual harm."

Jesus said: "My people, My Church gives you Advent and Lent to help you improve your spiritual life. Advent should be a time of prayer, Confession, and Mass to help purify your soul to celebrate My feast of Christmas. Pick up an Advent book at your church so you can have a daily meditation for each day of Advent. These prayerful seasons will help renew the love that you have for both Me and your neighbor."

Jesus said: "My people, I want to give some words of consolation for Sol's mourning wife, Judy, when he died. Sol was a gracious man, and I am pleased with his many acts of charity. The expression on his face was one of shock at seeing the end of his life when he was not expecting it. He is in purgatory, and he is in need of some Masses and prayers for his soul. He was sorry to have to leave his wife behind as they were preparing a large refuge. He loves his wife and family dearly, and he will be watching over Judy with his prayers. I ask her friends to pray for her work, and give what time you can to help her and comfort her in her loss."

Friday, November 30, 2012

December 29, 2012

Friday, November 30, 2012: (St. Andrew)Jesus said: "My people, you know that I died on the cross at 3:00 p.m. as I suffered for all of mankind's sins. I have also told you that time is running out for the devil's time, and for the time before the tribulation will be starting. This vision of five minutes to 3:00 p.m. means that the persecution of My faithful is about to begin. Before the major events lead up

to the declaration of the Antichrist, you will have My Warning experience for everyone. This will be a wake-up call for all sinners, and it is another reason for frequent Confession so you will have less to suffer in your life review. My people need to have their spiritual life in order before you face your mini-judgment in the Warning. You are seeing a lot of signs around you to tell that you are living in the end times by the descriptions in the Bible."

Jesus said: "My people, I am showing you how the HAARP machine is being used to cause droughts in the summer and low snowfall in the winter. Because of this effect on your rainfall, this is why you are seeing low water levels in all of the Great Lakes. Without enough ground water, it is hard to grow crops, and they require irrigation to get enough moisture. Many people do not realize that this weather machine can affect your water levels and the severity of your cold weather. It is hard for your weather forecasters to predict your weather when man-made weather machines are changing the seasonal trends. If this pattern of high jet streams near the border continues, then you could see a repeat of last year's low snowfall. The one world people are trying to cause famines to reduce the population, and cause food shortages for their takeover. Trust in Me that you will have adequate food supplies at My refuges where I will multiply your food."

Saturday, December 1, 2012

December 29, 2012

Saturday, December 1, 2012:Jesus said: "My people, even in the last Gospel of the Church Year, it is speaking of My imminent return to the earth. The one world people are planning the collapse of your government, and your President in his arrogance, is planning to increase your taxes and even to rule as a dictator. If he resorts to passing more Executive Orders to bypass your Congress on the budgets and National Debt, there will be such an uproar, that this could even promote a revolution. This contempt for the people of America is how the socialist communists reach out to gain power over your government. They do not care about making compromises with the Republicans because they feel that they have a mandate to do whatever they please. Stealing this election is part of the one world people's plan for a takeover. This is why you are seeing a vision of leaving for a refuge, because the coming events are moving fast toward bringing America into the North American Union. Be prepared to come to My refuges when you see major changes that will usurp your Constitution from your

previous rule of law. Trust in My help during the coming persecution of Christians as you will seek My protection at My refuges."

Sunday, December 2, 2012

December 29, 2012

Sunday, December 2, 2012:Jesus said: "My people, this Sunday starts Advent, and the Gospel reading of the end times is similar to the week day readings of the last week of the Church Year. The message is about being watchful for My coming at Christmas, but it is also a message of being watchful for My coming again in this age. You can start reading the meditations in your little Advent book so you can prepare your souls for Christmas. The best gift that you can give Me is a pure soul with frequent Confession. Offer up your daily prayers for the souls of your family and for poor sinners. If you are persistent in your prayers for your family, you could help save them from hell. The battle for souls is an ongoing fight against the devil's temptations, and many souls weaken in the faith as they get older. My faithful need to keep up their spiritual strength with My sacraments so you can endure the test of time on earth."

Jesus said: "My people, this quill pen in the vision was used to write your Constitution that set up a separation of powers between your three Branches of government, and between your powers of the states. You are seeing the Executive Branch taking more power away from your Congress by its fiat rule of Executive Orders, and the Cabinet Departments declaring their own rules. Budgets and debt limits are the domain of the Congress, and your people need to protect this separation of powers, or you will be facing a despot dictator and the loss of your Constitutional rights. Many of your rules of law were set up to restrain one Branch from controlling the whole government. You also are seeing your states taking issue with many parts of your Health Care Law that are usurping the powers of the states. If your people do not enforce your separation of powers, then you are inviting chaos and a possible revolution which is why your documents were drafted. Pray for your country because once the one world people gain control, you all will lose your rights as you will be forced into the North American Union. At that point you will need to leave for the protection of My refuges."

Monday, December 3, 2012

December 29, 2012

Monday, December 3, 2012:Jesus said: "My people, as you begin the Advent Season, you will soon see the genealogy of My roots from St. Joseph and My Blessed Mother as their family trees went back to Abraham in Matthew and even to Adam in Luke. You are seeing this Star of David to recognize My Jewish roots, and that some even called Me the Son of David. In the Old Testament I told the people of Israel that I would be their God, and they would be My people. Even though the Jews have not always been faithful to Me, I have been faithful to them in protecting My people. This is why those, who fight against Israel, could even be fighting against Me. I will be allowing the Arabs to have their reign for a short time in the Antichrist, but then I will bring My victory in the Battle of Armageddon, and later at the end of the tribulation with My Comet of Chastisement. In the end the evil ones will be cast into hell, but My faithful will have their reward in My Era of Peace, and later in heaven."

Jesus said: "My people, as you see your parents and friends pass on, you realize more how quickly your life moves along. You understand this more as you get older. You should make the most of your time on earth by reaching out to save souls from hell. You spend a fair portion of your life working for a living, and it is becoming harder to be able to retire early. The more you can work for Me in your life, the more you can accomplish the mission I have for your stay on earth. Some people like to control their lives without letting Me lead them. If you give your will over to My Divine Will, then you will see the purpose why you were put here on this earth, which is to know, love, and serve Me. It is a joy to love Me, and you will be rewarded for allowing Me to lead you. When you strive to live in My Divine Will, then you understand the harmony of life in loving Me and your neighbor as yourself. Keep struggling for the higher places in heaven, and work to save as many souls from hell as you can."

For Patty Trapp: Jesus said: "My people, Patty thanks you for your prayers and Masses that have enabled her to come to heaven. Even though she was sad to leave her family, she can now help them from heaven with her prayers. The more souls that are praying for you on earth, the easier it is to endure your human condition against the temptations of the devil. Patty wants her family to carry on with their plans to provide a refuge for travelers. You can call on My angels to help provide for the bedding and food that will be needed during this coming tribulation."

Tuesday, December 4, 2012

December 29, 2012

Tuesday, December 4, 2012: (St. John Damascene)Jesus said: "My people, you were given the word to watch for My coming as you started this Advent Season. Now in the vision you are being given another word of â€˜Lightâ€ so you are ready for My Light to remove the darkness of sin. Wherever you have My Presence, I am the Light of the world to show you the way to heaven. When you have power outages, you are faced with a need for light in the darkness of night. It is My coming to earth that will bring My salvation for all souls who accept Me. Even in the description of Isaiah and in Revelation you are seeing a Light that will not cease in My coming Era of Peace. So rejoice as you see the Light of My Star of Bethlehem that led the Magi to find Me in My crib. I give each soul a spiritual light to follow Me in My sacraments. Even in Baptism, you are given a lighted candle from the Easter Candle. Go in My Light and you will find your reward in heaven."

Jesus said: "My people, the one world people are about to crash the world currencies and establish their new currency, backed by gold and silver, called SDRs or Strategic Drawing Rights. This means that most dollar denominated instruments will have little or no value. Gold, silver, and real estate will have value, but things written on paper will diminish to nothing. The one world people have very little wealth in paper because their currency is gold and silver. Two other commodities will have value, and that is food and energy products. Such a crash of these currencies could cause a world depression before a new money system could be established. People could lose their IRA and 401K funds. Welfare and Social Security checks could stop. Those, who have gold, silver, and food will survive. This crash will cause chaos and a possible revolution which will cause My faithful to come to My refuges of protection. Such a financial disruption will enable the one world people and the Antichrist to take over all of the coming continental unions. This is why it is important for My refuge leaders to set up bedding, and store food, water, and fuel for heat. My angels will protect you, and I will multiply your food and fuel."

Wednesday, December 5, 2012

December 29, 2012

Wednesday, December 5, 2012:Jesus said: "My people, in the vision I am showing you another large earthquake that will occur most likely along your Western coast. Your most recent earthquakes in this area have been under the ocean floor. These are the kinds of earthquakes that can cause tsunamis if they are large enough. These severe earthquakes can also trigger the major faults on the land as well. Some of your major quakes have been caused by the HAARP machine with microwaves. If the one world people want to create a major disaster, they could do so with a major quake on the Pacific coastline. You have already seen a few disasters coming into the Northeast with Hurricane Sandy and a snow storm. If the one world people could cause these disasters, they certainly could cause major earthquakes as well. Be prepared for more disasters, as they are looking for excuses to cause a martial law takeover. If such a martial law results, then My faithful will need to come to the protection of My refuges."

Jesus said: "My people, this is your first week of Advent, and you should be focused on preparing your soul for My feast day on Christmas. This is a time for prayer, fasting, and attending Mass and Communion. For sinners it is also a time to confess your sins to the priest in the confessional of the vision. Non-Catholics can pray to Me as repentant sinners. I am always ready to forgive your sins and welcome you back into My good graces. You need to take the forward step to come to Me as a humble sinner, and ask for My mercy. Do not put off Confession or repenting, but make a point to reconcile your sins with Me, and plan to visit Me in the sacrament of Penance. Those, who repent, will be rewarded with pure souls who are worthy of coming before Me at My crib. Pray for your soul and the souls of your family. Pray also for all poor sinners, and the souls in purgatory."

December 29, 2012

Thursday, December 6, 2012: (St. Nicholas)Jesus said: "My people, there is a lot of joy and happiness with My feast of Christmas as people are merry and exchanging gifts. Many people like to party and have a good time. In the same way people love Me for curing people and having mercy on them in many ways. The hard part is dealing with My justice when people have to make an accounting for their actions. Once they hear the requirement of obeying My Commandments to get into heaven, some people reject Me because they desire

the pleasures of their sexual sins. Fasting, praying, and repenting of one' sins, requires pain for the bodily desires, and it is not easy to struggle for spiritual perfection. People like the enjoyable part of what I bring into their lives, but they have difficulty with pain, suffering, and being tested in life with trials. It is My grace and sacraments that I offer to everyone that can help them get through their trials. You may not see your reward in this valley of tears, but I promise an eternity of being with Me in heaven for those who are faithful to Me."

Prayer Group:Jesus said: "My people, in the last days of this year both of your leaders and both parties are not yet serious about making any compromises for the coming increase in taxes. Your President will get more revenue to spend if no action is taken, and he will blame the other party for any possible recession. This battle over taxes and budgets is all about power which is why your President wants to get rid of any spending limits. The President may get more taxes, but his spending could be cut to fit the National Debt Limit. The possibility of a recession is less important than exorcizing power for your President. When a compromise cannot be found, both parties will share the blame."

Jesus said: "My people, it is commendable that various small groups of people are collecting food, clothing, and money for the victims of these storms. Some insurance money is helping, but major infrastructure repair will require substantial Federal aid that is usually slow in coming. Keep praying for these victims and helping them where you can."

Jesus said: "My people, you are seeing a dangerous end game to try and remove the leader of Syria. The rebels, who are supported by the Moslem Brotherhood, are being threatened with the possible use of chemical weapons that could kill more people. The one world people are using the Moslem Brotherhood to take over most of the Arab states so they can force oil prices to rise. They have been slowed down in removing several dictators, but their takeover continues. The North Korean missile launch is defying a UN rule, but they could gain knowledge for intercontinental ballistic missile launches. Both of these issues are trying problems for those who want peace. Keep praying for peace without any war in the Middle East."

Jesus said: "My people, in Israel they are about to celebrate another Christmas Season at My place of birth in Bethlehem. You are still seeing a tense situation between Hamas and Israel over a strained peace. Here again neither side wants

to compromise in a struggle for land ownership. This area also needs prayers to stop any more missile attacks."

Jesus said: "My people, many departments, as the Defense Department, are being warned to have plans in place in case there is no compromise made on taxes. If these cuts are made, you could see thousands of people lose their jobs in Defense contracts. The job losses and possible shutdown from the Debt Limit could cause dramatic problems for your fragile economy. Pray that some compromises could ease these burdens."

Jesus said: "My people, this new Health Care Law threatens to cost your people more billions of dollars, and even the possibility of forcing the mark of the beast on your citizens. If mandatory chips in the body are forced on your people, My faithful will need to come to My refuges instead of taking a chip in the body. Such chips could control your free will with voices, and you should not accept any chip in the body, even if they threaten to kill you. This law is against your Constitution in many respects, and if people do not fight it, then your government is lost. Pray that people do not take chips in the body, or they will be turned into robots to do the bidding of the evil ones."

Jesus said: "My people, your country has the Immaculate Conception as your National Church, and My Blessed Mother is protecting you with her mantle of love. You need to pray your rosaries more than ever for your country's survival that is being challenged by your central bankers. Many of you are preparing refuges at her shrines for thetime when the persecution of Christians will get worse. All of heaven will be helping My faithful, even when the powers of evil will have their reign. Yes, the persecution will get worse in the tribulation before I will bring My victory. Be patient for this trial, and then you will see your reward in My Era of Peace and later in heaven."

December 29, 2012

Friday, December 7, 2012:Jesus said: "My people, your friends have been blessed to acquire this new property so they can expand on the original refuge. The land needs to be consecrated by a priest and even an exorcism prayer is needed for any problems with previous owners. You may want to place blessed

salt and blessed medals at the corners of this property. This land will provide more room for any pilgrims who come to this refuge for protection. I will place angels of My protection on this property and Juliet' house. When the tribulation comes, My angels will help provide bedding, food, and water for those who come here. Trust in Me and the protection of My angels. You will have perpetual Adoration of My Blessed Sacrament here so you will always share in My Real Presence."

December 29, 2012

Saturday, December 8, 2012: (Immaculate Conception of Mary)The Blessed Mother said: "My dear children, you are celebrating my Immaculate Conception that was expressed by Bernadette Soubirous at Lourdes, France in a heavenly revelation. I am showing you my holy rosary which is your daily prayer in all fifteen decades. In the vision you see a heart shaped rosary which honors my Immaculate Heart and my Son' Sacred Heart. Our two hearts of love represent my living in the Divine Will of following my Son in all of His requests. I am showing you how to pray your rosary slowly and humbly for my prayer intentions. Pray for all sinners, for the souls in purgatory, for peace in the world, and for the stoppage of abortion in the world. My children are weak in their spiritual lives, and I need my prayer warriors to give good example to their families and friends in how to pray and give honor and worship to my Son, especially in Adoration of His Most Blessed Sacrament. I bring you to my Son always, and I thank all of my children for your prayers and coming together at your prayer meetings as at the Gospa Prayer House. The faithful souls are a beacon of light to help spread my Son' message of love to all the world. In this Advent Season I want you to stay close to us in your prayers, Masses, and devotions to the saints."

December 29, 2012

Sunday, December 9, 2012: (Second Sunday of Advent)Jesus said: "My people, today you are witnessing the words of St. John the Baptist as he proclaimed: â€˜Prepare ye the way of the Lord.â€&#65533; St. John was a voice in the desert who called the people to repent of their sins, and he baptized them with water by

immersion in the Jordan River. Even in your Advent Season, all of My people are called to prayer, fasting, and repentance of your sins as well. You can cleanse your sins in Confession and you will have pure souls to present to Me at My crib. Many of you can remember your sins enough to confess them to the priest. Now is the time for salvation, and now is the time for My faithful to come and confess your sins. Do not put off Confession out of pride or making excuses. You are all sinners, and you are all in need of repentance. Cling to Me in receiving Holy Communion, but you need to be worthy in your souls and free of mortal sin to receive Me. Listen to St. John the Baptist when he says to repent in order to prepare the way for My coming."

Monday, December 10, 2012

December 29, 2012

Monday, December 10, 2012:Jesus said: "My people, every time you commit your sins, I am still suffering on My cross for how you are offending Me. I have given you My sacrament of Penance, and I wait for all sinners to repent of their sins. For those, who are Catholic, you can come to Me in the priest of Confession where you will be absolved of your sins. I am a merciful God, and just as the father of the Prodigal Son welcomed his son back, so I welcome all sinners back so their sins will be cleansed, and I will restore sanctifying grace upon their souls. I love all of My people so much, and I want to see you with pure souls by frequent Confession. Your Advent Season is a time of prayer and preparation for My feast of Christmas. I ask My people to seek to be perfect as My heavenly Father is perfect. Pray and evangelize souls so more souls can be saved from hell. I bring My Word of My Gospel of love to everyone as I desire true peace on earth for all of mankind. The mission of My faithful is to convert as many souls to faith in Me as you can. Rejoice and receive My Good News."

Jesus said: "My people, your President keeps repeating how his election gave him a mandate to continue his previous policies. Even though there are many evidences of fraud in the voting, he will begin to lead your country on the road to socialism with more government control over your people. You will see him use more Executive Orders to get his way, even when his opposition is trying to block him. His abuse of power will become more obvious with each action that will defy your Constitutional rules. I have warned your people that if there is no conformance to your Constitution, then you will eventually lose all of your

rights. He is leading your country into the North American Union as power will soon be given over to the Antichrist. When you see this dictatorial rule manifest itself, I will be warning My faithful to be prepared to leave for the protection of My refuges. Martial law or mandatory chips in the body will soon threaten the lives of all Christians and patriots. Do not take up weapons to fight this evil, but let My angels protect you so you do not have to kill anyone. Trust in My warning you when it is time to leave for My refuges. The elite and the Antichrist will have a short reign before I will come in victory over all the evil ones. My faithful will then see their reward in My Era of Peace and later in heaven."

Tuesday, December 11, 2012

December 29, 2012

Tuesday, December 11, 2012:Jesus said: "My people, there is a double meaning in this scene of a wheat field. Wheat can be made into bread or cereals for food. You also remember how I multiplied the loaves of bread and the fish to feed the 5,000 and the 4,000. This bread can also be seen as the manna or consecrated Bread of Holy Communion. I have told you how I am the â€˜Bread of Lifeâ€ and I give My Real Presence to you in My consecrated Hosts. In this year' harvest, you have seen some shortages in your grain production because of the severe droughts. It is hard to provide food for the world when droughts are causing a cutback on the available food for everyone. When My faithful come to My refuges, they will not only be protected from the evil ones, but I will multiply the daily Communion and any food that you have. Trust in Me to provide for your needs at My refuges, and I will be with you always in My Real Presence."

December 29, 2012

Wednesday, December 12, 2012: (Our Lady of Guadalupe)The Blessed Mother said: "My dear children, this miracle was performed for the bishop, and it is my image on Juan Diego' cloak. This is also a miracle for all the Americas as I appeared as a native American pregnant with my Son, Jesus. This image has also been a sign for Right to Life groups because originally it stopped the killing of Indian babies as sacrifices to their gods. Unfortunately, in many places there are people having abortions, only these babies are offered up to the gods of money,

convenience, and shame in affairs of fornication. Your people, today, are no better than the Indians of old who made human sacrifices to their gods. I keep calling on mothers and people to pray for the stoppage of abortion. If the people do not stop killing their babies, then my Son' hand may force you to stop in a way that will punish you severely. Encourage women to stop their abortions by prayer and counseling at abortion clinics."

Jesus said: "My people, in the vision you are seeing a contrast between a live baby and a dead baby. Abortion is a choice for death, and very few even treat the dead aborted baby with respect enough for a grave. Most aborted babies are treated as human garbage, or people use them to make facial creams or for vaccines. Allowing a baby to be born is a choice for life, and you know how much I love My little ones. Killing My little ones is the worst abuse that you could do to your own children. You originally had laws not to allow abortion, but today' culture of death and money are stronger than considering the preciousness of a life at any stage of development. Infanticide and near term abortions are the most ruthless of your killings. The evil of these abortions is causing the wrath of My judgment against America. This is why you are seeing many disasters to atone for this evil, and these things are signs to stop your sinful lifestyles. Keep praying to stop these abortions, and encourage these mothers to have their children, even if they have to give them up for adoption. Once you see your baby, how would anyone want to kill him or her?"

Jesus said: "My people, I asked you awhile ago to practice using your tent to sleep overnight outside, and you did so in the summer time. You learned that you would need ear plugs for noise and to use a cushion under your sleeping blanket to help your back. It would be good practice to try this again in the winter time. For winter you need to see how you can assemble your tent with your bare hands in the cold. You will need to dress in a heavy coat, hat, gloves, and boots. You need to have a hanging light source that you could windup and last for at least 15 minutes. You may need a warm blanket to line your tent for all the people to be able to sit on. You may have to invest in ten sterno cans with matches to keep you warm to some extent. Storing water below freezing may be another challenge. Try eating some of your MRE food pouches with maybe putting them over your sterno fire. By living overnight in your tent, you can be ready for summer or winter on the way to your place of refuge. You can also see if there are more things that you will need to buy so you can survive the cold. If you

have two or more people in your tent, you can take turns keeping a small fire going so you all can stay warm in your sleeping blankets. Being able to rough it in the wilderness will be good practice for living at a refuge. Food, water, and fuel will be needed for the body. Rosaries, Bibles, and Liturgy of the Hours, Pieta prayer books, blessed sacramentals, and blessed salt would be good for spiritual protection."

January 14, 2013
Thursday, December 13, 2012: (St. Lucy)
Jesus said: "My people, today you celebrate the feast of St. Lucy, and she is patroness of those who have eye problems. The eyes are the window to the soul, and you need light to see your way. When My Light falls on you, you can no longer hide your sins in the darkness. In My Light all of your bad deeds are made known, and you will have to face My judgment of even those things that were done in secret. Many thefts and even killings are done in the darkness of night, but My Light will expose all evil deeds of the evildoers. You may see injustices going on that seem to go unpunished, but there will be a judgment day for everyone where their evil deeds will face My punishment either in purgatory or in hell. You may be suffering from evil masters now, but they will suffer as well at their judgment. Do not judge people, but be loving of all people as you follow My example. I am the Light in the darkness of sin in the world, and I will bring constant light to you in My Era of Peace."
Prayer Group:
Jesus said: "My people, this cross in front of America's flag represents how I am protecting your nation with St. Michael the Archangel's help. There are many trials going on in your country from disasters to challenges of your religious freedoms. It is difficult for My faithful to endure the various movements against marriage in homosexual marriages, and some who want marijuana legalized. Your financial problems of continual major deficits are being debated, but very little is being done to correct the problems. Pray for your country for its finances and the stoppage of abortion."
Jesus said: "My people, Medicare and Social Security are growing in spending because more elderly people are entering these programs with fewer paying into the taxes. Instead of making mild attempts to slow down these costs, there is too much inactivity because both sides are not making any true compromises. Without any restraints, these programs may run out of money and outspend other

parts of your budget. If the deficit spending continues, your banking that supports your Treasury Notes may fail, causing a bankruptcy. Pray that real compromises can be made to balance your budget."
Jesus said: "My people, your Federal Reserve is adding billions of dollars to your economy by buying up mortgage derivatives. This Quantitative Easing is not healing your economy because the banks are not spending this money into circulation. Instead the bankers are buying up mortgages and holding interest rates at artificially low levels. The one world people are trying to force people into the stock market so they can steal their money with another crash like in 2008."
Jesus said: "My people, I thank you for sharing your gifts with the poor and your friends and relatives. Even as you are buying gifts and sending out Christmas cards, you need to make some spiritual giving by praying for each other. You can prepare spiritually as in Lent by attending daily Mass and coming to Confession. You could add some fasting to help souls who need to change from any addictions to drink or drugs."
Jesus said: "My people, many families come together for Christmas, even if it means traveling some distance to see each other. Christmas is a joyous time to put aside any family differences so you can have a peaceful get together. Love should be in your family to overlook anyone's short comings. My love goes out to everyone so you can have peace all over the world without constant wars. Open up your hearts to share your love with Me and each other."
Jesus said: "My people, sharing gifts with the poor gives you a good feeling of helping someone in a season of gift giving. Even if the poor cannot give you gifts back, they are thankful for your charity to them. You have shared with Hurricane Sandy victims, now you are helping the poor with gifts and food. All of your efforts to help the poor will bring treasure for you in heaven. Pray for the poor as well in helping them spiritually and physically."
Jesus said: "My people, My adorers always have a special place for Me in their hearts not only at Christmas, but every time that they come to Me to make a visit. Even as you place the infant statue in your Nativity scenes, remember Me more in My Real Presence in My consecrated Host. I have asked My faithful to even place a small Nativity scene among their statues in their prayer rooms so they can have My infancy with them all year long. The shepherds came to honor Me and the Magi came from a great distance to honor Me with kingly gifts. So My faithful have a chance to give Me their hearts in front of My tabernacles or My Host in the monstrance."

January 14, 2013
Friday, December 14, 2012: (St. John the Cross)
Jesus said: "My people, it is appropriate that you have the feast day of St. John of the Cross on a Friday when I died on the cross. He was a holy man, and he gave a directive for testing people who have visions or locutions. The source of the messages comes from either the devil, mental illness, or from God. I know that My son prays for protection before receiving My messages, and he has My angels watching over him to protect him from any evil influence. In the quiet of his meditation, I give My son the vision and the message of what is important for the day. There are also three ways of testing the spirit of what is being received. If the messages are true, they will be in conformance with Scripture and My Church, and they will bear good fruit. You truly have seen conversions for those who have read these messages. I am thankful that My son has been faithful to Me and to the mission that I have given him. I ask many people to share My messages with the people, but few give Me their yes, and some are not persistent in following My ways. I ask My son to remain true to his mission, and to remain close to Me in his daily spiritual life."
Jesus said: "My people, many of you were horrified to hear of twenty children and eight adults who were killed in a school in Connecticut. Many are sharing the pain of the parents who lost their children, and you need to pray for those who are mourning their loss. This scene of frequent killings is very disturbing to Americans. Some are advocating more stricter gun laws, but the criminals or perpetrators of these killings will always find a way to get guns on the black market, or they will steal them. Trying to determine why people commit such horrible crimes is very difficult to understand, and it could be psychologically unstable people who are doing it. Unless people are making threats to kill someone, it is hard to restrain them. Parents and school officials need to be alert when their children have dramatic changes in their mental thinking. One unusual common thread in many of these gunmen is that they commit suicide after their killings. It does not make sense why anyone would want to kill so many children unless they were mentally unstable. Pray that these kinds of deeds will stop, or there may be more restrictions on your freedoms."

January 14, 2013
Saturday, December 15, 2012:
Jesus said: “My people, in the Gospel I spoke of one like Elijah in St. John the Baptist who would come to announce My coming. Elijah had many beautiful accounts of how he fought the prophets of Baal, and the miracles of calling down fire from heaven that I allowed. I want to focus on how he multiplied the flour and oil for a year of famine for the widow and her son. I also multiplied the bread and fish for the 5,000 and the 4,000. I am recounting these miracles because I am going to repeat this multiplication of food for My faithful at My refuges during the tribulation. There will be some martyrs for the faith as I suffered, but My angels will be protecting My faithful from the evil ones who want to kill them. You have seen how Satan is trying to kill many people in using abortion, euthanasia, wars, viruses, and now unstable people in apparent suicide missions. Be grateful that I will be protecting you and feeding you in these end times of the Antichrist’s reign.”
Jesus said: “My people, life is very delicate, and it can be snuffed out as breaking this thin thread. Your bodies are mortal and it does not take much to kill the body when the heart stops pumping blood. This is brought home to you more in light of these latest killings by a deranged killer. You are seeing the pictures of the beautiful children that were killed, and you wonder how mental illness can move someone to commit such horrific killings. It is difficult to hear the parents in telling the beauty of their little ones. Even though there is a fine line between life and death, this life is not the end, but it is a place of training for heaven. You are put here to know, love, and serve Me, but not everyone wants to accept Me in faith. I do not force My love on anyone because I want you to love Me of your own free will. This is how you are made in My image, in that you choose by free will to do what you desire. By having a gift of faith you can give your free will over to My Divine Will to follow My Commandments, and to carry out the mission that I have for you. So remember every day to give Me praise in your prayers as you work your way closer to heaven.”

Sunday, December 16, 2012: (Gaudete Sunday)

Jesus said: “My people, after witnessing so many children killed recently, you have more appreciation for the little children and the joy that they bring to the parents. Your hearts are heavy because it takes time to heal this shock and horror. My people, if you truly love your children, then you should fight harder to stop the killing of children in the womb by abortion. You have a death culture in your society that favors abortion at one end, and euthanasia at the other end. All life is precious, and these lives should be protected at all stages of life. You should not have boards deciding who lives and who dies as is planned in your Health Care Law. Mothers should have their children instead of killing them. If your society continues its death mentality, then no wonder you are seeing more of these recent tragedies. Love life and protect it.”

Monday, December 17, 2012:
Jesus said: “My people, you know that it was a miracle by the Holy Spirit that I was incarnated as a man in the womb of My Blessed Mother. St. Matthew in his Gospel shows you all the generations by name from Abraham down to St. Joseph. My Blessed Mother also was descended from King David. In the Gospels people have referred to Me as the Son of David. When the Romans decreed that everyone had to register according to their lineage, this is why My parents had to come to Bethlehem where the family of David resided. Some people knew that I was born in Bethlehem, even though I lived in Nazareth. In Luke’s account of this genealogy, he starts with My foster father, St. Joseph, and he lists all the generations going back to Adam. This is why I came onto the earth to redeem mankind from Adam’s original sin. Now, My people can be baptized from original sin because I paid the price of redemption with My death on the cross. Every church year starts with Advent and My birth, and it goes through My life, death, and Resurrection. All of these Scriptures are written to remind you of My glorious gift of My life, so all of you would be given an opportunity to come to heaven by My sacraments. Be grateful that you have a loving God to save you from your sins.”
(John Stellman memorial Mass) Jesus said: “My people, it is hard to lose a loved one under any condition, especially at a young age. It is a hard life in the military, and it can affect people in many ways. John is in purgatory and he

needs another Mass to be released. He has suffered on earth in ways many do not understand. It is by the family's prayers and Masses that he will be allowed into heaven. He is still adjusting to his body's separation from his soul. He misses his family, and he loves all of you. Keep praying for his soul."

Tuesday, December 18, 2012:
Jesus said: "My people, in today's Gospel My Blessed Mother's pregnancy was a problem for St. Joseph until the angel made him aware that the Holy Spirit was her spouse. Then St. Joseph took My Blessed Mother into his home, even though he would have to live with being only My foster father. Today, there are many women with pregnancies that are not married, or from affairs. These pregnancies are more in danger of being aborted. Even though these births would cause difficulties and embarrassments, they still are human lives that should have a right to life. Your people should not think that all pregnancies can be disposed of for any reason. It is your death culture that is allowing these killings of children. Think of the young children that were just killed in Connecticut, and how much grief is felt for their loss. Yet there is little if any grief when mothers are allowed to kill their children in the womb by abortion. Keep praying for the stoppage of abortion, and for people to appreciate the preciousness of life at all of its stages."
Jesus said: "My people, you heard someone on TV suspecting that the HAARP machine in Alaska was causing bad storms and severe earthquakes. This is just another confirmation of My messages and the research that I had you look into to show people that there really is data to show the HAARP machine was behind Hurricane Sandy and the Japanese earthquake. Many do not want to believe what you are telling them, but when you show them the data, they are convinced that it is real. This is a well kept secret by the media, and even those who are operating this set of microwave antennae. You also talked to a man who worked with this machine, and he told you how with various mind wave frequencies of the brain that they could make someone laugh or cry. Mind control is another facet of its capabilities. This HAARP machine is a weapon that the one world people can use to cause earthquakes or storms that could kill people and cause great damage. New York and New Jersey are asking your government for $90 billion to repair their damaged infrastructures. Be aware of many disasters that

could be caused by this machine as you have seen in your recent droughts."

January 14, 2013
Wednesday, December 19, 2012:
Jesus said: "My people, most people know the normal course of giving birth, but you had two special means of birth that were carried out according to My plan. My birth occurred through the intercession of the Holy Spirit that did not require relations with St. Joseph. The birth of St. John the Baptist occurred miraculously, even though both parents were advanced in years passed normal childbearing years. Both of these births were foretold by the angel Gabriel where one was believed in faith, while the other was questioned. It is a miracle every time a baby is born, even in the normal course of relations. That is why you should be overjoyed to bring new life into the world instead of even thinking of killing the unborn. Once you see a baby that is so innocent, how could you think of killing such a little one? It is your death mentality and little regard for life that has created your death culture. If your society treated life as precious in all of your activities, games, and movies, then you would not even think of killing anyone. Yet, Satan has crept into all of your activities to encourage death and insensitivity to killing people. My people need to be more loving and accepting of new life as a true miracle that it is."
Jesus said: "My people, this vision of aborted babies is very similar to the carnage that was seen by the police when they entered the school in Newtown, Connecticut. Many are in deep sorrow because of this event, and you are seeing the funeral services. Where are the funeral services for all the babies that have been aborted? Just as you could imagine this gunmen shooting these defenseless children, so you can see a doctor killing a defenseless baby in the womb. The result is the same, that more children are being murdered. The irony is how the killing in the womb is allowed by your country's laws, but other killings are against the law. Some people were saying that these mass killings occur every few weeks, but they are not in the press. Abortions are occurring almost daily and millions of babies are killed every year. Pray for the stoppage of abortion and these mass killings."
Jesus said: "My people, I have given you several messages about how the one world people, through your military, have used the HAARP machine to cause

earthquakes and bad weather. The HAARP machine is a billion watt microwave machine in Alaska that is controlled by your military as a secret weapon. There are signs when people monitor the power surges from this machine when it is turned on. When you see stripped cloud formations and colors in the sky like an aurora borealis, then you could see major earthquakes after this. When you had earthquakes in China, Haiti, Chile, and Japan, people have reported these cloud formations and colors right before the earthquakes happened. Be alert to those who monitor this machine's activity, because they could signal the next major earthquake or some severe storm. The one world people are using these events to kill people, and cause fear and chaos for their takeover. Pray for My protection from these evil ones who are using science to serve their evil purposes."

Thursday, December 20, 2012:
Jesus said: "My people, I am reaching out to each soul so you can accept Me as your God, and so you can make a personal commitment to Me out of love. If you are to be My disciple, you should follow My Commandments, give worship to Me at least on Sundays, and keep Me in your daily prayers. When you awake, make your morning offering to Me, and consecrate everything that you will do each day to My greater glory. By thinking of Me in love every day, then I will know that you are truly a faithful soul. When you love Me, you must also love your neighbor as yourself. You can show this love of neighbor in donations to the poor, and whatever acts of charity that you could perform for people. Be also willing to share your faith in helping to evangelize souls, and be a good example in your behavior. By practicing what you preach, then you will not be seen as a hypocrite. All souls, who are faithful to Me, will see their eternal reward with Me in heaven."
Prayer Group:
Jesus said: "My people, there are many stories of St. Nicholas who gave gifts to the poor children. There are also many young and old children who expect gifts from their parents on Christmas eve or on Christmas day. It is a very loving gesture to share gifts with the children and the adults. There are names on the gifts, so everyone should thank those who thought enough to give them a gift. Among the family you may expect a gift in return. It is your gifts to the poor that

are more rewarding because you do not expect anything in return. Think of the many children who may not have any gifts for Christmas. Pray for the poor and share what you can with them."
Jesus said: "My people, you can remember in the Nativity readings how the Magi brought Me gifts of gold, frankincense, and myrrh worthy of their king. You remember how My angels sang heavenly songs to celebrate My birth. Every Christmas you think about giving gifts, but My birth is My greatest gift to all of mankind because I was incarnated as a man so I could later die for your sins on the cross. Be grateful for My plan of salvation for all souls to have an opportunity to come to heaven."
Jesus said: "My people, everyone is given a mission to use their talents to make a living for themselves and their families. I was the son of a carpenter in St. Joseph, and he taught Me his trade, and My Blessed Mother taught Me the Old Testament as well. All parents have this responsibility to give their children an education that they could use to make a living. Parents are also responsible for the souls of their children, and they need to see that the children are taught the faith so they can come to know, love, and serve Me. Children need a daily prayer life to know their Savior and worship their God."
Jesus said: "My people, while your children are growing up, you provide for their bodily needs in food, clothing, and bedding. You also provide them with money and an education at a college where they can learn a business or a trade. Remember also to provide them with some education in the faith so they have a balanced education in the secular and spiritual worlds. An upbringing in the faith is to offer your children the same opportunity that you had in learning to love Me."
Jesus said: "My people, many of you can remember the various schools where you were taught in grammar school, high school, and college for some. You can remember how vulnerable you were as you were taught your subjects. This scene at a school is fresh in your mind when you learned of some killings in a Connecticut school. Pray for all children that they will be protected as much as possible from any future incidents. Your children are a part of your life, and you do not want to see your children or any children subjected to this terror."
Jesus said: "My people, you are seeing a great need for help in restoring the damaged areas from your recent hurricane. Let your political leaders have compassion on these victims in apportioning enough money to help them repair their damaged infrastructures. If you cannot help your own people in need, then how are these victims going to get back on their feet with jobs and homes? Pray

for them and help them financially."
Jesus said: "My people, these holy days are an excellent time for families to get together and share each other's company. Remember to give thanks to Me at your family dinner. You come together to share your love, but think to share your love with Me in your prayers and Masses. This is a time of peace and joy that I would like the whole world to share with each other. Put aside your fighting and rivalries for a few days to celebrate My birth at Christmas. I want all peoples to live in harmony, even as you could imitate the harmony of love that I put into all of My creation."

Jesus said: "My people, you are about to celebrate My birth as many of you come together for a Christmas dinner. You also will be sharing gifts with each other as a gesture of thanks for your friendship. This would be a good time to mend any broken relationships in the family. Life is too short to hold grudges over trivial disagreements. Call each other to break the ice on these situations so you can restore any family ties. Even if you have to apologize for any of your mistakes, it is better to show love from your side, and to try to make amends. Pray for all of your friends and relatives for good health, and show your love in your heart for them."

Saturday, December 22, 2012:
Jesus said: "My people, you are all preparing for My coming at Christmas in My crib at Bethlehem. I tell you that you see Me when I come to you at every Mass when the priest consecrates the bread and wine into My Body and Blood. When you receive Me in Holy Communion worthily, I come into your heart and soul in My Eucharist. You have My Real Presence every time that you receive Me in My Blessed Sacrament. You confess your sins in Confession to a priest so your soul is pure and worthy to take Me in Holy Communion. There are some

Catholics who do not come often to Confession, and even some who receive Holy Communion in mortal sin which is a sin of sacrilege. If you are in mortal sin, you need to confess your sins before you can receive My Eucharist. As you prepare yourself for Christmas, you could prepare your soul with a good Confession. Then your soul will also be pure and glorious to greet Me at My crib."
Jesus said: "My people, you have seen North Korea launch a successful three stage rocket to try and place a satellite into space. This is crucial technology for launching intercontinental ballistic missiles at any country. This vision shows another missile on re-entry that is aimed at America to explode an EMP warhead that could disable all the chips in the Western part of the United States. America does have some missiles to try and intercept such an attack, but they are not guaranteed to work in every case. Such an attack could precipitate an all out attack on North Korea with similar atomic weapons, as this act would be a condition for war. Such an isolated attack could cause other countries as China and Russia to come to the aid of North Korea. Pray that such an attack on America does not happen, and that peace will prevail."

Sunday, December 23, 2012: (Fourth Sunday of Advent)
Jesus said: "My people, many people have visited the Church of the Nativity where I was born in a cave which was used as a stable for animals. This was a humble place for your King to be born, but I was not coming to be a king of physical armies. Many Jews thought that the Messiah would overcome the Romans, but I came to show people the way to heaven through love and not war. This Christmas celebration is a beautiful time to pray for peace all over the world, but not the false peace of the Antichrist. I call all the people to hold this day as a day of peace where everyone should be loving each other without hate."

Monday, December 24, 2012: (Christmas Vigil)
Jesus said: “My people, it is not easy to travel long distances on a donkey, especially when My Blessed Mother was about to give birth to Me. After a long, hard trip, it was even more of an insult that no one would allow us room at any of the inns. Instead, I was born in a stable and I was laid in a manger. In a spiritual way I am still being rejected by people who do not allow Me into their hearts and souls. I knock on the door to souls, but they need to let Me in from the inside. I call on people to love Me and love their neighbor so there can be harmony on the earth. As you wish everyone a Merry Christmas, invite them to know and love Me in faith. Even as the angels sing My praises, so My faithful can worship Me as well.”

Tuesday, December 25, 2012: (Christmas Day, Sol West’s Mass)
Sol said: “I am so happy to be celebrating Christmas with Jesus and the angels in heaven. I am sorry that I had to leave my loving wife, Judy, behind, but I am now able to pray for her mission on earth. I love you so much, Judy, and I am ever thankful for all of your dedicated care for my health in my last days. I am thankful for all of those who cared for me, and I love all of My family. I thank all of those people who prayed for me, and who had Masses said that have enabled me to reach heaven. I will be praying for everyone in their daily trials.”
Jesus said: “My people, peace be with you on this calm, silent Christmas Day. My angels in the vision are singing and trumpeting My glory in commemoration of My coming to earth in the flesh as a man. Rejoice in My gift of salvation that I loved all of you so much that I would die for all of your sins. The other beautiful thing in nature is that from now on, the day will get longer past the winter solstice. This increase in light is another sign of My Light that conquers the darkness. Come and offer your prayers and good deeds to Me at My crib as your gift in thanksgiving for all that I do for you.”

Wednesday, December 26, 2012: (St. Stephen)
Jesus said: “My people, you have just shared gifts on Christmas, and now you are seeing the celebration of a martyr’s feast of St. Stephen. This vision of a cliff and a river shows the danger of martyrdom for the faith, but a chance for salvation in being baptized in the water. In the early days of Christianity it was a risk to be a Christian because the Romans were killing them. Even some Jews, as Saul, were seeking out Christians to kill them. Many today are not in danger of martyrdom for the faith, but a time is coming soon when Christians will be hiding for their lives again. Once you see mandatory chips in the body, martial law, or a pandemic virus, then My faithful will need to call on Me to have your guardian angels lead you to My refuges of protection. Trust in My Word to lead you to safety in the coming tribulation of the Antichrist.”

Thursday, December 27, 2012: (John K. funeral)
Jesus said: “My people, your deacon gave a sense that there was a need for healing relationships in this family. It is also good to have a good relationship with Me as well. Life is too short to let any disagreements cause any hard feelings among family members. It is better to forgive any problems and move on in love with the rest of your lives. I have asked everyone to love one another, even when it is difficult to love someone, or your enemies. Families need to help each other, and not make excuses to keep away from each other. Break the ice of any conflicts and make an attempt to heal any rifts. By taking the initiative to show love on your part, other parties may be willing to make amends as well. You do not want to go to your death with any sins of not forgiving someone on your soul, or you may have to spend some time in purgatory. Love one another as I love all of you.”
Prayer Group:
Jesus said: “My people, you are so taken up with your earthly problems that you have forgotten that I am the answer to all of your problems. I have told you to ask and you shall receive, to seek and you will find, but if you do not put faith in Me, then how can I help you? Prayer and worshiping Me is the answer to your problems, but you have taken prayer out of the schools and My Ten

Commandments out of your buildings. You give worship to the devil in supporting the death culture of abortion, euthanasia, wars, vaccines, and distorted nature in GMO crops. You need to worship your Creator who has made you with a soul in My image."

Jesus said: "My people, I am showing you a contrast between worshiping Me or worshiping the gods of money, sports, fame, and status. When you worship Me, this is on a higher spiritual plane. When you worship earthly things, this is on a secular plane. You are a spiritual being in an earthly body, and your soul craves to be with its Creator. Keep your focus on doing everything for My greater glory, instead of satisfying your own ego. You were put on this earth to know, love, and serve Me so you can be happy with Me forever in heaven."

Jesus said: "My people, I call all repentant sinners to come to Me in conversion and to Confession so you can cleanse the sins from your soul with the sacrament of Penance. I treasure all sinners who repent and change their evil lifestyles. When your sins are cleansed, you are radiant with My grace and a joy to see. Unfortunately, I have to see many ugly souls in sin who refuse to repent of their sins. For this reason I will be bringing My Warning experience to wake up souls to show them how sinful they are, and to see how much their sins offend Me."

Jesus said: "My people, you remember when I told the people that if their eye is causing their sin, then they need to pluck it out so that they do not go to Gehenna with both eyes. I was exaggerating the extent to which My people should go to remove the occasions of sin in their lives. At times people are looking at pornography or other occasions of sin with their eyes. You need to control your eyes so you do not dwell on impure thoughts of the opposite sex. Control your thoughts and do not let evil temptations lead you into sin."

Jesus said: "My people, you have seen the days of a gold rush in the West, and oil discoveries in Texas and offshore drilling. Your latest fracking technology is unleashing a new oil rush that is bringing new wealth to more people who have a greed for wealth in any form. Many people are getting rich, but sometimes at the expense of poisoning the water wells that people depend on for their drinking water. Pray that there will be some safety precautions for these workers to store their poisonous water in safe ponds that do not leach into water aquifers."

Jesus said: "My people, there have been many attacks by certain people that the rich are not paying their fair share. There is a strong socialist element in your society that wants class warfare struggles. The truth is that the rich do receive different treatment because they are able to hide their wealth in offshore accounts. Their incomes are increasing at a faster rate than the average workers

whose jobs are being exported overseas by the leaders of your corporations. A fair tax on all of the rich people's wealth without so many tax loopholes would be ideal. Discovering such foreign wealth would bring in a lot more in taxes. The government also needs to control its overspending so deficits could be eliminated."
Jesus said: "My people, just as each soul has to make an accounting of his or her sins, so every nation has to make an accounting of its collective sins and evil laws. You are about to celebrate the feast of the Holy Innocents where Herod sent out a decree to kill all the young babies around Bethlehem because he wanted to kill Me as a threat to his kingship. I escaped into Egypt, but the innocent babies were slaughtered by Herod's men. In America you also sent out a decree in the Rowe vs. Wade Supreme Court decision that has allowed abortion on demand. Now you have a perpetual killing of millions of babies in the womb every year. These are your new Holy Innocents where very few people are struggling to save your country from legalizing all of these murders. Because of these killings, America will taste My wrath in many disasters as well as a punishment in the takeover of your country."

Friday, December 28, 2012: (Holy Innocents)
Jesus said: "My people, every time you see depictions of Me as an innocent baby, it reminds you of how many babies and young children were killed by Herod in an attempt to kill Me as a new king. Herod did not realize that I was not a threat to his kingship, but he was ruthless in these killings to keep his position as king. There are many more ruthless killers in your society that include your abortion doctors who kill even for money. You have seen mentally unstable people killing children, and even your local incident where a killer killed firemen as they came to put out a fire that he purposely started. There is even more irony in that your Senator gave a grant for money to keep jobs for a factory that makes assault rifles for police and the military. The criminals and mental killers find ways to steal guns or buy them on the black market. Gun laws affect only law abiding citizens and not the killers. There is a plan by the one world people to take all the guns from your people for their takeover, and they are using these gun incidents as an excuse. Do not fear these evil ones because

My angels will protect you at My refuges."

Saturday, December 29, 2012: (Presentation of Jesus, St. Thomas)
Jesus said: "My people, in the Gospel you see My Presentation in the Temple according to the Jewish rite for male infants. After My death on the cross, My faithful can now be baptized into the faith when they are infants. You saw Simeon giving thanks that he had lived to see My day and he said: 'Now you can dismiss your servant.' He also gave a prophecy to My Blessed Mother of My death that a sword would pierce her heart. In the vision of a priest ready for Confession, you are seeing how I bring My Light into the world's darkness by the forgiveness of sins in your souls. When you come to the priest in Confession, your sins are forgiven, and you have grace restored to your soul. Once you are absolved of your sins, you have My Light in your life to defend you from the temptations of the devil. Rejoice that I have brought My saving Light into your world of sin and darkness."
Jesus said: "My people, this year you have suffered dramatically from your tornadoes, Hurricane Isaac and Hurricane Sandy, and now from some severe snow storms. You have seen news reports of $11 billion dollars in damage and some deaths as well. These events are truly trials, but these disasters are also a punishment for America's abortions and sexual sins. The one world people have the HAARP machine at their disposal to cause many of these disasters. This microwave machine can change the jet streams to direct storms to any place that the one world people desire. The intent of these disasters is to cause a disruption in your infrastructure to weaken your country financially. Eventually, your wars and overspending will cause a bankruptcy in your government which will allow martial law to take over your country. I will provide places at My refuges for My faithful when you may see chaos and revolution. This is when the evil ones will do away with your dollar as a currency."

Sunday, December 30, 2012: (Holy Family Sunday)
Jesus said: “My people, the family is your core unit on which your society is built. A loving family environment is the best place to bring your children up with a mother and father image to grow. It is unfortunate that you have so many broken homes in divorce and couples living together without marriage. This is why you are also seeing problem children that are not loved, or they are torn between divorced parents. Some mental problems come from broken homes. Families and couples, who have been married for many years, are a model and examples for the rest of your society. Loving parents and respectful children are needed for harmony in a household. Imitate the Holy Family in your lives, and you will be on the right path to heaven.”

Monday, December 31, 2012: (Vigil of Solemnity of Mary)
Jesus said: “My people, this vision of the fires of hell does not look like any place that a soul would choose, but it is a place of eternal punishment. Hell is for the souls who are evil and have rejected My love. You have seen people who kill others, and some even worship Satan. Some make pacts with the devil, some bring people into hell by coercion, and some are lukewarm without even thinking of Me. These are the kinds of souls who come to hell without anyone praying for them. Hell is a place of constant punishment by fire, tormenting by the devils, full of hate, and these souls will never see My face again. Everyone is given an opportunity to accept and love Me. If you desire to come to heaven, you need to die to self, and follow My Will and not your own. I am love, and only those who love Me and their neighbor will be allowed into heaven. Pray for poor sinners that their souls could be saved from hell. Keep working to save as many souls as you can from going to hell.”
Jesus said: “My people, many of you are celebrating the New Year coming in, and there are crowds in New York City bringing in the New Year with song and revelry. In this vision I am showing you crowds in the streets all over your country that will be protesting your taxes and cuts in your budgets. Many entitlement programs will need to make some adjustments and cuts as well. There has been a major gridlock because every interest group does not want their funding cut, and they do not want more taxes. Both Republicans and Democrats

are to blame for not compromising on their positions. I told you that your Administration wanted to have higher taxes on everyone to pay for their entitlement program deficits, but they will not admit it. More problems will come as your Health Care Law will be implemented. There also may be another battle over increasing the debt limit. Riots and revolution are not out of the question when you have a non-functioning government. Pray for peace in your country, and that your people can reach a fair compromise for all parties."

Tuesday, January 1, 2013: (Solemnity of Mary, Ann Marie Cupp Mass)
Jesus said: "My people, when you see a yellow color, as in your traffic lights, it usually is a sign of caution or a warning. The yellow tunnel represents how some may travel through a tunnel to My Light in their Warning experience. At the Warning people will come out of their bodies and out of time to face Me at their life review. After seeing their sins, they will have a mini-judgment of heaven, purgatory, or hell. The mercy of this experience is that people will be given a second chance to come back into their bodies to change their sinful lives. If they do not change, then their mini-judgment will become their final judgment. Heaven or hell are your only choices, so choose to obey My laws so you can be with Me in heaven."
(Ann Marie Cupp memorial Mass) Jesus said: "My people, it is unfortunate that Ann Marie died suddenly at a fairly young age. She will be missed by her family and friends, but she will be praying for all of you. This Mass for her intention will help her on her way to heaven. Keep praying for her soul."
Jesus said: "My people, some people are so taken up with material things and working for more money to buy things, that they do not have any time for Me in their lives. It may be nice to have things of comfort, but you should not be living your life just for material possessions. Think of where everything comes from, and you have to admit that I was instrumental in all that you have. Some of your best blessings are in your very children. You should be thanking Me more for all that I do in your life. Once you realize that you would have nothing without Me, then you could find more time for Me in your prayers and Masses. You have a great gift in your belief in Me, and you have My very Presence with you at every Mass and in every visit to My tabernacle. Those, who desire to be with Me in

heaven, need to work on purifying their lives, and helping others to avoid going to hell. My souls were made to seek to be with their Creator because I am the only source of peace that they will find on earth. Keep close to Me in all that you do, and you will find your eternal rest with Me in heaven."

January 14, 2013
Wednesday, January 2, 2013: (St. Basil)
Jesus said: "My people, you are seeing St. John the Baptist as a voice in the desert preparing the way for Me by asking people to repent and be baptized. It was after My death that people could be baptized and freed of original sin from Adam. All people should be conscious of who they are in their religious beliefs. Since people need to come to heaven through Me only, then you are either a Christian or a non-Christian. This is your religious identity, and St. John the Evangelist even calls people against Me as an antichrist. Already there is the Antichrist on the earth, and he is the first beast of the Book of Revelation. He will demand people to have the mark of the beast which is a chip in your body that will control your free will if you take it. Refuse to take any chip in your body even if it will take away your health insurance or your job. These evil ones want you to be killed if you refuse the chip in the body. They also want you to worship this beast. This is why My faithful will need to come to My refuges for protection and your earthly needs. Your guardian angel will lead you to My nearest refuge when you call on Me for help."
Jesus said: "My people, your economy is like this train when it takes time and jobs to get it going, but when the derivatives failed, your economy slowed way down. You have witnessed many stimulus programs and even your Federal Reserve has added billions of dollars in artificial money with its Quantitative Easing. Taxes are taking money from some people and redistributing it to your entitlement programs of welfare, Social Security, Medicare, and Medicaid. Budget deficits continue to mount because there is no attempt being made to limit or slow the growth of these entitlements. The next issues coming are sequestration, debt limits, and continuing resolutions. There will be more debates to address your deficits, and any gridlock could reduce payments to

people as these programs slowly run out of money. Not much is being done to insure that these programs will have enough money to survive. If restrictions on age or the money paid out are not put in place, then these plans could fail as more people start payments with fewer people paying in. Pray for a fair resolution of your budgets, or you could see a bankruptcy of your government. Already your credit agencies are planning to down grade the rating of your Treasury Bonds."

January 14, 2013
Thursday, January 3, 2013: (Holy Name of Jesus)
Jesus said:"My people of America, your forefathers, who established the United States with your Constitution, founded your country on God-fearing principles of fairness to all of your citizens. Your Congress, Presidency, and Supreme Court were set up with checks and balances. You have a situation where the Senate is now dictating to the House how legislation should be passed. Many of your deficit problems have yet to be addressed, and there will be more compromises needed for your debt limit and what budgets will get cut. Your spending needs to be controlled because your deficits are too high to finance. It is difficult to ask people to pay enough taxes to cover all of the increases in your entitlements. People do not realize that if you cannot find enough funding of your debt, then your whole financial system will collapse. This is why you need a better attempt to balance your budgets with cuts and some taxes. If your deficits continue as they are, then your credit rating will become like Greece, and the dollar could lose its value. The one world people are planning a collapse of the dollar, so the ensuing chaos would allow them to declare a martial law takeover. When the dollar falls, then My faithful will need to call on Me so your guardian angel can lead you to My refuges guarded by an invisible shield. Have your things packed to leave because this situation is not far off."
Prayer Group:
Jesus said: "My people, many of your people have Christmas trees to decorate their houses along with your Nativity scenes. In the vision you are seeing these trees set out for pick up as a sign that Christmas is over. I have suggested before to keep a small Nativity scene in your prayer room so you can celebrate My infancy all year round. Many preparations are made for Christmas, and it is over

in one day. Others celebrate a novena before Christmas and an octave after Christmas. Rejoice in celebrating My Incarnation as a man."
Jesus said: "My people, the hymns of Christmas remind you of how the angels sang beautifully to the shepherds. You also are hearing songs of peace to all mankind while you see all kinds of war and evil all over. I have asked you often to pray for peace because of all the wars across the world. These songs are a peaceful way of sharing love with everyone. Join in singing these familiar carols that show My blessings on everyone."
Jesus said: "My people, these speakers are enabling the celebration of My birth so everyone can hear My Word proclaimed over all the earth. I came to free people from all of their sins, and this Good News is worthy of shouting out from all of the rooftops. Rejoice in My becoming a man so I could die for your sins, and bring salvation to everyone. Soon you will be celebrating the Epiphany when the three kings share their gifts of gold, frankincense, and myrrh. Rejoice that most of the world has received My message of love, but more people need to accept Me into their hearts."
Jesus said: "My people, if you are going to make some New Year's resolutions, let them be things that you could reasonably accomplish in a year. Many resolutions are forgotten quickly if you do not really work to keep them. Resolutions to improve your spiritual life could truly be worth the effort to grow closer to Me. You need to work constantly on perfecting yourself if you want to be with Me in heaven."
Jesus said: "My people, in many walks of life you are seeing so many injustices as in the financial world and in politics. I have created a perfect world, but it has many imperfect human beings that are trying to improve on My perfection using your GMO technology. Struggle to preserve My creation as I created it as you grow your organic crops free of pesticides."
Jesus said: "My people, these three kings of the East have followed My Star of Bethlehem faithfully so they could give worship to their real king. They inquired from Herod the right of passage through his kingdom. They did not return to Herod as they were warned in a dream to go home by a different route. I was coming as a spiritual King to save My people and not to rule over the Romans. Celebrate My Epiphany as your real King of the world who loves all of you so much."
Jesus said: "My people, this Christmas season passes quickly, and in another week or so it will end with the celebration of My Baptism by St. John the Baptist. After this you will start Ordinary time until the beginning of Lent.

Relish these few days of My infancy while you still have your decorations before you. It is a joy to celebrate giving gifts to each other as well as the poor. Keep this Christmas spirit in your hearts all year long."

January 14, 2013
Friday, January 4, 2013:
Jesus said: "My people, your priest made a good point that you all should try hard to remember the meaning of the First reading and the Gospel. This same thought is why I asked you to order a subscription to the Magnificat book so you could follow along with the lector and the priest or deacon. I also asked you to be able to explain these readings to anyone who did not hear them or who forgot what was read. By being conscious of each reading, these lessons could help you in your spiritual life. In the First reading you are seeing a contrast between the children of faith in Me and the children of the devil. A righteous person shows forth love for Me by avoiding sin and helping to save souls. You will be facing evil people, but you need to love them and give them good example in your behavior. In the Gospel reading St. John the Baptist was identifying Me as the Lamb of God and the Son of God to be followed as the Messiah. My apostles were brought to Me by St. Andrew, and I called Simon, Peter or the rock. If you have forgotten the readings, then because you have your Magnificat, you could re-read the readings to remember the lessons that were taught in them."

Saturday, January 5, 2013:
Jesus said: "My people, I am showing you in this vision how I wish My people to have reverence for Me when you receive Me in the Real Presence of Holy Communion. The most important reverence is that you only receive Me in the state of grace and not in mortal sin. You need to come to Me in frequent Confession so you can have worthy souls to receive Me. I am showing you other traditions of receiving Me on the tongue and kneeling or bowing before your receive. Also have unleavened bread and take time to give thanks to Me for all

that I do for you. Some people do not believe that My Body and Blood are truly present in the consecrated bread and wine, but I am still present. Honor and worship My Eucharist in My tabernacle or in the monstrance when you come in Adoration of Me in My Host. It is this reverence given to My Blessed Sacrament that adds to the sacredness of faith in My Roman Catholic Church. I invite all souls to come to know Me, but My Church has the fullness of knowledge of Me because of My sacraments. I also want to warn My faithful to be on guard of any modernism teachings in My Church that try to minimize the importance of My sacraments in their spiritual life. I want you to do some research to explain modernism and how it is enabling a division in My Church that will promote New Age teachings that will be promoted by a schismatic church. I want My faithful to stay with My faithful remnant with all the teachings of My apostles."
(First Saturday) Mary said: "My dear children, I want to thank all of my pilgrims who braved today's snow and cold as you came to honor my Son's stations and pray my rosary. I know everyone cannot come here for various reasons, but I love all of you who love me and my Son, Jesus. Those, who remain close to our two hearts, will have their reward in heaven. The Tenth Station is special because just as my Son was stripped of His clothes, Jesus wants His people to strip themselves of all attachments to their earthly possessions. You should focus yourselves on following Jesus, and put your full trust in Him to provide for all of your needs. He knows what you need before you even ask Him. All He wants is that you give your will over to Him, and have faith that He will answer your prayers and give you all that you need both physically and spiritually."

Sunday, January 6, 2013: (Epiphany)
Jesus said: "My people, this feast of My Epiphany is a representation of My Light of love which shines through the darkness of sin all over the earth. At every Mass I give you My gift of Myself in My Body and Blood of My Real Presence. Just as the Magi brought Me gifts of gold, frankincense, and myrrh, so I desire that My faithful bring Me the gift of your soul and free will over to Me. I want you to deny yourselves, take up your cross, and follow Me through all the trials of this life. By giving Me your will, then you can fulfill the mission that I have planned for you since you were created. I call all of My faithful to go forth

as My Star so you can shine the Light of your faith in witness to My Gospel of love. Shout My Gospel from the rooftops for all to hear and be saved. For I am your Redeemer and I bring salvation to all souls. By accepting Me in faith, you will be saved and brought to heaven one day."

Monday, January 7, 2013: (St. Raymond of Penyafort)
Jesus said: "My people, this vision is not a good sign because it indicates a continuation of the drought conditions that you had last year. The stone urn losing water means certain parts of your country will continue to get little rainfall. I have talked to you about a coming world famine. These continuous drought conditions will cause a shortage of fresh water, and it will make growing crops more difficult. With a growing world population, you could see an increase in water and food prices as the demand increases. Conversion of salty ocean water to fresh water may be required that will make such water very expensive. Some desert areas use this source of water, but there is a problem in dispensing expensive water to poor people. As the food becomes more expensive and hard to distribute, there will be more people dying of starvation. Be prepared for these coming shortages, and help people who are thirsty and hungry."
(Funeral Mass for John & Sharon Norton) John and Sharon said: We are happy to be together in thanking everyone who came to our funeral service. You saw us kissing at the Sign of Peace because our love will live on forever. We are sorry for our dear family that have to mourn our loss at the same time, but we will not be mourning each other's loss. We love Jesus and Mary so much, and we were happy to serve in our mission on earth. We will be in purgatory a short time so continue your prayers and Masses for our intentions. We want to console our family that we will be praying for you, and watching over each of you. We love all of our family members and friends, and we enjoyed being with you all in all of our life's events."

Tuesday, January 8, 2013:
Jesus said: “My people, this morning you saw the sky full of chemtrails, and in the vision you saw lightning that was being influenced by the HAARP machine. These two things are secret operations run by your government to cause sickness, storms, and even death and chaos in an attempt to cause martial law. The microwave beams work in conjunction with the particles of the chemtrails to set up a charged electronic field to control certain communications and other secret projects. The chemtrails in the sky are very obvious to your people, but very few people are complaining about all the aluminum oxide, barium ions, viruses, and polymeric fibers that military and commercial planes are spraying by the tons every day. Your people are getting flu like symptoms and the ground is becoming more alkaline from these sprays. If your people were aware of all the health effects of these sprays, they would be complaining more. Many of your memory problems, and immune system problems are caused by these sprays. People need to be educated about these symptoms from articles on the internet because they will not hear about it through your censored media. When the evil ones start to spread their pandemic viruses in the chemtrails to kill people, I will warn My faithful to leave for My refuges where you will be healed by looking on My luminous cross.”
Jesus said: “My people, the one world people have a goal of spying on people to know everyone’s business and their daily movements. This is why you have microchips in your driver’s licenses, your passports, and even your cell phones. You have chips in your car, in your ‘easy’ passes, and in your satellite TV boxes. Not only do they know your movements, but they listen to your phone calls, e-mails, and even in your living room through your cable box TV. By knowing your religion and political affiliations, these Masons can determine if you are in favor of or against their new world order. Christians and patriots are on their lists to kill before martial law starts. Have no fear because I will warn people when it is time to go to My refuges to be protected from the evil ones who want to kill you. My angels will put an invisible shield over My people when they come to My refuges. Be aware of these dangers, but have trust in My protection.”

Wednesday, January 9, 2013: (Mass intention for John S.)

Jesus said: “My people, I told you a while ago that John needed one more Mass because he suffered in ways that you do not understand. I have heard your prayers and your Masses said for his intention. In the vision I showed him to you as he was smiling with Me in heaven. I have used all of the Mass intentions of even some Masses that are yet to be offered so I could bring him to heaven. He loves his family dearly and he will be praying for them and watching over them. Rejoice in this blessing of a healing of a difficult death for the family.”
Jesus said: “My people of America, you are on the threshold of watching your Constitutional rights taken away by your President’s edicts in his Executive Orders. The current issue is on gun control, but your President has already written several Executive Orders when he cannot get Congress to act on issues, like immigration. There are more issues on the National Debt Limit, and balancing your Budget. These are places where Congress needs to act, especially passing a Budget that has not been done for several years. I warned you that more Executive Orders will be given, and there are plans to use them already for gun control. Be watchful of these coming events if they demand that you need flu shots or chips in the body. Do not take any chips in the body even if they threaten you. Do not take the flu shots either because of the side effects on your immune system. If they make chips in the body mandatory, then you will need to call on Me to have your guardian angel lead you to My nearest refuge for your protection.”

Thursday, January 10, 2013:
Jesus said: “My people, I was just starting out on My ministry of proclaiming that the Kingdom of God is at hand. Today’s Gospel was in the synagogue of Nazareth, and I read the scroll of Isaiah which speaks of healing the blind and letting captives go free. I told them that this prophecy was fulfilled that day. At first the people were pleased with My words of healing, but later when I spoke of healing sins, or that I was the Messiah sent from God, then they wanted to kill Me. They knew Me as a child from that town, and they could not believe that I was sent by God. As a result there was not enough faith in My miracles, so I did not heal many people in that area. Even today, there are few people who believe in Me enough to follow My Commandments. Without faith in accepting Me as

Master of their lives, it is hard for people to be saved. It takes humility and a personal commitment to serve Me that is necessary for salvation. Without love of Me and love of neighbor, it will be difficult for people to come to heaven. This love of Me and neighbor is a requirement to get into heaven at your judgment. I am merciful, but I am just as well. I died for love of all of mankind, but those, who desire heaven, need to make an attempt to love Me with their yes."

Prayer Group:

Jesus said: "My people, you have just celebrated the Epiphany with My Star of Bethlehem and the Magi with their gifts. Now, you are seeing signs in the sky that are signifying the coming of the Antichrist as he mocks My Star of Bethlehem. My Star was a real miracle, but the Antichrist's signs are not miracles because they are formed by lasers. Be prepared to go to My refuges of protection from the evil ones in the tribulation."

Jesus said: "My people, the early Americans used weapons to defend themselves from the British. This is why the right to bear arms is protected in your Second Amendment. It would be hard to take over America while its citizens were well armed. This is why the one world people will try to strip your guns and take away your Second Amendment rights. I do not condone killing with guns, but they are a means of immediate self-defense. I encourage My faithful to let My angels fight your battles so you do not have to kill people."

Jesus said: "My people, those people, who are decrying the killing of the twenty first graders, should also decry the killing of millions of babies by abortion. These killings both produce dead children. If killing with guns is so evil, then doctors killing unborn babies with knives is just as evil. The innocent twenty children were killed in Newtown, Connecticut, but the millions of babies are being killed in your neighborhood abortion clinics of Planned Parenthood. My faithful are right in protesting these killings at these abortion clinics."

Jesus said: "My people, some of your government officials are trying to strike down your Second Amendment, while others are fighting for a Right to Life Amendment. The culture of death people are choosing death in abortions and euthanasia. The Right to Life people are choosing to protect life at all stages of your existence. Life is precious even from conception until natural death. Work to protect life against the forces who want to kill life."

Jesus said: "My people, this decision that legalizes killing babies in the womb is America's worst law that allows killing millions of unborn babies. In a few weeks My faithful will be protesting this decision because this blood on your

hands will bring My justice down on America for killing My little ones. Keep praying for the stoppage of abortion because if your people do not stop it, then I will stop it in a way that you do not want to see."
Jesus said: "My people, many people have forgotten that the Sequestration cuts were a product over last year's raising of the National Debt Limit. You have seen more spending of increased taxes on the rich, but cutting Defense and entitlements is not being carried out. You need to have spending cuts and maybe some more taxes in order to have a balanced budget. It is your trillion dollar annual deficits that could cause a crash of your financial system. Until you balance your budgets, your debt will continue to rise at an exponential rate. There are too many entitlements that can never be afforded with your current revenue. There is a limit to the amount of taxes that people can pay without some kind of resistance. Unless you want to be another Greece, you must find some compromises."
David (my deceased son) said: "It was very traumatic to suffer seeing me die as an infant. Every time in January the people are reminded about how they kill millions of little babies in abortion as you march against the Rowe vs. Wade decision by the Supreme Court. These mothers have a choice to have their children. Other mothers of stillborn babies or crib deaths would gladly have live babies. See God's gift in birth by allowing all babies a chance to laugh and live normal lives. By killing these babies in abortion, you do not know what contributions these babies could have made to your society if they were allowed to live with their talents."

Friday, January 11, 2013:
Jesus said: "My people, in today's Gospel a leper came as close to Me as he could because they had to keep away from people.
He asked Me if I could heal him, and I so willed to do so. I healed him because he had faith that I could heal him. I even touched some lepers to heal them, and this was normally forbidden. This is an example of how I even reached out to heal the outcasts of society because I love everyone. You may not be able to heal people, but this Gospel is an example of how I want My faithful to reach out to everyone in love. Even those in prison, those in nursing homes, and those with

contagious diseases need to be loved. People with drinking and drug problems also need to be loved. It is difficult to go outside of your comfort zone to try and help the outcasts of your society. This is something all of My faithful should try to do because you see Me in their souls. Pray for these souls, even if you cannot physically help them."
(Mass for Dennis) Jesus said: "My people, it was the prayers and Masses that saved Dennis from a worse fate. He still needs more prayers and Masses to advance up in purgatory. When people abuse their bodies and are not close to Me, they will have to accept My judgment for their deeds. It is not easy for Me to see people suffering, but purging souls of their sins is not a pleasant sight. Many people have drinking or drug problems, and these addictions have demons attached to them. This is why it is difficult for such people to fight their demons and their habits that abuse their bodies. Keep praying for these people with addictions because persistent prayer could save them from hell."

Saturday, January 12, 2013:
Jesus said: "My people, in today's Gospel St. John the Baptist makes a true act of humility when he said: 'He must increase while I must decrease.' In essence St. John knew that his mission was drawing to a close while My mission would be the center of attention. This humility in serving Me is an example to everyone. Those, who desire to love Me and come to heaven, must accept Me as Master of their lives. This means that My faithful need to decrease their own way of running their lives, so I can increase in leading their souls to follow My Divine Will. Once you truly have died to self, then you can begin a new life in the Spirit where I and the Holy Spirit will be leading you. In the reading of St. John he calls all of you to avoid idols. My people need to worship only Me and not any gods of this world like money, sports, or personal fame. By coming close to Me in prayer and Confession, you will have the strength to carry out the mission that I have given to each person."

Sunday, January 13, 2013: (Baptism of Jesus)
Jesus said: "My people, at times you see broken-hearted souls who have lost a loved one or had a broken love relationship. It is difficult to suffer these situations when you may feel alone for awhile. If you have a married partner or love relationships, you are fortunate to have someone who loves you. Of course you are always loved by Me, as I love all souls. I will not leave you by death or any other means, so you always have My loving friendship. It is unfortunate that not every soul loves Me in return. You know how hard it is with loving someone, and they do not love you in return. I desire to save all souls, but people need to accept Me and love Me, if they wish to be with Me in heaven. This is why evangelizing souls for Me is so gratefully appreciated so you can bring lost souls to love Me. So there should not be any broken-hearted souls because they can come to Me in love, and I will bring great joy into their lives both on earth and in heaven."
Jesus said: "My people, you have seen your President's first term which leaned strongly to the left as a socialist government. He is working to control the people beyond what your Constitution of law stands for. He is a puppet for the one world people in bringing about a takeover of America. Their first step is to control gun ownership, and the second step is to expand government control over everyone. By running up huge deficits, your financial system will fail, and the dollar will become worthless. This bankruptcy will give reason for martial law along with mandatory chips in the body. When you see the dollar fall, mandatory chips in the body, or martial law, then My faithful need to call on Me to have your guardian angels lead you to My refuges. Once America becomes part of the North American Union, it will not be long until the Antichrist will declare himself ruler of the world. Some of My faithful will be martyred, but the rest will be protected by My angels at My refuges. My faithful will suffer during the tribulation, but they will have their reward in My Era of Peace and later in heaven."

January 23, 2013
Monday, January 14, 2013:

Jesus said: “My people, you are starting a new season of Ordinary Time after celebrating the Christmas Season. In the Gospel I am continuing the plea of St. John the Baptist of ‘Repent for the Kingdom of God is at hand.’ I called Simon, Andrew, James, and John to follow Me, and they would be fishers of men instead of their profession of catching fish. It was easier for them to follow Me when they heard St. John the Baptist call Me the ‘Lamb of God.’ They knew of the Scriptures of a coming Redeemer, so they were eager to follow Me. As they saw My miracles, they came to believe in Me more. There is a fast transition from My birth to My starting ministry at thirty. There are few accounts of My early years except when I was found in the Temple teaching when I was twelve. I was with St. Joseph and My Blessed Mother in Nazareth, and I was subject to them in obedience. Today, I also call My faithful to be evangelists of souls to follow Me. Saving souls is the purpose of My mission on earth, and it is also the mission of My faithful as well.”
Jesus said: “My people, the Kingdom of God is present in My Presence. I came onto the earth as a man so I could offer Myself up as an unblemished sacrifice for the sins of all of mankind. I became a man on earth, but without sin, and this is why I am a pure sacrifice. During My three years of ministry, I revealed through My life how I wanted My faithful to live without sin. I showed My love for the people in My cures, and I even multiplied the food in a deserted place so they would not starve on the way home. When I healed people on the Sabbath, and I criticized the Scribes and Pharisees, this is why they wanted to kill Me. These religious leaders finally tried Me for blasphemy when I truthfully declared that I was God’s Son. Everything, that was foretold about Me, was carried out to fulfill all of the Biblical prophecies. Even before I was crucified, I gave you Myself in the first Mass at the Last Supper of the Passover Meal. The bread and wine are consecrated by the priest into My Body and Blood. I am with you always in My tabernacle, where you can adore Me and worship your Lord. Give thanks to Me for offering My life so that all of My faithful could enter the gates of heaven.”

Tuesday, January 15, 2013:
Jesus said: “My people, you are seeing in the Gospel how I have authority over

evil spirits, and they come out on My command. I gave this authority to My apostles to help in their work, but I also told them that some spirits or groups of demons require prayer and fasting to come out. Once the demons have made a conquest over a soul, they do not want to give up easily. Souls that are controlled by demons need a binding of the spirits prayer in My Name to the foot of My cross. Prayers to St. Michael and calling on Me to send angels of protection are also needed. Have such souls wear blessed sacramentals as scapulars, rosaries, Benedictine crosses, holy water, blessed salt, or blessed medals. These are the means of protection from the evil spirits. Use your weapons against evil, and pray for souls tormented with addictions of alcohol and drugs. My Name, Jesus, is powerful against evil spirits, so invite Me in helping you to get rid of these spirits in people and yourselves."
Jesus said: "My people, I gave you a message recently that spoke about continuing droughts that will make it hard to find food and fresh water. I have also asked My faithful to stock up on food and water for at least a year's supply for each person in your home. This vision of a skeleton sitting in a chair is a sign that you may die of starvation if you are lazy and do nothing. I mentioned about people dying of starvation in a world famine, but not just in Africa. Even in America you could see people die of starvation. If your government goes bankrupt or shuts down for a time, this will stop welfare, Social Security checks, and food stamps. There will be another reduction in America's credit rating, and this could force higher interest rates. There will be political battles over gun control, health care, the National Debt limit, and budget deficits. If Executive Orders supercede Congressional authority, there could be more battles with your President. Many of these situations and possible mandatory chips in the body could trigger a martial law that will send My faithful fleeing to My refuges. Be prepared to leave for My refuges if there are any threats to your life."

January 23, 2013
Wednesday, January 16, 2013: (Elizabeth T. Memorial Mass)
Jesus said: "My people, it is difficult to see someone suffer for years with a terminal illness. Betty was graceful in accepting all that she had to deal with in life. She was a loving and kind lady with all of her adopted family. She still loves all of you, and she will be praying for you. It is even hard for her parents to

bury their daughter at a relatively young age. Pray for her husband and step-children as they mourn Betty's loss. It was good for the parish people to support the parents and Betty's family. Be grateful to have had the gift of her life to everyone."
Jesus said: "My people, you offer your prayers and deeds up to Me in your morning offering. Every day at Mass I offer Myself up to you by multiplying My very Presence in every consecrated Host. I am still suffering on the cross as I take on your pain, and the pain that I suffer for everyone's sins. If you, who are imperfect, know how to give good gifts to your children, imagine how much more your Father in heaven knows how to share the best gift that He could give you in Me in My Eucharist. My Blessed Sacrament contains My very Presence, and you receive Me intimately into your soul every time you receive Me worthily in Holy Communion. So I ask you every day to pick up your cross of daily suffering, and share your pain with Me on My cross."
Jesus said: "My people, you may think that the evil ones are in control as they force their way against the people. I am only allowing them to control things so far because I am protecting your souls from this evil world. The Antichrist will have his short reign over the people, and there will be many evil injustices until I come on the clouds. When you see in the vision how this large machine crashes down the hill, this is when I will bring My Comet of Chastisement to destroy the evil beast's empire. I will cast the evil ones into hell, and I will renew the earth so I can bring My people into My Era of Peace. Trust in Me that My victory will come after a short reign of the Antichrist. My faithful will have their reward in My Era of Peace and later in heaven."

Thursday, January 17, 2013: (St. Anthony, abbot)
Jesus said: "My people, you are not here on this earth just to please yourself in your comforts, but you are here to know, love, and serve Me. It is hard to serve Me unless you give your will over to Me, and allow Me to be the Master of your life. When you truly believe in Me and are living a true Christian life, then you will not be afraid to go outside of your comfort zone to help people. It is somewhat easy to fulfill your Sunday Mass obligation and make a donation to the church. It takes spiritual fortitude to pray to Me every day, come to daily

Mass, make an attempt to visit Me at Adoration, confess your sins at least once a month, and reach out to evangelize souls or help the poor. Those, who help evangelize souls to save them from hell, are providing a beautiful service for Me, because saving souls should be your highest calling as a Christian. Do not worry or be elated that you may be in a minority in helping Me, but remember that those, who labor to help souls, are storing treasure in heaven for their judgment."

Prayer Group:

Jesus said: "My people, you are seeing thieves becoming bold, and drug cartels using guns for revenge. This is why some Americans have guns for protection. Now with pending new gun laws, some are buying guns while they can. There is a new threat coming as the Second Amendment is under attack from your liberal leaders and media. This antagonizing of gun owners could create a revolution over the right to bear arms. I told you that the one world people's agenda is to remove your guns, and they will use any means to get their way. If you see killing and chaos in the streets, then My faithful will need to leave for the safety of My refuges."

Jesus said: "My people, you have seen some record high temperatures right after some major snow storms. You also have seen tornadoes and violent storms in your Southern states during winter. All of these unusual jet stream movements have all the signatures of being manipulated by the HAARP machine. You are already on your ninth unusual snowstorm on the backside of violent weather. These storms are causing damage and disruptions to your infrastructures. It is hard to fight these storm creations when your media do not even recognize that a microwave machine can change your weather so drastically."

Jesus said: "My people, because of this inauguration ceremony, your Right to Life march had to be put off until Friday. It is a tragedy that this President even supports infanticide, and his swearing in ceremony is a day before the anniversary of the Supreme Court decision that legalized abortion. Even with all of the protests against abortion, there has been very little progress, as millions of babies are still being killed by abortion every year. Keep praying to stop abortion, as these killings are bringing My judgment against America."

Jesus said: "My people, I have told you that the battle between good and evil will become more apparent as time goes on. Persecution of Christians and patriots is getting worse as the one world people will be doing everything to single them out like the Germans persecuted the Jews. On one side you are seeing the government preparing more detention death camps for those who are

against their new world order. Your leaders are also stocking underground cities for protection during the coming revolution. On the other side, I am leading many of My faithful to set up refuges of protection where I will protect the faithful and provide food and bedding for those who are called to My refuges. See this activity as a sign of the coming tribulation."
Jesus said: "My people, I have been giving you messages for many years to prepare My faithful for this coming trial led by the Antichrist. It is not easy to prepare to leave your homes for the protection of My refuges. I have also warned you that a time will come when the evil ones will try and force a mark of the beast on everyone as a computer chip in the body, just as in your Health Care law. You will also see a division in My Church between a schismatic church teaching New Age, and My faithful remnant. As you see mandatory chips in the body and martial law being enforced, I will warn My faithful that it is time to leave for My refuges by following your guardian angels. Fear not this time because My invisible shield will protect you."
Jesus said: "My people, I am the only source of peace for your hearts and souls. I give you this peace in the grace of My sacraments. Do not let anything in this world disturb this peace that I have given you. In this coming trial there will be some faithful who will be martyred for their faith in Me. I will lessen the pain that they will suffer, and they will become instant saints in heaven. The rest of My faithful will be protected at My refuges by My angels. At the end of the tribulation I will lift up My faithful into the air so they are not killed by My Comet of Chastisement. I will cast the evil ones into hell, and renew the earth. Then I will lead My faithful down into My Era of Peace."
Jesus said: "My people, the evil one world people and the Antichrist are forming their new world order in a ruthless manner. Just as all will seem hopeless before their power, I will then bring My victory that will end their reign by casting this whole evil lot into hell. These evil ones will suffer plagues of fire and scorpions on earth as a living hell before they are cast into the eternal flames of hell. Do not watch My judgment, but know that these evil ones will pay an eternal punishment for all their killings on earth."

January 23, 2013
Friday, January 18, 2013:

Jesus said: “My people, in today’s Gospel I healed the paralytic man both in his sins and in his body. Some onlookers were thinking that only God could forgive sins. Little did they know that I truly am God, and I healed the whole man both body and soul. In order to receive a healing, the person to be healed needs to have faith that I could heal that person. Not only did this man have faith in My healing power, but so did the four men who were carrying their friend on a mat. They were so intent on seeing Me that they made an opening in the roof to let the paralytic down to Me because of a large crowd. I wish that everyone had this faith in My healing. This is why I healed only a few people in My hometown because they did not believe in Me. When the people saw the paralytic man get up and walk, they were astounded in what they saw. Even after seeing My miracles of healing, My calming of the storm, and My walking on water, still the people did not understand that I was the Son of God until My Resurrection. My apostles finally believed, but many Jews still do not accept My Divinity in their midst. All of the prophecies in the Old Testament were fulfilled in My first coming. All of the prophecies of the New Testament will be fulfilled when I return on the clouds.”
Jesus said: “My people, in many cases where I healed people, I could feel their pain and I reached out to them. It is important that people have faith so I could heal them. You are seeing Me still suffer on My cross because I am making up for people’s sins, and I am joining their suffering with My own. It is not easy in life to suffer chronic bone or muscle aches. I ask people to offer up all of their pain and trials in life to Me so they can share it with My suffering on My cross. In a similar way I ask people to fast from food or something you like on Wednesdays and Fridays as a little penance for your sins or the sins of others. You will be starting your Lenten fasting soon. This is a good time in Lent to detach yourself from any earthly pleasures. The more you can die to self in your earthly desires, the closer you will come to Me in perfecting your spiritual life.”

Saturday, January 19, 2013:
Jesus said: “My people, at the beginning of your ministry I asked you if you would do a mission for Me, just as I asked Levi to follow Me. You answered that you would do My will with your ‘yes’. You did not know what I would have you

do at first, but when you followed Me in faith, I could use you to spread My Word. At each point along the way, I opened doors for you in writing My messages, and having them published in your books and on the internet. I gave you people to help you with the artwork in your book, and you have a good publisher who has helped you all of these years. I was also instrumental in giving you people who helped you with your website on the internet so you could share My messages. I have opened many doors for you so you would have places to give your talks. When you commit to helping Me save souls, you will have abundant graces and resources to help you."

Sunday, January 20, 2013:
Jesus said: "My people, I told you that you would see some false flag terrorist disasters in several cities that would be staged to cause a martial law in your country. This vision is a massive explosion again in New York City that will be attacking your financial district. You have seen Hurricane Sandy strike this area also with the intention of damaging your Wall Street activity. Many incidents of disasters and a crash of your markets will precipitate a failure of the dollar. This has been planned for a long time to bring down your country so the one world people could take you over. I am allowing this punishment of your country as a judgment because of your many abortions, even as you celebrate the anniversary of your Supreme Court decision that allowed abortion. As chaos and a possible revolution will occur, you will be called to My refuges of protection. Rejoice in My protection as you will have to help each other, and I will multiply your food and fuel."

Monday, January 21, 2013: (St. Agnes)
Jesus said: "My people, every day of your life is like one step closer to your judgment with Me. I want you to see this staircase that leads up to Me, as a chance to improve your spiritual life on your path to perfection so you can be

worthy of entering heaven. Heaven should be your life's goal, and you are being tested and purified in this life by all of your trials and tribulations. Enduring the human condition takes your personal commitment, and full faith in My helping you through life. Without My help you would be wanting, but with My help, you will have all that you need to succeed in your mission. Give praise and thanks to Me for all that I do for you."
Jesus said: "My people, your families today have a hard time getting together for supper and interacting with one another. You all have too many activities, electronic gadgets, and both parents are working which makes it hard for parents to show love for their children in doing things with them. You are relying on babysitters and schools to teach your children when you should be helping them with homework and personal time together. The more time that you could spend with your children, the closer they could bond with your love. Many of your children are not getting enough love because you are too focused on money and material possessions. Your children need your attention because you may have them in your house for only twenty years or so. Help them with their schoolwork and help direct them in their work careers. Also, you need to teach them faith in Me so they know their prayers and can come to receive My sacraments. Parents have heavy responsibilities in bringing up their children with love and faith. Call on My help to bring your children up properly."

January 23, 2013
Tuesday, January 22, 2013: (Anniversary of Rowe v Wade on abortion)
Jesus said: "My people, this anniversary of a corrupt decision to allow abortion is the blood of innocent aborted babies on the hands of all Americans as a country. Why should these children have to pay a death penalty for the mother and father's mistake? Many abortions are to cover up embarrassing affairs of fornication. Such sexual sins without marriage are mortal sins, and you should not compound one sin with another mortal sin of killing your baby. Killing a life is a serious sin, and it is the responsibility of the mother and the doctor who will answer for their sin. Your population is decreasing because you have allowed Satan to lead you into killing your children. You cannot put a price on life in

money or convenience. You are not just putting tissue in your garbage, but it is a human life. Your abortion mentality is a result of your desire for birth control. Some women have their tubes tied, and some men have vasectomies which are mortal sins in the eyes of My Church. Some use all manners of birth control devices to avoid pregnancies. When women have abortions, this is the worst form of birth control. Married couples should use family planning methods instead of birth control devices or abortions. I abhor the killing of My little ones, and America will pay dearly for these millions of murders. Keep praying for the stoppage of abortion, and encourage these mothers to have their children. No one in My eyes has any right to kill their children."
Jesus said: "My people, today you are praying at home because of the snow and bitter cold. In the future you may have to pray at home because your churches may be closed by your government. I mentioned before that watching My Host exposed in the DVD will give you the same grace as at Adoration when you cannot make it to church. I am grateful when you can visit My tabernacle, but I am accommodating your desire to be with Me when your travel is difficult. Having prayer groups or family prayer at home may be all that will be available in the future. It will even come to a point when you will not be safe at your homes as the persecution of Christians will get worse. At that time you will need to call on Me to have your guardian angels lead you to My refuges of protection. Be grateful for your time in your homes and for My angel protection during the tribulation."

February 6, 2013
Wednesday, January 23, 2013: (St. Vincent)
Jesus said: "My people, many times the Scribes and Pharisees were criticizing Me for healing people on the Sabbath. These hypocrites taught all the restrictions of the Law of Moses, but they did not always follow the spirit of the law themselves. I told them that the Sabbath was made for man, and not man for

the Sabbath. Therefore the Son of Man is Lord even of the Sabbath. (Mark 3:27,28) Because I taught with authority and healed people with miracles, the religious leaders wanted to kill Me. These people were led by the justice of man with an eye for an eye and a tooth for a tooth. I taught the mercy and justice of God in that people should love everyone, even their enemies. They should turn the other cheek if someone strikes them. This perfect example of love was too hard to follow, and many did not want to follow My way. Because I healed many people of their ailments, large crowds followed Me and listened to My sermons. I did not come to be served, but I came to serve the people."
Jesus said: "My people, be ready to leave for My refuges, even if you need to leave in the winter. I thank all of My Right to Life people for praying the rosary in the cold while you were protesting outside of a Planned Parenthood building. On these deep cold days it would be difficult to keep warm in an outdoor tent. It would even be better to sleep overnight in a car or van than outdoors. In a van you could lie down on your seats if there was enough room. When you leave for My refuges, remember to bring your tent, warm clothes, sleep blankets, backpacks, and as much food and water that you could store in your van. Also, bring rosaries, Bibles, and your Mass books. You need spiritual sacramentals and reading material, as well as your physical needs. By having your things ready in one place, you could quickly load your van if you need to leave in a hurry. Have some extra gasoline for a long trip. Be ready to come to My refuges that may not have electricity. You will be helping each other in a rustic life to survive during the tribulation. Give thanks to Me for protecting you and feeding you at My refuges."

February 6, 2013
Thursday, January 24, 2013: (St. Francis de Sales)
Jesus said: "My people, many of you are asking when are the events and the Warning going to come, as I keep telling you it is near. In this vision you are seeing the rapid motion of people in a sled going down some hills until finally it goes down into a vast darkness. This means that events are moving fast until you will suddenly find yourself in the darkness of the tribulation. The darkness represents the evil of the Antichrist that will be an evil that will be worse than you have ever seen. You will see My Warning for everyone come before the major events happen that will endanger your lives. The evil ones are plotting

their takeover of America as your deficits are about to bring on your bankruptcy. This will devalue the dollar until it will be near worthless. This will cause a chaos in buying things. Getting a currency from your government for your entitlements may cease until a new currency is established. When people lose their savings, there will be a revolution against the establishment that will trigger a martial law. Such a cause for martial law has been planned from the beginning so the one world people could place America into the North American Union. Have no fear because I will protect My people at My refuges until I will come in victory. Be patient for a brief reign of evil before you will be rewarded for your faithfulness to Me in My Era of Peace."

Prayer Group:

Jesus said: "My people, you have seen some heavy snowstorms in the Northern states. Now, you are seeing a deep cold take its toll on your people. On Monday I had My angels watch over you when you were traveling home in a blizzard of snow near Syracuse, N.Y. You prayed to have Me send them, and fortunately there were no injuries in the accident in front of you. This is another example of how you can call on Me to send you angels of protection, not only against demons, but in difficult situations."

Jesus said: "My people, I thank all of My people who protest in front of abortion clinics and who go on the march in Washington, D.C. in front of the Supreme Court building. Life is too precious to kill babies in the womb. Even as some people want to take away your guns because of the children who were killed, these same people do not protest abortion that kills millions of babies every year. Keep praying for the stoppage of abortion, and keep bringing people's attention to protecting the unborn from the abortion doctors."

Jesus said: "My people, you are seeing some compromises in raising the National Debt Limit with forming budgets that have not been done in the Senate for four years. If these budgets are not passed, the Senators and Congress people would not receive their pay. There are some Senators who are avoiding budget measures so the people would not see the runaway spending that is causing trillion dollar budget deficits each year. It appears that Congress is trying to change its ways, but cuts to entitlements will still be a big battle."

Jesus said: "My people, many jobs are at stake in changing the route of this pipe line so America could buy crude oil from Canada instead of from Saudi Arabia or Venezuela. By producing your own energy sources, America could reduce its oil imports and save trillions of dollars in oil money. Some of your environmentalists do not want to use fossil fuels as oil, but they are the first to

load up their cars with gasoline which comes from oil. It is your cheap fuels that power your economy, and it is hard to replace such fuels right away."
Jesus said: "My people, the more states that keep allowing gay marriage and marijuana, the more your country will face My judgment for your sexual sins and ruining your people's minds with drugs like marijuana. Marriage between a man and a woman is how I set up My creation as a perfect love relationship to provide children. Homosexual acts are abominations in My eyes, and these so called marriages are unnatural. These people are living in sin even as some unmarried couples are living in sin with fornication. When governments promote gay marriage, they are legalizing sinful lifestyles. Hold proper marriage on a higher plane than this gay marriage that is not a true marriage as I created it."
Jesus said: "My people, in a few more weeks you will be starting a new Lenten Season as you prepare for Easter. This is an appropriate time to plan some ways to improve your spiritual life. By prayer penances and giving up some things that you like, you could help the soul better control the body's earthly desires. Fasting and prayer are a good means to request spiritual favors of conversions. Keep focused on Me in your lives as you allow Me to be Master of your lives. By letting Me lead you in life, you can fulfill the mission that I have planned for each of you. Keep praying for your family members and friends who need to come to Sunday Mass and frequent Confession. Give your friends and relatives a good example in your prayer life so they have something to imitate."
Jesus said: "My people, some of you try to come to daily Mass during Lent, and they will be helped by the grace of My Blessed Sacrament. I would like to make a further suggestion for your Lenten practices of trying to visit Me more often in front of My tabernacle. There are some churches that are open for these visits, so take advantage of My extra graces to adore and worship My very Body and Blood in your presence."

February 6, 2013
Friday, January 25, 2013: (Conversion of St. Paul)
Jesus said: "My people, this conversion of St. Paul was quite dramatic when he saw My Light, and he was made blind as he fell off of his horse. I made him aware of how he was persecuting Me. After his blindness was healed, I turned his zeal into converting souls to Christianity, and he wrote many letters of his missionary efforts. The Epistles of St. Paul are read often at your Masses. Many

of My prophets have been given messages, and they travel around evangelizing as well. My son, you also have been witnessing to people about My messages in your books, on the internet, and in your speaking engagements. Your means of travel are more modern, so you can travel further in a short time. I thank you for your zeal as well to love Me and to carry out your mission. All of your works of good deeds are storing up treasure in heaven, but you also are more responsible for all of your gifts. Continue your prayer life, and keep close to the One who loves you."
Jesus said: "My people, I am showing you how I am already starting to speed up time as you know it. This vision of the sky spinning is another sign of the coming Warning which will appear as a circling tunnel as you move closer to My Light. Then you will see a slow moving circle of the events in your life as each of you will have a life review outside of time and outside of your physical body. There will be a focus on your unforgiven sins, as you will see these events through the eyes of other people and from My point of view. You will understand how your life affected other people both for good and bad. You will understand how much you offend Me with your sins, and how much pain I have to suffer to redeem you from your sins. This experience will be a wake-up call to prepare all sinners to change their lives before they will encounter the evil of the Antichrist. My faithful will learn how to call on Me for help against evil, and to follow their angels to My refuges of protection. Be thankful for My Warning because many souls would be lost if they died right now. The Warning and My faithful can help convert souls that would be lost. You will be working at a fever pitch to save souls after the Warning because many souls will desire Confession then. More converted souls will have a cross put on their foreheads so they can get into My refuges. My faithful even now have crosses put on their foreheads that will be seen during the tribulation. Have no fear of the evil ones who I will protect you from at My refuges. Be patient for a short reign of evil before I will conquer all the evil souls and demons, and cast them into hell. My faithful will be rewarded in My Era of Peace."

February 6, 2013
Saturday, January 26, 2013: (St. Timothy and St. Titus)
Jesus said: "My people, I sent out My disciples two by two to prepare the towns for My visits to share the Word of God and to announce the Kingdom of God is

at hand. The disciples St. Timothy and St. Titus did this at Ephesus and Crete. My faithful also should be spreading My Good News of salvation as you witness your faith to those around you. All of you are responsible for saving your soul and the souls around you, especially your children and grandchildren. You may not always think of yourselves as evangelists, but when you believe in My Word, you are carrying My Light of faith for everyone to see in the darkness of the evil in the world. My Light of faith is necessary in each soul for coming to heaven. So give good example to others in your prayers, your good behavior, and your attendance at Mass on Sunday. Frequent Confession at least monthly is also a necessary way of cleansing your sins from your soul. You all are sinners and you are in need of repentance. Keep your family close to Me as you guide these souls to heaven."
(Mass intention for Camille Remacle, Carol's father)
Camille said: "Hello, John, I am happy to see you again, and the family at Mass. Tell Babe that I wish her a happy birthday along with the other birthdays, and that I love her so much. I love all of you, and I wish I could be with you to share that good meal. I know it has been quite cold for Lydia to come to my Mass. All the great grandchildren are growing up so fast, and I am proud of their schoolwork. I am still visiting and praying for those who need to come to Mass on Sunday. Thank you for taking care of my grave, even if people are stealing things from it. It is the thought that I appreciate. I am thinking about everyone and praying for all of you. Keep My picture out so you can remember me. I will be singing with you when you sing your birthday song."

February 6, 2013
Sunday, January 27, 2013:
Jesus said: "My people, these symbols in the vision are very meaningful for this point in time. The hourglass with the sand running out is a sign that the time for going to the refuges is coming soon. The oil lamp is a sign for having light at the refuges because most refuges will not have electricity. I have asked people at the refuges to have extra bedding, blankets, food, and fuel for living independently. This preparation is represented in the symbol of the five wise virgins who had extra oil to keep their lamps burning. At My refuges I will have My angels protect you with an invisible shield. They will also multiply your food, water, and fuel for heat and light. You will also have My luminous cross in the sky

where My faithful can look on it and be healed of all of their ailments. Even the dormitories will be multiplied so everyone will have a place to stay. Give thanks and praise to Me for providing My protection for My faithful during the tribulation time of the Antichrist."

Monday, January 28, 2013: (St. Thomas Aquinas)
Jesus said: "My people, you are seeing the Pentagon building, and your Defense Budget is the largest portion of your budget. This is the military industrial complex that buys your planes, ships, tanks, and pays the bill for all of your service people. The Defense Department fights your wars and runs all of your secret operations as the HAARP machine, the chemtrails, and your military satellites. Whoever controls all of these weapons and supplies, can control or influence many countries. I keep encouraging My people to pray for peace and not war. These forces could also be used to control your own people or put down any revolutions. Many of your military bases can be used as detention centers or death camps to eliminate Christians and the patriots. Be aware of how all of this Defense money is spent because it could be used to establish a dictatorship that could control your citizens. I am warning My people that this part of your government could be exploited by your current Administration. Many of your Defense contractors peddle influence and control a lot of jobs. As you see budget cuts coming, the Defense Budget will be the biggest target. Be aware that the one world people control this power as well."

February 6, 2013
Tuesday, January 29, 2013:
Jesus said: "My people, amidst all the books of the Bible, there is one thing I ask of the people above all the rest, and that is to do My Will and that of My Father. In the Old Testament the people gave burnt offerings up to their God, but I became the unblemished sacrifice without sin as a perfect offering to My Father in reparation for all the sins of mankind. Once I was offered on the cross, there is no further need of making offerings of animals. The sacrifice of My Blood

washes away your sins, and there is no further need of the blood of animals. Give thanks and praise to My Father in heaven for sending His Only Begotten Son to atone for your sins. At every Mass you continue to have an unbloody sacrifice that you remember at every Consecration of the bread and wine into My Body and Blood. This is why the Mass is the greatest prayer of all because you have My Real Presence before you in My Blessed Sacrament."
Jesus said: "My people, you are seeing an Easter lily in the distance which means there is a time of prayer and penance during Lent before you can celebrate Easter. Lent is an excellent time to address all of your earthly desires that cause you to commit sin. People, who take time to think about their weaknesses, should try to make a plan during Lent to work on ways to minimize any occasions of sin or read some good spiritual books so they are using their time wisely. If you do not plan your time for prayer, your work, or how to use your spare time, then you are allowing the devil more opportunities to tempt you into sin. You should also be aware of not watching too much TV or spending too much time on the internet. Try to focus on things that will best help your spiritual life, and best serve Me. Wasting precious time should be a big concern because you all will have to make an accounting for what you did in life with your gift of time. You need to plan projects that can help save souls and help with evangelization. By working on these things both now and during Lent, you can profit the most in the best use of your time."

February 6, 2013
Wednesday, January 30, 2013:
Jesus said: "My people, in My parables to the people, I did not always give explanations that I gave to My apostles. Not all of My parables were self-evident, but the people could still see the love of God and the desire for repentance for sin. In today's parable about the Sower, the seed represents the 'Word of God' and how different people receive it. The seed that fell on the rocks are those who hear My Word and rejoice for awhile, but they soon forget because they have no roots of faith. The seed that fell among the thorns are those who hear the Word but their faith is choked off by the attractions of the world and the desires of the flesh. It is the seed that fell on good soil that yielded thirty, sixty, and a hundredfold. Even when the Word has roots in faith, it still needs to be constantly nourished with the graces of My sacraments. My faithful also need

to put My Word into their actions so they can help people, both in their physical needs and in evangelizing souls. If My Word does not grow in your hearts to share your love with Me and your neighbor, then you are not making My Word a part of your very life. You need to be One with Me to gain heaven."
Jesus said: "My son, you are seeing a need to update your DVD that explains your mission of preparing the people for the coming tribulation. Your first thought is to pray your St. Therese novena to protect you from the evil ones who may attack your DVD efforts. You have already compared your notes from the first two talks, and you have made an outline for your third DVD. Once you fill in the appropriate messages and type it out, then you should try and practice your talk to try and fit it into two one hour DVDs. By going through it a few times, you can see what is important to focus on to keep within your time constraints. You could use a few articles to highlight some points of interest. By using Scripture, My messages, and things in the news, you can give people a big picture of all that is going on in your world today."

February 6, 2013
Thursday, January 31, 2013: (St. John Bosco)
Jesus said: "My people, you are seeing a steady attack on all of your rights from gun ownership, legal voting, freedom of religion, and states rights over Health Care. The current debate over certain rifles and ammunition will only affect most of your law abiding citizens because thieves and drug runners will find weapons on the black market or steal them. Your Second Amendment is a right to bear arms not only from personal harm, but also from your own government. It is the intention of the one world people to take away all guns so they can easily take over America. This happened when Poland was disarmed, and it was taken over by Hitler. I do not want My people to kill others, but immediate self-defense of your family is recognized. Once your life is in danger, I will have My angels put an invisible shield over you on your way to My refuges. In this way you will be protected without using guns to defend yourselves. Keep praying for peace to avoid war."
Prayer Group:
Jesus said: "My people, there has been questions raised on why your country is sending planes and tanks to Egypt that is under control of the Moslem Brotherhood which hates Israel. There are also plans by your Administration to

get rid of most of your nuclear weapons. This goes along with taking away your guns so America can be easily taken over by the one world people. Those, who are heading your Defense Department, are determined to weaken your defenses as soon as possible. Be aware of these moves aimed at a takeover of your country."

Jesus said: "My people, your liberal governors are pushing gay marriage laws, laws against guns, laws legalizing marijuana, and a few promoting euthanasia. Many of these issues are a sign of how America is becoming more corrupt in many areas. Abortion is another stain on your souls, and those favoring the death culture are continuing to try and kill babies and the elderly. Once your Health Care Law is mandated, you could see more mercy killing to save money over a certain age. The morals of your country are so low that your liberal legislators are able to pass more evil legislation. If My faithful do not fight these evil ones, then the evil ones will take away all of your rights."

Jesus said: "My people, some of your states are resisting any expansion of Medicaid for the millions of poor who are not covered by a medical plan. There is also concern that current employers may try to drop their health plans to avoid paying these benefits. Benefits have been expanded so much for Social Security, Medicare, and Medicaid that these programs are costing much more than can be financed by your current taxes. Many doctors are concerned with being forced to take on more new patients than can be handled with the time and offices available. This will be just the beginning of rationed care where the elderly will have a harder time for their care to be handled. Not only are there problems with national health care, but the costs will be larger than planned."

Jesus said: "My people, you have seen chips in the body as a mandate in the early drafts of this Health Care Law. It is a plan of the one world people to chip everyone, and the government may soon force mandatory chips on your citizens. These chips should be avoided at all costs because they could control your free will and turn you into robots. I have warned My faithful to refuse this mark of the beast being placed in your body. When your government makes chips in the body mandatory, then you are to call on Me, and I will have your guardian angels lead you to My refuges of protection."

Jesus said: "My people, I have told you that many one world people worship Satan and are directly taking orders from him. This is why you are seeing every attempt to remove My Name and holy things out of your society. As the persecution of Christians worsens, there will be more attacks on your churches to close them with taxes and regulations. Forcing religious institutions to give

out birth control devices is just the beginning. Eventually, My faithful will be forced to pray only at their homes. Christians will be singled out for ridicule for jobs, Federal aid, and no food or Social Security without a chip in the body. You will be coming to My refuges sooner than you think."
Jesus said: "My people, once Christians are sought out for purging like the Jews were in Germany, My faithful will be forced to come to My refuges. Once I call you to My refuges, you are to take your things and leave before the evil ones try to kill you. Your angels will protect you with an invisible shield both on the way and at My refuges."
Jesus said: "My people, do not be afraid of the coming tribulation because those, who are faithful, will be on their way to heaven. Some of you may be martyred, but I will lessen your pain and you will become instant saints in heaven. Those, who come to My refuges, will need to endure a rustic living for less than 3½ years. At the end of the tribulation I will bring My faithful into My Era of Peace, and later into heaven."
Jesus said: "My people, you are in a battle to save as many souls from hell as you can. After My Warning, many souls will be seeking confession of their sins. Priests will be working overtime to give Confession to the people. This will be the best time to evangelize your family members who are away from the Church. Ask My help to convert them with persuasive arguments by the power of the Holy Spirit. Those, who refuse My help, could be lost. Pray for all souls to be open to conversion, especially after My Warning."

February 6, 2013
Friday, February 1, 2013:
Jesus said: "My people, I have told you many times that everything that I create is perfect, while everything that man makes is imperfect. Man in his ignorant pride thinks that he can make crops more perfect than Me which is already absurd, but it is even an insult to Me. All that I create is balanced with nature, but man's crops, like your medicines, have side affects that do not balance with nature. Currently, most of your corn and soybeans crops are genetically modified, and this is causing an increase in cancer, allergies, and digestive tract problems. Your scientists have changed the DNA of corn by adding Roundup, a herbicide and bug killer. The DNA of Roundup is combined with the DNA of corn so when the corn grows, it produces Roundup that kills weeds and bugs. It

kills bugs by exploding their stomachs. So when humans eat this corn, it makes small holes in their stomachs where undigested food escapes into your blood stream. This is what causes some of your allergies and digestive tract problems. Your body does not recognize this corn with a different DNA, so your body rejects it, and this can cause cancers. My faithful would be better off not eating these GMO (Genetically Modified Organism) crops, and instead they should eat more organic grown food. It is hard to avoid these artificial foods because they have been blended into many products that you use. Be aware of these adulterated foods, and try to eat fresh fruits and vegetables. This is also why you need to build up your immune systems with Hawthorn, herbs, and vitamins. Man should stop altering My perfect crops, or you will get worse diseases as a result."
Jesus said: "My people, there are many beautiful processions that people take part in to celebrate My Blessed Mother's feast days, and to celebrate blessings of My Blessed Sacrament. In the vision you celebrated the 70th Anniversary of Fatima in Portugal back in 1987. You have also celebrated St. Anne's feast day on July 26, 2012 with a candlelight procession in Canada. The last procession is where your priest blessed all of your Adoration members with My Blessed Sacrament. Celebrations of My saints and My Blessed Sacrament keep you close to Me in your daily lives. I love My nightly adorers for all the times that they thought enough of Me to make their frequent visits. Many of My adorers gain extra graces for all the hours that they spent adoring My Eucharist. When you love someone so much, you want to be in that person's presence as much as possible. Loving your Lord is so pleasing to Me that you are storing up graces as a heavenly treasure. I love everyone very much, but I have a soft spot in My Heart for those faithful who come frequently to My tabernacle in Adoration. Encourage people to visit Me in My tabernacle, and they too will receive many blessings."

Saturday, February 2, 2013: (Presentation of Jesus in the Temple)
Jesus said: "My people, there is joy at first when the candles were blessed and gave their light after being lit. After My parents brought Me to the Temple, you read how Simeon and Anna had their patience rewarded in seeing their Savior. In

the vision you saw the candles blown out to represent the lives of the Holy Innocents that were snuffed out by Herod in his attempt to kill Me. By the grace of My Father in heaven, St. Joseph received a dream by an angel that told him to take the Holy Family to Egypt to avoid Herod's desire of killing Me. This snuffing out of life is continuing with all of the many abortions being committed even now because of your liberal death culture that is led by Satan. It is shameful that America has legalized the killing of babies in the womb. This continuous killing is why in My justice I will allow the one world people to take over America in punishment for killing My little ones. Some of My faithful have been fighting this evil decision for many years, and I thank all of you for your efforts on behalf of the unborn. Continue to pray for the stoppage of abortion, and keep protesting this injustice at your abortion clinics. In the end I will have My victory against these evil ones, and My faithful will be vindicated."
Jesus said: "My people, you have been seeing an unusual number of killings that were using assault rifles, and the shooters committed suicide when their killings were done. In the vision you are seeing microwaves and voices controlling a killer with a chip implanted in their body. This technology is already available, and it has been used by the military and secret agencies. Some assassins are purposely given two identities to hide their killing intentions. If some one world people want to create crimes against innocent children to get gun laws passed, this technology could be used on anyone that was chipped on purpose. Some of these crimes have been committed, and the killer was killed to hide any evidence. When you look at the eyes of these killers, you can see that they do not look normal. The one world people are known for their technique of create the problem, and then create their desired solution. By controlling people with chips, they can be used as robots to serve these evil masters. This is why these same evil people want to put chips in everyone to control them against their free will. This is why My faithful need to refuse any chip in the body, even if they threaten to kill you. I will warn My people when it is time to come to My refuges so the men in black cannot capture you. Rejoice that I am protecting you from the ruthless one world people who want to kill all Christians and patriots."

Sunday, February 3, 2013: (St. Blaise)

Jesus said: “My people, in today’s Gospel of Luke the people of Nazareth were surprised to hear Me tell them that I was fulfilling Isaiah’s prophecy of one who would come and heal the blind and the sick. They had heard of My miracles of healing, but they did not realize how I received such power because they knew My parents and that I lived there. Because of their lack of faith, I could not heal people there, but only foreigners. I told them that a prophet is rarely accepted in his hometown. Because I insulted them, they did not want to believe in My healing gifts. They even tried to kill Me, but I walked through their midst. Even in your own mission, it is not easy for your people to believe in My messages because many do not want to hear hard messages of preparing for the end times. Your prayer group members have supported you, but others find it hard to believe. Do not be concerned if some people do not want to hear My messages from private revelation, but carry on with your mission of evangelizing souls, and warning people of the evil of the coming Antichrist. I love all of My prophets and messengers who carry out My mission, and they will be blessed for their efforts in spreading My Word of love and life.”

Jesus said: “My people, I am showing you the young children who survived the gauntlet of your abortion society. Some of you remark how you do not see many babies and young people, but look at the millions of babies that are killed by abortion. I am showing you My little ones because they are precious in My sight, and they need to be protected from physical abuse and from all evil influences. You have heard of such abuse from parents and bullying of kids in school. If you notice unusual bruises on young children, you may need to notify the authorities. There are other evil influences from internet games, pornography, and even Harry Potter books and movies. Parents should be careful of what their children are watching on TV and on the internet. It is important to train your children in daily prayer so they have a spiritual support to get through life’s trials. Children look up to their parents or grandparents for good spiritual leadership in helping them. Your good example of Sunday Mass and monthly Confession can give children a model to follow. Even if your children or grandchildren see you praying a rosary, this can have a good influence on them. In this evil age you also need to have your children wear blessed sacramentals for protection from the demons. They could wear scapulars, carry rosaries, have blessed medals, and a Benedictine cross. Encourage the children to avoid drugs and drinking as they get older. Let them also see that abortions and living together without marriage are mortal sins to avoid. By training your children in the faith, you are preparing them for life and how to have Me as the center of their lives.”

Monday, February 4, 2013:
Jesus said: “My people, those, who are influenced by demons, are always performing their evil deeds in secret or in the dark. This is why I bring My Light into the world to shine light on these evil ones to catch them in their thefts and killings. Even some people, who have abortions, do not want to be seen, as they are covering up their affairs in how they became pregnant. The demons are very active in your world today as evidenced in your lifestyles of living together in fornication or as homosexual couples. You also are seeing many occult groups, pornography, some demon possessed people, and abuse of your women for sex. This evil is evident because people are choosing these sins of their own free will as they give in to the devil’s temptations. Your media is promoting promiscuous behavior on TV and in your movies. Your drug culture and alcohol addictions are ruining many homes, and they are a cause of thefts and killings. It is hard to avoid sin in your evil society, so you need to depend on Me and My sacraments to protect your souls. The demons shy away from My Name and My cross which is why wearing blessed sacramentals can protect you from the demons. Frequent Confession and a daily prayer life can also help keep your souls pure. Call on Me to send you angels of protection when you feel like you are being attacked by demons. Guard your soul from sin, and let Me be the Master of your life, then you will have peace with nothing to fear.”
Jesus said: “My people, you have read of two news reports where explosions occurred like the flames in the vision. The first report was an airplane attack by Israel on some trucks loaded with weapons in Syria. The purpose was to prevent arms from being delivered to Lebanon and Hezbollah. The report claimed secondary explosions from the bombs that were near stored chemical weapons. The second incident was an explosion in an Iranian bunker that stored a number of centrifuges to enrich uranium. It is hard to determine the source of this explosion, or if it was sabotage. This area is very volatile and Israel could get involved in a war with such attacks. Continue to pray for peace in this area where Syria’s leader is in danger of being ousted.”

Tuesday, February 5, 2013: (St. Agatha)
Jesus said: “My people, remember when I told the people that if they had faith the size of a mustard seed, that they could move mountains. Faith in My helping you in life can be found in many of your needs. Today’s Gospel was about a woman with hemorrhages, and she had enough faith in My healing power to touch My clothing. She was healed not only physically, but her faith helped her spiritually as well. Healing of souls from their sins is even more important to Me than healing the body of any trouble. The body will die and return to dust, but the soul lives on forever. This is why in many of My healings, I tell the people to go, your faith has saved you. So I heal the body and the soul at the same time because this is a healing of the whole person. This faith in Me is how many are healed. If I can heal any of your health problems, then if you have faith in Me, I can help you with anything that is troubling you in life. I know that you face many trials in life every day, so put your trust in Me, and ask Me to help you in all that you do each day. When you pray and fast for help, you know that I will be at your side to assist you in carrying your daily cross. Reach out to your neighbors to instill this faith in Me in their lives to ease their burdens as I ease yours.”
Jesus said: “My people, in the Early Church many Christians were martyred for their faith, including many of the Popes. This same kind of persecution is going to return, where Christians will have to hide in caves like the early catacombs. Satan is having his brief reign through the Antichrist and the evil one world people. They are not satisfied to steal all of your homes and money, but they want to mandate chips in the body so they can control your body and your soul as their slaves. This is why I am telling everyone to avoid taking any chips in the body, so these evil ones cannot control your mind with voices. It is better to leave your home for the safety of My refuges than to allow these evil ones to capture you. If you refuse this chip at your homes, then they will take you to the death camps to kill you. If you come to My refuges, My angels will protect you with an invisible shield. Trust in Me when I call you to My refuges so you can save your life and your soul. Be prepared with one year’s supply of food and water for the coming chaos, and have your backpacks ready to leave quickly when I give the word. You will suffer a short time of tribulation, and then you will have your reward in My Era of Peace.”

Wednesday, February 6, 2013: (St. Paul Miki & companions)
Jesus said: “My people, years ago there were gold rushes in California and Colorado, and also oil wells in Texas. Where valuable resources as gold and oil are found, people rush there in an attempt to get rich quick. In the latest natural gas and oil rush, people are exploiting the oil shale with fracking to make big money on the enormous deposits in various places across your nation. There are estimates that America could be energy independent from all of its oil imports once these new sources are developed. In one sense these resources should be shared wealth for the people in these oil rich states. This is where the greed of some people takes over, and they exploit the land for money and leave behind poisoned water wells. Very little care is taken in disposing of the toxic chemicals that are used in extracting the oil and gas. Oil has been called ‘liquid gold’ as seen in the vision. This new found fuel is good for your country, but only a few rich people will benefit the most. This will provide more jobs if this new source is properly managed. Many people are seeking wealth in this world, but it should not be treated as a god or an idol because I am the only One worthy of your worship.”
Jesus said: “My people, this first vision of an eagle losing its talons is a sign that America will so reduce its defenses, that your country will be open to attack and conquest. You have seen plans by your current Administration to reduce your number of nuclear weapons to near zero. This is a plan for near unilateral disarmament which could be opposed by the majority of your people. The second vision from underwater is about more underwater earthquakes that could cause worse tsunamis than a recent Santa Cruz 8.0 earthquake that caused a five foot tsunami. Recent tsunamis have killed thousands of people as a result of some large underwater earthquakes. Some of these earthquakes have been started by the HAARP machine with the purpose of reducing the population. Be prepared for more large earthquakes that could even cause disasters and deaths in America. Pray that My faithful will be protected at My refuges before major disasters start killing thousands of people.”

Thursday, February 7, 2013:
Jesus said: “My people, every day and every Sunday you have a miracle at Mass when the bread and wine are transubstantiated by the priest at the Consecration into My own Body and Blood. You have Me coming down on your altars at every Mass. Even with My Word and My Real Presence shared with the people at Mass, still there are a good number of Catholics who do not come to every Sunday Mass. If you are a true Christian, you need to obey My Third Commandment which makes it a law to worship Me on Sunday, especially at Mass for Roman Catholics. It is important to work on your children and grandchildren to see the necessity of attending Sunday Mass. My Church teaches that it is a mortal sin to miss Sunday Mass when you are not sick. You can even attend Saturday night Mass for your Sunday obligation. If work, sports, or entertainment keep you from coming to Mass, then you need to adjust your life to honor Me more than your money or comforts. I am the one whom you should worship, and not any of your earthly gods or idols. My faithful need to evangelize the lukewarm and those who have not heard My Word so their souls can be saved, and put on the right path to heaven.”
Prayer Group:
St. Therese said: “My son, I heard your prayer to help you with making this third edition of your DVD talk. You started my novena of 24 Glory-Be’s, but you need to remember to say it every day. I know you pray your rosaries and Divine Mercy Chaplet, but
you need to remember your intention for this DVD and pray your novena also. Maybe you could set out a note to remind you. I have helped you on your other DVDs, and I will help you with this one. You will be fortunate to have another three years, so this could be your last DVD.”
Jesus said: “My people, I have been preparing you for this Lent for a week or so. It is good to have some plans of how you could improve your spiritual life. You have some penances that you do each year, but this time you could try some new or additional things, as more spiritual reading. When you read about the saints, the Bible, or other books as your Imitations of Christ, you can get closer to Me. I appreciate all of your attempts to do better in Lent. Some of these things could be continued all year.”
Jesus said: “My people, as another Lenten suggestion, you could try to help

others more by going out of your comfort zone to do a little extra for someone in need of help. Look a little harder at people around you to do more by volunteering things without being asked. You could start with some acts of kindness in your own house with your relatives, or friends. You could even reach out to help strangers in their needs."
Jesus said: "My people, giving alms or donations to charities and the Church could be another focus of sharing your money with the poor as your Food shelf, or helping with extra Church causes. Many people have money for entertainment and eating out at restaurants. Take some of that money and share it, and you will receive merits in heaven. Some people make only token donations, so the more you can give, the more I will see your sincerity in your help."
Jesus said: "My people, it is not easy to bear the daily burdens of living this human condition. By offering up all of your little troubles and trials, you can gain redemptive graces for those people who you are praying for. Remember not to waste any pain, but offer up your sufferings to help others. By doing even these little things in life, you can make big steps in improving your spirituality."
Jesus said: "My people, at times you buy new clothes, new furniture, or new cars. Instead of just discarding your old things to the garbage pickup, you could clean them up, and donate them to charity organizations so someone could use your old possessions. This is just another way of helping your poor people without always thinking of a tax write-off. When you do things out of love for others, I notice the intention in your heart. Be ready to reach out to help others in any way that you can."
Jesus said: "My people, do not rely totally on missionaries and others to evangelize souls to the faith. My faithful could make more efforts to share your faith in bringing souls to Me, if you really put your mind to it. There are souls going to hell because people are not inviting them to faith in Me. You can reach out to souls in your family, your friends, or even searching strangers. I will reward all souls who make extra efforts to evangelize souls to save them from going to hell."

Friday, February 8, 2013: (St. Jerome Emiliani)
Jesus said: "My people, you are hearing in the Gospel of how St. John the

Baptist was beheaded by Herod just as others were also beheaded for their faith. You are going to see more persecution of Christians, even with beheadings because you have heard reports of the Army having guillotines for public executions. I have warned My faithful to be ready to leave for My refuges when your lives will be in danger of execution by the evil one world people who will be bringing the Antichrist into power. If people do not take the mark of the beast, or a computer chip in the their body, then these evil ones will kill you in their detention center death camps. Even in the Book of Revelation it speaks of those who will be beheaded for not taking the mark of the beast. Those, who are martyred in the tribulation, will go straight to heaven as saints, and they will live in My Era of Peace as teachers of My faithful."

(Sue H.'s father) Jesus said: "My people, when you were last with this family, they were mourning the loss of their daughter, whom the father found on the floor. Now the father has passed away, and this family is in grief again. He is in purgatory for a while, and he could use some Masses and prayers. He will be praying for his family and watching over them."

Jesus said: "My people, many of you need to understand the big picture in the battle of the forces of heaven against the forces of evil under Satan. Satan hates man and he wants to reduce the population through the one world people who worship him, and they take their orders from him. This is the plan of the death culture to kill as many babies as possible with abortion; to kill the older people with euthanasia; to kill off many of America's military with constant no-win wars; and to kill millions of people with viruses and vaccines. These one world people are the central bankers in each country who control their country's governments through debt money and national debts. These people are about to crash the world's currencies to cause a takeover with a one world currency backed by gold and silver. They will cause bankruptcies in every nation, and they are setting up continental unions like the European Union and the North American Union. Once these unions are in place, they will use foreign UN troops to force mandatory chips in the body. This will be their means to control everyone as robots with voices coming through the chips. Once these chips are in the people, the Antichrist will be given power all over the earth when he declares himself to start the tribulation time. My faithful are to refuse any chips in the body so your free will cannot be controlled or violated. Refuges have been prepared as safe havens for My faithful who have crosses on their foreheads. I will call My people to come to My refuges when your lives are in danger. Your guardian angels will protect you, and you will have all that you need at My

refuges. This tribulation will last less than 3½ years, and then I will defeat the evil ones, and bring you into My Era of Peace."

Saturday, February 9, 2013:
Jesus said: "My son, you have been praying your novena for this next edition of your DVD talk. I am giving you a sense of urgency that you need to get it done as soon as possible. Do not let other things interfere with this work, so that you need to do a little on it each day. Put the finishing touches on what you have, and make up your chart pad sheets so the people can read your outline as you go through each section. You will have some things put in your way, but go around them to finish this project. Your time to get your messages out is getting short, so you have to make the best use of your time in preparing this DVD. I will send My angels to help you so you are not so interrupted from your work.
Evangelizing souls with My Word is important because many people are not spiritually ready for My Warning or the coming tribulation. If your people do not repent and change their lifestyles, many souls could be lost to the Antichrist and to hell."
Jesus said: "My people, you have just witnessed one of the worst snowstorms to strike the Northeast when two storms collided. In your area you only had one foot of snow, compared to two feet of snow in the blizzard areas. One report claimed 650,000 people were without power as some records were set in the Boston area. It is unusual to see several large snow storms along with Hurricane Sandy come into the same area. You were able to find intense HAARP machine activity to steer this Hurricane into New Jersey. Many of these recent snow storms have had unusual intensity which are the normal effects of the HAARP machine's activity. Do some more research to see if people have monitored increased HAARP activity in the Northeast. The one world people continue to want to use this HAARP machine to cause disasters, especially near the heart of your banking industry. These people are ruthless in carrying out their planned destruction of your economy. My faithful need to be prepared for power outages, and the planned collapse of your dollar and your economy. Be ready to leave for My refuges of protection when I will tell you to leave to protect your bodies and souls from the evil ones."

Note: Pictures show intense HAARP activity in the heavy snow areas.

Sunday, February 10, 2013:
Jesus said: “My people, you are seeing the apostles amazed at their catch of fish, which was a miracle because they had caught nothing all night. The real miracle is how My apostles were being prepared to catch converts to the faith in Me. All of My faithful are asked to be evangelists in bringing converts to the faith. It is not by accident that this Sunday you are being asked to support your Church in providing money for the priests in retirement, and for all the new candidates training for the priesthood in the seminaries. You, My son, are also working in the vineyard of souls to encourage them not only for conversion, but to prepare them for the trials of the end times in the coming tribulation. I thank all of My priests and lay apostolates who are working to save souls from hell.”
Question of disabled getting to the refuges: Jesus said: “My people, some of you have been concerned about how disabled people and those who cannot be moved, are going to get to My refuges of protection. I told you that My angels are going to be leading you to My refuges, and you may come in vehicles, bikes, or walking. In cases where people cannot be moved in cars, these same angels will perform miracles of lifting these people into the air to My refuges. Once people come to My refuges, they can look on My luminous cross or drink the healing spring water, and their health will be restored. You will not need medicines, and your legs and arms will work normally with no pain. Give thanks to Me for all of the healing that will happen at My refuges.”

Monday, February 11, 2013: (Our Lady of Lourdes)
Jesus said: “My people, this vision of lions is how Christians were killed for sport by the Romans. You also remember how many Jews and Catholic priests were
killed by Hitler in World War II. I am reminding you of these previous

persecutions because Christians and patriots will be killed with a new persecution by the one world people who control your government. These evil ones have prepared detention center death camps across your country where they have gas chambers, crematoriums, and guillotines. When the lives of My faithful are in danger, I will warn them when it is time to leave for the safety of My refuges. Some will heed My warning, and they will be protected. Those, who do not leave their homes in time, are risking martyrdom. The men in black from the foreign UN troops will try to force everyone to take a chip in the body at their homes. If they are caught and refuse the chip, then they will be killed in the death camps. Those, who follow My directions, will be led by their guardian angels to the safety of My refuges. At My refuges you will be made invisible to those who want to kill you. Trust in My promise of protection during the coming tribulation."

Tuesday, February 12, 2013:
Jesus said: "My people, you have been reading the accounts of My creation in the Book of Genesis. When I finished My work of creation, I rested on the seventh day. I ask My people to give Me worship on Sunday, and to avoid any unnecessary work on Sunday to honor My day of rest. For a while you had laws that discouraged businesses from forcing their workers to work on Sunday. Now the greed to make more money has made Sunday just another work day for some people. Here again you are seeing the worship of money becoming more important than worshiping Me. Even despite your society's disregard for keeping Sunday holy, My faithful should still try to avoid working and buying things on Sunday. This account of My creation should remind you to give more reverence to Me on Sunday."
Jesus said: "My people, your government is facing some hard decisions concerning putting forth a budget, the sequestration, and the next battle over raising the National Debt. Your President has tried to avoid any cuts to entitlements, but the sequestration threatens to cut everything, but only by $85 billion. This is a very little cut of a $3 trillion budget. If your President cannot

get what he wants from Congress, there is a fear that he will start writing more Executive Orders to go around Congress. This could cause a call for impeachment by some who think he is acting more like a dictator if he violates the Constitution. The one world people want total control of your economy, and they could precipitate another 2008 financial disaster. They also are planning to bring down the dollar so they can declare martial law against any revolution against the government or the Federal Reserve. This year could see some drastic changes in who controls your finances. If chaos and revolution break out, My faithful will need to leave for My refuges to protect your body and your soul. Trust that I will watch over you and protect you from these evil ones."

Wednesday, February 13, 2013: (Ash Wednesday)
Jesus said: "My people, as you receive your ashes on your forehead, this reminds you of your body's mortality, but it has a deeper spiritual meaning. The beginning of Lent should focus more on your death to sin and your denial of self to all of those earthly desires that lead to sin. There are many addictions to drink, to drugs, to cigarettes, to overeating, and in lust for sex in sinful situations. Lent is a time to examine if you are being controlled by anything that leads you into sin or near occasions of sin. It is also a time to do some soul searching so you can work on preventing the sins that you commit most often. This may start with having a properly formed conscience so you do not rationalize your actions into not being sinful, or minimizing any mortal sins as being venial sins. You should make a plan, as I have been suggesting, so you can offer up a penance as you do with avoiding sweets and desserts. You could give up anything else that you enjoy, just so that desire does not control you. You could do some extra spiritual reading, some extra prayers, daily Mass, or more visits to My tabernacle. The point of your efforts is to put more of your focus on Me than on your earthly things. As you think of the day of your own passing, you should think of how you are going to answer for your life at your particular judgment. Now is an acceptable time to improve your spiritual life so you will be more pleasing to Me with a pure soul as when you come to Me in Confession."
Jesus said: "My people, your country imports a large amount of oil from various countries that provide crude oil for your refineries to make your gasoline.

Occasionally, you see oil spills from oil tankers or ships that run aground. You could even see spills from refinery fires or sabotaged oil lines. You have seen an increase in your natural gas supplies with your latest fracking of your oil shale. This is why your natural gas price has declined. Your country could be energy independent with your current technology. Be thankful that your oil and gas providers have been successful in providing for your needs. A cheap supply of energy can help America in restoring some of its foreign job losses. Pray that your country can manage these new supplies of energy so everyone can benefit from this new found wealth."

Thursday, February 14, 2013:(St. Cyril & Sts. Methodius, Valentine)
Jesus said: "My people, this vision of ever flowing water represents how I am constantly pouring out My graces on My people to help them in life. The millstone grinds the wheat into flour which is used to make the bread that the priest consecrates into My Body and Blood at the Mass. My Eucharist is also shared with My people at every Mass. In My tabernacle I am always available to you both to worship and console you in your daily trials. Coming to daily Mass could be a nice addition to your Lenten devotions. Remember to make a little extra time for Me in your days of Lent by praying your 'Imitations of Christ', your Lenten books, Pieta prayers, or your Liturgy of the Hours. Fasting and offering up some penances can help you make this Lent fruitful for your spiritual life. Also make an attempt to help people around you who are in need of your assistance. All of your good works will store up treasure for you in heaven."
Prayer Group:
Jesus said: "My people, you have been watching the drama going on with over 3,000 people on a cruise ship where the engines stopped and there was no electricity. The people had no lights but emergency lights, food and water were scarce, and the bathrooms were not working. My people on land have experienced power outages when many of your comforts were not working. You have had to use wood fireplaces and kerosene burners for heat. These experiences are preparing you for your time at My refuges when you may have little heat in the winter and no air conditioning in the summer. Most refuges will not have electricity, and all of your needs will be more difficult to find. You may

have lamp light, deer for meat, and daily Communion from My angels. The refuge time will be your purgatory suffering on earth."
Jesus said: "My people, you are now seeing the beginning of a battle in Congress over carrying out the cuts that were voted on last year. One side is pushing legislation to stop the cuts, while the other side wants the cuts to go through. While the sequester cuts are being blamed for possibly causing a recession, there is an exaggeration of these effects when budgets have risen 30% in the last several years. Without some cuts and reform, America's deficits will continue to increase your National Debt. Pray that your Congress will make the right choices for your country."
Jesus said: "My people, this election of another Pope is an unusual event in My Church since most Popes have not resigned. Pray for the Holy Spirit to guide the Cardinals in their choice of another Pope."
Jesus said: "My people, many of you viewed the two lightning strikes on the dome of the Vatican hours after Pope Benedict announced his coming resignation. Tomorrow there is an asteroid that will come within 17,000 miles of the earth. Comets will come by the earth in March and December of this year. All of these events could be taken as omens of things to come. I have warned My faithful to have some food on hand for any shortages, and to have a backpack ready to leave for My refuges."
Jesus said: "My son, keep working on the preparations for your DVD and continue praying your novena prayers to St. Therese for help in protecting you from any demon attacks. Time is growing short for your evangelization efforts, and you need to work on converting souls as much as you can. Lent is a good time to encourage people to repent of their sins in Confession. Once your DVD is ready, you could start spreading copies to all the people who will accept them."
Jesus said: "My people, this Scripture of Jonah is a good lesson for Lent. Jonah was given a mission to warn Nineveh that in forty days that town would be destroyed if it did not repent. Once he delivered God's message, the ruler of that town relented, and everyone had to put on sackcloth and ashes to show God that they were changing their lives. Once I saw that the people were truly repenting of their sins, I discontinued My plan to destroy Nineveh. This is a good lesson for America and other countries where the people also need to repent and stop their abortions and sexual sins. If America does not repent, the one world people will be allowed to take over your country. Pray for sinners and for your country to turn away from its sins."

Jesus said: “My people, you are just getting used to your fasting and Lenten devotions that can help you spiritually to change your life’s habits. By making acts of self-denial, and truly making Me the Master of your lives, you can make strides to improve your holiness. It is your soul that lives on past this life on earth. It is important to keep your soul pure so you are always ready to meet Me at your judgment. Use this Lenten time to change your lives of sin back to lives of holiness so you can be closer to Me.”

Friday, February 15, 2013:
Jesus said: “My people, all over the world My Church is in more of a prayerful mode in keeping with the fasting and prayers of Lent. In this Lenten Season there is more concern as well in the resigning of Pope Benedict. At the end of the month when he resigns, the Cardinals will be called on to choose another Pope for this time. The vision of the clergy dressed in gold represents when there will be a celebration of electing a new Pope. This celebration will be short lived because there will be some world wide concerns over the stability of the finances in many countries. Be prepared for some major events this year that could shake the faith of many people. Trust in Me and have no fear of these events because if your lives are in danger, I will tell you when it is time to come to My refuges.”
Jesus said: “My people, I am reminding you of a strange light that occurred before the start of World War II that was foretold by My Blessed Mother. You could do some research to validate the explanation of this prophecy. The reason that I am bringing this example up, is because this recent meteor, hitting in Russia, is another sign of another war that has the potential to involve several nations. Your country has many nuclear weapons and a considerable Navy of aircraft carriers and submarines. America spends more money on defense than any other nation, and any major war could include your involvement. There are many possible problems with Iran and North Korea. Defending Israel from its neighbors could be another problem. If the evil ones want to reduce the population, a major war could kill many people, especially if Israel defended itself with nuclear weapons. Pray for peace, but war could happen at any time.”

Saturday, February 16, 2013: (Memorial Mass for Tony Cubello)
Tony said: “My dear friends, I am happy to be with all of you in spirit, and I love all of you so much. I am giving you my last blessing for all of your needs. I will be watching over you and praying for you from heaven. The Lord has taken me to heaven as I had to endure this cancer as my purgatory on earth. I am praying over you, John and Carol, that your ministry will continue in your own healing and evangelization mission. I want to thank Char, Joann, Maria, Angie, and Kelly for all of their help with my mission, and for taking care of me in my last days. I will always be with you praying to continue this work of sharing the Lord’s Word with everyone. I love all of you so much, and keep a picture of me with you in your work.”
I was focused on the latest research on Our Lady of Fatima’s prophecy concerning the start of World War II. This was of concern because it was linked with a meteor that was an omen pointing toward a new war. This is the prophecy: Mary had also foretold at Fatima, Portugal of the coming of World War II. “The war (World War I) is going to end: but if people do not cease offending God, a worse one will break out during the Pontificate of Pius XI. When you see a night illumined by an unknown light, know that this is the great sign given you by God that He is about to punish the world for its crimes, by means of war, famine, and persecutions of the Church and of the Holy Father.” The prophecy about the sign of another war was fulfilled on January 25, 1938. The night was illumined by a strange light that stretched from the North Pole to as far south as the Adriatic Sea. Jesus said: “My people, this prophecy by My Blessed Mother of another war was given a sign by this unknown light the people could see. This war (World War II) was also a punishment for the crimes of the world in the people’s sins, and they did not repent. Now you are seeing another unusual light from a meteor that lit up the sky with a huge explosion in Russia. On February 15, 2013 I gave a message that this light from the meteor is a sign of a new war involving several nations that will also be a punishment for the sins of man, and his reluctance to repent of his sins. This prophecy of My Blessed Mother is showing you how man has not changed from World War II, and these sins will be causing another war.”

Sunday, February 17, 2013: (First Sunday of Lent)
Jesus said: "My people, during Lent you could take a lesson in fighting off the devil's temptations by My example when I was tested in the desert. I fasted from eating for forty days, just as you have a Lenten Season of forty days of fasting. The first temptation was to produce bread to eat after My fasting. The devil will attack you most when you are in a weakened state as I was after not eating for so long. The devil also attacks you through your desires for earthly things, but man does not live on bread alone. The second temptation is for fame and glory as the devil offered Me all the kingdoms of the earth if I would bow down and worship him. Man is also tempted with fame and fortune, but do not strive for wealth and fame because these things will quickly fade away. I ask everyone to worship Me only according to the First Commandment, and do not let fame, money, or possessions become your idols or gods. The third temptation was to throw Myself off of a cliff so the angels would protect Me. I told the devil that he was not to tempt the Lord, thy God. You may have your faith tested, but do not have any doubts, and trust in Me to help you through all of your trials. If you know how the devil is going to attack you, then you can be ready with My grace to fight him, and do not succumb to his temptations. Even if you falter in sin, you know I will forgive you when you confess your sins in frequent Confession at least once a month. Lent is all about seeking My forgiveness of your sins, and avoiding temptations as much as possible. Work on your bad habits in order to improve your spiritual life."

Monday, February 18, 2013:
Jesus said: "My people, you have read many Scriptures about the people of Israel being called My 'chosen people' because I am the Son of David. Now in today's politics you are seeing America's President visiting the leader of Israel. These people are still precious to Me, and they are being protected. America contributes several billion dollars in aid to Israel each year, and you have commitments to protect Israel from its Arab neighbors. There are some suspicions of your President's true feelings for Israel because he appears to

support Muslim nations. Supporting Israel as God's people is commendable for America, but it could draw you into any major conflict between the Jews and the Arabs. Keep praying for peace in this area that has seen many conflicts in the past."
Jesus said: "My people, I have given you many messages on how important it is to come to My refuges when I warn you to leave your homes. The reason for leaving is to avoid being captured by the men in black who will be coming to your house to try and carry out an order for mandatory chips in the body. If you refuse to take the chip in the body, they will send you to the detention center death camps, and you will never be seen again. I honor those who would be willing to be martyred for their faith, but some people do not understand the danger of remaining in their homes. Some people are familiar with how Hitler killed the Jews and others in his death camps. You have shown people the names of these camps in the various states. You need to show some pictures or a little more research on what these camps look like. People need to understand how the one world people want to eliminate all Christians and patriots who will not go along with their new world order. When you call on Me to bring you to My refuges, I will have your guardian angel lead you with a small flame to the nearest refuge, if you do not know where it is. My angels will put an invisible shield around you on your way to My refuges so the evil ones will not see you. Trust in Me to protect you from the evil ones."

Jesus said: "My people, I am LOVE, and I want My followers to love Me and their neighbors as themselves. Part of this love is being able to ask Me for the forgiveness of your sins, as in Confession. You also need to ask for forgiveness from those who you may have hurt in any way. You should also be generous in accepting anyone's plea for forgiveness of anything that someone may have done to you. This means not holding grudges nor looking for revenge. You even should forgive yourself of any of your failings, and let go of past sins so you can move forward. Forgiveness can be hard to accept, but when you consider this a part of loving people, it should come without any difficulty. You need to reach out to people to heal their hurts and their needs. By having sympathy and

empathy with others, they can see that you are sincere in all that you do. These thoughts of being a loving and forgiving person can improve your spiritual life."
Jesus said: "My people, you have seen many tyrant dictators throughout history, and they had many enemies because of the ruthless killings that they carried out. Even in your world today, America has been instrumental in eliminating several dictators over the years. Currently, you are seeing one party controlling your government in many areas of legislation, but they will be forced to make some compromises to get bills passed. You are facing some serious budget problems where you need to reduce your deficits, or your burden of debt will threaten the solvency of your government. You are having a conflict between one side that wants bigger government control vs. the other side that wants smaller government. The one world people want the quickest road to a takeover of America. They want to use large government deficits as a means for bankrupting your country. Once your debts are too large to be financed, then the dollar will fail, and the one world people will declare martial law. When chaos and riots result, then it will be necessary to have your guardian angel lead you to My refuges of protection."

March 8, 2013
Wednesday, February 20, 2013:
Jesus said: "My people, what I told the people of My day, applies to the people of your society. That is, the only sign which will be given, is the sign of Jonah. Jonah, the prophet, told the people that in forty days Nineveh would be destroyed, if they did not repent of their sins. The king and the people of Nineveh did repent in sackcloth and ashes, and they proclaimed a fast and changed their sinful lives. This pleased Me so much that I relented from destroying their city. The same message of asking the people of America to repent of their sins is now in front of you, but you are not listening. Despite

many signs and a call to repentance, America is not repenting. Because of this, your country will be taken over by the one world people as your punishment. There are some people, who are praying for America, and I will protect those who are faithful to Me at My refuges. This Lenten Season is a call to prayer and fasting, so take heed because you have Me here in My Eucharist who is greater than Jonah."

I asked Jesus for a title to the new DVD, and He gave me: "Prepare for the coming of Jesus."

Jesus said: "My people, in the Gospel I spoke of an evil generation in My day, but now you have an evil generation that is even more perverted than in My time on earth. Because there are not enough prayer warriors to pray for the sins of the world, evil is tipping My scales of justice, and that is why evil appears to be getting worse. In every field, evil is infecting technology in movies, games, and pornographic images on the internet. You are accepting same sex marriage, euthanasia, and controlling the genes of babies. In your food production, your hybrid seeds are producing foods that cause cancers, allergies, autism, and other diseases. This is why this evil will soon come to an end with the Antichrist's tribulation. I have allowed evil its hour, but when you see the Antichrist, know that My coming in judgment is near. Then the evil ones will be defeated, and I will usher in My Era of Peace for My faithful."

Jesus said: "My people, Americans are in love with their cars as a means of transportation. It is your relatively low priced fuels that allow your people to travel wherever they wish. They also enable people to drive a considerable distance from home to their workplace. Driving a car is becoming more complicated with chipped driver's licenses and easy pass tracking devices. As the fuel cost, insurance cost, and license fees increase, it is becoming more expensive to keep a car on the road. Eventually, you will need chips to drive on most interstate roads. The chips in your car will enable the authorities to track where you are. When it is time to leave for My refuges, you can place your backpacks and food in your car, and your invisible shield will keep the evil ones from tracking you. You will not need chips in your devices at My refuges because such chips will not work there. Trust in My help to have your angels bring you to the nearest refuge."

Thursday, February 21, 2013:
Jesus said: “My people, as you take in this vision of the flames of hell, you realize the pain and agony that the souls in hell are constantly enduring. They feel the pain of the flames, but they are not consumed by them because they have spirit bodies. These souls are forever condemned to suffer this pain, the torments of the demons and their hate, and most of all they will never see Me or experience My love. These souls have chosen hell rather than accept and love Me, their Creator. Once you realize how horrific the suffering in hell is all about, you have a desire to save as many souls from hell as you can by evangelization. The other part of this vision is how some souls in the lower parts of purgatory are suffering flames also in purging their sins and the reparation due for their sins. These souls know that one day they will be with Me in heaven. They do not experience hate, but only the love of souls on earth who are praying for them. They do not see Me or experience My love, but My Blessed Mother consoles them some on her feast days. Please pray for these souls, and have Masses said for them when you know the names of the dead. The souls in lower purgatory will be suffering the longest of those souls who are there. The souls in upper purgatory do not suffer the flames, but they miss seeing Me and experiencing My love. Keep praying for sinners to avoid hell, and pray for the souls who are still suffering in purgatory. This punishment is hard to understand, but it is part of My Divine justice.”
Prayer Group:
Jesus said: “My people, life happens before you with many twists and turns that you are not expecting. It is not easy to be prepared for everything that is going to happen to you. You plan prudently for most things, but you need to trust in Me to protect you from unforeseen events that could threaten your life or the lives of your loved ones. Accidents, deaths, cancer, and many other events will happen in everyone’s life, but you should be able in faith to move on the best that you can. When you let Me lead your life, I will help you to cope with whatever comes your way. You all have a short time on this earth, so you need to use your time wisely to help souls to heaven and avoid hell.”
Jesus said: “My people, just as My faithful are setting up refuges to help My faithful during the tribulation, so the evil ones are building more detention center death camps. I have been trying to impress upon the people how important it will be for your body and soul to leave your homes for My refuges when I warn you. I explained before that My warning to leave will be similar to how St. Joseph

was warned in a dream by an angel to take the Holy Family to Egypt so Herod could not kill Me. Torture and killing in the death camps will be difficult to endure. Remember that you will never be tested beyond your endurance as I will give you grace, and lessen any pain of death."

Jesus said: "My people, I had to suffer greatly with all the torture of scourging, carrying My cross, and suffering the crucifixion for mankind's sins. In the end times My faithful will be facing a severe persecution from the schismatic church and your government authorities with their corrupt laws. The criticism will become so intense that you will need to find places to hide from the evil ones who want to kill you. Eventually, your life will be so threatened that you will need to come to My refuges."

Jesus said: "My people, the evil ones so hate the Christians that they will do almost anything to get rid of them. You will see planned mobs bring destruction on your homes with rocks, fire, and even guns. When your lives are in imminent danger, you will be forced to leave your homes for My refuges. Be thankful that My angels will make you invisible to your enemies so you can escape their threats."

Jesus said: "My people, when you bring your backpacks, tents, and food to My refuges, you may have to use them until My angels can multiply the buildings and the food for everyone. Be calm and patient when you first come so refuges can be organized and help you with your needs. It will take some time to adjust to a rustic life without all of your former comforts. You will not have electronic entertainment, phones, or hot showers in most refuges. Do not complain about your food or your accommodations, but work to help each other. You will be protected by angels, so work on becoming more centered on prayer."

Jesus said: "My people, you are spoiled now with many creature comforts, but once you come to My refuges, you will have a more difficult life just to have a dwelling and something to eat. Everyone will have to work and share all the jobs of providing food, cooking, and washing clothes. I will provide the deer, food, water, and fuels for heat, as these things will be multiplied for the people. You will have healing by looking on My luminous cross, or by drinking the healing spring water. You will have daily Communion and perpetual Adoration. Be patient for less than 3½ years of the tribulation, and I will bring you into My Era of Peace."

Jesus said: "My people, some of you are fasting between meals, not eating desserts, or denying yourselves of other comforts. This is good practice for when you will be living at My refuges. Even though these sufferings may be hard to

endure, do not complain about your penances because you gain favor with Me when you bear with them. Offer up all of your suffering to Me because I suffered much more to atone for your sins. Whenever you think that you cannot bear your penances, focus on My cross to see how you could be suffering a lot more pain as I did for you."

Friday, February 22, 2013: (Chair of St. Peter)
Jesus said: "My people, the Roman Catholic Church is the only true Church that I established when I built My Church on St. Peter and his successors. My Church has Me as the cornerstone, the Pope as your leader, and My sacraments, Mass, and traditions that no other church has. The Scriptures read today give witness to this: (Matt. 16:18-19) 'And I say to thee, thou art Peter, and upon this rock I will build My Church, and the gates of hell shall not prevail against it. And I will give thee the keys of the Kingdom of heaven; and whatever thou shalt bind on earth shall be bound in heaven, and whatever thou shalt loose on earth shall be loosed in heaven.' This reading shows how I will protect My faithful remnant from the evil ones, even until I return to defeat the evil people and the demons. This also affirms the authority of My priests to forgive sins in the confessional as they represent Me in My forgiveness of sins. This whole Lenten Season leads up to Holy Week when I gave up My life on the cross to atone for all the sins of mankind. It is this sacrifice of My Body and Blood that you remember at every Mass. Rejoice, My faithful, that you belong to Me as a part of My true Church. You are one body with Me."

Saturday, February 23, 2013: (St. Polycarp)
Jesus said: "My people, in your older churches you had Communion rails and confessionals, along with many other traditions of six tall candles for High Masses. You bow or genuflect before receiving Holy Communion, and you genuflect as you come into church to give honor to My Real Presence in My

tabernacle. This reverence for My Eucharist is weak, if not lost with some Catholics, but I am still present in My consecrated Hosts. Confessionals were more prominent in most older churches, but some churches do not have them in an obvious place. You remember when you had to wait in long lines on Saturday to go to Confession. Unfortunately, fewer people are going to Confession, yet there are even more mortal sins being committed today. Those, who live together in fornication and the like, are coming to Holy Communion with mortal sin on their souls without Confession, and they are committing mortal sins of sacrilege. My Ten Commandments have not changed, and people need to have a properly formed conscience. They should not rationalize their sins away. My faithful should also be coming to Confession at least once a month. Do not get spiritually lazy in avoiding Confession and your daily prayers, and remember to come to Sunday Mass."
Jesus said: "My people, the one world people are about to use the HAARP machine to cause a large earthquake with a great display of colors in the sky before the earthquake. The violence of the microwaves will make an explosion that will cause a major power outage. This will be a land event that could cause some deaths, and it will take a while to restore any lost power. This machine could be used as blackmail against any country. It could also cause an EMP attack to put anyone's communications and cars out of working order, as well as a power grid. As long as this machine and others are allowed to operate, you could see a continuous string of disasters that will continue to reduce the population, and give control over to the one world people. Be thankful that this evil age will be coming to a close when I will bring My Comet of Chastisement. Evil is having its hour for a short time, so keep faithful to Me, and I will protect you."

March 8, 2013
Sunday, February 24, 2013:
Jesus said: "My people, in today's readings you were reading about two covenants. In the first reading from Genesis, God made a covenant with the Jewish people that the land from the Wadi of Egypt to the Euphrates River would be their inheritance, and their people would be as many as the stars of the sky. There was also another covenant made by God the Father on Mt. Tabor at

My Transfiguration. God the Father said: 'This is My beloved Son, listen to Him.' This was a preview of My Resurrection when the apostles saw Me in a glorified Body. I would be given up for all of mankind's sins later on the cross. Just as the Jews were given a promised land, so I will give My faithful a promised land in My Era of Peace when I will give you a new heavens and a new earth. The vision of the wooden pencils signifies how each covenant was written down in both the Old and New Testaments. Even in today's world, My prophets are writing down My words for your preparations of the coming tribulation. It is the Holy Spirit that inspired the writers of the Bible, and it is the Holy Spirit who helps you to write down My words. Give praise to God for all of these promises that will protect His people."

Monday, February 25, 2013:
Jesus said: "My people, in the Gospel there are two points to be made, one is about not judging others, and the other is about being able to forgive people. Remember that I am the only One to judge your neighbor because I know all the facts on everyone, and you do not. You may have an opinion of someone based on their actions, but do not judge or gossip about your neighbors. Regarding forgiveness, you should be able to forgive someone as you would want someone to forgive you. Living by the golden rule of do unto others how you would want them to do unto you, follows what I said of using the same rule of measuring actions for everyone. By not judging and dealing fairly with one another, you can live in harmony with your neighbors."
Jesus said: "My people, you have heard many legends about the 'Holy Grail' in that it had healing gifts. This was the cup of wine that I consecrated as My Blood at the first Mass at the Last Supper. This was celebrated at the Jewish Passover called the Seder Supper. At every Mass, the wine is consecrated by the priest into My Precious Blood at the Consecration. This first Mass happened before I died on Good Friday, and you remember this event on Holy Thursday of Holy Week. I also want My faithful during Lent to pray My Stations of the Cross on Friday. This 'Holy Grail' is a relic, but its whereabouts is not firmly known. The important message is that My Body and Blood were offered up in atonement for all the sins of mankind. This salvation from the bonds of sin is a gift to everyone

to accept on faith. You can come to Me in the priest in Confession, and My Blood washes away your sins from your soul. I am the perfect Sacrificial Lamb that is the only worthy Sacrifice acceptable to My Father in heaven for all of you."

March 8, 2013
Tuesday, February 26, 2013: (Jaclyn Viti's funeral Mass)
At the Historic St. John's Church after Communion I could feel the pain in Jaclyn's spirit at the casket. Her spirit reached out to me so she could give some words of consolation to her family. She said: "Dear Chris, Mom, and Dad, I am so sorry for my actions, please forgive me. I was in such a deep sense of depression from my teaching job that I used some pills which made me feel even worse. The medicine drove me to do what I did. I love all of you so much, and I am sorry that I let all of you down with the baby and everything. Our Lord had compassion on my situation, and I am in middle purgatory. I will be praying for all of you, and I could use some Masses to help me. Please forgive me again, and I love all of you so much."
Jesus said: "My people, your country is very susceptible to an EMP (electromotive pulse) attack that could stop all transportation in a given area. Such a pulse could also destroy microchips in your computers, appliances, and cell phones. There are nuclear bombs, EMP machines, solar flares, and the HAARP machine that could cause such destruction that would bring you back to your vacuum tube era. The vacuum tube communications would be a good backup because they are not affected by EMP. The second vision is about destroying parts of your electric grid by causing power surges with the HAARP machine. When the one world people want to take over, they would find a way to destroy or turn off your power. You have become so dependent on electricity that your people would have many problems with a long lasting power outage, especially in the winter. Many of My refuges do not require electricity, but you will need other means for heating and cooking. Trust in My protection at My refuges, despite all of the evil plans of the one world people."

Wednesday, February 27, 2013:
Jesus said: “My people, I know all of your physical needs, and I will provide your necessities, but not all of your wants that could cause you more problems. In the Gospel St. John and St. James wanted to be at My right hand and at My left hand in heaven, but it was not My place to give it to them. This is also true in people that pray for things that they do not really need. I answer your prayers, but in some cases you should accept that I will say ‘NO’ because it is not good for your soul. Pray to help people’s souls and your own soul, and do not be concerned about praying for material things that are not part of your necessities beyond what you have. You do not always know or think about the big picture of your life, since I know too much wealth and too many possessions can affect your putting earthly things before Me. Focus more on serving Me and your neighbor, instead of desiring material things beyond your necessities.”
Jesus said: “My people, an earthquake that would cause a major tsunami wave would have to be 8.0 or higher. This vision of a tsunami wave spreading out over the Pacific Ocean could cause major damage along the coastlines. If this happened along the Western coast of America, major cities on the ocean could be impacted. Pray that these people could get some kind of warning to get to higher ground. Such large earthquakes could be caused by the HAARP machine for a specific reason, or in retaliation for not following the requests of the one world people. I have told you that the one world people are using this machine to cause disasters, and a reduction in the population. They are following the orders of Satan, who is instigating all the evil in the world. These evil ones will be punished for their crimes, but for a while My faithful may suffer from these disasters. I will warn My people when your lives will be in danger, and it will be necessary to come to My refuges of protection.”

Thursday, February 28, 2013:
Jesus said: “My people, in today’s Gospel you see the stark contrast between those people who live for their own pleasures, and those who suffer in this world, but they are rewarded in the next life in heaven. The rich man had an

opportunity to help feed Lazarus and to take care of his sores, but the rich man did not even pay attention to Lazarus. There are many people in this life who ignore Me and the poor as well. If they only care for themselves, and do not love Me or their neighbor, then they could be on the path to hell like the rich man. Once the rich man was suffering in hell, he sought some comfort, but received none. The rich man wanted to warn his brothers, but he was not allowed. Even as I died and rose from the dead, there are still people who will not listen to My words of love. If people do not choose to accept and love Me, they are risking the fires of hell. Pray to convert these souls, so they do not have to suffer forever in hell."

Prayer Group:

Jesus said: "My people, today is the day that Pope Benedict XVI has resigned, and the College of Cardinals will be convened to elect a new Pope. This is an unusual election after a resigning Pope. All of the Roman Catholic Church should be praying for this new Pope, and that the Holy Spirit will oversee this election. This is a pivotal year where many unusual events will be occurring, and this election is one of them."

Jesus said: "My people, the sequester reduction in government spending was a result of a compromise in raising the National Debt ceiling last year. The Congress and the President voted for this, so they need to see it through. This is a relatively small cut despite all of the rhetoric that used false facts. Your growing National Debt needs to be reduced or your debt will be handed on to your children and grandchildren. You will be seeing even more battles over your National Debt ceiling this year, and your Continuing Budget Resolution. Pray that your government can get its fiscal house in order."

Jesus said: "My people, some are complaining about cutting $85 billion this year in government spending. But where are the complaints about your Federal Reserve buying $85 billion per month of your bad mortgages and long term Treasury Notes. This is expanding the money supply by writing bonds out of thin air with no backing. They are stealing your mortgages, and keeping interest rates artificially low which is stealing money from savers. Yet no one is complaining or realizing the theft that is being carried out by the central bankers. These thieves will face My wrath and punishment in due time."

Jesus said: "My people, I have given this message before about a coming division in My Roman Catholic Church. This will be a conflict between a schismatic church and My faithful remnant. The schismatic church will be teaching heresies in worshiping things of the New Age, and that sexual sins are

no longer mortal sins. My faithful remnant will be teaching what My apostles taught, and the gates of hell will not prevail against it. Pray that those, who follow the faithful remnant, will find protection at My refuges because they will be persecuted."
Jesus said: "My people, Lent leads up to My death on the cross on Good Friday of Holy Week. I want My faithful to pray My Stations of the Cross on every Lenten Friday. I suffered and died on the cross for the salvation of souls from their sins. By praying My Stations of the Cross, you can remember how much I love each of you, and how I suffered this crucifixion so souls could be set free from their sins."
Jesus said: "My people, I hear all of your cries of pain and frustration with your daily life's trials. I experienced a lot worse pain in verbal abuse as well as My physical suffering in My scourging, carrying the cross, and My crucifixion. I know your human experiences, and you can call on Me to help you. Offer up all of your pain and frustrations to Me, and share it with My suffering on the cross. I share your pain because I am still suffering for all of your current sins. Try to suffer your trials of life without complaining, as I was silent."
Jesus said: "My people, the whole intention of your Lenten devotions is to repent of your sins, and improve your spiritual life. The best way to repent is to confess your sins to the priest in Confession at least once a month. I actually forgive your sins through the priest's absolution. You remember the parable of the 'Prodigal Son' and how the son finally returned to his father for forgiveness after spending his father's money on bad living. I am that forgiving father with My arms outstretched ready to receive all sinners. I am merciful, loving, and forgiving, so come to Me so I can restore grace to your soul."

Jesus said: "My people, today's two readings have many parallels of meaning. In the first reading about Joseph, you can see how his brothers sold him into slavery to the people in the caravan for twenty pieces of silver. Many can remember how Judas sold Me as his brother for thirty pieces of silver. In the first reading this bad deed was turned into good when Joseph enabled his people to be saved from a famine by saving the wheat in the seven fat years. The bad deed of

killing Me was used to save My people from their sins. In the parable of the tenants of the vineyard, the king had his servants and his son go to the tenants for the father's produce, but they killed the servants and dragged his son outside of the town. When I asked the Jews what the king would do, they even said the king would put the tenants to death, and give the vineyard over to other people. Then the Jews realized that they were the evil tenants that would kill God's Son, and God the Father will give the vineyard of the Church to others. I quoted to them from Scripture how the builders would reject the cornerstone in Me. They would drag Me outside of town and crucify Me, but I will have My victory in the end, but first I would have My Resurrection from the dead."
Jesus said: "My people, I have been giving you some suggestions for your Lenten devotions. One extra devotion would be to try and make some frequent visits to My Blessed Sacrament, if you are not already coming. Another suggestion when you are adoring Me, is to pray for My help in removing any demons of distraction that can keep you from focusing on your prayers. A third suggestion is to take about five to ten minutes and concentrate on contemplative prayer in quiet time before Me so you can listen to My voice. By doing things to come closer to Me, you are preparing for the time when you will be with Me in heaven, as being One in spirit with Me. I reach out to share My love with My adorers because they are truly sincere in their love for Me."

Saturday, March 2, 2013: (Prodigal Son Parable)
Jesus said: "My people, you know that I will forgive anyone's sins, if they come to Me in true repentance and seeking My forgiveness. It takes some spiritual fortitude to admit your sins, and be willing to confess them monthly in Confession. When you come to Confession, you do not see the long lines of former years. This is the problem with Catholics today, in that their faith has fallen asleep, and they are so lax that they are fortunate to come to Sunday Mass, let alone come to Confession. This cleansing process should be done often, even if you only have venial sins on your soul. Because of Adam's sin, mankind is weak to sin, which is why you need the grace of a good Confession. By

examining your conscience, you need to admit your failings in telling your sins to the priest. Do not be lazy, and do not keep putting off going to Confession. Pull yourselves up out of your spiritual sleep, and be awake again in My grace." (Anticipation Mass for Sunday) Jesus said: "My people, you have a time for a collection for the Catholic Relief Fund coming up. This is a missionary fund to help the poor all over the world and to help with disasters. It may be easier to give to local charities like your food shelves, but do not forget the intention for people overseas. You have many collections that you feel obligated to help, but this is only once a year. Giving alms to the poor should be one of your Lenten devotions, so you can share your wealth with those in need. The poor you will always have with you, but do not forget them because you can see Me in them. Be gracious in your donations, and you can share with charities all year long."

Jesus said: "My people, I explained to the people that I was not the prince of demons who cast out the demon from the possessed man, or else Satan's kingdom would be divided. Instead, it is by the power of God that I cast out demons, and I am still casting them out through exorcist priests and through prayers of deliverance. You are seeing smoke in the church which is coming from the Masons in My Church. Beware of a coming split in My Church where a schismatic church will be teaching heresies of the New Age. My people should be able to recognize these false teachings because these evil ones will be worshiping created things instead of their Creator. My faithful remnant will need to go underground in the homes, and eventually to My refuges of protection."

Jesus said: "My people, you had an intention to have a new DVD made for your talk, and you learned that it is hard to force things by your own work. After several failures, you learned to trust in the novena prayers of St. Therese. When

you did the nine days of prayers, your video went well the first time. After your prayer was answered, you did the nine days of the prayers of thanksgiving. It is not just enough to have faith that I will answer your prayer intention, but your novena prayers are like fasting that also shows your trust in St. Therese's intercession for you. Now, you have other prayer intentions to help you with this Divine Mercy Chapel. You need to plan the bishop's approval along with any of your building plans. Just as it seemed too simple for Naaman to cleanse seven times in the Jordan River, so it is also simple to start praying your novena prayers to St. Therese, and your intention will have a better hearing from Me."
For Sue: Jesus said: "My people, Sue's death was very sudden and her family is mourning her death. She has suffered much in her life, and she is with Me now in heaven. Sue will be praying for her family and consoling them. She loves all of you so much, and she was sorry that she had to leave so suddenly."
Jesus said: "My people, this large python snake moving about inside a church is another example of how Satan is represented as a serpent who is dividing My Church. Satan is inspiring a division in My Church, and he will be leading many souls astray in a schismatic church that will follow New Age teachings. It will be My faithful remnant that will keep My true apostolic teaching of My words of the Gospel. This good church will teach My love and peace. The schismatic church will teach hate and confusion of the devil. Avoid following any church that promotes New Age principles that worship things, and not Me. My faithful remnant will face persecution from the schismatic church and from your government. When your lives are in danger, I will warn you that it is time to come to My refuges. Give thanks that I have called many people to set up refuges as safe havens for My faithful who will need My protection."

Jesus said: "My people, this Lenten Season will lead up to My death on the cross, and then to My Resurrection from the dead. I came as a man so I could offer My life up to My Father in atonement for all of the sins of mankind. It is not easy to think about preparing for your death, but all of you are appointed to die one day. This life is a preparation for the next life in heaven, and your earthly life is over in a relatively short time, compared to eternity. You want to have

your soul ready every day in case you may die this day. The best way to keep a pure soul for facing Me at your judgment, is to pray every day, confess your sins in Confession at least monthly, and let Me be the Master of your life. When you pray for intentions, let them be focused on saving your soul and the souls of all sinners. You do not want to see any soul condemned to hell, so keep praying persistently for your friends and relatives. I want My people to love everyone, even your enemies. I also want you to be able to forgive everyone, even seventy times seven times. Strive to be holy and perfect as My heavenly Father is perfect in heaven."
Jesus said: "My people, you are seeing the Dove of the Holy Spirit as a Light of hope during the coming age of My Era of Peace. In the years going up to My coming on earth, you had the age of My heavenly Father. In the years after My birth until the beginning of the Era of Peace, this is My era. You always have the Presence of the Holy Trinity because we are always Three Persons in One God. Rejoice in all of these eras of time that are reflecting Our individual charisms."

Jesus said: "My people, this vision of Me as a river flowing with life and grace, is like the 'Living Water' that I spoke of to the woman at the well. Those, who receive My Body and Blood, will have eternal life. Everyone has a choice in this life to either choose Me or not. You can only come to heaven through Me. This is why Moses instructed his people to 'Choose Life' by following God's Commandments of loving God and their neighbors as themselves. Some people choose to follow the world and its many addictions, and they are on the road to hell if they do not turn from their sin and follow Me. I am leading you on the right path to heaven by giving your will over to Me so I can be the Master of your lives. By following what I want you to do, you can fulfill the mission that I have for your life. If you follow only your own will, you will be misled and you could be lost forever. So I tell My faithful to follow My laws, do good works for your neighbor, and show your love for Me and your neighbor in all that you do. Those, who choose life with Me, will have eternal life in heaven as their reward."

Jesus said: “My people, you can see the parallels of the evil society of Jeremiah’s day with your own evil society of today. You know My Commandments, and I have asked your people many times to stop your abortions and repent of your sins. Just as in Jeremiah’s day, the people then did not listen to his words, nor are the people of America listening to My words. The more significant parallel is how Israel was defeated as a punishment, and America also will fall as a punishment for its sins. Israel was exiled in Babylon for over seventy years. Now, I will allow the one world people to take over America because your sexual sins and abortions are calling for My justice. You have your prison system to atone for people’s crimes, but I also have My ways of exacting My justice when people are defiant of My laws. I have given your people many extensions of time to change, but you are only getting worse in your sins. My punishment has to come, and you are seeing signs of the end of America’s reign as you know it.”
Prayer Group:
Jesus said: “My people, these two spotlights represent how your government and the one world people want to know all of your movements and associations. You have smart cards, chipped passports and driver’s licenses, Easy passes, and cell phones with chips that allow people to follow you. Even your bank records, charge card patterns, and telephone records are known by the police, and other government agencies. You are seeing the beginnings of total control over your citizens that will bring on mandatory chips in the body. Refuse these chips that could control your free will.”
Jesus said: “My people, you are seeing an investigation of the use of drones in America to track terrorists and drug smugglers. What has some Congress people upset, is the possibility of drones killing any American citizens. This could be used to eliminate political opposition, or for persecuting Christians or patriots, who are the targets for the one world people. Pray that everyone’s rights will be protected.”
Jesus said: “My people, now that the chair of St. Peter is vacant, the College of Cardinals will soon convene a conclave to elect a new Pope. Pray for their deliberations as they call on the Holy Spirit to help choose a new Pontiff. This is a major event, and it is important for the Pope to lead My people in faith and

morals."
Jesus said: "My people, you are seeing one financial crisis after another. Your Congress has to authorize the spending of your budget up to October, which is the end of the fiscal year. They also need to raise the National Debt Ceiling. These issues have caused gridlock in the past. Pray that you could see a bipartisan agreement on running your government in a responsible manner. Each political party wants to have control over what is decided."
Jesus said: "My people, you are seeing a continuing set of disasters from tornadoes in the South and snow storms in the Northeast. Some have lost their homes to wind and flooding. These continuous storms are making it difficult to rebuild homes and restore the power outages. Pray for these people, and help them where you can with donations or physical help. These disasters have taken a toll on your national economy."
Jesus said: "My people, during Lent you make some penances to help you in your spiritual lives. Fasting and prayer can be a struggle over the body's complaints. The body strives for comforts, but the soul knows that it is necessary to restrain the body's desires that could lead to sin. The more progress you could make in your prayer life, the better your spiritual life can be. By struggling to grow closer to Me in My sacraments, you will have a profitable Lent. Look at your progress in Lent so far, and keep faithful to your devotions, penances, and almsgiving."
Jesus said: "My people, you are seeing a strong need to pray for priestly vocations, and that the clergy remain faithful to their vocations. Some people have had an opportunity to make donations for educating priests in the seminary and to provide facilities for retired and aging priests. You need the priests for Mass and the distribution of the sacraments. These clergy need your physical and spiritual support, so keep them in your daily prayers."

March 22, 2013
Friday, March 8, 2013: (St. John of God)
Jesus said: "My people, I have told you how I am LOVE, and everything that I do, is done out of love for My creations. The Commandments that are spoken of in the Gospel, are all about love of God and love of neighbor. Loving everyone is the model that I give to My faithful so there can be harmony in the world and

not war. Do not fight over land or money out of greed because this is at the base of your wars. Even in your politics in government there is a greed for power and control, instead of compromise for the good of the people. You also have a battle between the forces of good and the forces of evil. It is Satan and the demons that are stirring up the people to crave power and money. Satan is also behind the powers of the death culture that promotes abortion, euthanasia, wars, and viruses that kill people. Because of the coming persecution of My faithful, this is why My refuges have been prepared as places of protection. Pray for the conversion of sinners and help to evangelize souls over to the faith so they can be saved from hell. You have the virtues of faith, hope, and love, and the greatest of these is love."

Jesus said: "My people, when you see the ripples in the water going out in all directions, this represents how My Word is being taken to all corners of the globe by My missionaries. I have asked My people to go out and preach My Good News to all the nations so they can hear My Word and be saved. There are still some secluded areas that need to be evangelized with conversions. One of your best moments is when you can bring My Word of the Gospel to someone, and that person agrees to accept Me into his or her life. Evangelizing people into the faith is such a rewarding experience. Being able to save a soul from hell is also a beautiful gift. I applaud all of My faithful who reach out to evangelize souls, because it takes spiritual courage to invite people to know Me. All of the souls, that you bring to Me, will testify on your behalf at your judgment. Keep praying for the conversion of poor sinners, especially those in your own family."

Jesus said: "My people, I gave this parable about the Pharisee and the publican to show the difference between pride and sincere sorrow for sin. The Pharisee was thankful that he was not a sinner like the publican. He also was proud of his donations and keeping the law, but he was not asking for forgiveness of his sins or even admitting them. The publican was humble in beating his chest, and he said: 'Forgive Me, as I am a sinner.' I told the people that the publican went home justified in his humble prayer, but the Pharisee received nothing for his pride. It is mercy that I desire, and not sacrifices of animals. Those, who exalt

themselves, will be humbled, but those, who humble themselves, will be exalted."
Jesus said: "My people, I am showing you a new weapon that was designed to try and destroy meteors, asteroids, comets, and even satellites. Many of these objects are traveling at very fast speeds, so these projectiles from the gun would have to be accelerated at fast speeds as well. There is such a device as a 'rail gun' that you could research. There are also some powerful laser beams that have been used in attempts to destroy satellites. This new weapon employs both of these technologies, and it could have been used to explode the recent meteor that struck in Russia. There are many such secret weapons in the arsenals of America and Russia. Pray that such weapons are used to defend the planet and not so much for wars." Note: Rail guns are being looked at for ships, and they send projectiles out at 5,400 mph from 100 to 200 miles away from their target.

Jesus said: "My people, the parable of the Prodigal Son shows the wayward son as drawn to earthly pleasures with his father's money. When the money was gone, then he became a beggar for something to eat. This is true of all earthly things and pleasures in that they pass away very quickly, and they leave people empty and wanting. Deep down the soul is constantly seeking a spiritual peace that can only be satisfied in Me. Just as the son was seeking something to eat physically, many people are seeking the spiritual peace that they find when they receive My Bread of life in My Eucharist. When you have sinned grievously, you also are seeking God's forgiveness in Confession. When the son returned, he was lost and now is found by his father. When a soul returns by conversion or re-conversion, that soul finds Me in My sacraments, and the soul is found and is protected from being lost in hell."

Jesus said: “My people, just as you desire to save someone from a fire in a burning building, so you should also want to save someone’s soul from the flames of hell. You can see people’s behavior, especially if they are living together in sin, and they are not coming to Sunday Mass. You are not judging such people, but you know they are endangering their souls to judgment in hell. You need to reach out to such souls out of love, to warn them that they are risking their souls that could be judged by Me to hell. Even if you know they will not like you for telling them, you need to warn them about saving their souls because you love them. It is even harder to warn souls in your own family, but you do not want to see them go to hell. These souls will face a real wake-up call at the Warning, if they live that long. It is better to wake up souls now before it may be too late when they die.”
Jesus said: “My people, you are seeing these three ugly demons that are trying to affect the outcome of the election of a new Pope. I will have My angels and the Holy Spirit watch over this current election. Even though you have a human element in this decision, My Church will be protected. I keep telling you that you will see a division in My Church where some clergy will follow a New Age schismatic church, and some will follow My faithful remnant. It is My faithful remnant that will keep My apostolic teachings, and they will go underground to avoid persecution. This division in My Church is not an easy thing to explain, but My faithful need to be warned so that they are not misled by New Age teachings and demons trying to affect their minds. As the Antichrist comes to power, My faithful will need to leave for My refuges. Be ready to leave at a moment’s notice.”

Jesus said: “My people, in today’s Gospel I healed a man at the pools of Bethesda on the Sabbath, and the Jews stirred up the people against Me for healing people on the Sabbath. Instead of rejoicing that someone was healed, the Jews were more interested in killing Me in order to stop My new teachings. This is just another instance that led up to My crucifixion on the cross. Healing water is an actual physical thing as at the grotto in Lourdes, France. There will also be

healing spring water at all of My refuges. There were some healings at this pool in Israel when the angel stirred the water. Water is also a spiritual sacramental when it is blessed into holy water. You use water also in the rite of Baptism. Holy water and blessed salt can be used to fight off the demons. Water is an essential need for the body to survive, which is why fresh water is needed for everyone. Give praise to Me for all the people who are healed and blessed with holy water."
Jesus said: "My people, you are quite comfortable in your present living conditions because you have control over your heating and cooling, and many other comforts. When you come to My refuges, you may have to bear some inconveniences for not enough heat in the winter, and little cooling in the summer heat. Your meals will be at different times, and you may have to eat different foods than you are used to. Even showers may not always be available, especially little hot water. Many of these things may not be hard to bear, given a danger to your life as an alternative. This penance of living a rustic life will only be for a short time of less than 3½ years. Those, who are faithful, will have their health restored, and a beautiful reward in My Era of Peace and in heaven. Keep following My Commandments, and keep your souls cleansed with frequent Confession. By letting Me run your life, you will have eternal life with Me in heaven. Your time in My Era of Peace and in heaven, will be more rewarding than any earthly comfort or pleasure."

Wednesday, March 13, 2013:
God the Father said: "I AM who AM is here to describe My side of the Gospel for those who think I am a stern Father. I sent many prophets and leaders to Israel to lead them on the right path, but they refused to listen, and they killed many of the prophets. I did not condemn individuals, but the general people had to see some punishment because Israel kept falling into idolatry against Me. I am love and mercy as much as My Son, Jesus, and I did many things out of love for saving the souls of My people. The most loving act is that I sent My only Begotten Son to save the people from their sins through His sacrifice. Even in your evil society of today, My Son and I are warning your people to repent and stop your abortions. Our justice will again be called down in punishment for

your sins. Evil will have its hour for a short time, but then the evil ones will be cast into hell when they face the Comet of Chastisement. My faithful will be protected, but a harsh punishment is coming because of your sins and a reluctance to repent of them. We love man, but the evil ones will meet Our justice."
Jesus said: "My people, this scene shows a funeral procession of a head of state that died from an accident or an act of violence. You have seen several shooting incidents with various leaders, and even with Pope John Paul II. With so many recent gun incidents, it is possible that an assassin could be chipped to perform such a killing. Even when the Antichrist comes into power, he will do away with the current world leaders so he could put his own people in power. When leaders leave their office, the people usually have an election to replace them. Getting a fair election is becoming a difficulty in many countries. Pray for your leaders so they can be protected from any terrorist attack."

Thursday, March 14, 2013:
Jesus said: "My people, in today's Gospel of St. John, he speaks about My words as an extension of the law of Moses. My words of love of God and love of neighbor are a fulfillment of the Ten Commandments. Moses was with Me on Mt. Tabor in My Transfiguration to give witness to My words, but I am also a witness to God the Father because I am His only Begotten Son. I was sent to the earth to save the souls of mankind from their sins. In a few weeks you will read about My sacrifice on the cross in Holy Week. My sacrifice is the ultimate sacrifice of an unblemished Lamb, as I was sinless. St. John's Gospel focuses more on My Divinity as the Second Person of the Blessed Trinity, and the Son of God. It was because I claimed to be God's Son that the Jews wanted to kill Me for being a blasphemer, but in actuality I spoke the truth. Even so, the Jews did not believe Me because they thought that they knew My origins from Nazareth. They did not realize that I was born in Bethlehem, and that everything that I did was foretold in the Scriptures. Believe that I am truly God's Son, for God has truly visited His people and has brought salvation to everyone who accepts Him."
Prayer Group:

Jesus said: “My people, you are all happy to have a new Pope, and many were surprised by the election of a Cardinal from Argentina. Some were also amazed at his humility in having the people pray for him, and that he took local transportation. He also chose St. Francis of Assisi as his name for Pope. You are being blessed with someone who treasures the Eucharist and My Blessed Mother. He is outside the Vatican, and he will have a chance to heal any problems in My Church. My faithful need to pray for the success of his papacy.”
Jesus said: “My people, everyone cannot endure a true monastic life, but prayer and fasting is a Lenten style of life. During Lent it is good to think of repenting as you come to Confession. If everyone repented of their sins, America could be saved, much like Nineveh was spared. Keep praying for the conversion of sinners and the stoppage of abortion.”
Jesus said: “My people, one of your most important rights is to be able to worship Me freely in public. As many of your individual rights are being challenged, this right of freedom of religion is being harassed by atheists. The devil and his workers are doing everything to eliminate My Name in public prayer and the display of My Ten Commandments. As America turns its back on Me, My faithful will see an increase in persecution until you will need to have secret prayer meetings in the homes, and eventually at My refuges.”
Jesus said: “My people, the Warning will bring everyone before Me at the same time, so each person can focus on the unforgiven sins seen in that person’s life review. This will be a wake-up call to see the direction where each soul is headed. After your life review, each person will witness the destination of his or her judgment of heaven, hell, or purgatory, and see what it is like in that place. This will not only be a preparation to change one’s life, but it will be a preparation to endure the coming tribulation of the Antichrist. Avoid taking the mark of the beast and do not worship him. Call on My help to save your soul from hell and the demons.”
Jesus said: “My people, in the Bible it talks about not following false prophets, and to avoid those who are preaching heresies. My faithful need to be well read in the Scriptures by Bible study so you can recognize any false teachers who may mislead the people in the end times. Be especially watchful of anyone who teaches New Age principles who worships things and not Me. At times curiosity in New Age and the occult can mislead people away from Me. Stand your ground, and defend your faith in Me, regardless of how much you are criticized.”
Jesus said: “My people, I told you that Satan’s time is running out, so the evil people will be moving quickly to allow the Antichrist to have his hour. Events

will be changing, and the persecution of Christians and patriots will be getting worse. When your very lives will be threatened, you will need to collect your things and allow My angels to lead you to My refuges of protection. You saw how quickly Hitler took over, and the Jews were quickly restricted of their rights and were systematically eliminated. You will see the same death threats in detention center death camps carried out against Christians, so be prepared to go into hiding at My refuges."
Jesus said: "My people, you have just a week or so of Lent left, so keep praying and offering up your penances to Me on My cross. Prepare to attend the Holy Week services so you can fully appreciate how much I suffered for each soul out of love for you. This gift of My suffering is My gift to all souls, so accept Me into your lives so you can be saved from hell and be with Me in heaven."

St. Therese said: "My dear son, you have been busy in praying my novenas both for your new DVD and for your friend's request from the bishop. You also were proper in continuing your prayers of thanksgiving for prayers answered. I directed your prayer requests to Jesus, as I was your intercessor. I have helped you in many ways as your spiritual director. Keep attending Mass, your Adoration, and praying your daily prayers, and Our Lord will look kindly over your evangelization efforts. You also are watchful in your monthly Confessions and your almsgiving. I have heard your prayers for a successful sharing of Jesus' messages at your talks. The Holy Spirit will give you what to say at your meetings. You are doing a beautiful work in sharing Jesus' messages and warnings for these end times. Keep close to my Jesus in His Blessed Sacrament, and He will guide you in your work."

Jesus said: "My people, in the first reading you read how the people plotted to

kill Jeremiah because they did not want to hear his words of how I was displeased with their sins. They did not want to repent. In a similar way the Jews plotted to kill Me because I healed people on the Sabbath, and I told them that I was God's Son. Also, today the one world people are plotting to kill all Christians for their new world order. This vision of an underground church is how My faithful will need to hide from the coming persecution. Eventually, you will need to come to My refuges of protection because of the evil ones who will be trying to kill you. Trust in Me and My angels to provide for your needs at My refuges during the tribulation of the Antichrist."
To Margaret: Jesus said: "My dear daughter, thank you for being faithful to the mission that I have asked of you. There will be faithful people led to your dwelling so you can share a place of protection for them. I will send angels of protection to shield your home from the evil ones. The angels will give you Holy Communion every day and provide for your food and water. Keep trusting in My Word through the coming trial."

Sunday, March 17, 2013: (St. Patrick's Day)
St. Patrick said: "My dear son, I am happy to greet all of you on my feast day, but Sunday Mass has taken precedence over my celebration in church. A while ago, I invited you to Ireland, the land of your family's heritage. You also saw your family briefly with your father, your grandfather, Adelaide, and the rest of your family. I was happy that you had two opportunities to visit Ireland. I came to Ireland as a foreigner so I could spread the Catholic faith there. Many Irish Catholics have immigrated to America, as your great grandfather. I only pray that my Irish adopted people can stay close to Jesus in their Christian beliefs. I know you like to wear green to honor me, but also remember the shamrock as a belief in the Three Persons of the Blessed Trinity. I love all of you, and I have a special love for the Irish people. America is a blend of many ethnic backgrounds, and it is blessed in many ways. The people of America need to repent of their sins, or they will lose their blessings. Keep faithful to Jesus, and keep remembering your family's heritage in Ireland because it is who you are."

Monday, March 18, 2013:
Jesus said: “My people, this shrine will be a refuge for the people to come, and My Blessed Mother and I will keep Gordon company for taking on watching over these grounds. The stream of water on these grounds will not go dry so the people will have water during the tribulation. You will have angels and My luminous cross here to provide for the people. They will provide bedding and multiply food for the people. The angels will bring you Holy Communion daily if you do not have a priest. Rejoice that My Blessed Mother and I are watching over this shrine with a mantle of invisibility to the evil ones.”
Jesus said: “My people, you are celebrating the feast of My foster father, St. Joseph, in how he was shown by an angel to lead the Holy Family to Egypt to avoid having Herod kill Me. Herod killed all the new born boys and they are called the Holy Innocents. In the vision you are seeing all the aborted babies, and how serious these killings are because you have killed more babies than all of those killed in your wars. Every country, like America, is responsible for all the babies who were killed because of your abortion decision in your Supreme Court. You need to keep praying and struggling to stop the abortions in America. You have tried to have the mothers at the abortion clinics change their minds, but such sidewalk counseling is difficult. America will suffer a punishment as a nation for all of these killings.”

Tuesday, March 19, 2013: (St. Joseph)
Jesus said: “My people, St. Joseph was a protector of the Holy Family as he led us to Egypt. You can also call on him to protect your family as well. He also was a good teacher, as he taught Me the carpenter trade. In the Gospel, St. Joseph was instructed by an angel to accept My Blessed Mother into his home, even though she was with child by the Holy Spirit. He was very trusting in God, no matter what difficulties he encountered. He had to take My Blessed Mother to Bethlehem to register, and he had to suffer the embarrassment of having Me born in a stable. Many of you can have trust in Me like St. Joseph did, by imitating his simple ways of faith. Keep your peace, despite all of the trials of life, and trust in

Me for all of your needs."
Jesus said: "My people, you have seen the prophets of the Old Testament and the evangelists of the New Testament write down their words that were inspired by the Holy Spirit. I have My prophets in all ages that have revealed My words to My people, including the end times. My words are precious, and they need to be shared with My faithful so they can be prepared for the coming tribulation. There are many prophets in these end times, and you need to discern their messages to tell which ones may be false and misleading. You can also discern their messages by any resulting good deeds that could come from their work. My son needs to keep praying for the Holy Spirit's help to write down My messages, and to test the spirit of the words written down."

April 2013

April 3, 2013
Wednesday, March 20, 2013:
Jesus said: "My people, there are many tyrant leaders that want to control their people by forcing them to worship them, or their gods. Shadrach, Meshach, and Abednego were very strong in their belief in the one true God, and it was against all of their beliefs to worship alien gods. Even when they were threatened with death in the white hot furnace, they refused to worship the king's statue. They would rather die as martyrs than offend God in sin. As a reward for their faith, they were not killed in the fire, and the king believed that their God is God. Even in today's evil age, My faithful will also be tested in their faith. There will come a time when My faithful will have to refuse to take a chip in the body, and refuse to worship the Antichrist, even if you are threatened with death. I will warn My faithful when to leave their homes for the safety of My refuges, so you are not killed by the men in black who will be coming to the homes to demand chips in the body. Those, who stay in their homes, are risking martyrdom, if they refuse to take chips in the body."
(Seder Supper) Jesus said: "My people, the Jewish people have their Seder Supper every year to commemorate the Passover when the angel of death passed

over the homes of the Israelites that had blood on their doorways. It was this Passover Meal that I shared with My apostles at the Last Supper before I died on Good Friday on the cross. When I consecrated the bread and wine, this would become My Real Body and Blood when I suffered death on the cross. There is a miracle of the transubstantiation of the bread and wine into My Body and Blood at every Mass when the priest performs the Consecration."
Jesus said: "My people, the high unemployment rate in America has been slow to come down because many good paying jobs went over to China. Now, the cost of labor and shipping has increased in China so much that some jobs are being brought back or to other countries. The new technology in oil and natural gas in America will be making more jobs with less money going to pay for foreign crude oil. This also could bring more wealth into your country. These positive improvements could be countered by the out of control government spending on the military and entitlements. America cannot keep having trillion dollar deficits every year, because the National Debt will grow faster than your income even just to pay the interest. These large deficits show an obvious need for reductions in spending besides any political disagreements. Collecting more taxes will not solve the deficit problem if the spending is out of control. More taxes also will reduce the income for working people. If more taxes only pay for the increase in spending, then there will not be enough money to pay the interest on the National Debt, and the economy will suffer. Your government is getting so large that it is consuming most of the available capital, and businesses are left struggling. Pray for more help to the middle class, who have decreasing incomes over the years, while entitlement payments are increasing rapidly."

Thursday, March 21, 2013:
Jesus said: "My people, the meaning of 'Abraham' is a father of a multitude, while 'Abram' means exalted father. His name was changed to signify a covenant that was made by God with Israel in that Abraham would be a father of many nations, and the land was their inheritance. This covenant was given before Isaac was born, so there was a miracle in giving birth at such an old age. This covenant eventually fulfills another covenant with Me coming from the line of King David. I am the fulfillment of the Old Testament, as I started My Church and I established what is called the New Testament. My covenant with man is

that My death on the cross would be the worthy sacrifice that would bring salvation to all of mankind that accept Me. I am promising eternal life with Me in heaven for all of My faithful who follow My Commandments in seeking the forgiveness of their sins, and who allow Me to be Master of their lives. Those, who do not repent of their sins, and do not accept Me in love, are on the road to hell if they do not change their lives. Rejoice in this Easter message of salvation that all of you are promised after this life."

Prayer Group:

Jesus said: "My people, you are about to enter Holy Week when you will hear all the accounts of how I suffered and died on Good Friday. In the vision you saw how I was scourged with whips that tore off My flesh all over My body. You also saw how I was mocked as a king with a crown of thorns that was pushed down into My skull. I am still suffering on the cross for your many sins. My faithful also are suffering in this life, and your persecution will get worse during the tribulation. Be patient in your trials, for you will see your reward in My Era of Peace and later in heaven."

Jesus said: "My people, in some banks they are not even paying 1% in interest. If the banks ever take 10% of the people's deposits, then you will see a run on the bank's deposits, and there will be a collapse of the Cypress banks. There are still billions of euros worth of debts that could cause a bank failure, if some money is not found to bail out these banks. There is concern in the European Union that any failures could spread to other countries. These unstable finances in Cypress is the beginning of the financial problems that I mentioned in a previous message."(2-15-13)

Jesus said: "My people, you had some reduced crops last year and now you will be paying more for food that is in short supply. I told My people to stock up on a year's supply of food so you will be ready for a coming world famine. If you have another year of crop shortages, you could see declining supplies of food that could cause some serious food shortages. If you have riots over bank problems now, imagine the riots you will have when people do not have enough food to eat."

Jesus said: "My people, there is concern in Israel if America will not aid Israel if the Arab countries attack Israel. America sends billions of dollars to Israel in foreign aid every year. With Iran building nuclear weapons, Israel may carry out its strike on Iran's nuclear program. This could trigger a larger war in this area. Pray that war does not start, and that peace is sustained."

Jesus said: "My people, this body without a head in the casket, represents

America when the one world people will take over your country. You may even see a dictatorship in America when martial law and the military take over with Executive Orders in place. When America faces a bankruptcy when the dollar crashes, there will be riots like in Cypress that will precipitate a martial law takeover. Be prepared to come to My refuges at the beginning of these riots."
Jesus said: "My people, I have asked you to pray the Stations of the Cross on Fridays during Lent, and now, tomorrow is your last Friday. So do not forget to pray these Stations of the Cross. Good Friday will have a separate service where you will hear the account of My death on the cross. You will also honor Me by kissing My cross before you receive Me in Holy Communion. Friday is a somber day when you commemorate My death on the cross. It is this same cross that remains on your altars all year long so you remember how much I love each of you."
Jesus said: "My people, on Holy Thursday you will have the washing of the feet to commemorate the first Mass, and how I showed My apostles that they also had to serve the people as I served them. During the week you will also read how Judas plotted to hand Me over to the Jews for thirty pieces of silver. Judas committed suicide because of his crime, but there are many evil ones who will betray My Church in the tribulation. Be prepared to go to My refuges when you see a split in My Church."

Friday, March 22, 2013:
Jesus said: "My people, as you get closer to Holy Week you can see in the readings how the people grew more intense in their desire to kill Jeremiah and Me as well. Jeremiah was warning his people to repent and change their ways, or they may face punishment from God. The people did not want to hear any criticism of their sins, so they put Jeremiah in prison. I also faced the religious leaders of Israel who wanted to put Me to death for saying that I am God's Son. These leaders would eventually crucify Me as a blasphemer. This Palm Sunday or Passion Sunday, you will be reading the accounts of how the Jews had the Romans scourge Me with whips and crucified Me on the cross. I suffered much for all of you, but this was the price of your salvation that I chose of My own free will. Remember your Stations of the Cross, and make plans to attend the Holy Week services."

(Funeral Mass for Marcel Blaakman) Marcel said: “I love my dear Elizabeth and all of my family. I thank everyone for coming to my Mass, and I thank Mark for his kind words. Putting my robe out was a nice touch. I truly did love life in nature and making friends. With this Mass I am with Jesus now in heaven. I will be watching over all of you and praying for you. I want to thank those who chose the readings and the songs for my Mass. I also want to thank those who took care of me in my last days. Again, I love all of you, and I thank all of you for being gifts to me in my life. Enjoy your lives, and I look forward to seeing you with me in heaven.”

Saturday, March 23, 2013:
Jesus said: “My people, in the first reading you are seeing in Ezechiel (chap 37) how the end times are here because you already have a Jewish state in 1948 when the Jews returned to their homeland of old. In the Gospel the Sanhedrin met, and they were afraid of Me because of My miracles and My teachings that had the people following Me as a prophet. This is why they wanted to kill Me because I was a threat to their authority. Then the High Priest said it was better that one man die for the nation, than all of the nation being killed by the Romans. There is a bit of truth in his words because I truly came on the earth as a man, so My sacrificial death could bring salvation to all of mankind. All throughout the Old Testament, the people have been promised a Messiah, and the souls of the dead were waiting for the gates of heaven to be opened. You are about to go through Holy Week, where My death on the cross will culminate with My Resurrection on Easter Sunday. Rejoice that souls can now come to heaven after being purified.”
Jesus said: “My people, you know that lava is very hot (700-1250 C), and it burns anything in its path. This hot flaming rock is what the soul bodies in hell must endure. They also suffer torments from the demons, and they will never see Me or experience love again. In addition to some of My previous descriptions of hell, I need to mention that not only are the demons ugly looking, but all the soul bodies in hell look ugly as well. On earth many bodies look beautiful, but any soul bodies in hell quickly take on an ugly look with all of the burning. This description not only inspires My evangelists to keep souls from going to hell, but it is another reason to seek the love and beauty of heaven, instead of the hate and

ugliness of hell. As you see the lava flowing out of the volcanoes, there are also demons being released from them to roam about the earth. This is why you are seeing the earth becoming more evil with time. There are only two real choices, because those souls in purgatory will go to heaven eventually. You have either a love for Me for heaven, or you reject Me for hell. Do not let earthly desires of things or pleasures so blind you from worshiping your One true God. I desire that you love Me and your neighbor, and allow Me to be the Master of your lives. If you love Me, you will avoid sin, and run to Confession to cleanse your sins with My forgiveness. I love pure souls, which is why frequent Confession is your best friend to keep you holy."

Sunday, March 24, 2013: (Palm Sunday or Passion Sunday)
Jesus said: "My people, you have two names for this Sunday because the people at first greeted Me into Jerusalem with palms. Then when evil had its hour, the Jewish leaders gave Me over to Pilate and the Romans, claiming I was a blasphemer. From then on, now you are reading about My passion, and how I was scourged and crucified on the cross. Passion Sunday is a long reading, but it is important to notice the details of how St. Peter denied Me three times, and how Judas betrayed Me with a kiss. Both were in remorse for their actions, but St. Peter repented, while Judas hung himself. My apostles were frightened by all of these events, and they hid in the upper room for fear of their lives. They did not realize how I would truly rise from the dead as I prophesied to them several times. Take time to come to the Holy Week services so you can walk with Me at the Stations on the way to Calvary."

Monday, March 25, 2013:
Jesus said: "My people, at Bethany, where Lazarus lived, there was a woman who anointed Me with an expensive ointment. Judas complained that the ointment could have been sold to give the money to the poor, but he was only thinking of spending some of that money. I told them to leave her alone because

she was preparing Me for My burial by anointing Me. Lazarus was the one whom I raised from the dead, and many people were following Me because of this miracle. I am the Resurrection and the Life is what I told Mary before I raised her brother from the dead. This was also a preview of My own death and Resurrection that would be the ultimate sacrifice and miracle for all to believe. Many of the Jews wanted to kill Lazarus because many believed in Me since I raised him from the dead. You are approaching the Triduum which are the most glorious days when you commemorate My death and Resurrection. Rejoice in My gift to all of mankind because at the last judgment all of My faithful will be resurrected with a glorified body rejoining your soul, and you will be whole again."

Jesus said: "My people, you have seen several large earthquakes that have triggered tsunamis. Most of these earthquakes are underwater. Any earthquake close to land would not give much warning time for people to move to higher ground. You did see an 8.0 earthquake recently in the Pacific Ocean that caused a five foot tsunami. This vision locates a spot off the coast of Oregon that has seen some earthquake activity at a 4.0 level. The floor of the ocean dropped and it could send a large tsunami if there was a large enough earthquake. This area is prone to such activity, and people should be prepared to evacuate quickly if any alarm is given."

Tuesday, March 26, 2013: (Day of Penance)

Jesus said: " My people, today's Gospel is focused on Judas and St. Peter at the Last Supper. I announced that one of the apostles would betray Me. So all of them started asking if it was them. Then I said it was the one who dipped the morsel into the dish with Me as Judas did. I asked Judas to do what he would do quickly, and at that moment, Satan entered him. It is then that the apostles announced their allegiance to Me, and that they would stand by Me. In the vision you saw St. Peter's brown eyes up close as he said that he would protect Me. Then I told him that he would deny Me three times before the cock crowed. Judas was led by Satan in his betrayal of Me with a kiss. Later, Satan caused Judas to hang himself. St. Peter did deny Me, but he repented afterwards. There is a little of St. Peter in My faithful when in their weakness they sometimes deny Me in sin. You have a Day of Penance when priests will be available for

confessions for over six hours. This would be an excellent time to cleanse your souls, and make your Easter duty at the same time. Take advantage of this opportunity for the grace of My sacrament of Penance."
Jesus said: "My people, My ministry began with My Baptism in the Jordan River as I started gathering My apostles. This vision shows you a quick summary of My parables and My many miracles. The Jewish leaders felt threatened because many people were following Me, as I healed their ailments. The people also were attracted to My words that gave new meaning to love of God and love of neighbor. It was My claim to be God's Son that truly drove them to want to kill Me. They heard testimony of My many miracles, especially raising Lazarus from the dead. They did not realize that only God could perform such miracles of healing and casting out demons. Even the demons knew that I was the Holy One of God. I was able to use My death by the Jews and Romans for a much larger purpose of bringing salvation to all of humanity. It was My plan to sacrifice My life as a sacrificial Lamb, so every soul would have the opportunity for the forgiveness of sin, and to enter heaven's gates for those who accept Me. My death on the cross is the greatest gift of love and life that I could give all of you. I give you Myself in My Eucharist at every Mass so I could be with you intimately in your souls. Rejoice in all of My sacramental gifts, especially My Real Presence in My Blessed Sacrament."

April 3, 2013
Wednesday, March 27, 2013:
Jesus said: "My people, in life the people saw Me dying on the cross and suffering intensely. This vision is not only of the event that happened almost 2,000 years ago, but it is also outside of time, and I am still suffering for your sins of today. This is why I have mentioned many times that you can offer up your pains and trials to Me, and join My suffering on My cross. My sacrifice is what is redeeming many souls because I am paying the price for all souls who accept Me, so they can be forgiven and eventually enter heaven's gates. Many do not realize how fortunate they are that their God is so loving that I died for all of them. I took on a human nature so I could share your pain, and give you a model of holiness to follow. Please come to your Holy Week services to share the glory of My death and Resurrection, as I conquered sin and death."
Jesus said: "My people, when you evangelize and preach My Word, I want you

to put a little more emphasis on how important it is to love Me and your neighbor. I am 'Love' and My people can see in the vision that I love all of you enough to die for your souls. When you see how much I love you, you know that I want you to love Me as well. When you love Me, you love Me in your neighbor. It is a hard statement, but I want you to love everyone, even your enemies. The more that you can love Me and your neighbor, the closer you will be to Me. You see a model in the love of marriage, as you see Me as the Groom and My Church as the Bride. I do things out of love for man, and I want you to do things out of love for Me. By focusing on loving everyone, you can bring harmony into the world as the rest of My creation is in harmony. If true love was in everyone's heart, you would not see fighting in wars, or greed for money. When you love someone, you reach out to help them with financial help and in sharing your faith."

Thursday, March 28, 2013: (Holy Thursday)
Jesus said: "My people, you witnessed the washing of the feet at Mass when I gave My apostles a model to follow in helping each other. In the vision of My agony in the garden, I asked My apostles to watch and pray. I knew My hour had come, but I realized it was My place to do the Will of My Father. It is not easy to accept suffering as a human, but I had a world of souls to save, so I could not refuse to carry on. I call My faithful to commit to your daily prayers, even if your body complains of praying. It is your soul that benefits from your prayers, and they are needed for your many intentions. You have been suffering some penances during Lent, but they do not compare to My suffering on the cross. Follow Me in silence, and do not complain when you are offering up your penances to Me. Continue attending the rest of your Holy Week services."

Friday, March 29, 2013: (Good Friday)
Jesus said: "My people, once I died for all of mankind, I brought salvation to those who accepted Me. Everyone has an opportunity for eternal salvation

because I conquered sin and death. Those, who follow My laws and accept Me in love, are My faithful that are on the path to heaven. Those, who refuse to follow My laws, and refuse to love Me, are on the path to hell unless they repent. Many souls have had to suffer a hell like existence until I opened the gates to heaven. Now souls are judged on their own merits, and their lives determine whether they are worthy of heaven. The people of today are fortunate to be born after My death and Resurrection. Original sin can be forgiven in Baptism, and your actual sins can be forgiven in Confession. You have plenty of opportunities to repent, confess your sins, and live a holy life. Take advantage of My graces and My forgiveness that souls born before My death did not have. You are faced with many earthly temptations from the devil, but call on My Name and I will come to your aid. When you are tested, call on Me to send you angels of protection."

Saturday, March 30, 2013: (Easter Vigil)
Jesus said: "My people, Alleluia, and rejoice on this day that you commemorate My Resurrection. I told My apostles several times that I would rise in three days after My death. They had to be reminded by the angels, and the angels questioned why the apostles were looking for Me among the dead, when they should be looking for Me among the living. My Transfiguration was another prefigure of how I would appear in a glorified Body at My Resurrection. Even My faithful in heaven can look forward at the last judgment to being reunited with a glorified body. This life lasts only a short time, and it is a training ground for souls to come to heaven. You are here to know, love, and serve Me, and not just to serve yourself or accumulate a lot of wealth. What does it profit a man to gain the whole world, and lose his soul? Your soul is your most prized possession, and that is why I seek souls as well as Satan. This is why the destination of your soul should be focused on heaven as a better choice than rejecting Me for hell. I give all souls an opportunity to come to heaven, and a promise to be reunited with a glorified body. The devil can only offer an eternity of suffering in the flames of hell. So make the right choices in your life that will lead you on a path to heaven."

Sunday, March 31, 2013: (Easter Sunday)
Jesus said: "My people, this is a glorious day as you commemorate My Resurrection from the dead. Just as your father-in-law mentioned, there is an extra celebration going on in all of heaven on this day. This is a day of salvation when My call goes out to all souls to come and share My peace and My graces. Even those Christians, who do not come much to church, should be coming to Mass today. This is the time of year in nature when the plants come to life from the sleep of winter. Rejoice, and be glad in My glory, as I conquered sin and death. I wish all people could accept My love into their hearts and souls, and there would be less war, and more of My peace. Reach out in faith to share My love and your faith with all of those around you. This is a glorious moment of My victory and salvation that needs to be shared with everyone. Rejoice, and keep praying for souls to be saved, especially in your own family."

Jesus said: "My people, I appeared first to the women at the tomb, but My apostles did not believe them, nor did they believe My disciples who met Me on the road to Emmaus. St. Peter and St. John saw the empty tomb, but they still did not understand what rising from the dead meant. It was only when I appeared to the apostles and showed them My wounds that they truly believed. They could see I was human and not a ghost. The Jews tried to cover up the reality of My Resurrection by bribing the guards so My following would not spread. There is also the Shroud of Turin which is a witness to My Resurrection. There is plenty of proof of My Resurrection by all the disciples who saw Me and wrote about it in the Scriptures. Believe that I rose from the dead with My victory over sin and death. My Resurrection is the core of your faith to show that I became a man so I could sacrifice My life for the salvation of all sinners. Believe in this Good News and shout it from the rooftops."

Jesus said: “My people, I have given you many messages speaking of the storms and earthquakes that have been caused by the use of the HAARP machine in Alaska. This vision reaffirms that it is a black or secret operation of your government that is controlled by the one world people. I have told you how Satan is leading the one world people to reduce the population with disasters by the HAARP machine, wars, abortions, euthanasia, vaccines, and viruses. Killing people by man-made disasters is part of the death culture. This weapon has been used in the past to direct bad storms, droughts, enhanced tornadoes and hurricanes, and earthquakes. This machine can even be used as a means of blackmail for political and financial purposes. When your lives are threatened, I will warn My faithful when it is time to come to My refuges.”

Jesus said: “My people, it was good that Mary Magdalene came to look for Me at My tomb so I could announce to her that I truly had risen from the dead in the flesh. This could give proof to My apostles that I had risen as well. Unfortunately, the apostles at first did not want to believe her. St. Peter and St. John went to the tomb and they did not find My body, but they believed. Even when I met some disciples on the road to Emmaus, some apostles did not believe them either. It took My physical appearance to them for them to believe. I even said to them that blessed are those who have not seen Me, and still they believe in My death and Resurrection. These events of Holy Week are a core belief in My coming upon the earth to show everyone that I love them enough to die for them. Your Lord is a loving God, and this is the most loving example of My love. I call all of you to love Me and follow My Commandments out of obedience to Me and out of love for Me. Those, who accept Me into their lives, are on the right road to heaven. There are some people who love their earthly pleasures, but they must be married as man and wife to have relations. Do not live together in the sins of fornication or in homosexual acts. Those, who refuse to obey My laws and refuse to repent, are on the road to hell.”
Jesus said: “My people, it is important that everyone should have sound morals, and live what they are taught by My Church and My Commandments. It is one thing to know what the Ten Commandments are, but it is more important that

people obey them in their actions. The biggest problem is how each person obeys the Sixth Commandment which teaches no relations before marriage. This means no sexual sins of adultery with married spouses, no fornication with unmarried couples, and no homosexual acts. This is difficult before marriage with many earthly temptations for sinful pleasure. Some may fall into sin, but there is a call to repentance as I will forgive you in Confession. Living together creates a bad occasion for continuous sins. If people continue to have relations outside of marriage, they are on the wrong path to hell if they do not repent. As parents and grandparents, you need to teach your young people how to live a proper moral life. Even if the young people's peers or parents are having relations outside of marriage, it does not make it right, and fornication is just as much a sin now as in past years. Even among married spouses, they should be using family planning methods without any birth control devices or any sterilizations. The Church has its laws on these sins, and they should be taught more from the pulpit or Bible study. By treating life as precious, you can avoid abortion which is the worst form of birth control. Follow My Commandments out of love for Me, and love for your future spouse."

Wednesday, April 3, 2013:
Jesus said: "My people, you love looking at babbling brooks of water as spring water is fresh to drink. Right after Easter, you are celebrating the beautiful miracles that took place after My Resurrection. The first reading speaks of healing a cripple from birth in My Name. Even the Jewish leaders were perplexed that healing could come in My Name. These leaders later chastised My apostles for speaking in My Name. This was the beginning of the growth of My Church, and there were many miracles of conversion in addition to physical healings. My faithful also need to share their faith with others, especially with those who have fallen away from their original belief. The Gospel story of My sharing with My disciples on the road to Emmaus is a heart warming story. The two disciples were listening to Me explain all of the prophecies foretold about Me in the Scriptures. They exclaimed how their hearts were burning on the road as I spoke to them. Many of you would have been happy to hear these words as well. When I broke bread with them, as I did at the Last Supper, they were able

to recognize Me as the risen Christ. Then I disappeared from their sight. This is a beautiful Gospel account after My Resurrection, but still many of the apostles did not believe until I came to them in the upper room. The water in the vision is how My 'Living Water' comes upon My faithful as you receive My graces through My Eucharist at Mass. Rejoice in My sacraments as you are My Easter people."
Jesus said: "My people, one of the signs of the end days is how there will be an increase in evil all over the world. I have told you how more demons are being unleashed on the earth from the volcanoes. When you are being tested with addictions or anything that could control you, you need to call on My help and I will send you angels to defend you. Many people are addicted to drugs, alcohol, overeating, the internet, lust, gambling, and other addictions. There are demons connected to these addictions which is why it is so hard to break away from them. You need prayers, deliverance, exorcism, or a miracle conversion to break addictions. You first have to admit that you have an addiction, and that you want help to break it. There may be some treatment that you have to start that will help break your addiction. Addictions have a way of controlling your free will which is why you need to get rid of them, so you can have peace in your soul. Guard your peace, and do not let anything control you. By giving your will over to Me, I can lead you to follow your mission on earth. When I direct your life, you will follow a much better life than if you directed your own life."

Thursday, April 4, 2013:
Jesus said: "My people, with My death and Resurrection I have made a new Covenant with man. Since the sin of Adam, a Savior has been promised to save all of mankind. With My coming as the Messiah, this promise has been realized. My sacrifice has freed everyone of their sins if they but come to Me for forgiveness. By repenting of your sins, you can receive Baptism and Penance which will cleanse your sins from your souls. Without taking this forward step of seeking your forgiveness, you will remain in your sins. You need to keep your soul pure by frequent Confession so you are always ready to face Me at your judgment when you die. Just as I called My apostles to be witnesses of My new Covenant in My Church, so I call all of My faithful to go out to all the nations,

and spread My Good News of My salvation."
Prayer Group:
Jesus said: "My people, this spinning object in a church reminds you of My Warning experience that everyone will have at the same time. You will have two things going on at about the time of My Warning. You will be seeing a time of a division in My Church between a schismatic church and the faithful remnant. This schismatic church will be teaching New Age principles that involve crystals. Avoid and leave any Catholic church that teaches New Age. This will also be time when microchips will become mandatory in the body. In your Warning experience you will be warned not to take the mark of the beast or a computer chip in your body, even if it is mandated. This chip could control your free will. Do not worship the beast or the Antichrist either. You will also be warned in the Warning not to follow New Age principles or a schismatic church, but you may need to leave quickly for My refuges of protection."
Jesus said: "My people, you have two beautiful physical witnesses of My suffering on the cross. One was My radiated Image on the Shroud that is stored in Turin, Italy. The other is the image of My face that was left on the cloth that Veronica used to wipe My face. These images are treasures as the Shroud showed My five wounds, and even the whip marks on My flesh. These images have been copied for people to see how much I suffered."
Jesus said: "My people, you are seeing two other treasures of the spear of Longinus and the wood of My cross that relics have been made with it. You, yourself, have this relic of My true cross that is powerful in healing people and protecting people from demons. These relics that have touched Me, are becoming rare to find, and again are witnesses of My death and Resurrection."
Jesus said: "My people, these Stations that I walked with My cross are still seen on the Via Dolorosa as many processions commemorate My carrying of My cross during Holy Week. As you view these Stations, I also wanted you to pray My Stations of the Cross on the Lenten Fridays. You can also pray them on all Fridays of the year to honor My suffering."
Jesus said: "My people, those people, who have visited the Holy Sepulcher Church, are grateful that they had a chance to see where I was crucified and where I was buried. Even if you had to wait in long lines, it was worth every moment to be in these holy places. This is where I brought salvation to all of the souls of mankind, and that is what makes these places special. Your pictures and movies bring back the memories of that moment when you were there."
Jesus said: "My people, during the Holy Week services, the large Host was

removed from your tabernacle, but a large Host was not returned. When you put the holder in your monstrance, you noticed that My Host was missing. There is a symbolism in this event that shows My Real Host of My Real Presence needs to be present for Adoration. Even when you put two smaller Hosts in the monstrance, you can see how badly I was missed in your service. Be thankful that you have My Real Presence in the Hosts consecrated by My priests. I am with you always, even to the end of this age."
Jesus said: "My people, in the end times there are several images that will help protect and inspire My faithful. The picture of My Host that your friend made with jewels, and this picture will be helpful for you in the end days. You could look into the possibility of acquiring such a picture if it is available for your prayer group meetings. My Blessed Mother and I will be protecting you at My refuges."

Friday, April 5, 2013:
Jesus said: "My people, I appeared for the third time after My Resurrection on the Sea of Galilee where My apostles were fishing. I called out to them if they had caught anything to eat, and they answered, 'No'. I told them to cast their net on the right side for a catch. After not catching anything all night, the apostles were amazed to have a large catch of fish. The Gospel writer even mentions 153 large fish, indicating My apostles would go out to teach all the nations about My Good News. Then they realized that it was I calling them on the shore. I prepared breakfast for them as I broke bread with them, and gave them baked fish. This reminded them of both the Last Supper, and when I multiplied the bread and fish for the 5,000 and the 4,000. I told the women at the tomb to tell My apostles that I would meet them at the Sea of Galilee, and this event was a fulfillment of My words. I kept appearing to My apostles to confirm that I had risen in the flesh with My wounds from the nails."
Jesus said: "My people, when people have their Warning experience or when they die, their soul bodies are drawn to My Light. Once you come into My Light, you will face a life review where you cannot deny or rationalize your actions on earth because you are faced with the truth of what you did. You will see how I judged each one of your actions, both the good and the bad ones. At the end of

your life review, you will be given a judgment of heaven, hell, or purgatory. Then you will have a taste of what your destination would be like. In the Warning you will be given a second chance to change your life. At your death I will ask you one last time if you love Me. Those, who refuse to love Me, will be sent to hell by their own choice. Those, who love Me, may require purification, but they will be with Me in heaven forever."

Saturday, April 6, 2013:
Jesus said: "My people, in today's readings you are seeing a summary of the recent events. St. Peter and St. John healed the lame beggar in My Name, and the Sanhedrin did not know what to do with them. The Sanhedrin attempted to tell the apostles not to speak or heal in My Name. This chastisement just strengthened the faith of My apostles, as they answered that they would rather obey God than men. Even in your own day, it is better for My faithful to proclaim My Good News of salvation, than worry about being criticized by the godless men of your society. In the Gospel, St. Mark shows how I was not happy with the apostles' reception of the news of My Resurrection in their unbelief. Their hearts were not understanding of My mission on earth until they saw Me appear to them in the upper room. I showed them My wounds from the nails, and I ate fish in their presence to prove that I was in the flesh and not a ghost. It took several of My appearances for My apostles to finally understand that I truly rose from the dead. This was My victory over sin and death, and it truly is Good News. I also told My apostles that they believed because they saw Me in the flesh, but blessed are those people who have not seen Me, and still they believe in My death and Resurrection."

Sunday, April 7, 2013: (Divine Mercy Sunday)
Jesus said: "My people, I know that you are all suffering through your daily trials of your human condition, because I suffered them as well. This is why you

are seeing everyone carrying his or her cross in church. Even when you commit sins against Me, you know that I am willing to forgive you with My Divine Mercy in Confession. It is not easy to struggle through life, but with My peace in your heart and soul, you will have the grace to endure any hardship. You have prayed your Divine Mercy novena, and have made an attempt to get to Confession to meet the requirements for this plenary indulgence. This blessing atones for any reparation due for your sins. Remember to pray in front of My Divine Mercy image so you can receive the blessings I will give you. Rejoice in My Divine Mercy for all that I do for you."
Jesus said: "My people, this vision of receiving water from the well reminds you of the account when I met the woman at the well. I told her about her life, and I told her that I wanted to give her My 'Living Water' so she would not thirst again. After I died for mankind on the cross, I have given you My sacraments. I gave you Baptism and Penance so I can forgive your sins out of My Divine Mercy, and cleanse them from your soul. I have given you My Eucharist when you receive Me in Holy Communion. In St. John's Gospel I told the people that unless you eat My Body and drink My Blood, you cannot have eternal life. I give you Myself in the consecrated bread and wine that are transformed into My Body and Blood. Receive the peace of My grace into your souls so you will be strengthened to fight any temptations of the devil. My Eucharist will also help to heal any damage done to your soul from your sins. Even as you receive My grace, I ask you to share your faith in helping to evangelize people around you. Many of you are seeking healings of the body, but when I heal you, I heal the whole person in both body and soul. Rejoice in My Divine Mercy which by this plenary indulgence, you have all reparation due for your sins taken away."

Monday, April 8, 2013: (Annunciation)
Jesus said: "My people, this feast day of the Annunciation is normally celebrated on March 25th, nine months before the celebration of Christmas on December 25th. This feast was postponed because Holy Week superceded it. You have just celebrated My Resurrection on Easter Sunday, but the Annunciation is already looking forward to the next Church Year. You are seeing My Blessed Mother's fiat as an important part of the salvation of all of mankind. My Blessed Mother

was prepared for that moment of acceptance for a long time as she was sinless from her conception. She had to be the perfect covenant while she was pregnant with Me by the power of the Holy Spirit. All of you need to be thankful to her for accepting her mission as the Mother of God. She was the means of My becoming a man on earth, so I could offer My life up as a sacrifice for the sins of all of mankind. Rejoice in this Easter Season as you are witnesses of My victory over sin and death."
Jesus said: "My people, in the spring you see violent weather, especially from tornadoes in the middle of your country. This vision is at an airport in your country when a strong wind shear will turn over a plane at night on landing. There will be some deaths, but there was no fire. It is hard to forecast sudden wind shear, and airplanes are vulnerable when landing and taking off. When you travel on airplanes frequently, you do not think that you could be in such an accident. Pray for those who are traveling on airplanes in places where they have violent winds."

Tuesday, April 9, 2013:
Jesus said: "My people, ever since Adam and Eve were cast out of the Garden of Eden, people have had to work by the sweat of their brow to work for their food and shelter. I know all of your needs for water, food, and shelter, so I help each of you to have your bare necessities. Still there are some homeless people who still beg for a living without jobs or any welfare available. You work hard for your own family, but some need to rely on the help of others for their food. Pray for those people who go to bed hungry, that they may find something to eat. You can even make some donations to your local food shelf, or foreign aid as the Catholic Relief Fund, so people can have food to eat."
Jesus said: "My people, you now have a National Health Care law that will be hard to manage and finance. Some states are fighting any changes in Medicaid or setting up health insurance exchanges. With many uncertainties in this program, some companies may stop supporting their employees' health benefits to cut expenses. In some cases paying penalties may be cheaper. People may find it

more expensive to pay premiums, while new patients may find it hard to have their own doctor. There are many hidden parts of this law that could cause problems for people. Many medical records have been digitized on the computer, but this could be a preparation to put this information on chips in the body. Getting people chipped has been a goal of the one world people so they could control people's minds with the chips and voices. When your government makes it mandatory to have a chip in your body, this will be the time to leave for My refuges. The plan is to kill those people who refuse to take this chip. This will make My faithful outlaws because I am telling them not to take any chip in the body for any reason. These chips will control your free will with hypnotizing voices. Trust in Me that I will warn My faithful to go to My refuges before your lives will be in danger. I will have My angels protect you with an invisible shield as you travel to My refuges."

Wednesday, April 10, 2013:
Jesus said: "My people, you are made in My image with a body and a soul. The body is the physical shell that contains the spirit of the soul. The desires of the body are always fighting against the desires of the soul. Your body is weak to sin because of the consequences of Adam's sin against Me. This is why the body craves the comforts and pleasures of the flesh. The soul is the opposite because the spirit is in search of the peace of its Creator. The soul desires holiness and heavenly things. This is why suffering the human condition is a trial because of the battle between the body and the soul. You wonder why it is difficult to pray, but the body wants its own appetites satisfied instead of praying. You fast from food, and you work on self-control and self-denial to limit the body's control over the soul. The soul strives to be with Me in heaven. If the soul is weak in striving for holiness, the body could lead that soul into sin toward judgment to hell. This is why the soul needs to assert its authority over the body to follow My Commandments and fulfill My mission for your life. Without a strong spiritual desire to love Me and serve Me, you could fall into the devil's temptations. Keep close to Me in your daily prayers and frequent Confession of your sins, so you can strive to be with Me forever in heaven."
Jesus said: "My people, there are some people who are so focused on money and

wealth, that they have neglected to let Me into their lives. As long as they have wealth, they think that they do not need Me. If I did not maintain their lives with air to breathe and food and water to consume, they could not survive. Wealth is only a means of exchange, but it is not a god in itself. Many one world people have gold, silver, and real estate because they do not want paper money or anything on paper. These people protect themselves from any bankruptcy that could come from a crash of the dollar or the stock market. The one world people are able to control the stock market and interest rates as you are seeing. They have driven interest rates so low that people are being forced into the stock market. Then they can steal the money in a stock market crash when they short the market. The middle class is the target of the rich, so they can control everyone through cheap jobs and welfare handouts. The ultimate control will come through the chips in the body when the one world people will make you into slaves as robots. Pray for My help against these evil ones, and call on Me to lead you to My refuges when your lives will be in danger."

April 18, 2013
Thursday, April 11, 2013: (St. Stanislaus)
Jesus said: "My people, in your diocese and many others, there is a lack of bishops through retirements and other reasons. In the time of St. Stanislaus, he was martyred by the king as he was defending the Church. As you approach the time of the tribulation, you will be seeing more vacancies among the clergy as persecution of My Church will increase. You will first see a disruption from a division within My Church, as there will be a split between a schismatic church and My faithful remnant. Then you will see more persecution coming from your own government. Already you are seeing your Defense Department classifying Catholics and evangelicals as extremists or terrorists. This is just the beginning when those, who believe in Me, will be tested in their faith. Just as Hitler isolated the Jews from jobs and their civil rights, this will be happening also in America for Catholics and evangelists. The Antichrist will be coming into power, and all of My believers will be threatened by the one world people who are controlled by Satan. This is why I have inspired people to set up refuges for this time, so My faithful will be protected by My angels at these safe havens. Trust in Me when I warn My faithful that it is time to come to the safety of My

refuges."
Prayer Group:
Jesus said: "My people, almost all of your presidents were and are Masons, and they are among the one world people that control governments all over the world. It is the central bankers that control nations through their debts and debt based money. Once your money was taken off gold or silver backing, then the printing presses started spewing out more dollars so your government could continue its spending beyond your tax income. This fiat money is becoming less valuable with every year as you make Treasury Notes out of thin air. Your money system and your National Debt are about to crash because there is no way to continue paying the interest or the debt back. When this happens, My faithful will need to come to My refuges."
Jesus said: "My people, as your current government wants to reduce your nuclear arsenal to zero, other nations as North Korea and Iran are building more nuclear weapons. The reduction in your defense is not the right thing to do when you are seeing more threats of war. The one world people want you to disarm so you would be a target for aggressor nations to take you over. Disarming your citizens of their guns is another part of their plan, but your people do not want to give up their weapons. Keep praying for peace, but you may need to be prepared for a civil war in America."
Jesus said: "My people, with every new poll you are seeing the morals of America degrading. A recent poll has shown 48% of young women are having relations or fornication before marriage. Only 23% of young women are waiting until after marriage for lawful relations. You are also seeing more and more states accepting gay marriage, and even some are accepting lawful marijuana. A few states even accept mercy killing or euthanasia. Mothers are still killing millions of their babies by abortion every year. As these evils increase, you are having My blessings withdrawn from your protection."
Jesus said: "My people, you have been watching this latest bird flu virus, H7N9, in China that has a 30% death rate for those who become infected. Many of these flu viruses have been created in the lab, and there is some suspicion with this new virus. I have warned you that the one world people have a desire to reduce the world's population with a new bird flu virus that would be both contagious and deadly. There is some indication that this new virus is spreading between people in the same locations and not just from handling chickens. Beware if this virus becomes pandemic, because you may have to come to My refuges to be healed."

Jesus said: “My people, you knew Theresa as a quiet and faithful lady for her many years at Holy Name Church. She was dedicated in her work at many organizations in your parish. She will be missed by many of you. I have taken her home to heaven for all that she had to suffer on earth. She will be praying for her family and friends. Pray for her family in all of their needs.”
Jesus said: “My people, you are seeing a little cooler weather this spring than last year, but the precipitation has still been lower than usual. Some drought conditions will continue, but not quite as severe as last year. There is still some concern over further man-made events from the HAARP machine that could bring more disasters. Pray that you will have better crops this year so there will be enough food for most people to survive.”

Friday, April 12, 2013:
Jesus said: “My people, this Gospel of the multiplication of the bread and fish for the 5,000 men is closely associated with My sharing of My Body and Blood with My faithful at every Mass. You have just shared the words of My first Mass at My Last Supper on Holy Thursday. This miracle of the consecration of the bread and wine into My Body and Blood occurs at every Mass, and this is My gift to all of My faithful. In every tabernacle you have My Real Presence with you even to the end of this age. You always have a friend in Me when you visit My Blessed Sacrament. I will help you in all of your spiritual and physical needs if you just ask Me. Those, who receive Me in Holy Communion worthily, and visit Me frequently in My tabernacle, are My special adorers who have made Me the center of their lives. See this gift of My Eucharist as a sharing of My love with all of you. The Father, the Holy Spirit, and Myself love all of you, and We want you to love Us and worship Us as your God, Creator, and Savior. It is not easy, but I ask My faithful to give your will over to Our Divine Will. The first reading about Gamaliel’s advice to leave the apostles alone, was how My Church was allowed to thrive since I formed My Church on St. Peter, and the gates of hell will not prevail against it. This allowing of messages to be tested by time is the same way of seeing if the fruits are from Me. If good fruits result, then these messages will be confirmed. I have been giving you messages, My son, for twenty years to prepare for the end times. You have been allowed to

continue, and you have seen good fruits come from them. Give praise and thanks to Me for all that I am doing through your 'yes'."

Jesus said: "My people, in the Gospel I appeared to My apostles walking on the water, and I calmed the stormy seas. They thought I was a ghost at first. I said to them 'Do not be afraid, it is I.' This image of calming the sea represents how I come to My faithful, and I can calm the troubles in your life. I ask My faithful to trust in My help with all the trials in your life. By faith I will give you the strength that you need in My sacraments to overcome any fears that you have. Remember that you will never be tested beyond what you can endure by My grace. When you have confidence in My help, you will always have peace in your soul, despite what goes on in the world. In the vision and in the first reading, you are seeing how by the laying on of hands, the deacons were chosen to help My apostles in My early Church. Many of the widows had to be served at table by the deacons. All of the early communities had to help one another in their daily needs. Even today your deacons help with the sick and other duties that your priests cannot attend. Rejoice in My help throughout your lives. You know that you can call on Me in any of your needs, and I will be with you."

Sunday, April 14, 2013:
Jesus said: "My people, I shine My Light of grace and love over all the people. It is unfortunate that all souls do not open their hearts to love Me because they have cold hearts. I cannot come into your heart unless you open the door from the inside. You know how much I love you, because you are witnesses of My death and Resurrection that I suffered for your sins. Just as I called out to St. Peter if he loved Me three times, so I ask all of you if you love Me as well. St. Peter denied Me three times, and I gave him an opportunity to repent and give his love to Me. So I realize in your weakened state that you have denied Me in

your sins. I also give all people an opportunity to come to Me and have their sins forgiven in Confession. Once you repent, then you will be forgiven, and My grace will be restored to your soul. You can show your love for Me in your prayers, coming to Mass, and seeking forgiveness in Confession. When you love Me, you can also share your love with all of your neighbors in helping them with their needs. So let your cold hearts melt in My love, and greet Me with open arms into your heart and soul. Once My love permeates your life, and you allow Me to lead you, you will find all of your crosses will be lighter. As Simon helped Me to carry My cross, so I will be helping you in carrying your cross of life."

Monday, April 15, 2013:
Jesus said: "My people, you are still celebrating My Easter feast of My glorious Resurrection. This 'V' in the vision is for My victory over sin and death. I know you are weak in your sins, and I have given you My sacrament of Penance so you can confess your sins in seeking My forgiveness. I have conquered the devil because I am more powerful than him. This is why you should not fear evil because when you are with Me, I can help defend you from the devil's temptations. Do not endanger your souls in occasions of sin, but avoid such places that tempt you. I am asking you to live holy lives as you follow My direction. My ways are better than man's ways. My victory over sin and death has also allowed souls, who are purified, to enter the gates of heaven for all eternity. I love all of My people, and this is why I have died for your sins, so you can have salvation from the evil of the world. With My help, you can save your soul from hell, and strive to be with Me in heaven one day. Heaven should be the goal of every soul. Heaven rejoices over every soul that converts its life to follow Me instead of the evil of the world. Then when you come to heaven, We can celebrate your victory of being crowned a saint in heaven."
Jesus said: "My people, there are two paths in life. One road can lead you to heaven, while the other fork can lead to sin and hell. Following My path will be difficult for the body because I will lead you to holiness and a moral life. Leading a chaste life until marriage, may cause a restraint of your earthly desires, but you will be living in less occasion of sin. Those, who follow the path of their passions, are led to living together in the mortal sin of fornication. This

lifestyle leads to continuous sin, and it will be hard to convert from an addiction to lust. If you truly love someone for who they are, you will not violate them with sex before marriage. You should be patient in your courtship. It is better that you get married in a relatively short time of a year or so because you will be tested with sinful desires. Do not follow other people who are living together just because they are living in sinful pleasures. Do not let people tell you that you are old-fashioned, because obeying My laws will reward you with My graces for a happy marriage. Those, who follow the path that I will lead you on, will be abiding in My love by their obedience. A good moral life will lead you to an eternal life with Me in heaven, but following your own ways could lead you on the wrong path to hell."
Jesus said: "My people, this vision is showing you some of the details of the coming Warning or illumination of conscience that everyone will experience all over the earth at the same time. At that time people will see their soul bodies released outside of their physical bodies, and they will be outside of time. You could see how they were flying free into the clouds, and they shared an exhilarating feeling of freedom and joy. These souls were then drawn to My Light as they came before Me to receive their life review. After remembering their unforgiven sins, then they received their mini-judgment of either heaven, hell, or purgatory. These souls were told that if they did not change their lives, that this judgment would become their final judgment. This experience will cause many people to seek Confession for Catholics, or a need for repentance in others. This will be a glorious time to convert those souls, if they give Me their consent by changing their lives to follow Me. Rejoice that My mercy is being granted to every soul so each soul will be given an opportunity to save his or her soul from hell."

Tuesday, April 16, 2013:
Jesus said: "My people, you have seen several provocative incidents in North Korea that have alarmed the countries around them. This vision shows a preparation for another missile launch that has shown their capability for launching warheads for some distance. They also have tested nuclear weapons, but it is not evident that they have the ability to put nuclear warheads on their

missiles. Many of the war games and troop movements could threaten peace with South Korea. I have given you a message that a war could break out soon. Two potential areas of conflict could involve America either in Korea or in the Middle East. Keep praying that such a war does not start, so many people would not be killed or get injured."
Jesus said: "My people, you have seen in the news how a bomb in a pressure cooker went off and ball bearings were sent out like shrapnel that killed three people and injured over 260 others. This happened at a crowded event of the Boston Marathon. This appears to be a terrorist attack, but no group has come forward to claim this evil deed. Other attacks by terrorists have used much larger bombs in order to kill more people. The smaller bomb might have been used on purpose to try and implicate a possible right wing group. There are many analysts that are making such accusations. Pray that the people involved who were injured, can be healed, and that the perpetrators can be brought to justice."

Wednesday, April 17, 2013:
Jesus said: "My people, in the Gospel you saw again how I proclaimed Myself as the Bread of Life. At the Mass the priest consecrates the bread and wine into the Real Presence of My Body and Blood. When you receive Holy Communion, you are receiving My Body and Blood, and those, who do so, will have eternal life. I give you your spiritual Bread that feeds your soul every day that you receive Me worthily. Feeding your spiritual life in the soul is even more important than feeding the physical body. You again are seeing the hot coals of hell because it is important that you do everything to encourage your family and friends to keep close to Me, and away from sin. There are many family members that do not come to Mass or church, and they are not putting Me at the center of their lives. Some are living in fornication, while others are using birth control, and they worship things as sports, money, and fame. My faithful need to be

shining examples of giving the right message of love to everyone. Show them that following My Commandments, daily prayer, and sharing faith and love of neighbor, is the proper life that I desire for everyone. If I am not a part of people's lives, then they truly are risking the fires of hell. I am merciful, and I await souls to come to Me for forgiveness, but I am just, and people need to make the right choices in order to come to heaven. Keep praying for the souls of your family and friends so they are not lost to hell. Tell them how much I love them, and I want them to love Me as well."
Jesus said: "My people, a while back you were seeing a series of gun killings using assault rifles where the gunmen committed suicide. This coincided with a push for gun law legislation which just got defeated in the Senate. Now you are seeing a series of possible terrorist activities involving the bombing at the Boston Marathon, ricin letters being sent to a U.S. Senator and your President, and now a huge explosion at a fertilizer factory. It is not certain about the fertilizer factory, but it is very suspicious that all of these things are occurring at about the same time. The one world people have an agenda to use false flag terrorist acts to help precipitate an excuse for martial law. If more of this violence continues, then you are seeing an organized pattern for takeover. The more incidents that you have, this will allow your Homeland Security to start setting up checkpoints where there are crowds of people. Remember the techniques of the one world people where they create the problem, and then they create the solution. If martial law is declared, this will be a sign to come to My refuges when your life might be endangered."

Thursday, April 18, 2013:
Jesus said: "My people, it is appropriate on this Thursday to see the events that occurred on Holy Thursday. You are looking down into My cup that foreshadowed My Blood that I would give up on Good Friday when I shed it in My sacrifice on the cross. St. John's Gospel is focused on those who receive My Good News, and partake in having Holy Communion. When you eat My Body and drink My Blood, you will have eternal life. This is an affirmation that you have My Real Presence in every Holy Communion that you receive. Not all people believe in My Real Presence in the consecrated Host, but I am still present just the same. In the desert, the Israelites had the manna, but now I give

you Myself as the Bread of Life. You can even survive on just My consecrated Host, as some saints have. Rejoice in this gift of Mine to all who believe in My words of St. John's Gospel."

Prayer Group:

Jesus said: "My people, you were mourning for those killed in Boston, and now more lives were taken at the city of West in Texas. A fertilizer factory caught fire, and firemen were trying to put out the fire. Within a half hour, there was a huge explosion that killed some firemen when ammonium nitrate exploded causing an earthquake and a tremendous shock wave. Many homes were damaged, and there was a search for the dead and maimed. Many people were injured as the town was badly damaged. Pray for those who have died and for the survivors to get back their normal lives again."

Jesus said: "My people, this latest gun legislation that was defeated, was a setback not only for your President, but also for the one world people who want to take away your guns. You have people standing up for their Second Amendment rights vs. those who wanted to limit gun ownership. This has become a large issue that threatens citizens from defending themselves from the criminals who always can find guns. I do not want people killing each other with guns, but it is understood in immediate defense of your family."

Jesus said: "My people, your National Budget problems have been in the background amidst other issues as the bombing and other legislation on guns and immigration. It will be a hard compromise between all of these proposed budgets. These same Congress people will also have to vote on raising the debt limit as well. Currently, only stopgap raises are being discussed. Budget cuts and possible tax increases may have to be compromised to cut the national deficits. If the budget cannot be balanced, then America may face more credit rating decreases. Pray that your leaders will vote for what is best for your country."

Jesus said: "My people, you are starting to see some threats to your financial system both in the lower prices of commodities as gold and silver, and many billionaires who are getting rid of their stock holdings. You are seeing lower gold and silver prices for paper contracts only. This is because one bank is not giving back the gold from the paper contracts. This is causing a low price for paper contracts, but the actual physical gold prices are still higher. This could be an attempt by the rich to hold physical commodities before a crash of the markets could come. If a crash or civil war results, My faithful will need to come to My refuges."

Jesus said: "My people, this latest news of the new H7N9 virus spreading in

China, now appears to be spreading from human to human as well as being a deadly virus with 30% of the sick people who are dying. This new bird flu virus is contagious and deadly, just as I warned that you would see such a new flu that could threaten large populations. If this becomes a pandemic virus, then you will need to come to My refuges to be healed by looking on My luminous cross."
Jesus said: "My people, I have shown you various signs that a new war could break out in Korea or the Middle East. Many of your wars have been instigated by the one world people against various dictators who threaten their neighbors . A new war would serve their purpose by weakening America's defense so you would be an easier takeover target. Keep praying that a war does not come and kill millions of people."
Jesus said: "My people, in the West there are very few sources of fresh water. Even now many towns and cities are overusing the water from the Colorado River. Water wells need to be very deep in this area, and there is not enough water for the farmers and all of the large cities. Other sources of water would have to come from purifying ocean water, and a lot of piping to bring it to the people. This fresh water need is a growing problem, especially when you also have to deal with pollution of your rivers and water wells."

Friday, April 19, 2013: (St. Paul's conversion in the reading)
Jesus said: "My people, in today's first reading you are seeing how Saul had a huge conversion to become St. Paul. A great light forced him off of his horse, and he was blind for three days. He was changed from one who was destroying My Church into its most powerful missionary, including all of his epistles to the various cities. St. Paul's letters have given you beautiful teachings for life on many different subjects of faith. St. Paul is a model for all of My faithful to go out to all the nations to share My words of salvation of My death and Resurrection. My son, I have healed your own addiction to computer programming so you could be prepared to be one of My missionaries to spread My messages about the end times, and My protection at My refuges. You have been given many skills and talents to spread My messages by word of mouth, the written word in your books, the internet messages, DVD presentations, and your own speaking in various cities. My faithful need to be informed about the coming tribulation, and the eventual need to protect their souls and lives at My

refuges. Your words of love, teachings, and warnings are the words that I have given you to share with the people. Keep working in faith to spread My messages, for your reward will be great in heaven."
Jesus said: "My people, some refuges may be tunnels or caves to stay. When you bring your backpacks, you will have some food, water, and some clothes. You should also bring some pans and implements for eating, as well as some windup flashlights. Your tent and sleeping blanket can provide a sealed environment from bugs and moisture. You may need some coats for the cool cave temperatures. I will still make My people invisible to the evil ones, and I will multiply your food and water. My angels will give you daily Communion, even in your cave. You will need to stay near the opening of the cave for enough oxygen. My refuges will provide a safe place during the tribulation of less than 3½ years. You may suffer a rustic living for a time, but you will have My reward in the Era of Peace, and later in heaven. This tribulation time will be your purgatory on earth, so be patient for My coming victory over evil."

Saturday, April 20, 2013:
Jesus said: "My people, you can see in the first reading when St. Peter healed a paralytic man and raised Tabitha from the dead, that many came to believe in Me because of these miracles. Even today in the vision, there are still miracles happening in My Name that can cause some people to be converted to the faith. In the Gospel reading I called on My faithful to eat My Body and drink My Blood to have eternal life. Some of My disciples stopped following Me because they thought that I was calling them to cannibalism. They did not realize that the bread and wine were transubstantiated into My Body and Blood that I would give them. This occurs at every Mass even now, but some people do not believe in My Real Presence. This Gospel shows that it was hard to believe years ago, and even today. Blessed are those who believe in My Real Presence for they will have extra graces for their belief."
Jesus said: "My people, you are reading of how I bring you spirit and life in My Eucharist. You are seeing the signs of new life in nature in the green grass and budding trees. This new life is also seen in the celebration of My Resurrection in a new glorified body. I want all people to
hear My Good News of salvation, and see My love for them because I died to

bring salvation to all souls. I want all of you to experience My love of forgiveness of your sins, and to feel My love of My Eucharist, as I am intimate with you when you receive Me. When you truly are open to receive Me, you will be overwhelmed with My infinite love. Every time you receive Me in Holy Communion, it is like a new experience of My love that knows no bounds. Rejoice in this new life in nature, and a renewed life in the spirit of your soul."

Sunday, April 21, 2013:
Jesus said: "My people, you are all familiar with reading your newspaper in the morning, for those who have a subscription. News of your daily events on earth quickly grow old. Very few people want to read yesterday's newspaper. I am showing you these printing presses because your daily news is always concerned with breaking news. Once the details of a story is known, it quickly gets old. This is why you are at times annoyed when some channels keep playing the same court trial day after day. This daily news on earth can be contrasted with My 'Good News' of salvation, and My words in the Bible that live on forever without change. Earthly news is over in a day, but My words have a lasting character because you are faced with the truth of My words. Earthly stories can be misinterpreted, propaganda, or censored, so it is skeptical at best. But there is no doubt in My words, unless somebody is an atheist, and they do not believe in Me. You can put your faith and trust in My words that are true, and I can save souls from going to hell, if they follow Me. All that I teach is about love of God and neighbor, because I am love. It is the devil who causes hate, evil, and confusion. This is why you will know people by the fruits that they bear. A good tree can only bear good fruit, while a bad tree can only bear bad fruit. A good person will bear good deeds, while a bad person will bear bad deeds. I still call on My faithful to evangelize souls, so they can be converted to the faith and be saved."

Monday, April 22, 2013:

Jesus said: “My people, you can have arid land next to a waterfalls, but if the water is not brought to the land, it is hard for anything to grow. Even in your own yards, until the rains come, it is hard for things to green up for spring. Bringing water to the ground, is similar to bringing My grace into a soul. If a soul is living in mortal sin, that soul is dead spiritually. But if that soul comes to Me in Confession, then I can forgive that person, and bring life back to the soul with My grace. Grace for the soul is like rain is for the soil. Grace gives life to the soul, and rain gives life to the vegetation. I am the Resurrection and the life, and I bring life to My faithful, and I restore life in the ground for nature. I bring abundant life to this world, as I offer salvation to everyone, including the Gentiles.”
Jesus said: “My people, every time you take My Eucharist at the Mass, you are sharing My ‘Living water’ that will bring you eternal life. Man cannot live on bread alone from the earth, but you can live forever if you eat the Manna of My consecrated Host. You could even survive on only Holy Communion because some of the saints have done this. You are still celebrating My Resurrection when I conquered sin and death. Death could not contain the Son of Man, and all of My faithful are promised to be resurrected at the last judgment. This hope of eternal life with Me in heaven is what drives every Christian to be faithful to My Commandments, and love Me and his or her neighbor. You are rejoicing in My gift of Myself, and the promise of eternal life to those who eat My Body and drink My Blood.”

Jesus said: “My people, in Antioch My faithful were called Christians for the first time. Once they were identified, the Romans sought them out for persecution. Even today, Christians are mocked and put down because the evil ones of your society have no love for Me or for God the Father. When you fight against abortion and gay marriage, these evil ones will single you out for persecution in your own land. Those, who follow earthly desires and avoid My Commandments, want to have their earthly pleasures without being criticized for being sinners. You all are sinners, and you all are in need of My forgiveness. This is why you need to evangelize sinners to follow Me, but they will resist your pleas, and you may face prison and persecution because of My Name.

Christians are the targets of the evil one world people, so they will eventually have to come to My refuges to protect their souls and their lives."
Jesus said: "My people, in the early spring it takes time to clean out all the dead branches and debris from the winter. Then you may have to fertilize your lawn so it can green up without so many weeds. Cleaning out the weeds comes later, as well as trimming any bushes. Maintaining a neat yard requires work. Maintaining a pure soul free from sin, also requires work. In the natural world you find defects that require pruning. In the spiritual world you also deal with the consequences of Adam's sin in trying to prune the body's desire for pleasures and comforts. The soul has to keep the body in check from its sinful desires. This is why daily prayer and occasional fasting are needed to restrict the body's wants. Keep striving to keep a pure soul to please Me in how I want you to live. You may need at least monthly Confession to keep your soul pure in My grace. By holding on to peace in your soul, you will be ready to meet Me at your judgment."

Wednesday, April 24, 2013:
Jesus said: "My people, St. Paul and Barnabus were sent out by the apostles to Cyprus and other lands as missionaries of the faith in Me. Even as I sent My apostles out two by two to evangelize all nations, so I send My faithful out to evangelize souls as well. It is not easy to lead a life of a missionary because you are always in a foreign land with people that may or not accept My teachings. You, My son, have also been traveling to share My messages that prepare people for the end times. This message of coming to refuges during the tribulation, is a difficult message to share and to accept. I am thankful that you have accepted this mission because in the end times, the faith will not be strong among the people. You will also be facing a persecution of Christians that will endanger your lives. My refuges will be a safe haven for My faithful when the evil ones will want to kill you. Trust in My protection as My angels will make you invisible to your persecutors."
Jesus said: "My people, you are seeing on the news how the bombers' family was receiving welfare assistance, yet there were expensive cars and money needed for their weapons. There is suspicions that they were trained in bomb making, and questions where they obtained explosives and the guns. There are

also questions of those who taught radical Islam to the brothers. It is becoming more apparent that they received help from somewhere for all that they did. Many of your investigators are learning the flaws in checking foreigners with possible terrorist connections. Buying of large amounts of fireworks and foreign travel should have been some red flags. It was also interesting how martial law was established briefly in Boston to catch the last bomber. Any number of incidents could be used to set up martial law whenever your authorities want to use their authority over your population. It will be such a martial law that could be used to takeover America. If you see enough terrorist activity to cause martial law, then My faithful will need to come to My refuges of protection."

Thursday, April 25, 2013: (St. Mark)
Jesus said: "My people, many Christians are too comfortable in their seats at church, and there are a good number who do not even come to Sunday Mass. If you are to have a true loving relationship with Me, you need to obey My Commandments. The Third Commandment requires that you worship Me on Sunday, and honor My day of rest with less work than on other weekdays. Coming to Mass on Sunday is the first step. If you love Me, you will tell Me so in your daily prayers. People in love do not just tell their spouses 'I love you' only once on Sunday. Your love for Me and your neighbor should be shared every day in helping people in need. It is when you go out of your comfort zone to help someone or evangelize souls that you are truly showing Me your love. Loving Me means that you are concerned to do whatever you can to save as many souls from hell as possible. Preaching My Word to your neighbors may take courage, but it is the right way to share your faith with others."
Prayer Group:
Jesus said: "My people, last year you used this faucet a lot in order to water your parched lawn. I am showing you this faucet again because you will be using it again this summer. It will not be as severe as last year, but there will be some dry spots. It has been cool in the spring, but it will be another hot summer. Farmers will continue to find it difficult to obtain enough water for their crops. Pray that their harvest will be better than last year because your reserve food supplies are quite low."
Jesus said: "My people, every year you can see floods on flood plains, but it is

always a problem when you have substantial rain in addition to snow melt. At this time you are also seeing tornadoes, but they are not as severe this year compared to last year. Your jet streams have caused a lot of swings between cold and warm weather. You even saw some ice storms when you traveled through Canada. Be thankful that you did not have any ice storms as they did in parts of Canada."

Jesus said: "My people, you are seeing reports of over 200 people who were injured with all the ball bearings and metal pieces from the two bombs that went off in Boston. The three deaths received the
most coverage, but there was not much focus on all the people who were injured. These bombs were designed to cause maximum harm from flying pieces of metal in a crowd. The deaths and injured people are crying out for justice in these cases. In the future such backpacks may need to be examined in crowded sports events. It is hard to prevent terrorism, but your authorities need to be more vigilant."

Jesus said: "My people, you have been seeing people killed by bombs and knife attacks in addition to some shootings. These different means of killing people are just showing up that it is the evil intent of killers, and not just the weapons that matter. It is hard to outlaw all possible weapons that could be used to kill people. This is why many of the proposed gun restrictions have not deterred crime for the criminals and terrorists. The one world people are still pushing to remove your guns for their takeover of America. Keep guarding your rights, or they will be taken away."

Jesus said: "My people, your winter has been long and cold, but a cold spring has people waiting for warm weather to return. Many of your flowers were already out by this time last year. Be patient for your flowers to blossom, and be thankful for all the beautiful trees and flowers that bring new life to your spring."

Jesus said: "My people, even as the adults are happy to see warm weather, your children are even more so to play their games. Those, who live in the North, have to bear a longer time of cold. This is why some even go South for the winter. Rejoice as your signs of spring are raising your spirits, even as I am sharing My Easter joy of My Resurrection. Keep encouraging your children to do things outside instead of spending too much time on their electronic things."

Jesus said: "My people, in a few weeks you will be celebrating Ascension Thursday, and the fortieth anniversary of your prayer group. My Blessed Mother and I are grateful for all of your rosaries and Adoration hours that have been

offered up for your many intentions. You know that you can come to us with all of your requests. I help all of you in carrying your everyday burdens. Have hope and trust in Me that I will be looking out for your needs. Keep praying also for the conversion of sinners, and for the poor souls in purgatory."

Friday, April 26, 2013:
Jesus said: "My people, I told My apostles when I called them to My ministry, that they would now be fishers of men and women, instead of the fish in their old profession. The large nets in the vision are a sign of how this work needs to be spread among all the nations. There was even a sign of this when the apostles caught 153 large fish. In St. John's Gospel there are some beautiful words to give My people comfort in following Me to heaven. 'Do not let your hearts be troubled,' is how I am always assuring My people to trust in Me that I will take care of your needs. I was explaining to My apostles how I was going to My Father to prepare a place for all of My faithful in heaven. Then St. Thomas asked Me how he would know the way that I am going. This is when I gave the words: 'I am the Way, the Truth, and the Life.' You can only come to heaven through Me because I have brought salvation to everyone through My sacrifice and death on the cross. I am the Only Begotten Son of God, and I was sent as a man to die for all of your sins. Be grateful that you have a loving God that loves you enough to die for you. This is why I need My faithful to be missionaries, so you can spread My 'Good News' in evangelizing converts to the faith in all the nations."
Jesus said: "My people, I am showing you this unity candle as a symbol for what happens when you are united with Me when you receive Holy Communion. You have some intimate moments with Me in Communion, and you share My sacramental grace to strengthen you against the devil's temptations. You have a beautiful personal relationship with Me that gives your soul a spiritual high every time you come to Me. Some people are seeking earthly highs with drugs and alcohol, but they can never find My peace from earthly things. You can only have true peace in your soul from Me. Rejoice in My joy, and work to share this joy with others. When people see how much joy and love that you have in your eyes, they will desire this same experience for themselves. So be a good Christian example, so others will be attracted to living a good Christian life."

Jesus said: "My people, St. Paul was led to Antioch and many other cities to proclaim the Good News of My Resurrection. But the Jews did not like their preaching about Me, so the Jews had St. Paul and Barnabus put out of their city. It was then, as in the vision, that St. Paul shook the dust from his feet in protest against those non-believers. My disciples therefore, brought My Word to the Gentiles, and they were delighted to receive Me, as many were converted to the faith. So all peoples now have the Gospel given to them because I died for all of mankind, and not just for the Jews. In the Gospel I had to explain to St. Philip that those, who see Me, also see God the Father in Me because the two of Us are One in the same God, along with the Holy Spirit in the Blessed Trinity. I am the Gatekeeper to heaven, so that everyone must come to God the Father through Me. I am the cornerstone on which My Church was built, and St. Peter was the rock who would lead it through all the popes in succession. I have protected My Church through all these years, and the gates of hell will not prevail over My Church. At the end of the Gospel, I told My apostles whatever they asked of Me in My Name, that I would grant it according to My Will."

Jesus said: "My people, you have the richness of the Word of God that was prompted by the Holy Spirit in all the pages of the Bible. You have the prophetic word of My coming in the Old Testament. You also have the fulfillment of My sacrifice in the New Testament, as well as a promise of My return. My focus today is upon Me as the Word of God, especially in the quote from the beginning of St. John's Gospel. (St. John 1:1-3) 'In the beginning was the Word, and the Word was with God; and the Word was God. He was in the beginning with God. All things were made through Him, and without Him was made nothing that has been made.' I am the Word of God that has fulfilled the promise of a Redeemer.

Now you are reading of how I will return with a new heavens and a new earth, which will be shared in the coming Era of Peace. All of My faithful will be rewarded in this new earth of the New Jerusalem. Rejoice in My Easter message of My Resurrection, and in My promise to return in this new Era of Peace."

Monday, April 29, 2013: (Edward Wegman Funeral Mass)
Jesus said: "My people, Ed was a faithful family man for his many years of marriage. He leaves a legacy of a large family with many children, grandchildren, and great grandchildren. His strong faith was a good example to his children. He stood by his family in supporting them in their needs. He was grateful for all the family members and friends who came to his funeral. He also wanted to thank Ed, his son, and Father for their kind words about him. He is in purgatory for a short time, and he is in need of a few Masses. He will be praying for his family and watching over his wife, Estelle, whom he loves."
Jesus said: "My people, I am showing you this historic and beautiful Notre Dame Church in Paris, France that represents the traditions of the past. You are seeing a beautiful altar and beautiful stained glass windows. In your traditions you have a great reverence for My Blessed Sacrament. Many of you still kneel or bow to receive Holy Communion on the tongue. When you come into church, you genuflect in honor of My Real Presence in My tabernacle. When you pass in front of My tabernacle, or when you leave the church, you also genuflect to Me. When you have Me adored in My monstrance, you genuflect on both knees. You give honor to Me also by following My Commandments and living a chaste life in marriage without living together in sin. Your morals in America may change, but My Commandments are always the same. Hold on to your traditions of faith, and do not let modernism or New Age teachings corrupt your faith."

Tuesday, April 30, 2013:
Jesus said: "My people, you hear in your news of various hardships on people

when they may have lost their homes in a tornado. Everyone has to endure some hardships in life of sickness, lost jobs, lost homes, financial bankruptcy, or deaths in the family. Life is a testing ground, so do not get too comfortable with this life's things because they can be taken away at any time. Think first of depending on Me for everything so you are not so attached to your money, and your possessions. When I give you messages that you will have to leave your homes in order to come to My refuges of protection, many people have difficulty in leaving everything behind. This detachment of things in your life is not easy, but you need to be ready to give this all up so you can focus on where I want to lead you. At one point you may even be asked to give up your very life as a possible martyr for believing in Me. Keep your souls pure every day, because you do not know the day nor the hour when I will call you home, or when I will call you to come to My refuges."
Jesus said: "My people, I am showing you the beauty of My creation in the trees and in the flowers. You are happy to see, smell, and take pictures of My creation. You also see the beauty of sunrises, sunsets, and the many beautiful landscapes as at the Grand Canyon. You also see the beauty of the animals, and especially the men and women that I have created. This beauty is even magnified when you look deeper into the actual makeup of the various parts of the body. It is a miracle to see how each body is alive and functioning, as well as the creation of your soul. It is the soul that has free will, and the soul will live forever, even after the body dies. Give worship and thanks to Me for all that I have created. Those, who appreciate these miracles of My creation, are fully living the joy of their human life experience on earth."

Wednesday, May 1, 2013: (St. Joseph the Worker)
Jesus said: "My people, when you are busy working, or doing a lot of activities, it seems that time is moving very quickly. I have told you that I am already speeding up the time in these end days. You only have so much time every day, so you have to make the best use of your time with the right priorities. You need time for eating and sleeping, but the rest of the time is your own choice. Those, who are still working for a living, have even less choices. It is not easy to follow Me in your fast paced living, but you need to slow down your activities, so you

have time for Me in your prayer life. Your life on earth is not that long, compared to eternity for your soul. During your life, you need to depend on Me for everything, so you are not anxious or worrying about the past or the future. Your main focus should be on Me and what you are doing in the present moment, because the present is all that you have to work with. Keep focused on loving Me and serving Me and your neighbor. Let Me be the Master of your life, so I can lead you on the right path to heaven. The devil wants you so preoccupied with the things of the world in rushing through everything, so you do not have time for Me in prayer. This is why you need to slow down your life so you can concentrate more on doing the right thing for Me, instead of what you want. Do not try to do more activities than you can humanly accomplish, so you are not frustrated in not completing your agenda. Remember you have My agenda to follow, which is more important for your soul."

Jesus said: "My people, every morning you see your reflection in the mirror when you are washing up or shaving. When you look on your image, you notice your aging over time, but you can see the vibrant life in your smile. Your eyes are the doorway to the soul, and you can sense My very Presence inside of you that gives you life. If you can sense Me, you know also that you are a temple of the Holy Spirit. God the Father created you, so you have the Blessed Trinity in you at all times. Just as you know that I am with you, so you should see Me in every person because you each have a soul as well. Every morning you give thanks to Me that you have another day to offer up all of your good works to Me. Consecrate all that you will do that day over to Me so I can guide you in your every action. I love all of you, and I want you to love Me and all of your neighbors. You just had a beautiful mission that has explained to you how you have a miracle at every Mass when the bread and wine are transubstantiated into My very Body and Blood. You have a little taste of heaven whenever you receive Me in Holy Communion. Rejoice as you receive all of Us in the Blessed Trinity into your hearts and souls in Holy Communion. If We are with you, who could be against you. We watch over your soul and provide for your needs, so put your full faith in depending on Us for everything. By keeping close to your Lord, you will share eternity with Me in heaven."

Thursday, May 2, 2013:
Jesus said: “My people, in the morning when you come to Mass, I am showing you how My grace comes into your heart and soul. Just as the sunshine comes into your room through the window, so My grace comes shining into your souls. I only ask that you receive Me worthily in Holy Communion with a pure soul and without mortal sin. Every morning you need My grace to accomplish your day’s work. You need food in breakfast for the nourishment of the body. So you also need the spiritual food of My Eucharist for the nourishment of the soul. When you have My grace behind you, you can accomplish great things for Me. Keep your focus on doing My Will, and you will have no worries on how to handle the events in your life.”
Prayer Group:
Jesus said: “My people, I am fully aware of the evil one’s influence on the souls on earth. This is why I have given each soul a guardian angel to help defend you from evil, and to prompt you to do good works for Me. Many attacks of the evil ones come through addictions. It is My sacraments that give you the grace to bear your temptations. The sacrament of Penance is how I cleanse your souls of both mortal and venial sins. Baptism takes away original sin inherited from Adam. Holy Communion gives you the grace to heal any harm done by your sins. I also want My faithful to wear blessed sacramentals as rosaries, scapulars, and Benedictine crosses for protection. Do not fear the evil ones, but trust in My power to protect you.”
Jesus said: “My people, you are aware of the goal of the one world people to have a new world order with the Antichrist controlling the world. You are living in the end times when you will see the tribulation in your life time. I have shown you in previous messages how the goal is to have a union formed on each continent so these unions could be given over to the Antichrist to rule over them. You are seeing the control over your country brought about through the central bankers and many demon led organizations that control your finances. Be prepared to leave for My refuges when martial law will lead America into the North American Union, and you will be stripped of your rights.”
Jesus said: “My people, it is not easy to take on a mission to have a refuge, either an interim refuge or a final refuge. I only ask these people to discern in their hearts that they are following My will and not just their own will. Each refuge should be dedicated to Me preferably by a priest, and have an independent source of water on the land. Where it is possible, My faithful need to support these refuges both financially and with spiritual prayers, as well as your actual

labor. The leaders of these refuges need to have some plans for some dwellings that will help house and feed the pilgrims who will be led there. Call on My angel power to help you in carrying out your mission. If necessary, My angels will help provide the needed buildings for dormitories and for kitchens. My angels will protect you with an invisible shield, and they will bring you daily Holy Communion if you do not have a priest. Trust in Me when it is time to come to My refuges as your guardian angels will lead you to the nearest refuge."

Jesus said: "My people, you have been born into this world, but I do not want you to be 'of' this world. Those, who seek the things of this world for its own sake, are letting themselves belong to this world instead of belonging to Me. This vision of a pool of water represents how some people are drowning in this world of sins and possessions. I want to save all of you from the world's calling, so you can follow My calling to a higher spiritual life. I truly want My faithful to develop a personal relationship with Me so they can follow My Will in leading their lives. Once you do not want to offend Me with sin, you will desire heavenly things more than earthly things. Do not allow anything or a desire to control you, so you can give your full attention to following My way to eternal life in heaven. By keeping your soul pure out of love for Me, and sharing your faith with your neighbor, then you will be worthy to be with Me forever in heaven. I love all of you, and I want to save all souls from drowning in the evil of this world."
Jesus said: "My people, at Benediction services you see the priest use the incense to honor My Blessed Sacrament, and he blesses you with the Host in the monstrance. My Eucharist is My most precious gift to you because I give Myself to you in the consecrated Host. When you receive Me in Holy Communion, you have an intimate moment with Me in your soul. This experience gives you the grace of My sacrament as I heal you of any damage done by your sins. I am always present to you in My Blessed Sacrament in the monstrance and in My tabernacle. When you come to adore Me at your holy hour, you receive graces for your visit, and I hear your prayer requests. Every time that you adore Me, make a point to spend at least five minutes in silent contemplative prayer with total focus on Me without any distractions. It is then that I can speak to your

heart and give you direction for your soul. You are at this site that honors My Blessed Mother where a visionary had an apparition and messages of confirmation that My Blessed Mother is watching over this land. Give thanks to Me and My Blessed Mother for the blessings over this land."

Sunday, May 5, 2013:
Jesus said: "My people, every day of your life is like one step closer to your judgment, and one step closer to heaven for My faithful. Each day you should be focused on following My agenda so you can fulfill the mission that I have given you. You take time for your daily prayers, and daily Mass for some. You can even visit Me in My tabernacle at night. You need to work for your living and take nourishment at your meals, but you also need to share your faith each day in giving good Christian example to those around you. When you can, reach out to help others in their needs. At the end of each day think over any of your faults so you can confess them later, but learn from your mistakes so you do not repeat them. When you come to your judgment, you will have to make an accounting for each day in how you spent your time working for Me. The more good deeds that you have, it will go easier for your final judgment. Work each day on perfecting your soul, and be prepared that it could be the last day of your life."

Monday, May 6, 2013:
Jesus said: "My people, you are seeing in the vision how I sent out My disciples to spread the Good News of the coming of My Kingdom. I died for your sins, and you are still celebrating My Resurrection on Easter. This salvation that is given to all sinners, is the Good News that I want My faithful to share with those who want to be converted to believe in Me. I have given you life and a soul so you can worship Me, and love Me and your neighbor. See the beauty of My creation and all the people on earth. I call everyone to come to Me so I can lead each of you on your own mission. I have called some of My faithful to be

missionaries of My Word. Rejoice if you have been called to go out to all the nations and tell them My Good News. When you come to your judgment, all the souls that you have brought to Me in conversion, will be witnesses on your behalf. Keep close to Me in prayer and keep praying for poor sinners. I desire that all souls could come to heaven, and not be lost to the devil in hell."
Jesus said: "My people, you have been seeing flood watches all along the Mississippi River. This huge wall of water in the vision was part of this flood water, and there will be a break in a dam or levee that could cause further flooding. This combination of flooding and a cool spring has made it difficult for your farmers to get their crops planted. If you have another bad season for crops, you could see some food shortages. Many of your droughts and bad storms are being caused by man-made machines, so pray for My help in gathering enough food for your people to eat. I will provide what you need, so have faith in what I will provide for My faithful at My refuges."

Tuesday, May 7, 2013:
Jesus said: "My people, this message is all about giving Me thanks for all of My gifts, and all that I do for you every day. After Holy Communion, you usually are giving thanks for My gift of My Eucharist. Dying for all sinners is My greatest gift of salvation that you could thank Me for. Giving you Myself every day in My sacramental presence of the Eucharist is another gift that I am with you always, and you should thank Me. I give you all of your talents and health to do My work that you can thank Me for. I give you life in the soul with My grace, and life in your body by helping you find food, breathe the air, and have water to drink. You take many of My gifts for granted. You can even consider your children and grandchildren as gifts of My love. Every person who comes into your life is a gift from Me. You do not really own things or your children, because they are only given to you on loan for a short time. Everything in this life is temporary and will pass away, so give Me praise and thanks for all that I put in your life."
Jesus said: "My people, some of you are aware of the Ison Comet that will come close to the earth around November and December. I showed you this in an earlier message, but I did not mention the significance of this comet. Your

astronomers are telling you that this comet will appear as brighter than a full moon. I told you that the meteor over Russia was a sign of a war coming. Now you are seeing how Israel is protecting itself by a second bombing of potential missiles in Syria that were headed to Hamas. I also gave you a sign of the coming financial problems after Pope Francis was elected. Now, I am telling you that this comet is a sign of the coming Warning. I will not give a date for the Warning, but I have told you many times that it is close. In the vision of the circling stars, you could tell that this was connected to the Warning. Once the Warning occurs, events will be moving quickly to allow the Antichrist to come into power. My faithful need to have your backpacks, tents, and sleeping blankets ready for when you will have to leave for the safety of My refuges. Have trust and faith that I will protect My faithful from the evil ones."

Jesus said: "My people, I gave you a sign with this meteor in Russia that a new war would break out. In the vision you could see bombs exploding in a war that will be in the Middle East area. This is a hotbed of confrontations between Israel and many Arab factions. If various Arab nations started a war with Israel, America could be drawn into such a conflict. Israel is fighting for its survival. If Israel is threatened by superior numbers in armies, they would possibly even use nuclear weapons for their defense. This is why Israel is concerned if Iran obtains nuclear weapons. Any Middle East war could quickly involve many nations that could lead to a world war. Be watchful of any new war, and pray that peace will prevail."
Jesus said: "My people, you have seen several incidents with assault rifles that have killed some people, and now a new tactic with homemade bombs. Look at the responses to these incidents that are near martial law reactions with SWAT (Special weapons and tactics team) teams and police. Each one of these incidents is a test of the response to various violent acts. There will be more of these incidents as part of a fear and terrorist tactic for giving your authorities more power and control over your people in the name of security. You are seeing more

control coming over your people through your health care law as well. Chips in the body are part of this law, and it is just a matter of time before chips in the body will become mandatory. I have warned My faithful not to take any chip in the body for any reason, even if you are threatened with death for not taking a chip in the body. Once these chips become mandatory in the body, My faithful are to leave for My refuges. Those, who take the chip, will be controlled by voices, and they will be like robots to the one world masters. Trust in My help at My refuges where the evil ones will not find you because of the invisible shield all around you."

Thursday, May 9, 2013: (Ascension Thursday)
Jesus said: "My people, this celebration of My Ascension into heaven comes forty days after Easter. My apostles were in awe of this sight. This day is also a great celebration for your prayer group which is celebrating forty years of being prayerful witnesses. The second vision is when I called My apostles to pray one hour with Me in the Garden of Gethsemene. Your prayer group has been faithful to your weekly meetings all of these years. My Blessed Mother and I are grateful for all of your prayers and your hours of adoring My Blessed Sacrament. I have heard your prayers and many intentions for the souls that you have mentioned. I give your Eternal Father prayer group continued encouragement to continue your meetings in My honor and that of My heavenly Father."
Prayer Group:
Jesus said: "My people, your prayer group first started as a Blue Army cell, and you all have been faithful in praying My Blessed Mother's rosary and the Chaplet of Divine Mercy. I thank you John and Carol, for being the inspiration for keeping this prayer group going for forty years both in your home and now at church. I also thank all of your prayer warrior friends for supporting this prayer group. You all will store up graces in heaven for being My faithful witnesses."
Jesus said: "My people, I call all of you to pray and perform good deeds in helping your neighbor both physically and spiritually. Take an example from My apostles and St. Paul in how they suffered much to bring the Good News to all the people of the world including the Gentiles. I am also calling all of My faithful souls to evangelize souls with the Good News of My Resurrection after

My death to save all of you. You share this world's goods with others, but it is even more important to share your faith in the conversion of sinners."
Jesus said: "My people, daily prayer is a total commitment to remembering Me in all that you do. It is good to pray at your prayer group every Thursday, but I am in need of your prayers every day for a world that is tormented with so much evil. It is your prayers that have held back My hand of justice for so long. You are seeing events leading up to the final hour of evil during the tribulation. Have trust and hope that I will protect My faithful at My refuges."
Jesus said: "My people, with this feast of My Ascension into heaven, you are ten days from celebrating the gifts of the Holy Spirit on Pentecost Sunday. This will bring your Easter Season to a close for another Church year. Then you will be returning to the Ordinary time of this year. You have been fed with the beautiful accounts of My disciples in the 'Acts of the Apostles'. They have been beautiful witnesses of My Word to the people. All of you are rejoicing as My Easter people, and you see the need in the world to bring My love and My Word to all souls. Your reward will be great in heaven for all that you do for Me in helping souls come to heaven."
Jesus said: "My people, you are all My prayer warriors, and I want you to even pray as a family. Family prayer is powerful, and parental guidance in prayer is the best example that you could give your children and grandchildren. When spouses and children pray as a family, they are strengthening the bonds of love between themselves and Me. I bless every family because families are under attack from divorce, living together, and homosexual marriage. My faithful families are in the minority in your present society, but I gave you the best example for a proper family when I brought Adam and Eve together in the first marriage. Keep praying together so you can stay close to Me."
Jesus said: "My people, I know you are joyful that spring is here and winter is behind you. The colorful spring flowers are a joy to see and share in your pictures. This is a tribute to your love of My creation and the beauty of nature. All of My people are beautiful creatures as part of My creation. The cycle of life from birth to death is another expression of My love for mankind. You have a short time on this earth, so strive to love Me and your neighbor as yourself. Do not let wars and anger take the peace from your soul. Keep focused on love and your love will overcome the evil of the world."
Jesus said: "My people, for now you are suffering much in this human condition just for your own survival. I provide for all of your needs, and you can call on Me to support you in your daily trials. Those, who are faithful to Me, will soon

see their reward both in My Era of Peace, and later in heaven. In that time suffering and sickness will be no more. You will be worshiping Me as the center of your life every day. Be patient in enduring this life, because a beautiful life awaits you."

Friday, May 10, 2013: (St. Damien)
Jesus said: "My people, I am showing you this heater as a symbol for heating up your hearts to inspire you to spread My love and My Gospel of love. You could see how I inspired St. Paul to carry on with his missionary efforts, even despite his many trials and persecutions. In the Gospel I also likened your earthly trials to a woman's labor in childbirth. But after the birth, there is great joy that a child has been born into the world. So with My faithful of today, I wish to set your hearts on fire with My love so you too, will be inspired to share your faith by converting souls to the faith. You can see even how St. Damien was set on fire as well to help the lepers when he was adoring Me in My Blessed Sacrament in the early morning hours. He even worked with the lepers so closely that he became a leper himself. This joy and determination can only come from the Holy Spirit and My help to be a missionary. I give you all the graces that you will need to accomplish the mission that I have given you for your life."
Jesus said: "My people, you know that a cross is a symbol of being a Christian. The crucifix with a corpus on it, has an even deeper meaning that represents a Christian who is willing to suffer persecution for his or her faith. You know that I died for all of mankind by being crucified on a cross. Until there is a sacrifice of My Blood on the cross, the cross itself has little meaning. So it is with My faithful. You need to be able to risk persecution and endure some suffering for your faith if you are going to be a real Christian. It is easy to say the words that you love Me, but I need to see actions that show your true sincerity in living your faith. You may have to go out of your comfort zone to help someone. You may want to give up some of your time to pray your rosaries, or spend time visiting Me in My tabernacle. It is 'Christ crucified' that you need to imitate and follow. If the worldly people persecuted Me, they will do the same to you. Be willing to stand up for what you believe in Me, even if your life is threatened."

Saturday, May 11, 2013: (Funeral Mass for Ann Hermle)
Jesus said: “My people, I welcome Ann to her final resting place with Me. She has lived a full life, and she is one of My blessed adorers. My adorers have a special place in My heart. Ann thanks all of you for attending her funeral. She will be praying for all of you. Keep her picture available so you can remember to call on her help.”
Jesus said: “My people, this is another sign of a coming war when your large aircraft carriers are leaving port for duty in the Middle East. These ships and their escorts carry a lot of firepower to an area where America could be drawn into a war at anytime. Hopefully, cooler heads will prevail to stop a large war from breaking out. I have asked My faithful to keep praying so that peace will prevail over the anger of war. It is prudent to have forces in position in case a war starts. Keep watching the events in the Middle East that could trigger a war.”

Sunday, May 12, 2013: (Mother’s Day)
The Blessed Mother said: “My dear children, I thank you for honoring me in this month of May, and for acknowledging me as your heavenly mother. I come in a quiet voice to comfort all of my children, as I place my mantle of protection over all of you. I thank my prayer warriors for all of your rosaries for my intentions. I just remind you to make up any of your missed prayers on the next day. There is a great need for prayer in your world to balance all of the evil that is going on. The family should be the central units of your society to bring up your children, and this is why marriage is so important to have children under this bond instead of out of sin. Give honor to all of your mothers who are nurturing their children in a difficult age. There are many evil influences on the children, and they need a good loving example to lead them in life. Treasure all of your mothers, as they gave you your gift of life, and even remember the mothers who have passed on. This is a joyful day for me also as you love me for being the mother of your Jesus, my Son.”

Monday, May 13, 2013: (Our Lady of Fatima)
Jesus said: “My people, today you are commemorating the days that My Blessed Mother appeared to the three children at Fatima, Portugal. There were prophecies about how Russia would spread her errors, which were a prediction of communism and its influence in the world. Even today it is still a part of the one world people’s attempt at world control. In many of these apparitions of My Blessed Mother, she is encouraging her children to pray the rosary and to wear her scapular. Many of My faithful come to Me through My Blessed Mother. She is a loving intercessor in bringing your prayer petitions to Me. Prayer is a daily need in helping souls, so continue to pray for her intentions.”
Jesus said: “My people, you had a beautiful vision and feeling of being in My Blessed Mother’s house with her there. This house is in Ephesus, Turkey, and you had a flashback to when you were there. St. John took care of My Blessed Mother until he was exiled to Patmos. My Blessed Mother was an inspiration to My apostles after I ascended to heaven. She is also an inspiration to My faithful in following My words and My Commandments. I have told you that there are many mansions in heaven, and I go to prepare a place for all of My faithful. This earthly house is a good remembrance, but your heavenly mansion will be so much more beautiful. Strive to be with Me and My Blessed Mother in heaven, and your joy with us will know no bounds.”

May 15, 2013
Tuesday, May 14, 2013: (St. Matthias)
Jesus said: “My people, Judas had to be replaced with another disciple so the apostles could be restored to twelve as in the twelve tribes of Judah. St. Matthias was chosen as the replacement for Judas. In the vision you can see how I sent My apostles out two by two so they could spread My Gospel. Later, after My death, they preached the Good News of My Resurrection from the dead. My Gospel of loving God and loving your neighbor as yourself is the central theme of My own preaching. I gave My apostles an example in My washing their feet and breaking the bread of My Eucharist. I also gave them authority to forgive sins in Confession. Today, you have My Word in the Bible, the Eucharist in the

Mass, and Confession with your priests. You are living what was taught to My apostles, and they passed it on to other generations. So My faithful of today need to teach the faith to your children and grandchildren. Continue to give your family and friends a good Christian example. I died so all of you could find salvation in My sacrifice. By seeking to convert sinners, you can help save souls from hell."
Jesus said: "My people, you have heard Me say in My messages that I will be with you until the end of this age. I have been preparing My faithful to be ready to leave for My refuges when your lives will be in danger. There will come a time when the persecution of Christians will be so great that you will be forced to flee to My refuges. Once you arrive at My refuges, you will find around the clock Adoration, and My angels will be giving you Holy Communion daily. During the approaching tribulation, the evil ones will be seeking out My tabernacles to remove My Hosts. This is when the vision will occur. I will always be with you in My faithful remnant because I will not allow the demons to prevail against My Church. My refuges will not only be a safe haven for your bodies, but for your souls as well. Rejoice that I truly will be with you always, but mostly at My refuges."

Wednesday, May 15, 2013: (St. Isidore the farmer)
Jesus said: "My people, you have been experiencing some drought conditions the last few years, and this is part of the reason for your poor crop yields. Another cause of some food shortages is poor management of the farms and fertilizers. In the next year or so you could see mandatory chips in the body that may be required to buy the food. This is why I have asked My faithful to store some food and water before you need to leave for My refuges. This is all about food insurance so you could share it with your family and neighbors. For awhile you could share the food with those who come to your door, and I will multiply what you have. Once people start to threaten your life with guns, then it will be time to come to My refuges. Once you need to come to My refuges, you could load what food you have into your vehicles so you could help the refuges in sharing your food. Be prepared to deal with a world famine, but be assured that I will multiply your food wherever you are."

Jesus said: “My people, it appears more than a coincidence that three scandals are giving your President major problems. It is hard to know who is leaking all of this information at the same time. The first scandal is all about the information coming out on how the Benghazi incident was being covered up to protect the President’s view on Al Qaeda. The second scandal is how the IRS was targeting the Tea Party and Patriots during the 2012 election for harassment in producing unnecessary information. The third scandal is how the government was looking into private phone calls of the AP reporters. Your President’s opposition is using these abuses to criticize his use of the government’s powers to improperly force their liberal ways over the people. As many look back on past scandals, some Presidents have lost their credibility with the people over such scandals. Pray that justice will be carried out on all the people involved in any crimes.”

May 30, 2013
Thursday, May 16, 2013:
Jesus said: “My people, I have told you how I am the cornerstone of My Church that was rejected by the builders. I entrusted the keys of My Church to St. Peter as the rock upon whom I would build My Church. He was the first Pope in the succession of many Popes who have guided My Church over the years. The Roman Catholic Church cannot be built up by only a few people. I rely on all of My faithful to build up My Church. I am not just talking about the physical churches, but the people of your parishes need to grow, and hand down the faith to future generations. If your church is not growing, then it will be dying. Keep supporting your own parish by encouraging new members to be converted so your parish can keep growing.”
Prayer Group:
Jesus said: “My people, as more releases of information become publicly known, it is becoming more obvious that there are forces trying to bring your President down. He is doing his best to keep control over the damage, but the more things are being investigated, the more covered up truth is being revealed. When you have based your stands on lies, sooner or later, the truth will unveil these lies. Some people are even warning you that this Administration could start a false flag incident to change the news away from these scandals. Pray for America

that those, who are controlling your government, are not allowed to take you over with martial law."
Jesus said: "My people, addictions to alcohol can be very devastating to families and workers in your workforce. Alcoholics are killing people on the highways, and they are breaking up families. The habitual cravings are hard to stop, and it requires a complete stopping of any drinking in order to stop. This means no enabling and a desire by the alcoholic to stop and get some help. Drinking is used as a way to put aside any stress, but it only causes worse problems. Pray for these alcoholics to change their lives before it affects their health or the safety of those around them."
Jesus said: "My people, every spring brings a rash of tornadoes to the middle of your country. If they occur over open land, it is one thing. When they occur in cities, more lives are at stake. This violence is hard to avoid, and you hope early warning could save lives. When the tornadoes are more violent, it is hard to avoid the loss of life. Some people are building concrete safe rooms in the basement for more protection. It is hard to start over when someone loses their home. Reach out to help the survivors get back to a normal life."
Jesus said: "My people, you have just seen in your news that there are now twelve states that allow homosexual marriage. I instituted Matrimony as a sacrament for the proper marriage of a man and a woman. Any other kind of marriage is unnatural, and it defies My Commandments to make them equal to a normal marriage. I know there are some advocating same sex marriage, but they are being misled by the devil to make homosexual acts appear as not sinful. They are still abominable sins in My eyes, and My faithful need to take a stand against gay marriage."
Jesus said: "My people, your society is becoming more corrupt in its morals. Gay marriage and living together in fornication are being accepted by more people in your society. Because Christians stand up against these sins vocally, you will see an increase in your persecution because these people do not want to be criticized for their sins. This is why hate crimes legislation and other laws as abortion laws, are being used to force a change in the original Christian morals to allow these sins as legal. My faithful need to pray and protest these sins and bad laws that are corrupting the morals of America."
Jesus said: "My people, this Sunday you will be celebrating Pentecost Sunday that commemorates when I sent the Holy Spirit to My Apostles. Once My apostles received the gifts of the Holy Spirit, they received the courage needed to go out and spread My Gospel of love. They even were enabled to speak about

Me in foreign tongues so others in foreign lands could be converted. My faithful have also been confirmed with the Holy Spirit, so you too, have these same gifts to give witness to My Good News. Do not leave this work of evangelization to someone else, but go forward to share your faith with others."
Jesus said: "My people, I hear all of your prayer requests. Some are healed, but others are still suffering and dying. It is not easy for some to see people dying from cancer, but some of these problems come from your foods and your environment. I have given you some suggestions how to live a healthy life, but some sicknesses are unavoidable. Pray for good health in your family, and comfort those who have terminal illnesses. It is also good to have a healthy and pure soul by frequent Confession so you are always ready to meet Me at your judgment."

Friday, May 17, 2013:
Jesus said: "My people, there are some who seek fame and fortune in this life, but this can get in the way of their worship of Me and letting Me be the Master of their lives. As My followers, I want you to be humble, and follow My plan for your life instead of your own desires. It is not easy to proclaim My kingdom and My Resurrection because there are some who do not want to accept My Good News. This is why St. Paul was persecuted, and risked his life in prison for preaching My Gospel. My faithful are also seeing an increase in the persecution of Christians because your society is following evil ways instead of following Me. The devil and the Antichrist will soon have their hour of testing the world in the coming tribulation. My faithful will need to remain strong in their faith, but you will be persecuted as I was. I will give you My protection at My refuges, but you will be living a more rustic life without so many comforts. Be patient and rejoice, because My victory is coming, even as you see the evil ones taking control."
(At Rhoda Wise's home, Canton, Ohio) Jesus said: "My people, Rhoda was blessed to share in My pain with the stigmata for two years. There have been several miracles of healing to add authenticity to her experiences. She was a convert, and I want you to focus on her humility, but especially on her obedience both to Me and the Church. This is the same acceptance that I ask of everyone,

that they be obedient to My Divine Will and to the authorities of My Church. By allowing Me to run your lives, you will be able to accomplish the mission which I have for each of you. This is a blessed spot and consecrated land."

Saturday, May 18, 2013: (St. Pope John I)
Jesus said: "My people, in My early Church you have seen the historical accounts of how many Christians were martyred for their faith. St. Paul was martyred as well as all of My apostles, except St. John. In the Gospel you read how St. John was protected from being killed, even though he was exiled on Patmos. I have made the ultimate sacrifice as a God-man by sacrificing My life for the whole of mankind throughout the ages of the past and the ages to come. This is how much I love you, that I would die for all of you. In today's world there are Christians who are still being martyred for their faith, and many babies are dying as martyrs in abortion all over the world. It is difficult for some to think of being able to die for their belief in Me, but in these end days, there will be more martyrs for their faith. I have given you life, but your life is not your own if you give your will over to My Divine Will. My faithful should be willing to give your lives back to Me if you are tested with dying for your faith. This life is short compared to eternity, so all of My faithful need to have pure souls by frequent Confession. You need to be ready to meet Me at your judgment when I call you home to Me."
For the Servants of Mary: I could see many doors being opened. Jesus said: "My people of this shrine, I am opening many doors of opportunity to help you to accommodate many people here during the coming tribulation. Remain faithful to Me in your prayer lives, and I will provide for your needs with many of My angels. Be not afraid, and guard My peace in your souls."

Sunday, May 19, 2013: (Pentecost Sunday)
The Holy Spirit said: "I am the Love of God, and I give each of you a portion of

My Spirit that gives you life in your soul and body. This is why each person is a Temple of the Holy Ghost. When you are confirmed, I give you My gifts of knowledge, counsel, wisdom, piety, understanding, fortitude, and fear of the Lord. To some I give the gift of tongues, or the gift of prophecy. In your own mission I give you the words to write down and the words to speak at your talks. You can also call on Me to bless people when they need a healing of the body or a healing of the soul. Give praise to God and thank Me for helping you in your needs and trials. Many think of Me as a dove, but the vision of flames is more accurate in how I am the fire of love that inspires people in their faith. You have experienced a tingling feeling when I come over you. Some people are even slain in the spirit as they fall to the ground. Others express different tongues when they invoke Me in prayer. My gifts are manifested in different ways, but I am the same Holy Spirit. Thank you for honoring Me this day on Pentecost."

Monday, May 20, 2013: (St. Bernardine of Siena)

Jesus said: "My people, as you see this loudspeaker announcing the words of My Gospel, My faithful need to also be ready to share My Word, so the people can learn about Me and be converted. Spreading My Gospel message of love is everyone's duty so more souls can be saved from hell. By following My Commandments and wearing your blessed sacramentals, you can protect your soul from the temptations of the devil. In the Gospel reading you read how I exorcized the mute demon out of a boy. My apostles had tried to bring the demon out, but they could not do so. To accomplish such a deliverance, My faithful need to have faith in My power to do such an exorcism. You can pray a binding of the spirits prayer to bind such demons to the foot of My cross in My Name, Jesus, and never to return. Some evil spirits are strong or there may be multiple demons. In these cases, I told My apostles that this kind requires prayer and fasting. (Matthew's Gospel) You can also pray a St. Michael's prayer for a person's deliverance of a demon as well. An exorcist priest would be best, or you can pray and fast with deliverance prayers. Demons do exist, and people can be possessed or obsessed by them. Call on Me to send you My angels, if you are attacked by demons, or you are praying for the deliverance of a soul from a demon."

Jesus said: "My people, in today's Gospel a man asked Me to remove a demon

from his son, but he was a little doubtful when he said if I could do it. There was a doubt in My power, possibly because he saw that My apostles could not cast out the demon. In order for Me to heal someone, they need to be confident that I can heal them. If you truly have faith in My healing, then it will be accomplished as a miracle. Once I healed his son by calling out the demon from the boy, the man believed. This is when he prayed to Me, and he asked Me to help him with his unbelief. Today, there are many people who do not believe in Me, or My healing power. They also can be healed of their unbelief, if they would take one step forward in accepting Me into their lives. When these souls are converted, the truth of My words will set them free. Have faith in Me, and I will give you the graces to carry out your mission."

Jesus said: "My people, I love the little children, and I do not want to see them scandalized or abused because they are precious in My sight. It is difficult to raise children up in this age because they are exposed to many evils on your televisions, and in your movies and literature. They are seeing people living together without marriage, people living in gay marriage, and there is pornography in many places on the internet. Some children are being molested even by their own relatives, and by kidnaping. Parents and grandparents need to be good Christian examples so the children can learn proper living in a true marriage of a husband and a wife. Teach the children a proper belief in Me with a good prayer life and monthly Confession. Help to guard their souls from all the evil in the world with its many addictions. Pray for their souls every day so they can come to heaven with their own personal commitment to Me."

Wednesday, May 22, 2013: (St. Rita of Cascia)

Jesus said: "My people, you have physical pillars that hold up the roof and the ceiling of a church, but this vision represents the people who are building up My Church. The white pillars also represent the purity of the souls who give witness of My Gospel in how they are following My Commandments. There are many

saints, as today in St. Rita, who are great models of faith to imitate. It is how you live your faith that is proof to Me that you truly live what you believe. All of My faithful may not be saints canonized by My Church, but you are truly My pillars who help spread My Gospel to all the nations. Those, who are evangelizing souls in My Name, are all working with you, whatever religious group that they belong to."
Jesus said: "My son, I have given you a mission to prepare the people for the coming tribulation when the Antichrist declares himself. I am raising up many people who are preparing refuges where My faithful will be protected from the evil ones. My angels will be protecting My faithful with a miraculous invisible shield. I have been giving you many messages so My faithful will know when it is time to leave for My refuges. The first major sign will be My Warning that will prepare people to know about the need to come to My refuges. They will also be warned not to take the mark of the beast or a computer chip in their body. You will see a man-made world famine because of the droughts, and control of the food by the one world people. You already are seeing signs of New Age teachings in My Church that will cause a major schism. Martial law is coming, as there are many training for a takeover of America. It is the mandatory chips in the body that are coming quickly by next year or sooner, where many people are seeing the signs of it being established by your Health Care mandates. Once mandatory chips are being enforced by your government, then it will be time to leave for My refuges of protection. You will be healed of any ailments with My luminous cross at My refuges. You will be fed water, Holy Communion, and deer meat for food. You also will have your own place for bedding and washing. Be patient and grateful that you will be protected from the evil ones who want to kill you. This time at My refuges will be shortened to less than 3½ years for the sake of My elect. Many of My messengers are receiving similar messages to prepare refuges for My people."

Thursday, May 23, 2013:
Jesus said: "My people, today's Gospel is speaking about hell in exaggerated terms of cutting off a foot, a hand, or even plucking out an eye. If these things were causing you to sin, it is better to come to heaven maimed than to be drawn to hell with all of your body parts. This is something that most people would not

consider, but the point is to avoid all occasions of sin that could lead you into a judgment to hell. My faithful should be giving good example to others, but at times they may fall into sin in their weaknesses. You can come to Me in Confession in order to cleanse your sins from your soul so I can renew My grace in your soul. Your goal is to be with Me in heaven, and this is why you need to focus your life on Me, so I can protect you from the devil's temptations. Keep close to Me in frequent Confession, so your soul will always be ready to meet Me at your judgment."

Prayer Group:

Jesus said: "My son, I have given you many messages to prepare the people for the coming Warning and the tribulation of the Antichrist's reign. As in this vision of these loudspeakers, I want you to share this message of preparation with everyone. The Warning is an opportunity for all sinners to repent of their sins and be cleansed in My loving sacrament of Reconciliation. This will be a wake-up call when you see your life review. By keeping your soul pure with frequent Confession, you will be ready to leave for My refuges of protection."

Jesus said: "My people, I had mentioned earlier about the usual number of tornadoes that occur in the middle of America at this time of year. This latest storm and others in Oklahoma caused the destruction of over 1,500 homes and killed over 50 people. Such an F-5 tornado can be very deadly in a populated area. It was sad to see so many children that were killed. This violence of over a 200 mph wind is highly unusual, and such storms have been generated by the HAARP machine in the past. Pray for these people, and send donations to help them recover."

Jesus said: "My people, there are so many people that are possessed or obsessed with demons, that it is difficult to begin to pray deliverance prayers for all of them. You can pray and fast for these souls, and try to get them to wear some blessed sacramentals. The demons are being allowed a short time to persecute the souls on earth right now. Have patience because My victory over the evil ones will come at the end of the tribulation."

Jesus said: "My people, what you are seeing in America is a gradual decay in your morals, as these sinful acts of fornication and homosexual acts are not seen as sins by some. Even though you may rationalize these actions as not being sins, they are still mortal sins in My eyes, and each person will be held accountable. When you allow abortions, euthanasia, and same-sex marriage in your laws and statutes, you are condemning your nation, and calling down My judgment against you. You will be seeing continuous disasters, and an eventual

takeover of your country as a punishment for your sins as a nation."
Jesus said: "My people, this microwave weapon is being used by the one world people to reduce the population and create enough chaos to cause a coming martial law. Violent tornadoes and hurricanes can kill people and destroy much property. Severe earthquakes can also kill people with tsunamis, and create great devastation. Satan hates man, and he is having those who worship him, put many killing incidents in place using man-made machines. These evil ones will suffer for all the killing that they are inflicting on mankind."
Jesus said: "My people, time is speeding up, and the tribulation time is quickly coming before you, when there will be no escape, except at My refuges. You do not realize how evil this coming tribulation will be because it will be an evil worse than you have ever seen. Call on My angels to protect you and lead you to My refuges that will be protected by an invisible shield. Do not think of using weapons to kill people, but trust in My protection, and use your weapons of your blessed sacramentals to defend yourself from the demons and evil people. When I call you to come to My refuges, do not hesitate in leaving your homes, or you will be risking martyrdom."
Jesus said: "My people, you are fortunate to have some gifted prayer warriors that have a mission to pray deliverance prayers over people. Be grateful for this opportunity to receive Nilda's gifts in helping you in your spiritual lives. Pray for her in having God give her the strength to carry on her mission. Pray some St. Michael prayers to protect her from any demons who could attack her. Your prayer group is blessed to have her come here. Thank her for helping you."

Friday, May 24, 2013:
Jesus said: "My people, you have two beautiful readings on friendship and on marriage. In the reading from Sirach there is a story of how a good friend is a true treasure of great value. Some people are friends when you share money with them, but when the money stops, they quickly leave. Other people may be friends when things are going well, but when you are sick or in need of help, they drift away. A true friend will stand by you in adversity, and help you in times of need. This is why such a friend is a treasure indeed, and they are usually God-fearing people that share your love of God and neighbor. The Gospel reading is when the Pharisees asked Me if it was acceptable to have a divorce in

a marriage. They told Me that Moses allowed a man to write a bill of divorce to his wife in order to marry another. I said to them that Moses wrote such a law because of their hard hearts. I created a man and a woman to be married, and no one should break that union. For those who can accept My teaching, a man and a woman who divorce to marry another, commit adultery with other people. Even in your own day, My Church allows annulments on grounds of abuse or where there is no intent to have children. In this case even such annulments are given freely without much effort to prove a case. Your people would rather divorce with an annulment, than try to work out any difficulties to save the marriage. Your hearts are just as hard now as the people of My time on earth. In fact your society is even more morally corrupt because most of your couples do not even get married, but they live in the sins of fornication. Blessed are those couples who remain married a long time, who are husband and wife."
Jesus said: "My people, man's criteria for a proper church design is different from Mine. Many church designers are doing their work to make themselves look good, instead of making a church to give Me the glory. In the newer churches you are seeing less statues, and even My tabernacles are being placed in back rooms so you cannot even see Me. I am the main guest in My churches so you should have Me placed in the center so everyone could give Me praise and thanks. Many churches are also lacking a large crucifix on the altar, so people can appreciate how I died for their souls out of love for them. Remember when you come to church that you are coming to give Me praise and honor, and not just the designer."

Saturday, May 25, 2013: (Venerable Fr. Baker's Basilica)
Jesus said: "My people, in the Gospel I wanted the little children to come to Me because the people have to come to Me as little children in order to come to heaven. Father Baker had a huge heart when he took in the boys and infants to take care of them in his orphanage. He even encouraged the unwed mothers to give up their children for adoption instead of aborting them. It is unfortunate that your people today would rather abort their babies instead of giving them up for adoption. There are many couples who cannot have children, and they would love an opportunity to adopt such a child. As you compare the morality of Father Baker's time to your present society, you can see how your country has

deteriorated in its morals. Today, you are dealing with gay marriage, changing genders, more abortions, and even perverse evil activities with pornography, drugs, and continued prostitution. America is facing more disasters that are being allowed as its punishment."

Sunday, May 26, 2013: (Trinity Sunday)

Jesus said: "My people, this celebration of the Blessed Trinity is always hard for man to grasp, because this concept of Three Persons in One God is a mystery. You have some knowledge through the Scriptures of the Three of Us individually, but the Oneness of God is even harder to comprehend. The most important fact is that We love everyone of you, and you need to honor, love, and give praise to Us in return. We have created your souls and bodies, and We provide for your needs in your daily existence. You have each been given your own mission, but until you allow Us to be the Master of your lives, it will be difficult to carry out. When you try to appreciate what it would be like to be in heaven, then you have a driving desire to do what it takes to follow Us in all that We ask of you. Keep struggling on your own path to heaven, and do what you can to bring the many people around you to a conversion in the faith. Saving souls from hell is one of your best missions."

Jesus said: "My people, when the world famine starts, people will do drastic things to find food. I am showing you some large trucks carrying food and water, and they will need armed guards for the distribution to the people. Other bands of hungry people will be hunting down homes with large caches of food. You will be able to hand out food to those who come to your door, as it will be multiplied until people will threaten you with guns. Once your lives are in danger, then My faithful will need to leave for My refuges. Only My faithful with a cross on their foreheads will be able to enter My refuges that will be guarded by My angels. Do not fear this time of famine, because the food at My refuges will be multiplied, and you will be protected with an invisible shield by My angels."

Monday, May 27, 2013: (Memorial Day)
Jesus said: “My people, it is not easy to go off to battle in the various wars caused by the one world people. They are the ones causing wars so they can make money on the war supplies of weapons. They do not care how many families they ruin when the husbands and sons are killed or wounded. War is a terrible scourge among mankind that takes a horrific toll on both sides of any conflict. America has been involved in too many no-win wars with the purpose of breaking down your military and its morale. It is better to pray for peace in defiance of those who desire war at any cost. Many families and loved ones have to deal with the returning troops who have been scarred for life with lost limbs or psychological trauma. Remember that these soldiers need your support the most in any recovery of their wounds. Give thanks for their service in willing to die for their country.”
Jesus said: “My people, you do not know the day that I will take you home to face your judgment. Some souls are lost to hell, and only a few souls go straight to heaven. This leaves a fair amount of souls who will need to be purified in purgatory. This place of suffering is like the vision where souls are roaming about in a dingy grey area where you cannot see Me. Only prayers and Masses from the living souls on earth can help raise you up toward heaven. You are outside of time, and you do not have a sense of how long you will have to suffer in purgatory. The one good thing is that you have hope that one day you will be with Me in Paradise. Even some souls in lower purgatory are still suffering like in the flames of hell. The souls there can sense the love and compassion of those live persons who are praying for them. Otherwise, there is no love present. Pray that your family will pray for you if you are in purgatory after you die.”

Tuesday, May 28, 2013:
Jesus said: “My people, I am showing you how the shingles on the roof are protecting the house from rain and snow damage. This protection is similar to how I protect you from the devil’s temptations with your guardian angel, My sacraments, and your blessed sacramentals. If the shingles get torn off, then you can have water leaks when it rains. Even so, if you fall into sin, you can repair the damage to your soul by coming to Me in Confession through the priest. Then

receiving Me in Holy Communion can further help heal your soul with My sanctifying grace. Wearing a scapular, your rosary, and a Benedictine cross can further protect you from any demon attacks. By protecting your soul as you protect your house, then you will have less occasions for any weakness to sin. Continue to strive for holiness, so you can reach your goal of being with Me forever in heaven."
Jesus said: "My people, you are seeing a long view of all of your space flights to the Space Station, the moon, Mars, and the outer planets. In all of these flights, you have not seen any real signs of life on the moon or any of the planets. There might be some signs of previous water on Mars, but not any remains of life. You are now realizing how hard it is to find the optimum conditions for life to exist. First, you need to have a hard surface, and not just a gaseous planet. Next, you need to have the right temperature, meaning a specific distance from a central star. You also need water, oxygen, and amino acids for life to be sustained at a temperature where water is a liquid. Your atmosphere can also supply clouds for rain to help plants grow, and provide an acceptable environment for man and woman to exist. Your astronomers have been seeking out other planets, but still it is hard to determine if such viewed planets can support life as you know it. Be thankful for My creation, and all the gifts of life that you experience. Man also needs to protect the earth from polluting it, and changing the DNA of My creations. I am going to renew the earth when I come, because man has caused many problems to your present environment."

Wednesday, May 29, 2013:
Jesus said: "My people, two of My disciples wanted to be on My right and on My left in heaven, but I told them that it was not My place to grant it to them. Instead, I told My disciples that whoever wants to lead, must be the servant of others. All of My apostles, except St. John, were martyred for preaching My Gospel, so they received a high place in heaven. In the early days of Christianity,

it was dangerous to teach and practice being a Christian of love because many were killed. Even in this coming tribulation, Christians will again be targets of the one world people, because they do not fit into the new world order."
Jesus said: "My people, I am showing you in the vision how My Comet of Chastisement will strike the earth in the Atlantic Ocean at the end of the tribulation. This represents My victory over the Antichrist and the devil. My angels are going to bring My faithful up into space in a bubble that will provide oxygen and protect you from the vacuum of space. My faithful will not be killed by the comet, and it will start the three days of darkness. I will cleanse the earth of all the evil ones, as they will be cast into hell. I will renew the earth as it was in the Garden of Eden. My son, you saw Me in a vision as I was on a cross, and I led all of My faithful down to the earth so they could experience a new heavens and a new earth in the Era of Peace. My faithful will see My New Jerusalem, and you will all live a long time. I have told you this in previous messages, but now you are actually experiencing this miracle of My victory in your vision, as you could sense a flying motion in space. Rejoice that I will protect My faithful, and you will have your reward in My Era of Peace and later in heaven."

Thursday, May 30, 2013:
Jesus said: "My people, you measure time by the ticking of your clocks and watches. I measure the time of each person by the number of your heart beats. When your clock stops, you may need a new battery, or a new watch. When your heart stops beating, you are dead unless someone can revive your heart. Some people even have a battery to run their pacemaker. This muscle in your heart is what keeps you alive by pumping your blood throughout your body. This day when your heart stops, is coming for everyone according to My plan. This is why any kind of killing people is such a tragedy and a serious crime because those, who are killed, are not ready to go at an earlier time than My plan. Because you could die prematurely for any number of reasons, this is why you should strive to have a pure soul by frequent Confession. By keeping your soul as free of sin as possible, then you will always be ready to meet Me at your judgment, no matter when I will call you home. Enjoy this life experience that you are living, and show your love for Me in prayer, and your love for your neighbor in helping them. This life is short, so live every day as if it were your

last day on earth."
Prayer Group:
Jesus said: "My people, every spring you are constantly looking at the beautiful spring flowers. This picture of My Blessed Mother also has white flowers representing the purity of her soul, and her life as lived in My Divine Will. She is sad in this picture for all the abortions being committed, and for all those who disrespect Me in My Blessed Sacrament. She is holding a consecrated Host, and she is sad that many do not even believe in My Real Presence. I am truly present in My Blessed Sacrament, so kneel to Me and give Me praise."
Jesus said: "My people, you have seen how three young girls were kidnaped and abused for ten years or more by a ruthless man for sex slaves. He even forced one to have miscarriages and one to have a child. When children are missing, some fear they are dead, but some could be held prisoner, or used for prostitution. Many keep on looking for their lost children until they may be found dead. There is always a possibility that they could be alive. Pray for all the young women who are still being abused in some way."
Jesus said: "My people, roses are beautiful, but you do have to be careful with the thorns. This brings to mind the experiences that happened to Maria Esperanza who gave birth to sixteen roses that had dew and thorns on them. You also have read of My beautiful life, but it was cut short when I had to suffer a crown of thorns and crucifixion for all of your souls. Even though I suffered a lot of pain, I gave My consent to offer up all of My suffering for saving the souls of mankind. My sacrifice paid the ransom for your sins, and now you can be forgiven in My sacrament of Reconciliation. As I suffered in this life, My faithful will also have to suffer persecution at the hands of the one world people."
Jesus said: "My people, at these Shrine sites, you have heard of apparitions and locutions from My Blessed Mother. Such events have made these places holy, and they will be places of refuge. There are many shrines to My Blessed Mother, and all of them will be places of refuge. My angels will protect these areas with invisible shields, and they will provide food and bedding for My faithful, even if there are no preparations going on."
Jesus said: "My people, I have given messages before that monasteries of monks and nuns would be refuges because they have many hours of Adoration of My Blessed Sacrament there. These beautiful souls have given up everything to live a contemplative life, or a life of serving as teachers or health care people. Because of their service to Me, they will be rewarded with being protected by

My angels. Again, even if these monasteries do not have bedding and food, My angels will provide for the faithful souls who come to these places with beds and food."
Jesus said: "My people, many of My special souls are carrying out their calling to set up refuges for My faithful to be protected. It is not easy to set up refuges, because you need to be led in how to prepare food, bedding, and fuels for all the people who will come to My refuges. My angels will bring Holy Communion every day like the manna of the Old Exodus. You will have a luminous cross in the sky and healing water to drink. Deer will come into your camps as the quail came into the camp of Moses. Rejoice in My protection, even though you will be living a more rustic life than you have now. You all will need to help each other to survive, but the tribulation will be shortened for the sake of My elect."
Jesus said: "My people, I told you in a previous message how taking a life in killing, is such a serious crime against My plan for life. This killing by abortion is led by the death culture people who are listening to the lies of Satan. My faithful need to be more pro-active in protecting life at the abortion clinics and in your government legislatures. You can at least pray for the stoppage of abortion in your daily prayers. Without doing something to stop abortion, you are condoning it with your inaction. Your country has the blood of these infants on your hands, and you are calling down My punishment against America."

Friday, May 31, 2013: (Midge Cerulli funeral Mass)
Jesus said: "My people, seeing the last member of an older generation die, is very disheartening for the family left behind. Midge was a very strong rock holding her family together over the years. She was a woman of faith, and she wanted her family to be strong in their faith as well. Seeing this stained glass window in church is where she spent many hours helping people. Give thanks for the gift of her life in how she touched the lives of many people. She will be still watching out for her family even after her death."
Jesus said: "My people, I have told you when the chips in the body are made mandatory, this would be the time to leave for My refuges. Chips in the body are in the original Affordable Care Law. The government is not telling you what happens to those people who do not take the chip in the body. Those people, who do not take the chip, will be considered outlaws, and they will be taken to the

detention center death camps and killed, just like Hitler killed the Jews. There is another part in the Health Care Law that calls for a private army to enforce this law, and this army will be taking people to the detention centers. Once these chips are mandatory, these troops will come to everyone's house to force people to take the chip. If you refuse and remain in your homes, you are risking martyrdom. If you leave your home when I warn you, you will be protected by My angels. The empty trailers and box cars in the vision are how the evil ones will carry people to the detention centers to be gassed and cremated. These evil ones will not tell you the consequences of not taking the chip, but these so-called outlaws will disappear overnight. Follow My advice to prepare your backpacks, tents, and sleeping blankets so you will be ready to leave your homes for My refuges. You will not need guns because My angels will guard you with an invisible shield."

Saturday, June 1, 2013: (Elaine Gysel Funeral Mass)
Elaine said: "I thank all of My family, relatives, and friends for coming to my funeral. You and Carol were the last ones to see me alert before I died. I love to see the little children that are so full of life. I thank all of those people who helped me get by through my last years. It was my falls as you know that caused my death. I will be praying for all of you, and watching out for you. I could use a few Masses to get me out of purgatory. I know that you may not have many pictures of me, but it would be nice to put my picture up so you could remember me."

Sunday, June 2, 2013: (Most Holy Body & Blood of Jesus, Corpus Christi)
Jesus said: "My people, you have read the Gospel when I multiplied the bread and the fish for the 5,000 people. I was very generous to them, and they even collected twelve baskets of fragments. When you receive Me in Holy Communion, I am spreading My Real Presence among the people. Today, My Presence was even more overwhelming when you have your God with you as

one for a brief time. This oneness in My Presence is how you will experience Me all the time in heaven. This taste of heaven in Holy Communion is another reason to seek being with Me forever. My love is overflowing to all of My faithful, and this feast day draws your attention to how much I love you, and how much I desire that all souls could share in My love. There are some people who ignore Me, and My faithful need to reach out and invite those people who are no longer coming to Mass. Share with them how they are missing My intimate love."
Jesus said: "My people, I am showing you a window of opportunity for My graces every time that you visit Me in My tabernacle or in My monstrance during Adoration. From My monstrance I look into each of your souls, and I bless you with My Real Presence. Today, you honor Me in My Blessed Sacrament as you see the priest consecrate the bread and wine into My Body and Blood at every Mass. I have given you two great gifts in My death on the cross for your salvation, and My Real Presence in the consecrated Host. Just as I multiplied the bread and fish, so I make Myself Present in your souls intimately when you receive Me in Holy Communion. Give praise and thanks to Me for all the gifts that I bestow upon you in My sacraments. My Blessed Sacrament is a miracle of My Real Presence, and you should give Me honor and reverence wherever you have My consecrated Hosts. This is why you genuflect to My tabernacle every time that you come into church. There are some who do not believe in My Real Presence in My Host, and this is why I have allowed miracles of My Eucharist with blood on the Hosts. I am still present in My Host even though some may doubt this truth of your faith. I will be with you always in My tabernacles to the end of this age."

Monday, June 3, 2013: (St. Charles Lwanga & companions)
Jesus said: "My people, in the past you have seen many saints who were martyred for their faith. Even today in some areas Christians are being killed for their faith. As the tribulation time approaches, you will be seeing an increase in the persecution of Christians all over the earth. Because you will not take a chip in the body and conform to the new world order, you will be targets for extermination. This is why I am giving you so many messages about coming to My refuges for the safety of your soul and body. The evil ones are going to

harass those who believe in Me because the Antichrist wants you to worship him instead of Me. Many people do not want to hear this message of a threat to their present way of life, but you will see this happening sooner than you think. You cannot take the easy way out to avoid endangering your life. By taking a chip in the body and worshiping the Antichrist, you would be condemning yourself to hell. This is why you cannot take the chip in the body that would control your free will. When I warn My faithful, they need to leave immediately for My refuges. If you do not know where the refuges are, call on Me and I will have your guardian angel lead you to the nearest refuge. Your angels will guard you with an invisible shield when you leave your homes."
Jesus said: "My people, you have seen some damaging tornadoes that have killed people in Oklahoma. I told you that you would see many disasters coming in your country as the fires in California. Now, in June you are beginning another hurricane season that is predicting more storms than the average. You have seen Hurricane Irene and Hurricane Sandy that have caused a lot of damage in the Northeast in the last few years. There are some indications that the HAARP machine could have been involved in directing these storms toward your financial capital in New York City. Do not be surprised if these evil ones who control the HAARP machine, could direct another hurricane in the direction of Wall Street. Such a disruption of your financial activities could be enough to cause a martial law excuse in this area, just as there was an overreaction with the Boston Marathon bombing. Be prepared to come to My refuges if a major martial law is declared."

June 17, 2013
Tuesday, June 4, 2013:
Jesus said: "My people, in the first reading Tobit did not believe his wife that she received a goat as a bonus for her work. It is hard to doubt someone's word before there is any evidence to disprove what they are saying. There should be some trust in people you know, so you can believe that they are telling the truth. Once that trust is broken by a lie, then there may be some doubt. Some people with addictions lie to get drugs or alcohol. These people are difficult to believe in whatever they say. In the Gospel reading I confounded My accusers who were trying to catch Me in My speech. They were amazed when I told them to give to God what is God's, and to give to Caesar what is Caesar's. This was in answer to

their trick question if they should pay their taxes to the Romans or not. You have earthly money that you use to buy things, but it should not become a god to you in place of Me. I have asked My faithful to do everything out of love for Me and your neighbor. You can share your money and possessions with others to help the poor and the needy. You can also share your faith, your love, and your time with others as well. There is more to life than just money and bread, so share all of your gifts, and do not be selfish with what you have."
Jesus said: "My people, you see the decay in the morals of America by the way you have people living together in fornication, homosexuals acts, prostitution, and using pornography. Your children and adults are being exposed to 'R' and 'X' rated movies of violence and promiscuity both in the movie theater, on TV, and on the internet. All of this evil influence is further corrupting the morals of your country. Abortion and birth control are also calling for America's judgment. Some people are avoiding movies and TV altogether because of the continuous violence and immorality. Your Hollywood producers are to blame to some extent, but the public is still supporting this thrash by their ticket purchases. If enough people did not attend these bad movies, then they would not have any market. It is the people who have lost their sense of sin who are supporting these immoral movies. Unfortunately, many people are allowing themselves to accept today's violent and immoral movies. My faithful would be better off not watching TV and any bad movies so they could protect themselves from these occasions of sin. If you do not give your children a good example in your entertainment, then you are allowing them to accept such immoral viewing. If your people do not change their evil ways, then they will not only lose their country, but many could lose their souls to the evil ones."

Wednesday, June 5, 2013: (St. Boniface)
Jesus said: "My people, when you look at the cut away rings of a large tree, it represents the history of that tree through the years. I turn your attention to the roots of the many years of My Church's existence as you honor St. Boniface and all My holy martyrs and saints. You have heard how the blood of the martyrs is the seed for new conversions to the faith in Me. These martyrs would rather give up their lives, than deny their faith in Me. Their example of Christian living makes them models for you to follow. I want all of My followers to live

according to My Commandments so you can live saintly lives. Every soul who comes to heaven must have a pure soul to enter, and these are My saints who are not all canonized by My Church. They all have received their crowns of sainthood, just as My faithful will some day."
Jesus said: "My people, the people who were devastated by Hurricane Sandy, have obtained some Federal aid to rebuild the damage from this storm. It is not easy to organize the repairs needed over such a large area. Many people have lost their homes, and it is hard to replace them. After having at least two storms cause considerable damage, people in this area might be considering some kind of Federal storm insurance. I have mentioned the possibility of another storm coming into the Northeast, so people in this area should be prepared in case it happens. Your first tropical storm is coming into Florida, and some remnants may head up the coast. Call on My help to minimize any storm damage, but America could be facing more disasters because of its sins. Be prepared with food and water if you should lose power, and have your vehicles filled with enough gas in case you need to flee from any storms. By having the people ready, you could minimize any casualties."

June 17, 2013
Thursday, June 6, 2013: (St. Norbert)
Jesus said: "My people, in the first reading from the Book of Tobit, you are seeing separate prayers from Tobiah and Sarah to protect themselves from the demon, Asmodeus. This demon had killed seven husbands to Sarah on their wedding night, and this couple prayed for protection so Tobiah would not be killed. St. Raphael, the Archangel, was sent by Me to cast out this demon, and protect this couple. They each sought a noble purpose in marriage, and not any lust in their hearts. Because their prayers were sincere, I answered their requests. This account of marriage is also a message to all newlyweds on their wedding night, to pray for a successful marriage with children. When you pray to Me for protection in this covenant of marriage, I will also answer the prayers of those who desire a happy marriage for many years."
Prayer Group:
Jesus said: "My people, living at college in a dormitory carries some strong temptations for drinking alcoholic drinks together with other students. This is becoming more of a problem when students live on campus. Once students are

away from their parents, they need to be more responsible for their actions. Those students, who have a strong prayer life, are stronger in avoiding occasions of sin. College life can help people, but some young people start bad addictions when they are unsupervised. Pray for your college students that they grow up as responsible citizens."

Jesus said: "My people, you are seeing more volatility in your stock markets as interest rates start to rise in a better economy. Your weather also is quite variable in your cooler temperatures this spring, and in the violence of your tornadoes and tropical storms. When markets go into records of new highs, there is a possibility of a major correction. Your weather is also witnessing some unusual floods in some areas, and droughts and fires in other areas. This is as if man's erratic behavior is being mirrored in the weather disasters."

Jesus said: "My people, the more you investigate the IRS in their activities, the more abuses you are finding in discrimination among opposing party members. It is hard to show who was targeting the Tea Party groups and patriots in obtaining any tax-exempt status. Those, who were accused in Cincinnati, Ohio, are now pointing the blame in the Washington, D.C. direction. In the latest baseball abuses with enhancing chemicals, the Commissioner is coming down hard on twenty players. In these abuse cases, it is hard to obtain enough evidence to make a case. Your people hold your Congress people and baseball players to a higher standard, so that ethics are more important for these people in the spotlight."

Jesus said: "After your State Department mishandled the current Benghazi incident, and your Attorney General has been questioned on various questionable activities, your people are concerned with losing their freedoms. Searching cell phone numbers for terrorists and other security issues at the airports, are raising questions if your government is too controlling. It is hard to find a compromise in protecting individual rights vs. looking for terrorists."

Jesus said: "My people, it is hard to realize how people suffer when their kidneys are not working properly. Some people live with dialysis treatments, but this is difficult going for three hours or more almost every other day. Some people have been fortunate to have kidney transplants, but they do not always last. Gail has chosen her path to let Me take her after five years of suffering. Give support to her family, as she is with Me now in heaven. She will be praying for her family, as they helped her much in her last days."

Jesus said: "My people, I am grateful for your prayers in your prayer group for your many prayer petitions. Praying to stop abortion in your country is needed

more than ever because this killing of My babies greatly offends Me. Many of you know how serious a problem that your abortions are causing. Life is so precious, yet some of your people are discarding their children as human garbage. This irreverence for life is one of your most serious sins both individually and as a nation. Your abortions are continuing as if this is a normal behavior, but it is an abuse of My creations. America has the blood of these children on your hands, and your country will pay dearly for these killings."
Jesus said: "My people, I am always like the father of the Prodigal Son because I await your coming to Me for forgiveness in Confession. If you have contrition for your sins, you will be forgiven. Do not postpone coming to Confession because you do not want to remain long in your sins. I have told you before that by keeping a pure soul with frequent Confession, you will always be ready for your judgment when you die. You can give good example to others, by letting them see how you come to Confession monthly. Especially encourage your children and grand-children to come to Confession often. If you do not invite people, they may be reluctant to come to Confession at all."

June 17, 2013
Friday, June 7, 2013: (Most Sacred Heart of Jesus)
Jesus said: "My people, you are celebrating the feast days of My Sacred Heart and My Blessed Mother's Immaculate Heart back to back. Our Two Hearts are joined as one in the picture of your vision. When you see My Sacred Heart, it reminds you of how much I love all of you, and how I want all of you to love Me with a personal commitment. I am a real Person, and I have shown you My love by dying for all of you on My cross. You can show Me your love by allowing Me to be the Master of your life. Offer up all that you do each day to Me, and I will help you in carrying your daily cross. By making a personal commitment to loving Me, and obeying Me, you are set on the right path to heaven. Reach out to all the people around you, and invite them to share in My love. I am Love and I want you to be one with Me as My Blessed Mother is one with Me."
Jesus said: "My people, I am calling My faithful to a deeper prayer life to protect your inner peace with Me from all of your distractions in this life. You can see the weather events and threats to your life are increasing as you draw closer to the tribulation time. My Warning will help some people to wake up, but you need to develop a stronger inner prayer life to defend yourselves in these end

times. Without a good defense against the increasing evil, you could get swept away by the Antichrist's evil powers. I will lead My faithful to My refuges, but you need to be able to hear My call in your heart. If you are not listening to Me in your prayer life, you could allow the noise of worldly events to drown out My message. Be alert when your lives will be threatened, as it will be time to come to My refuges. When you see mandatory chips in the body, martial law, and a major schism in My Church, these things will be the signs to leave your homes for My refuges."

Saturday, June 8, 2013: (Immaculate Heart of Mary)
Blessed Mother said: "My dear children, I know you are celebrating my feast of my Immaculate Heart which is the second part of our Two Hearts feast. I was thankful for the priest to bring attention to my second love, my dear St. Joseph. My first love is always with my Son, Jesus, because I lived in His Divine Will. But St. Joseph was an important part of My earthly life in protecting me from accusations by the people for being pregnant without being married. He also provided for our Holy Family, especially in our travel to Egypt and in today's Gospel of finding Jesus in the Temple. You do not hear St. Joseph's words in the Scriptures, but he did communicate his feelings for us in everyday life. As your people travel more easily in planes and cars, you do not fully appreciate how difficult it was to travel to Bethlehem, to Egypt, to Jerusalem, and to see Elizabeth in Ein Karem. I thank all of My prayer warriors for being faithful to your daily rosaries. I love all of my children so much, as you share in the love of our Two Hearts. Keep praying to our Two Hearts, and you can be joined with us as one."
Jesus said: "My people, I have given you many messages about not taking a chip in the body so it will not control your free will. I will also warn you when it is time to leave for My refuges so you will not be at your homes when the evil ones will come to your house to try and capture you for not taking a chip in the body. Some people do not realize that the evil ones, who work for the Antichrist, are determined to eliminate all Christians who believe in God. Because you will not take a chip in the body, you will be considered an outlaw against the new world

order. This is why it will be better to leave your homes for My refuges, than to be martyred in your homes. I am not telling this to you in order to scare you, but this is the reality of the coming persecution. Be prepared to leave for a more rustic living at My refuges."

Sunday, June 9, 2013:
Jesus said: "My people, you are wondering why I am giving you such a serious message about the loss of your country and your freedoms, instead of a message on today's readings. The messages that I will be giving you from now on will be more intense and more serious because the things that I have prepared you for, are going to be happening in a short time. You are aware of the one world people in how they are planning more detention death camps to eliminate all the Christians and patriots who will not go along with the new world order. A time is coming when the evil ones running your government, will force mandatory chips in the body on your people, chips that I do not want My faithful to take under any circumstances. These chips in the body will control your mind and free will, but the authorities will kill those people who refuse to take them. You will also see a martial law installed due to a made-up money crash, a pandemic virus, and continued false flag terrorist killings caused by individuals who are chipped in the body. I will warn My faithful to leave for My refuges before your lives and souls will be endangered. Once the evil ones take over your country with a martial law, America will become a part of the North American Union. This is why this flag of the North American Union will replace the U.S. flag. All of your rights will be taken away, which is why you need to flee to My refuges. Once you leave your homes with your backpacks, tents, and sleeping blankets, My angels will guard you with an invisible shield. I am having some faithful souls prepare refuges to house and feed those who will be led to the safety of My refuges. Give thanks to Me and these refuge builders for making safe havens for My faithful to stay throughout the whole tribulation time."

Monday, June 10, 2013:
Jesus said: “My son, I have called you to spread My message of love in the Gospel, and to prepare the people for the coming tribulation in these end times. I call you to a life of prayer and service to My people. In the Gospel on the Beatitudes, these are the ways that I want My people to live. By being meek and faithful to imitating My life, then all of you will be able to separate yourselves from the evils of your society. The people around you will see your different lifestyle, and you can give others a good example. You may be rejected and even persecuted by some for My Name, but I still want you to love everyone and forgive them of any harm. By following My ways and not the ways of the world, you will be blessed in all that you do for Me.”
Jesus said: “My people, it is going to be difficult for most people to endure living at a refuge because you have been spoiled with so many time-saving devices. It is not easy to live a more rustic life without the comfort of hot showers, and little, or no electricity. I know it will be hard on My faithful to suffer through a long tribulation time. I have told you that I am speeding up the time for the sake of My elect, so I can shorten this time of tribulation. This acceleration of time will be a continuous shortening of time to limit this 3½ years so the tribulation will be more bearable. This tribulation time will also be a purgatory on earth. So by speeding up the time, I am shortening your purgatory time as well. You will rejoice in My Era of Peace as this will be your reward for being faithful to Me.”

Tuesday, June 11, 2013: (St. Barnabas)
Jesus said: “My people, when My faithful are evangelizing people to the faith, they are fulfilling the calling of their Baptism and their Confirmation. I sent My apostles out to send My Good News of My Kingdom to all the nations. You all are called as missionaries to share My love and My Word with the people in all the nations. All the people who you bring to Me in conversion or re-conversion will be your witnesses at your judgment. I have told you many times how there is rejoicing in heaven for every soul who is converted to the faith. You know how wonderful and glorious it is to have a personal relationship with Me in love.

You can depend on Me to help you in everything. This is why it is so important to share this loving relationship with Me by inviting souls to come to know Me. There are some in the world who reject Me, but My prayer warriors are such a joy to Me when they pray for conversions, and work to physically convert souls. You are striving to bring Me into the hearts of many people, and you are working to save souls from going to hell. All of My faithful should feel like missionaries as you walk in the footsteps of St. Paul and St. Barnabas."
Jesus said: "My people, I have shown you railroad cars, trucks, and airplanes as a means of bringing prisoners to the detention centers. There is only one reason that the evil ones will need for transporting prisoners to the detention death camps, and that is to kill them by poisonous gas or by guillotine. I want My faithful to heed My words of coming to My refuges when your lives are in danger. If you do not leave your homes soon enough, then you will be risking martyrdom at the hands of the one world people. You are seeing an electric train that will be used to carry people in shackles to the death camps. If you do not accept the chip in your body when they make it mandatory, then you will risk having them kill you in the detention centers. Be prepared to leave your homes quickly, and call on Me to have your guardian angels lead you to My refuges. Then you will not be captured, but you will be protected by an invisible shield."

Jesus said: "My people, when I was with My apostles, I breathed on them, and I told them: 'Receive the Holy Spirit.' In the vision you are seeing inside someone's lungs, and how the breath of the Holy Spirit was giving life to that person both in the body and in the soul. Every time that you receive My sacraments, you have My grace and the grace of the Holy Spirit to enlighten you with His gifts. Without this gift of life in the Holy Spirit, you would not exist. Be thankful for this precious gift of life, and go forth to use the gifts of the Holy Spirit in evangelizing souls for heaven. The power of the Holy Spirit is helping you in any gift of prophecy, and He inspires you to remember any message so you can write it down. When you are giving your talks, the Holy Spirit gives you which messages to share with the people. When you are praying healing prayers over the people, He is the One who sends healing power throughout the bodies

and souls of those who you are praying over. Give thanks to the Holy Spirit for all the gifts that He shares with you in your mission."
Jesus said: "My people, I have told you before that this place is a place of refuge. You have the spring water for healing and drinking, and the deer that you see, will come into your camp for food. My angels will bring you daily Communion, and they will protect you from the evil ones. There are even caves in these mountains. These mountains are the typical places that My Blessed Mother chose to share her apparitions with the children. The mountains are also a haven of protection for My faithful. Rejoice as you are at peace in this place."

Friday, June 14, 2013:
Jesus said: "My people, you are seeing the flames of hell, and more demons were coming out of hell to afflict mankind in this coming tribulation. You may be wondering why there seems to be an increase in the amount of evil going on in the world. The reason in part, is that more demons are being unleashed on the world. I am still compensating this evil by sending more of My angels to help the faithful souls who are calling on My help. You continue to see this evil among mankind mirrored in the violence of your current weather. The HAARP machine is being used by the one world people to enhance the violence of your storms. You are continuing also to see more fires from the droughts in the West. I told you that America would be facing more disasters as a punishment for your sins. Keep praying for your people who are so taken up with their sinful pleasures."
Jesus said: "My people, you are in a countdown until the time of the Warning will happen. I will bring My Warning before your lives will be endangered, and before the evil ones will force mandatory chips in the body on everyone. Some people have suggested frequent Confession, so you will have less of a chance in seeing hell as your mini-judgment in your life review. Hopefully, My faithful are leading lives right now that will not judge them to hell. The Warning is a wake-up call to understand what sins you may be committing that most offend Me. You will also see how you are influencing others either for good or bad. You will know from this experience how best to improve your lives when you return into your body. If you do not improve, then your mini-judgment could become your

final judgment. After the Warning, you will have six weeks to convert your lives, and you could get your family together so you could all come to the same refuge. Then you will need to get rid of your TVs, computers, and any devices connected to the internet so you will not see the Antichrist's eyes that could cause you to worship him. Events will move quickly after the Warning that will lead up to the Antichrist declaring himself. You will need to come to My refuges before chips in the body will become mandatory, and before martial law is declared. If you do not know where a refuge can be found, then call on Me, and I will have your guardian angel lead you to the nearest refuge with a small flame. You will be at My refuges for the whole tribulation, and you will not return to your homes. Trust in Me to protect you from the evil ones with My invisible shield."

Jesus said: "My people, you can remember several times in the Gospels where I used a boat to give a sermon so the crowd could not hem Me in. Then I had My apostles put out into the Sea of Galilee. On one occasion, a great storm threatened to swamp the boat as I was sleeping. The apostles awakened Me because they were in fear of drowning. Then I calmed the storm, and they were amazed at My power to change the weather. You have many incidents in life when you are overwhelmed with events, and you need My help, like My apostles needed Me. Call on Me in your prayer requests, and I will calm the strife in your life. With faith in My help, I will give you peace so you can move on to do your mission. It is in the calming of storms in your lives that you need Me all of the time. You depend on Me for everything, so thank Me for helping you through all of your daily trials."

Sunday, June 16, 2013: (Father's Day)
God the Father said: "I AM WHO AM is watching over all the fathers of today

who are struggling to support their families. I have given you all the gift of life, but just as Adam had to work by the sweat of his brow, all of you have to work for a living as well. It is unfortunate that there are still high rates of unemployment in many countries. Now, many of your women are working as well to make ends meet for their families. You are celebrating Father's Day for all the heads of households. Today, is also a celebration for your heavenly Father as I am taking care of all of you with My graces. Remember Me in your prayers of the 'Our Father' and your 'Glory Be to the Father'. You can show your appreciation of all of your fathers in all that they do for you. You can also say a prayer, or visit the graves of your deceased fathers. Fathers have a heavy responsibility in their working for a living, and helping to provide a home for their families. You all return to your parents to honor them on these days."
Jesus said: "My people, you are seeing some areas that have floods from too much rain, while other areas out West are not getting enough rain, as they are having droughts and fires. Too much rain has also caused a problem for your farmers in planting their fields and with flooded fields. Water is necessary for life and crops, but it is the amount that can cause problems. Be thankful if you are getting the right amount of rain without any violent storms that can cause overturned trees and power outages. Your spring has been cooler with more rain than usual. You had billions of dollars of losses from last year's disasters, and this year will have some losses as well. The violence of your storms seems to be increasing as you saw a 100 mph wind storm around Chicago, and your tornadoes were up to F-5 in Oklahoma. I mentioned before that these disasters would continue because of My punishment for your sins, especially your abortions."

Monday, June 17, 2013:
Jesus said: "My people, this vision of people climbing up some steps on their knees, represents these souls at various stages of their spiritual progress. You first have a time of conversion to the faith which may come from a young child or as an adult. At some time in your progress, you may come to realize that you are totally dependent on Me for everything. At that point you can work on letting Me become the Master of your lives so you can fulfill the mission that I have for

your life. This leads you into a loving desire to make a personal commitment to following My ways and My Commandments. At your Baptism, your God-parents spoke up for you, but later in life, you need to speak and act on your own. Once you are familiar with the requirements of the faith, then you can develop a loving relationship with Me as a personal friend. When you live as a loving person for Me and your neighbor, then you will be drawn to help other souls in evangelization and in fulfilling their needs. I have asked you to love everyone, even those people who persecute you and offend you. This is the perfection that I call all souls to strive for because I love all of you enough to die for you. If you can imitate My perfect love in some way, then you are not far from heaven. Be careful not to criticize your neighbor because each of you are at different stages on your path to perfection."
Jesus said: "My people, all of My faithful will have the blessing of My Real Presence at every refuge. If you do not have a priest for Mass at your refuge, I will have My angels bring you a consecrated Host every day. You can use a Host also to establish around the clock perpetual Adoration at every refuge. Every hour you can assign at least two people to pray at an Adoration hour. This gift of My Real Presence will give the people hope and spiritual support for living in these hard times. If your people find it difficult to have enough food, I will multiply what they have. You can even live on just My consecrated Host as some of the saints did. Have no fear at My refuges because My angels will be watching over you with an invisible shield."

Tuesday, June 18, 2013:
Jesus said: "My people, today's Gospel can be difficult for most people because I am asking you to love your enemies and your persecutors. Remember that you need to separate the sins from the sinner. All of you are made good in your bodies and souls, but it is your sinful actions that can make problems for others, and others' sins for you. Man's ways deal with revenge and punishment for crimes. My ways deal with love and forgiveness. I am merciful, but in some instances where there is no repentance, I am just also. I love everyone, which is why I ask My faithful to love everyone. This loving of enemies is part of seeking perfection as My heavenly Father is perfect. Most people love their friends, but

it takes more will power to love one's enemies. The more you can love everyone, the closer you will be to heaven."
Jesus said: "My people, in the health field your doctors are performing marvels with body parts and adult stem cells. You have seen knee surgeries that used adult stem cells to restore damaged knees. In other instances, you have also seen miracles of healing with various parts of the body. If people pray sincerely and have faith in My healing power, they can experience physical healings. Prayer and fasting can be powerful in healing any part of the body. Once My faithful come to My refuges during the tribulation, they will look upon My luminous cross in the sky and be healed of all of their ills. Many of My faithful will be joyful to have all of their body parts working properly without requiring any medication. If you should receive a healing, you need to give Me thanks for answering your prayers. Sometimes I allow people to experience some pain to humble them or to test their endurance. If you have some chronic pain, you can offer it up to Me for your sins or the sins of another. This offering is called redemptive suffering, which is what I offered up for all of mankind when I died on the cross. Pain can be an aggravation, but it can also be used for good in a spiritual sense."

Wednesday, June 19, 2013: (St. Romuald)
David said: "My dear family, I am letting you know that you can pray for my intercession for healings of souls and bodies. My mother has an injured leg which I could intercede for in your prayers. Your granddaughter also is in need of prayers for her spiritual direction. Your family and relatives still need some prayers to help them get to Mass and the sacraments. You are well aware that your time before the Warning is getting close, so your people have only a short time to prepare their souls for the tribulation that is coming. I am encouraging all of my sisters to stay close to Jesus on Sunday Mass and in regular Confession. Some of you have gifts to sense what events are about to take place, so follow your angel's inspiration to prepare yourselves for what is coming."
Jesus said: "My people, I am showing you a spinning globe of the earth to

represent how your events are speeding up, as well as time itself. The devil knows that his time is running out, so he will be having his one world people move things along that will allow the Antichrist to come into power. In America it will be the mandatory chips in the body that will be forced on you by your new Health Care law. When people refuse to take these chips that could control their minds, the evil ones will try to eliminate such outlaws. This speeding up of events will bring on My Warning sooner so My faithful will be protected from the evil ones when My faithful come to My refuges. The Warning will be a wake-up call spiritually, so all sinners will have time to repent of their sins, and be prepared to come to My refuges. Heed My warning to get your spiritual life in order by frequent Confession. I will alert My faithful when their lives will be in danger, so they can come to My refuges."

Jesus said: "My people, you are in the midst of a spiritual battle between good and evil. On the one side, you have My faithful remnant standing up for what they believe. On the other side, the one world people are being led by Satan in how to take over the world. The people in the middle will need to choose between working with Me or working with the demons. Many people do not realize that taking a chip in the body will allow the evil ones to control them like robots, so everyone needs to avoid taking this chip at all costs. The evil authorities will not tell you that those who refuse this chip, will be killed. You will be told in the Warning not to take this chip, and not to worship the Antichrist. To avoid being killed, My people will need to call on Me to have their guardian angel lead them with a small visible flame to the nearest refuge. Those, who remain in their homes, could risk being martyred. My refuges will be at places of My Blessed Mother's apparitions or shrines, places of Adoration, consecrated land, monasteries, or caves. Do not fear the evil ones because My angels will put an invisible shield around you on your way to My refuges. Some may desire to stay at their homes, but they could be lost if they do not repent of their sins. Encourage your families to come to My refuges, but only people who believe in Me will be accepted into My refuges. You need to work on evangelizing your family members, especially after the Warning, or they may chose not to come to My places of safety. Everyone needs to make a free will decision to come to My refuges. I will not force people to leave their homes. Join Me on the side of good in this battle, or you could find yourself in hell at the end if you do not accept Me. I love everyone, but I cannot force you to love Me. Call on My mercy, and you could be saved."

June 26, 2013
Thursday, June 20, 2013:
Jesus said: “My people, I have mentioned before how vulnerable your communications and electricity are to any sudden EMP (electromagnetic pulse) attack, either from flares from the sun or any high in the sky nuclear explosion. The chips that run your computers, appliances, cars, and electrical grids are vulnerable to such EMP effects. Other than changing the chips, there is very little that you could do. If these chips are destroyed, this could paralyze your economy. Any threat to the production of your electricity, could also cause problems in your needs. Your President is planning to try and shut down all of your coal-fired power plants without Congressional approval. This source of electricity represents almost half of what is being provided currently. Your people need to be aware of these coming plans because alternative power production could not replace all of your coal-fired power plants. Remember when the one world people want to take over your country, they will find an excuse to shut down your electricity, which would make many unprepared people helpless in providing food, heat, or cooling. I have warned My faithful to have some food on hand with extra fuel and water in case you may see a famine or power outage. If your lives are in danger, I will call My faithful to come to My refuges at that time.”
Prayer Group:
Jesus said: “My people, I have given a message before that your President’s goal is to reduce your nuclear weapons to zero without consulting Congress. He is presently saying how he wants to reduce your nuclear weapons from 1,500 down to 1,000. These treaties with Russia are suspect because Russia has not followed any such treaties. This is essentially a unilateral disarmament that will eventually make your country vulnerable for an attack and a takeover. In a world that has many nuclear arms, it does not make sense to do this unless the one world people are controlling this action. Your representatives need to speak up on this ultimate disarmament.”
Jesus said: “My people, your President is again ignoring Congress in trying to shut down all of your coal-fired power plants. Using natural gas would produce a cleaner fuel, but it would be a large expense to change over such plants from coal. Wind, solar, and other green sources could not replace almost half of your electricity that comes from coal. Many people are going to complain if they lose

their electricity, or are forced to pay a high price for their power. Using government control through regulations could create a huge outcry from the people."

Jesus said: "My people, your Federal Reserve has been printing $85 billion a month in Treasury Notes out of thin air to bail out your banks' bad loans. This huge addition of dollars and this purchase of Treasury Notes has kept an artificially low interest rate. This has hurt savers and has inflated the stock market. As soon as this money comes to a stop, bonds will lose value with higher interest rates, and capital for loans could slow your economy making them harder to obtain. These gyrations by your Federal Reserve are diluting the value of your currency, and they could eventually create a dollar crash. By buying up all of these bad mortgages, the Federal Reserve could control most of your housing industry."

Jesus said: "My people, with your new found energy sources, your country should become richer by not buying expensive foreign oil. The control of this new wealth is going to the rich instead of being shared with the people. Oil and natural gas prices should be going down, but they are still being held artificially high to give more money to the rich. This manipulation of your energy sources is a crime against your people. Pray that your people could share in these profits that are coming from your natural resources."

Jesus said: "My people, many of your politicians are still supporting gay marriages as you have it in thirteen states. I still do not consider these true marriages because they are not with a man and a
woman as I started your race with Adam and Eve. Same sex marriages are an abomination as are homosexual acts because they violate My Commandments, and they are unnatural. My faithful need to speak out against such marriages, as well as speaking out against fornication in living together. Both of these lifestyles are living in sin, and they need to be stopped so these people can have a good Confession of their sins. Your laws are condoning these sins, as well as your continuing killing of My babies in abortion. Expect more punishing disasters as a punishment for your sins."

Jesus said: "My people, many faithful souls are saying 'yes' to My request to build refuges for the faithful people who will need protection from the evil ones during the tribulation. Be thankful for all of their work to provide safe havens with bedding, food, and water. The evil ones who are following Satan, are also building more detention centers so they can kill Christians and patriots who will not go along with the new world order. When I give My people a warning that

their lives are in danger, they should come to My refuges with their guardian angels so they are not martyred for refusing the coming mandatory chips in the body."
Jesus said: "My people, you need to fight to keep your churches and schools open because you are seeing an attack on your home parishes. Some are claiming that there are not enough priests, but I send you more than enough vocations. It is how your dioceses are turning away good priestly candidates that is the reason for your shortages. Without sufficient spiritual leadership, it is hard to keep your parishes vibrant and growing. Keep praying for people to remain in their faith so they do not fall victim to spiritual laziness. The closer My people are to Me in My sacraments of Holy Communion and Confession, the stronger they will be in their faith with less desire to leave Me."

June 26, 2013
Friday, June 21, 2013: (St. Aloysius Gonzaga)
Jesus said: "My people, in areas that do not have lakes and rivers, the people are dependent on wells and aquifers. These underground sources of water provide what is needed for drinking and irrigating the farm crops. In the summer months there is less rainfall, and droughts during this time have endangered the farmers' crops. Last year's drought reduced your crops, and this year will not be much better. Pray that your farmers will have the right amount of rain for a good harvest. Your food stores are lower than usual, and another poor harvest could threaten the beginning of a famine in parts of the world. These poor harvests are why I have been warning My faithful to store some extra food. Any increase in food prices could be an indication of coming shortages."
Jesus said: "My people, you take your lights for granted, but there has been a big change in switching from tungsten filaments for lights over to mercury lighting. The new lights are being forced on you, but they do use considerably less electricity for the same light. It is the disposal of mercury lighting that presents a disposal problem. There is another consideration for providing light when you have power outages, and when you may be at refuges without electricity. At your homes you have candles, kerosene or lamp oil lanterns, or wind-up LED lights. Some people have battery powered lights, but these lights will not last long. I have recommended the wind-up flashlights that do not require batteries,

especially on the way to and at My refuges. It is very difficult to work in the dark of night without some source of light. Let this be a lesson to handle the darkness in power outages and at My refuges."

Saturday, June 22, 2013:
Jesus said: "My people, I know your every need before you even ask Me, so I am watching over all of you so that you find a way to satisfy your hunger, your thirst, and your need for a shelter. Since I am looking out for your protection, do not worry about what you are to eat, what you are to wear, or where you will be sleeping. You need to trust in Me for everything, because you are dependent on Me for all of My gifts to you. So do not worry about the past, or tomorrow, for today has enough troubles of its own. You can only live in the present moment, and worrying about things will not help your life in anyway. I have taken care of you in all of your trials in the past, and I will help you in the same way in the years to come. So keep your peace in your soul, because worries, and anxieties about worldly things are all from the devil to upset you."
Jesus said: "My people, it is hard to think of a coming famine when you see the shelves full at your grocery stores. Remember that these stores only have three days supply of food in their warehouses. If there was a shortage in food or fuel, the trucks that you depend on, could slow your supply lines very quickly. Even some of your government leaders are telling their friends to have at least a six month supply of food on hand. The VIPS are storing tons of food in their underground bunkers because they know there could be a revolution over the coming loss of your freedoms. My faithful should also have at least six months to a year's supply of food on hand before you need to come to My refuges. You have seen riots come to Greece and Brazil because their leaders were putting too much of a strain on their finances, including welfare money. Imagine the riots in your streets if you had a major recession without any welfare money. Such manipulated riots could trigger the martial law that the one world people want for their takeover of America. Be prepared to come to My refuges when I warn you that it is time to come."

June 26, 2013
Sunday, June 23, 2013:
Jesus said: “My people, I asked My apostles: ‘Who do people say that I am?’ After some remarks about Me being St. John the Baptist, Elijah, or one of the prophets, St. Peter spoke up: ‘Thou art the Christ, the Son of the living God.’ I commended St. Peter for his understanding, but it was the Holy Spirit that inspired him. This question of who I am should be answered by everyone. If you truly know who I am, then you would love Me, and honor My Real Presence in My consecrated Host. Hopefully, people should come to know Me before they die and meet Me at their judgment. It is one thing to know who I am, but it is another to act on this knowledge. Until you move this knowledge from your brain down into your heart, then you do not fully appreciate who I am as a Person. If you truly love Me, then you will love your neighbor, and invite them to know and love Me. Love is something that you share, and it is not meant just to keep it to yourself. This is why I love everyone, and I want My faithful to love everyone also, even your enemies.”
(Latin Mass) Jesus said: “My people, My apostles were just starting to go out to the neighboring villages to share the Good News that the Kingdom of God was at hand in Me. I knew they needed courage and the grace of the Holy Spirit to do their mission for Me. It was when they were gathered together after My Resurrection, that I breathed on them and I told them: ‘Receive the Holy Spirit, whose sins you shall forgive, they are forgiven them; and whose sins you shall retain, they are retained.’ (John 20:22) Once My apostles received the gifts of the Holy Spirit, they were able to speak out without fear as witnesses to My death and Resurrection as the salvation for all of mankind. My faithful of today have also received the gifts of the Holy Spirit at their Baptism and their Confirmation. You also are being called to the same mission of going out to all the nations to preach My Good News. Call on Me to send you My angels to help you in evangelizing souls from the devil. Have no fear as I am with you always.”

Monday, June 24, 2013: (The Nativity of St. John the Baptist)
Jesus said: “My people, I sent many prophets ahead of Me that promised a

Redeemer would come, and lastly I sent St. John the Baptist as a herald in the desert of My coming. St. John's birth was to a barren woman, St. Elizabeth. The angel Gabriel announced the coming birth to St. Zechariah, but he questioned the angel because of the couple's old age. As a result of this doubt, the angel made St. Zechariah deaf and he could not speak. Once St. John was born, and he was named, his father could speak again, and he announced My praises. St. John preached a message of repentance of sin to all the people, and he baptized people in the Jordan River. He spoke as a herald of My coming, and as a babe in the womb, he even stirred as My Blessed Mother came with Me. Today, you have many prophets speaking of My coming in these end times. You will see My illumination of conscience in the Warning when all souls will have a chance to be saved in their life review. I have given you many messages to prepare your souls by frequent Confession. You will see a great battle of evil vs. good in the coming of the Antichrist in the tribulation. My faithful will be led to safe havens of protection where My angels will protect them at My refuges. Rejoice that you are living in these days before My victory over all of the evil ones."
Jesus said: "My people, awhile ago I gave you a message about the coming Ison comet as a sign of the Warning. Today, I am telling you that this comet is not only a sign, but it is an omen of bad things coming such as the evil of the Antichrist in the tribulation. You are seeing signs of war, signs of financial instability, and signs of riots in various countries. My faithful need to have all of their preparations ready for when you will have to leave for My refuges. My refuge builders also need to put the finishing touches on their preparations for food, water, and bedding that will be shared with My pilgrims. My faithful should think of themselves as pilgrims because they are coming to a place of holy ground where there will be perpetual Adoration at every refuge. They will have My angels protecting them, and they will be healed of all of their health problems when they look upon My luminous cross in the sky."

Tuesday, June 25, 2013:
Jesus said: "My people, in the first reading you saw how Abraham was promised the land for the Jewish people, and that his descendants would be as numerous as the stars in the sky. Lot would later have to leave Sodom because of its evil. In

the Gospel I told the people that they would need to have life in heaven by entering through the narrow gate which meant being obedient to My Commandments. The gate to hell is broad, meaning more people will choose the easy way of the flesh. Those, who will choose to go through the narrow gate, are few, which is why I call My faithful the remnant, and not the majority. To follow Me, you will have to give your will over to Me, but many people like to be in control of their lives. Following My ways will go against the ways of man and the flesh. You are being tested in this life to work on perfecting your soul for heaven, and to convert as many souls as possible to save them from hell. You can only come to heaven through Me out of love, or out of the fear of hell."
Jesus said: "My people, you are seeing this vision of a heart inside a block of ice to indicate the people who have ice cold hearts to Me, instead of loving warm hearts for Me. Some people are indifferent to Me who do not have any religion. Some souls are lukewarm who know about Me, but they refuse to pray or come to Sunday Mass. Then, there are some souls who hate Me as atheists or Satan worshipers. With so much rejection, I am loving the souls even more who give Me reverence at church, and in their daily prayers. Those souls, who come to know and love Me in all that they do, have a real love relationship with Me that I cherish. My faithful souls give Me consolation to make up for all the souls who reject Me or ignore Me. It is these cold hearted souls that are going to have a wake-up call when they face My Warning experience. Do not be surprised that there will still be a majority of souls who will refuse Me, even after seeing a hell experience in their Warning. The devil and the demons are using addictions to drugs, alcohol, lust, or overeating to lure souls away from loving Me. These addicts do not want to be healed, and they are drowning in their desire for earthly pleasures. Some souls could be saved with prayer and fasting, especially after the Warning. People have to use their free will choice to desire conversion to the faith. I do not force My love on people, but only a few will be saved as recorded in the Bible."

July 2013

Wednesday, June 26, 2013

July 11, 2013
Wednesday, June 26, 2013: (Dick Leitten's Funeral Mass)
Dick said: "I am happy that all of you could attend my funeral Mass, and I am thankful that you came. I love all of you, and I especially love my dear wife, Nancy. I am with Jesus now, and there is no more pain. I will be watching over my wife and family, and I will be praying for you. I thank Fr. Healy for his choice of readings because Jesus in the Blessed Sacrament is the center of my life. When you come to share the Eucharist of the Lord, you are all one with Him as one body. When you come to heaven, you will become one with Him in the spirit."
Jesus said: "My people, you know My position on same sex marriage. I love the people, but not their sinful actions. Homosexual sins continue to be an abomination in My eyes. People living in gay marriage, do not even think they are sinning. People living together in fornication, also do not think they are sinning. The people of today have lost their sense of sin, and they have rationalized their actions as not being sinful. Even though such people think this way, their sexual sins are still sins in My eyes, and they will be accountable for their actions at their judgment. You also have national sin where your laws and court decisions are condoning or legalizing the killing of babies, and legalizing same sex marriage. Every law that goes against My Commandments, brings America closer to its demise both spiritually and physically. How can I bless such a nation that legalizes abortion and same sex marriage? The evil is so great in America, that I may need to put a black dome over your country so I do not have to look at your daily sins. This is why I am allowing the one world people to take over your country as a punishment for your sins. Call on My angels to help protect you from any attacks of the demons. Your safe havens at My refuges will be your only source of protection during the coming tribulation of the Antichrist."

July 11, 2013
Thursday, June 27, 2013: (St. Cyril of Alexandria)
Jesus said: "My people, today's Gospel (Matt. 8:24-27) is appropriate for what is going on in America right now with your recent Supreme Court decisions. I told the people of My time that those, who hear My words of love and act on them, will be like a man who built his house on a rock foundation. So when the wind

and storms buffeted his house, it remained firm together. On the other hand, those who do not accept My words and do not act on them, will be like a man who built his house on sand. Then when the wind and rain came against this house, it was swept away in a flood and ruined. This physical foundation of a house is compared to your spiritual foundation for your life in following My Commandments. If you believe in My words and act on them, then your soul's life will be built on a solid foundation of faith. Then when you are tested with life's trials, you can call on Me to help you with My grace to overcome all the evils that will tempt you. With Me, you are strong, but without Me, you are lost. Those souls, who do not have a foundation in accepting Me, will have to endure life's trials without My grace and help. These souls will be sifted by the demons, and they will be swept away into all the addictions and allurements of earthly things. Keep close to Me in My sacraments, and follow My Commandments in your actions, and you will be on the right path to heaven."

Prayer Group:

Jesus said: "My people, many young children in baseball or football have certain players as their idols to follow. The professional players are held accountable for their actions whether they violate criminal laws or enhancing drug rules. Those, who violate such laws and rules, are giving bad example to young aspiring players. Those, who are bringing these violators to justice, are carrying out the law, and they should be commended."

Jesus said: "My people, you have seen the statistics, and your coal plants provide 40% of your total energy supply which is even higher than natural gas or nuclear power. Many countries as China, Russia, and India are using coal to supply their power needs. It is hard to demand coal plants in America to shut down while other countries are burning coal. Cutting back immediately would cause a lot of lost jobs. Your energy plans for your whole country should be voted on in your Congress rather than have it come from a bureaucratic EPA agency. Pray that some compromise can be reached."

Jesus said: "My people, you are seeing North Korea and Iran developing nuclear weapons and the missiles to deliver such weapons. With more threats coming against America, it is foolish to reduce the weapons that you may need to defend yourself. Some reductions in troops are because of the sequester cuts, but your troop levels should not be decreasing with many threats in some rogue countries. There should be some Congressional oversight on these major changes in nuclear bomb levels and your troop levels. It is your strength that will reduce any chance of war, and not your weak military. I am not advocating wars, but

every nation is entitled to its self-defense."
Jesus said: "My people of America, your Federal Reserve has been inflating your money supply by buying $85 billion/month of Treasury long term bonds. They have been holding interest rates near zero which has affected the incomes of savers and older people who rely on this interest for income. Once there was a plan to start reducing these purchases, the bond prices dropped with higher interest rates. This changing of the money supply could cause markets to fluctuate until this unneeded stimulus is removed. Pray that these financial leaders do not precipitate another crash which could cause a martial law."
Jesus said: "My people, the Supreme Court has confused the result of their current decisions. It is the benefits and insurances that are more of an incentive to have same sex marriage for a few people. The moral decision is not even being considered. It is more about politics and benefits that are the goals. The more your states deny My Commandments, the more of My justice that you are calling down on your country."
Jesus said: "My people, some people who do not want this Health Plan forced on them, are considering paying the penalty instead of a high premium. Financing all of this new insurance is a very difficult task if there are not enough people who support it with high premiums. It is hard to ask the taxpayer to sign a blank check to support any losses. Pray that some compromises can be reached to help give people health coverage at a reasonable cost."
Jesus said: "My people, each of your pictures are representing various needs. Your original picture of the Eternal Father over Jesus on Mt. Tabor was made to honor your prayer group's name about My heavenly Father. The second picture of the Divine Mercy gives you extra graces for praying in front of this image as mentioned by St. Faustina. The third picture was a request by My Blessed Mother to honor her picture of sorrow because of the many abortions being committed all over the world. This picture was given to Christina Gallagher to be placed in the homes for our Blessed Mother's protection. Even if it is difficult to display them every week, your prayer group will gain many graces from displaying them during your prayer hour."

Friday, June 28, 2013: (St. Irenaeus)
Jesus said: "My people, when you come to the end of your spool, whether it is a

cable or for sewing, you need to get a new spool. This is to indicate that you are truly in the end times, and your time is running out before the coming tribulation of the Antichrist. I have been giving you many messages on how to deal with this evil time, and coming to My refuges will be your only safe places. You have not seen any evil this bad up to this time, but all the demons from hell will be unleashed on the earth. You will need My angel protection at My refuges, so the evil ones cannot harm you. Those, who do not leave their homes for My refuges when I warn you, are risking martyrdom. This hour of evil controlling the world for a brief time, will start when the Antichrist declares himself ruler as a demon incarnate. Do not look at his eyes because he could hypnotize you into worshiping him. This is why I told you after the Warning to get rid of your TVs, computers, and any internet devices so you do not see his eyes. Be grateful to Me, My angels, and the refuge builders for providing a safe haven for My faithful."

Jesus said: "My people, in every action that you make, you are faced with this choice of doing what I want you to do, or what you want to do. To follow My ways, it takes some restraint of your bodily desires. Following your own way usually is the easy way out, without any restriction, and this way of the body can lead you into sin. When you truly love Me, as you love your spouse, you will try to please Me, and not offend Me in sinful behavior. If you allow Me to be the Master of your life, then you will work harder to follow My ways than man's ways. You show your love for Me when you come to daily Mass, pray your daily prayers, and visit Me in daily Adoration. You can show your love for your neighbor and your family members by reaching out to help them in their needs. You can pray for them for healing any physical or spiritual needs. When you follow My ways, you will be in harmony with the rest of My creation. This is My desire for all peoples to live in harmony with My ways."

Saturday, June 29, 2013: (St. Peter and St. Paul, apostles)

Jesus said: "My people, today you are celebrating the feast day of the two great pillars of My Church. On the one side, you have St. Peter who was given the Keys to My Kingdom to be the rock on whom I would build My Church. St. Peter was the first Pope that started in Jerusalem. I promised him that the gates of hell would not prevail over My Church. My Church has survived over two

thousand years through the succession of Popes. He was the leader of My apostles, despite his denial of Me three times. I asked him three times to feed My sheep at the Sea of Galilee. Once My apostles received the Holy Spirit, they spoke out boldly to proclaim My Good News, even though most were martyred, except for St. John. St. Paul was also a convert by a miracle conversion with My intervention. He heard My voice and was blinded by My Light. He was a Pharisee, and he was healed of his sight. He then was inspired by the Holy Spirit to evangelize souls for Me. He traveled all over to help bring even the Gentiles into the faith. St. Paul has given you many Epistles that you read often at your Masses. He fought the good fight and finished the race. His chains are in the Basilica dedicated to him. St. Paul also was martyred for his faith. Rejoice, as you cherish My two great apostles who have built up My Church with their efforts and the efforts of the rest of My followers."
Jesus said: "My people, there are several different meanings of this vision of the Exodus in the desert. This will parallel a modern day Exodus when My faithful will come to My refuges, and they will be healed of their infirmities by looking on My luminous cross in the sky. The bronze snake on a pole healed the Israelites who were bitten by seraph serpents, when they looked on it. Another meaning could be how I was raised up on a wooden cross, and My faithful were healed of their sins with My sacrifice on the cross. Now, you can look on My crucifix, and see how much I love you by My dying for your sins. Rejoice, that a Redeemer was promised, and I fulfilled all of the prophecies about Me. I came not only as a healer of people's infirmities, but I came to heal their sinful souls as well through Confession. Be thankful for all of My gifts to you, especially My Real Presence in My Blessed Sacrament."

Jesus said: "My people, in the first reading you read how Elisha was called to be Elijah's follower. Elisha had to leave his family after he prepared them a meal from the oxen that he killed. He was not coming back. Similarly, I also called people to follow Me, as My apostles, and they left their families immediately. I was making a point in the Gospel that following Me, and carrying out your mission for Me, is of primary importance to answering 'yes' to Me. All of My priest sons and nuns are answering My call to minister to My people. I am also

calling deacons and some prophets to carry out My mission. When you give your 'yes' to Me, you are committing yourself to My service in helping My people. Teaching My Good News and evangelizing souls is the most important job that you could be called to carry out. Seeing people accepting the faith, is very rewarding to be able to help save souls from hell. You also need to pray for all sinners, especially your own family members. You can see after years of serving Me, how important it is to help save souls from hell."

Jesus said: "My people, in this vision I am showing you a fortress that represents a soul's defense against the devil's spiritual attacks of temptations. If you do not have a good prayer life with frequent Confession, then you allow the devil to break through your defenses that could lead you into sin. This is why your spiritual walls need to be strong with My graces. By calling on Me in prayer to send you My angels, you will be protected from the devil's attacks. You need to anticipate your enemy's plans when he moves against any vulnerable faults. Avoid any near occasions of sin that could give the devil an entry into your soul. The more you pray and fast, the stronger you will be against the devil's attacks. Life is a battle for your soul, so call on Me to help you in your defense against the demons and their temptations. By frequent Confession, you can have your sins forgiven, and rebuild any defenses that you need."
Jesus said: "My people, the one world people and Satan know that their time is running out, and they need to create a crisis that would give them an excuse for a martial law takeover. These evil ones are planning another crash of the stock market to steal the people's money, after they have lured them back into stocks to make better money than today's bank certificates. Just hinting that the Federal Reserve was going to pull back its Treasury Note purchases, have caused interest rates to rise, and some people were hurt in their bond funds as the prices went down. If the money supply is cut back along with higher interest rates, the Federal Reserve could cause a market crash. Your people remember what happened in the crash of 2008 which triggered a large loss of jobs, and a very deep recession. If this happens again, you could see a downturn equaling that of the Depression Era. If a major war is added in, it could even cause a world depression. I have been warning you of another planned crash of the markets that

could cause riots and a martial law which could take over America. Have some food, fuel, and alternative fuels ready for heating and possible power outages. When your lives are in danger, I will urge you that it is time to leave for My refuges. Have no fear because My angels will protect you."

Jesus said: "My people, I have told you how I am merciful, but as with the flood in Noah's time, and the destruction of Sodom and Gomorrah, I am just as well. Even criminals who kill or rob, expect justice when they are caught. In the same way, even the bad angels have to suffer the flames of hell, and they are now ugly creatures because of their disobedience. Again, it is My desire that My faithful will work to save as many souls as possible from going to hell. There are many souls that have been judged to hell because they refused to love Me, and they committed many sins without repenting of them. Every soul has a judgment day, when they are held liable for all of their life's sins. This is why My Warning experience and the confessional are the sinners' best friends where they can see their sins, and repent of them to Me in the priest. I am always ready to forgive sinners their sins, and to restore My graces to their souls. It takes an act of contrition and a desire of the sinners to want forgiveness, so they can be saved from the fires of My justice."
Jesus said: "My people, you have seen, or you have read how I was persecuted for claiming to be God's Son, and the Messiah, even though this is true. Just as they persecuted Me, so the evil ones will persecute you just the same. Living the life of a Christian is counter to all that your modern society teaches. I teach you to love your enemies, but the worldly people want to kill their enemies. I ask you to tithe your income to help the poor, but some are barely willing to give a token amount to help their neighbor. My faithful are against fornication, abortion, and same sex marriage, while the world calls you intolerant to people's lifestyles. You avoid pornography and 'R' rated movies, while the worldly see nothing wrong with this filth. You come to church to Mass, and believe in My Real Presence, but the worldly ignore Me and My sacraments. Because you live so differently, and do not want to take a chip in the body, you will be persecuted, even to the point of being a martyr. My faithful will need to come to My refuges of protection to avoid being killed by the one world people. Your soul also will

be in danger if you do not hide from the Antichrist. Have no fear of the evil ones because My angels will put a shield of invisibility around you to protect your body and your soul."

Wednesday, July 3, 2013: (St. Thomas, 48th Wedding Anniversary)
Jesus said: "My people, it is early in the hurricane season, but I am showing you a large hurricane descending in the direction of America. This storm is conditional, meaning that it could be changed by prayer or an improvement in our good deeds. But if more bad laws and your sexual sins continue, this storm could cause some devastating damage to your coastline. This is why I did not show you where it would strike because it is conditional. In general you will be seeing more disasters because of your ongoing laws and sins. Enough disasters could affect your national economy, so pray that your people change their sinful ways."
Jesus said: "My people, I keep showing you these various detention center death camps because there are hundreds of them all around your country. You are familiar with Hitler's gas chambers of World War II, but these death camps are modeled after those of Hitler. These camps were not built to just exist, they were built with the full intention of killing all Americans who do not go along with the new world order. You will soon see mandatory chips in the body coming as a part of your new Health Care Law. Those people, who do not take this chip in the body, will be considered outlaws or those who will not conform to the new world order. These outlaws are the people who the authorities want to exterminate in the death camps. When your lives are in danger from these murderers, I will warn My faithful that it is time to leave for My refuges, and My angels will protect you. If you do not leave your homes in time, you could see the men in black going house to house to enforce the mandatory chip in the body. If you are captured, and you refuse this chip, they will kill you in the death camps. Refuse to take any chip or mark of the beast, even if they threaten to kill you. These chips could control your mind, and turn you into a robot for the evil ones' purposes. Be prepared to leave for My refuges at any time, so you can prevent being captured, and avoid the detention center death camps."

Thursday, July 4, 2013: (Independence Day)
Jesus said: “My people, I am showing you in this vision the many mansions in heaven that I am preparing for My faithful souls. In the first reading you are seeing how Abraham was so faithful to Me that he was even willing to sacrifice his only son, Isaac, when I tested him. This happened at Mt. Moriah which is called the Dome of the Rock in Jerusalem today. This sacrifice gives more meaning to My own sacrifice on the cross to show My love for all of mankind. God the Father was willing to sacrifice His only Begotten Son as a man when I died on the cross for all of your sins. I died on another Mt. Calvary giving Me victory over death, sin, and the devil’s power. You all have been brought salvation from your sins by My death and Resurrection. I have given you My sacrament of Penance where your sins are forgiven by Me in the priest’s absolution. I also have given you My very Body and Blood in the consecrated Host and Wine in Holy Communion. These gifts are to be shared with all of humanity until I return. All of the people who believe in Me, and honor Me at Mass, in their prayers, and in their works to help their neighbor, will have their reward in heaven at their own mansion that I have prepared.”
Jesus said: “My people, when an evacuation is called for a hurricane near the coastline, the major highways cannot always handle the traffic, especially in the big cities. This is why the earlier the warning, the easier it is to evacuate people in harm’s way. If you live in a populated area, you need to leave as soon as possible. There is another reason for evacuation from the cities to rural refuges, and that is under martial law or mandatory chips in the body. Once you leave your homes, your angels will put an invisible shield over you and your vehicle. For the sake of skipping by roadblocks, your angle may direct you over local roads where there is less traffic, and less surveillance. Trust in My help to have your guardian angles lead you to the nearest refuge when it is time to flee. You will be safe at My refuges throughout the whole time of the tribulation.”

Friday, July 5, 2013: (St. Elizabeth of Portugal)
Jesus said: “My people, after I called Matthew, the tax collector, to be My

disciple, I went to his house for supper. The Pharisees were there criticizing Me for eating with sinners and tax collectors who helped the Romans. I answered them: 'It is not the healthy who need a physician, but they who are sick. But go, and learn what this means: 'I desire mercy, and not sacrifice.' For I have come to call sinners, not the just.' (Matt. 9:12,13) I did not criticize the Pharisees, but all of you are sinners, and you all need forgiveness of your sins in Confession. It is not easy to accept that you have sinned against Me, but once you realize your sins, you need to seek My absolution from the priest in the sacrament of Reconciliation. Once you are forgiven, then you can come to the altar at Mass and receive Me worthily in Holy Communion. There are some people with mortal sins on their souls, and they commit sins of sacrilege who receive Communion unworthily. They need to have this sin and others confessed in order to have a pure soul. This is why I ask My faithful to come to Confession at least once a month to clean out their souls from any sin."
Jesus said: "My people, in a previous message I talked about praying for the right amount of rain which is not too dry and not too wet. Even though rain can be helpful, too much rain can cause floods and ruin crops. You are seeing floods from excessive rain in the East, and excessive heat in the West that is causing fires and droughts. Basically, the extremes in both directions are bringing disasters in several parts of your country. The unusual disasters are a punishment for your sins and sinful lifestyles. Enough of these disasters could affect your food supplies. If the warehouses that store your food get flooded, or they are affected by your weather, this could affect the quality of your food. The harvest in the fields could also be affected by too much or too little rain. A farmer's crops are at the mercy of the weather, so pray for your farmers to have a successful harvest, so people will have enough food to eat."

Jesus said: "My people, in the first reading you have read how Jacob was given Esau's birthright blessing from Isaac through his mother's help. From Jacob you have the twelve sons who are the patriarchs for the twelve tribes of Israel. I used this number twelve in choosing My twelve apostles that were linked to the

promises made to Abraham. Even once Judas betrayed Me and committed suicide, he was replaced to keep the twelve apostles. All throughout history, My apostles were remembered for where they went to evangelize souls. Just as I have protected the chosen people of Israel, so I did not allow the gates of hell to prevail over My Church either. There will come a division or a schism in My Church, but My faithful remnant will be protected even throughout the tribulation of the Antichrist. Have faith and hope in My protection through My angels at My refuges."
Jesus said: "My people, the earth is moving through space as it revolves around the sun and this changes the seasons. The earth is also spinning on its axis to give you day and night from the sun. You may see some events before the end of the year, but the major sign will be this Ison comet that could frighten some people. Whenever your lives could be threatened, I will send My Warning first in order to give all sinners a chance to change their lives. My Warning is a blessing for all souls to see where their lives are headed, and if they choose, they could change to the right path to heaven. Those, who want to remain in their sins with no change, are risking the fires of hell, as they will be shown the consequences of their current lives. You will have six weeks to convert and change your ways to follow Me. Let this comet prepare you for My Warning."

Jesus said: "My people, today's Gospel speaks about the seventy-two disciples that I sent out to spread the Good News that the Kingdom of God is at hand. They were marveling that the evil spirits were under their command, and people were being healed in My Name. The Holy Spirit enabled their work, but I told them to rejoice more that their names are written in heaven in the Book of Life. Even today, I am sending out My faithful as missionaries to teach My Good News, and to lay hands on the sick. Just as people were healed by My apostles and these disciples, some of My followers have been granted healing powers to heal people today. With the grace of your deliverance prayers, even some demons can be exorcized as well. Keep close to Me in your daily prayers, your Masses, and My sacraments, and your name can be written in the Book of Life as well."

Jesus said: “My people, please pray for those who were injured or killed in this latest airplane disaster in San Francisco, California. You had a blessing in that only two of the people on board were killed. Most of the passengers and crew were able to get out of the plane before the fire got worse. I told you that you could see less disasters if your people changed their lifestyles to the good, and stopped making laws against My Commandments. Recently, there was a new law passed in California referring to those who changed genders that could go to the bathroom of their choice. This disaster is connected to these kind of laws and the sexual sins of your country. Keep praying for your country and these sinners to minimize any further disasters.”

Jesus said: “My people, today’s reading shows Jacob’s dream: (Gen 28:12) ‘He dreamed that a ladder was set up on the ground with its top reaching to heaven; angels of God were ascending and descending on it.’ I wanted you, My son, to look up this reading because there is a further reference to Me as linking man to heaven. I mentioned this in: (John 1:51) ‘Amen, Amen, I say to you, you shall see heaven opened, and the angels of God ascending and descending upon the Son of Man.’ This was My answer to Nathaniel when I told him that I saw him under a fig tree. Since I died for all of mankind on the cross, now I have opened the gates of heaven for souls to come to heaven. You have seen this vision before, but I have established this path to heaven to bring souls from earth and purgatory. I also can send souls to earth as each new person is born. The guardian angels of these souls are assisting them on this ladder both for new souls going down, and souls who have been purified and are coming up. Even your father-in-law witnessed this traveling of souls up and down. Rejoice in My gift of salvation that all of My worthy faithful souls can be with Me in heaven one day when they are purified.”
Jesus said: “My people, you are sensing that the one world people are manipulating your weather to cause droughts and unusually heavy rain storms. These extreme conditions could affect your crops which is part of their plan to cause food shortages and power outages. They also have a plan to have hackers bring down your banking system and possibly your power grid. Without enough

money flowing and not enough power, they could bring your economy to a near standstill. When people cannot buy gas and food, this could set off riots that would give an excuse to declare martial law. The one world people's plans will need to cooperate with My time schedule before they will be allowed to control the world. This is why their plans have been delayed until I bring My Warning to all sinners. Once I give the evil ones their hour, My faithful will need to leave for My refuges of protection. Trust in My help to protect you during the tribulation."

Tuesday, July 9, 2013:
Jesus said: "My people, this is a significant reading (Gen 33:25-33) when Jacob was wrestling with one of My messenger angels. Jacob said how he saw a heavenly being face to face, but the angel did not give its name. Instead, My angel was sent to tell Jacob that his name would be changed to Israel. This is significant because even today, this Jewish nation goes by this name. Israel's sciatic muscle in the hip was wrenched by the angel, and it caused him to limp. This changing of names happened often in faith as Abram was changed to Abraham, and Saul was changed to Paul. As I mentioned before, all the children of Jacob became the patriarchs of the twelve tribes of Israel. You are seeing how I played a major role in forming the history of man, and even in the calling of My chosen people from whom I was born. You are all seeing the importance of a person's name, especially when someone is named from heaven."
Jesus said: "My people, I have asked you to have preparations for Mass with a priest's Mass kit, candles, hosts, wine, and vestments. Also, you need to have a Lectionary and a Mass book when you have a priest to sacrifice the Mass. I will multiply the hosts, or you can grind some wheat into flour to make your own unleavened hosts. If you do not have a priest for Mass, I will have My angels bring you Holy Communion daily. I also want every refuge to use the Holy Communion from the angels to set up a perpetual Adoration with two people praying every hour. This could be done with a sign up sheet so all the hours of the week are covered. In this way, I will always be with you throughout the whole tribulation to protect you from the evil ones."

Jesus said: “My people, the first reading (Gen 42:6-17) was how Joseph dealt with his brothers when they sought grain for their families because of a famine in Israel. The brothers did not recognize Joseph when he imprisoned them until they sent for their younger brother. In an earlier reading (Gen 41) Joseph interpreted the Pharaoh’s dream of the seven thin cows that devoured the seven fat cows. There would be seven years of plenty, and then seven years of famine. Joseph was put in charge to store the food in the good years of plenty, and he also was in charge of distributing the grain during the seven years of famine in Egypt. This account has great meaning for the people of today. I am sharing through My prophets that a world famine is coming that My people need to prepare for now. I have told you in My messages to have at least one year’s supply of food for each person. Even if people criticize you, My people need to prepare for a coming world famine. You saw how your crops were stifled by droughts, and the frost killed your cherries and apples last year. This year in the East you have seen excessive rain that has harmed some crops. In the West, you are seeing more droughts that are affecting your farms. Do not be like the unwise virgins who did not bring extra oil with their lamps to the wedding feast. Those, who have stored food, will be eating, but those, who did not store food, will be like Joseph’s brothers who were shamed into seeking food. I will multiply your food to share with people. Once your lives may be in danger from threats of guns, or your government, then you will need to take your food to My refuges where My angels will protect you.”
Jesus said: “My people, even though the devil is able to test everyone, I am still running everything. I will not allow the one world people to start their martial law, until I have brought My Warning experience to all sinners. The Warning is a blessing to all sinners so they can see their spiritual destination. If they do not correct their sins and their lifestyles, then they could see themselves coming to hell. These people will have a short time after the Warning to convert their lives, and prepare their souls for My coming judgment. Once this time has been given to all sinners, then I will allow the evil ones to have their martial law that will precipitate a takeover of America. It is because I authorize all events, that this tribulation has to occur according to My time plan. My Warning is coming soon, so have your souls pure to face your mini-judgment. Rejoice, that I am always in

command so you are not tested beyond your endurance."

Jesus said: "My people, you can read the Scriptures, and you can hear inspiring homilies, but until you put your faith into action, you are not a true practicing Christian. There are a lot of Christians and Catholics in name only, because they are not truly living out their faith. If you do not truly love everyone, come to Mass on Sunday, and repent of your sins in Confession at least once a month, then you are a lukewarm Christian. People need to live their faith, and their actions need to show others that they live what they believe. Otherwise, you are hypocrites, and are just going through the motions without true love for Me in your hearts. The Gospels are not just a lot of nice sounding words, but they are meant to be a model of how you should live your life on earth. If you truly want to come to heaven, then you need to have a good prayer life, and establish a true loving, personal relationship with Me. I need to know who you are before you come to your judgment at the end of your life. You do not want to be turned away when I say that I do not know you, because those souls are on a path to hell. Instead, if you truly love Me, you will show Me by your good actions."
Prayer Group:
Jesus said: "My people, in the old Exodus you remember how the Israelites had manna given to them in the desert during the morning. At night they had quail fly into the camp, and they fell dead so they had meat for dinner. In the modern day Exodus My angels will bring My faithful Holy Communion every day, if you do not have a priest for Mass. In the evening, I will send deer into your camps, and they also will die so you will have meat to sustain you. The deer that you saw at the deer farm will be like the ones that will come to you."
Jesus said: "My people, you remember how the Israelites were healed of their snake bites when Moses held up the bronze serpent and they looked on it. In a like manner all of My faithful will be healed of any infirmity when they look on My luminous cross, or they drink from the healing waters of the springs at the refuges."
Jesus said: "My people, some of My faithful are very strong in their desire to be with Me in their daily Adoration visits. I am grateful for My adorers who make

up for all of those souls who do not make any effort to be with Me. Those, who believe in My Real Presence, love Me so much that they want to be with Me every day in Communion and Adoration. For this reason, I want My faithful to set up perpetual Adoration altars at all of My refuges. In this way you can share My daily Presence with all of My people."

Jesus said: "My people, I know that only a few of you would be farmers, and it would be hard to be totally independent of outside help to help you survive. You need seed and fertilizers multiplied to help you farm the land. You will need farm vehicles and multiplied fuel to help plow the land and harvest your crops. In the winter, you will need warm clothes and multiplied fuel to keep you warm and for cooking. All of your toiletries may have to be multiplied as well for good hygiene. Water will be provided in your miraculous springs that will be clean, and they will not go dry. In many ways, My angels will provide for your needs at My refuges."

Jesus said: "My people, I am having refuges made by My special refuge owners who have been instructed how to prepare refuges with food, water, and bedding. My angels will lead you to My refuges so you will be protected from the evil ones who will desire to kill My faithful who will refuse to take any chips in the body. Once I warn you to come, My angels will put an invisible shield over you, and they will bring you to My Blessed Mother's places of apparition, to holy ground places, and caves. Trust in My protection as My angels will help you build places for sleeping in dormitories."

Jesus said: "My people, you can see with many weather disasters that your food supplies are being strained to provide people with enough food to survive. I keep warning people to store a year's supply of food for everyone in your family, so you will have enough food to eat when a famine will come over your land. When you leave for My refuges, you could bring along as much food as you can store in your vehicles. Do not be concerned with those people who will criticize you for storing food. I told you before that they will be the first ones at your door looking for food."

Stanley said: "Dear friends of My Jesus' Divine Mercy, you know that I died once for three days, so I knew what it would be like to die again. I have shared My death experience with you, as well as My Warning experience. There are many souls who are not prepared to die as I did. Our Lord is granting sinners a chance to change their lives with His coming Warning. Just as I had a second chance to change My spiritual life, so all of you, who live in this Warning time, will also have a second chance. Our Lord will wake all of you out of your

spiritual complacency. I was thankful for the Lord in giving Me a chance to wake up many souls before they could be lost in hell. I am asking all of Jesus' prophets to carry this message of His salvation to all the nations. I will be praying for your souls from heaven."

Jesus said: "My people, as I had to endure persecution, so My followers will also suffer much persecution because of My Name. You can see how evil your society is getting where living together in fornication or in homosexual relations are accepted by most people without regard that these actions are mortal sins against My Commandments. Your leaders are making laws that even make it a crime to point out the sinfulness of your sexual sins. They have made laws to allow murdering the unborn in abortion, and some states even allow mercy killing in euthanasia. This is why you will be persecuted for speaking out against these injustices. A time is coming when the one world people will try to kill My faithful for believing in Me, and for not taking the mark of the beast. Because you will not go along with the new world order, they will try to kill you, and you will need to flee to the safety of My refuges. Trust in My protection when your lives will be in danger."

Jesus said: "My people, when you were a child, you used to save your coins in a piggy bank or a small treasure box. You may even have some precious jewelry that you keep in a safe or a jewelry box. You usually have a special place where you keep other valuables. In a spiritual way, you all have a heavenly treasure box where I store your tears for Me, your good deeds, and all of your prayer intentions. I see what intentions that you have in your hearts whether good or bad. I am looking for your love, and any ways that you show it both for Me and for your neighbors. When you come to Me in judgment at your death, it is only

your actions in life that you will have in your hands. This is when I will open your treasure box, so all that you stored there during your life can be used to offset your sins. It is then when My justice will settle accounts for all that you did. Some souls will be judged to hell or purgatory, and only a few souls will come directly to heaven."
Jesus said: "My people, earth and its civilizations are unique to the universe because you have Satan and his demons here taunting you with their temptations. You are seeing your very existence on earth as living in a particular slice of time because your lifetimes are not much more than a hundred years. With Adam's sin, all of his descendants have inherited a tendency to sin. This is why I came in another slice of time as a man so I could sacrifice My life for your salvation. Every soul has been made in My image with a free will that can love Me or reject Me. You can see in the angels how some rejected Me and some remained loyal to My authority. Hell was made as a punishment for the bad angels in the fires inside of the earth. These demons are still roaming the earth in search of destroying souls. I have given you each a guardian angel and My sacraments to guide you to heaven, but I do not force My love on you. The faithful who come to heaven have endured the human condition of pain and temptations from the devil. Every day you are tested with temptations and trials. You are very much dependent on Me for everything that you have in this life. Listen to My call of love to follow Me as one of My disciples. If you love Me, you will also share My love with your neighbors so they can be converted to the faith. Stay close to Me in your daily prayers, the Mass, and My sacraments, and you will be strengthened to resist the devil's temptations. You have bodily desires, but allow your soul to have control over them so you can give your will over to loving Me."

Sunday, July 14, 2013:
Jesus said: "My people, today's question of 'Who is my neighbor?' in the Gospel seems obvious to most caring persons. There are some people who do not want to go out of their comfort zone in order to help someone. What you are seeing in the parable of the Good Samaritan, is how love, mercy, and compassion can move people to action to help others in need. Some people spontaneously will

reach out to help without being asked. Others who are more reluctant, may have to be asked, or urged to help someone. Sometimes you also may be asked to make some financial contributions to a worthy cause. Here again it is how loving and generous one person may be than another who does not want to spend the money. One of the more important needs is to be willing to share your faith in evangelization, Bible study, or teaching in the school of religion. Saving souls is most important so they can find faith in Me, and avoid being tempted to things that can lead them to hell. So My faithful always need to be ready to reach out, and help their neighbors in any way that they can."
Jesus said: "My people, you are about to see a more serious battle between the powers of evil and My power of good. You know that I will win this battle in the end, but the Antichrist and his evil followers will have a brief reign over the earth. Do not try to use guns to overpower this evil force because you will not win now. You are battling principalities and powers of the demons and evil men. Instead, I do not want you to kill anyone, but to come to My refuges where My angels will protect you. Those, who remain in their houses, could risk martyrdom. Come to My refuges when I call you, and your guardian angels will lead you with a flame to the nearest refuge. Once you leave for My refuges, you will be protected by an invisible shield. At the end of this tribulation, I will bring My Comet of Chastisement that will defeat the evil ones. You will be drawn up to safety in the air as all the evil ones will be cast into hell. I will renew the earth, and I will bring you all down into My Era of Peace. Rejoice that you will see these events in your lifetime. Have patience for now and follow My instructions, and you will be with Me in this Era of Peace."

Monday, July 15, 2013: (St. Bonaventure)
Jesus said: "My people, I am showing you a rachet being used to build a building on a refuge. Some people are still making preparations at their refuges. When you see the tools being used, this should remind you to bring the tools of your trade. You can make your own contribution of your skills in helping each other to survive at your refuges. My angels will help you in making more buildings as they will multiply what you have when more people arrive. Remember that you will have to put the new arrivals at ease because they will be frightened. Also,

you will need someone in charge to direct where people should go, and what jobs they will need to do. I will multiply your food, water, and fuels, but your people will need to help each other with your personal needs. If you all remain faithful to My messages, and trust in Me with your prayers, everything will work out under My protection."

Tuesday, July 16, 2013: (Our Lady of Mt. Carmel)
Jesus said: "My son, I know your heart is heavy for those members of your extended family that do not appear to be showing their love for Me, especially on Sunday. I know you are concerned about saving their souls from hell. Let Me assure you that as long as you keep praying for their souls in your rosaries and offering their intentions at the Offeratory of the Mass, I will keep their souls open to receive Me. After the Warning, they will see Me more clearly, and they will have a chance to change their lives. By your good example, they can look up to you for spiritual support. At their particular judgment, they will have to make their own choice to love Me or reject Me. With your help, they will see the Light and understand how their eternal destination is at stake. At their mini-judgment of the Warning, they will see where their lives are headed if they do not change. If it is hell or deep purgatory, they will be shaken enough to wake-up out of their sinful pleasures to repent of their evil ways. Do not lose hope over any of your relatives, but keep praying for them to seek My love in heaven, and avoid being lost in hell."
Jesus said: "My people, today you are celebrating the feast of My Blessed Mother at Mount Carmel in Israel. This day is important also for all the Carmelite monasteries and the contemplative Carmelite nuns. You are aware of the promises that My Blessed Mother made to St. Simon Stock. Those, who wear the brown scapular and fulfill all the requirements, will be protected from the fires of hell. There is a further promise that those, who hang this brown scapular in their homes, will have their houses protected from fires, floods, tornadoes, and hurricanes. I am showing you some floods in America, in Europe, and in China. Many disasters are occurring because of the sins of man, and because people are not repenting of their sins. This act of repenting for sin is not

what most people want to hear. I have been sharing a message of coming to My refuges when your lives are in danger after the Warning. My Blessed Mother will place her mantle of protection over her children, especially those who are faithful to her brown scapular."

Wednesday, July 17, 2013:
Jesus said: "My people, it is the simple, humble souls that are more open to receiving Me into their hearts and souls. It is even the young children that My Blessed Mother chose to appear to in many apparitions. I am contrasting My faithful souls to the learned, the rich, and the proud who sometimes close their hearts to Me as this closed window. The gold door symbolizes the rich things and cares of the world that can sometimes blind the eyes of the worldly people so they are not open to My graces and My ways. You need to come to Me before My Eucharist in My tabernacle, or receive Me in Holy Communion in order to listen to My words of instruction on how you are to lead your lives. It may be difficult to give your will over to My Divine Will, but this is what is needed so you can carry out the mission that I have for you. When people want to follow their own will, it is hard to listen to My call. It is the worldly things that can blind you from your path to heaven. Everyone needs a good daily prayer life, so you can be open to My love and My direction. Do not let earthly things or addictions control you, so you can keep your focus on Me and what I want you to accomplish. Those, who follow Me and love Me and their neighbor, will have a great reward in heaven."
Jesus said: "My people, it is hard for My refuge builders to supply all the needs for large numbers of people. The larger refuges would require larger investments than most people could afford. These plans are not meant to work hardships on people's finances. Those people with more financial means could afford larger investments. You are seeing large buildings laid out with many beds to supply the dormitories when the faithful need a place to sleep. You also will have large kitchens for preparing the food, latrines, and places to wash up. The food may come from farm animals, the deer which I will send, and daily Communion. The water will be supplied by the miraculous spring on the land. Healing of ailments will be provided through the luminous cross in the sky, and My angels will

protect you with an invisible shield. My faithful will be protected at My refuges, and My angels will multiply the dwellings as more people arrive. Do not complain about your food or your accommodations so all of you can help each other to survive. My refuges will protect your bodies and your souls. Be grateful to Me and to all those who have taken on building these places of refuge."

July 24, 2013
Thursday, July 18, 2013: (St. Camillus de Lellis)
Jesus said: "My people, I am showing you several situations as on a bicycle built for two and five people rowing a boat, where you have to work together for a common goal. It is easier to get some work done when you work together instead of just as individuals. This is true in both small and large businesses, and in many of your farming jobs. This concept of working together can also apply to spiritual efforts as well. Your priests can work with deacons and other priests to provide for the needs of your parishes both for Mass and helping with My sacraments. The priests also need help from My faithful in teaching the faith to the children and converting souls by evangelization. You can even work with Me in helping to bring My Word to those who have not been evangelized. People need to be invited to your church congregations so they can be a part of My Body of souls. When you pray together, you multiply your prayers for your intentions. I have formed My Church around My apostles, the Pope, Cardinals, Bishops, priests, and deacons. This hierarchy was established so you could have the proper interpretation of the Scriptures, and to have the authority of My hand in My Church's formation. I continue to encourage My faithful to speak out with one voice so the confusion of Satan does not upset My Church's teachings."
Prayer Group:
Jesus said: "My people, I am giving you this scene of a sanctuary lamp that has been emphasized with a large pedestal. According to tradition, when a flame is lit in the red sanctuary lamp, this is a sign that I am truly present in the Hosts inside the tabernacle. For those, who believe in My Real Presence, the red light means that you should genuflect when you come into church and when you leave the church. This gives reverence to My Real Presence in My Hosts. When the priest consecrates the bread and wine into My Body and Blood, you should be kneeling to acknowledge My presence on the altar. It is My Real Presence

that you are visiting when you come in front of My tabernacle."
Jesus said: "My people, the initial blame for looking at the Tea Party for tax exemption restrictions fell on lower agents in Cincinnati, Ohio. The testimony by these agents appears to point more of the blame on Washington, D.C. for holding up any approvals until after the elections were over. This political intimidation by the IRS is causing a bad appearance for the current Administration. These scandals have caused people to be suspicious of the intentions of their government. Pray for your representatives that they hold their ethics on a higher plane, because they should be representing the people more than their own political ambitions."
Jesus said: "My people, your Federal Reserve is exploiting their power to hold interest rates near zero by buying $85 billion per month of long term Treasury Notes. This expansion of the money supply could cause inflation to go up, and they are controlling all of your properties by buying up your mortgages with unbacked Treasury Bonds printed out of thin air. Any threat to remove this stimulus has sent the stock market and bond prices on a steep decline. Such control over your economy by these central bankers goes way beyond their function of financing the debts of your government. Your people need to have your Congress take back control of your money from this Federal Reserve before they crash your economy."
Jesus said: "My people, every church that closes, is one less place where My sacraments are being distributed. Each parish represents the spiritual life of the people that come to that parish church. I have given enough vocations for men to come to the priesthood. The problem is that those who control who can go to a seminary, are restricting this process to limit the number of priests on purpose for various agendas. If you properly encourage priestly vocations, you would not be closing churches because there would be enough priests available. Please pray for those controlling the number of seminarians, so the people could have their sacramental needs fulfilled."
Jesus said: "My people, you are all aware of how a tribulation time is coming when the Antichrist will be allowed a brief reign over the earth. I have asked some people to prepare refuges as safe havens where My faithful could be protected from the evil ones who want to kill My faithful. My angels will defend all of My refuges with domes of an invisible shield. My angels will also not permit any evil ones to enter or attack My refuges. Do not test My angels because you have seen in the Scriptures how one angel can slay 185,000 soldiers in a short time. Trust in My protection to protect your souls, even if some of My

faithful are martyred. I will be the victor in the end over all of the evil ones, so bear your trials and persecution for now."
Jesus said: "My people, each season has been testing your comfort levels in various ways. This summer has set many heat records with high temperatures and fires in places. Your heavy rain is now giving way to summer drought conditions. People need to look out for each other to avoid heat strokes. Pray for some moderate weather to relieve some of these extremes."

Friday, July 19, 2013:
Jesus said: "My people, in today's first reading from Exodus, you read about the Jewish Passover that instructed the people to use a year old male lamb or goat without blemish. They were to kill the lamb and use the blood to sprinkle over the door posts and the lintel. In this way they were protected from the angel of death, who would see the blood and pass over that household. In the vision, you could see My Blood under the appearance of consecrated wine up close in the chalice. This one time sacrifice of My Blood was poured over My faithful people to protect them from the temptations of the devil, and it is an atonement for all the sins of mankind. Just as the Jewish people keep carrying out this Passover tradition each year, so My people share My Body and Blood in remembrance of Me at every Mass. The comparison of the Seder Supper to My first Mass at the Last Supper is a joining of both the New Testament and the Old Testament. After My death on the cross, there is no more need for further sacrificing of animals because My sacrifice is all that is required for your salvation."
Jesus said: "My people, you have seen lightning and thunderstorms before, but recently there is a lot of violent wind associated with your rain storms. You have seen trees and branches knocked down with micro burst storms. You are also familiar with how the one world people are using the HAARP microwave machine to cause violent weather in making disasters. Power outages are being caused by the wind and the extreme heat. When high pressure systems are set up, they are put in place by altering the jet streams. These high pressure areas usually cause high temperatures with little wind. This is why you are seeing record high temperatures all over your country. This machine can be used to enhance tornadoes, hurricanes, and even small storms. It is this enhancement that

causes storms to be violent with more lightning. The one world people are purposely causing disasters to facilitate their take over by using excuses for martial law. Be ready to leave your homes for My refuges when national martial law is declared."

Saturday, July 20, 2013:
Our Blessed Mother said: "My dear children, I am so happy to come to receive all of you in your rosary, the chaplet of Divine Mercy, and the Mass of my Son. You are seeing a rope that has everyone bound, and it represents how you are all bound with the bonds of your sins. You are all fortunate that my Son has seen fit to become a man in my womb so He could give His life as a spiritual and physical sacrifice for all of your sins. He has died so your bonds of sin could be loosed, as He came to let the captives go free. He brings you salvation, but all of you must come forward to repent of your sins in order to receive His forgiveness and His grace. He cleanses your sins and restores your soul to its original beauty. Give thanks and glory to my Son for all of His gifts of life and His sacraments which will lead you to heaven. I am giving all of your petitions and intentions to my Son as intercessor for all of you. Keep close to our Two Hearts in your daily prayers and good works for your neighbor."
Jesus said: "My people, you are seeing the physical and spiritual meaning of the manna way back in the Exodus of the Jewish people. Moses led the people with My help away from the captivity of the Egyptians. Once they were fleeing into the desert, Moses struck the rock to give them water. Later, I provided them with manna in the morning and quail for meat in the evening. This was truly their daily bread for many years. Once I started My ministry on earth with My apostles, I multiplied the bread and fish for the 5,000 and the 4,000. They collected twelve and seven baskets of fragments leftover, as an example of My generosity. Then, at the Last Supper, I consecrated the bread and wine into My Body and Blood as I instituted My Eucharist. The manna and bread took on a new meaning in My Real Presence in the consecrated Bread. You have had Holy Communion at every Mass for many years. In the coming tribulation of the Antichrist, My faithful will need to come to My refuges as a modern day Exodus. There again, the priest will give you My heavenly Manna. If you do not

have a priest for Mass, My angels will give you daily Communion of My Real Presence. In the old Exodus they had quail, but you will have deer meat in the evening during the new Exodus. The tribulation will be less than 3½ years of the Antichrist's reign. I will then bring My victory over the evil ones, and you will live in My Era of Peace for a long time before you come to heaven. Rejoice as you have had My Manna in various forms all throughout history."

Sunday, July 21, 2013:
Jesus said: "My people, you have read about how I had the angels deliver Lot and his family out of Sodom. Two angels appeared as young men, and the men of Sodom wanted to abuse them in homosexual sin. (Gen 19:5) 'Where are the men who came to your house tonight? Bring them out that we may abuse them.' The angels brought blindness on these evil men so they could not follow Lot and his family. Once they were away from Sodom, I brought fire and burning sulfur down on Sodom and Gomorrah, and the people were destroyed because of their sexual sins, especially homosexual sins. Today, you see these same kind of homosexuals displaying themselves in gay pride parades. It was because of the sins of fornication and homosexual acts that Sodom was destroyed by fire. In the vision you are seeing a tornado of fire which is planned as a punishment for those sinners who will not repent. Just as at Sodom, I will separate My faithful from the Godless sinners. My faithful will first come to My refuges of protection where My angels will defend them from the Antichrist. Then before My Comet of Chastisement comes, I will bring My faithful away from the earth. The comet will strike the earth, and all the evil ones will be consumed by fire as a hell on earth before they will be cast into hell. My justice came in Noah's time with the flood and the fire against Sodom and Gomorrah. My justice will come again against all the unrepentant sinners at the end of the tribulation. They will suffer the flames in the flesh and in their spirit bodies. All of those sinners, who refuse to repent of their sins and refuse to accept Me in love, will suffer the flames of hell for all eternity. So I invite all sinners to come to Me in repentance so they can save their souls, or they will join the evil ones in hell."

July 24, 2013
Monday, July 22, 2013: (St. Mary Magdalen)
Jesus said: "My people, today's feast celebrates St. Mary Magdalen from whom I cast out seven demons that were possessing her. After her conversion, she became a great disciple of Mine, and she was the first person to see Me after My Resurrection. The vision of the dragonfly and the spider are examples of how the demons thrive on attacking people where they are the most vulnerable. The sexual sins of fornication and homosexual acts are very common among the people of your society. Many people are weak to the sins of the flesh because they are seeking such pleasures, even when they may be having relations outside of the marriage bond. Since many people are having relations before marriage, this has become acceptable behavior in your society, even though it is a mortal sin. The demons know how corrupt your society has become, so they are attacking many people who are living together without marriage. My people need to protect themselves from these demon attacks by wearing blessed sacramentals, and avoiding near occasions of sin by not living together, unless they are properly married. You are seeing pornography in many places and in suggestive movies and marketing ads. With such temptations all around you, My people need to guard their eyes, and call on My help when you are attacked by demons with their temptations. Keep control over your body with a pure soul that is trying to avoid sin. By focusing on pleasing Me all day long, you can avoid these sinful desires."
Jesus said: "My people, coming to My Light at the end of a tunnel could be a near death experience, a Warning experience, or an actual death experience. There are a lot of people in this world who have not experienced My love, and they desire the worldly pleasures over Me. Unless souls know Me in prayer or love, it is hard for them to accept Me. If they refuse to love Me and refuse to accept Me, I have no choice but to reject them to hell which they have chosen. This is why these wayward souls need someone to pray for them, and invite them to know and love Me. Without this prayer and love, these souls will reject Me, even after My Warning experience. I know you are praying hard for your family members who are away from Me, but it is your prayers and concern for their souls that could save them. I want you to extend your prayer intention to all wayward souls because they are in the most need of prayers to help save their souls. Such prayers may help some souls to at least be open to receive Me. Souls

who close their hearts to Me, are on the path to hell. With open hearts, these souls will have a true choice to love Me of their own free will, without the desires of the world blocking Me out. Yes, My Warning is a wake-up call, but it will only be effective on the open hearts that you are praying for."
I could see a flashback to when my wife and I did a recording with Carol Ameche as she gave us a word of knowledge. She died just recently. Carol Ameche said: "I am happy that you allowed me to say a few words to you. I am joyful to be free of all of my pains and limitations of the body. I was so happy to be greeted by Jesus, Mary, and my deceased relatives at my death. I know my death was sudden and a shock to some, but now I can keep praying for all of you. I felt a little sad that I could not accomplish more for my Jesus. I love Don and my family on earth so much. Please tell them how much I love them, and I will be watching over them. Jesus is confirming the messages of the end times that He has shared with His prophets. I thank you, Carol and John, for all the good times that we had together. When you can share your faith and messages with each other, it was as if we are all one big family with Jesus and His Blessed Mother. I did have a brief visit in purgatory, but Our Blessed Mother was generous to me in helping me come to heaven. She begged her Son because she knows how much I loved both Jesus and her on earth. I will be waiting to join all of you in heaven one day, and continue your dedication to Jesus in helping souls come to heaven."

Tuesday, July 23, 2013: (St. Bridget)
Jesus said: "My people, even though you need sleep and rest at times, you cannot be comfortable all the time because there are souls that need to be saved by reaching out to them. You experience My love in many ways, but My love is meant to be shared, and not just kept to yourself. You need to share your love and your faith with others, even when you may have to go out of your comfort zone to evangelize people. You need a strong faith, but you also need the works of evangelizing souls with My help. You may also be called to help people with their physical needs as well. Be willing to share your time, your faith, and your donations. When you are busy doing good works, you have less time to be tempted from the devil. It is even good to keep busy and have time in prayer so

you are not idly spending your time. When you have free time, do not waste it, but you could be reading the Bible or a good spiritual book. You can be attacked more in your idle time, so keep up your guard against the demons' temptations."
Jesus said: "My people, I have given you many warnings that a time of famine is coming when it will be difficult to grow crops. Each of the last few years have not been the best for your crop yields. Between excessive droughts and too much rain, you have been having unfavorable growing conditions. I have asked you to store some food and water for this coming famine, both at your homes and at the refuges. You may see a difficulty in finding food on the shelves, or you will need a chip in the body to buy it. Already in many countries, you need chips in your charge cards for any purchases. You just witnessed this in Canada. Those, who saved the food, are like the wise virgins. Those, who will come to My refuges, will have the food and water multiplied without growing it. I will protect My faithful from the coming world famine, but those, who are not with Me, could be struggling for something to eat. These people did not prepare food like the five unwise virgins. Trust in Me to provide for your needs, and you will be satisfied."

Wednesday, July 24, 2013: (St. Sharbel)
Jesus said: "My people, at times some people have worries or anxieties of what they are to eat, what they will wear, or where they will stay. These are the concerns of everyone, but My people need to have faith that I will provide for them. If I could provide manna, quail, and water for My people in the desert of the Exodus for forty years, then I could feed you just as well. In today's world, you have plenty of support groups to help you with food stamps, welfare, and Social Security. Some who have jobs, have to manage their money within their means. Even if famines should come, I will multiply your food, if necessary. Those, who are able to work, should make an effort to help themselves. Only if you are persecuted or without food, then you will need My immediate help in your food and lodging. I feed the birds and I take care of the other animals, but

you are more valuable than they are. Surely, you can trust that I will come to your aid in your daily situations. I will not test you beyond your endurance. You also can trust in your family and friends to help you as well. My people should also be ready to help people in need of food or lodging around you. With My help always available, you should not have any worries about your needs."
Jesus said: "My people, I have given you several messages about the coming Ison Comet, which will be almost as bright as the moon, and it will be a sign of the Warning. You are seeing in the heavens in the vision how My angels are showing you a banner, and they were blowing their trumpets to announce the coming of My Warning experience. Many people are not prepared for the coming evil of the Antichrist in the tribulation. This is why it is necessary to allow all sinners to view their life review, and see where it is headed. When some see hell or deep purgatory, this could wake up some souls to desire a change in their lives. Keep praying for your friends and relatives so they could keep their hearts and souls open to repentance. Those, who see hell and do not change their ways, could be lost. Many will seek Confession after the Warning, so lead your families to a priest in Confession. I have told you that these things will be happening soon, and now you will actually see it happen. Be prepared to leave for My refuges after the Warning, because the evil ones will be gaining power soon. This Ison Comet will usher in the events that will lead up to the Antichrist declaring himself ruler of the world."

August 8, 2013
Thursday, July 25, 2013: (St. James)
Jesus said: "My people, in today's Gospel I asked St. James and St. John if they were able to drink from the chalice of pain and death, as they asked to be on My right and left side in heaven. Just as I had to suffer My passion and death for bringing the Kingdom of God to the earth, so My disciples of today will be persecuted as well. All of My apostles, except St. John, had to suffer martyrdom for My Name's sake. I do not ask all of you to suffer martyrdom for the faith, but you will see an increasing persecution for those who are brave enough to speak out against the sins of your society. Already you can see harassment if you speak out in protest of abortion, euthanasia, living together in fornication, or against homosexual sins. Your society's morals have decayed so much that only a third of your households are normal families of husband, wife, and children. This

threat of persecution is one source of pain, but people also are suffering from health problems or deaths in the family or with friends. In any way that you are suffering, either physically or spiritually, you can offer up your suffering to Me. There is a lot of pain being suffered that is being wasted by not offering it up to Me. Such offering of pain has a redemptive merit, a little as I suffered for your salvation. My people also should try to suffer their pain in silence without much complaining. All of you are living this human condition, and pain and suffering are a part of your life. Some experience more pain than others because they have been given the grace to endure it. When pain is offered up, I can use this suffering to help atone for the sins of the world."

Prayer Group:

Jesus said: "My son, on July 21, 2013 you celebrated your twentieth anniversary of the beginning of My messages to you. It is also a remembrance of your mother's death when she died on July 21, 2004. You have been obedient to the mission that I gave you, as you were able to bring My messages to the public under the care of your spiritual directors. You started Journaling My messages that you received after Holy Communion and at Adoration. You were asked to have them published with Queenship Publishing Co., and they have been helping you all of this time over eighteen years. You were also asked to go out speaking to spread My messages. You have seen many good fruits from this mission in helping souls and some healings. Give thanks to Me for guiding you on this mission to share My messages with the people. Even your internet site (www.johnleary.com) has been a means to spread My messages of love, teachings, and warnings out to all the nations."

Jesus said: "My people, you have seen mechanical robots and how they are controlled by their master. Your scientists have now developed computer chips that can be placed in humans, and the chips have a capability of controlling their minds so they will act as robots. This control of your free will by microchips is exactly why I do not want My people to take any chips in the body, even if people threaten to kill you. My people will need to leave for My refuges, once your government enforces mandatory chips in the body."

Jesus said: "My people, you have many things going on in your country that could threaten the stability of your government. Your news media focuses more on many personal distractions in order to hide the important events going on behind the scenes. The morality of your country is in decline away from Me more because of your sins and your laws that go against My Commandments. Instead of upholding the traditional values that your country was founded on,

your Congress and courts are making laws that uphold abortion and homosexual acts as lawful. Those, who protest these sins, can be placed in jail for violating the so-called rights of others. Your nation has become so depraved, that you are seeing more disasters coming upon you as a punishment."
Jesus said: "My people, your candidates for mayor and other offices have no shame that they have committed sexual scandals, and still they feel that they can run for office. Is this the kind of people that you want to run your government? Many people are committing the same sexual sins, and they see nothing wrong with these scandals. This again is another sign of the lack of morals in your society that these people are allowed to continue running for office."
Jesus said: "My people, the evil ones, who are creating deadly viruses in the lab, are allowing them into your hospitals without warning the public how many people are dying from unknown viruses. Your doctors are fearful of causing a panic because they do not have any means of healing these sicknesses. It is only by whistle blowers that you are finding out any description of people who are dying. Pray for the victims of these viruses, because you will need to go to My refuges to be healed when many people die from these viruses."
Jesus said: "My people, I healed many people of various afflictions because they believed that I could truly heal them. It takes faith in My healing power to effect any healing. I also healed the whole person in both body and soul. Not every person that you pray over, will receive a healing, but those, who believe in Me and claim such a healing for themselves, could be healed. Some people are healed instantly, while in other cases healing can occur in stages over time. Some healings will occur in this time, but more healings will occur at My refuges when the people look upon My luminous cross in the sky."
Jesus said: "My people, you have seen in several recent messages how I am urging lukewarm souls to seek conversion, and I am encouraging My faithful to pray that these souls will be saved from hell. If you block your souls from letting Me in, then it will be very difficult to be saved. If you continue praying for these souls to be predisposed to My love, then there is hope for these souls to change and be saved. Do not give up on the worst of sinners, but keep praying for their conversions."

Friday, July 26, 2013: (St. Joachim & St. Ann-parents of Mary)

Jesus said: “My people, this is the feast day of My grandparents, and they were in the line of descent from King David, as was St. Joseph. I was known as the Son of David because of My parental heritage. My Blessed Mother was born to her parents later in life, and she was conceived without sin in the Immaculate Conception that the Church honors on December 8th. Because of the Blessed Mother’s miraculous conception, the parents dedicated her to the temple. She was without original sin at the beginning, and she lived her life in My Divine Will, without sin, throughout her life. She was sinless so she would be a pure tabernacle to hold Me in her womb for nine months. You can see that these two saints were part of salvation history in bringing Me as a man, Incarnate, into time for the salvation of the sins of mankind. Give thanks and honor to My Blessed Mother and her parents for helping to bring about your salvation.”
Jesus said: “My people, if you had a devastating earthquake along the New Madrid fault, you could have much damage to your buildings in the cities. This vision of gutted out buildings showed damage like the cities in England after a huge bomb attack. Such extensive damage could affect a large part of the middle of America along the Mississippi River. I have told you that the next large earthquake could occur on the New Madrid fault or the San Andreas fault in California. The location of the vision was more in the South. The HAARP machine has been active in this area before. If the damage is severe enough over a large area, this could be the excuse that the one world people could use to declare national martial law. Such enforcement by the military could cause riots or a revolution. Be prepared to leave your homes for My refuges when martial law is declared.”

Jesus said: “My people, this picture of the Divine Mercy shows how I am constantly showering you with My mercy and My graces. I am always here for each of you to support you in your battle with the evil one’s temptations. The devil is the enemy who is constantly planting his seeds of evil in your souls. In the vision you are seeing a glorious shield with rays of power coming out. This represents My protection that I offer all souls who have trust in My help. Welcome Me into your heart and soul, so I can defend you from the devil’s temptations. You have a society that praises sinful lifestyles, and the people of

the world are praising worldly things, instead of Me. Those, who are following Christian principles of their faith, will be persecuted because of their purity of soul, and their goals are not worldly. You feel more comfortable with friends of your prayer group, who think alike in your morals. Keep praying for the wayward souls, but you do not have to befriend the worldly ways to have friends. The Christian friends that you have, will be with you at My refuges. Rejoice that you will have My protection from the Antichrist at My refuges. I will put up a shield of invisibility around you so that your enemies cannot see you."

Jesus said: "My people, when your people allow the bankers in the Federal Reserve to control the money printing presses, and the interest rates, you are setting yourselves up for crashes and thievery. The bankers lower the interest rates to zero and the stock market sets record highs. Then they contract the money supply and raise rates to create a market crash. Right now savers are getting very little interest while the Federal Reserve is stealing your mortgages with Federal Notes made out of thin air without any true value. They are getting ready to crash the market again to steal the people's money invested in stocks. The greed of the bankers drives them to desire total control over the people and their money. If you had debt free money, you would not have the major National Debt that you have of over $17 trillion. These same greedy bankers could crash your currency just as easy as they could crash the stock market. When they want to take over America, they could put you in bankruptcy for not being able to pay your debt or the interest. They will then make a new currency, and all of your dollars would become worthless. The one world people have most of their wealth in tangible assets as gold, silver, and real estate. They own very little in paper stocks or paper money. When markets go bankrupt, they do not lose anything. When prices are low, they buy everything very cheaply. These evil ones will pay dearly for stealing the people's money. The rich are getting richer, while most people's income is decreasing. At the judgment, I will settle accounts with them, and many will suffer either in hell or in deep purgatory."

Sunday, July 28, 2013:

Jesus said: "My people, in today's Gospel I taught My disciples how to pray with the 'Our Father' prayer. It has different words in the different Gospel

writers. You have various intentions for your prayers, but many of them are prayer requests for your needs, or for the souls of your relatives and friends. In the first reading from Exodus, you have Abraham pleading with Me persistently for saving the city of Sodom. He started with fifty just men, and worked down to ten just men that could spare the city from destruction. You know that the family of Lot added up to only eight just people, so the city was destroyed for their sins after Lot and his family were removed. There are some souls who are saved by the prayers of their relatives. In the case of St. Monica, she prayed for St. Augustine's conversion for over thirty years. Even your wife prayed for her father for over forty years, and he was saved on his death bed. These are examples of persistent prayer which can save souls. Each person has to make a free will choice to love Me to be saved, but your prayers can keep a soul open or predisposed to My love, even if they are not coming to church on Sunday. When you come to Mass, you are praying to Me in Adoration because the Mass is the greatest prayer of all. This is why Masses are powerful in helping souls to get out of purgatory. In the Gospel, the man was persistent with his neighbor in asking for some bread for his guests. So My people need to be persistent in their prayers to save souls. When you are close to Me in daily prayer and Sunday Mass, you can keep focused on Me on your path to heaven. I need to hear how much you love Me every day and not just once on Sunday, because I showed My love for all of you by dying on the cross for your sins."

Monday, July 29, 2013: (St. Martha)
Jesus said: "My people, Martha, Mary, and Lazarus were good friends of Mine on earth, and now in heaven. St. Martha was known for her hospitality and her concern for her brother, Lazarus. She had sent word to Me to come and heal her sick brother. I purposely delayed as I had a greater intention to raise him from the dead. At Lazarus's death I returned to their house, and I wept at his tomb. When St. Martha greeted Me, I told her that I was the 'Resurrection and the Life'. She believed that her brother would be raised up in his body on the last day of judgment, and she believed that I was the Christ, the Son of God. She had great faith in Me and My mission to save the world from its sins. Later, I brought Lazarus forth from the tomb, and I raised him from the dead. This was a great miracle to many Jews who were converting to My way. The Jewish leaders were

threatened by My healings and the raising of Lazarus from the dead, so they even wanted to kill both of us. St. Martha is a great saint of faith to imitate with her hospitality of helping people."
Jesus said: "My people, this vision of both the Vatican and the White House means there is going to be a clash of the Church with your government. One of the disagreements is over the mandate of forcing Christian organizations to hand out pills or other means to prevent conception. Forcing people to do things against their religious practices, is the test of your country's freedom of religion. There are other places where people can buy these things without this mandate on everyone. Hospitals have already had to choose between closing or allowing abortions. Your hate crimes also are restricting free speech to speak about sexual sins. You have many ways that the Ten Commandments and prayer have been forbidden in public buildings. Your implementation of your Health Care Law will present more conflicts between the Church and your government. One strong concern is forcing people to take chips in the body, when they could control your mind and free will. When chips in the body become mandatory, I have warned My faithful that it will be time to go to My refuges. Those people, who refuse chips in the body, could face martyrdom if they are captured. This is why I am providing safe havens to protect My people from the evil one world murderers. America is on the verge of a Godless government that is trying to remove all roots of worshiping Me. This take over of your government is another time to leave for My refuges. The atheists and the New Age people will usher in the Antichrist, but this reign will be brief before they will all be cast into hell. Have patience at My refuges before I will bring My people into My Era of Peace."

Tuesday, July 30, 2013: (St. Peter Chrysologus)
Jesus said: "My people, in the description of the Parable of the Sower, I am the sower, and I spread the seeds of faith into people's souls. It is the devil who plants the seeds of evil of the weeds in people's hearts and souls. At the harvest, all the good people are like the wheat that I will store in My barn of heaven. All the weeds will be gathered together, and they will be burned in the fires of hell. I am merciful in allowing the good people to grow up with the evil people, but I am just also in casting the evil ones into eternal punishment of hell for their evil

deeds and not loving Me. You have two deaths according to the Scriptures. The first death or particular judgment, occurs when you die. Then, you are judged to heaven, hell, or purgatory. This is when your soul is separated from your body. The second death is the final judgment when you will be resurrected with your glorified bodies. Those in hell will also be joined with their bodies, but they will appear very ugly, and burned like their soul bodies. Any people that are remaining in purgatory, will be brought into heaven. Those people, who are in heaven, will experience My beatific vision of My glory, and the beauty of the saints and angels. Knowing of this reward that awaits My faithful in heaven, should give them hope and a desire to be with Me."
Jesus said: "My people, your life in this evil world is like running a gauntlet through the demons every day. You know the demons do not sleep, and they are constantly testing you with temptations. If they cannot get you to sin much, then they attack you through your children and relatives. It is not easy to fight off these constant temptations, so call on Me to send My angels to protect you and strengthen you. You can wear your blessed sacramentals of rosaries, scapulars, and a Benedictine blessed cross. By keeping a pure soul with frequent Confession and daily prayer, you can keep close to Me. Your prayers that invoke My Name will help keep the demons away from you. Thank you for all that you do to help souls, and protect them from the demons."

Wednesday, July 31, 2013: (St. Ignatius of Loyola-Jesuits)
Jesus said: "My people, in the first reading from Exodus, you read of how Moses' face became radiant when he talked with God the Father and Me. This display of holiness was so important to the Israelites, that Moses even put a veil over his face. Now in the vision, you are seeing a veil placed over My tabernacle that houses My Real Presence in the consecrated Hosts. In the Gospel, the Kingdom of heaven is likened to a merchant who sought a pearl of great value, and when he found it, he sold everything he had to buy that pearl. Even so your soul is in constant search of Me as your Creator, because I am the only One to give you peace in your soul. This is why you come to Mass every day to receive Me in Holy Communion, so you can have My intimate love in your soul for a short time. Such a reception of Me in My consecrated Host, is the closest taste of heaven that you could experience on earth. I delight in sharing My personal

friendship with each soul in Holy Communion. I only advise you to receive Me worthily without any mortal sin, so you do not commit a sin of sacrilege. I am the greatest Person that you could seek, and in Holy Communion you receive all Three Persons of the Blessed Trinity, because we are inseparable as One. I always enjoy sharing time with you every day at Mass, in your prayers, at Adoration, and in all the things that you do when you invite Me to be a part of your life."
Jesus said: "My people, I have explained the different comings of the Three Persons of God over the years. In the Old Testament you had the influence of God the Father. In the time of the New Testament, you see My influence the most. Once you have the Era of Peace, you will see a larger influence of the Holy Spirit. This vision of the Holy Spirit coming down, is a sign that this time of the Era of Peace is drawing close. This experience of My Era of Peace, will truly be a reward for all that you are suffering now, and for all that you will suffer during the tribulation. I have mentioned before how the time of the tribulation will be your living purgatory on earth. The Holy Spirit will shower His gifts upon all souls who live into the Era of Peace. You will be protected from evil, and you will be purified and made ready for heaven. Rejoice, that you will be living into My Era of Peace."

Thursday, August 1, 2013: (St. Alphonsus Liguori-Redemptorists)
Jesus said: "My people, you saw how much care and reverence that was made over erecting a sacred Dwelling Place in the tent for the Ten Commandments in the Ark of the Covenant. The cloud of God's holiness surrounded this Dwelling Place. The Israelites were led by a pillar of fire at night and a cloud during the day. Even now in the vision, you are seeing My Light shine down on My tabernacle because you have My Real Presence in the Hosts of every tabernacle. You honor and reverence Me every time that you visit Me in My tabernacle. You are going to see a separation of the good people from the evil people at My refuges. Your guardian angels will lead you with a flame to My nearest refuge. At each refuge you will have a large angel guarding My people with an invisible dome where the evil ones who will not be allowed to enter. You will have a luminous cross in the sky, which will heal you of your infirmities when you look on it. You will have Holy Communion every day, and you will be Adoring Me in

My Host in perpetual Adoration. Thus you will have My Real Presence with you throughout the tribulation. At the end of the tribulation My angels will cast the evil ones into hell, and I will bring My faithful into My Era of Peace."
(Janette Tedesco Funeral message) Janette said: "I am so happy to see all of my family members here at my funeral Mass. I love Rudy, Lilian, and the rest of my family so much. Do not be in tears because I am not far away from you. I will be with you in spirit, and I will be praying for you. I thank those who gave my eulogy and did the readings at the Mass. Thank you also for all the beautiful flowers and taking care of me in my last days. I will keep sending you kisses, and you can send kisses to me every day. It is hard to be separated from all of you in the body, but I will always be with you in spirit."
Prayer Group:
Jesus said: "My people, I have shown you the angels blowing their trumpets to announce that the major events were about to begin. Today, you are seeing an Israelite blowing an old horn of warning to prepare the people so they are ready to leave for My refuges. This is also a warning to have some extra food ready for the coming famine. The events of the end times are about to speed up, as I am already speeding up the time so you will have less to suffer."
Jesus said: "My people, you have seen the statistics in many countries that they are seeing fewer births that are even below a replacement level. This means that some countries are losing population, and the average age is increasing because abortion has spread to all the countries. This is a big contribution to the reduction in your population. America is not decreasing because of the many people who are immigrating to your country. Keep praying for the stoppage of abortion which is threatening the viability of many nations."
Jesus said: "My people, because your interest rates have been at record lows, you were seeing an increase in house sales. Once there was a suggestion of less help coming from the Federal Reserve, mortgage interest rates have been rising while house sales have started a decline. This artificial increase in the money supply with quantitative easing from the Federal Reserve could stop which is pushing rates up and it will be affecting the supply and demand for housing finances. Pray that your economy could grow, even without any interference from the Federal Reserve or your government."
Jesus said: "My people, your politicians always wait to the last minute to adjust their budgets, and they try to push through more increases in the National Debt limit. You have seen some increased taxes on the rich, and some attempts to reduce your budget using an annual sequestration across the board. Even with

these attempts, the core deficits are still occurring with a question over how the new Health Care law will be worked out. Pray that your economy could improve to help these deficits go down."
Jesus said: "My people, you are seeing a renewal in My Church with the latest trip of Pope Francis to Brazil. Many people are supporting his efforts to help the youth who are having problems with unemployment in many countries. These young people need to have hope and faith in My help with their education and their entry into the workforce. It is hard for the youth to compete with older and better trained people who have been out of work for a long time. Even some attempts have been made to raise the minimum wage to a living wage. Pray for the unemployed, and especially for those who have just graduated from high school and college."
Jesus said: "My people, you have seen some poor crop yields in the last few years. This year has seen variable rain and temperature levels across your states. My people need to pray for their farmers that they could have more optimum growing conditions so they could have a rich harvest to make up for some poor years."
Jesus said: "My people, you are seeing some of your politicians putting the dates off for various businesses when they would be forced to pay penalties for not paying for the new Health insurance. This is another sign that your government is having difficulty in paying for the new mandates for everyone to be offered a health care plan. The more these mandates are postponed, the less confidence there is that this plan will work. It is good to offer such a plan to help people, but there still is a question of how it will be paid for."

Friday, August 2, 2013: (St. Peter Julian Eymard)
Jesus said: "My people, you have read about the people of My hometown, an dhow they did not understand My mission and My healing gifts. Because they did not have faith in Me or in My miracles, I could not heal anyone of these people in Nazareth. Prophets are not always recognized in their hometowns. Because I grew up there, they thought that they knew Me, but they did not realize My Incarnation as a man, and that I was born in Bethlehem. In the vision of the ringing bells, I am showing you how My prophets of the end times are like these bells in warning the people of what is to come. I have been giving you

many messages about the coming tribulation for over twenty years. Many people did not want to hear about storing food, taking chips in the body, nor leaving their homes. Only recently, are the people realizing how chips in the body could become a reality with your new Health Care law. Soon they will understand more about saving food for the coming famine. They are now seeing how Christians are being persecuted, and how there will be a need for My refuges of protection from the one world people and the Antichrist. My faithful remnant should thank Me for sending My prophets of the end times to warn you, even when some did not want to hear their message. You should also be thankful that I am calling other faithful to set up places of refuge by preparing dormitories and food storage. My angels will be protecting these safe havens with a dome of invisibility that your enemies will not be able to see or find."
Jesus said: "My people, I have told you before to always plan your time so you are not idly wasting your time. Instead of watching a lot of television, you could profit more spiritually by reading some good spiritual books. You could read the Bible, the Liturgy of the Word, the Imitation of Christ, the Pieta prayers, or the lives of the saints as some good examples. It is your idle time where the demons attack you the most. By keeping busy with things that will profit your soul, then you will be making the best use of your time. You should especially plan time every day for your prayers and rosaries. I depend on the prayers of My faithful to help balance all the sin in the world."

Saturday, August 3, 2013:
Jesus said: "My people, you do not see all of us in heaven, but we can see what everyone is doing on earth, even in the dark and secret places. So you should be on your good behavior at all times, because you are all on display as on the stage of life. If you should fall into sin, you could come to the priests for confessing your sins. You need to pray and keep focused on Me at all times, so you can keep your souls pure and ready to meet Me at your judgment, on the day you die. The souls in purgatory can also pray for you, and at times they are allowed to give signs to you that they need your prayers to get out of their suffering. Keep praying for the souls in purgatory every day, especially for the souls who do not

have people praying for them. Each day you struggle in your human condition on your path to heaven. Keep showing Me by your actions and prayers, how much you love Me and your neighbors."
Jesus said: "My people, this killing of an eagle is symbolic of how the evil one world people will bring down America. They will cause a sequence of events that will cause a martial law takeover of America. I have warned you that these evil ones will find ways to crash your banking system which will close your banks as a bank holiday. About the same time your power grid will go down, and you will see signs of a pandemic virus being spread around the world. You will also see men in black causing false flag terrorist attacks, and a time of forcing mandatory chips in the body on the people. When such events take place, I will warn My faithful beforehand to get ready to leave for My refuges. If this bank holiday extends over a week, there will be chaos and riots, as people will be searching for water and food for survival. The stores will be cleared of food and water bottles very quickly. My faithful will need to pack your backpacks, food, water, and bikes into your vehicle, as you start out on your way to My refuges. Your guardian angels will conceal you with a shield of invisibility, as they will lead you with a flame to the nearest refuge. I have been giving you many signs that the tribulation is about to start, so heed My warnings, and be prepared to leave for My refuges."

Sunday, August 4, 2013:
Jesus said: "My people, just as the rain falls on everyone, so My graces of life's gifts fall on everyone as well, on the rich and the poor. There are some people who have become rich by their labors, and some grow rich by greed, by cheating, or by theft. The desire for money and what it can buy, can consume some people, but they are not happy because they do not have My peace in their souls. Others may be poor or middle class, but they have learned to accept their place in life, and they are happy because they love Me and their neighbors. All the wealth in this life will not buy you heaven. What does it profit a man to gain the whole world, and lose his soul? It is better to have a little wealth, and a soul rich with My graces. By following My Commandments of loving Me and your neighbors, you will gain more wealth for your soul in heaven."

(God the Father feast day) Jesus said: “My people, My Father in heaven wants to thank you for honoring Him with your Mass and His novena. As you processed around in your prayers, you were sharing all the praises and songs that My heavenly Father receives all the time in heaven from the saints and angels. My heavenly Father also thanks you, My son, for honoring Him in your Eternal Father prayer group. In sharing the Mass outside, you have a sense of nature’s beauty that honors God the Father as the Creator. Everything that you have comes from the Blessed Trinity. Give thanks and praise to Us for all that We do for you.”

Monday, August 5, 2013: (Dedication of the Basilica of Mary Major)
Jesus said: “My people, this miracle of the snow in the summer on this site in Rome, Italy, is how My Blessed Mother became known as Our Lady of the Snows. This is one of the four major basilicas in Rome. Even My Pope son has honored My Blessed Mother several times at this basilica. Many people visit this basilica for the same reason in touring Rome on pilgrimage. This is the largest church that is dedicated to My Blessed Mother. Many consider this day to be My Blessed Mother’s birthday, and this feast of the Dedication of the Basilica of Mary Major is a fitting tribute to her. Remember My Blessed Mother as you pray your rosaries on her feast day.”
Jesus said: “My people, I gave you a message before that talked about how GMO (Genetically modified organism) crops were increasing chances for cancer and allergies. In this vision of corn on the cob, there is an indication that your scientists are manipulating the DNA of the corn in trying to add the DNA of Roundup. In some independent testing, besides that of the seed companies, over two years of testing has shown an increase in cancer of mice compared to a control group. Monsanto did similar testing, but only over a short time which did not show any effect in their tests. It was the long term tests that magnified the cancer causing effects. There is too much collusion between the seed companies and the government agencies who are regulating the GMO crops, because there is too much money at stake, and many government people have worked for the agricultural groups. Even with independent studies showing the dangers of the GMO crops, still there is no action being taken to stop these harmful foods. The

people have to minimize eating GMO crops, or pay more for organic crops, which are healthier. The farmers are controlled by the seed companies who produce 88% of the corn and soybean seeds in America. This is why you are seeing so much cancer and digestive tract problems in your people, because of the food that they are eating. Keep researching these studies to show people the real problems with their food when you try to manipulate the perfect food that I created."

Tuesday, August 6, 2013: (Feast of the Transfiguration)
Jesus said: "My people, this scene on Mt. Tabor with Moses and Elijah was a prefigurement of My glorified Body after My Resurrection. My Body's change after My Resurrection was so splendid that My followers did not even recognize Me at first, until I spoke to them. St. Peter on Mt. Tabor was so taken up with seeing Me with Moses and Elijah that he wanted to preserve that moment by erecting three tents for all of us. You have been reading about the cloud of God the Father, and how He talked face to face with Moses. Then there was a cloud again that came down on all of us and God the Father said: 'This is My beloved Son, listen to Him.' After this encounter, then I was all alone with My three disciples, Peter, James, and John. I then warned My disciples not to speak to anyone about this vision until the Son of Man has risen from the dead. I told them how I would be persecuted and killed, but I would rise on the third day. This is My promise to all of My followers who at the final judgment would be rejoined with their own glorified bodies. At death your body and soul will be separated, and you will be judged to heaven, hell, or purgatory. My faithful are living for this day, when you will be with Me in heaven, not only in your soul, but you will be a whole person again with body and soul."
Jesus said: "My people, you are seeing an unusual spring and summer that has caused your rainfall to be four inches more than normal. In the East you have also seen lower temperatures than normal of about ten degrees. Your normal conditions are dry and hot in the summer. Because of these changes, you are seeing changed weather patterns with more violent storms. These changes give an indication that something is causing this, such as the HAARP machine, which can be used to change the jet streams. The more violent storms fit with how the

one world people want more disasters. The dramatic changes in your weather could be a message to you that these evil ones have control over your weather. You have a sense that you are in a lull of events now, but it is like a calm before a storm of new events that may threaten your freedoms. Be prepared for My Warning, since this will begin many events leading up to the Antichrist's takeover. Be ready to leave for My refuges when your lives are threatened."

Wednesday, August 7, 2013: (St. Cajetan)
Jesus said: "My people, I have told you many times that there would be a division coming in My Church that would separate a schismatic church from My faithful remnant. This schismatic church will be teaching New Age principles that are not of Me. One of the other signs of these evil ones will be their disbelief in My Real Presence in My consecrated Hosts. Eventually, when the evil ministers, pictured in the vision, begin to change the words of Consecration, then I will not be present because it will not be a proper Consecration. You saw how the people of the time of Moses grumbled against Me for not trusting in My protection. As a result, that generation died in the desert over forty years as a punishment for their disbelief. Now today, those people, who follow this schismatic church, will also suffer a punishment for not believing in My Real Presence, and for not following the beliefs of My apostles. I am warning My faithful to leave these heretical churches of the New Age, which are worshiping things instead of Me. The demons are being allowed this split in My Church, but My faithful remnant will have to go underground in private Masses. Trust in Me that I will guard My faithful at My refuges because this schismatic church will be in league with the Antichrist. Pray that My followers will understand the evil in their midst, so they will not be deceived by these evil ministers. I will not allow the gates of hell to prevail over My faithful remnant."
Jesus said: "My people, when you leave for My refuges, you could be traveling at night in your vehicle. One of the needs for your trip would be a windup flashlight so you could see at night, and you would not have to depend on batteries. It may take several days to reach the nearest refuge. You may want to sleep in your vehicle overnight, and you could use your flashlight once the car is turned off. If you need to sleep in your tent in sleeping bags, you also could use a

flashlight in the dark. Having a light is symbolic of how I lead you, as I am the Light of the world. I am the Light that disperses the darkness, and I heal your sins that darken your soul. Stay close to My Light in your good deeds, and you will be led on the path to heaven. My faithful souls can lead other souls to follow My Light, so they can be saved as well. Keep praying for the salvation of souls, especially for those souls in your own family."

Thursday, August 8, 2013: (St. Dominic)
Jesus said: "My people, in the Gospel I asked My disciples 'Who do people say that I am?' Later, St. Peter answered: 'You are the Christ, the Son of the living God.' I commended him for answering correctly, as he was inspired by My heavenly Father. I then told St. Peter that he was the rock upon whom I will build My Church. No other church or religion was directed by Me to build My Church. I also conferred the sacrament of Penance through My disciples and My future priests in whatever they held bound on earth, would be held bound in heaven. Also, whatever they loosed on earth, would be loosed in heaven. This forming of My Church was to spread My Good News of how I died for all of mankind's sins, and I brought salvation to all souls who repented and accepted Me. Without repenting of your sins, you cannot be forgiven of your sins, and you cannot enter heaven. I have given all of My people the opportunity to be saved by My death and Resurrection, and I have given all of you free will to accept Me or reject Me. Those, who repent, will be forgiven, and they will be on the right path to heaven. Those, who reject Me and do not repent, are on the path to hell. You need to not only know that I am the Son of God, but it is by your actions of accepting Me and seeking My forgiveness of your sins, that will bring you salvation. Heed My words and follow My Commandments, and you will be saved."
Prayer Group:
Jesus said: "My people, I know your politicians are postponing the implementation of your Health Care Law for supposed political reasons. There are many disagreements with the states and the Congress on funding such a huge enterprise. What people do not realize, is that I have been instrumental as well in putting this off, because I am not allowing it until it is according to My timing.

One of the main reasons that this Health Plan has been pushed back, is to force the people to take chips in the body to control their minds. Fear not, My people, for I will warn you when to go to My refuges, when the evil ones can mandate chips in the body."
Jesus said: "My people, I have told you before that your President wants to unilaterally reduce your nuclear weapons to zero. He has been using fake treaties with Russia to reduce the number of these weapons. The Russians do not abide by these treaties, so they are just empty promises on paper. This latest falling out of relations with Russia, means your President will reduce your Defense and your weapons in secret."
Jesus said: "My people, you have seen in some recent articles how your government is demanding information from food storage companies on how fast in 24 hours that they could deliver large quantities of prepared food as MREs and dried food. This forced rushing of information on food deliveries is a sign to you that your government is preparing for food shortages, and a possible takeover or revolt from the people. Again, My people need to have one year's supply of food on hand before you leave for My refuges for the same reasons, as a food shortage or buying food with chips in the body."
Jesus said: "My people, you are familiar in World War II how there were safe houses to hide the Jews and others from the Germans, who wanted to kill them. I have asked some people with smaller interim refuges to be safe havens for housing My faithful on their way to their final refuges. My faithful will be hiding from the evil ones, but My angels will put a shield of invisibility around them. The interim refuges will provide food, water, and bedding that will be multiplied as needed for small groups of people."
Jesus said: "My people, there are hundreds of detention center death camps all over your country. These buildings are being prepared to exterminate millions of Americans who will not take chips in the body, nor go along with the new world order. These evil ones know that My faithful will not go along with the laws mandating chips in the body, or the mark of the beast. This is why the evil ones have millions of foreign mercenary troops who do not mind killing American outlaws. These troops are the UN men in black who will go door to door to try and force chips in the body on the people. Those people, who are captured that did not escape, will be killed in these death camps as martyrs. Be prepared to leave for My refuges when I warn you, or you could be one of these martyrs."
Jesus said: "My people, you are right in seeing My angels who are blowing their trumpets to announce the coming of My Warning. I have told you many times

that My Warning is close, and it will happen according to My time plan. After the Warning, you are to get rid of all of your TVs and all your computers and devices connected to the internet. The Antichrist will appear on your screens, so do not look at his eyes that could draw you to worship him. He will control the people through the chips in their bodies that will be linked to the internet by the cell towers and the satellites. Get rid of all of your electronic devices, so you are not under the Antichrist's control. After the Warning, reach out to convert your families, and be ready to bring them to the same refuge."
God the Father said: "I AM WHO AM thanks all of My faithful for honoring Me on this day. This feast of Mine is not well known, but it is fitting that you have a picture of Me on the altar, and that your Eternal Father prayer group is meeting on this day. Give praise and glory to Me for creating you and all of My creation. I love all of you so much that I sent My only Begotten Son to die for your sins, and I offer you salvation in coming to heaven. You have seen the beauty of heaven, and you can share with the people the beautiful reward that awaits all souls who love Me and follow My ways. This reward in heaven should give all souls hope to endure through all of your earthly trials and temptations."

Friday, August 9, 2013: (St. Teresa Benedicta of the Cross)
Jesus said: "My people, today you are honoring Edith Stein or St. Teresa Benedicta of the Cross who was martyred in the gas chambers of Hitler. I also showed you St. Maximilian Kolbe who took the place of another prisoner in dying for a married man also in Hitler's prisons. The wife of Rev. Wurmbrand, Sabina, also forgave a German soldier who killed all of her family members. Hitler was involved with the occult, and there was a deep force of evil in all of his killing of the Jews and many clergy. There are still many evil killings going on in communist countries and Muslim countries. Whether it is a genocide of Jews, Christians, or the unborn, all of these killings are evil and influenced by the devil. I suffered persecution at the hands of the Jewish leaders, and My followers also have been persecuted and martyred as well. My faithful will see an even worse persecution in the coming tribulation. Many thought that after seeing mass executions of the Jews, this would not happen again. Yet, your people are still killing millions of unborn babies every year in your legalized

abortions. Even now the one world evil people are building gas chambers and crematoriums at your many detention center death camps. This is in preparation to kill more Christians and those who will not take chips in the body, nor go along with the new world order. The Antichrist will bring an evil upon you that will be worse than any other time. This is why I am having generous people prepare refuges for the protection of My faithful. I will have your guardian angels lead you to My safe havens, where you will be protected and have food and shelter."
Jesus said: "My people, I have talked with you how your electric grids could be shut down, when the one world people want to take over. There is another EMP (Electromagnetic pulse) weapon that could be deployed over small areas that would destroy your chips in all of your electrical devices, including your cars, computers, and banks. Without being able to use banks for money, or your cars to move about, you would be reduced to barter for food, and bicycles for getting around, or horses if you have them. Many of your refuges will not have electricity, and your cell phones will not work there. This is why you will be living in a rustic setting with all of you working to help each other to survive. You will store food in a root cellar with no refrigerator. You will be farming with non-hybrid seeds, and using deer for your meat. You will be healed of your infirmities by looking on My luminous cross in the sky. Get used to living without computers, and without many of your electrical comforts. You will have perpetual Adoration of My Hosts and daily Communion. Give praise and thanks to Me for protecting you from the evil ones at My refuges."

Saturday, August 10, 2013: (St. Lawrence)
Jesus said: "My people, St. Lawrence suffered a martyr's death for distributing the Church's wealth to the poor. He brought out the poor people, who he declared were the treasures of the Church. The authorities were seeking the Church's money, so they killed St. Lawrence because he did not cooperate. Some of the saints, who were martyred, were seeing visions of heaven, even before they were killed. In the coming tribulation, there may be some faithful who may desire martyrdom, instead of fleeing to My refuges. Those, who are martyred for their faith, would come straight to heaven as a reward for dying for their faith.

More people will choose to come to My refuges during this trial. These faithful will be protected and brought into My Era of Peace from the refuges. From the Era of Peace, they will be purified for heaven."
Jesus said: "My people, you are well aware of who the one world people are. They are the rich and powerful people who run your governments behind the scenes. They like to operate in secret, and many of them actually worship Satan, and they get their working orders from him. Satan hates man, and he uses these one world people to carry out his death culture that supports abortion, euthanasia, wars, vaccines, and viruses that can be used to kill people. The evil people's intentions are to kill all the people who love God, and those who will not go along with the new world order. This is why they are behind the building of the detention death camps. They want to chip people so the chipped people will become their slaves. Their goal is to reduce the world population down to 500 million from 7 billion. This is why they are developing pandemic viruses that could kill a lot of people. My faithful will be protected at My refuges, but the evil people and demons will be destroyed by My Comet of Chastisement. My faithful need to have patience, as I will bring them into My Era of Peace, after I cleanse the earth of evil and renew the world. Even though the one world people are your enemies, you still need to pray for their souls."

August 22, 2013
Sunday, August 11, 2013:
Jesus said: "My people, your deacon was explaining to you some examples of what was in the Gospel. The one part of the parable talked about where your treasure lies, so lies your heart. This means how you will focus your life mostly around what you feel is the most important beliefs in your life. If your heart is focused on money and possessions, you will seek wealth and comforts all of your life. Some may focus on helping people because they think it is the right thing to do. Then there are good Christians who are focused on doing everything for My sake. I have asked you to love Me and love your neighbor. When you consecrate yourself to Me every day, then you are helping Me in your neighbor when you do good deeds for them. If I am your treasure, then you will seek to please Me in all that you do. Your deacon also touched on a subject that deals with people who have had 'near death' experiences, when people have left their

bodies. This experience is similar to the coming Warning when everyone on earth will experience their own life review. You saw in the vision how you came through a tunnel that seemed like an umbilical cord that brought you to My Light. Then I showed you your life as a line of events on a time continuum. I brought you closer so you could witness all the things that you did in your life from a child, through your school years, into your marriage to your wife, having and bringing up your children, up to the present time. This is just a small taste of what your Warning experience would be like, except that you will be focused on your unforgiven sins. Most people will have a strong desire for Confession after this experience. You will see a mini-judgment of your life to heaven, hell, or purgatory. You will also experience what it would be like in these places. You will then be brought back into your body, and it will be your free will decision to improve your life to direct yourself to be with Me in heaven. If you do not change your life, then your mini-judgment will become your judgment at your death. My Warning is a part of My Divine Mercy to give all sinners a chance to repent and change their lives. Choose life to be with Me in heaven, or some will choose death and pleasures to be with Satan in hell."

Monday, August 12, 2013: (St. Jane Chantal)
Jesus said: "My people, during the summer many people like to go on vacation, even if it is not far from their home. People, who work all year, need a break to rest from their labors. You rest every day in your sleep to regain your body's energy. Even in your spiritual life, you need a rest in your daily prayer time. Sometimes you may also go on a retreat to refresh your soul with some talks by a priest. For those, who take the time at night, you can also come to Me in Adoration of My Blessed Sacrament, and let Me talk to your soul in quiet time. It is in the quiet time of Holy Communion or Adoration that I can refresh your souls with My grace and My peace. You have many trials every day, and I am always available to help you and console you. Be thankful that you have a caring Lord, who is always watching out for you. Show your love for Me in your prayers, and follow My Commandments on your way to heaven."
Jesus said: "My people, I am showing you the goal of many baseball players, golfers, or hockey players, and that is to win a cup or trophy for being the best

player or team. Many people are searching for fame and money in winning their games. This same goal can be found in many other prizes or money goals. Instead of seeking fame and fortune in this life, My faithful should be seeking a crown of sainthood in heaven. This is a spiritual reward that I grant souls that pass a test of being tested by the evil ones' temptations. I have shown My faithful the way to come to heaven by imitating My life on earth, as I followed the Will of My heavenly Father. All the money and trophies in this world will not help you in getting to heaven. Addictions to greed, money, power, drugs, or lust, can only lead you on a path to hell. Keep your focus on loving Me and your neighbor, and do not let anything or anyone control you on earth. The same people, who search for earthly things, are never satisfied because earthly things do not bring peace into your souls. Instead, your soul is always seeking its spiritual peace with Me because I am the only One to bring peace and rest into your soul. All of your prayers and good deeds are storing up treasures in heaven that will help you in your quest for sainthood. Seek to be with Me always, and I will provide for your needs. When you are allowed into heaven to receive your crown, there will be great rejoicing in heaven that another saint has succeeded in winning its greatest reward of being with Me in heaven."

Tuesday, August 13, 2013:
Jesus said: "My people, I am showing you in the vision the tenderness of a mother taking care of her children. In the Gospel, I gave you a picture of Me as the Good Shepherd who would leave the ninety-nine sheep in the desert, and I would go in search of a lost sheep. Just like a mother, I also have a tender heart for each sinner. I desire to save all souls for heaven, but I do not force people to love Me. I am like the father of the Prodigal Son who was waiting for his son's return. I reach out to every soul to help each person in both his or her physical and spiritual needs. Each soul is equal in value to Me, because all of you are My creations. I want all the people to respect each other, because you are all Temples of the Holy Spirit. Do not discriminate the homeless, the handicapped, or your enemies, because you need to love all of your neighbors. It is easy to love your

family and friends, but it may be more difficult to love those people who you dislike. If you desire to seek perfection in this life, you must struggle to love all souls as I do."
Jesus said: "My people, you have learned a little about George Mason, and how he was one of three delegates who would not sign the Constitution because it did not have a Bill of Rights for individuals. He saw that I was the One who gave everyone freedom, and that any rule of law should protect individual rights and states' rights. This bit of history of your founding Fathers, shows America was started with a Democratic Republic which has lasted for many years since 1787. This issue of protecting individual rights is a major concern now because your government is taking away your rights one by one. Once your laws and court decisions go against My Commandments, then your country is going down a road to destruction, under the control of the one world people. You are approaching the time of the Great Tribulation that will usher in the power of the Antichrist. You will be seeing all of your rights disappear, once you are under total control by the evil ones. Your country has been great when I was the center of your lives. Now that you have turned your back on Me, your country will cease to be great. You are fortunate that I am working with refuge owners to provide safe havens for My faithful, where My angels will protect you. A time is coming quickly when I will separate the good people from the bad people. Those, who love Me and their neighbors, and repent of their sins, will have a crown in heaven. Those, who refuse to love Me, and refuse to repent of their sins, are on the road to hell. Be careful to choose your destination with Me by your own free will. Pray for all the wayward souls to change their evil ways over to My ways."

Wednesday, August 14, 2013: (St. Maximilian Kolbe)
Jesus said: "My people, you remember your history books in how brutal Hitler was in killing the Jews and the clergy in his gas chambers. You have seen movies of this holocaust, and you have personally visited one of these former death camps in Germany. St. Maximilian Kolbe was martyred in one of these camps, as he died in place of another condemned prisoner. Today, you have another holocaust occurring for the unborn in abortion where over a million lives

are lost in America every year. Your country will pay dearly for all of this blood on the hands of your mothers and your doctors. You are approaching another genocide over the people who will refuse to take chips in the body, and over those who do not want to go along with worshiping the Antichrist in the tribulation. Already, the evil one world people are building gas chambers and crematoriums at hundreds of death camps all across your country in every state. This is why I am inspiring people to build refuges so My faithful will have places of protection to hide from the evil ones, who will be worse than Hitler. The evil of Hitler's gas chambers will be repeated again by a corrupt government that will support the Antichrist. Be prepared to leave your homes for My refuges when I warn you, or you will die in these camps if you do not leave."
Jesus said: "My people, in some older churches there were trained artisans that created beautiful statues and woodwork that would cost a huge sum of money today. Some older churches were also decorated with gold trim, and expensive stained glass windows. Some of the local parishioners would help paint and build the church itself without charge, because they did it for the love of God. A good share of churches today, are being built for the glory of the architect, and not for My glory. When you build something for Me, it is done out of respect for Me, and reverence to house My Real Presence in the tabernacle. Many of these beautiful old churches are decaying without proper repair, and they are becoming museums which people do not attend for Mass. See your parish church as a place for My people to share My Sunday Eucharist in the Sacrifice of the Mass. Protect your church, and keep it in good repair for as long as you can."

Thursday, August 15, 2013: (Assumption of Our Lady into heaven)
The Blessed Mother said: "My dear children, you are reading my Magnificat that was in today's Gospel, and it was the longest quote of my words in the Bible. My most important words were when I accepted my Lord's call to be His mother when the Archangel Gabriel greeted me. This portrayal of my pregnancy with my Son was expressed in the Book of Revelation when it spoke of a woman dressed in the sun. This describes the miracle of my image on the tilma of Juan Diego in Guadeloupe, Mexico. Your priest today was right to point out that your society puts down the beauty of birth and pregnancy, because it is more

concerned with sinful pleasures, than bringing babies into the world. The miracle of Guadeloupe was to discourage the Indians from offering their infants to their gods in killing them. Today, your society is offering up your unborn babies to your gods of convenience and avoiding embarrassment. Conceiving children is a gift of life, and not a child to be killed by abortion. You need to pray for your people to avoid sexual sins, and to stop your abortion mentality. You cannot flaunt the Fifth Commandment by killing your babies. How can your mothers kill their infants in the womb, and not expect some punishment? I will still forgive them if they repent, but they will have to make some reparation."

Prayer group:

Jesus said: "My people, this vision of a crucifix is a sign of suffering. This crucifix coming close to you is a sign that suffering could be coming close to My faithful. I have given you messages before how My people will be seeing more persecution as time draws close to the Warning and the tribulation. Some of your Catholic institutions may still have to deal with the current mandate of providing birth control means, even though it is against what My Church teaches on these things. Be prepared to deal with more restrictions from your Health Care Law."

Jesus said: "My people, I have warned you about a coming division in My Church. Some nuns are bringing New Age teachings into My Church which is a description of the schismatic church. If you see heretical things being taught, and reiki, or other transcendental teaching being promoted, try to stop them. If there is no change, then move on to another faithful church. The devil is trying to divide My Church, but I will not allow My faithful remnant to be destroyed."

Jesus said: "My people, you are seeing a struggle in Egypt that has killed some innocent people in a struggle for power over this country. The military has killed some protesters who support the Moslem Brotherhood. This struggle to find new leadership, could result in another conflict. There already is a continuing struggle in Syria and some killings in Iraq. Many of these hot spots in the Middle East could result in a major war that could involve many sponsors. Pray for peace in the Middle East."

Jesus said: "My people, you have not seen much talk of the poor countries of the European Union, but they are still being financed by the richer countries. Every time that they run out of money, they keep looking for more loans which are harder to finance. America also is having financial problems in trying to finance its welfare state, and the new Health Care Law. It is unsure how the Congress will be able to finance this Health Care Plan as the costs keep increasing."

Jesus said: "My people, whenever you see uncertainty and financial weaknesses

in countries like China or other countries, then you see weaknesses in those currencies and gold and silver prices will rise. When the consumers max out their credit cards, then your economy could weaken. Pray for the finances of your people, so another recession or crash does not occur. Your economy is weak by your production numbers, so pray that your people can keep their jobs."
Jesus said: "My people, I rely on My faithful to continue their daily rosaries to make up for the many sins of the world. Without this balance to evil, I would have to bring My punishment against the evil countries who sin the most. I have asked you to pray that your prayers could be doubled because very few pray for sinners. You pray for your families, but there is much need for other souls as well. If you miss your prayers, you could make them up the next day."
Jesus said: "My people, you have the faithful who come to Sunday Mass, and some are still attending the feast days of obligation that are remembered throughout the year. Today's feast of the Assumption is an honoring of My Blessed Mother when she was assumed into heaven to avoid any corruption of her body. On My Blessed Mother's feast day, remember her call for rosaries to be prayed for her intentions of: souls in purgatory, poor sinners, peace in the world, and stoppage of abortion. My Blessed Mother is watching over her children, and you can ask for her help in your petitions."

Friday, August 16, 2013: (St. Stephen of Hungary)
Jesus said: "My people, the people of My time questioned Me if it was legal to divorce their wives. I explained to them that a marriage between a man and a woman was meant to be a life long commitment to each other, as I joined Adam and Eve. They quoted Moses who gave them the authority to divorce their wives. Only in situations where the marriage is not lawful because of a precondition, could there be a divorce. In certain circumstances where one spouse is overly abusive, or an addict to alcohol or drugs, it would be hard to tolerate such a life. This could be considered an impediment in a marriage. Each spouse may have some imperfections, but spouses should work to compromise any differences, so the marriage could be preserved. Some people are too quick to want a divorce without giving the marriage a chance to work. My Church does accept annulments, but they are at times given too freely. It is better to be

married in the Church as a sacrament, instead of living together in fornication. My people need to imitate My love in their marriages, and they should not just seek their own way. Marriage is a commitment to give your life as a gift to your spouse with Me in the middle. By focusing more on love between the spouses, you can overlook any petty differences."
Jesus said: "My people, there are a good number of people who are so taken up with the latest computers, tablets, phones, and other hand-held devices. It is easy to become addicted to playing with these devices, and they consume a lot of your valuable time. My son, you have learned this lesson when you were taken up with writing computer programs. The biggest lesson that you learned, was not to let anything control you and your time. Without any control over how you spend your time, you will not have any time for Me in prayer. Your experience with My peace in Adoration is much more satisfying than working with the newest electrical device. Every device that you craved for, only lasted until the next new device would come out. This craving for things shows you that these things will become obsolete, and in the end, it is your soul's destination that is more important. I created people as an extension of My love that I wanted to share. Your soul craves to be with Me more than your body desires earthly things that are not important. My faithful can share their love with their family and friends, and you can share your faith experience with those who you can evangelize to love Me. There is a great spiritual satisfaction in bringing souls to know and love Me. I love all of you so much, and I am pleased when you can love Me in return by your own free will."

Saturday, August 17, 2013:
Jesus said: "My people, your life on earth seems like a long time when you are young. Once, you become older, you start to realize how short your time is on earth. Since your lifetime is relatively short, you need to make the best use of your time by serving Me, as Joshua encouraged his people. Those people, who have a terminal illness, like cancer, know their time is limited even more. Joshua made a statement of faith that everyone should live by: 'As for me and my household, we will serve the Lord.' My son, you have your own favorite quote: 'Seek first the kingdom of heaven, and all that you need will be given to you.'

There are many beautiful Bible verses that people can live by. I know all of your personal needs in this life, and I will help you to survive. By loving Me and loving your neighbor in your actions, this will please Me the most. You can serve Me by your good deeds and your prayer life. When you recognize Me as the center of your life, then following My Commandments is the best way that you can truly believe in Me. Consecrate everything you do for Me each day, and your life will be a joy to follow My Will."
Jesus said: "My people, I keep showing you these visions of tunnels because this is how you will experience My Warning, that is very close. You are seeing My eye in the vision because I am watching all of your actions, both the good and the bad. A day is coming when you will have to answer for your bad actions. Even now, you can repent of your sins with contrite hearts, especially for Catholics who have access to Confession to a priest. After you receive your absolution, your sins will be forgiven, and grace will be restored to your soul. Make a plan to come to Confession, and do not keep putting it off. With frequent Confession, then your Warning experience will be less severe. Many times you keep falling into sin, but you need to keep seeking My forgiveness. I am always ready to forgive any repentant sinner. It is those, who do not seek My forgiveness, that could fall into greater sin, and be lost. Keep praying for sinners that their hearts could be softened to receive Me as their Savior. You cannot come to heaven, unless you come through Me."

August 22, 2013
Sunday, August 18, 2013:
Jesus said: "My people, I have given this message about a coming Warning experience many times, but now it is truly at the door. Just as you heard one witness ask if this is truly going to happen, I am telling you that it is true, and it will happen. This will come in My time, and not when you want it. I know that many sinners are not prepared for the coming evil of the Antichrist of the tribulation time. My Warning experience will be similar to a 'near death' experience when you will come to My Light through a tunnel of time outside of your body. I will show all of you a life review of all of your good and bad actions with an emphasis on your unforgiven sins. At the end of your life review, you will have a fair mini-judgment to heaven, hell, or purgatory. This is a picture

of where your life is headed, if you do not change your life. You will also have a preview of what your soul's destination would be like so that you will know the consequences of your actions. You will be warned not to take the mark of the beast or a computer chip in your body, and not to worship the Antichrist. You then will be placed back into your body in time, and you will have six weeks of time for your conversion to change your life. Then you will see events move quickly that will bring the Antichrist into power. You need to prepare yourself spiritually with repentance in Confession to minimize the severity of any punishment. Remove all of your electronic devices from your homes, and be prepared with some camping supplies to leave for My refuges when I warn you that it is time to leave. Before martial law you can call on Me, and I will have your guardian angel lead you to the nearest refuge with a small flame. Your angel will put a veil of invisibility around you to protect you. You will have a cross on your forehead that will allow you to enter any refuge. Have no fear because I am always with you."

Monday, August 19, 2013:
Jesus said: "My people, the snake in the vision represents the devil and his demons who are attacking your churches to close them. By attacks on the priests, they have caused some to go astray, which at times causes a priest shortage and closed churches. There are also attacks on Catholic or religious institutions for not providing birth control pills and devices from your government's mandate. This breaking of the pews by the snake represents all the various attacks on My churches from the demons. You will see more New Age teachings in various churches, which My faithful will need to leave. These are just a few ways in which the devil is trying to destroy My Church both from within and from government sources. Pray for My faithful not to lose their faith like the Israelites who worshiped other gods. I will protect My faithful remnant, and the gates of hell will not prevail over My Church, even if you have to go to underground Masses."
Jesus said: "My people, those people, who do not learn from history, are the ones to repeat the errors of the past. In the days of the Judges, the Israelites worshiped the Baals and gods of their neighbors, instead of worshiping Me, the One true

God. As a consequence, I allowed their enemies to plunder them as a punishment. In America today, you are repeating the same mistakes, only your gods are money, fame, and sports. You also are committing many atrocities by killing millions of unborn babies, some being killed by euthanasia, and you are approving gay marriage. Just as the Israelites were punished by a takeover, so America can expect a takeover with a loss of all of your freedoms."

Tuesday, August 20, 2013: (St. Bernard)
Jesus said: "My people, in the Gospel you have the best encouragement that I could give you when I told My apostles: 'For man, many things seem impossible, but for God, all things are possible.' I had told them that it would be as hard as putting a camel through the eye of a needle, in order for a rich man to be saved. This needle is not for thread, but it was a four foot by four foot hole to keep camels out of church. The story of Gideon in the first reading, is an example of how I give signs to My leaders so they would have the grace and faith to carry out My mission for them. All of you have life's moments when you think that you cannot accomplish a needed goal. When you were faced with changing your tire in the dark, you had faith enough to pray for My help through St. Michael the Archangel. The young lady gave you help with her headlights, and she helped you mount the spare tire on your van. An angel helped Gideon to have faith when the angel brought fire down on his offering. You all need to have faith and hope that I will give you what you need to accomplish your mission in life. You have seen already in many ways how I have helped you, and I will continue to help My faithful endure the coming tribulation."
Note: We had just finished praying the rosary for a man who was having a crisis of faith, when we got a flat tire. It was totally dark in the country. All we had was a little moonlight. After an hour of struggling to put the spare tire on, we saw the need to pray to St. Michael for help. We did not even finish the prayer, when this young girl drove by alone at 10:30 p.m., and she stopped to help us. She was really like an angel.
Jesus said: "My people, you have read many accounts of the radioactive disaster that happened at the Fukushima nuclear plant in Japan. Because the reactors were ruined by the tsunami, they lost cooling, and there were several hydrogen

explosions, and nuclear meltdowns. Even today, seawater is cooling these reactors, and the radioactive water is being dispersed into the Pacific Ocean. Very little has been done to stop this disaster. Now, there is concern over hundreds of spent fuel rods that need to be removed from a pool of water in the fourth reactor. In the vision you could see an explosion with more meltdowns of these spent fuel rods. They have already seen one pool of water leak out, and it will be a dangerous job to remove these fuel rods. If a worse case scenario happens, there would be no means of containing another nuclear meltdown. Pray that this operation is successful, and that the authorities can do something to stop the radioactive contamination of the air and the water."

Wednesday, August 21, 2013: (St. Pius X)
Jesus said: "My people, this parable of the workers in the vineyard, seems a little unfair to the ways of man, but to My ways, it is very generous. The different times of the day represent the different times when the people were converted during their lives. The same usual wage is the reward of being able to come into heaven. This long line in the vision represents how long the people had to wait in order to come into heaven. This could even be the souls in purgatory who had to suffer a while before entering heaven. Those, who came to work in the last hour, represent those souls who were saved right before their death. These souls were fortunate to be saved at all, so they were allowed into heaven first. There are seven levels of heaven, so there is further justice that some souls who labored longer, could be granted a higher place in heaven. All of you should be struggling to get into heaven, however you can manage to show your love for Me and your neighbor."
Jesus said: "My people, when someone has a sudden intuition on a subject, it is like a light bulb that is turned on in that person's mind. After you hear the whole story of how the vineyard owner dealt with his laborers, there is a realization that

I was talking about people saving their soul at the eleventh or last hour. It is My blessing and generosity to each soul, that you could even be saved with Confession on your death bed. You should not wait to the last minute, because you could die suddenly in an accident, even at a young age without time to repent. Now is the acceptable time to be saved by repenting of your sins, and asking for My forgiveness. The earlier that you can convert your life, the more time that you will have to do good deeds for your neighbor out of love for Me. The usual wage that represents the reward in heaven, does not have to be worth more, as in a greater wage. Heaven is not entirely earned, because it was My death on the cross that gives you your salvation. It was the sacrifice of My Blood that washes away your sins, and opens the gates to heaven for all worthy souls. Give praise and thanks to your God for forgiving your sins, and allowing you into eternal life with Me in heaven."

Jesus said: "My people, you remember well about the Good Samaritan who was the third person to come upon a beaten up traveler. A priest and a Levite passed by this scene of one in need of help. It was a foreigner who took compassion on this person who was beaten by robbers. He cared for his wounds, and paid the innkeeper to take care of the man. This relates to your own situation late at night in the dark, when you were trying to put a spare tire on your van to replace a flat tire. In your case it was a young lady who showed up to help you after your prayer. She put her headlights on the back of your van, and she even mounted the tire for you. You were praying for someone to help you, and I sent an angel of this lady to help you as a Good Samaritan. Even though it was dangerous to help someone in the dark of night, she was kind enough to risk helping you. You used to help people on the road, but now with bandits using such excuses, you are more reluctant to do so. Those, who want to risk helping someone in need, are the real 'Good Samaritans' who feel inspired to help their neighbors. You now have a renewed sense of compassion when you know how desperate you were for someone's help. If you have an opportunity to help someone, do not be like the priest or the Levite who passed up a chance to help someone. It is almost a sin of omission to not help someone in need. You will have to answer to Me for all the opportunities that I gave you to help someone, even when you were out of your

Thursday, August 22, 2013: (Queenship of Blessed Virgin Mary)
Jesus said: “My people, in the Gospel you see Me tell a parable of a king inviting his people to come to a wedding feast for his son. But many people refused to come, and they killed his servants. The king sent his troops to kill these evil ones, and he burned their cities. Then people were invited to fill the banquet hall from off the street. One person did not have a wedding garment on, so he was bound and cast outside. I am the son in the parable. My heavenly Father is the king. The wedding feast is heaven where I am inviting the people to come. I am being married to My bride which represents My Church. Not all of the people accepted My invitation, so the evil people were cast into hell represented in the burning of the cities. Another scene is when the servants were asked to go out into the streets to fill My banquet hall with guests. This could be likened to My Warning experience. The first invitation was during life before the Warning. The second invitation is more direct to everyone in the world when the people will see their illumination of their conscience in their life review. After the life review, the people will be shown their mini-judgment, and given a taste of their soul’s destination. People will then be placed back in their bodies with an opportunity to change their lives. If some people refuse to accept Me, they will meet the same judgment of being cast into hell. If the rest accept Me and love Me and their neighbor, they will be welcomed into My wedding feast of heaven. For many are called, but few are chosen. After the Warning, I will be preparing refuges for My faithful to come and be protected by My angels. This will involve people accepting My call to come to My refuges by leaving their homes, and following their guardian angels to the nearest refuge. By putting your full trust in Me, you will be healed both in body and soul. I will protect My people from the Antichrist, and I will bring them into My Era of Peace, and later into My wedding feast of heaven.”
Prayer Group:
Jesus said: “My people, there are many souls suffering their purification in purgatory. Some are suffering in flames, while others are suffering not being able to see Me. Some of these souls could be in your extended family that you could be praying for. In this experience of purgatory you could hear the cries of these souls for prayers so they could be released into heaven. You also could hear the whispers of many souls asking for your help. You had a flashback of hearing Eugene plea for prayers to Sondra Abrahams over the phone. The voice sounded like this soul was in desperation to give a physical sign for prayers. This intention of praying for the souls in purgatory is one of the main intentions that

My Blessed Mother has asked you to pray for with your rosaries."
Jesus said: "My son, you have read several books on the souls in purgatory. One book was 'Get Us Out of Here' and another book was the 'Manuscript on Purgatory'. These details from the souls in purgatory are showing you how much they suffer, and how they want to help save souls who are still alive on earth. Some souls are given the opportunity to give signs to their living relatives, so they can have their family pray for them. Having Masses said for your deceased members is the best help that you could give them. Keep praying every day for the souls in purgatory, especially for those in your own family."
Jesus said: "My people, every soul chooses its own destination by the actions of its life. You can pray for sinners so they will be open to choosing to love Me. Each soul at its judgment time, has one last chance to say 'yes' to Me in repentance of its sins. In order to come to heaven, each soul has to come through Me. If that soul does not love Me or know Me, then the soul could be judged to hell. You need to establish a personal love relationship with Me in all that you do. By loving Me and doing good deeds for your neighbor, you can be on the right road to heaven, with little purification needed in purgatory."
Jesus said: "My people, you know from St. John's Gospel that I am the Word of God, and I am the Light that disperses the darkness of evil. When you mention My Name, or call on Me to send you My angels, then you will see the demons scatter. Many people who are dying, see Me and My saints coming to take them home. Some souls have seen Me in near death experiences, and their lives were changed to be more holy in life. Learn from these experiences of such people so you can prepare yourselves for your own judgment by loving Me and loving your neighbor. This is how you will be tested at your judgment, when I will ask you if you loved Me and how did you help your neighbor. My Warning will prepare many souls for their particular judgment."
Jesus said: "My people, I know that all of you are sinners, but My faithful know enough to come to Me in frequent Confession to keep their souls cleansed of sin. My faithful need to reach out to sinners not only in prayer, but even to invite souls back to Me in faith by encouraging them to not live in sinful lifestyles. I am advising you that a man and a woman should be married in order to have proper relations. Even if your family members are living together with their lovers, you need to witness your faith by encouraging them to get married, instead of living in sin. Tell your family that you love them, and you are helping them because you do not want to see their souls lost in hell."
Jesus said: "My people, you are living in an evil age with may evils trying to

bring you down. The morals of your society are so depraved that you need daily prayers and Mass just to help defend yourselves from these temptations of the devil. Now, more than ever, you need to invite Me into your life every day to help you in your trials. Without asking for My help, you could be swept away by the demons with a number of addictions. Keep close to Me in your daily consecration so I can guard your soul from the demons."
The Blessed Mother said: "My dear prayer group members, I thank you for praying my rosaries, and I will give your petitions to my Son, Jesus. I especially want to thank and encourage Queenship Publishing to continue with their good work for heaven. I hear their daily prayers, and I will bless them in their work to save souls. They can help to spread the Good News of my Son's love in all the books that they publish and sell to the people. I will pray for all of them to have the strength and success to carry on their work of sharing the message of loving my Son and your neighbor."

Friday, August 23, 2013: (St. Rose of Lima)
Jesus said: "My people, you have heard Me proclaim the two greatest Commandments in today's Gospel. (Matt.22:37-40) 'Thou shalt love the Lord, thy God, with thy whole heart, and with thy whole soul, and with thy whole mind.' And the second is like it, 'Thou shalt love thy neighbor as thyself.' I want to emphasize to My people that the unborn child is your neighbor, and you should not consider him or her as a second-class citizen. They are human beings from conception, and they are worthy of protection from abortion. You would not consider killing your neighbor, so do not kill My babies either. Shame on the mothers who kill their babies in the womb, and they are using convenience and embarrassment as their excuses. The life of the unborn is defenseless, and it is just as bad if you kill the unborn, than if you killed a newborn baby. The people of your society need to listen to Me and love your neighbor, and do not kill them, even the unborn. Wake up and understand that these babies have souls, and you are denying My plan for that child's life when you abort your children."
Jesus said: "My people, you have earthly concerns in how to make a safe trip by boat or by car. In a logical plan you see how much money and time it will take to make the trip. You may have maps or compass settings to keep on the right course. After you have considered the earthly things to do, then you need to pray

for a successful trip, so I can guide you on your way. When you trust in Me to accomplish your goal, you have all that is necessary. You may encounter some difficulties along the way, as you did with your long wait at the border, and your time lost changing your tire. Ultimately, you made it to your destination, and that was your goal for the moment. Every project that you set out to accomplish, may need some serious prayer, as your novena to St. Theresa for a successful DVD movie. I have told you before to make prudent plans for any big project, and then come in front of My tabernacle so I can give you discernment if your plan is right for you. It may also be a good idea to have alternate plans, if one plan is near impossible to carry out. By trusting in Me, and your confidence in My help, you will find a way to choose the best course of action."

Saturday, August 24, 2013: (St. Bartholomew)
Jesus said: "My people, in the Gospel, Nathaniel was questioning who I was at first, but once I spoke to him of where I saw him, he quickly changed to believing in Me. Many of My apostles were at first in doubt of My Resurrection as St. Thomas, but once I showed him My wounds, he believed. It is easier to believe in someone when they present you with miracles, but blessed are My faithful who have not seen Me in the flesh, and still they believe in Me. In the vision I am shining My Light of understanding down upon My people. When you are shown the way by My Light, and given My graces in My sacraments, then you will have all that is necessary to follow Me to heaven. Some people are blinded by the cares and attractions of this earthly life, but with My Light, you can see that you were created to be with Me in My heavenly life of the spirit. My people need to be enlightened with faith in Me in order to see their way to heaven. When you trust and believe in Me, I will see to all of your earthly and spiritual needs."
Jesus said: "My son, I am well aware how you always wanted the newest computer, software, and add-on peripherals. When these things first came out, many people wanted to use these personal computers. Over time you were so taken up with your computer programming, that you became addicted to these things. There were many entrepreneurs who started up computer companies that made these products available. You were fortunate to come to My Blessed Mother's apparitions in Medugorje, because it was there in My Blessed

Sacrament chapel that you could hear Me telling you to stop your five hours of programming every day. You were alienating your family, and you were letting your pride of making computer programs control your life. Computers have their place in carrying out your daily work, but you have learned not to let anything have control over you, or your time. I need to be at the center of your life, and not your own personal desires. You need time for Me in your prayers, and you need to let Me lead you in doing the mission that I have given you. It is only when you said 'yes' to Me, that I could use you to fulfill your mission. You are here to know, love, and serve Me. You are also being called to share My messages of love, teaching, and warnings. When you love Me, you want to share that love with others, so their souls can be saved for heaven, and not lost in hell. Keep close to Me in your prayer life, and let Me continue to lead you on your mission. You are a good example of how re-conversions can break addictions to earthly things. Be ready to give up all of your possessions when you will be called to My refuges."

Jesus said: "My people, you have had plenty of rainfall this spring and summer, and that is why your grass is green, and your harvest of crops are forecasted to be better than last year. You have been given a reprieve this year with good growing conditions. You still will see a world famine coming because weather conditions have changed all over the world. The famine that I am preparing you for, will be one controlled by man. There is plenty of food, but it is not always easy to distribute it to where it is needed. A coming problem will also be the control of your buying and selling that will require a chipped credit card, and eventually a chip in the body. Do not take a chip in the body to buy food because I will multiply the food you have both in your homes and at My refuges. This is why I have asked you to store some food at your homes and My refuges for the coming man controlled famine. Trust in Me that I will provide for your physical and spiritual needs."

Monday, August 26, 2013:
Jesus said: “My people, this underground door leads to one of the underground cities that has been prepared for only the VIPs with taxpayer money. You know that the one world people are preparing for a possible takeover, and a possible revolution. They have stored away extra food and ammunition in their underground bunkers. When the people do not see any more checks for welfare, Social Security, and other government jobs, there will be a hue and cry over a government shutdown. This is a real possibility if your Congress does not pass a Budget, and it does not raise the National Debt Limit. The one world people have been looking for an excuse for a government takeover, and they could use a fight between your political parties as such an excuse. Shutting down the government could trigger chaos and riots, and the banks and your electric grids could be shut down as well. This would be when the VIPs would retreat to their underground cities to wait out any crisis. My faithful, who have extra money at home, as well as food and water, would also be ready. The problem will come when looters will be looking for food and water. If riots get bad, then My faithful may also have to retreat to My refuges with your guardian angels. You can share your food until people with guns will make it difficult for anyone to survive. Be prepared for such a takeover, and have things prepared to come to My refuges. You have been warned about this day coming for some time, and it is getting very close. Trust in Me to protect you, and provide for your needs.”
Jesus said: “My people of America, you need to tell your leaders that you do not have to get involved with the war in Syria. Your government is moving warships to Syria, and it is complaining about nerve gas being used to kill a few hundred rebels. This same tactic of using weapons of mass destruction to start a war, is similar to when you went into Iraq to remove its dictator. Such war actions should be approved by your Congress, and not just a passive approval. America could only degrade its military, and increase its deficit by getting involved with another war. It is not clear which side you are helping, and you could risk a confrontation with Russia. It is also not clear which side might have used chemical weapons. America is not being threatened, and your goals are not clear what such an incursion would accomplish. Pray for peace that your President does not make a big mistake. It is the one world people who want war in the Middle East. I have warned you in earlier messages with the meteor over Russia, that you could see another war in the Middle East.”

Tuesday, August 27, 2013: (St. Monica)
Jesus said: “My people, every night recently, you keep seeing and hearing about the fires in California, and how many acres have been burned. This burning is like the purification that some souls in purgatory must endure. I spoke to the Scribes and Pharisees in the Gospel about how they cleansed the outside of their bodies, but they neglected to cleanse the inside of their hearts and souls. I called them hypocrites because they encouraged the people to follow all the Mosaic laws, but they did not obey the spirit of the law. Even My faithful need to be aware of practicing what they preach, so they cannot be accused of being hypocrites. Do not do things just for show, but take your prayers seriously, and cleanse your souls frequently with at least monthly Confession. It is your actions that must witness to your love for Me and your neighbor. By cleansing the inner soul as well as the outside of your body, you can work toward being a holy person in body and soul. Pray for your country’s sins of immorality because you are being purified with fire. By keeping holy in your actions, you personally could minimize any purification of your soul by the fires of lower purgatory.”
Jesus said: “My people, I told you in a previous message (8-20-13) about the dangers of the spent fuel rods in one of the buildings at the destroyed Fukushima nuclear plant in Japan. Other articles keep appearing that show the continuing danger to the world of the continuous flow of radioactive water by the tons that are going into the Pacific Ocean every day. Several of the reactors are in meltdown, and the authorities are not any closer to stopping this disaster. You need to make people aware of how much radiation is emanating from this site. The people in this area are already seeing thyroid problems because the radiation is airborne as well as in the water. Pray that some resolution could be found to stop the ongoing radiation that is polluting the air and the water in the Pacific Ocean.”

Wednesday, August 28, 2013: (St. Augustine)
Jesus said: “My people, you have various people questioning the reality of My creation of everything, as written in the Bible. Most of the people who deny My

creation account are atheists, and they do not believe in God. I am the Second Person of the Blessed Trinity which is a mystery for man to understand. When man examines My creation, He sees everything is perfect, and there is a balance in nature. I have told you before that everything that I create, is perfect and in harmony with nature. Everything that man creates, is imperfect, and he creates disharmony with nature. Two examples of this are hybrids that do not give good seeds for the next year, and your medicines that cause side effects which poison the body. Man was curious to discover DNA to see how all forms of life reproduce. Its discovery was something of beauty and order. Then the devil encouraged man to try and improve on My perfection in man's prideful ignorance. Since man has manipulated the DNA of his crops, he is now seeing more allergies and cancers. The obvious conclusion is that man cannot improve on My perfection, and this is why you have more problems with your adulterated foods. Learn to eat organic foods as I created them, and avoid your GMO crops."
Jesus said: "My people, your government is trying to join other governments to condemn the use of nerve gas bombs, and they are planning an assault on Syria from the air. There is not much evidence who fired the nerve gas bombs, but it could even have come from the rebels, because the one world people want a larger war in the Middle East. If your government carries out an attack, you need to beware of a counter attack, and if Russia or China will become involved. It is possible that Russia could be supplying sea missiles that could be used against your ships. If a war becomes larger in this area of the Middle East, there could be a threat against oil and any other cargo shipments. I continue to ask My faithful to focus their prayers on keeping peace in this area."

September 4, 2013
Thursday, August 29, 2013: (Passion of St. John the Baptist)
Jesus said: "My people, St. John the Baptist was a man of truth, and he asked people to repent of their sins, and be baptized in the Jordan. He pointed out My mission as the 'Lamb of God' and many followed Me after that. His famous words were 'I must decrease, while the Lord must increase.' This is true for all of My followers, that I should be the most important person in their lives. Eventually, St. John the Baptist was martyred because of Herod's wife, Herodius. Herod was living in fornication with his brother's wife. This living together is rampant even in your society today. The marriage act is a part of My

creation that man partakes of with a woman in producing children. This act should only be occurring under the bond of the sacrament of marriage. Marriage of a husband to a wife is the only proper environment to have children and bring them up. You have a disjointed society because you have single parents bringing up your children. Many do not understand the sacredness of the marriage act, and they do not even think that fornication is a sin, if the couple love's each other. Adultery and fornication are still mortal sins against the Sixth Commandment, even if people do not accept My laws. To properly receive Me in Holy Communion, such sins need to be forgiven in Confession, or you are committing a sin of sacrilege. Even married partners for life, need to avoid using any birth control means, because each act of relations needs to be open for possible conception. My Church only accepts family planning of taking advantage of infertile times to control the number of children. I know there is a desire for pleasure, but I want My followers to abide by My laws for such relations. The sins of the flesh send more souls to hell than any other sin. I have given you My sacrament of Penance to cleanse such sins from your souls. This is why a man and a woman should not live together with relations without marriage, to avoid a near occasion of sin. Treat the marriage act with respect because you are sharing in My creation at that time. Honor marriage as a lifelong commitment with your spouse. If your society lived this way in normal families, you would have less sin, and a better life for your children in a moral society. As you are right now, America will be held responsible for your abortions and your sexual sins. As a punishment, your country will be taken away from you."

Prayer Group:

Jesus said: "My people, many people are questioning why you should bomb Syria because you do not support either side. You also do not have proof of which side used a nerve gas agent. There is some suspicion that the one world people are behind the Moslem Brotherhood that is trying to oust Assad. Another concern is about Russian warships that are coming to the Mediterranean Sea. Some are even talking about closing the Suez Canal. With all of these uncertainties looming, it is hard to go forward with any Tomahawk missile attack. Keep praying your novenas to stop this possible war, and call on My heavenly angels to thwart these demons from starting a more serious war."

Jesus said: "My people, you have a military in Egypt that is siding with the people against the Moslem Brotherhood. After seeing the control of the Moslem Brotherhood, as they were in power for awhile, the people want more freedom. This is why the two sides are clashing on the streets of Egypt. There is a

question of sending aid to Egypt, because it is unclear who would be getting the money. These funds have been secretly shut down until one side appears to be in control."

Jesus said: "My people, you have heard of the many changes in the Health Care Law where some provisions are exempting certain groups from paying immediately. Some of your Republicans in the House do not want to fund this law because of its penalties and restrictions on medical care. Some doctors are retiring early, and some companies are turning more full time workers into part-time workers so they have less to pay for their health care. The fact that certain groups are being postponed for a year or two, indicates that even the Democrat sponsors are concerned about the failure of this law. Pray that people can keep their health care plans without large increases in the costs."

Jesus said: "My people, you saw some major problems with your budget last year. You first implemented your sequester which limited your individual budgets by 5-10%. You also stopped the reduction in your Social Security tax. Your economy has been sluggish this year as a result. Now, you will have the same cuts for next year with a need to raise some debt limits to keep paying your bills. Because there is not a clear path forward, many companies are holding back on hiring more people. Your people cannot afford a new war with your current deficits. Your Congress and your President have to make some serious choices on how to finance your government."

Jesus said: "My people, you have seen parts of your government ordering unusual amounts of food that is not for your military nor the general public. You are also seeing orders for large amounts of ammunition, and preparations for handling street riots. These things are in addition to the detention death camps that are being prepared. My faithful need to trust in Me that I will bring My Warning when it is needed. I will also tell My faithful when it will be necessary to go to My refuges."

Jesus said: "My people, My messages have been warning you to store some food, and have your things ready to leave quickly for My refuges. Many people look around, and they do not see any immediate threats to their lives. All I can tell you is that when things start to happen, they will happen quickly, and you will not have any preparation time. It is better to be ready to leave quickly, or you may not be able to leave your homes before the men in black could capture you. Heed My warnings so you can save your lives and your souls."

Jesus said: "My people, I have told you many times that you can only have peace through My graces in My sacraments. It is by frequent Confession and Holy

Communion at Mass where you can draw on My peace and strength. Do not let the daily concerns of wars, finances, and the devil's temptations so distract you, that you lose your peace. You need to stay calm and trust in My protection, and you can guard your peace. Do not let anything upset you or control you in any way that will threaten your peace. You may see many disturbing things on your news, but do not let news control you. The devil wants to take away your peace, but keep steady in fighting his temptations, and you will be able to weather any earthly or spiritual storms."

Friday, August 30, 2013:
Jesus said: "My people, today's Gospel about the five wise virgins and the five foolish virgins, is a typical message that I use to prepare people for what is coming in the tribulation, and at My judgment of souls. When people are preparing for a hurricane to strike on the coast, they listen to the weather forecaster, and they can see satellite pictures of the coming storm. Then they start boarding up their windows, and they prepare food, water, and suitcases of clothes for when they may have to evacuate. The wise virgins carried extra oil for their lamps, but the foolish virgins did not. Once the time comes for the tribulation, My faithful, who have followed My warnings, will have food, water, and clothes ready to leave for My refuges. Those, who do not heed My warnings, will be like the foolish virgins, and they could be captured and killed in the detention death camps. The Gospel is a warning to be ready not only physically, but My faithful need to have pure souls ready by frequent Confession, because you do not know the day that you may be called home at your judgment."
Jesus said: "My people, the one world people are directing your President to bomb Syria, no matter what evidence is provided. Even when some rebels admitted to the nerve gas bombing, all of the President's spokespersons are pushing ahead with their attack. There is very little thought about the possible repercussions of starting a larger war. I have asked My people to pray for peace. Now, you need to pray that any bombing does not trigger a larger war. Some countries see your President as a weak leader, with no stomach for a ground war. This could cause a miscalculation by other nations to be more aggressive in the use of their own weapons. Another problem with warfare in the Middle East, is

that oil shipments could be slowed, which could raise gasoline prices. Keep praying to minimize any killings in this region."

Saturday, August 31, 2013:
Jesus said: "My people, today's Gospel about the talents is another lesson in judgment on people who do not use their God-given talents. You all are given time, talents, and an opportunity to gain treasure for your livelihood. How you spend your time and use your talents and treasure will be one of your accountings at your judgment. My faithful have also been given a gift of faith, and My sacramental graces that you should share as well with your neighbor. In life you share what you have with your children and your grandchildren. At other times you can share your labor and your money in charity for your neighbors. Sharing your faith in trying to help save souls, is an even higher calling. It is one thing to help people to survive in the body, but it is another thing to help save souls from going to hell. Striving for a heavenly destination is against the body's desires in many ways. This is why so many souls need prayers and guidance to keep on the right path with Sunday Mass, Confession, and leading a holy life. By a good example from My faithful, you can help influence your family and your friends to come closer to loving Me. When they have Me in their lives by your invitation, I will enrich their lives with My love and My mercy. Keep working to save as many souls as you can, and you will have your reward in heaven."

Sunday, September 1, 2013:
Jesus said: "My people, you have a small reprieve from your President in wanting to bomb Syria. Today's Gospel speaks about pride and taking places of honor. Your President spoke of a red line in using chemical weapons. Now, he does not want to lose face, so he wants the bombing, but he is also afraid to go ahead without Congress approving it. If the Congress disapproves of the

bombing, it is uncertain what your President will do. There has been enough killing already in Syria without bringing more destruction on this country. Keep praying that with time, these hard hearts could be changed to avoid more bloodshed, and avoid the possibility of a larger war. Your country is already suffering from your many fires in the West, so why do you want to cause more suffering on others, as well as a budget busting war."
Jesus said: "My people, this is another sign of the coming Warning, and the vision represents a lot of activity and confusion going on at the time of the Warning. I have given you many messages about how the Warning is close, and My faithful need to go to frequent Confession, so you will not have to face any judgment to hell. Right now, there is a lot of tension in the Middle East if America sends missiles into Syria. Hopefully, cooler heads will prevail in your Congress to discourage such an attack with no exit strategy. If Congress does not support such an attack, it may give your President an opportunity to back down and save face over this 'red line' promise. Keep praying to stop this attack, and be prepared for the coming Warning."

Monday, September 2, 2013: (Labor Day)
Jesus said: "My people, ever since Adam and Eve were banished from the Garden of Eden because of their sin, men and women have had to work by the sweat of their brow to earn a living. Even today, people have to struggle to make ends meet by working more than one job. Your media speaks of more jobs and a pick up in the economy, but the truth is that you just have more part-time jobs at a lower wage. The average household income is decreasing ($55,000 in 1999 to $50,000 in 2011) while the rich are making a large increase in their incomes. The goal of the one world people has been to export the good paying factory jobs so the middle class is being forced to work several jobs for less money. The people on government support are increasing as your deficits are increasing in order to pay people not to work. There are many injustices going on, but your country's deficits are going to cause an eventual bankruptcy. Already many cities are about to go bankrupt because they cannot afford to pay many expensive pensions. College tuition is also creating a bubble of loans that are becoming harder to pay off. Pray for your working people who are finding it harder to pay their bills."

Jesus said: “My people, with your current economy, it is hard to find a good paying job, and finding benefits is even harder. In older days, it was enough for the husband to work to support his family. Today, the wives need to work also, as it is not uncommon to have two or three jobs in a household to survive. At one point the wife’s job would allow a family to have some extra money for vacations and furniture. Today, the wife’s job is needed to cover the bills of running a household and paying for any children. As the young adults try to get a college education, they need jobs, and can only afford community or state colleges. Even books, transportation, and meals, are becoming more expensive. It is difficult for these students to pay off their loans, and to find a job in their major when they are finished. All of these problems are even harder for single parent households. Pray for all the families that are struggling to survive, but the working poor are suffering the most.”

Tuesday, September 3, 2013: (St. Gregory the Great)
Jesus said: “My people, you are well aware that I am the Second Person of the Blessed Trinity. Even as a God-man, I still had authority over all beings that I had created. The people around Me heard My words as one speaking with authority. My words are remembered forever. When the demons were even fearful of Me, the people realized that I had special powers that they did not understand. The people were even further amazed when I commanded the demons to come out of the man, and the demons obeyed. Such authority over demons, I even conferred on My apostles, so they could share My words of love without fear. You know My true authority over people and spirits, but you also know how much I love you, and have mercy on poor sinners. I know your weakness to sin and the demons, and that is why I give a guardian angel to each of you, along with the graces of My sacraments. My priest sons have been given the authority to forgive your sins in Confession, and to consecrate the bread and wine into My Body and Blood in the Mass. Keep close to Me in Confession and in receiving My Eucharist at the Mass. By keeping a pure soul, you will have the graces to fight off the demons’ temptations. When you are being attacked by demons, you can speak with authority by calling on My Name, and requesting Me to send My angels to strengthen you. Trust in My power which is much

greater than all the demons."
Jesus said: "My people, it is true that sarin gas appears to have killed hundreds of people in Syria. It is not confirmed which side used such a deadly gas. There are even some reports that the rebels had such bombs. Your President now wants to punish Assad, but he is not talking about regime change. In the past you have seen Gaddafi and Mubarak removed from their leadership to allow the Moslem Brotherhood to take over. Any substantial bombing looks more like Libya in order to remove Assad from Syria. Such bombing could kill many people, and not just surgical attacks on military targets. Civilians are being moved to such targets on purpose as human shields. The rebels could have used the nerve gas on purpose to draw America into this war. The Russians are not going to stand by and watch their client get decimated. Russia sent more weapons to support Assad against the rebels. Russia is also sending ships to the Mediterranean Sea to defend Syria. Carrying out a planned bombing on Syria could bring America into a broader conflict with other nations, especially Russia. America should avoid intervening, and avoid killing more people. The one world people want America to get into another war to make money, and weaken your military. These arguments about pride or saving face, do not justify a war where America's security is not in danger. Keep praying that America does not bomb Syria, and you do not get involved in a larger war."

Wednesday, September 4, 2013:
Jesus said: "My people, in many towns I healed the sick, and I cast out demons from the possessed people. The people wanted Me to stay in their town, but I told them that I had to proclaim the Kingdom of God to other towns as well. In today's Gospel, it spoke of My being in a deserted place, like the desert in your vision. You, My son, have also been given a mission not only to help save souls, but to prepare the people for the coming Warning and the tribulation. You are being encouraged to help people after the Warning to come to Me in the priest to confess their unforgiven sins. You also are warning the people not to take the mark of the beast, or a computer chip in their bodies. Avoid looking at the Antichrist's eyes because he could influence people to worship him. During the tribulation, My faithful will need to seek out places of refuge where your

guardian angels will lead you. The evil ones will try to kill My believers, but you will be shielded at My refuges with being invisible to the evil ones. Some refuges will be like the Exodus where you will have Holy Communion from My angels, along with deer, and water for your survival in deserted rural places. Your time during the tribulation will be like your purgatory on earth, and you will be living a rustic life of prayer. Give thanks and praise to Me for watching out for you all of the time. You may see some martyred for their faith, but they will become instant saints in heaven. I call on all of My faithful to be missionaries where you are, as you reach out to help save souls from hell."
Jesus said: "My people, you can see how anxious your President and the one world people are, to have America involved in another major war. There are repercussions that could stop your trade from communist China that could shut down many of your cheap imports. This could damage your manufacturing, your food, and your medications. It would take a lot of investment and time to start making more things in America. A war of large proportions could bring on a world depression and a world famine. Once a war starts, you do not know what will result. Be prepared with your food supplies, because you could see your government ration things, and your banking system could crash. Any break down in your supply chains, could cause riots and a time to come to My refuges. Be watchful of these repercussions, if your government chooses to bomb Syria. I keep asking My faithful to keep praying that this bombing does not happen, or you could see a possible World War III."

Thursday, September 5, 2013: (Jim Manuele's funeral Mass)
Jim said: "I am so grateful for all of my family and friends who took the time to come and celebrate my life and my Mass. I especially thank those people who helped me through my last days. I love my dear Sharon, Paul, Lenore, and all of my family. I will be watching over you and praying for you. Thank you for all of those who gave some kind words about me at the Mass. I was so happy that I could help so many church groups with my financial skills. Some people appreciated my words of frugality. You saw me cleansed of my sins by the Mass and through my illness, so now I am in heaven with my Jesus. Of all the organizations that I helped, I was most touched in the heart when I helped the

Lake Avenue Women's Care Center. God bless them in all of their beautiful work to help women."

Prayer Group:

Jesus said: "My people, I have told you many times that you are witnessing a major battle between good and evil. I mentioned this before that you are seeing demons that had fallen from the Principalities and Powers that now are helping witchcraft people to bring America into a major war with many lies. You have seen My Pope son ask for novenas of prayer and fasting to stop the bombing of Syria. You need to call on Me to have Me send you My angels to fight these demons. Your rosaries and novenas are greatly needed to fight the one world people and the demons who are stirring up this war. Pray your St. Theresa novena continuously to prevent this war from expanding."

Jesus said: "My people, the Antichrist and the demons are planning the demise of America by bringing you into a major war that will weaken your military and cause more deficits that could bankrupt your country. When major events start happening, there could be a crash of your economy that could lead to riots and a takeover of your country. Before martial law is declared, I will warn My faithful when it is time to leave for My refuges. America will be brought into the North American Union, and the Antichrist will come into power soon. Trust in My power which is greater, since I will bring My Comet of Chastisement to destroy all of the evil ones."

Jesus said: "My people, I have been warning My refuge builders to put the finishing touches on their refuge buildings because the time of the Antichrist's coming is close. Even before martial law is declared, I will warn My faithful when to leave their homes for My refuges. I have given you many years of messages that are preparing you for the Battle of Armageddon. Any major conflict that breaks out, will quickly involve Israel, and many world powers as Russia and China. Trust in My angels to protect you at My refuges."

Jesus said: "My people, you do not realize the significance of a major war that could help bring the Antichrist into power. You have seen the power of My Blessed Mother's rosary in fighting other battles in history as the Battle of Lepanto. I call on all of My faithful to keep this intention of stopping this war by praying your rosaries to stop this evil plan. Keep trusting in having Me hear your petitions for this war."

Jesus said: "My people, I mentioned this before that America and Russia could easily miscalculate the reaction to the planned bombing. Russia has said that it will consider a unilateral American attack on Syria as an act of war, and an act of

aggression against its client, Syria. Russia has every intention of defending Syria, even if it comes to using nuclear weapons. This is why starting a bombing attack on Syria could bring America into an expanded war with Russia. Again keep praying that this war does not expand to other countries."
Jesus said: "My people, if your President pushes this war on your people, then this will be a major distraction to your National Budget and debt limit problems. Many war concerns could cause reckless spending to win any war. If you see some major war repercussions, you could even see your President take war powers actions to control your country without the Congress. My people of America need to do everything to stop your entry into this war because your freedoms and your country's survival may be at stake."
Jesus said: "My people, no matter how much the evil people and the demons want to exterminate My faithful, I will be there to protect you at My refuges. Your guardian angels will guide you to My refuges when I call you, and they will put an invisible shield around you. The demons and the evil ones will not be able to kill you at My refuges because My angels will protect you, and you will be healed of any viruses by looking on My luminous cross. Some may be martyred for their faith, but most of you will live rustic lives at My refuges. Trust in My power with your prayers, and you will see your reward in My Era of Peace, and later in heaven."

Jesus said: "My people, I know some people are sad to see all of the selling of more war in Syria by America's leaders. Many people in America are against this killing and destruction, when there is no good reason for it. I hear your prayers to stop this bombing, but the one world people are going to have their way. You are postponing this war for awhile, but the plans have already been made to remove Assad from power. Even if your Congress does not back your President, he will be forced by the one world people and the demons to carry out their plans. This bombing could very well cause a spread of war to other parts of the Middle East. Be prepared if you have to suffer the repercussions of another war on your military people and on your economy."
Jesus said: "My people, when people upgrade their house, they try to improve

the appearance for themselves and whoever may buy their house in the future. When you renovate a church, you are trying to please Me with your plans. Your tabernacle should be placed in the middle of the altar because I am the Guest in My Real Presence. You should also have a large crucifix on the wall behind the altar so you can remember how My sacrifice on the cross has brought salvation to all of you. It is My Blood that has washed away all of your sins. You also need an obvious place for Confession so you have a place to confess your sins to a priest. Most of all you need a priest, and a faithful parish that supports the church and the pastor. These are the important things that should be in each church that honors Me at Mass on Sunday."

Saturday, September 7, 2013:
Jesus said: "My people, I am giving you a picture of how I straightened the crooked roads, and I leveled the hills and mountains. This is from Isaiah (40:3-5): 'A voice cries out in the desert, prepare the way of the Lord! Make straight in the wasteland a highway for our God! Every valley shall be filled in, every mountain and hill shall be made low; the rugged land shall be made a plain, the rough country, a broad valley. Then the glory of the Lord shall be revealed, and all mankind shall see it together; for the mouth of the Lord has spoken.' All things are possible for Me, so My faithful need to have patience, while the evil ones are given their hour. Fear not all the terrors of war and the might of your leaders, for this evil age of the coming Antichrist will pass away, and I will renew the earth in My Era of Peace. I will protect My faithful at My refuges, and you will see your reward as your faith will be vindicated in My Era of Peace. You are living in the end times right before the tribulation of the Antichrist. Evil will have a brief reign, but in the end My power will reign triumphant, when I will bring My Comet of Chastisement against the demons and the evil people. The evil ones will be cast into hell, and I will renew the earth from man's destruction. The Glory of My words in Isaiah will come to fruition in your time."
Jesus said: "My people, you are seeing some Americans having to evacuate from a possible war zone. You are praying for peace in Syria without any American bombing, but your people have to prepare if war happens. If a war does widen to other countries, you could see some displaced people trying to get to safe areas.

It is one thing to have a bombing because of the use of sarin gas, but the reaction from other countries could start a wider war that could include Israel. If such a war widens, pray that nuclear weapons are not used. Any bombing could be more open-ended than just trying to remove Assad. I hear your prayers, but there are many hardened hearts who do not have love of Me and their neighbors. Pray for no war, but be ready for the worst, if you need to leave for My refuges."

Sunday, September 8, 2013:
Jesus said: "My people, I am showing you in the vision how I give everyone the Light of understanding to lead each person on the way to heaven. It is when people follow their own ways of the flesh, that they get into sin, and they fall away from My love. When you follow My ways of the Commandments, you will be in harmony with Me and nature. You have two choices. You can follow the ways of the body, or the ways of the spirit. The ways of the spirit are leading you to life in heaven. The ways of the body will lead you to death in the soul in hell. This is why you need to follow My Light in an evil world of sin represented by the darkness. You have a weakness to sin from Adam's original sin, but with My help you can fight temptations, and live in My love and the love of your neighbor. Keep focused on following My Light of salvation, and you will have your reward in heaven."
Jesus said: "My people, My Blessed Mother thanks you for all of your rosaries to stop this war in Syria, as you prayed and processed outside. You all were enjoying the beauty of My creation. The young children are beautiful and innocent in their prayers. The children need guidance from their parents so they can learn about the Holy Family of Myself, My Blessed Mother, and My foster father, St. Joseph. As the children are returning to school for their secular studies, you could also teach them about their spiritual studies of the faith. Your children should know the prayers of the rosary, even as My Blessed Mother taught the children these prayers at Fatima. During life, you will need to call on My help in your trials. By praying for My help, I will hear you, and come to your aid. Trust in Me to guide you through life from your childhood through to your adult life. By keeping on the right road to heaven, you can help save your soul."

September 20, 2013
Monday, September 9, 2013: (St. Peter Claver)
At St. John the Evangelist after Communion, I could see a town and then it got crushed by a massive earthquake. For several minutes I could sense a rumbling earthquake of large intensity. Jesus said: "My son, in this vision and your sense of rumbling, you have never had such an intense feeling of an imminent earthquake. In the destruction of this town, many people will die as a result. I am not giving you the location yet, but you have seen some large and frequent earthquakes in Alaska. This is where the HAARP machine is located, and it will be the cause of such a large earthquake. I have told you before how the evil ones are led by Satan to kill many people, and the HAARP machine can cause massive earthquakes and weather disasters. Keep attentive to the current earthquakes, and pray for those souls who could lose their lives, and who are not ready for their judgment."
Later, at St. Theodore's tabernacle, I could see a woman and her family dead on the ground after being killed by sarin gas in Syria. Jesus said: "My people, there is plenty of evidence that hundreds of people were killed by sarin gas. There also are reports that the rebels also had this gas, and they were willing to use it. Russia has now come forward to try and stop America's bombing by trying to offer Assad a way out by giving up his chemical weapons. It would be hard to verify if he gave up all of his chemical weapons. Such a plan could preserve Syria's power, and it would be a way out for Russia and America. Your Congress has postponed any votes on bombing to allow this proposal to be looked at. If such a proposal is carried out, this could be an answer to your prayers to stop the bombing. The rebels are still being supplied weapons by neighboring countries, and their intention is still to remove Assad. The war will continue, but it is better if America stays out of this war. Keep praying for peace, and for a solution for America to keep out of this war."

Tuesday, September 10, 2013:
Jesus said: “My people, many people followed Me because healing power went out from Me to even those people who touched Me. There were many miracles of healing of both body and soul. Many came to believe in My Gospel of love because it was confirmed with these healings. Even people, who were possessed by evil spirits, had them cast out. This healing power was passed on to My apostles, as they even raised a few people from the dead. Even in your world today, there are still healings among the sick. Give praise and glory to Me because these healings come in My Name, and through My power. The most important healings of all are when souls are converted to the faith. All of heaven rejoices over every soul who is converted from a life of sin. This is why I call on priests and missionaries to go out to bring souls to Me. Even My prophets are bringing My saving graces to people who listen to My Word through them. My faithful also need to rejoice when you can bring a soul to Me in conversion. I desire to save all souls, and this is why I am encouraging My faithful to evangelize the people.”
Jesus said: “My people, your President was too quick to want to bomb Syria, and he did not have a good strategy. Over 100,000 people have been killed in this civil war in Syria, and now hundreds of people were killed by sarin gas. Your President soon realized that he did not have any support from the UN, NATO, or even the Congress. Polls show most of America does not want another war. The Russian President may have found a way out by trying to remove Assad’s chemical weapons. It benefits Russia and Syria from not being attacked, and it may save face a little for your President, if this proposal can be carried out. It is your prayers that are holding back this entry of America into the Syrian civil war. Keep praying for peace that this compromise can be carried out. The takeover of the Arab countries has been a goal of the one world people, but they have met some resistance from Russia and the military in Egypt. There will be a war in the Middle East that may center around Iran since they are helping the rebels. Pray for peace in this whole area of the Middle East.”

September 20, 2013
Wednesday, September 11, 2013: (12th Anniversary of Twin Towers)
Jesus said: “My people, I have told you that you had a reprieve in the current

threat to bomb Syria. The one world people are still intent on drawing America into another war in the Middle East. You can see how many of the new Arab governments are surrounding Israel. You are familiar with the Battle of Armegeddon that is on the northern plains of Israel. The Bible speaks of a great battle there like a world war involving many nations. If Israel is attacked, America will be obligated to fight for them. Do not think that you can avoid any future war there. The evil ones will find a way to draw you into a new conflict. If America faces a bankruptcy from your debts and wars, be prepared to come to My refuges when the one world people will try to draw America into the North American Union. Evil is going to have its reign, which means that the Antichrist will be allowed to control the world for a short time. I will protect My faithful at My refuges, and then I will bring you into My Era of Peace as your reward."
Jesus said: "My people, you remember how the pharaohs used to worship the god of darkness, and they relied on sorcery to call on evil powers. There are still Satanic priests carrying on occult practices from their ancestors in Egypt. It is in Egypt where the Antichrist will be annointed for his evil task of ruling the earth for a brief time. I also came up out of Egypt before I started My ministry in Nazareth. There are many occult roots in Egypt that the Antichrist will use to gain power as a world ruler. My faithful need to be ready to leave for My refuges before the Antichrist comes to power. After the Warning you are to get rid of all of your electronic devices out of your homes so you do not look at the Antichrist's eyes. He will be a demon incarnate, and his eyes could hypnotize you into worshiping him instead of Me. Call on Me to bring My angels to protect you during the tribulation."

Thursday, September 12, 2013: (The Most Holy Name of Mary)
Jesus said: "My people, I have been giving you messages about all the evil in the world that is stirring up hate in people to cause wars. When you look at Me, all that you see is love because that is who I am. I am love personified, but man is unhappy with his lot and his neighbor. In today's Gospel, I asked My faithful to take one more step toward loving everyone, even your enemies. Even loving your persecutors and those who want to kill you, takes you out of your comfort zone. I desire to have all souls love Me, and I want to save them from hell. Hell was made for the bad angels, and not for man, but those people, who reject My

love, are sending themselves to hell. I want My faithful to have people love each other, and avoid war and killing that comes from the devil. The best example of love is for all of you to be loving in all that you do to help people. When people see your loving attitude, they will desire to do the same. But when people see evil and feel hate, it affects them adversely. Even if you are a shining example of love among a lot of dreary people, keep your flame of love burning strong to help change the hearts of your evil world."

Prayer Group:

Jesus said: "My people, you are seeing a statue of St. Joseph who provided a living for Myself and My Blessed Mother. As you look at your families today, many are living together without marriage, or you have single parents trying to bring up their children and work at the same time. A good share of your families are receiving money from your government from Social Security or welfare. It is hard for families to provide a living when most of your jobs do not have good salaries. In older days it was the husband who supported the family. Now, many fathers are missing and some pay some child support. It is the children who are suffering the most with split families. Pray for those who run their households, that they will find sufficient funds for the families to survive."

Jesus said: "My people, many of your children are killed in the womb by abortion. The young children, who are still living, also have problems if they are born into single parent families. Without a father, the children are not helped as much as when both parents are home. They will live in poverty with little chance of a college education. These children may need mentors or tutors to get by. The morality of your country has been corrupted, and your children are bearing the burden of your problems. Pray for your children, even if they have to be helped by their grandparents."

Jesus said: "My people, because your median incomes have been declining, it is becoming harder to pay for a mortgage and provide food for the family. Many people are getting help from food stamps and this year's crop which should be better than last year, so food is available. As your persecution begins, it will be harder to obtain food, which is why I have asked My faithful to save some extra food for hard times that are coming."

Jesus said: "My people, you have seen some increases in home buying in both new and used homes. Your low interest rates have helped home buyers, but those, who rely on interest income, are suffering poorer income. Your stock market earnings are up, but only a small number of people can risk losses in the market. Many of your family problems have come on account of your financial

problems for the lower segments of your people. Pray that your people will have hope, and be satisfied with what they have."
Jesus said: "My people, those people, who live out West, are being challenged to find adequate amounts of water for drinking and farming. Many of these people rely on water aquifers or runoff from the mountains. The water that they do have needs to be recycled with less available to water grass and farm crops. Those, who live near the Great Lakes, should be grateful to have plenty of fresh water for their needs. The East has been blessed with more rain than normal, so your lawns and gardens are green and flourishing. Pray that all of your people will have enough fresh water for your survival."
Jesus said: "My people, your President and other countries are quick to want to go to war, but the people are weary from constant wars started by the one world people. The Middle East is boiling over with many threats from different sources. You have peace for now, but be prepared if you could see another clash between these nations. Keep praying for peace and love of neighbors in your world of turmoil."
Jesus said: "My people, your leaders are now being challenged to find the money to pay for all of your entitlements and for your new Health Care Law. Some still want to postpone individual Health Care costs because businesses are postponed for a year. Sequester cuts and balancing the budget will be difficult. Already your Treasury is using budget shifting to avoid going over the National Debt Limit. Pray that your leaders make the right decisions for your present needs."

Jesus said: "My people, do not judge one another when you think that you may be better than someone else. It is not your physical wealth that will allow you into heaven, but it is your humility and spiritual wealth of good deeds that will help you. It is by My Blood, that was shed for your sins, that will enable you to come to heaven. Do not be a hypocrite. You need to practice what you preach to gain favor with Me in your actions."

Saturday, September 14, 2013: (Exultation of the Cross)
Jesus said: “My people, I commend the people of this church who pray the rosary in processing in front of the abortion clinic. My faithful have to speak out in protest of the shameful killing of My babies in your abortions. All of heaven is looking down in horror that your people could be so callous to kill their own children without even acknowledging their death in a proper burial. You treat these precious little ones as human garbage, or you use this tissue for your cosmetics and worse things. I am loving, but I am just as well, so the people of America are calling down My punishment for the blood on their hands. You are celebrating My feast of the Exultation of the Cross, and I am still suffering on My cross for your sins of abortion. The priest was right in asking you to pray for the souls of the mothers who killed their own children. Life is so precious, and none of your earthly excuses could ever justify killing My babies. Pray that these women and doctors will seek My forgiveness of their sins, or they could suffer in hell or purgatory for a long time. Satan has misled many of your women into thinking that this is only tissue and not a human baby. Do not listen to Satan’s lies, or the lies of your pro-choice death culture. Stand up for these little, defenseless lives as part of your Christian duty to defend life at all parts of your life whether at the beginning or the end.”

Jesus said: “My people, I love My people very much, and I am calling on them to love Me and their neighbors in today’s readings. Many times I give you examples of how to imitate My life, so you can be on the right path to heaven. You have been praying novenas and fasting to stop your President from bombing Syria. These people in Syria have seen a deadly civil war, and it would be wrong to escalate the killings that could even cause a wider war. You are seeing small arms being given to the rebels from various neighboring countries. I showed you a vision of the Pentagon because they are planning various options for a future war. The one world people could draw America into another conflict through Iran or Israel. Your military has been given orders to standby, and be ready to implement any planned strike on their new targets. Your President knows he has little support for such a war, so you could see a caused incident to bring America into another reason for an attack. Any American involvement in war in the

Middle East could very quickly lead to a world war if other countries are taking sides. Pray for peace in this area, but this area is on the verge of a larger war."

Monday, September 16, 2013:
Jesus said: "My people, I have warned My faithful before about not getting involved with enneagrams, astrology charts, or any other occult practices as Ouija boards, tarrot cards, or fortune telling. These things are all connected with pathways for the evil spirits. Also avoid reading or watching Harry Potter books and movies which are linked to witchcraft, curses, spells, and other evil spirits. My faithful need to wear blessed sacramentals of My Blessed Mother's rosary, and her brown scapular. A blessed Benedictine Cross also can help you against evil spirits. Many people acquire addictions to drugs, alcohol, gambling, overeating, or any other substance abuse. There are demons associated with these addictions as well as at occult meetings where people drink evil potions. This is why people need to pray a binding of the evil spirits to the foot of My cross in My Name, Jesus. Pray the St. Michael prayer and other deliverance prayers to combat the demons that are controlling people. Even your relic of the true cross is helpful in fighting demons. I told My apostles that prayer and fasting could force some demons to flee. Pray deliverance prayers as a group using holy water and blessed salt. When possible have an exorcist priest pray over possessed people. You have a battle of good and evil going on constantly, so be persistent in your prayers and novenas to deliver your family members from their addictions. To keep your peace, do not let any addictions control you."
(St. Cornelius & St. Damien) Jesus said: "My people, you know how the people of My hometown did not have faith in Me, so I could not heal anyone there. Then you have the faith of the Roman centurion who believed that I could heal his slave, even if I did not come under his roof. The centurion knew that Jews would be defiled if they came into his house, so he did not want Me to come into his house. The centurion also recognized My healing power, and that I could heal his slave from a distance. He even explained that he had authority over his men, and that they would carry out his orders. The centurion was saying that I also had authority over everything, and if I gave the order to heal his slave, it would be done. He had faith in My ability to heal his slave, so I was able to heal

the slave. I was astounded at such faith that I had not found in all of Israel. This is an example to all of My faithful, that if you have faith in My healing power, I could use you to heal people both in body and soul. When you are about to receive My Real Presence in Holy Communion, you are repeating the humility of this centurion when you say: 'Lord, I am not worthy that you should enter under my roof, but only say the word and my soul shall be healed.' Keep your faith in Me at all times to help you, and to have faith that I can heal both your body and your soul."

Jesus said: "My people, now you have been spoiled with your comfort foods and warm showers, but at My refuges during the tribulation, you will be living a rustic life protected from the evil ones. Just like these monks, you will be living a more monastic life of work and prayer. At each refuge you will have around the clock Adoration of My Blessed Sacrament. If you do not have a priest, I will have My angels bring you daily Communion. You could even survive on just My Eucharist. You will have deer or other animals for meat, and you all will need to help each other by changing your jobs and using your talents. You will be praying more without your electronic devices that will no longer work, except for lights and cooking if you have solar power. You may have oil, or candles, and windup flashlights for light. You will have to prepare your meals, wash dishes, and wash your clothes. I will provide for your physical needs and your shelter. My angels will defend you from the evil ones. You will only have to endure this penance for less than 3½ years. Trust in Me, for you will be stripped of your possessions to bring you closer to sainthood. I love all of you so much, and I want to save all of your souls from hell."

Wednesday, September 18, 2013:
Jesus said: “My people, when you live a rustic life at My refuges, you may have to do more work than in your present living. At My refuges, you may have to get sticks for kindling wood, and cut up logs for a fire, both for heat, especially in the winter, and for your fire for cooking. If you do not have running water, you may also have to draw water from a well for drinking, washing, and bathing. You may have to heat water with the fire for hot water in bathing. Many comforts that you have now, will be more work in a rustic living. You will have My protection at My refuges, but I am preparing you how you will be living independently from all of your previous services. Some may be staying in tents until My angels can provide your shelter. Rejoice that I will be protecting My faithful by My angels, and providing for your food and lodging at My safe havens.”
Jesus said: “My people, you have had some light amounts of snow in the last two years, but this year appears to be more normal. You have been spared also from any hurricanes hitting America on the East coast. While you are dealing with your deficit budgets in the Congress, you will be seeing difficulty in trying to get Russia to remove the sarin gas from Syria. It truly is a stall tactic to stop any bombing. The Prime Minister of Israel also drew a red line on stopping Iran from acquiring nuclear weapons. If Israel attacks Iran or Syria, it could stir up a war that could draw America into a Middle East war. Such a war could expand quickly, so keep praying your novenas for peace.”

Thursday, September 19, 2013: (St. Januarius)
Jesus said: “My people, this woman, who anointed Me with oil, was preparing Me for My burial. She had great faith in seeking Me, so I could forgive her sins, which were many. This subject of sin is difficult for people to admit that they are sinners, and they are in need of My forgiveness. This is why I instituted the sacrament of Reconciliation so My faithful could have their sins cleansed, like this woman. You have the cleansing of your sins in Confession, and I restore My graces to your clean soul. You can now receive Me worthily in Holy Communion, and the grace of My sacrament can heal the wounds caused by your sins. Your priest makes a good point in that if you love Me, you should

desire to be forgiven of your transgressions. You can only be forgiven mortal sins in Confession for a Roman Catholic. Yet, there are very few people who take the time and effort to get to Confession at least once a month. You should come to Confession often, even if you only have venial sins to confess. If you want to have a pure soul, frequent Confession is a necessity."

Prayer Group:

Jesus said: "My people, you are familiar with the bread and wine that are consecrated into My Body and Blood. I have told you that My angels will bring you daily Communion of My Body and Blood so you could even survive on My Eucharist alone. You have other people that had messages of living on one blessed grape for each day. Special prayers are said over the grapes as they are stored in brandy. These gifts are given to you in My refuges so you could even live without other food."

Jesus said: "My people, you have seen many of your government programs as Food Stamps, Welfare, and abuses of Social Security to support people, have become heavy tax burdens. Any attempts to limit these payments that are growing out of control, have been put down. It is not right that one half of your people can demand such payments from the working people who, after taxes, can barely make ends meet. These programs as they grow out of control, will bankrupt your financial system which is the one world people's plan for your takeover."

Jesus said: "My people, you are seeing many businesses either dropping health care coverage, or they are turning full time employees into part time workers so they do not have to pay as much for these benefits. Every business that your government has run, becomes a failure in time. It is a dream for your lawmakers to find enough money to pay for everyone's health care benefits. This program will eventually fail just as your government run mortgage lending agencies did. Learn from your mistakes that your tax structure cannot pay for all of your welfare programs."

Jesus said: "My people of America, you have not seen any proper budget bills come out of the Senate ever since your President took office. By passing limited Continuing Resolutions to fund your government, there is no scrutiny over the individual departments of your government. This is just a rubber stamp to continue your out of control spending without even a 5% cut by your sequester. Your budgets should be close to balance, which is why there is a debate on how much to limit your National Debt borrowing. Currently, you have billions of dollars of deficits because your spending requires 40% more money than you

take in with taxes. Any attempts to reign in your spending is only focused on discretionary spending, and not the entitlement spending that has no restrictions, but it increases the deficit the most. There is a weak hint to a government shutdown, but this will be limited to short term decisions. Pray that your representatives can agree on a compromise that helps your people without destroying your finances."
Jesus said: "My people, you have seen extensive flooding from heavy rains that caused water to pour down the mountains. Many places saw up to 15 inches of rain in a short time. These rainfalls are so unusual that they appear to have been caused by the HAARP machine which can control jet streams constantly over an area to cause floods. Such weather patterns of constant low pressure and rain, are a signature of the HAARP machine's activity. As you see cooler weather and erratic patterns, you can suspect man-made storms with weather making devices. The one world people want such disasters to give them control in the midst of chaos. Be prepared to leave for My refuges when disasters get out of control."
Jesus said: "My people, you have seen an analysis of why this serviceman killed these people without any apparent reason. There was a mention that he was hearing voices which was the exact same thing that happened to Tim McVey when he killed people in Oklahoma. There is a technology of placing chips in people so they could be
controlled to kill people without even knowing what they were doing. The coming mandatory chips in the body from your Health Care Law can also take over your free will, and you would be like robots. Do not take any chip in the body under any circumstances. The one world people can use people with chips to kill others for their agenda of taking guns away from your people. Beware of such caused killings that are part of a terrorist plot to take over your country."
Jesus said: "My people, I am inspiring faithful souls to set up refuges to protect the people from the evil ones who want to kill all of My believers. You will be seeing a time of tribulation under the Antichrist, and you do not want to look at his eyes because he could cause you to worship him. My angels will defend you from the evil ones with an invisible shield. My angels at My refuges are powerful, and they will be given authority to kill any evil people, or remove any demons that try to harm you. Trust in Me that My refuges will be your safe havens throughout the whole tribulation time."

Friday, September 20, 2013: (St. Andrew Kim & companions)
Jesus said: “My people, you are living in a fallen world under the influences of the demons and worldly events. You really only need a shelter, clothing, and sufficient food and water to survive in your human condition. So do not have desires for more money than you need, and give Me time for your prayer life. If you fill up your time with too many earthly distractions, then you need to change and focus more on doing things for Me and your neighbor. You have a whirlwind of events going on all the time, as in the vision. You were brought into this world, but I do not want My faithful to be of this world. Worldly riches will not bring you into heaven, so focus your life on Me and doing good deeds for your neighbor that will help you into heaven. Your body and this life will pass away, but your soul’s destination is more important because it lives on forever.”

Saturday, September 21, 2013: (St. Matthew)
Jesus said: “My people, today, you are celebrating St. Matthew’s feast day as he left his tax collector’s bench to be one of My apostles. Some people criticized Me for eating with sinners, as tax collectors did not have a good reputation. Yet, I told the people, healthy people do not need a physician, but sick people do. I came to save sinners, and not the self-righteous. St. Matthew was also one of the four evangelists of My Gospel which you read at Mass. Today’s Gospel spoke of a steward who changed his master’s debts so he would be welcomed after his stewardship would be lost. The moral of this account, is that I want My people to be good and honest stewards over the things of life, and helping to bring souls to heaven. You all have been given talents and time, and you are to manage them according to My Will and My Commandments. Today, you are also celebrating Fr. Ralph Fraats’ 80th birthday as he has been a good steward of his priestly service, and he has given a good example of being a good Christian. Rejoice with him for such a productive life in My service. I love all of you, and I especially hold all of My priest sons close to My heart.”

Sunday, September 22, 2013:
Jesus said: “My people, in today’s Gospel you are given a choice to follow Me or your love for money. You cannot have two masters because you will love one or the other. You can trust in Me that I will watch over you, and I will see to your needs in various ways, even in miracles. I am a Person you can truly love, but people who love money, are loving something cold that cannot love them back. In the end, I am the One who will determine your eternal destination, and not your financial wealth. Your money is not even trustworthy because the one world people want to crash your money system, and make your dollar worthless. The money in circulation, as your currency, is very small compared to all the digital money in your bank accounts, as well as in your stocks and bonds. You will see the amero as a North American Union currency for a short time. Then once you have chips in the body, all transactions will be digital without any currency. The gold and silver will have trading value, but it might be outlawed, and it will only be traded on the black market. So trust in Me at your refuges before chips will be mandatory in the body. I will protect you from the evil ones, and I will provide for your physical and spiritual needs.”

Monday, September 23, 2013: (St. Padre Pio)
Jesus said: “My people, I am the Light of the world, and I came to dispel the darkness of evil in the world. My Light shines brightly as the sun, but you have the Son of God in your midst. Just as I told you that you should put a light on a lamp stand for all to see, so My faithful also need to shine My words of the Gospel for all to hear and be saved. With your technology of spreading knowledge all over the world, so you can use this to spread My words of love that can shine into everyone’s heart and soul. My faithful are called to go out and evangelize the people, so their souls can be saved from hell and the darkness of evil. Rejoice in My Light of salvation that offers everyone an opportunity to be saved. Say ‘yes’ to My call, and you will be on the right path to heaven.”
Jesus said: “My people, when I call you to come to My refuges, there will be a lot of fear over a takeover of America. This will be a time when your life will be in danger, but My faithful will be protected by an invisible shield to the evil ones. I have recommended My faithful to have a backpack with some food,

water, and clothes. Also, you should have a tent with a sleeping bag. Even if people are in a haste to come, My refuge builders were instructed to have food and bedding for everyone. If necessary, I will multiply your food and water, so everyone will have what they need. Be grateful that My refuges will protect My faithful during the tribulation. In the vision you saw how nervous this man was when he was coming to the refuge. I will have greeters meet you, and they will calm down such nervous people. Until people see miracles happening, they may be fearful of how they are going to be protected and fed. The first miracles will be the multiplication of the food, much like I multiplied the bread and the fish in My day. All things are possible for Me, but I know how hard it is for some people to believe in My protection. Trust in My words that will be carried out in your time."

Tuesday, September 24, 2013:
Jesus said: "My people, the first reading speaks of a rebuilding of the Temple after the Jews returned from the Babylonian Exile. In the end times, My faithful will need to have Mass in the homes as a result of a division in My Church, between the schismatic church and My faithful remnant. I am having My refuge builders prepare places for My faithful to hide from the Antichrist and his followers. At these refuges, some are building chapels and places for Adoration of My Blessed Sacrament. Where there are priests, you could have a Mass. If there are not any priests, then My angels will distribute daily Communion. It is at these chapels, that are being built, where you will have perpetual Adoration of My Blessed Sacrament. I will be with you always, and I will give My faithful hope in My eventual victory over the Antichrist."
Jesus said: "My people, you have seen your government ordering an unusually large amount of MREs and ammunition in preparation for a big event. You also are seeing major plans over several countries for a test of your electric grid around November 13th . In the past you have seen major false flag events happening at the same time drills were being carried out. This test will offer cover, if the one world people want to turn off your electricity for a takeover of America. In the vision you could see people storing lights, batteries, and lanterns for light in the dark. Windup flashlights, oil lamps, candles, and the like could help you. Having extra food, water, and heating fuels would be needed for

survival, if the stores are closed, and it is cold. Having extra sweaters, coats, and blankets, would be helpful to stay warm in the winter. You experienced eleven days without power in your ice storm, so you know what it is like to live without electricity in the winter. Take a lesson from that experience, and be prepared if this loss of electricity is more than a drill. If people start threatening your home for food, then you may have to leave with your preparations for My refuges. Trust in My help and call on Me when your life may be endangered."

Wednesday, September 25, 2013:
Jesus said: "My people, you read in the Gospel how I gave My apostles authority over the demons, and I sent them out with no traveling bag, or money. The evangelists are worthy of their food and shelter, because of their work for Me. So when I send out My prophets to convert souls, allow them to stay at your houses and provide for their needs. They too, are worthy of their keep, and give them a warm Christian welcome for their work. There are few who have accepted this work, and I am grateful for their persistence in answering My call to spread My Good News of My Resurrection. Listen to their words, and heed My messages through them. For they go to prepare the way for My return. Their words give you hope that I will be victorious over the Antichrist and Satan, when I will cast them into hell, and bring you into My Era of Peace."
Jesus said: "My people, you have just heard from your friend how there has been much activity in Puerto Rico by your FEMA group to move caskets, food, and tents to various Army bases and detention centers. This island is very small, so it is easier to notice all of this military activity. In the United States you are also seeing the same movements of caskets, food, and ammunition to your detention centers. Here it is being hidden more by driving through tunnels, and using trains and airplanes to avoid driving this material on the open roads. There is much activity and building going on at your detention centers, but it is being hushed up by your media. You know that FEMA and Homeland Security are preparing for something big, but they are not letting the people know that they are preparing for a possible civil war or backlash against the government control. Be prepared when I warn you that it is time to leave for My refuges, when your lives will be in danger."

Thursday, September 26, 2013: (St. Cosmas & St. Damian)
(Carol's deceased father) Camille said: "Good morning John, I am happy to see you and share my feelings. I still love Lydia, and I am watching out for her. You can sense an urgency, and a high volume in my voice, as I am trying to get the attention of our family members who should be going to Sunday Mass. I know that I cannot change people's free will, but I am doing everything in my power to wake these people up, before it is too late. I do not want any of our members to face the hell experience that I witnessed. Hell is an eternal punishment that you do not want to take lightly. If you do not love God and your neighbor in your prayers, Masses, and your actions, then you are risking a judgment to hell. Wake up, all of you! Because the time is getting short when you may not have time to be reconciled with your Lord. I am concerned for your souls because I want all of you to be saved in heaven. Do not wait until the last moment to come to your Jesus. He is waiting to forgive your sins in Confession, and for you to come back to the Church and His sacraments. Cleansing your souls of sin, and seeking the Lord's forgiveness is necessary to be saved. Listen to my pleading, so your souls can rest with Jesus in peace and love. God bless all of you, and come closer to Jesus."
(Helen Brown's funeral memorial) Helen said: "I am happy to see my family, my friends, and the sisters here at my memorial service. I want to thank Fr. Jack for his kind words during his homily. I had a rich life of service for my family members, and many memorable experiences in my life. I love all of my family and friends, and I will be praying for all of you. I enjoyed the many years that our 6:30 Mass group met for breakfast. With your prayers and this Mass, I am now with Jesus and Mary in heaven. Thank you all again for sharing your love with Me, while I was with you."
Prayer Group:
Jesus said: "My people, many of your Congress people are talking of a possible government shutdown if a bill to continue the government's funding is not passed by October 1st. Many Republicans are trying to stop funding Obamacare, but the Senate Democrats will be stripping that part of the current legislation. If the House does not accept this bill from the Senate, there is a possibility of a government shutdown. Pray that your economy will survive this partisan struggle."

Jesus said: “My people, right after settling the budget, your Congress will need to raise the National Debt Limit. Because your government is spending more than it takes in with taxes, you are running near $1 trillion dollar deficits. You are spending almost 40% more dollars than your collected taxes. This is why your sequester was an attempt to cut some of this spending. Again, unless your parties come to a compromise, America will default on paying its bills. Because of these last minute decisions, you could see your rating agencies lower your credit standing which could cost more interest. Because the Democrats and Republicans are not bending, this is why there needs to be a compromise for passing both the budget and the debt limit. Keep praying here that your country does not default on its debts.”

Jesus said: “My people, October 1st is when people will start signing up for the exchange premium health insurance. Some states are still not changing their Medicaid funding that was supposed to help finance this new law. Individuals and small businesses will bear the first payments or penalties of the new law. There are many questions about the cost of medical benefits when fees and co-payments are added to the premiums. Each side for and against this law are quoting different numbers. The other problem will be if enough doctors are going to be available to take the large number of new patients. It will take time to work out any needed fixes to make this come close to working. Everyone needs health care, but how to pay for it, will be a problem.”

Jesus said: “My people, you have seen a major tragedy in Pakistan when homes collapsed and people were buried under debris with a 7.7 earthquake. These large earthquakes, as a 7.0 in Peru, have become more frequent, and more people are being killed when they occur in highly populated areas. Many aid organizations are responding to this earthquake in Pakistan, but it is hard to get help to such a remote area. Pray that these people can recover from such devastation.”

Jesus said: “My people, even though your farmers are predicting a good harvest for their crops, there is always a problem of distributing the needed food to the hungry people that need it. In America you have shelves that are full now. In other countries, they are not as successful. Once chips are required in your charge cards, and even in your body, then access to buying your food could be a problem if you refuse a chip in the body. The coming famine will be man-made either because your money will become worthless, or you will not be able to buy food without a chip in your body. Once mandatory chips in the body are required to buy food, then you will have to come to My refuges. Do not take any chips in

your body for any reason, or you will be controlled like a robot. This is why you will need My refuges for your food."
Jesus said: "My people, winning your saintly crown is not easy for a Christian in this evil world. You are constantly being persecuted for standing up against abortion, gay marriage, and euthanasia. You also are facing discrimination in the workplace when you stand up against the government mandates. You are forced to tolerate others, but they do not tolerate your beliefs. Keep struggling to follow My laws, and you will be vindicated in the end."
Jesus said: "My people, it is hard to see so much injustice going on that is causing people to lose their good paying jobs, and their homes either from the economy or from disasters. If you can help some suffering people, it would gain you merits in heaven, especially for your own relatives and friends. Any physical suffering could also be offered up to help another soul. Wars and drug killings are difficult to understand, and hard to find solutions. It is the killers who will have to face Me at their judgment. Pray for all of these suffering people who cannot find people to help them."

Friday, September 27, 2013: (St. Vincent de Paul)
Jesus said: "My people, when it comes time to helping the poor, you really are reaching out with your heart to help someone. It is easier to help your relatives and friends, but it takes more generosity to financially donate to those people who you do not know. Remember when you donate to the poor, you are not expecting repayment, so you will gain treasure in heaven. In helping the poor, you can also give them your time as in delivering food, or you could help them to help themselves in providing for their own needs. There are also people who are poor in spirit. These could be people who need spiritual help in encouraging them to be converted to the faith, or encourage them to get to Sunday Mass and Confession. All of those people who you take time to help, are appreciative both in body and spirit."
Jesus said: "My people, the one world people are controlling your governments, and their intentions are not for the betterment of the people. These people worship Satan, and their intention is to bring down your current governments with financial bankruptcy, so they can take them over. The debt money schemes and liberal socialism are all designed to bring down your governments. This is a

battle of good and evil, and the evil ones appear to be running and controlling everything. My faithful will have to endure this evil and the Antichrist, until I will bring My Warning and My eventual Comet of Chastisement against all of the evil ones. The one world people are controlling your money, and your voting, which has been demonstrated as a fraud. You will eventually have to come to My refuges of protection from all the demons and evil people. Do not get discouraged or frustrated with evil's victories now, because I will win the most important victory over the Antichrist, the False Prophet, and Satan. Evil will be defeated once and for all, and evil will never again have control over the earth."

Saturday, September 28, 2013: (St. Wenceslaus)
Jesus said: "My people, I am showing you this roller coaster ride to indicate how fast and short your life is here on earth. When you look back on your life, you wonder where all the years went. Even now, I am speeding up your time, so you will have less to endure through the coming tribulation. You are rushed through life because of your fast pace of living. In previous years, there was not such a sense of rushing to do things and save money. My people need to set aside some quiet time every day to pray to Me for your intentions. Even when you take time to come to Confession, you need to meditate in the pew on your sins, and how you are ready to meet Me at your judgment. If you do not get off your merry-go-round life to think about Me and your soul's life, then you will be meeting Me unprepared for your judgment. You are all appointed to die one day, but many of you rush through your life without taking time to get your souls ready to meet Me at the end. By going to frequent Confession and praying to Me every day, you will be ready for your judgment more than others, who are just riding through life without such a concern for their soul's destination."
Jesus said: "My people, this picture of the stars moving around in a circle, is another sign of the Warning coming, as signaled by the coming ISON Comet. If America has trouble with getting a Continuing resolution or defaults on its bills, you could see a time of confusion that could bring on the Warning. If America is drawn into a Middle East war, your finances would also be in danger. When the ISON Comet becomes bright from the sun, this could still give quite a show in

the sky. Continue to keep going to frequent Confession, so your soul is ready if you are faced with a mini-judgment from your Warning experience. You are seeing signs for its coming, and the people need a wake-up call to prepare for the coming tribulation."

Sunday, September 29, 2013:
Jesus said: "My people, this account that speaks about a rich man going to hell, should give pause to everyone, because it indicates that hell does exist. It is a punishment forever for those who do not repent of their sins, and those who do not love Me nor their neighbors. There is also an emphasis on a rich man, much like the evil one world people who worship Satan, and follow his evil ways. These people, who worship Satan, are headed to hell if they do not convert from their evil ways. There are many poor people who could use your help both financially, and in saving their souls. Do not forget the poor in your prayers and your donations. You should be willing to tithe your income to both My church and your charities. You should also share your wealth, talent, and time to help your neighbors out of love for them and Me."

Monday, September 30, 2013: (St. Jerome)
Jesus said: "My people, you are well aware of how the Titanic hit an iceberg, and later sank killing many passengers. I am showing this scene to you because your country is very much like this ship in that you are in the last throes before you are lost as a free nation. When the one world people take you over, America will become a part of the North American Union. Between your no-win wars, your welfare state, and now your Health Care Law, all of these expenses are going to bankrupt your country. Part of your Health Care Law will try to make chips in the body mandatory for your insurance. But those people, who refuse to take these chips in the body, will be considered outlaws, and your government will have mercenary UN troops kill your citizens. I have warned you not to take

any chips in the body, even if they threaten to kill you, because these chips will control your free will as a robot. This is why I will warn My faithful when it will be time to come to My refuges of protection before the men in black come to force chips on the people. Your authorities will not tell you that if you do not take chips in the body, you will be killed. You will be approaching the time of the Antichrist, when the one world people will force the collapse of your government. My Warning will come before your lives are in danger. Be prepared to leave for My refuges so you are not captured and killed in the gas chambers, like Hitler did. Trust in Me that I will take care of My faithful, and provide for your needs at My refuges throughout the entire tribulation, which will be less than 3½ years."
(Mass for Liam's intention) Jesus said: "My people, it is sad to have to deal with a young person's death, especially for the immediate family. This young boy was in a state of depression, and he was frustrated with some of his life's disappointments. There was a bad influence over him when he did what he did."
Liam said: "Please forgive me mommy, for the big mistake that I committed. I was tempted to do something that I did not realize the consequences. I love all of you, and please pray for me in purgatory. I miss you, mommy."

Tuesday, October 1, 2013: (St. Therese of Lisieux)
St. Therese said: "My people, I thank you for listening to my words of advice, as I am always directing you to the love of my Jesus. You are familiar with my 'Little Way' in my writings, and how I treated every little task as an opportunity to do something for the love of my Jesus. You read about my writings many years ago, so maybe it would benefit you now to re-read them. You have grown in your faith to understand where I was being led, so reading my words could help you more. The more you want to help Jesus, the more you want to reach out to people in love, even in loving those people, who you do not like. Jesus asked us to love everyone, and this is one of your earthly challenges that you should take to heart in your striving for perfection. You know how I suffered from my sickness at the end of my life. Now, you need to offer up all that you do to Jesus out of love for Him."
Jesus said: "My people of America, what are you doing in murdering My babies

and disposing of them down the sewer and in garbage dumps? Have you no fear of My punishment for your brutal sins against these children? I have warned Americans before that if you do not restrict your abortions, then I will do it in a way that you do not want to know. Killing My babies is causing Me to suffer greatly, and your nation will pay dearly for your grisly killings. Your society has become so evil that each new sin will put another nail in your coffin. Many of your states allow same sex marriage which glorifies homosexual acts that are abominations of sin in My eyes. Other states also allow euthanasia which will be promoted more by your Obamacare Law when they stop treating older patients for needed operations. Also, in your Obamacare Law there is a plan to mandate the mark of the beast or a computer chip in the body that will control your mind and make you into a robot. Refuse to take any chip in the body, even if the authorities threaten to kill you. With all of these evils being flaunted by your government authorities, your country will suffer much for your sins. It is just a matter of time when your rights will be taken away, as the one world people will take you over with a planned martial law. My faithful need to be prepared to leave for My refuges, when I warn you to go, as your lives and souls will be in danger. Your country's days are numbered before My judgment and your punishment will come upon you."

Wednesday, October 2, 2013: (Guardian Angel Day)
Mark, my guardian angel, said: "I am Mark, and I stand before God, as I was commanded to watch over you. I want you to be more observant of how I am here to guide you in physical and spiritual ways. When you are looking for direction, or you need some help, you can call on Me through Jesus to help you. When you have a sense of a good intention, it is me prodding you to do the right thing. The more you are in sin, the harder it is to hear me helping you, so keep coming to Confession at least monthly. We are not allowed to interfere with your free will, but learn from your mistakes to do things better out love for God. We angels have a better understanding of God's Divine Will, and we are trying to guide you on the right path to heaven, and following God's Will."
Jesus said: "My people, this vision of a spider on its web is a sign of your internet world wide web. This communication has allowed e-mail to send

messages, data, and even movies over this line. It is used by businesses to sell things, and for web sites to post information that is searched by search engines. In your quest for information, there are various organizations that track what you search for, in order to sell you things with copious e-mail ads and even pop-ups. You also see that some people put viruses on the internet to shut you down, or use your computer to send ads. Even your government spy groups watch all of your communications supposedly to catch terrorists or crooks. Your e-mails can be used against you as evidence in trials. Beware of using this system that can be used against you. The evil ones will take over, and control the internet, so the Antichrist will be able to post his picture and commands to seduce you into worshiping him. After the Warning, you need to get rid of all of your electronic devices that are connected to the internet. It is by these devices that these evil ones could track your movements. Without any chips on you, it would be hard to find you. I will also place an invisible shield around you, so they could not even track the chip in your car's ignition system."

Thursday, October 3, 2013:
Jesus said: "My people, in today's Gospel I am sending out My disciples to spread the news of how the Kingdom of God is at hand. I am also inviting all of My faithful to come to Me so they can have a true love relationship with Me. You receive Me in Holy Communion, and I am intimately sharing My love with you. If you truly love Me, then you will love Me in your neighbor as well. The greatest sharing in My love, is to share your faith with others, in inviting them to have a close personal love relationship with Me, as you have. The best gift that you could give someone, is a gift of faith in Me for saving their soul from hell. All of My faithful are promised to be with Me eventually in heaven forever. Sharing this promise with new believers is the most important moment of their lives, when they find Me in their own hearts. Ask people to open the doors to their hearts, so I can come in and dwell with them. The joy of these souls in accepting Me, is magnified in heaven for every soul that repents and is converted to the faith."
Prayer group:
Jesus said: "My people, it is dramatic to shut down the government over

Obamacare, but many Republicans are making a stand over an unfair law that forces people to buy health insurance or pay a penalty. This alone is against your freedoms. It is difficult for some who could not afford health insurance, but now people will be forced to pay for everyone's health at a higher price. Finding enough doctors will be another problem. The worst of this law is that people will be forced to pay for abortion, and they will be forced to take chips in the body. All the taxes from this law could ruin your economy by making larger deficits than you have now. Pray that some compromise on this Health Law can be found to limit the damage of a shutdown and a possible default."

Jesus said: "My people, you have seen the courts force abortion and Obamacare on you. The next two abominations will be same sex marriage and euthanasia which the same Godless people will be forcing through your evil courts. If these evil ones cannot get enough votes to pass such evil laws, then they go through the back door in your evil court system. When you legalize killing and same sex marriage, you are doing so against My Commandments. You wonder why I am bringing My punishment against you, but look at the blood on your hands, and you have the answer."

Jesus said: "My people, you have been living a very comfortable lifestyle as you have been spoiled by your many electrical devices. Unfortunately, you are spending less time in prayer with Me because of these distractions. When you come to live at My refuges, My angels will be protecting you, but you may see little use of any electricity. This will be a more rustic life, but you will have more time for prayer, and you will be healed of your ailments. Trust in Me to provide for your needs, and I will lead you to living holier lives."

Jesus said: "My people, you are just starting to see how the persecution of Christians is getting worse, as more of your rights and freedoms are being taken away. It is Satan who is behind your death culture that is forcing abortion, euthanasia, wars, vaccines, viruses, and eventually chips in the body on your people. My faithful need to speak out against the evils of your society, but you may be persecuted for taking such a stand. This is why I am having refuges set up so My faithful could be protected. Keep fighting against evil, and you will have your reward in My Era of Peace and later in heaven."

Jesus said: "My people, you will see a division coming in My Church when My faithful remnant will need to have Mass said in the homes. You can have an underground Church for awhile, but eventually you will need to come to My refuges for the safety of My angels from the evil ones, who want to kill My people. In the end I will bring My victory against all evil as they will have to

bow to My power. Those, who love Me and repent of their sins, will win their crowns in heaven. Those, who refuse to love Me, and refuse to repent of their sins, will be on the way to hell."
St. Michael the Archangel said: "I am Michael, and I stand before God in defense of America from all the evil that is going on in your country. I have been given authority to lead the good people against the evil ones where Our Lord will be victorious at the Battle of Armageddon. I led the good angels against the evil angels who defied God, and I drove them into hell. Another time is coming at the end of this age of the Antichrist when I will again chain Satan, the Antichrist, the False Prophet, and all the demons and evil people into hell for the last time. Rejoice in Our Lord's victory when I will lead good over evil."
Jesus said: "My people, you are so blessed that I love all souls in dying for your sins, and I have given each of you a guardian angel to help lead you to heaven. You all have free will to choose to love Me or not. Allow your guardian angels to help you through life's trials and temptations, so you can be with Me in heaven forever. You are challenged by your human condition, but you have My graces to strengthen you on your pilgrimage through this life. Trust in Me and stay close to Me in prayer and Confession, and you will have your reward in heaven."

October 16, 2013
Friday, October 4, 2013: (St. Francis of Assisi)
St. Francis said: "My dear little ones, you have read my story in how I gave up my family's wealth so I could be totally dependent on the Lord in directing my life in what to do. You are familiar with the order of Franciscan priests, and nuns in the cloister. You even have the Third Order Franciscans who are lay people working in the world for Jesus. I offered everything up to Jesus, even as I had the pain of the stigmata in my hands, feet, side, and head. You also have shared my stories in Assisi where I loved God's creations and the birds and animals. I even desired penance of throwing myself into the thorns of the roses, but the thorns fell off. Today, the roses in my garden do not have thorns. I gave myself to pray much, and I encouraged my followers to adopt my ways of complete surrender to Jesus. I encourage all of God's people to pray daily, and keep close to Jesus in the Mass and in frequent Confession. I am happy to see that my

orders of priests and nuns have remained vigilant to my example. When you love Jesus, He will pour out His blessings on all of your activities."
Jesus said: "My people, you are seeing more demons being unleashed against your country, which explains why so much evil is increasing every day. Most of your people are living in sinful lifestyles. Some are living together in fornication, while others are living in homosexual relationships. You are seeing millions of abortions and some acts of euthanasia. When your government's laws sanction these evils, this is why your punishment is at the door. You will see a division in My Church with a schismatic church teaching New Age. There will be mandatory chips in the body where those, who refuse them, will be killed. You need to call on Me to have Me send down My holy angels to defend you from the demons, and from the evil ones who want to kill you. Before martial law is declared, I will warn My faithful when it is time to pack up and leave for My refuges. Your guardian angels will shield you on your way to My refuges. Trust in My protection from the demons, since evil will have a short reign before I will bring My victory over them. Then I will cast all the evil ones into hell."

Saturday, October 5, 2013:
Jesus said: "My people, all of you will die one day, and you will have to meet Me at this judgment seat. By your actions, you will have a first judgment to heaven, hell, or purgatory. You will have My mercy, but also My justice. Nations also will have a collective judgment, but this punishment is for the sins of that nation, and it can come any time. America has helped many nations in your charity, but you will be held accountable for your sinful laws, as abortion. I have been giving America many warnings to repent of your sins, and change your evil laws. But you are not listening, nor obeying My laws. So I am telling you to be prepared for your punishment, because I will allow the one world people to take you over, and hold you as prisoners to do their will. I am providing My refuges for My faithful, so you will be protected from the evil people and the demons. Hold fast to your faith in Me, and you will share in My victory over evil."
Jesus said: "My people, the fall is the time for harvesting crops, and I am showing you how I will harvest the wheat and gather it into My barn. The chaff I will gather to be burned up in the fire. This is another portrayal of the judgment

of souls. The wheat represents My faithful, and the barn represents heaven where My faithful will have their rest. The chaff represents the evil ones, and they are thrown into the eternal fire of hell. You have two choices. You can repent, and obey My laws in order to come to heaven, or you can reject My love, and suffer the consequences of being in hell forever. Choose wisely, because eternity is a long time to be in the wrong place. I love My people, and I do everything to save your souls, even dying on the cross."

Jesus said: "My people, this red light warning is to prepare My people for some bad events that will be happening in your country. You already are seeing a potential problem with your Obamacare funding, and your debt ceiling problem. If some compromises are not made soon, your financial system could go bankrupt. You will be seeing more weather disasters and people displaced from their homes. You will also be faced with a grid shutdown as a drill in November. You will be happy to see My Warning come about to give sinners a chance to prepare for the coming tribulation. Once you see mandatory chips in the body and martial law declared, you will need to come to My refuges for My protection. Trust in My angels to help you when you call on Me."

Monday, October 7, 2013: (Our Lady of the Rosary)
The Blessed Mother said: "My dear son, I am happy that you are fulfilling my plea for prayers in praying your fifteen decades of my rosary each day. Keep praying for my intentions, as I hope all of my children are listening. You have many evils going on in your world today, and more prayer is needed to balance this evil, or my Son's justice will fall upon you. I want you to give your life over to my Son's Will by carrying out your mission, and showing love to your relatives, friends, and even those people who you do not know. Reach out to help others without being asked, and you will have your reward in heaven. Encourage

your family and friends to pray my rosary."
Jesus said: "My people, because of your many abortions, your student population has been on the decrease. You do not see that many children in your neighborhoods. With your current economy, it is also hard to have good enough paying jobs to support bringing up your children. Many children are living in broken homes with a single parent. It is your society's moral breakdown that is causing divorce and living together without marriage, which has a bad influence on the morality of the children. It is hard enough as it is to get a college education, but single parent homes are even harder to afford such schooling. Parents also need to teach their children the faith, so they can be prepared to know, love, and serve Me in this life. You live in a world that is obsessed with addictions, but these addictions have demons attached to them. Avoid all addictions and teach your children not to allow anything to control them. When your children are nourished by your love and My love, then you can put them on the right path to heaven."

Tuesday, October 8, 2013:
Jesus said: "My people, the account of Jonah the prophet, shows you a rare time when the city of Nineveh was about to be destroyed, but the people repented of their sins. The king declared a fast, and the people put on sackcloth and sat in ashes in obedience to God. Because the people of Nineveh changed their sinful ways and repented, the city was spared by Me of the destruction that was intended. I am willing to forgive any repentant sinner, but the people need to show Me in their actions that they truly are changing their life of sin to be forgiven and saved. Your own mission, My son, is also one of warning the people to be prepared for the coming tribulation. Your society has been leading immoral lives of living together in fornication without marriage. They have been warned to repent, but your people are not listening, nor are they changing their sinful lives. Because they are not repenting as Nineveh did, they are calling down My justice, and your nation will be taken over, and lost to the evil one world people. If people repented and changed their life of sin, I would forgive

them, and relent of My punishment. But your people are not repenting, so they will be punished for their wicked actions. I will send My Warning as a last ray of hope to convert sinners. I will also guide My faithful to places of protection at My refuges. Some will be martyred, but the rest will suffer greatly at the hands of the Antichrist, because they did not repent."
Jesus said: "My people, in many of your civilizations, there is no such thing as welfare, because each person has to work for people to survive. This is how it will be at My refuges, where those, who do not work, will not be fed. Even now in your welfare society, your tax structure and the people working cannot afford to pay welfare for half the people, nor all the health care costs for half the people again. Take a look at your deficits that will grow larger with Obamacare. The average American family is living on less money than previous years, and they cannot pay enough taxes to support those not working, and still survive themselves. The one world people, who set up your debt system with the Federal Reserve, and your welfare state, knew that you would eventually go bankrupt when your debts outstripped your income. Now, you are reaching a point of insolvency, and your financial system is about to collapse. No one can run a household and survive like your government does, so be prepared for martial law, when your economy collapses under its own weight. This will be the opportunity for the one world people to take over, so be ready to leave for My refuges when the chaos and riots start."

October 16, 2013
Wednesday, October 9, 2013: (St. John Leonardi)
Jesus said: "My people, you need to take a lesson from Jonah's reaction both to My not punishing Nineveh, and to the gourd plant that died. When things go well, you are happy and content. But when things go against you, why do you become angry? In this account of Jonah, he may have overreacted to desire death because I did not destroy Nineveh. Even after the shade of the gourd plant was lost, he also desired death. So I ask all of you, are you angry when things do not go your way? You have been angry when your computer does not work, so you do what needs to be done to fix it. You may be angry at slow drivers, especially when you are in a hurry not to be late, so you should relax and be patient in your waiting. You may be angry when you are losing in your games, but you should

realize sometimes in games of chance, you will win sometimes and lose other times. When you step back and analyze your reason for being angry, it revolves around pride and being more patient. These events in your life are more likely to displease you than favor you, so you have to be calm and understanding, and not overreact to life's disappointments as Jonah did. I am watching how you react to situations, so you need to control your emotions better for peace with yourself and others."
Jesus said: "My people, I do not want you to look down on anyone, no matter how important, or rich you may be. You are all equal in My eyes, so be humble and treat everyone with respect without any discrimination. You are here on this earth to serve Me out of love, and to serve your neighbor as you would want them to serve you. When you obey My laws and love everyone, you will be on the right path to heaven. In the Gospel I taught My apostles how to pray the Our Father prayer. Not only are you to love one another, but you need to forgive each other of any transgressions as well. When you pray the Our Father prayer, be willing to live out the words that you are saying. Do not just repeat words, but pray from the heart, and act out what you believe."
Jesus said: "My people, a while back you had a feeling of a strong earthquake coming. Then later, you saw a 7.7 earthquake in Pakistan, and a 7.0 earthquake in Chile. Many earthquakes are related to setting off volcanoes. I am now showing you a crack in the wall of an old volcano. This was then followed by a vision of a lot of smoke and ash that gushed out of the crack, with an eruption like that of Mt. St. Helen. There are many of these disasters going on all over the world, and some like in Pakistan have destroyed a city and killed a good number of people. Pray that these disasters do not occur in heavily populated areas. Pray also that the survivors of these disasters will be able to get their lives back to normal."

Thursday, October 10, 2013:
Jesus said: "My people, this Gospel is teaching you to be persistent in your prayer requests, and to have faith that I will come to your aid in your needs. I know what you need before you ask, but I need to see your faith in Me so I can answer your prayers. I will always be watching over you to help you in your

survival with your necessities. I will answer prayers that are best for your soul and other souls, but sometimes your worldly desires are not the best thing for your soul. You all have free will, and I do not violate that, nor do I force you to do anything. So when you pray for other souls, you need to pray for their change in spiritual disposition, so they are open to receive Me into their lives. This is what requires persistent prayer, because other souls may be under the power of the evil ones, due to their sinful behavior. Keep knocking on the doors of their souls so they can receive Me through your intercession."

Prayer Group:

Jesus said: "My people, you know that the serpent is a sign of the evil one. He hides in the grass so you cannot see the evil that he is doing in tempting people to sin. Satan and the demons do not want you know that they even exist. They also do not want you to believe that there is an eternal punishment in hell. People and the demons do their evil things under the cover of darkness. This is why I shine My Light on their evil deeds so they can be seen in their sins, and they can expect to be punished if they do not repent."

Jesus said: "My people, the evil ones, who are running your government, are the same one world people who have money as their god, and the stock market is their Tower of Babel. These financial markets are the pride of man that have rebuilt the 2008 collapse without repenting, and without asking for My help. Your dollar is like a house of cards, and it is only an owed debt that has no inherent value. Be prepared to come to My refuges when your financial system will crash or go bankrupt."

Jesus said: "My people, your people and the financial markets are hoping that a deal is being made to postpone the debt ceiling deadline, even for only a short time. Opening the government will need to be worked out, but at least your leaders are trying to make a compromise in some negotiations. The gridlock in the government needs each side to get some gains or the shutdown will continue. Obamacare still needs some fixing, but these problems may take time to be resolved. Pray that the shutdown and debt ceiling can be compromised to get your government up and running. Many workers are suffering, and your credit rating lies in the balance."

Jesus said: "My people, I thank all of your prayer group members for being persistent in attending your weekly rosaries, because prayer is greatly needed for your evil world. Keep praying especially for the conversion of poor sinners, because I do not want to lose one soul to the evil one. For every soul who repents, all of heaven is rejoicing. Keep praying for your converts that they will

remain faithful to My calling. Also pray for your relatives and friends that they may imitate your good prayer life example."
Jesus said: "My people, some of the reason for your shutdown has been for some curtailing of the problems caused by Obamacare. It is just coming out in some of your media that there will be mandatory chips in the body forced on your people. You may see smart cards used at first, but there is a plan to place the mark of the beast on each citizen by having mandatory chips in the body. You are to reject any chip in the body for any reason, even if your life is threatened. These chips in the body could control your minds with voices, and they will make you into robots. Overturn this part of Obamacare, or you will need to come to My refuges of protection."
Jesus said: "My people, My prayer warriors are My family spiritual leaders, and your family looks up to them for guidance and direction. This is why My prayer warriors need to be persistent in their faith, their daily rosaries, and their monthly Confession. Call on Me and your guardian angels to help strengthen you, so you can keep on the right path to heaven. My Blessed Mother's rosary is your most powerful weapon against the demons and breaking addictions. Your persistent prayer life is a perfect witness for helping the lukewarm and fallen away Catholics, especially in your own families."
Jesus said: "My people, you can see how your families are divorcing and living together in fornication because you no longer see much family prayer. Fr. Peyton's saying is most needed in your families today. He said: 'The family that prays together, will stay together.' With each marriage I am the third partner to hold that family together. Your spouses should pray at least one rosary together and have the children pray for family unity as well. A daily commitment would be good right after supper. You will see great blessings come upon your families for making this effort to bring Me into your family life. You all have commitments, but the most important is to save the souls of your family from going to hell."

Friday, October 11, 2013:
Jesus said: "My people, the Gospel talks about how I cast demons out of people, and the people did not realize that I did so because I had the power of God that

the demons could not fight. As you look around at your churches, you are seeing fewer young people, who have stopped coming to church and your prayer groups. The demons are especially attacking your youth because they have less supervision from their parents, and with broken homes, the youth are not following their faith that they learned in grammar school. Many of your youth are becoming addicted to drugs, alcohol, the internet, computer games, hand held devices, and living together in fornication. They have lost their moral compass, and they have become easy prey for the demons. You parents need to watch what your children are doing, and teach them good prayer habits to counter these demon attacks with their addictions. If the parents and grandparents do not look out for the souls of the youth, you will be losing a generation without any religion for themselves and their children. Keep praying for your children and grandchildren so you can help save their souls from going to hell."

Jesus said: "My people, many of you go to your stores and expect to find the food for your table with vegetables and meat products. You do not have a full appreciation of the effort involved with milk cows, pigs, and growing vegetables in the fields. You may have some small gardens, and you had to deal with bugs and rabbits that wanted to eat your crops. The farmers have even more headaches. They need to service their tractors and other machines they use. They need fertilizer, seed, and a place to store and sell their crops. They are also vulnerable to bad weather during the growing season. Pray for the success of your farmers to provide the food you need to survive. I am showing you this farm because you may need to grow some food for those people at your refuge. I know your needs, so I will multiply your food when it is necessary to feed many people. I will also help you in storing your food so it does not spoil and rot. When you are faithful to Me in prayer and deed, I will be faithful to you in providing for your needs throughout the coming tribulation. I love all of you for loving Me and helping converts. I will have My angels protect you from the evil ones at all of My refuges."

Saturday, October 12, 2013:

Jesus said: "My people, I have been showing you signs as this priest

disappearing from a church, because you soon will no longer see the Mass that you know in the churches. Only the true Mass with the proper words of Consecration will be said in the homes or underground places. This is a picture of the coming division in My Church where you will see the words of Consecration changed. My Body and Blood will no longer be invoked on these altars, and you will need a faithful priest to say a proper Mass in secret. This will begin the stages of the Antichrist's coming into power, and the leader of the schismatic church will be working with him. My faithful remnant will need to seek out a private Mass with a faithful priest. I will warn My faithful when it will be time to come to My refuges where you will have My angels give you daily Holy Communion if you do not have a priest. Each refuge will also have Perpetual Adoration so I will always be with you during the tribulation. Be prepared to leave for My refuges with hosts and wine, as well as books and candles for Mass. Help any faithful priests who want to come with you to My refuges."
(Connie Tette Funeral Mass) Connie said: "I am grateful to see all of my family and friends who took the time to come to my funeral. I love all of you so very much. I thank those people who helped me in my last years. I am here with Jesus and the Blessed Mother in heaven, as I prayed to them every day to help my family. It was a joy to be a member of your prayer group, John. Give my love to Jeannie as well. I will be praying for all of you, and I will be watching out for my family members. I give praise and thanks to Jesus for the beautiful life that I had, so I could help people. Remember me in your pictures."

Jesus said: "My people, in today's Gospel I healed ten lepers of their leprosy, but only one returned to thank Me. I even asked, where were the other nine who did not thank Me?
In other instances today, you may have a prayer request answered, but do you always thank Me for any healing? Every time someone helps you, you need to thank them for their service. But when I help you, you should remember even more to thank Me. You all have received some gifts of a good job, and you have at times accumulated some wealth so you can share it with others. Learn to be a

good giver of both your money and your time, especially in helping your own family members. In addition to helping them financially, you can also encourage your people to come to Sunday Mass and keep close to Me in My sacraments. Saving the souls of your family members is even more important than their physical needs. Keep praying for your family to repent of their sins and to develop a good prayer life."

October 16, 2013
Monday, October 14, 2013: (St. Callistus I)
Jesus said: "My people, the only sign that I gave to the people of My time, was the sign of Jonah. Jonah had the mission of telling the people of Nineveh that they needed to repent of their sins, or in forty days their city would be destroyed. The people heeded his message of repentance, and the city was spared. Yet, the people of My day were given a similar message to repent by St. John the Baptist and My own mission. Some people changed and converted their lives, but not all of them, like Nineveh. I did not come to condemn the people, but I came to die for all the sins of mankind. I was telling the people also, that I was greater than Solomon or any other previous person, as seen in the vision of history. I told them that I was God the Father's Son, but they did not want to believe Me, despite all of My miracles. I am greater than any of the creatures that I created, but the people had difficulty in understanding My Incarnation as a man, who is human and Divine. This truly is a mystery to understand, as well as knowing about the mystery of the Blessed Trinity. This sign of Jonah is a sign for all the ages, as this generation. The people of the world need to repent of their sins, and change their sinful lifestyles. This is why I encourage My people to come to Confession at least once a month, so I can forgive their sins, and restore My grace to their souls. Listen to My call for repentance, and you will be on the right path to heaven."
Jesus said: "My people, your original Health Care Bill had implantable chips as part of your insurance requirements. This control through digital records, is eventually going to make mandatory chips in the body a means of controlling the people's minds as well. This is the mark of the beast that I do not want My faithful to accept for any reason. Eventually, if people refuse this chip, they could be killed in death camps for not going along with the new world order.

This will be enforced by a large number of foreign mercenary troops dressed in black for the UN. This is why My faithful need to have their backpacks ready to leave, when I will warn you that it is time to leave for My refuges. Your guardian angels will lead you to the nearest refuge, and you will be invisible to those who want to kill you. After the Warning, get rid of all of your electronic devices because the Antichrist will be controlling people by his image over the TV lines, and the internet. His eyes could control people's minds to worship him. Trust in Me that I will protect My people at My refuges, and I will provide for your food, water, and shelter. Be prepared to see an evil worse than ever, but the evil ones will not harm you at My refuges. Some will be martyred, but they will become instant saints."

Tuesday, October 15, 2013: (St. Teresa of Avila)
St. Teresa said: "My dear son, you have had the opportunity to visit My convent in Avila, Spain. The grounds and buildings are very beautiful, and you could see by the pictures how I love my Jesus very much. I tried to instill this deep love of Jesus among my sisters in the cloister. In today's Gospel, you read how Jesus was trying to warn the Pharisees that they needed to cleanse the inside of their souls as well as washing the outside of their bodies. This is really the subject of my writings in my 'Interior Castle'. Many people and clergy have been touched by my writings to bring them closer to Jesus. You need to take quiet time with Jesus in front of His tabernacle to listen to His words to your heart. He calls all of us to be true to the mission that He has given us. We need to give our free wills over to Him so we are open to do His Divine Will. By your obedience and your good deeds, Jesus can bring you to your reward in heaven. Be patient and keep praying for sinners and the souls in purgatory every day."
Jesus said: "My people, I have talked about the one world people as controlling governments behind the scenes. This shadow government that I have shown you in the vision, is just another name for the one world people. These are the rich people who belong to many powerful groups as the Masons, the Bilderbergers, the Trilateral Commission, and the Council on Foreign Relations to name a few. Most all of your Cabinet members who work for your Presidents, belong to these groups. That is why no matter which party your people choose for President, the

same one world people are in control. These same one world people are working to bring your country closer to bankruptcy, and they want to bring down your dollar so they can take you over. Things like shutting down the government and causing a default of the debt ceiling are all the things that these people want to cause panic and bring your government down. Pray that your legislators make some compromise to get your government up and running. If these people allow a default, then you will know who is really pulling the strings to cause a failure in your government. Once America is taken over by martial law, this will be the time to leave for My refuges. Do not hesitate, but leave promptly for My refuges with your backpacks, tents, blankets, and food and water. Trust in Me, and I will protect you from the evil ones."

October 31, 2013
Wednesday, October 16, 2013:
Jesus said: "My people, there are many people who seek fame in public places and greed for themselves, but they do not lift a finger to help other people. In the Gospel I was criticizing the Pharisees who proclaimed every Mosaic Law to the people, but they did not obey these laws themselves. When you call other people sinners, and you disobey the same laws, then you lose credibility in proclaiming My Word, since you are a hypocrite yourself. You need to clean up your own sins first by repenting in Confession, before you can proclaim My Word. In the exaggeration of the language of My day, I called people to remove the wood beam from their own eye, before they tried to remove the gnat from their brother's eye. I am the only one to truly judge someone. My faithful should leave all judging up to Me. Once you have repented of your own sins, you can make suggestions to help people to save their souls, but do not force your will or your judgment on anyone. I also criticized the lawyers for heaping heavy burdens on people while making money off of their problems. It may be just for a fair wage for their services, but lawyers make too much money in taking advantage of people, just like the tax collectors of My day who stole money from the people. You will not find very much justice among mankind, but those, who abuse the people, will have to be accountable at their judgment before Me."
Jesus said: "My people, this gridlock of cars on the highway is similar to the gridlock of your government shutdown and near default, that just barely was

averted on this last day before the deadline. Many are happy to see the government open again, but this was just a temporary agreement until January 15 for the Continuing Resolution and February 7 for the debt limit. Many of your Republicans were seeking a one year delay for individuals to sign up for Obamacare. The President and the Senate had the votes to keep Obamacare from being changed, so it was a predicted result. The House kept sending different options to the Senate, but they were all rejected by the Senate. When it came down to a possible default, the Republicans gave into voting for a Democrat bill that was disguised as a bipartisan solution. Time will reveal if the Obamacare law is a success or a failure. Some parts may be beneficial, but the cost and finding enough doctors will still be problems. Another potential problem will be if enough young people sign up, or they may pay the penalty to save money. My faithful will need to refuse this insurance when you see mandatory chips in the body forced on the people. This is when you will need to come to My refuges to protect your lives and your souls. When you see My miracles of healing and multiplication of food, you will see that My 'Jesus care' will be far better than Obamacare."

October 31, 2013
Thursday, October 17, 2013: (St. Ignatius of Antioch)
Jesus said: "My people, you have seen many saints who were willing to die for their faith in Me, rather than deny Me. In your society, Christians, and especially Roman Catholics, are being criticized and even persecuted for their beliefs. You stand up against abortion, euthanasia, same-sex marriage, and living together in fornication. This defiance of the immorality of your society brings problems because you affect the people's consciences by talking about the sins they are committing. These people, without morals, do not want to be told about their sins, and so they reject your righteous teaching by persecuting you and putting you down. These people do not want to admit their sins, and they do not want to repent of them either. The demons are encouraging this immoral behavior, but the people desire their sinful pleasures over loving Me. They do not want to admit they are doing wrong, so they deny that they are sinners, and attack you instead. When the immoral people see your good example, they are furious that you are against their lifestyles, and they will persecute you. It is difficult to

proclaim My Word which preserves life, and encourages proper marriage without fornication, homosexual acts, nor mercy killing. My faithful need to stand up against your society's sins and evil lifestyles, even in your own families. For the sake of the souls in your family, you need to warn them of their sinful living, even if they resent you for it. You eventually will have to come to My refuges for your protection when the evil ones will want to kill you for not taking chips in the body, and not worshiping the Antichrist. You will have a choice to be a martyr, or to come to the safety of My refuges. Even if the evil ones capture you, you will need to be brave enough to die for your faith, instead of denying Me."

Prayer Group:

Jesus said: "My people, just as you are aware of the Blessed Trinity, so Satan has mocked the Blessed Trinity with an evil trinity of Satan, the Antichrist, and the false prophet. In the Blessed Trinity you have God the Father, God the Son in Me, and God the Holy Spirit. I have allowed Satan to roam the earth, and he considers the earth as part of his realm. There is a battle on earth between Satan and Me, as we are both fighting for souls. Avoid the Antichrist and do not worship him nor look at his eyes that could control your mind. Call on My help and the angels to defend you from these evil ones."

Jesus said: "My people, when people live in mortal sin, their souls are dead to Me without any grace. This can be changed when these people come to Confession, and they are forgiven of their sins. Then their souls are beaming with grace. A new evil is coming when you will have mandatory chips in your body according to your Health Insurance Law. People, who knowingly take this chip and worship the Antichrist, will also be among the living dead because they will be hypnotized by voices to be like robots with their free will controlled by evil beings. Refuse to take any chip in the body, and refuse to worship the Antichrist, even if they threaten your life or take all of your money."

Jesus said: "My people, on the day of the Warning, you will see a great display in the sky that could frighten some souls. At that point all of the souls will come out of their bodies and be outside of time, all at the same time for everyone. You will come through tunnels of time to see My Light. When you are before Me, you will have an illumination of your conscience as you will have a life review of all of your actions. You will not only be reminded of your actions, but you will also witness them from the viewpoint of the people who you helped or harmed, as well as from My viewpoint. You will be judged to heaven, hell, or purgatory, and then you will be given a second chance to improve your lives

when you are placed back into your bodies. Pay attention to this Warning because it may be the last chance to save some souls. It will also be coming sooner than you think."

Jesus said: "My people, it is one thing to be prudent and put aside some extra food and money to get through some bad times. It is another thing to trust in Me to provide for your needs. Do not worry about saving your life on earth, for the body will die and turn back into dust. Instead, work with Me to save your soul because your soul lives on forever. You would much rather spend all eternity with Me in heaven with the One who loves you, instead of being with Satan forever in hell with the one who hates you. Keep your focus on Me in your daily prayers and monthly Confession, and you will see your reward in heaven."

Jesus said: "My people, your right to life groups have displayed these baby models at various months so you realize this is a living human baby throughout all nine months of development. Some people may criticize these displays, but it may help women to see what their baby looks like at the time of their abortion. It is an opportunity to help those women who had abortions so they could be consoled in their sin, and point them to My loving arms as I await their seeking of My forgiveness in Confession. You pray to stop abortions, and you pray for these mothers who aborted their children. Life is precious, and it should be valuable to everyone."

Jesus said: "My people, I do not want you to glorify Halloween that appears to glorify evil, even more than My birth at Christmas. The children may want to go out to gather some candy from generous people. This is really a bad influence on your children to glorify demons, witches and ghosts. Instead of dressing the children up in evil costumes, let them be dressed as saints because it is the eve of All Saints' Day. Do not give any credit to evil, but glorify heavenly beings as the saints, who by their lives, are a good example to imitate."

Jesus said: "My people, at times you see people killed or made homeless by weather disasters of snow and floods. When something happens to you, you are more understanding of how you can lose your home. You can make some donations to help people with disasters, either with money or food. You also can make donations to your local food shelves where you know how your money is used. When you reach out to help people, you will gain merits in heaven, and your heart will feel satisfied that you helped someone."

Friday, October 18, 2013: (St. Luke)
Jesus said: “My people, I have chosen My disciples who I wanted to spread My Word. They all had to say ‘yes’ to the mission that I was giving them. I told them to not take much with them because My laborer is deserving of his keep. Even as I called My disciples in My time on earth, I call other prophets and messengers for these end times as well. Not only did I chose you, but you gave Me your ‘yes’ as well. Unless people give their consent to do My Will, then it is difficult to fulfill their mission because the devil will distract them. My evangelists also require a deep love for Me in a daily prayer life. They also need to keep close to Me in at least monthly Confession and frequent visits in front of My tabernacle. You need a quiet space by Me to hear My voice, and remove all of the worldly distractions. Once you are focused on Me, then I can share My Word of love to My people. My evangelists also must be ready to travel to spread My Word, and they may suffer pains or endure disappointments on their way. These things are to build up your spiritual strength so you can fight off the temptations of the evil one. Pray for safe travel, and sprinkle some holy water or blessed salt on your vehicle. When you pray, I will send My angels to guard your way to keep you safe. I thank all of My servants who go forth to all the nations to spread My Word of the Kingdom of God.”
Jesus said: “My people, because all of your bishops have to retire at seventy-five years old, you are seeing many dioceses across your country that are in need of a new bishop. In your own Diocese of Rochester, New York, you are also in need of a new bishop. When you saw a young bishop walk out, this was a sign that you would be getting a new bishop, but it could take some time. It is how a bishop runs his diocese that will either enhance the people’s faith, or it may result in more schools and churches closing. The faith in a diocese is as strong as its leadership. You have seen how I sent out My disciples to evangelize the people. In today’s society it will be the faithful laity that will help save the people from their sins. There is still a faithful remnant that has prayer groups, attends Masses, and prays daily. You may see them in My Adoration chapels, or in the Confession lines. These traditional Catholics are an inspiration to the children. One example of tradition is when you visit three or more churches on Holy Thursday night in Holy Week of Lent. If My faithful remained true to their younger upbringing, you would not have all of the divorces and separations in

the families. You would also have fuller churches on Sunday, and longer lines at Confession. As it is now, you are seeing more people leaving the Church, and very few are praying. The Confession lines are smaller as well. Keep praying for a renewal in My Church that newly installed bishops could help inspire."

Saturday, October 19, 2013:
Jesus said: "My people, in the Mass you use bread and wine that are consecrated by the priest into My Body and Blood. But there are some people who want to drink too much wine, and they can become drunk with alcohol. Once you drink too much alcohol, you do not have control of your mind and your senses. Some even get violent in such a state of drunkenness. Drinking a little is appropriate, but drinking to excess becomes sinful because of your lack of control, especially when you are driving. If you drink and drive, you are endangering the lives of others on the road. Those, who drink to excess often, can become addicted to alcohol, and they become alcoholics. Remember also that there are demons connected to such addictions. It is not easy to heal an alcoholic because their craving for alcoholic drinks is hard to ignore. If someone wants to be healed, it takes a personal choice to stop and get help. It also takes prayer and fasting to deal with the demon or demons that are controlling this person. To heal alcoholics you cannot enable them by giving them money or access to alcoholic drinks. It takes tough love to help them, but if they do not want to help themselves, your job will be more difficult. Not only does drinking endanger a person's health, but it also endangers the soul that a person could lose to the demons in hell. When you have someone with this addiction in your family, you need to pray and fast to cast out these demons. Help these people the most that you can, because they can cause much harm to those people around them. Addictions are one of the worst threats to your soul, so work to not allow anything to control you."

Sunday, October 20, 2013:
Jesus said: “My people, all the time in heaven My saints and angels are giving Me praise and Adoration. I know that My people are weak and distracted easily in your human condition. Still I want My people to do as the saints and angels do, and give Me praise and glory every day. Today’s Gospel speaks about persevering in prayer for your intentions and about faith in Me to heal people and answer their prayers. There are many ways to pray, and when you pray, you are talking directly to My Heart. The five types of prayer are: prayers of worship as at Mass, prayers of Adoration as when you pray before My monstrance or tabernacle, prayers of petition as when you pray for people’s souls, prayers of thanksgiving as when you are thanking Me for favors received, and prayers of blessings as when you pray grace before meals. In the vision you are seeing a crucifix in front of a grave. This has two meanings. The first meaning is how each soul can prepare for its death by becoming united with Me in daily prayer and a love relationship that will save this soul for heaven. The second meaning is how My faithful can pray for the deceased that may still have their souls in purgatory. Your Masses and prayers for the souls in purgatory can gain their release so they can come to heaven quicker.”
Jesus said: “My people, I am giving you a warning that the demons and evil people do not like your messages that are revealing their dark secrets. I told you that when you pray over people in your binding of the demons prayer, that you could see a push back from the demons. This could take many forms of attack, but you have already seen attacks before, as the car in the wrong lane, your flat tire in the dark, and the major accident when someone ran a red light and hit you. So keep praying your St. Michael prayer and invoke My protection as you drive your car. My power is more powerful than all of the demons, so call on Me and My angels to protect you. Have no fear of the demons, and trust in My protection.”

Monday, October 21, 2013: (Kevin Zaleski Funeral Mass)
Jesus said: “My people, it is always sad to see a younger person die before their time. Pray for Kevin in this time of mourning. I showed you a Bible in the vision as a way of life in following My Word. Even the priest reminded you of your

early teaching of why you are here on earth to know, love, and serve Me. You can come to know Me in reading the Scriptures, and witnessing My creation. You can love Me in your daily prayers, and receiving Me in Holy Communion. You can serve Me by helping your neighbor in their needs, both in the body and helping the soul with your good example. Your prayer groups give you an opportunity to share your faith in your rosaries and your faith fellowship. Thank Me for the gift of Kevin's life in all of your lives. He loves you all so much."
The Blessed Mother said: "My dear children, many of you are curious why my statue is weeping oil here. This miracle is a testimony to the faith of the people at this church that honors me in my traveling Statue of Fatima. I am crying tears in various places in America because your sins of abortion are greatly offending my Son, Jesus. I am making a request of my children to pray for the stoppage of abortion in your country. Do whatever you can to show the people how evil it is to kill your unborn children. My Son has warned you in many messages to stop this killing, or you will see His hand of justice fall against America. Pray, pray, pray, to stop your abortions in America."
(Reparation Mass) Jesus said: "My people, I have talked to you before about your choice between loving Me or your money. I also want My faithful to be able to share their wealth with others. In the Bible there is a recommendation of tithing your income so you can give ten per cent of your income to support My Church and your charities. This vision shows you that the tribulation is almost upon you. Do not concern yourself with accumulating this world's wealth because it is temporary, and in a short time your dollar will be worthless. Even gold and silver will not buy you anything without a chip in the body. Be more concerned with building up your treasure in heaven because your soul lives on forever, but your body will pass away just like your wealth. Your prayers and good deeds will help store treasure in heaven, so focus more on helping your neighbor than your own needs that I will help you with on earth, and later in My Era of Peace."

October 31, 2013
Tuesday, October 22, 2013: (Blessed John Paul II)
Jesus said: "My people, you are aware that by the sin of Adam and Eve, all of mankind has inherited original sin and all the consequences of this sin. This is

why you have to die, and it is why you are weak to committing sin. I did not leave mankind orphans, but I promised all of you a Redeemer. This is why I was incarnated as a God-man. Through My Blessed Mother, I was born into this world so I could offer Myself up as a perfect unblemished sacrifice. This is how I could ransom all of the souls of mankind in the past, present, and the future. By the grace of My death on the cross, I can offer all of you the salvation of your souls, and I can offer you the opportunity of coming to heaven. If you open your hearts and souls to Me in love and follow My Commandments, then I will open the gates of heaven to welcome you to your heavenly reward. The Gospel speaks of having your soul always purified by frequent Confession so you are always ready to meet Me at your judgment, whenever you should die. I want all of you to be prepared, even if you should die this day. By keeping your soul pure, following My Commandments, and performing good deeds for your neighbor, you will be found worthy of heaven. Of those souls who are saved, some may have to be purified in purgatory. This is why I ask My faithful to pray for the deceased and have Masses said for their souls. In this way souls can be released from purgatory for heaven. I love all of you so much that I died to save your souls. All you need to do is accept My gift of salvation, and follow My Will."
Jesus said: "My people, you have heard about some priests who committed pedophilia acts on young boys. There also have been men caught molesting young girls of all ages. It becomes even a worse crime when parents or other relatives have sex with young girls or young boys in their own family. Sometimes these molestations are kept secret, but some family members suspect this behavior, or the child could reveal it to some member. The parent or relative should know their actions are sinful, and they should have it forgiven in Confession. Pray for the children who are molested, so it does not harm them later in life when they get married. If this incident happens often, it could damage the children's trust in their parents or relatives if it is allowed to continue. Pray for your children that they are not abused by anyone. These little ones are precious in My eyes, and I do not want to see them harmed in any way."

October 31, 2013
Wednesday, October 23, 2013: (St. John of Capistrano)
Jesus said: "My people, St. Paul shows you that you were once slaves of sin, but

now that you are converted to following Me, you are slaves of righteousness. You all should follow My Commandments if you wish to be with Me in heaven. When you walk in My ways, then you will be living in My grace. My faithful have learned much from Me, and you have received many gifts to help you with your mission to reach out and save souls. Because you have been given much, much more will be expected of you in using your gifts. You are in the Fall season of the harvest, and the farmers have to cut and gather the hay at the proper time when the hay is dry, so it will not have mold as it is stored. This physical harvest is symbolic of the spiritual harvest of souls at the end of this age. This will be a time of judgment of souls when they will be held accountable for their life's actions. Keep in mind that you are all good people, but it is your deeds that will either condemn you, or bring you merits for heaven. Keep focused on Me, and do everything for My greater glory, and not for your glory."
Jesus said: "My people, many of you go out to restaurants, and you expect them to have plenty of food to sell. In the same way, you go to grocery stores, and you are spoiled with so many choices of food. When all is going well, you can live comfortably with plenty of food available. There are times when you have disasters of tornadoes, floods, and snow storms. In these cases it might be harder to find food that has not been damaged. I have warned My faithful to stock up on some extra food and fuel for when your stores might be closed, or when you may need a chip in the body to buy your food. You have seen the stores get cleared out when there is an impending disaster. Being prepared with food to eat, and fuel to keep warm, may help the body. Being prepared spiritually involves having a good prayer life, and a pure soul with frequent Confession. Having some blessed sacramentals can also protect you from the demons. As you get closer to the declaration of the Antichrist, you will especially want to be prepared, so you can come to the safety of My refuges. Your bodies and your souls will be at risk, so call on My help and My angels to put My shield of invisibility over all of you."

Thursday, October 24, 2013: (St. Anthony Claret)
Jesus said: "My people, in the reading from St. Paul to the Romans he proclaimed: 'For the wages of sin is death, but the gift of God is life everlasting

in Christ Jesus Our Lord.' (Romans 6:23) It is important to realize that satisfying the body's cravings in sinful behavior, will take you away from the One you love. Do not offend Me with such things, when you could be showing Me your love in obedience to My Commandments. These earthly pleasures are fleeting, and they only will draw you to repeat these sins. You will never have peace in sin because I am the only One who can bring peace to your soul. In the Gospel I spoke of bringing division between your family members. This is not an intended division because I truly want My people to be united in love of Me. But when I bring My love and a desire for your obedience to My laws, not all of your family members will believe, and have a strong love for Me. Some will be weak, and they may not come to Sunday Mass, nor frequent Confession. If you truly love Me, you will seek to avoid sinful behavior, and seek My forgiveness when you fall into sin. Keeping a pure soul requires some spiritual effort, and not all of your members may be willing to make this commitment. So those of you who are faithful, could be at odds with those who do not love Me. This is another sign of the battle of good against evil. Strive to be a good example to the weak souls, and work to convince them that following Me will bring them eternal life in heaven."

Prayer Group:

Jesus said: "My people, there are plans to repair the Capitol building where the Congress conducts its business. Some of your people would say your government is in need of repair because of the major gridlock that is occurring over many issues in your Congress. I understand that some people are against Obamacare because the government is forcing everyone to buy health insurance. The start of this huge program has had a lot of problems in signing up with some computer problems. Now, your Health Department is giving you a month or so reprieve from paying any penalties. This program needs a major repair as well, and the people have yet to see what premiums they will be paying."

Jesus said: "My people, some people do not like the fact that everyone is not treated fairly with Obamacare. The big businesses, Congress, and the unions are getting special waivers that allowed a one year delay in implementing Obamacare. Small businesses and other individuals do not have waivers, and they are having problems signing up for this health insurance. It appears that this whole program should be postponed until the sign up problems are corrected."

Jesus said: "My dear son, ever since you elected to journal My messages, you have been storing these messages in a large binder so you can have easy access to showing people. You also type them up, and you send them to your spiritual

director every two weeks. This requires a lot of typing, and you have been faithful to this labor of love that provides a digital form for the internet and the books at Queenship Publishing Company. I thank you for all that you are doing to fulfill this mission."
Jesus said: "My people, the rain acts as a prism which breaks down your white light into many different colors. This rainbow shows red, orange, yellow, green, blue, indigo, and violet. This was a covenant given to Noah after the flood that stated I will not bring such a flood on the world again. There are other covenants that I have made such as promising mankind a Redeemer which was fulfilled in My death on the cross. I am faithful to My Word, and I would like a similar promise by man to be faithful to following
My Commandments. I have given you the sacrament of Penance to make reparation for when you disobey My laws. See My love in everything that I do to bring your souls to heaven."
Jesus said: "My people, there is a political battle going on between those who favor abortion, and those who are fighting to save the babies in the womb from being killed by abortion. Your Right to Life groups are run mostly by volunteers and what donations they can get from the people. This is a small amount of money compared to taxpayer money that goes to Planned Parenthood. You can add your voice as an advocate for the defenseless little babies in the womb that they may be protected from being killed."
Jesus said: "My people, the death culture is sponsored by Satan and those who worship him. Many of the high levels of masons and other one world groups actually worship Satan and take his orders to kill man. These people are the ones killing babies in abortion, killing older people with euthanasia, killing your people in wars, and they are killing people with viruses and vaccines. This is why it is hard to fight them in their evil deeds because they have money and political power on their side. My people have Me on their side, and I will open doors so they can be effective in fighting these evil ones who do everything for money as their god."
Jesus said: "My faithful pilgrims, you will be embarking on another pilgrimage to these old mission churches in California. You remember the first message that I gave you at the beginning of your trip which asked for prayers for those who would be killed in the coming earthquakes. You are doing special Masses of reparation for this same cause. Continue praying for all those who are killed in disasters when these souls are not fully prepared to meet Me at their judgment. With your continuous prayers and Masses, I will have mercy on such souls who

did not have time to purify their souls beforehand."

Friday, October 25, 2013:
Jesus said: "My people, I have been preparing My people for when the persecution will be so great that it will be necessary for your guardian angels to lead you to the nearest refuge. This coming train in the vision is a sign that this time to leave is close. I have also inspired a good number of faithful who have given Me their 'yes' to working on their own refuge. This is not an easy decision because it takes some work and a commitment to preparing a place for the people to come. It would be ideal for every refuge to be consecrated by a priest, and to have an independent source of water. At many refuges people are storing food supplies and fuel that could be multiplied to accommodate the people. Some are setting up dormitories for sleeping and possible farms for producing your own crops. You will see My angels protecting each refuge from any evil people. The bigger refuges will have My luminous cross in the sky for the people to be healed of all of their ailments when they look on the cross. Have faith and trust in Me when I will protect My people. Some will be martyred, but they will become instant saints. This tribulation of the Antichrist will be your purgatory on earth. Rejoice that you will see My victory over the evil ones in your lifetime. This is an exciting time to live when I will prune all of your earthly attachments, so you can come into a fuller love of your Savior. You will have perpetual Adoration at all of My refuges. Many beautiful souls love to come and bask in My graces and in My Light with My Blessed Sacrament."
Jesus said: "My people, I am the Vine, and you are the branches. All of those people, who love Me and obey My Commandments, are a part of Me in the Communion of Saints. Those people, who reject Me, fall away from the Vine and they scatter. I am the One who gives you nourishment in My sacraments, and My faithful will have eternal life with Me in heaven. This choice of choosing Me or not, is part of the battle between the spirit and the body. By fasting and prayer you can strengthen your spirit in order to resist the desires of the body. In the Gospel I am showing you that you can read the signs of weather to know whether you will have a nice day or a stormy day. In the same way I want you to be able to read the signs of your times. In the Bible I have described

the end times in more severe earthquakes, famine, and pestilence. You are seeing these signs with more earthquakes and viruses that are killing the people. You are living in the end times as you see evil being allowed to have abortions, euthanasia, same sex marriage, and living together in fornication. This increase in evil and this increase in knowledge are further signs of the end times. The Antichrist is about to declare himself, and bring about the tribulation. I will protect My faithful at My refuges, so have no fear of the evil ones."

Jesus said: "My people, this scene of My agony in the Garden of Gethsemene is familiar to you about prayer. I had asked My apostles to pray with Me, but they fell asleep at night. I came back to them the third time, and I told them: 'Could you not pray one hour with Me?' I am always telling My people not to get so caught up in their earthly distractions, so they can make some time for Me in prayer. When you pray, do not just repeat words, but pray from the heart because I hear all of your prayers and petitions. I have told you in the past that if you do not keep up a good prayer life, then you could lose some of your gifts. I commend My people who are also adamant in attending your prayer groups. When you give your 'yes' to Me, you can share your faith with others, especially at your prayer groups. In the morning consecrate your whole day's activities over to Me, and then everything that you do for Me will be like a prayer. You also need to instill a good prayer life in your children and grandchildren. It is important to pass your faith on to the next generation so they can pass it on to their children. Remember that it is important to keep praying for your relatives and friends because you could be the grace to save their souls from hell, even though some are not coming to Church on Sunday. Working to save souls should be your most important mission."

Sunday, October 27, 2013:

Jesus said: “My people, today’s Gospel speaks about having humility instead of boasting of your own goods and talents. I do not want you to judge or discriminate other people so you treat everyone the same. I see all of you as equal in My eyes, and I look into your heart to understand the motivation behind your actions. You may fool others with your outward actions, but I know all of your secret intentions behind what you do. I ask all of you to be loving of everyone, even your enemies or those whom you dislike. You all are made in My image, and you all are capable of loving Me and each other. I want My people to reach out in love to help their neighbors in their needs, and even to share their faith with them. You can share your money, your goods, and your time in using your talents to help others. Even when you help others, do everything without expecting repayment because you give everything out of love. You can also pray for people in helping souls, and give them a good example as a Christian should. As you pray and ask My forgiveness of your sins out of humility, then you too can go home justified by the proper intentions in your heart. The more you share with others, the more merits and treasure that you are storing up in heaven for your day of judgment.”
Jesus said: “My people, I desire that you give Me proper reverence in My Blessed Sacrament. You remember when I asked St. Peter three times if he loved Me. He said that he did love Me, and I said: ‘Feed My sheep’. I ask all of My people: ‘Do you love Me?’ If you truly love Me, then you could show that love by your actions in revering My Real Presence. When you receive Me in Holy Communion, make sure you are free of any mortal sin, so you do not commit any sin of sacrilege. When you come into church at your pew, you could genuflect to My tabernacle. Those souls, who truly love Me in My Blessed Sacrament, could come to adore Me before the monstrance or My tabernacle in their holy hour visits. Not only could you show Me reverence, but you could teach your children and grandchildren to also have reverence for My Real Presence in My Blessed Sacrament. If you bring yourself to honor Me, I will honor you before My heavenly Father. Keep your focus on Me every day so you can be close to Me in love for all that you do.”

Jesus said: “My people, I have been preparing My people to be able to leave their homes to come to My refuges when their lives and souls will be endangered by the evil ones. When you come to a refuge, you will be fortunate to have electricity, if you have solar power. You were given a little test this morning when the grid power went off for a few hours. You learned to deal with the cold with your wood stove, and you needed candles for your light source. If you had no electricity, you would have to deal more with heating, lighting, and rare warm water. You have been spoiled with many convenient devices, but you will be living a more rustic life with more time for your prayers. My angels will protect you from the evil ones, but you will be using root cellars to store your food. I will send you daily Communion with My angels, and deer for meat. Your lives will be different for only a brief reign of the Antichrist. Rejoice when I will bring My victory over the evil ones, and I will bring My people into My Era of Peace, and later into heaven.”
For Carmen: We were praying the rosary for Carmen’s husband, Scott, who was having chest pains and went to the hospital. He had a small heart attack. Jesus said: “My people, I am very pleased with Carmen and all of her healing ministry. She is being tested with her husband’s health at this moment. Keep praying for any healing that he needs right now both physically and spiritually.”

November 2013

November 13, 2013
Tuesday, October 29, 2013:
Jesus said: “My people, you have just seen the harvest of the wheat which represents My faithful at the judgment. The wheat of My faithful is gathered into My barn of heaven, and the chaff is collected, and these evil souls are burned in hell for their evil deeds. These faithful make up My Communion of Saints among the obedient souls on earth in the Church militant, the souls in purgatory in the Church suffering, and the saints in heaven in the Church triumphant.

During November you make a remembrance of all the people who died in the last year. You will soon be celebrating All Saints day on November 1st and All Souls day on November 2nd, when you pray for the souls in purgatory. You remember how the souls that have been separated from their bodies want you to have their pictures displayed as a remembrance of their lives among you. Sometimes these souls in purgatory are allowed to give signs that they need your prayers and Masses to get out of purgatory, and come to heaven. During November remember to pray for your deceased relatives who may still be suffering in purgatory. Also pray for all the souls in purgatory, especially for those souls whom no one is praying for them."

Wednesday, October 30, 2013:
Jesus said: "My people, at a funeral you see many collages of pictures of that person's life. When all of you will face your Warning experience, it will be like a near death experience. Just as at a funeral, you will see flashes of the various pictures of your life, only you will see it like a movie from the perspective of other people, and My viewpoint. I will let you know what is true right and wrong, and you will be judged according to your actions and My laws. At the end of your life review, you will be able to remember every unforgiven sin so you could tell it in Confession. Then you will receive a mini-judgment to heaven, hell, or purgatory. Each person will visit where the judgment was given to know that these places exist, and what it would be like at that destination. This life review will occur outside of your body and outside of time for everyone at the same time. Then you all would return to your bodies to change your lives, and repent of your sins. If you do not change or improve your life, then your mini-judgment will become your final judgment. This Warning experience is a wake-up call for all sinners to see where their lives are headed. It may be the last chance to save some souls, so you will be working hard to convert your family members who will be more open to your evangelization efforts. Give praise and thanks to My Divine Mercy for allowing all sinners to have a second chance to save their souls."
Jesus said: "My people, there are a lot of people suffering in pain from various health problems. Use this opportunity to offer up your pain to Me as a redemptive merit for souls in purgatory or souls on earth. There is a lot of pain

being wasted, when it could be offered up to help someone. Not everyone realizes that they could help other souls. So no matter how little or how great your pain is, remember to offer it up for your relatives and friends either for those deceased or those who are alive. You can also offer up your prayers and Masses for the same intentions. Many souls who are going to hell, could be helped by your pleading for their souls to be saved. Keep struggling to save souls who could be lost without your help."

Thursday, October 31, 2013:
Jesus said: "My people, I want all of My faithful to be generous in sharing their wealth in supporting My Church, and their charities. In the Scriptures it is said that I love a cheerful giver without holding back with any selfishness. When you can afford to be generous, you could even tithe in your giving of ten per cent of your income. There are many deserving causes to contribute to, especially if your own family needs help. As you approach Thanksgiving Day, you could share a donation with your local food shelf in helping the poor to have something to eat. You could also share your time, talent, and faith in helping souls to be saved. I have given many people more than enough to live on, so you could share some of your excess wealth. Think of giving financially as a way of thanking Me for all of the blessings that I have given you."
Prayer Group:
Jesus said: "My people, I told the people of My day that the only sign that I would give, is the sign of Jonah. Even in this present world, I give the same sign of Jonah. At the call of Jonah for the people of Nineveh to repent of their sins, the people put on sackcloth and ashes, and they repented of their sins. Because these people repented, I spared them the punishment I had intended. But America is not repenting of its sins, nor is it stopping its abortions or evil laws. Because of the evil being done in America, your country will see one disaster after another, until the one world people will take you over. Trust in Me to protect My faithful from the evil ones."
Jesus said: "My people, while your government promised everyone access to health insurance, they did not tell you about all the new taxes that will burden the middle class. Many people are having their old insurance dropped because it did not meet all the requirements of Obamacare. Some companies are canceling

their health plans or they are reducing forty hour workers to thirty hour workers. Between the high costs and the doctors leaving, implementing Obamacare could have some large problems for health care. Trust in My care that you will eventually have at My refuges."

Jesus said: "My people, some refuges have farms for cows, rabbits, chickens, and other animals for food. The feed and fuel for these farms will have to be multiplied to keep their animals alive. My people will have food as deer that will be provided, but you will need people to butcher the meat and prepare it for the people to have food to eat. Vegetables and fruit trees will be farmed to provide a balanced meal. Trust that I will provide for your needs, but people will be needed to prepare and serve the meals."

Jesus said: "My people, tomorrow is All Saints Day and it is a time to recognize all the saints in heaven, even those who have not been canonized by My Church. The saints are to be imitated in your lives as you struggle toward being a saint in heaven. Many of you will need purifying either in purgatory or during the tribulation on earth. I will not test you beyond your endurance, but you will be tried in this tribulation with much persecution. Remain strong in your faith, and you will have your reward in heaven."

Jesus said: "My people, the souls in upper purgatory do not have My loving Presence, but they do not suffer the pain of the flames. In lower purgatory, souls suffer from not seeing Me, and they suffer a burning from the flames that causes them pain. They suffer an inner pain in their souls without their bodies. This is why these souls are crying out for your prayers and Masses, so they can be relieved of their suffering. Do not forget to pray for these souls, especially on All Souls' Day."

Jesus said: "My people, this day is an evil holiday for many occult groups. Those people, who worship Satan, are influencing many people adversely out of curiosity in the occult. Such worship and taking evil potions can allow demons to possess people. Pray for all souls to wake up if they are delving in occult practices as New Age and Wicca. Pray for My precious Blood to be poured over these souls so they can be predisposed to My love."

Jesus said: "My people, even though evil will have a brief reign, I will bring My victory over evil with My Comet of Chastisement. The tribulation will be shortened for the sake of My elect. All the demons and evil people will be cast into hell at the coming judgment. Rejoice that you will be receiving your reward in My Era of Peace and later in heaven. You will see a Battle of Armageddon where the good side will be victorious over the evil side."

November 13, 2013
Friday, November 1, 2013: (All Saints Day)
Jesus said: "My people, today you are celebrating All Saints Day as you give honor to all the canonized saints, and all the unknown saints who have made it to heaven. The saints are your heroes who you could imitate in following their lives to holiness in your own lives. The saints are your models to follow on your own way to a crown of sainthood in heaven. You may think in your weakness that it would be hard to become a saint. On your own, it would be very difficult, but with My help and grace, all things are possible. You need to be perfect like a saint to enter heaven, but you are not perfected all at once. It is a struggle to remain faithful through all the devil's temptations. You may fall into sin at times, but you need to pick yourselves up and confess your sins to the priest in Confession. I have given you My sacraments to strengthen you through this evil world. By prayers and your daily sacrifices, you can keep focused on Me and on your goal of sainthood in heaven."
Jesus said: "My people, you just witnessed very high winds that took trees down, and some houses and businesses were without electricity. When damage is reported on your news, you pray for the people to recover. When your own heavy tree limbs fell down in your own yard, it becomes more of a difficulty in picking up the trees and branches. In some cases falling trees can damage fences, cars, and even homes. When the trees fall on your power lines, it can create power outages in wide areas. So now when you hear about tornado or hurricane damage, you can be more sympathetic for what these people have to endure. You were fortunate this time that it was not very cold. You can remember the problems with heating your house and with lights when you had an ice storm that took eleven days to restore power. These are some of the trials that you face every day. Give thanks to Me for all the other times when you have no power outages."

November 13, 2013
Saturday, November 2, 2013: (All Souls Day)

Jesus said: “My people, I am merciful, but I am just as well. Many souls, who are not condemned to hell, need to be purified of the temporal punishment due for their sins. Reparation is needed to be purified for heaven. This punishment may seem severe, but only perfected souls can enter heaven in My glory. The souls in hell suffer the flames and the absence of My love forever with no hope of escaping. The souls in purgatory at least have hope that they will be released one day for heaven. The souls, who need more purification, are suffering in flames in their spirit bodies, and they do not experience My loving Presence. Those souls, who need less purification, are in upper purgatory in a grey area, but they still long to be with Me. All souls in purgatory are saved, but they require your prayers and Masses to be freed from their punishment. They cannot free themselves, or pray for themselves. In the vision you saw how a soul fell into the various levels of purgatory after that soul received its judgment. Remember to take advantage of My Divine Mercy Sunday after Easter, so you can receive a plenary indulgence that can remove all reparation due for your sins. This could lessen your time in purgatory. After seeing the suffering of these souls in purgatory, now you see how desperately they are pleading for your prayers and Masses to release them into heaven. Once these souls are freed, they will pray for you both on earth and if you will suffer in purgatory.”

November 13, 2013
Sunday, November 3, 2013:
Jesus said: “My people, in the Gospel you saw how Zacchaeus, the tax collector, met Me on the road in Jericho, when he climbed up into a sycamore tree. I told him that I wished to have supper with him that night. Once I arrived, Zacchaeus had a conversion in offering to return any money that he had cheated anyone. I commended his change of heart, and I gave glory that salvation came to his house that night. It is not easy for people to convert their lives from a way of sin, unless they were given a grace to do so. In the vision you see how you are actors on the stage of life. All of heaven is viewing your every action. You all are being called to follow Me, and imitate My life. It takes a great effort to lead a holy life, because you have to overcome the desires of the flesh. So when someone does convert his or her life, it is reason for celebration in heaven. Call on Me to help you with the grace of My sacraments, so you can endure all of your physical and spiritual trials. Those souls, who are saved, will have their reward with Me in

heaven for all eternity."
Jesus said: "My people, it is important to teach your children the value of a good prayer life. When you are going through life, you will encounter some difficult situations. It is then that you need to call on Me in prayer to help you get through such trouble. Without praying, your crosses will be twice as hard. You also could pray a family rosary together to give the children a good example. You remember: 'The family that prays together, will stay together.' In this day and age where you are seeing many divorces and single parent households, your prayers to keep families together are needed more than ever. You could also give some advice to your children not to live together in fornication because that is a sinful lifestyle. You can give each child a rosary and a brown scapular to protect them from the temptations of the devil. The little ones are so precious to Me, and you need to protect them even in helping prevent abortion of My babies. Keep praying for the children and their souls, so they can be protected from any abuse. Parents are responsible for the souls of their children in bringing them up in the faith. The children have free will, but keep praying for their souls even after they leave your homes."

Monday, November 4, 2013: (St. Charles Borromeo)
Jesus said: "My people, time is one of My gifts to you, and it is an opportunity to use it to your best advantage in helping to save your soul. The worst thing that you could do, is to waste your time in frivolous ways on your own pleasures. You could use your time to help people physically, or you could pray for souls, or evangelize them. There are many good ways to use your time, but you want to avoid the sinful ways as well. It is your good deeds and prayers that store up treasure for you in heaven. Your life on earth is not that long, and your biggest goal is to work on saving your own soul by following My Commandments. You cannot count on living to tomorrow in case you could die from an accident or a heart attack. You need to have your soul pure and ready to meet Me at your judgment every day. Treat your time as precious because people with terminal illnesses as cancer are more aware of this fact. You will be held accountable for all the time that you were given in life, so work to please Me in all that you do."
Jesus said: "My people, I am showing you these leaves falling as a sign that the one world people are edging closer to some of their planned events. They have

been positioning their troops and stocking up on food and ammunition in preparation for possible riots. Many of your people are just beginning to see how much more they are going to have to pay for their Health Care Insurance. Those people among the middle class workers, will be suffering more than the rich, while the poor will not pay anything, or very little. Incomes have actually declined over the last few years, so a large expense for Health Insurance will be hard to pay for. When people find it hard to see a doctor, there could be some problems. There are other issues as well with gun control and immigration that could add to the discontent in your people. The one world people will cause some incidents to incite the people in an attempt to cause a martial law which they have been planning for some time. The Warning is close and martial law will occur after this experience. My faithful need to be prepared to come to My refuges at any time when your lives may be threatened. Mandatory chips in the body will be forced under Obamacare, and this would be another sign to leave your homes for My refuges. Watch the signs around you that I have warned you about, and you can see the major events are close to happening. Trust that I will protect My people from the evil ones."

Tuesday, November 5, 2013:
Jesus said: "My people, you have visited several refuges that have made some kind of ovens for baking bread. Most of these ovens are heated with wood, so you will need a supply of wood for the ovens and for any wood burners for heat or stoves. To make the bread, you will need some five gallon pails of grain and a hand grinder. You will also need yeast and baking soda to make the bread rise. This will provide fresh bread that will be consumed in a short time. You also can store loaves of bread by drying the slices on a skewer in a low heat oven until all the water is removed to make it like croutons. Once the water is removed, store the bread in plastic bags, and it will no longer turn to mold. My angels will bring you the bread of Holy Communion every day to feed your soul and your body."
Jesus said: "My people, I have been giving you messages about how the one world people are planning their martial law takeover. The vision shows you the thousands of foreign troops that are being positioned to implement martial law when they cause the big event. Already you are seeing chipped individuals hearing voices to tell them how to kill people in various places. These are the

false flag terrorist acts being committed to create terror and fear, as well as a plan to confiscate your guns. The other two events will be a collapse of your financial system, and a spreading of a pandemic virus by the chem trails in the sky. These three events will set off a declared martial law. You are seeing many denials that microchip implants will be placed in people for Obamacare. These stronger denials are a sign that they will actually do it with the signing of another Executive Order that will be kept secret. The plans for the mark of the beast with mandatory chips in the body will control people like robots for those who take the chips in the body. Refuse any chips in the body, and refuse to worship the Antichrist. My Warning will come before your lives are endangered, and you can trust in Me that I will warn you when to leave your homes for My refuges."

Wednesday, November 6, 2013:
Jesus said: "My people, My two Great Commandments are first to love Me with all your heart, mind, and soul, and the second is to love your neighbor as yourself. In the Gospel I was telling the people that they had to count the cost of being My disciple. In other words, I should come first in your lives over family and possessions. You live in this world, but I do not want My disciples to be of this world. The cost of My discipleship is to follow My Commandments, and use My sacraments to keep a pure soul. This means Sunday Mass and monthly Confession should be a must. If you follow My ways instead of your own ways, then you will win your reward of eternal life with Me in heaven. If you agree to this cost of obedience to Me out of love, then you will have your reward. You also need to love your neighbor and help them in their needs, with your donations of money, time, and talent. It is love that I desire of My disciples. You have a choice by your free will to either love Me or not, but the wages of defying Me in sin is death spiritually. This death could be in hell if you refuse to love Me and your neighbor. You can call on My mercy or My justice."
Jesus said: "My people, you have seen considerable work on fracking your oil shale to provide more natural gas and oil. There have been some good yields of oil and natural gas from these new wells. This new source will help to make your country less oil dependent on other countries. There are some negatives to this process. After a surge of production, it appears the wells will be dropping off more quickly than planned. There are still complaints that water wells are being

poisoned and small earthquakes are resulting from the fracking. It is hard to weigh the cons over the new oil and natural gas, but this new source of energy comes at a cost. The long term effects on the land are yet to be determined, but if the wells go dry quicker, it could leave a lot of scars on the land being used. Many areas are reluctant to risk poisoning their water wells that are important for many people's source of water. You are seeing many debates over this environmental problem. Using new techniques for finding your needed fuels, will continue to be needed as you rely on these fossil fuels."

Thursday, November 7, 2013:
Jesus said: "My people, you can see in today's Gospel the image of Me as the Good Shepherd. I love all of My children, and I want all of you to be found in My love. I do not want to lose even one soul to the devil. It is when you stray away from Me in sin that I will come searching for you, as I wait patiently for you to return to My love when you seek My forgiveness. It is harder to reach souls when they blind themselves with so many of this world's distractions. Once souls lose their way without Sunday Mass and daily prayer, they become too worldly, and they lose their focus on Me, when I should be at the center of their lives. My faithful need to be My helpers in being good Christian examples to wake up other lost sheep, so they can be open to My loving care. You need to be My evangelists to help bring these sheep to their spiritual senses, and understand how they should be living without so much sin in their lives. I do not ask you to condemn anyone in judgment, but to show them the right way to live according to My Commandments of love of Me and love of neighbor. Once you can help souls to convert their lives to My love, then you will see heaven and Me rejoicing over one sinner who repents."
Prayer Group:
Jesus said: "My people, I am showing you some of the destruction going on in the Philippines with a direct hit from a large powerful typhoon. Pray for the people that will die or may be hurt in this disaster. Many homes could be destroyed with 200 mph winds. With such a large storm, their economy could suffer, as they will need a lot of effort to restore what was lost. There may be some collections taken up to help them."
Jesus said: "My people, you have seen the poor internet showing in this new

Health Plan that was only made to handle 1,100 calls at a time. Two irritations are affecting those people who are being forced under a penalty to sign up. One problem is the favoritism and unlawful waivers being given to political groups. Another is the lie that people could keep their original health plans. The high premiums for mandated high coverage will also hurt many families who may not be able to afford it. This is another example of how your government is poor at taking over private sector businesses. Pray for all the people who will have trouble getting doctors for their needs and paying for their health care."

Jesus said: "My people, you are finally recovering from all the damage of your most recent wind storms of over 60 mph winds. Some people had to suffer power outages of a day or two. Others had to remove and cut up some large tree limbs that came down. I have asked My people to have a year's supply of food, and fuels as wood, kerosene, and propane for heating your house. By having preparations for any power outage, you could have food, heat, and light for any emergencies."

Jesus said: "My people, you have just celebrated All Souls Day as you remember to pray and have Masses said for your deceased loved ones who died this year. Your Book of Remembrance is a special acknowledgment of these deceased, and a thought to pray for all souls who may still be in purgatory. Your prayers and Masses can help these souls reduce their time of suffering in purgatory."

Jesus said: "My people, you have seen many people suffering with various cancers. Others are suffering from blood clots, and poor knees and feet. Once people are healed, there is a great joy of relief. Not all people are healed, and some have to deal with chronic pain or a terminal illness. Keep praying for all of those who are suffering pain of any kind. Some of you have suffered in the past, so you know what this pain is, and how it is hard to bear."

Jesus said: "My people, you can tell when people are sick physically and are in need of a doctor. It is harder to help souls who are spiritually sick in deep sin because it may not be obvious. It is hard to look at souls, but you can see their sinful actions. Try to help your relatives and friends who are leading sinful lifestyles without judging them. Encourage them to come to Mass and Confession so they can see the need for the forgiveness of their sins. Healing the spiritually sick souls is even more important than healing the body."

Jesus said: "My people, you are seeing people suffering problems in their digestive tracts and allergies from eating genetically modified foods. You also are seeing infants and young children suffering autism from the many vaccines that are forced on them. Still others are suffering from the side effects and

interactions of your many medications. When you manipulate food and medicines, these side effects can result in some dramatic effects on your health. Eating organic foods and using natural medicines may be better for your overall health. Pray that people will take care of what they eat and the medicines they take."

Friday, November 8, 2013:
Jesus said: "My people, I am showing you a library because you have both a knowledge of worldly things, and you have a knowledge of Me and the spiritual life. You have two groups of people living in the world. You have the children of the world, who lie and cheat, and you have My children of the Light, who live righteous lives according to My Will. The path for the worldly people leads to hell, but the path for My people leads to heaven. Do not give up on worldly people, but pray for them to change their sinful ways and to follow your good example. I love everyone, but if these evil ones do not convert to loving Me, then they could be lost. You all have free will, and I do not force My love on you. But those, who refuse to love Me, and refuse to seek the forgiveness of their sins, are calling down My justice on their sinful lifestyles. Keep praying for these souls to stay open to receiving Me into their hearts and lives."
Jesus said: "My people, many of you are suspicious of how such a destructive storm could happen, and be directly aimed at the middle of the Philippines. The HAARP machine that is located in Alaska, has been known for its ability to enhance hurricanes and tornadoes. This machine and other microwave pulse machines are fully capable of enhancing this typhoon, and even directing its course by varying the jet streams. It would explain how a 200 mph typhoon could be formed. The one world people are trying to kill people with all of their created disasters. This storm is so destructive that it is possible that many lives will be taken, as well as many homes that will be lost. This storm comes right after a 7.0 earthquake that killed 200 people. Pray for these people to recover from such a storm. The one world people will be accountable to Me for all the people who they are killing with their death culture."

Saturday, November 9, 2013: (St. John Lateran Basilica Dedication)
Jesus said: “My people, you may be familiar with the Basilica of St. John Lateran in Rome which is your Pope’s Cathedral and My Church’s Mother Church. I am the foundation of My Church, and My living water flows out to everyone on earth. The focus is not so much on a physical building, as it should be on Me and My people. I set up St. Peter and the apostles to organize My Church, and My Pope son and the clergy are given the authority to carry on My work of converting souls to the faith. This is the hierarchy of My Church, but I also call on the laity to be evangelists of souls to convert them, and come to make Me the center of their lives. I call on everyone to love Me, but not everyone is strong enough to pay the cost of My discipleship. This is why I need My people to reach out to invite people to My banquet. Those, who refuse to love Me, could be lost, but those, who love and accept Me, will be saved.”
Jesus said: “My people, every time that you come aboard an airplane, you are putting your faith and trust in the airplane and the pilot, for getting you safely to your destination. In a spiritual way, you are putting your faith and trust in Me that I will guide you to your destination in heaven. I did not promise you a smooth ride. You may have to endure life’s ups and downs to get through your life. You still have the assurance that you can call on Me to send you angels when you are being tested by the evil ones. I am still watching your reaction to all of your situations, so do not get angry and over-react, even when you are criticized. Put on your seat belt, and be prepared for whatever life will bring you. Be confident in Me that you will survive the ride, if you stay close to Me in prayer and obedience to My laws.”

Sunday, November 10, 2013:
Jesus said: “My people, in the first reading from Maccabees, you saw how a whole family was killed by a king because they refused to eat pork, which was against their Jewish faith. You have seen many Christians die as martyrs for not giving up their faith. Even today, Christians are being killed in Arab countries

for following their faith. In America you are beginning to see more discrimination against Christians because of your atheistic society. If you wear a cross in the work place, people are harassing you. If you desire to have a Nativity scene on your own property, you will soon be harassed by atheists. You have seen prayer removed from your schools. Even prayer in your town meetings is meeting a Supreme Court challenge. The Ten Commandments are being harassed at many public buildings. Your atheists have been able to get the ACLU to fight any display of religion in public places. Your political correctness is taking away your free speech, and your right to express religion in public. My people need to stand up to these atheists, even if it means some persecution for your faith."

Monday, November 11, 2013: (St. Martin of Tours)
Jesus said: "My people, as you rake up your leaves, think of yourself as pulling in souls when you evangelize them and pray for them. You have seen Me as a Good Shepherd gathering in My sheep. So as you gather in your leaves, think of bringing your faith to all the souls before you. You can also think of all the souls who have gone before you, and are still in purgatory. Think of these souls and pray for them, so they can come to heaven sooner with less suffering. Pray also for the souls who died in the Philippines, and for the homeless to get food and water. By caring for your neighbors, you can store up treasure in heaven."
Jesus said: "My people, you have been praying for a new bishop for over a year for Rochester, N.Y. Now, you have Bishop Elect Salvatore Matano as an answer to your prayers. It is appropriate after your prayers are answered, to have some prayers of thanksgiving to Me for bringing you a new bishop. It is too early to say how he will interact with your priests, and if he will stop closing churches. You can keep praying that there will be a change of heart in how your diocese has been run. There is an opportunity for some good changes that should make your faithful optimistic."

Tuesday, November 12, 2013: (St. Josaphat)
Jesus said: “My people, I came to the earth to redeem all mankind from their sins. I came also to serve and not to be served. After the Last Supper, I washed the feet of My apostles to show them that those, who wish to be leaders, need to serve the rest. You are all My creations, and I love you so much that I died for your sins. You all were created in My Image with free will that I will not deny. I do not force My people to serve Me, but I ask you to serve Me and your neighbor out of love. The devil and his angels chose not to serve Me, and as a punishment, they were cast into hell. My people also have a choice to serve Me or not. Those, who serve Me and their neighbor, will have their reward with Me in heaven for all eternity. Those, who do not serve Me, will have the same punishment in hell, just as the devil chose. This service is to love Me and love your neighbor. By following My Commandments and helping your neighbor with good deeds, you will be on the right path to heaven.”
The Blessed Mother said: “My dear children, I was happy that you were all able to pray my rosary together, and I offered up all of your intentions to my Son, Jesus. You were given a blessing of my gold flakes that you saw on people as a sign of my presence among you. I love all of my children, and you need to use my scapular as protection against the dangers that you face every day. It is good to carry a rosary with you, and a scapular on your body. You can also use blessed salt or holy water in blessing your vehicle when you are traveling to speak. I have my mantle of protection over all of my children who pray my daily rosary. Keep close to my Son, Jesus.”

Wednesday, November 13, 2013: (St. Frances Xavier Cabrini)
Jesus said: “My people, you will soon be celebrating Thanksgiving Day, and you have many things to be thankful for. Your diocese has been granted a new bishop. Your spur on your foot has been healed, and your wife’s knee is getting better. You have a beautiful free country, with a sunny day and fresh air to breathe. You all have been given many gifts that you may not fully appreciate. One of the ten lepers, who were healed, came back to thank Me. But just as I asked why the other nine did not come back, so I ask all of those people who

received gifts, also need to thank Me. When someone does you a favor, or provides a service, you are quick to thank that person. So when your Lord takes care of you in many ways, there is even more reason for you to say a prayer of thanksgiving to Me for answering your needs."
Jesus said: "My people, I am showing you more evil coming in with your Obamacare, spreading same sex marriage among your states, and an increase in more couples living together in fornication without marriage. Many of your people will see large increases in their health premiums because of Obamacare that is being forced upon you. This is an attempt to destroy the middle class because they will be paying the high taxes and premiums. The poor will gain more benefits with little cost, the middle class will pay more for less coverage, and the rich will have illegal waivers to avoid paying. This is all about total control which will come as mandatory chips in the body. Your government is preparing for a revolution when high taxes and premiums will cause an uproar. Even the penalties for not joining, will be punitive to your people. This evil plan could precipitate a financial bankruptcy when your Medicaid will run out of money paying for the poor. The sins of your people in fornication and homosexual acts, will compound the evil that will bring down your country. Your abortions are adding to the evil which is weighing down your country by the killing of My little ones in the womb. The punishment for all of this evil will be a takeover of your country by the one world people who will bring America into the North American Union. This is when My people will be forced to leave for My refuges. Trust in My help to protect you from all of these evil ones."

November 28, 2013
Thursday, November 14, 2013:
Jesus said: "My people, this winter scene is a sign to you of how cold the hearts of your people are, with very little love. I have told you that the Kingdom of God is among you, and that is because of My Presence among you. I am present in My Blessed Sacrament in your tabernacles, and in the people, as you are temples of the Holy Spirit. I am all loving, but there needs to be more love in your hearts for Me and your neighbors. Your society is cold because of your death culture, where there is little regard for the preciousness of life. Many of your people are more concerned with themselves and their possessions, instead of reaching out in

love to help their neighbors. When you look into people's hearts for the intentions of their actions as I do, there is little love to inspire charitable sharing. You have a sinful society in great need of repentance of their sins. Until people seek the forgiveness of their sins, they will be groping in the darkness to find their way, and their hearts will be cold to My love. This is why I need to call on My faithful to evangelize souls, so they can see the Light of My Kingdom. My faithful need to be shining examples of My love, so others will seek to share My love with everyone. It is only by My love that these cold hearts can be warmed to warm hearts who will follow My ways to heaven."

Prayer Group:

Jesus said: "My people, this typhoon in the Philippines has killed over 4,000 people and it has affected 12 million people. You are seeing a major rescue effort going on with various countries offering aid in food, water, and first aid ships. Even your churches are taking up a second collection this weekend for the relief effort for these poor people. Pray for the recovery of these people, who are suffering greatly."

Jesus said: "My people, I have warned you for many years that the one world people are planning to force people to take chips in the body for their health insurance. I have also told you not take a chip in the body, because these chips will control you like a robot with voices in your head. Do not worship the Antichrist either. When they make chips in the body mandatory for your health insurance, this will be a sign to leave for My refuges. Eventually, your authorities will come to your house to enforce these chips, and if you refuse them, they will try to kill you. When you leave your home, you will be protected by an invisible shield by your guardian angel."

Jesus said: "My people, over these last few days, there has been some power-grid testing in your North American governments with some brief power outages. Losing electricity can be severe, especially in colder weather when your heaters may not work. Be prepared with wood and kerosene so you could survive during a power outage in the winter. Have some extra fuels and heaters, along with food, water, and light sources as candles and oil lamps. You have heard the account of the five wise virgins who had extra oil for their lamps."

Jesus said: "My people, in Florida you have seen several stories about large sinkholes. This comes when water is removed for drinking, and some water wells are backfilling with ocean salt water. As the land is slowly eroding, you are seeing these sinkholes form all over that can condemn a housing area for safety reasons. This latest event actually swallowed a whole house."

Jesus said: “My people, many people are asking how these super storms are formed, and why so many severe earthquakes are happening. Microwave pulse anomalies can trigger such storms as the latest typhoons in the Pacific Ocean. The largest microwave machine is the HAARP machine in Alaska. There are many sources of these microwave pulses in various places all over the world. The HAARP machine is being used by the one world people to create chaos with huge powerful storms and large earthquakes. There intention is to reduce the population because many people are killed in bad storms and earthquakes. This is because Satan is leading them, and he hates man.”
Jesus said: “My people, you will be traveling to the 21 Missions of California as a pilgrimage, and not just a vacation tour. Take some quiet time to pray at these beautiful mission churches. Each mission is unique, as they were built for the Indians by the missionaries. You will see some good history of this area when California was just being settled. See the spirit of evangelization that went on in these earlier years.”
Jesus said: “My people, it is sad when you lose a loved one, especially an old priest friend who was your pastor for 15 years. It will be difficult not to be able to attend his funeral while you are on your trip. Pray for him.”
Father Jack said: “Hello everyone, I am as shocked as you are about my sudden passing from a heart attack. I guess it was fitting that I died while I was traveling, which I did a lot as you know. I had my life review as I went over all of My assignments as a priest. I will miss my many friends, but I will be praying for all of you. I will be doing a short stay in purgatory because more is expected of us priests. Please pray for me, and have some Masses offered up for my intention. I loved life, and I enjoyed all the time that I had on earth. Now, I will be helping you in a different way. I love all of you.”

Jesus said: “My pilgrims, you are about to leave on a beautiful pilgrimage of the twenty-one missions of California. I am showing you the need to bless your bus with holy water or blessed salt for your protection from the demons who will be attacking you. You are calling on Me to send My angels to protect you as well from any accidents or bus failures. Your people need to pray every day to guard

themselves from any anger or disagreements. You all need to be good examples of My love, so be on your good behavior. Pray that all of your luggage will be found, and so no one will get ill from his or her food."

Sunday, November 17, 2013:
Jesus said: "My people, you are just starting out on visiting the 21 Missions with a beautiful Mass. The gardens and the grounds are beautiful also. In the readings you are seeing a mention of the end times. This is your mission, to wake up My people before I return. At the end of the Church Year, you have these readings about preparing your lives for when I will bring My victory over all the evil ones. It is a good time for people to find some quiet time so they can examine their consciences to keep a pure soul in Confession. There is also a mention of a time of persecution in standing up for your faith in Me. You could even see how the Indians killed some of the missionaries. In the end times you will see an evil in the Antichrist's reign during the tribulation. It is then that you will need to come to My refuges for protection by My angels from the evil ones. Some will be martyred, while the rest of My people will be protected and fed Holy Communion by My angels. You will have food and water multiplied, as well as your shelters. You will be living a more rustic life than your comforts of today. When you are stripped of your possessions and your earthly distractions, I will be helping you to live holy lives as the saints did. Keep close to Me in your daily prayers, and keep working to improve your faith, and your trust in Me in all that you do."
Jesus said: "My people, you should be thankful for the hard work and dedication of the friars who persevered over many years to bring the faith to the people. Now, you are seeing fewer people coming to church on Sunday. In some areas the churches are being closed, or used as museums. In some ways America is becoming a missionary land in need of evangelization, because the spiritual hearts are growing cold to My love. I love My people, and I do not want to see any souls lost. Your people need to repent of your sins, and you need a great renewal of the faith. I am calling on My faithful to reach out and share your faith with your neighbors. Many Catholics are no longer practicing their faith, so you need to invite them to return, and re-ignite the fire of My love in their hearts.

These souls need to be awakened from their spiritual slumber, and come back to My Church, and confess their sins to the priest in Confession. Without My light and grace in your soul, it will be very difficult to enter heaven. Your goal is to save as many souls as you can from going to hell, especially the souls of your own family. My faithful need to be persistent as the friars were in praying for these souls to return to Me."

Monday, November 18, 2013:
Jesus said: "My people, I have been talking to you of a coming split in My Church which is very much like the first reading when the good Israelites refused to change their religious customs, even when they were threatened with death. Even in the coming days, you are going to see some clergy who will try to change your religious customs. You will see some priests changing the words of the Consecration at Mass, and I will no longer be present in their Masses. You will see more heretical teachings that will accept New Age things as Reiki and other things that are not correct according to your Catechism of the Catholic Church. When you see these heresies, you will need to go to another church. Once the schismatic church controls most of the churches, then My faithful remnant will need to have Mass underground with a faithful priest. This division in My Church is coming among you very soon. You will also start to see a stronger persecution coming from your own government against all the people who will not obey your government mandates. They will try to force heretical things upon you, that you must reject. These evil ones will threaten your lives because of your faith. At this point of severe persecution, you will need to leave for My refuges and the protection of My angels. Be prepared to stand up for your faith, even if you are criticized for not changing your beliefs. Your life may be in jeopardy for keeping close to My ways, instead of following man's ways."
Jesus said: "My people, your movie stars are always in your entertainment news, and they are very famous and usually rich. On the contrary, My saints should be looked up to for their holy lives, and most of them were poor in the world's eyes. The saints are your real heroes, and you could imitate their lives to bring your souls closer to Me in heaven. Many of the saints gave up their wealth, and they held the richness of My graces in My sacraments of more value than any things

of the world. All of these missions have a special character that shows how important the missionaries were in bringing the faith to the people. Even as you attend many Masses, you need to pray for your priests and bishops who need your physical and spiritual help to keep faithful to their vocations. In your rosaries, call on My Blessed Mother to keep the clergy protected under her mantle of protection."

Tuesday, November 19, 2013:
Jesus said: "My people, in this vision I am showing you a contrast between the quiet flowers and the busy world of cars moving back and forth. I invite My people to come to My tabernacle for a visit, so you could come in out of your busy world and take a quiet rest from all of life's distractions. If you allow the noise of the world to block out My voice, then you may forget your prayer time. You need to plan your life around Me, instead of trying to work Me in among your daily activities. Consecrate all that you do to Me and My Blessed Mother in the morning. Then we can be helping you all day long. It is your quiet time with Me, when you recollect your life's actions so you can correct your previous mistakes. If you do not take time for Me every day, then you could lose your focus on My love. I love you every moment of every day, and you can be thinking of Me all the time as well. When I am the center of your lives, you will be doing everything for Me. Loving Me and loving your neighbor should be your focus every day."
Jesus said: "My people, when you see a red sky at the end of the day, you know that you will have good weather the next day. Yet, even though you can read the sky, you cannot read the signs of the time. Just as I told the people of My time, even now the only sign that I will give, is the sign of Jonah. This means that your country must repent of its sins, or you will see a takeover by the one world people. You need to read the signs of evil that are getting worse in the world, as the time will lead up to the Antichrist's coming to power. You are seeing same sex marriage accepted in many states. You are also seeing more couples living together in fornication without marriage. All of these evils are leading up to the

Antichrist's declaration. My Warning experience will be shared by everyone, and then events will quickly lead up to the Antichrist's short reign of less than 3½ years in the tribulation. My faithful will need to heed My Warning when I will warn you that it is time to take your things to My refuges. Those, who do not leave, could be martyred at their homes, or in detentions centers for not denying their faith. So read the signs of the times, and be ready to leave quickly for My refuges."

Wednesday, November 20, 2013:
Jesus said: "My people, I am showing Myself as the Vine, and you are the branches. Those, who are with Me, will survive and be saved. Those, who fall away from Me, will be detached and wither away. In the Gospel reading I gave a parable of a king, who gave one servant ten gold coins. He earned ten more, and he was give ten cities as a reward. A second servant was given five coins, and he earned five more. This servant was rewarded with five cities. A third servant was given one gold coin, but he kept it in a handkerchief, and he wasted his talent. Again I give everyone a unique set of talents, which I expect all of you to use wisely for My glory, and not just for your own gain. I have given each of you a mission, and only by your 'yes' can you carry it out. I want all of My people to use their God-given talents, and do not bury them or ignore them. By sharing your talents, both for your own needs and the needs of others, you can store up treasure in heaven for your judgment. The good servants will have their just rewards, but those, who abused their talents, will lose the little they had."
Jesus said: "My people, you have seen how reverent the Jews were in protecting My Word in My Ten Commandments. Even so, there are many of My tabernacles where My people give reverence for My Blessed Sacrament. Wherever you have Adoration of My exposed Host, you should try to make an hour for Me, and even more when there is no one to take your place. You always have Me present in your tabernacles, so please come to visit Me when you can, to make up for all of those people who do not take time to come. Attending holy hours in front of My Blessed Sacrament is another way of showing Me how much you love Me. You know that I love all of you enough to die for your sins. You express your love for Me also in your prayers, and when you can come to

daily Mass. You also can express your love for Me when you pray for others, even for your enemies, or those people that you do not like. You know that I am all loving, and I ask My people to try and imitate My love of everyone as well. When you reach out to everyone in love, you are like My Light of love that shines out on everyone, and I disperse the darkness of hate that comes from the demons."
Jesus said: "My people, after you have seen some difficult land to live on, you can appreciate how hard it was to organize and build so many missions. Not only did the missionaries try to convert the Indians to the faith, they also had to provide a means of self-support for both themselves and the Indians. They were fortunate to get grants for the buildings, but they had to have them built and provide farms for food, clothing, and heat. This was in the late 1700's and early 1800's when life was a lot harder than now. In more recent years, you have seen dedicated people in the 1900's who were willing to restore the missions to their former appearance. Now your people can appreciate the great work of St. Junipero Serra. You have missionaries all over the world, and they are worthy of your financial and prayer support. Even your parish priests need your prayers and financial help as well. Your priests are a gift to you in providing the sacraments and your spiritual leadership. There is still a need to help evangelize the children, and the Catholics that have fallen away from their faith. My people need to keep reaching out to save as many souls as you can."

Thursday, November 21, 2013: (Presentation of the Blessed Mother)
Jesus said: "My people, when you see this fire burning in the fireplace of a home, it represents the burning love that My Blessed Mother and I have in our hearts for love of all of you. When you see pictures of our two hearts, you see a flame burning in each of our hearts. We want to join our hearts with you, so you can be one with us. We also want to be a part of your life so we can walk with you in all that you do. Many of you have done the consecration prayers to My Blessed Mother over thirty-three days before one of her feasts. Others have had their homes enthroned to My Sacred Heart. All of your consecrations to us enable us to help you even more in accomplishing your missions. Every day when you pray your rosaries, you are not only talking to Me, but you are inviting

My Blessed Mother to bring your intentions to Me. You love all of your family members and friends, and you should keep praying for their souls so you can keep them from being lost in hell. I invite you to pray also for the poor souls in purgatory. You can even invite people, who are away from Me, to come back to Me or to know Me for the first time. My Blessed Mother and I are good role models for you to follow because we lived in God's Will, while we were on the earth. Keep a picture of our two hearts in your prayer room."
Jesus said: "My people, at times people are very defensive in wanting to run their own lives without Me interfering. This can be a form of pride when souls want to be in control of their lives. Until you can give your free will over to Me so I can lead your life, it will be difficult to fulfill your mission. It is your simple obedience to My laws that I desire from each of My disciples. When you do everything out of love for Me, I can use you and give you My graces to accomplish great spiritual things. It is these spiritual blessings that will help you overcome all of life's trials that you will face. So let go of all of your earthly desires, as in fasting, so these things do not hold you back from doing My Will. Tear down all the barriers that you build around yourself, which you think will protect you. When you put your full trust in Me, you will accomplish impossible things by My grace. I will be your defense and your shield from the evil ones, and I will see to all of your earthly and spiritual needs."

Friday, November 22, 2013: (St. Cecilia)
Jesus said: "My people, you are seeing a heart shape in the vision which represents love. Then I showed you My Sacred Heart which is a greater representation of My personal love. This was even ultimately shown in My death on the cross for all the sins of mankind. In the readings you saw the reverence for building a Temple, and in the Gospel I also called St. Peter and My apostles to build My Church. I defended the Temple from the vendors, as you remember that I have great zeal for My house, and it consumes Me. You have seen many beautiful church buildings, but My Church is found the most in the souls of My people, both in the clergy and the laity. This is why it is important to build up My Church in bringing your family to Me, and in reaching out to convert souls to the faith. You need to encourage your families to attend Sunday Mass, pray

daily, and come to Confession at least once a month. If you do not teach the faith to your children, how are they going to teach their children? Even you grandparents need to be a good example to your grandchildren, and continue building up My Church. I am depending on My prayer warriors to keep the faith strong in your families. When you love Me, you want to share My love with everyone."

Jesus said: "My people, your penance from your Confession may be a few prayers from your priest today. In former years, your penances would be much more vigorous like wearing hair shirts, or possibly more physical suffering. You could make an extra penance of fasting from something you like, as not eating desserts or sweet things for the day. Doing a bread and water fast may be more difficult. Fasting should be done with the intention of controlling your bodily desires by the desires of the soul to please Me. It is when you allow your bodily desires to perform sinful actions, that you offend Me in your sins. The more you can control your body with penances, the easier it will be to avoid the devil's temptations. Learn from your sinful mistakes, so you can avoid them in the future. Work on your frequent sins to understand how you fell into sin. You will be attacked more when you are in occasions of sin, or when you are tired and weak. By anticipating how the devil will attack you, you can be prepared to defend your soul from committing other sins. Know that I am always willing to forgive your sins, because I want to receive you into My loving arms. Do not fear, avoid, or put off Confession, but see this sacrament as a means to keep your soul clean and ready to meet Me at your judgment."

Jesus said: "My people, I am showing you the marriage of a man and a woman in the Church for two reasons. The first reason is that this is the proper way to be married. Living together in fornication is not a proper marriage. Living in homosexual acts is also not a proper marriage. The second reason is that this marriage is a symbol of My people as the bride and I am the Groom who protects My Church. Marriage is a promotion of the preciousness of life because the children are born into an environment of love. Protect My babies in the womb from those who want to kill them in abortion. Protect the elderly from those who want to kill them with euthanasia. Pray for peace to protect the people from being killed in your manufactured wars. Pray for all the people who are being killed by disasters, by vaccines, and by viruses. Life is truly precious, and you are all created in My Image with free will. I want all souls to love Me and come to heaven. Keep praying for all souls that could be saved from hell. Also do not forget to pray for the poor souls in purgatory. My Communion of Saints is

a union of My faithful on earth, the souls in purgatory, and My souls that are saints in heaven. Your soul's life is the most important, and you need to keep your soul on the right path to heaven."

Saturday, November 23, 2013:
Jesus said: "My son, I hear your plea that your world is so evil that you are praying to Me to bring My Warning. I have told you that I will choose the time, but I do tell you often how close it is. Remember that I am Lord over all things in this world, and I only allow the evil ones to go so far. You will be seeing many disasters, and I want you to keep doing your Masses of Reparation, especially for the souls who will die that are not ready to meet Me at their judgment. When I bring My Warning to everyone, there will be many souls who will wake up and repent of their sins. Keep praying for your families, so they will not see hell in their mini-judgment. I give hope to all of you that I will be with you to protect your souls and your bodies. Do not have fear from the evil ones because I am more powerful than they are. There will be many injustices in this world, so you will be suffering a penance from your persecutions. Your suffering will be short, but your joy with Me will be greater that you can imagine for all eternity. Rejoice in the glory of your King, and your opportunity to bring souls to Me."

Sunday, November 24, 2013: (Jesus, King of the Universe)
Jesus said: "My people, I am showing Myself as a King and My Blessed Mother as a queen in heaven. You are giving Me praise for My Sacred Heart, and you are honoring My Blessed Mother's Immaculate Heart. We love all of you, and My Blessed Mother and I are joined as one in two hearts, and we are inviting you to be with us for all eternity. This is the last day of your trip to the 21 Missions of California, and it is ending on the 300th Anniversary of St. Junipero Serra's birthday. You have been blessed with a beautiful pilgrimage, and we want all of you to go home with a renewed strength in your faith that you can

share with your friends and family at home. We are praying for your safe travel home, as My Blessed Mother will place her mantle of protection over all of you. Rejoice in the many blessings that you have received on this pilgrimage."
Jesus said: "My people, I am showing you how much I love all of you, such that I suffered a crucifixion for the salvation of all sinners, as I died for your sins. Even as I suffered persecution from the worldly people, so My people will also suffer persecution for My Name's sake. Even though this death of Mine may appear as a defeat, yet it was My victory over sin, death, and the devil's hold on man. You heard the beautiful words of the good thief who said: 'Remember me when you come into your Kingdom'. My words to him were the words that all of you will desire: 'This day you will be with Me in Paradise.' On the top of My cross there was an inscription 'This is the King of the Jews'. Not only am I King of the Jews, I am the King of the Universe, as is the title of this feast day. This is the last Sunday of the Church Year, and it is appropriate to talk of the end days when I will return in victory over the evil ones. All of you know the end of this story, and the evil ones lose in hell, while My faithful will be with Me in heaven."

Monday, November 25, 2013: (St. Catherine of Alexandria)
Jesus said: "My people, in the Gospel you read of the widow placing her few coins into the Temple treasury. I remarked how she put in all that she had, while the others put in more from their surplus wealth. There are some people who are wealthy in this world's goods, but they are poor in their spiritual wealth. Also, there are some who are rich in My spiritual gifts, but they may be poor in worldly wealth. You would rather be blessed more in spiritual gifts and treasures in heaven, than in earthly things. Where your treasure lies, so lies your heart. If your treasure is in Me in My Blessed Sacrament, then your heart is with Me. If your treasure is in worldly riches, then your heart may be in your money. Those, who put worldly things before Me, could be losing their soul, if they do not change their ways. Do not put false gods before Me, because you should be putting Me first in your life. You were seeing a stairway to heaven like Jacob's ladder. You are struggling to get close to Me, so keep your focus on Me in all that you do out of love for Me and your neighbor."

Tuesday, November 26, 2013:
Jesus said: "My people, I have warned you before that you will be seeing many disasters in the end times. This vision of a large tsunami is a result of a large earthquake. In previous large tsunamis you have seen thousands of people killed, as seen in Indonesia. You will see many killed again in this coming tsunami. This is why I have asked you to include the people in all disasters that died, in the intentions of your Reparation Masses. This is because you are about to see one disaster after another. These disasters are being allowed as a punishment for the many sins of the world. Because there are not enough people praying to make up for all the sins of the world, this is why you will be seeing so many disasters. This suffering helps to make up for the reparation due for not only individual sins, but also for national sins."

End November 2013

December 2013

Wednesday, November 27, 2013

December 11, 2013
Wednesday, November 27, 2013:
Jesus said: "My people, today's first reading from Daniel 5:10-30 was about the Chaldean King who used the sacred vessels of the Temple for drinking, while he praised the gods of silver, gold, bronze, and wood. Because he did not give praise to God, the king saw a hand writing on the wall. The first word, Mene, meant God has numbered the days of the king's kingdom, and He will put an end to it. The second word, Tekel, means the king has been weighed on the scales of justice, and he was found wanting. The third word, Peres, means the king's kingdom will be divided and given to the Medes and the Persians. I have mentioned before that all of these same warnings can be applied to America.

Only it will be given over to the one world people as a punishment. America's days are also numbered when you will become a part of the North American Union. Be prepared when I will call My faithful to My refuges when your lives will be in danger."
Jesus said: "My son, I am showing you a little of what it will be like when you have your Warning experience. You will see a time line of your life with the various important dates of your life. You will see your graduations, your marriage, and the births of your children and grandchildren. You will also see how you have grown in your faith, and when you had a change of life when you went to Medugorje. You will see things from other people's point of view, as well as My words of advice on your actions. I will then show you your mini-judgment, and where you are headed. When you are outside of your body, and outside of time, you will have a different view of life, and what should be important for you to accomplish. You will desire to repent of your sins more than your previous Confessions. All of My people will feel a sense of a needed renewal in their spiritual lives after you have your Warning experience. Some people will have a dramatic change, some will have only a small improvement, and some will have no change in their lives. Many people have improved their spiritual lives after a near death experience, when they realize how sinful they were living. Every soul that repents and converts its life, will cause joy in heaven that they were lost, and now they are found with Me in heaven."

December 11, 2013
Thursday, November 28, 2013: (Thanksgiving Day)
Jesus said: "My people, you have many physical and spiritual gifts to be thankful for. Those, who have jobs and family, have great blessings. Pray for those people who are unemployed, homeless, and hungry. You could even give some donations to your local food shelves to help those who need food. When you think of all of your blessings, many times you take them for granted, but other people are not as fortunate as you are. Give praise and thanks to Me for all that you have. I look out for everyone's basic needs, but people need to help themselves with what is needed, instead of just depending on handouts. The truly disabled need help, but those, who are capable, should be trying to find work and help themselves. Be thankful that you live in a free country with many opportunities to improve yourself. This may mean working at getting a good

education so you can contribute to society. Many people need to work, and sometimes endure some trials in the workplace, in order to provide for their family's food, shelter, and transportation. Families need to help each other in their basic necessities. If you can afford to share money and time with your neighbors, you can store up treasure in heaven. Do not just be concerned with your own needs, but look around to help your family, friends, and neighbors. When you help others, you can even be thankful that I give you such opportunities of grace. Again be thankful to Me for all that you are experiencing in this life."

Friday, November 29, 2013:
Jesus said: "My people, in the Gospel I told you that the earth will pass away, but My words are forever, and they will not pass away. I have told you that I will defeat the evil ones, and My words are true. The evil ones will have a short reign of less than 3½ years. Then I will return to cast Satan, the Antichrist, the False Prophet, and all the demons and evil people into hell. All evil will be removed from the earth when My Comet of Chastisement will strike the earth. Some of My faithful will be martyred for their faith in Me, but they will become instant saints in heaven. Then I will renew the earth, and My faithful remnant will receive their reward in My Era of Peace. Keep your souls pure by frequent Confession so you are ready for these end days."
Jesus said: "My people, I gave you an earlier message about how you would see a big explosion of a volcano going off. Recently, you saw Mt. Etna erupting and also a major eruption in Indonesia. I am also reminding you of the demons that come up out of hell through the volcanoes. This is another reason for an increase in evil throughout the world. Many of your people were shopping for the usual Black Friday sales after Thanksgiving. It is sad how a lot of people shop for gifts for Christmas, but very few remember that it is My birth that should be glorified, more than the gifts. These are the last days of the Church Year before Advent starts on Sunday. There has been a lot of focus on the end days of My victory over evil. Keep focused on your final destination in heaven, more than on your possessions of this life."

December 11, 2013
Saturday, November 30, 2013: (St. Andrew)
Jesus said: “My son, this feast day of My apostle, St. Andrew, is a celebration for all of My faithful who spread My Word to the people. I had to rely on My apostles and deacons to spread the Word of My Kingdom to all the nations. I am your Redeemer for your sins, and I bring salvation to all sinners through My death on the cross, and My sacraments. Those, who are blessed with a gift of faith, need to share their gifts to convert sinners, and bring them to the faith in Me. The people need to hear My Word, and accept it with repentance of their sins, so they can be saved in heaven. My son, you are blessed to receive My messages, which need to be revealed to My people, so they can prepare their souls for the end times. Go forth like My apostles did, to spread My Word of hope and love, so all peoples may have the opportunity to have faith in Me, and be saved from hell. I want all souls to come to Me of their own free will. Repent of your sins now while you still have time before you die.”
Jesus said: “My people, you are ending the Church Year, and you will be starting your First Sunday of Advent. Even now you are seeing signs in the sky from the Ison Comet that some major events are about to start. Your scientists are forecasting many comets will come in 2014. As these comets come closer, you may see even more unusual events in the sky. On the day of the Warning, there will be a comet going by that could be a frightening event for some people. Keep watching the skies for any signs of the major events that will lead up to the Warning and the tribulation.”

December 11, 2013
Sunday, December 1, 2013: (First Sunday of Advent)
Jesus said: “My people, the Gospels of the last Sunday of the Year and the first Sunday of the Church Year are similar in that they speak of My glorious victory when I will return. There is mention today of My coming, but the real focus should be on My victory, rather than on My being honored at Christmas. I already came to the earth once to die for mankind’s sins, but My next coming will be to separate the evil ones from My faithful. You do not know when this Chastisement will come, nor do you know when I will come for you at your

death. In either case, you need to be watchful, and ready with a pure soul by frequent Confession. Many people are unprepared for their judgment because I will truly come when you least expect Me. This is the point of today's Gospel in that you need to be ready to meet Me at your judgment every day. Then you will be like the wise virgins, and not like the foolish virgins who were unprepared when the bridegroom came."

December 11, 2013
Monday, December 2, 2013:
Jesus said: "My people, I had healed many people on the earth, and those, who were healed, needed to have faith that I could heal them. The Roman centurion's faith was remarkable, considering that he was not even a Jew. He recognized My healing power, and he believed that I could heal his paralyzed servant, even from a distance. He knew that Jews would be defiled to enter the centurion's house, so he said the words that you repeat at the Communion time: 'Lord, I am not worthy that you should enter under my roof, but only say the word, and my soul shall be healed.' I acknowledged the centurion's faith by claiming that I did not see such faith in all of Israel. In the same way, I desire that all of My people should have this strong faith in Me for healing all of their ailments. Ask and you shall receive, knock, and the door will be opened to you."
Jesus said: "My people, you are aware of the history of the Titanic in how it struck an iceberg and it sank. This vision of icebergs forming, is a sign to you of how America could easily be like the Titanic. You are seeing how a major incident will be perpetrated to cause a major event that could kill a lot of people, and it could be an excuse for martial law and the potential downfall of your country. You are seeing signs of your government preparing for something big, because they are ordering a lot of ammunition and food. This means that what is coming, has been planned, and it might involve the HAARP machine. I have told you that when your life is endangered, or you see a national martial law declared, that you will need to flee to My refuges. It is part of the one world people's plan to reduce the population, so do not be surprised at the scope of a large event that could kill a lot of people. Have your soul prepared by frequent Confession, and have your bags packed and ready to flee to My refuges."

December 11, 2013
Tuesday, December 3, 2013: (St. Francis Xavier)
Jesus said: “My people, the Catholic faith needs the underpinnings of a good prayer life, Sunday Mass, and frequent Confession. There is also another element, and that is developing a true loving, personal relationship with your Lord. Do not just repeat words in your prayers, but you need to pray from the heart. When you keep telling Me how much you love Me, I should be able to see your sincerity in how you love Me and your neighbor. You need to reach out with acts of charity in helping your family, and your neighbors both with your money and your time. The more you do out of love for Me, the more treasure you will store up in heaven for your judgment. The most important sharing of all is when people see how your love for Me has inspired your life. Then they will desire My love as well. Remember to make love and concern for each other a daily focus by calling on My grace, and keeping your focus on Me in your life. Those, who seek Me out of love and obedience, will have their reward in heaven.”
Jesus said: “My people, you are seeing the possibility of more churches closing, not only due to a priest shortage, but fewer people are attending Sunday Mass. As your numbers drop, the collections are going down as well. Even the uncertainty of a church closing, is causing your numbers to go down as well. You have a new bishop in your diocese, so it is hard to know what he will do to address this problem. Keep praying to keep your churches open, or you could lose even more members who will not come to another church. In the same way, you need to pray for your priests, and for more vocations to the priesthood. You should treasure even your retired priests who are providing for your Masses. Without enough priests, you could also find it hard to have Confession times available. The sign of the faith getting weaker among your people, is another sign that you are in the end times where evil is getting stronger. I am more powerful than the demons, but My faithful need to keep close to Me for their protection.”

December 11, 2013
Wednesday, December 4, 2013: (St. John Damascene)

Jesus said: “My people, the Gospel is a sign of My Eucharist in the multiplication of the bread and the fish for the 4,000. I love all of you enough to die for your sins, but I also left you My Eucharistic Real Presence, so I could always be with you. You need bread to nourish the body, but you also need My Eucharistic Bread to nourish your soul with My grace. I am the Bread of life, but there are some who do not believe in My Real Presence. This miracle of My transubstantiation from bread into My Body and Blood, is a gift that only My true believers can understand by their faith in Me. It is truly an act of faith that is required, because this teaching of My Church is a mystery to understand. Yet, I am present in all of your tabernacles, where you can come and visit your Lord. Give thanks to Me for this sacrament, and all of My sacraments. When you receive Me worthily, I come into your soul to grant you My grace, and I share My love with you intimately. Rejoice to be with Me at every Mass that you can attend.”
Jesus said: “My people, in many homes you see an array of lights, Santa Claus, snowmen, and reindeer. It is unusual to see outside Nativity displays as you have. There are even some places that try to ban any outside Nativity scenes, even on your own property. It is the atheists who are trying to take all public displays about Me out of public places. My people need to stand up against these atheists for all of their political correctness. You would rather please Me, more than mankind. You are seeing attacks against Me when people are criticized for wearing crosses, when the Ten Commandments are removed from public buildings, and when prayer is removed from the schools. This is just the beginning of the coming persecution of Christians. When you are tested, defend your faith in Me, and do not deny Me, even if the authorities threaten to kill you. Do not take any flu shots, or chips in the body. When your lives are threatened, you will have to leave for My refuges while you are guarded by your guardian angels. Those, who are true to Me in their persecution, will have their reward in My Era of Peace, and later in heaven.”

December 11, 2013
Thursday, December 5, 2013:
Jesus said: “My people, today’s Gospel offers you an obvious choice of your free will that I do not force on you. You can believe in Me, and have faith in My Word, and you will be like the man who built his house on rock. I built My

Church on the Rock of St. Peter, and I have been true to My Word in not allowing the gates of hell to prevail over it. You can also refuse My love and refuse to accept Me, but this will have consequences, as the man who built his house on sand, and the winds and rain brought it to ruin. In every action you perform, there is a decision for Me, or against Me. You cannot just say Lord, Lord, and you will be saved. I need to see by your good deeds in your actions that you truly believe, and you are acting out your faith in Me in your everyday actions. This will be your affirmation of your love for Me, that you do not want to offend Me by your sins. At times you may fall in human weakness, but you can return to My grace in Confession. At your judgment you will be held accountable for all of your actions. I love the sinner, but not his or her sinful actions. You all are good persons, as I created you, but it is your actions that will determine your eternal destination."

Prayer Group:

Jesus said: "My people, you are praying to keep your church open and viable. There is still a chance that your church could be closed, but it could be clustered just as well. You were graced with a pastor for a while, but now it appears unlikely to have another priest. Keep praying that your new bishop will not close your church, and possibly he could bring in some priests from outside of your diocese."

Jesus said: "My son, I am happy that you were able to repair your neighbor's fence, even amidst a few difficulties. This shows that when you are sincere in trying to correct a tree falling on a fence from a storm, that you can find a way to make it work. Your neighbor is probably happy that you could fix it, and remove the tree without much expense. You are a good example to others that you reached out to help your neighbor."

Jesus said: "My people, you are seeing a continuation of problems with your Obamacare. Even people who could get signed up, may find it hard to connect with paying their premiums to the insurance companies. Higher charges are hurting people's budgets who cannot afford these increases. Getting younger people to sign up, is not happening soon enough to pay for those new people who are not paying much. Pray that these new taxes do not destroy your economy."

Jesus said: "My people, it is the hidden parts of your Health Care Law that could present more threats to your lives, and not just higher insurance costs. There was an original intention in this law to control people by forcing you to have mandatory chips in the body. Do not take any chips in the body, no matter how

much your authorities want to threaten you. These chips will control your minds with voices, and they will make you like robots. When you see mandatory chips in the body, this will be a time to leave for My refuges, because the evil ones will threaten to kill you for not going along with their new world order. This mark of the beast is at the door, as this Obamacare Law is about to be fully implemented."
Jesus said: "My people, I understand how you all love to share gifts with each other for Christmas. Do not get so taken up with your shopping that you forget to honor My birthday as the central theme of Advent. I came as your Savior to redeem all of you from your sins. Think of Advent as a smaller Lent when you take time to recollect your sins, and try to improve your spiritual lives. Try to get to Confession before Christmas, so you can present your pure soul to Me as your gift."
Jesus said: "My people, I know that you love My Blessed Mother, and she loves all of you as well. Honor her on her feast days by coming to Mass on these days. My Blessed Mother is a central figure in Christmas because she bore Me in her womb for nine months. Give thanks for her 'yes' and thank her for looking over her children with her mantle of protection."
Jesus said: "My people, you are aware of My Blessed Mother's 'yes' to be My mother, but I also had to give My 'yes' to become a man to carry out My Father's plan of salvation for all of mankind. I had two moments of testing in the Garden of Gethsemene and before I died on the cross. In essence, I told My Father that it was not My Will, but His Will that needed to be done. This is the same for all of My faithful souls. You need to give up this life, and give your will over to Me, in order to be saved. Once you appreciate the beautiful reward that awaits you in heaven, any suffering on earth would be well worth such a reward. I love all of you, and I strive to win every soul."

Friday, December 6, 2013: (St. Nicholas)
Jesus said: "My people, as you go through this life, you may be called to suffer in many different ways because of your fragile body that you have in this mortal life. When you are well, you can accomplish many things, but when you are sick or injured, you will be suffering to do everyday chores. Sometimes I test you with sickness to keep you humble. Even when you are sick or hurting, you can

call on My help, as the blind people did, and you can offer up your suffering for sinners and the souls in purgatory. No matter what your earthly body causes you to suffer, still keep your focus on loving Me, and do not despair of any difficulties. It may be easy to get discouraged when things are not going your way, but do not let earthly problems take you away from your focus on Me. I do help heal people with earthly trials, but struggle along the best that you can with your own physical hurts. I see all that you are suffering, and you will be rewarded in heaven."

December 11, 2013
Saturday, December 7, 2013: (St. Ambrose)
Jesus said: "My people, a good Christian needs to have a good foundation in the teachings of My Church. I told you before how you need to build your house on rock so when the winds of adversity of the world come, you can withstand this trial because you had a firm foundation. How does one build such a firm foundation? You need to study and know your Catechism of the Catholic Church. Read or pray the Apostle's Creed, and you will have the basics of the faith. Some were taught the faith in a Catholic grammar school, high school, or college. Others have been trained in your RCIA program as they were brought into My Church by Baptism, Holy Communion, and Confirmation. My sacraments are instrumental in maintaining your faith, especially in Confession and Holy Communion. Your prayer life is another building block to support your faith and love for Me. By obeying My Commandments and loving your neighbor, you can be on the right path to heaven. Being with Me in heaven should be your goal throughout your whole life. I love all of you so much, and I want you to show Me your love every day. I died for your sins to show you how much I love you. That is why the big crucifix on the altar should remind you of My love every time you look on it. You can show Me your love in your daily prayers and good deeds. Once you have a good foundation in the faith, you need to build on it, by working to improve your spiritual life every year on a steady path to perfection. I will help support you on your way to becoming a saint with Me in heaven. Sainthood is the ultimate crown for a soul on earth, and do not allow the evil ones to detour you from this path."
Jesus said: "My people, the Bible speaks of how the wages of sins are death. If

you were able to look around at all of your households as I do, you would see all the sins of fornication, homosexual sin, prostitution, abortion, and birth control. This is rampant all over the world, as these sins are causing many killings in wars. Many of your family oriented traditions have become invaded by the worldly pleasures of life. Your movies and magazines flaunt living together without marriage as a norm for your society. Your people are more interested in their bodily pleasures, than in loving Me and following My Commandments. Living the restrictions of a proper married life have been cast aside by those who have lost their morals of a right conscience. Many young people know it is a mortal sin to have sex outside of marriage, but they have blinded their minds with bodily lust. These sinners will be held accountable for their sins, and they need prayers to repent, and change their lifestyle. You all have read about Sodom and Gomorrah, and how they were destroyed because of their sexual sins. America and many other countries will be paying the price of their sins when I bring many disasters and one world control over all the nations. Repent now while you can still save your souls."

Sunday, December 8, 2013: (Immaculate Conception)

Jesus said: "My people, this reference of Isaiah to the stump of Jessie is to the father of King David. Both My parents were also descendants of King David, which is why some people called Me the 'Son of David'. I call your attention today to generational healing because this is so linked to the 'human' weakness of sin that your priest spoke of in his homily. In some families there is a tendency to a weakness to drinking in excess. In other families it is a weakness to gambling. Many families also have a lust for sexual pleasure without marriage in living together. These sins can be rooted in generational sins that get passed on to the children. Generational healing starts with an exorcism of the family members so this inherited weakness of a particular sin from a demon can be rooted out from this family. It also involves praying for the family every day, so the members who are weaker, can be brought back to Me in Sunday Mass, and repentance of their sins in Confession. My arms are always open to receive all sinners if they would just listen to the words of St. John the Baptist when he said: 'Repent and be saved.' Family members need to see that I am missing in their lives, and they need to wake up to My love that calls them to Me. The best

deliverance prayers are to pray the long version of the St. Michael prayer over the pictures of the family, and place some blessed salt or holy water on the pictures. Repeat this as many times as you can in the coming days, and do not give up on any sinner because I do not."

For those who do not know the long form of the St. Michael prayer, here it is:

(An exorcism prayer) (+) Use the sign of the Cross

Prayer to St. Michael the Archangel: In the Name of the Father, and of the Son, and of the Holy Ghost. Amen.

Most glorious Prince of the Heavenly Armies, Saint Michael the Archangel, defend us in "our battle against principalities and powers, against the rulers of this world of darkness, against the spirits of wickedness in the high places'. (Eph. 6:12)

Come to the assistance of men whom God had created to His likeness and whom He has redeemed at a great price from the tyranny of the devil. The Holy Church venerates you as her guardian and protector; to you, the Lord has entrusted the souls of the redeemed to be led into heaven. Pray therefore the God of Peace to crush Satan beneath our feet, that he may no longer retain men captive and do injury to the Church. Offer our prayers to the Most High, that without delay they may draw His mercy down upon us; take hold of "the dragon, the old serpent, which is the devil and Satan," bind him and cast him into the bottomless pit "that he may no longer seduce the nations". (Rev. 20:2-3)

Exorcism:

In the Name of Jesus Christ, our God and Lord, strengthened by the intercession of the Immaculate Virgin Mary, Mother of God, of Blessed Michael the Archangel, of the Blessed Apostles Peter and Paul and all the Saints that are powerful in the holy authority of our ministry, we confidently undertake to repulse the attacks and deceits of the devil. God arises; His enemies are scattered and those who hate Him flee before Him. As smoke is driven away, so are they driven; as wax melts before the fire, so the wicked perish at the presence of God.

V. Behold the Cross of the Lord, flee bands of enemies

R. The Lion of the tribe of Judah, the offspring of David hath conquered.

V. May Thy mercy, Lord, descend upon us.

R. As great as our hope in Thee.

We drive you from us, whoever you may be, unclean spirits, all satanic powers, all infernal invaders, all wicked legions, assemblies and sects.

In the Name and by the power of Our Lord Jesus Christ, + may you be snatched away and driven from the Church of God and from the souls made to the image

and likeness of God and redeemed by the Precious Blood of the Divine Lamb.
+ Most cunning serpent, you shall no more dare to deceive the human race, persecute the Church, torment God's elect and sift them as wheat.
+ The Most High God commands you, + He with whom, in your great insolence, you still claim to be equal.
"God who wants all men to be saved and to come to the knowledge of the truth." (1 Tim 2:4)
God the Father commands you. + God the Son commands you. + God the Holy Ghost commands you.
+ Christ, God's Word made flesh, commands you; + He who to save our race outdone through your envy, "humbled Himself, becoming obedient even unto death" (Phil. 2:8); He who has built His Church on the firm rock and declared that the gates of hell shall not prevail against Her, because He will dwell with Her "all days even to the end of the world." (Mt. 28:20)
The Sacred Sign of the Cross commands you, + as does also the power of the mysteries of the Christian Faith.
+ The glorious Mother of God, the Virgin Mary, commands you; + she who by her humility and from the first moment of her Immaculate Conception crushed your proud head.
The faith of the holy Apostles Peter and Paul, and of the other Apostles commands you. + The blood of the Martyrs and the pious intercession of all the Saints commands you. +
Thus cursed dragon, and you, diabolical legions, we adjure you by the living God, + by the true God, + by the holy God, + by the God "who so loved the world that he gave up His only Son, that every soul believing in Him might not perish but have life everlasting" (Jn 3:16) stop deceiving human creatures and pouring out to them the poison of eternal damnation; stop harming the Church and hindering her liberty.
Begone, Satan, inventor and master of all deceit, enemy of man's salvation. Give place to Christ in Whom you have found none of your works; give place to the One, Holy, Catholic and Apostolic Church acquired by Christ at the price of His Blood. Stoop beneath the all-powerful Hand of God; tremble and flee when we invoke the Holy and terrible Name of Jesus, this Name which causes hell to tremble, this Name to which the Virtues, Powers and Dominations of heaven are humbly submissive, this Name which the Cherubim and Seraphim praise unceasingly repeating: Holy, Holy, Holy is the Lord, the God of Hosts.
V. O Lord, hear my prayer.

R. And let my cry come unto Thee.
V. May the Lord be with Thee.
R. And with thy spirit. Let us pray.
God of heaven, God of earth, God of Angels, God of Archangels, God of Patriarchs, God of Prophets, God of Apostles, God of Martyrs, God of Confessors, God of Virgins, God who has power to give life after death and rest after work: because there is no other God than Thee and there can be no other, for Thou art the Creator of all things, visible and invisible, of Whose reign there shall be no end, we humbly prostrate ourselves before Thy glorious Majesty and we beseech Thee to deliver us by Thy power from all the tyranny of the infernal spirits, from their snares, their lies and their furious wickedness. Deign, O Lord, to grant us Thy powerful protection and to keep us safe and sound. We beseech Thee through Jesus Christ Our Lord. Amen.
V. From the snares of the devil,
R. Deliver us, O Lord.
V. That Thy Church may serve Thee in peace and liberty:
R. We beseech Thee to hear us.
V. That Thou may crush down all enemies of Thy Church:
R. We beseech Thee to hear us.
(Holy water or blessed salt is sprinkled on the pictures.)

December 11, 2013
Monday, December 9, 2013: (Immaculate Conception)
Jesus said: "My people, ever since Adam and Eve sinned, and were driven out of the Garden of Eden, I promised man that I would send a Redeemer to give hope to all souls. Until I died, no soul was able to come to heaven, so the righteous souls had to suffer not seeing Me. From this time I also have prepared My Blessed Mother so she would be a sinless woman to conceive Me in her immaculately conceived soul. My Blessed Mother would become the new Eve for all of her children. This feast is celebrated on Monday because of the Second Sunday of Advent which was on December 8th. At the Annunciation this was My Blessed Mother's finest hour when she gave her free will 'yes' to My Archangel Gabriel to be My mother. This is when, by the power of the Holy Spirit, I was conceived in her womb. This began the sequence of events that would allow My Incarnation as a man that would lead to mankind's redemption

by My death on the cross. Rejoice in My Blessed Mother's acceptance of her mission as the Mother of God. Rejoice also in her title as the Immaculate Conception which is honored as America's patroness in Washington, D.C."
Jesus said: "My people, you are seeing many power outages and flight cancellations, due to two major snow and ice storms that have spread across your country. This caused school closings, accidents, and some deaths. I told you that because of your many sins, you would be seeing one disaster after another. Now, you are seeing these things brought right before your eyes. Many of these storms have happened before at this time, but you are seeing record cold and heavy snow in places that do not have such severe weather. Be prepared to endure more of these storms, as your weather patterns and jet streams are becoming more erratic and unpredictable. Some news people noted a possible effect on Christmas shopping, but ice damage has affected power lines and car damage. Some predictions of a bad winter are already in your headlines. This is another example why it would be helpful to have some extra food and alternative fuels for any power outages. Some extra lamp oil would help to provide light when the power is off. It is good to be prepared for both physical and spiritual hard times."

Tuesday, December 10, 2013:
Jesus said: "My people, I have told you many times that I do not want to lose any soul. Because so many Christians have fallen away from their faith, now, I am searching for more than one sheep. There are more sheep who are lost, than the few sheep who are still coming to Sunday Mass. I wait for the return of My lost sheep, but it is even better if I send My faithful out to bring in the lost sheep. I have told you the story of the Prodigal Son, and how he finally returned because he was hungry, and in search of My forgiveness. I do not force My love on people, but I want you to love Me of your own free will. Those, who love Me, are so happy and filled with My love, that they want to share My love with everyone. Once souls return to seek My forgiveness, I will forgive them, and I will receive them with love and joy because they were lost, and now they are found. All of heaven rejoices over every sinner who repents and is converted from any sinful ways."
Jesus said: "My people, you are familiar with the Isaiah 9:10 prophecy that starts

with the bricks have fallen. This vision is suggesting that the Harbingers are a warning for America, that if you do not repent as a nation, then you will be brought to your knees by the one world people. I have given you many messages of how your nation will fall under martial law, and My faithful will need to seek My protection at My refuges. The vision of the DNA refers to how your seed companies have manipulated the DNA of your crops to make GMO crops that are causing allergies and cancers. This manipulation and control of the food is why you will see a man-made controlled famine. I also have had My faithful store some non-GMO or heirloom seeds, so you can grow crops as I made them without causing any disease. I will need to renew the whole earth after the tribulation because of how man has abused My creation. You will rejoice when I will bring you into My Era of Peace as your reward for all that you will suffer. Do not have any fear of the end times because I will give you a peace about all of these events. Have no fear of the evil ones because My angels will protect you."

John Leary Messages Year 2014

January 2014

Wednesday, December 11, 2013

January 2, 2014
Wednesday, December 11, 2013: (St. John of Damascene)
Jesus said: "My people, I am the Light of the world, and I disperse the darkness of sin, as I comfort My people. I call My people to comfort them, for My yoke is easy and My burden of faith is light. Advent is a time of joy and preparation for My coming at Christmas. Even though you are suffering from the cold and the snow of winter, it does cover everything with a white coating over the drab landscape without green leaves. You are buying gifts for your loved ones, so you can share your Christmas joy with them. It is also nice to share some financial help with your friends and relatives as well. The best gift that you could give your loved ones is some prayers, even for deliverance of any addictions. Keep praying for your family members, for you could be their salvation of their souls."
Jesus said: "My people, when it comes time to leave for My refuges, it will be hard to provide for your food, heating, and shelter. During the winter, it will be harsh to deal with the cold. If you have a steady supply of natural gas from the ground, you could keep warm. If you have wooded land, you could chop up logs for firewood. I will multiply your fuels for heating and cooking. People, who have chickens, can have eggs, but you need a multiplied source of chicken feed. I will send deer to your camps for meat, but you need hunters to cut up and handle the meat. You will need various skills to provide for yourselves. You will have angels to protect you, and they will bring you daily Communion. You will be praying more at Adoration at each refuge. You will have water and a luminous cross to heal your ailments. You can keep your food in a root cellar in the ground. You will need to provide latrines for the people's needs. During the summer, you could farm some crops with your heirloom seeds. Once you are used to providing for food and heat, then you will only see these chores as a way of life, that is much simpler than how you are living in your modern comforts. You can adapt to a rustic life because that will be the only way to live with My help and My angel support."

January 2, 2014
Thursday, December 12, 2013: (Our Lady of Guadalupe)
The Blessed Mother said: “My dear children, this miraculous image of myself as pregnant with my Son, Jesus, is an image that makes me the Mother of the Americas. This image is a support for all pregnant mothers, and I support life in all of its stages. Earlier, it was a sign for the Indians to stop offering up their infants to the gods. Today, this image is dedicated to stopping all abortions where you give up your infants to the gods of pleasure, riches, and convenience. I have been behind Right to Life movements all along. This image of Juan Diego also is a sign out of the Book of Revelation as the woman dressed in the sun as in your vision. This image is a sign of the end times that my Son has asked you to get the people prepared for. I am the refuge of sinners, and my Son wants His people to be protected at His physical refuges during the coming tribulation. Remember that I am protecting all of my children with my mantle of protection.”
Prayer Group:
Jesus said: “My people, your people have been suffering from a large cold wave that has come down from Canada. Many of your people have endured heavy snow and ice storms that have caused several power outages. Each year, you expect this in winter, but it does seem a little more severe and colder than usual. These snow disasters are just a taste of what is to come. Keep praying to counter all the sin in your country. This extra coldness is another sign of the love that is lacking both for Me and for your fellow citizens.”
Jesus said: “My people, your Congress has finally reached an accord in dealing with your budgets and taxes. With passage in the Senate, then your Congress people can start managing their budgets with the proper appropriations for each department of your government as you used to do. This will put more focus on how to fix your Health Care law that appears to be having problems for people to sign up, and to pay for their health insurance premiums. Many are seeing that they cannot afford to pay for a one size fits all insurance with high premiums and high deductibles. Pray for some fair payments so the middle class does not have to shoulder most of this burden.”
Jesus said: “My people, it is good to share your gifts, but I gave you an even better suggestion to pray your deliverance prayers for the souls of your family members. I had you give the people the long St. Michael prayer (Dec 8, 2013 message) so they could pray over the pictures of their family members. These

prayers are needed to atone for their sins, and to help open their hearts and souls to My love. I asked you to pray these deliverance prayers often for the intentions of your family that have strayed away from Me."
Jesus said: "My people, this Sunday you will already be celebrating the Third Sunday of Advent with a pink candle and vestments. This season is very short, so spend some time in prayer as you prepare your gifts for Me at My crib. You prepare gifts for your family and friends, so you should think to offer Me a personal gift as well. Even if you make an attempt to get to Confession before Christmas, this would be a great gift to Me, and it will benefit your soul also."
Jesus said: "My people, not all families are on good speaking terms with each other. Christmas should be a time of joy, so families can patch up their differences, and move on with their lives. Life is too short to hold grudges, and be constantly fighting. It is time to have peace in all families, so I can come into all of your hearts to share My peace and love."
Jesus said: "My people, I am happy to see so many new faces that make an effort to see Me at My crib at Christmas Mass. I pray that these same people would make more of an effort to come to Mass on the other Sundays of the year. I am always present at the Consecration of the Mass, not only on Christmas, but at every Mass. It is well to receive Me in Holy Communion worthily as often as you can. If you truly love Me, you could show Me more than once a year, or once a week. I love all of you every day, so tell Me of your love for Me in your daily prayers."
Jesus said: "My people, I want you to help celebrate My Blessed Mother's feast day by praying for the stoppage of abortion. Your country will pay a heavy price for all the babies that you kill in America every year. Think of My Blessed Mother's image of a pregnant woman, and see the need to try and encourage your mothers not to have any more abortions. Each conceived child has a plan for his or her life, and if you kill that life, then you are blocking My plan for that child. You will have to make amends for any killing, and for the loss of the plan that could have helped your society. Rejoice in My Blessed Mother's feast and tell her how much you love her."

Friday, December 13, 2013: (St. Lucy)
Jesus said: "My people, most of your people in America have the basic necessities to survive in at least an apartment in the winter. People, who do not

work for a living, have access to welfare and food stamps. Some poor people are not well educated, and these are the ones who call on your local food shelves to get by. Sometimes your social workers have to help the poor to fill out forms to get what aid is available. This aid can vary from state to state. As you see this vision of someone requesting a glass of water, you need to share what you can with your local poor with donations to your food shelves. Have mercy on those people who are less fortunate, as they need the basics of food and shelter. All of your help will be stored up in heaven for your judgment. When you look at a poor person, you are seeing Me in them making a request for help."
Jesus said: "My people, the earthquake that you are seeing, is how the New Madrid fault will open up all the way to the Gulf of Mexico, and the ocean will fill in the fault. When you see a major earthquake along the New Madrid fault, you could see some major changes in the geography of the Mississippi Valley. Such a quake could kill thousands of people, and destroy many homes. This event could well trigger a martial law with a huge effect on your country's economy. I have been warning you of possible large quakes both in California and along the New Madrid fault, that could be caused by the HAARP machine. Pray for the souls who could die in such a quake, when they may not be ready to meet Me at their judgment."

January 2, 2014
Saturday, December 14, 2013: (St. John of the Cross)
Jesus said: "My people, you remember the account of My Transfiguration on Mt. Tabor, when I appeared in My glorified Body as a preview of My Resurrection. Elijah and Moses appeared with Me before My apostles Peter, James, and John. Peter wanted to glorify that moment, but My heavenly Father said: 'This is My beloved Son, in Whom I am well pleased; hear Him.' Then I told My apostles that Elijah will come before I return, but that the spirit of Elijah had already come in St. John the Baptist. St. John taught the people to repent and prepare for the Lamb of God to come. Then he pointed Me out as the Lamb, and the Promised Messiah, who would redeem mankind. You have St. John already announcing My coming in the womb of St. Elizabeth when he stirred to acknowledge My Presence when My Blessed Mother came to help St. Elizabeth. Now in Advent, you will be reading St. John's account of how he prepared the way of My coming. When I return, you will see the two prophets Elijah and Enoch, who will prepare My way again. Rejoice as you celebrate My coming

feast of Christmas. You have yet to rejoice again when I will come in victory over the Antichrist and Satan, when I will make all things new in My Era of Peace."
Jesus said: "My people, now your weather forecasters are naming the snowstorms, and you are up to your fifth storm. Your snow levels are a bit over normal already, and you have not even turned to winter on December 21st. Deep cold and plenty of snow are already the signature of this year's winter. Many people in the North have been suffering from heavy snows, and some have had ice storms with freezing rain. Pray for all the people who are suffering hardships as a result of your severe weather. The one good thing that comes from these storms, is that neighbors are helping each other with the plowing, and sharing food and heat with those who lost their power. You all know how hard it is to be without heat, food, or water. Again, I remind you to share your donations with your food shelves, and pray for the poor that they will find what they need to survive."

January 2, 2014
Sunday, December 15, 2013: (3rd Sunday of Advent)
Jesus said: "My people, today you are celebrating Gaudete or Joy Sunday of Advent when the vestments are in pink. I am showing you a stream of water that represents the Living Water that I give you in Holy Communion. This is My living Presence when I am with you intimately in your soul. You can rejoice every time that you receive Me at Mass. You are preparing to meet Me at Christmas with your gift of love both for Me and your neighbors. Sharing gifts with friends and family is a happy time of the year, and you see family members that live far away from you. You can travel quite fast in your cars and planes in good weather. It was more difficult for My parents to travel on foot from Nazareth to Bethlehem for the census. Your travel can also help you in evangelizing souls in various cities. Keep struggling to share My Word with all the nations, so they can experience My love and My sacraments."

January 2, 2014
Monday, December 16, 2013:
Jesus said: "My people, in the winter you may have to deal with annoyances

from ice and snow on your windshields. When it is cold, the ice builds up on your windshield blades, and the salt mist blinds your vision. Even when you have these problems, do not let these things disturb your peace. Take some time to clean the ice off the wheel wells and your windshield blades, and continue on without getting upset. It can even be unsafe for your travel, without proper vision for driving. Have patience also with slow drivers, where there is a lot of snow on the road. At times it may be better not to travel during snow blizzards, if you can avoid it. Being kind and understanding of your fellow motorists, will cause less accidents, and not cause you to get angry over the little things. By keeping peace in your soul, you can be more loving of your neighbors."
Jesus said: "My people, many of you are waiting to celebrate My birthday on Christmas. The vision was showing you another coming, when you will come to Me in a tunnel outside of time, and outside of your body. This will be the illumination of your conscience, or some call it the Warning. This will truly be a wake-up call for all souls to see how I will judge them up to this one point in their lives. You will have no excuses, because you will be reviewing your actual words and actions, which you will not be able to deny as the truth. You will see where your soul is headed, when I give you your mini-judgment. You will have a second chance to improve your spiritual lives, if you change your life for the better. Prepare your soul with frequent Confession, and you could avoid any judgment to hell. Be thankful that I will give every sinner a chance to be saved. I am a gracious and loving God, and I will give a heavenly reward to any repentant sinner."

Tuesday, December 17, 2013

January 2, 2014
Tuesday, December 17, 2013:
Jesus said: "My people, as you can see in the genealogy of My family, there were all kinds of people including those who were worse sinners than the rest. In reading these names, there are stories about each of them, and you are seeing all the human weaknesses in their sins. I love all of My creations, even though they have committed great sins of lust and murder. The important part of life is to not only accept that you are a sinner, but that you need to repent of your sins in Confession. Without the forgiveness of your sins when you come to Me, you cannot enter heaven. When you come to Me, I will forgive the worst sinner, and restore My graces in your souls. Do not let pride make you think that you are not sinning. Man is imperfect from Adam's sin, yet I love all sinners enough to die

for their redemption. This is why My faithful need to come to Confession at least monthly, so you can have your soul pure whenever I will call you home in death. Guard your souls from sin, and use My sacraments to keep holy."
Jesus said: "My people, as you hear people buying tickets for $600 million sweepstakes, you can see their desire to strike it rich. Others love their rich homes and expensive cars. You have a society in America that is in love with riches and possessions. When money and possessions become a god for people, they are worshiping these things instead of Me. These are the same people who are also in love with their sexual pleasures. All of these sins breed more evil in your society. It is hard to find My faithful prayer warriors among the many sinners in your country. I keep mentioning how there is not enough prayer being said to offset all of your sins. Your society also has the blood of many abortions on its hands. As your disasters increase, you will be approaching the end days when My faithful will need to seek My refuges to avoid the Antichrist. I will bring your country to its knees when martial law will allow the one world people to take over your country. Trust in My protection from the evil ones, before I will bring My victory over all the evil of this world. Your reward will be in My Era of Peace, and later in heaven."

January 2, 2014
Wednesday, December 18, 2013:
Jesus said: "My people, many of you are making preparations for Christmas by baking cookies and putting up your decorations. You are finishing up your Christmas gift buying, and you have sent out your Christmas cards, for those who send cards. Making preparations to receive your family from out of town, is another labor of love. You also need to buy enough food for the family staying over. All of these preparations take time and some money, but it is a joyful season to share your love with your family members. Many in the North will have a white Christmas with some melting of the snow. Pray for good weather for those who have to travel any distance. It is always a joy to share your gifts, and to share your meals with each other. The Magi shared their gifts with Me, and I share Myself with you at every Mass to nourish your spiritual life. I rejoice to see all of your families getting together. Give them a good example by coming to church for Christmas. Remember to try and get to Confession before Christmas. I love all of you, and I pray that you can share your love with Me in return."

Jesus said: “My people, you have heard Me speak of the Wedding feast at Cana where I had My first miracle of turning the water into wine at the request of My Blessed Mother. I have also talked of a banquet feast where the king called his guests to come, but they refused, and even killed his servants. Then he called in people off the street to fill his banquet. But one man was not dressed properly for the wedding, so he was bound and cast outside. I told the people that many are called, but few are chosen. Those, who are not properly dressed, are those souls who have not cleansed the sins from their souls in Confession. You are aware of how to dress and when to come to a wedding that you are invited to. Even more so, I am preparing a place for all of those souls who are worthy, at My wedding banquet in heaven after the judgment of souls. Again, you need to have your souls ready by having them purified in Confession. You do not know what day that I will call you home in death. So use your frequent Confessions to keep your soul pure and ready to meet Me at your judgment every day.”
Jesus said: “My people, after some heavy snowfalls, a warming trend could cause icicle problems. As the temperature stays around freezing, you could see ice storms as well, depending on temperatures above and at ground level. You have had more damage from ice storms than with cold and heavy snow. Each snowstorm brings a different mix of snow, ice, or rain. Keep prepared for any power outages with extra food, water, and alternative fuels. Have some extra batteries, wind-up flashlights, and lamp oil so you can see in the dark. Most power outages do not last long, but if a transformer goes out, you could be a long time getting your power back. This is why you need a long term supply of food, water, fuel, and a means for a light. You can share your food in disasters until people threaten you with guns. When your life is in danger, then you will need to come to My refuges for My protection.”

January 2, 2014
Thursday, December 19, 2013:
Jesus said: “My people, today, in the Scriptures there is a focus on miracle births, by man’s standard. Both Samson and St. John the Baptist were miracle births to older barren women that were announced by an angel. For Me all things are possible, beyond the natural order of births. Even My own birth was more miraculous. Again, My birth was announced by St. Gabriel the Archangel. I was conceived by the Holy Spirit in a sinless virgin of My Blessed Mother. Even births by the normal course are miracles of life, in how they are formed in the

womb. I place a soul in each baby at conception, and I give each of you a guardian angel to watch over you. You should be joyful to accept every birth, even those who are born outside of wedlock. I have given you an example of normal married life from Adam and Eve. Such relations should only occur under the bond of marriage. This is living according to My Commandments, and children should be brought up in an environment of married love. Even though many are living together, it is still sinful to be fornicating without marriage. Encourage your children to get married before having any children. This is the way of heaven, and not the way of human lust."

Prayer Group:

Jesus said: "My people, in your readings you are hearing the accounts about St. Joseph, St. Elizabeth, St. John the Baptist, and My own Blessed Mother. Every year you celebrate My birthday on Christmas, and you are all joyful in this season of love and sharing gifts. Overlook all the shopping for gifts, and focus more on My Incarnation as a man, so I could offer My life up for mankind's sins. You all love celebrating the birth of a baby, especially the birth of your Savior. Rejoice with the shepherds, the angels, and the Magi, who came to give glory to God in Me."

Jesus said: "My people, you are seeing how the government is slowly taking over many parts of your life by fiat rule. You are seeing regulations soon that will outlaw incandescent light bulbs starting on January 1st when 40 and 60 watt bulbs will not be made any more. You also are being forced to buy health insurance that pays for more health coverage than you need."

Jesus said: "My people, many people have had trouble in signing up for Obamacare because of the non-working website. Once people are signed up, then they need to contact the insurance companies to begin paying their premiums. This connection to insurance companies has yet to be put on the website. It is still a problem to find out the actual cost of a person's insurance premiums. The government is trying to put this knowledge of the premiums off until after the 2014 elections. Once the people realize how much their full health insurance premiums will cost, then they will be outraged at the high costs and the high deductibles. Those, who were dropped, are now paying much higher premiums. This law will be so disliked by the paying middle class, that the Democrats could lose some elections. It is those, who do not have to pay, that are in favor of this transfer of wealth. Many people will also find difficulty in getting a doctor. Pray for a fair resolution of this problem of Obamacare."

Jesus said: "My people, your partisan politics have made an attempt to settle

your budget debate. Unfortunately, this is a short peace, as the next storms will be coming with a raising of the debt ceiling, and immigration reform. When you have divided government, it is hard to get bills passed that both sides will favor. Keep praying for your Congress people so they can agree on what is good for your people."
Jesus said: "My people, when you have freezing rain, you can have ice build up on the trees that can snap tree limbs and bring down power lines. Be prepared for more power outages when these ice storms will come into the Northeast. These disasters will continue throughout this winter season because of your sins."
Jesus said: "My people, there are certain Spanish groups who are faithful in their prayers to the Infant Jesus. There is a great need for prayer in your world because of the many sins. Along with your prayers, you could help the poor with your donations for their food and shelter. You share gifts with your friends, and you expect something in return. When you give to the poor, you do not expect anything in return, but you will store up treasure in heaven for your charity."
Jesus said: "My people, you can share your donations of food and money with your local food shelves. You can also give your time to help bring some food to those who are in need at your soup kitchens. There is joy in your heart when you can feed the hungry by bringing food to their houses, or by feeding them hot meals as for the homeless. You can also make some donations toward helping people to find shelter or donating to help the poor pay their heating bills. The Christmas spirit of sharing comes right from the love in your hearts."

January 2, 2014
Friday, December 20, 2013;
Jesus said: "My people, in today's Gospel, you see My Blessed Mother accepting the angel's request to be My mother. It is hard for man to understand how condescending it is for Me as God the Son, to be incarnated as a man. This is a mystery which I performed, so I could see and experience all of your human discomforts. It also was the will of God the Father for Me to become a man because the prophets foretold that a Redeemer would be sent to bring salvation to mankind because of your sins. Once I was incarnated as a human, I could now sacrifice My life in atonement for all of your sins. Now heaven would be open to those sinners who were baptized, and repented of their sins. I am happy to forgive your sins, and restore My grace to your soul. Rejoice in My Incarnation,

that made your salvation possible."
Jesus said: "My people, during the winter, you have had many flights cancelled when you have heavy snowstorms. Now, you are having rain on the snow, and you are seeing considerable fog. During the winter, your planes have to have de-icing fluid sprayed on the wings to avoid ice building up on the cold surfaces. The plane on fire in the vision, could come from many causes, and especially from weather related problems. Whenever you take a flight in the winter, you need to pray for good weather, and your St. Michael's prayer as you do for your car. Praying for safe travel, puts yourself in My hands, and your guardian angel's care. You have seen many delays with your plane flights, but you want to be in a well running plane, and not one with bad instruments. You can also pray for all the other flights, so they will go well without any accidents."

Saturday, December 21, 2013: (St. Peter Canisius)
Jesus said: "My people, when you come to My Light in the Warning, you will travel through a live living tunnel outside of your body and outside of time. You are preparing to celebrate when I was born years ago in a stable in Bethlehem. I came as a man so I could suffer for your sins and redeem your souls. You will see Me again in My Warning, as I will have mercy on all souls. They will have a second chance to improve their lives, so they will be directed to heaven. At the end of the tribulation, you will see My coming in victory over the evil ones when I will separate those going to hell from My faithful who will be saved in heaven. This tribulation will be your living purgatory on earth. Prepare for My coming again by frequent Confession of at least once a month. Those, who struggle to be obedient to My Commandments, and are sorry for their sins, will be saved in heaven."
Jesus said: "My people, I have talked to you many times about My Real Presence in My consecrated Host. This Eucharistic mystery of My Real Presence is hard for man to understand, but it can only be accepted in faith. I can do all things, even the impossible. So if I want to allow the priest to consecrate the bread and wine into My Body and Blood, I can do it. Whether people want to believe it or not, I am still present, just the same. Those, who have weak faith, cannot or have difficulty in accepting My Real Presence in My Host. If you truly believe in My Real Presence, then you will have great joy every time that you

receive Me in Holy Communion. Only My true believers genuflect to My tabernacle, and come to visit Me in Adoration in My monstrance or in My tabernacle. Those, who do not believe in My Real Presence, have little reverence for My Host, and rarely visit My tabernacle because they do not believe that I am there. Encourage people to believe in My Real Presence because this is the gift of My very Self to you in My Blessed Sacrament."

January 2, 2014
Sunday, December 22, 2013: (4th Sunday of Advent)
Jesus said: "My people, because of the Roman census, My parents had to travel to Bethlehem because they were both from the lineage of King David. In My day you had to travel on foot or use a donkey to carry people and their belongings. You have traveled to Israel, and you know how rough and hilly the roads are. Some traveled in caravans for safety from the thieves. You remember this when I was lost in the temple because My parents were in a caravan. Today, you can travel in airplanes or cars, so your travel time is shorter for longer distances. Many families can come together for Christmas because of your shorter travel times. It is your weather conditions that could slow down your travel with snow or freezing rain. You had some freezing rain on your trees, but it was not severe, and it will melt with a warm day. Have a little understanding then, for how much My parents had to endure in their travel, and how difficult it was to find a place to stay. The cave with the animals was not the best place for Me to be born, but it was a humbling experience."

January 2, 2014
Monday, December 23, 2013:
Jesus said: "My people, in the Old Testament readings, it speaks of Elijah coming before My coming to earth. Indeed, you have the spirit of Elijah coming in St. John the Baptist as My herald in the desert. It is appropriate to celebrate St. John the Baptist's birth before My birth. Later, he called the people to repent and be baptized. He prepared the way of My coming, and even baptized Me in the Jordan River. In every age I call up My prophets to prepare for My coming again. Even today, there are many prophets speaking of the coming tribulation of the Antichrist. You, My son, are one of them who go forth preparing the people by encouraging them to come to Confession to avoid any judgment to hell in the

Warning. After the time of the Antichrist, I will come to separate the evil ones into hell, and My faithful will come into My Era of Peace, and later into heaven. Rejoice not only in celebrating Christmas, but you will rejoice further in My victory over the evil ones."

Tuesday, December 24, 2013

January 2, 2014
Tuesday, December 24, 2013: (Midnight Mass)
Jesus said: "My people, in today's reading, you heard of how St. Joseph and My Blessed Mother had to travel from Nazareth to Bethlehem because of the Roman census. This was most difficult for My Blessed Mother because she was forced to travel while she was pregnant with Me. They went through even more trouble to find a secluded place in a stable where she could give birth to Me. In the vision you saw the angels singing to the shepherds, who were led to give praise and honor to Me as an infant. Many people celebrate Christmas by sharing gifts, but I am the Gift to mankind because I came to offer My life for your sins. I ask all of you to bring your prayers and earthly sufferings to Me as your gift. Rejoice in the glory of My coming at Christmas."

Wednesday, December 25, 2013

January 2, 2014
Wednesday, December 25, 2013: (Christmas Day)
Jesus said: "My people, today you celebrate My birth over two thousand years ago, when I was born in a manger in Bethlehem. Many did not realize the significance of My Incarnation as a man, but My parents knew because of the angels who told them. The angels sang praise to Me, and they encouraged the shepherds to visit My crib. I was born in humble surroundings, but truly I am your King. I was sent by My heavenly Father to do His Will, which eventually led to My giving up of My life for everyone's sins, and the salvation of mankind. Sing your praises of My coming, because through Me, you are saved. You can only come to heaven through Me. All of heaven rejoiced with the angels, as they celebrated the arrival of man's Redeemer. I love all of you so much that I came to earth as a man, so I could die as a Lamb for all of your sins. Rejoice with Me at every Mass, when I come to you in Holy Communion."

January 2, 2014
Thursday, December 26, 2013: (St. Stephen)
Jesus said: “My people, proclaiming My Gospel Word of love and obedience to My Commandments, will not be easy in front of your politically correct society. Your society makes killing My babies in the womb legal in your courts. Your courts and states are now making same-sex marriage legal as a right. Living together in fornication is also accepted by your society. These things are all mortal sins in My eyes, and they should be avoided to save your souls. You have Confession to confess these sins, but for people to defend these actions as acceptable and legal, it shows you how depraved your society is. It is not easy to live out your Christian faith in public, because to stand up against these sins of abortion, fornication, and homosexual acts, you will be persecuted for My Name’s sake. People, who are committing these sins, do not want to be criticized for doing something wrong, because the evil ones control your media, and they will persecute anyone who goes against them. It is the evil ones who are dictating what is politically correct, and the one world people are led by Satan to advocate these sins. Even if you are persecuted in public, it is still a Christian’s duty to advise your brother when he is committing serious sin as abortion, fornication, or homosexual acts. Those, who are willing to stand up for their religious beliefs, will have their reward in heaven, even if you have to die as a martyr for your faith.”
Prayer Group:
Jesus said: “My people, I want you to think of all the gifts that have been given to you, and how you should thank Me for everything. I give you Myself as your gift in My Blessed Sacrament. For all of your families, you have gifts in your spouse, your children, and your grandchildren. Coming together as family is special at Christmas. You have gifts of jobs, homes, and your possessions to survive. I see to all of your needs, so thank Me for all that you have.”
Jesus said: “My people, you cannot be sure that you will be here tomorrow. Your health is another important gift, because many are suffering from bad knees, bad legs, diabetes, high blood pressure, and many other chronic conditions. Pray for the grace to suffer through any health problems, and be willing to visit the sick and console the dying.”
Jesus said: “My people, you are seeing people in Canada and other parts of America who are dealing with ice on the trees and no electricity. You remember well how it was a struggle to keep your house warm, and provide food and water in the cold of winter during an ice storm. Pray for all of these people that they

could have their power restored. Again, be thankful if you have power and heat during the winter."
Jesus said: "My people, I am pleased with your prayers because they are multiplied in your prayer group. I want you to encourage your people to pray daily, because there are not enough people praying, and I rely on My prayer warriors to make up for all of those people who are not praying. You pray your three rosaries and your Divine Mercy Chaplet as a minimum for the day. Do not forget to pray them, and make them up the next day if you are not able to complete them. The sins in the world are great, and it is only through prayer that they can be atoned."
Jesus said: "My people, just as I had to suffer persecution, so My faithful will also suffer at the hands of the worldly people. Some Christians are being martyred as St. Stephen was, and many are being persecuted because of their holy witness to the world. Do not worry about being politically correct, but speak about your faith in public, so you are a good Christian example to your family and others."
Jesus said: "My people, you have shared your gifts with one another, but you should leave room in your heart to share prayers and donations to the poor. If you could spend so much on all of your Christmas gifts, you could spend a little to help the poor. When you help the poor, you are helping Me in them because you are all a part of My human family. Have compassion on them in providing food and shelter, and you will be storing up treasure in heaven for your judgment."
Jesus said: "My people, life and your soul is one of your greatest gifts to be alive and experience My love for you. This is why you should be doing all that you can to stop abortions and encourage these mothers to have their babies. I love My little ones, and I do not want to see you killing My babies in abortion. Do not deny these little ones the chance to experience life as you have had it. Do not accept the death culture's word, but do what you can to protest abortions at the abortion clinics, and your marches in Washington, D.C. on January 22, the anniversary of Row vs. Wade decision that supports abortion."

January 2, 2014
Friday, December 27, 2013: (St. John the Evangelist)
St. John said: "My son, you remember well the words that I gave you when you

came to my burial place in Ephesus, Turkey. The Lord showed me many visions of the end times, and what it would be like during the tribulation of the Antichrist. He also showed me His victory over the evil ones, even as He showed me the empty tomb in His victory over sin and death. I loved Jesus so much, and I was blessed to take care of His Blessed Mother. When I gave you a message at Ephesus, I wanted you to continue on with my mission of preparing the people for the end times. The Lord has shared many details about how He will be protecting His people at His refuges. Even though refuges were not explicitly stated in the Gospels, there were accounts of Elijah hiding in the cave, and even the stable of Jesus' birth looked like a cave of protection. I rejoiced to see Jesus appear to us after His Resurrection, and on Mt. Tabor in His Transfiguration. You have a deep faith and trust in My beloved Jesus. Keep Him at the center of your life, and He will be with you to complete your mission."
Jesus said: "My people, the problem with your world is the rampant sexual sins, and the abortions that are killing My babies. I have told you before that not enough people are praying to atone for all of these sins. So pray to Me to double and multiply your prayers for the sin of the world. Many of your people also are worshiping money, possessions, and sports more than Me. Much of this sin will not change until I bring My Warning, when all sinners will have a chance to convert their lives. Until this happens, I want you to encourage the people to pray more, go to Confession more frequently, and make visits to My tabernacle in Adoration. By your example, you can help people to lead a good Christian life in following My Commandments. Once the Warning comes, the people will be so shaken by their sinful lives, that they will desire forgiveness of their sins in Confession. It will be at that time that those, who are away from Me, will be more open to your evangelization efforts. All the prayers that you have been praying for your family and friends will be most honored in their lifestyle conversions. More sinners will be saved, but still some will love their sins more than Me. In the end, it will be the people's free will decision to accept Me, that will determine their soul's destination either to heaven or hell."

Saturday, December 28, 2013

January 2, 2014
Saturday, December 28, 2013: (Holy Innocents)
Jesus said: "My people, St. Joseph was warned by an angel in a dream to take Me and My Blessed Mother to Egypt so Herod could not kill Me. I stayed there

until Herod died, and My family returned to Nazareth. These Holy Innocents were defenseless against the brutality of Herod's soldiers, who were ordered to kill all the infants up to two years of age. Today, in your abortion clinics you are seeing the same brutality of the doctors who crush the heads of the babies, and evacuate their little bodies from the womb. Abortion is one of the worst crimes that you could commit because I am in charge of who is born and when you die. When you kill these innocent and defenseless babies, you are denying My plan for each life that is taken. Once there is a conception, a soul is placed in that fertilized egg, and a guardian angel is assigned to that new life. When you abort a baby, the guardian angel of that life returns to heaven to give witness that a life has been aborted. It is these sins of abortion that weigh heavily against a nation that has laws or decisions that allow such killing. Woe to America for allowing and even advocating such crimes. Your country will pay dearly for the blood on your hands. Please pray for the stoppage of abortion and publicly protest this injustice. If you do nothing about this killing of babies, then your inaction will be condoning these crimes of murder."

Jesus said: "My people, I had a choice of how I would come and present Myself to the world. I could have come as royalty in a coach with much power and control, but I chose to come as a humble infant in a stable. I chose to focus on delivering My Gospel words of love, and proclaim that the Kingdom of God is at hand. I have power over the demons and the universe, which is why I cast out demons, healed people, and even calmed the storms at sea. I did not come to be served, but I came to serve sinners. I eventually, died to atone for your sins, and I offer everyone an opportunity to be saved in heaven. I do not force My love on you, but I desire you to love Me of your own free will. You have a choice of being with the love of your Savior forever, or you can be with the anger of the devil in the flames of hell where he hates you. Your soul will exist for all eternity, so choose your destination by your actions. If you love Me and desire heaven, then you will give yourself over to My Will, so you can do everything out of love for Me. I will see the sincerity of the intentions in your heart to know that you truly love Me. Reach out to your neighbors to bring them closer to Me, so they can be converted. My desire is to save all souls from hell."

Sunday, December 29, 2013: (Holy Family Sunday)

Jesus said: “My people, this day you honor My Holy Family, and you should see us as a model for all family households. The children should be brought up in an environment of love with a loving mother and a loving father. When you have divorce and co-habitation, the children are either missing a parent, or their parents are living in sin as a bad example. Even married couples need to avoid birth control, because every marriage act needs to be open to having children. Family planning of using infertile times, is allowed. When your society treats life as precious, then you would not have abortions. Families need to patch up any disagreements, so you do not live with endless grudges. Life is too short to not live in love of each other. When spouses work at good communications and love, then there will be less divorces. When the family comes to Sunday Mass, monthly Confession, and prays daily, then you are inviting Me to be a part of your family. Your Lord should be the most loved in all the world. When you pray every day, you are telling Me how much you love Me. The family should be the basic units of your society. The devil is constantly trying to break up families, especially through communism and socialism. Follow My ways instead of the ways of the world, and your families will be thriving in My love.”

Monday, December 30, 2013: (Mary Buechel Funeral Mass)
Mary said: “I am happy to see all of my family and friends who came to my funeral Mass. I thank everyone for helping me in my later years. I love all of you. As you heard from Father, I was always filled with the joy of the Holy Spirit. You know about our prayer group when we spoke in tongues. I also was happy in sharing our presentation on Garabandal, Spain. You are familiar with many of the words on the Warning and the Great Chastisement. I am in heaven already, and my relatives and Bill were there to greet me when I came. I was blessed to die on Christmas, when Our Blessed Mother takes souls to heaven. I will be praying for all of My family and friends, so you can be with me in heaven one day.”
Jesus said: “My people, this casket is a representation of how many people died from terrorist activities this year, either from AK-15 guns or bombs. This same kind of behavior will occur next year as well, because the one world people thrive on instilling fear in the people. Continuous terrorist attacks are one of the three means for initiating a national martial law. The other two are a crash of

your financial system, and a pandemic virus in the chemtrails. Perpetrating these activities would be how the one world people plan to cause a takeover of America through martial law. During martial law the army or mercenary forces, will illegally takeover your government and your local police forces. This will be a dictatorial running of your country by the executive authority of the acting President through Executive Orders. This authority will be invoked by the acting President who will declare a state of martial law. He will have control over food, transportation, and the running of your country. Once such a martial law is invoked, the authorities will be eliminating all of those people who do not go along with the new world order, and those who do not take the chip in the body. This will be the time when My faithful will be called to come to My refuges for protection. These events will lead quickly into the declaration of the Antichrist in a world takeover. Your acting President will be replaced by the Antichrist's leaders. Fear not these evil ones because the reign of the Antichrist will be brief, when I will bring My victory over all the evil ones. My faithful will see their reward in My Era of Peace, and later in heaven."

January 2, 2014
Tuesday, December 31, 2013: (Vigil of the Solemnity of Mary)
Jesus said: "My people, My Blessed Mother had her greatest moment in giving birth to Me in Bethlehem. She also had an important moment in saying 'yes' to the Archangel Gabriel when she affirmed that she would be My mother. I had prepared her for that moment for many years, even when she was conceived without sin. The shepherds and the angels gave praise to Me as her Son. My Incarnation as a man is the beginning of man's salvation, once I was on the earth. My birth was quickly followed by persecution as Herod wanted to kill Me. An angel guided St. Joseph to take the Holy Family to Egypt, to protect My life from Herod, who killed the Holy Innocents of Bethlehem. Rejoice in My Blessed Mother's role of the Nativity Scene because she had to endure the hard travel. She is watching over all of you with her mantle of protection."
Jesus said: "My people, you will continue to see many weather related disasters, and some of them will be caused by the HAARP machine. The one world people know how much damage this microwave machine can cause with your weather and earthquakes. They will try to blame it on Me, but they know the real cause.

This is part of their plan to ruin your economy with one disaster after another, so they can precipitate a martial law. If martial law is declared, or chips in the body are mandated, these will be the events that will cause you to come to My refuges of protection. Have your things packed, so you can leave for My refuges on short notice. Those, who leave on time, will be protected. Those, who take too long to leave, could risk being captured by the men in black. This is why some will be martyred for their faith, while others will be safe at My refuges. Those, who are not prepared, may suffer the most for not listening to My words of warning."

January 15, 2014
Wednesday, January 1, 2014: (Solemnity of Mary)
The Blessed Mother said: "My dear children, today on my feast day, I am always bringing you to my Son, Jesus, even as you just celebrated His feast of Christmas. You are all starting a new year, and along with your secular resolutions, you could make some spiritual resolutions to improve your spiritual lives. Each year you should strive to do better than the last year. My Son and I need to depend on you prayer warriors for your daily prayers, and you need to make up any missed prayers the next day. All of us in heaven are watching all of your actions, so be good Christian examples for all of your family and friends. We love you so much, so trust in our help, even when you have difficulties."
Jesus said: "My people, there are many people who have predicted dates for the Warning experience, and they have all proven to be wrong. I have warned you about dates because events can be changed. I have told you that the Warning is close, but I have not given you a date or a year of its coming. Until I give you a confirmation by signs that it is in a given year, I do not want you to speak of a year of the Warning. I did tell you that the Ison comet was a sign of the Warning, but I did not confirm any date. There will be some great events in the sky on the day of the Warning. Until the Warning comes, I have advised people to come to frequent Confession so they do not face a vision of hell as their mini-judgment. Also, you need to have your preparations ready to leave for My refuges if your place is not a refuge. It is better to be prepared for the Warning than to be anxious about the date of the Warning. The Warning could change many lives, but it will come in My time."

January 15, 2014
Thursday, January 2, 2014: (St. Basil and St. Gregory)
Jesus said: “My people, I am showing you a vision of the catacombs in Rome because Christians will be seeking an underground church of secret services with a faithful priest. There is going to be a division in My Church between the true believers of My faithful remnant, and the lukewarm who will follow a schismatic church that teaches New Age. The schismatic church will worship things, and it will no longer worship Me. They will go along with the Antichrist, so leave any church that teaches Reiki and New Age teachings. They worship crystals and eastern transcendental meditation philosophies led by Satan. Because of this division in My Church, My faithful remnant will need prayer groups and Masses in the homes until the evil will force you to come to My refuges of protection. These will be at My Blessed Mother’s places of apparition, her shrines, My shrines, monasteries, and places of holy ground that worship Me in Adoration. All of My refuges will have Adoration chapels, and My angels will bring you daily Holy Communion if you do not have a priest. The time of the tribulation is coming with the brief reign of the Antichrist. My faithful will be protected by My angels at My refuges during this time. Be prepared to leave for My refuges when I warn you.”
Prayer Group:
Jesus said: “My people, some of you are putting away your Christmas decorations, while others are waiting until after My Epiphany. You still need to read about the Magi, who offered Me their kingly gifts. This later led to My travel to Egypt to avoid Herod trying to kill Me. The Christmas Season ends with My Baptism by St. John the Baptist in the Jordan River. This scene of My birth at Christmas truly should mean peace on earth to all of mankind. Give glory and praise to Me for My Father sent Me as the long awaited Redeemer to atone for your sins.”
Jesus said: “My people, the people of Rochester, N.Y. diocese are pleased to see a new bishop installed, as this ceremony will occur tomorrow on Jan. 3, 2014. You have been almost a year without a formal bishop, even though the Syracuse Bishop was watching over you temporarily. Many have been hoping to see some new changes, and you may have them.”
Jesus said: “My people, I mentioned before that you are going to see a more severe winter than you have had in the last few years. Now, you are seeing

almost a foot of snow in one day, and temperatures could go close to zero degrees F. When your schools and delivery trucks close down, you know it is a bad storm. Be prepared for more of the same weather. I will be available to help people in their prayer requests."

Jesus said: "My people, I know it is difficult for people to come to your prayer group when you have a snow advisory and the plows are having trouble keeping your roads and parking lots clear. It is important to make an attempt to keep praying, even despite any adversity. Your prayers are needed to offset the sins of the world. As you start seeing more persecution, you will see that the bad weather is the least of your problems. You will find division in My Church and persecution from your government. Trust in Me that I will have My angels protecting your bodies and your souls."

Jesus said: "My people, you have been told that two million people have signed up for their insurance, but there were thirty million who did not have coverage. This is again a poor start, but Obamacare is going to find it difficult to be fully implemented because of the waivers and postponements for some businesses. There have been many injustices and favoritism that have flawed this program that affects twenty per cent of your economy in the health field. Pray that people can find health insurance and a doctor at a truly affordable price."

Jesus said: "My son, you have been blessed with a wonderful mission of preparing the people for the end times, and the coming tribulation. It takes a lot of work to prepare the index, pictures, and proof reading for three months of My messages in your latest book. Be grateful for all of your electronic aids to get out the messages in your books, and on the internet. Many people have helped you to make this possible. Give thanks to them, and for My help in guiding you and protecting you."

Jesus said: "My people, many of your financial people are planning on another good year for the stock market. You may not realize it or not, but this latest bull market has survived because your Federal Reserve is flooding your markets with billions of dollars every month that have been created out of thin air for your bonds. Your economy is sitting on an artificial bubble that could burst whenever the one world people choose it to collapse. This artificial boom has been held up by cheap interest rates that cannot last for long. Look for some big changes in your markets, your currency, and many disasters that could affect your economy. Pray that your people will be able to find enough food and fresh water for what is needed."

January 15, 2014
Friday, January 3, 2014: (Holy Name of Jesus)
Jesus said: “My people, this vision of a door opening in a church, is a sign of fresh spiritual air coming into various parts of My Church. You have a new year, and some new spiritual leaders that could bring about some needed changes. Pray for your Pope, your bishops, and your priests to inspire them with courage to speak out in My Holy Name. You are celebrating your feast day for your parish, and you should keep praying that your church can stay open, even if you need to be clustered with another parish. Today, you are suffering from the cold, as there are many Catholics who are not coming to Sunday Mass because of their cold hearts. You need a revival in your churches to wake the people up to their spiritual obligations in following My Commandments. Pray for the lukewarm that they can be predisposed to My love and a desire to come back to church and My sacraments.”
Jesus said: “My people, many times you become distracted with your personal desires for material things and comforts. This is why you need to be faithful to your daily prayers, so you can remember to give Me some of your time each day. If you were truly close to Me, you would let Me lead you in everything that you do. You give Me your will in some things, but not everything. If you want to improve your spiritual life this year, you could start by letting Me take over more of your life in your daily activities. You will find that it is a joy to do the things that I want you to carry out. Sometimes I ask you to do things that may be out of your comfort zone, but this is how you grow in your faith in Me. Try to give Me more of your life, and you will see how much more you can accomplish for Me, and the souls that you help.”

January 15, 2014
Saturday, January 4, 2014: (St. Elizabeth Ann Seton)
Jesus said: “My people, I am showing you a strong contrast between your celebrations in church today, and the future underground church of tomorrow. I keep emphasizing this division in My Church between a schismatic church and My faithful remnant because this is coming sooner than you think. The evil ones are behind the scenes, as they are deceiving people with their various false

philosophies. There are Moslem influences and Masonic influences that are working to draw some church members into curious things away from My original teachings. These changes will be subtle at first, but very devious for those who are unsuspecting. I am warning My faithful not to be misled by supposed intelligent theologians, who are wolves in sheep's clothing. Keep with My traditions of My apostles, and leave any churches who teach Moslem or New Age philosophies. Eventually, you will have to go to an underground church in the homes. After the Warning, it will be more apparent to leave for My refuges for your physical and spiritual protection. You remember when I told you that the evil ones could even deceive some of My elect, so anticipate this division, and do not be deceived. Call on My help and My angels to recognize any false teachings with the discernment of the Holy Spirit."
Jesus said: "My people, not only did the early Christians hide in the catacombs, but they also buried the dead martyrs in three tiers on both sides of the walls. This was to give them an honorable grave without being eaten by animals. In the early centuries after My death, many Christians were killed for sport by the Romans. This vision is a sign that severe persecution of My faithful will occur as the evil ones will gain in power. Their power will be brief, but My faithful will be called to My refuges for their protection. If you are tested in your faith, you would rather die as a martyr, than deny Me to avoid death. Life on earth is less important than saving your soul. Call on Me to help you when you are tried in the tribulation. Have patience, and you will have your reward in My Era of Peace, and later in heaven."

January 15, 2014
Sunday, January 5, 2014: (Epiphany of the Lord)
Jesus said: "My people, this Sunday, you are celebrating My Epiphany as the Magi brought Me gifts of gold, frankincense, and myrrh. They followed My miraculous star from the East all the way to Bethlehem. They inquired from King Herod where the Infant King was to be born, and he told them the prophet spoke of Bethlehem. Later, this was the reason why King Herod killed the Holy Innocents in Bethlehem in an attempt to kill Me. You may not be following a star to find Me, but all of you will be seeking My Light when you come to Me in the Warning experience. You will be outside of your body and outside of time, when I will show all the people on earth their mini-judgment. This will be an

appropriate time when many souls will be converted to the faith, and they will be given a second chance to change their lives. This will be one of the main lights that you will see before I return to the earth."

January 15, 2014
Monday, January 6, 2014: (St. Andre Bessette)
Jesus said: "My people, in the days when I was on the earth, they did not have all the medical aids that you have today. So when the people saw some of My healing miracles of the sick people, word spread throughout the area, and many came to Me to be healed. I did heal many people, but in order to be healed, these people had to believe that I could heal them. In many cases I was concerned first with healing their souls before I healed their bodies. I would say to them: 'Thy sins are forgiven.' Some of the Jews criticized Me saying that only God could forgive sins. They did not realize it, but I am God the Son in their midst. I gave healing power to My apostles so they could heal people both in body and soul. Even at times I cast demons out of people to heal them. My apostles also were enabled to cast out demons. My faithful can pray deliverance prayers of St. Michael to help exorcize any demons connected to addictions. Even some of My messengers have been given healing gifts. Give praise and thanksgiving to Me for any physical or spiritual healing."
Jesus said: "My people, you have used your Adoration DVD several times because of the freezing and snowy weather. You have seen severe cold below zero, and fifteen inches of snow above your normal snowfall. Some people have been killed because of the weather, either from the cold, or in accidents on icy and snowy roads. Ice storms have also caused some deaths and power outages. You truly have been seeing one weather disaster after another. The one world people have been using the HAARP machine to cause worse storms than you are used to seeing. Another growing concern is a meltdown of the spent fuel rods at the Fukushima Nuclear plant in Japan that is continuing to send out clouds of radiation in the air and in the Pacific Ocean. There is no reasonable attempt being made to isolate these nuclear reactors in cement so the radiation could be reduced. By allowing this radiation to continue to pollute the air and water, people will be endangered with radiation sickness and cancers. Pray that people will be able to endure your storms, and that something can be done to limit this radiation."

January 15, 2014
Tuesday, January 7, 2014: (St. Raymond Penyafort)
Jesus said: “My people, you know how much I love My people in My Church. I have used the marriage of a man and a woman as the symbol for Me as the Groom and the Church is My Bride. In a proper marriage the husband and wife have a commitment of love for the rest of their lives together. It is a love that will survive the trials of life through sickness and financial hard times. It is a love dedicated to bringing up children in a loving environment. The children need to feel loved, protected, and taught the faith. The parents are responsible for the souls of their children, even after they leave the house. Call on My help during the hard times because I want to preserve the families from any divorce. When you pray together as a family, your love for Me will maintain the bond of love that will keep your family together. Have your home enshrined to My Sacred Heart to protect your home and family members. Preserve the sanctity of marriage between a man and a woman as a holy bond, and avoid living together in fornication or in same sex marriages.”
Jesus said: “My son, you will be traveling now to your meetings again, so remember to pray your St. Michael prayer of protection whether you are traveling by car or by airplane. You may even want to carry the long form of St. Michael’s prayer, and some blessed salt for added protection. You have seen more problems on your return trips, so remember to do the same prayers on your return as when you started out. Your weather should be warming up for your weekend, so you may not have as much cold as you have now. Pray for all travelers who have to bear the brunt of canceled flights, and all the snow and ice. Winter travel this year will be more of a struggle. I am watching out for your safety, because I know how much you want to carry out your mission of spreading My Word about the end times. Trust in Me in helping you with your talks.”

Wednesday, January 8, 2014

January 15, 2014
Wednesday, January 8, 2014:
Jesus said: “My people, you are hearing many cries for help from the homeless

people in your frigid temperatures. Even your shelters are over loaded with people looking for a warm place to stay. Those, who did not have a chance to donate to their food shelves last month, could make an attempt to help the poor this month. Even a smaller donation would be better than nothing. You give gifts to your family and friends, but when you give to the poor, you are helping Me in them. Pray for the poor also that they could keep warm and find food to eat. When you help the poor, you are storing up treasure in heaven. I thank all the people who remember to help the poor in any way possible."
Jesus said: "My people, with this latest cold spell, some people, may be using space heaters, kerosene heaters, or fireplaces. When you are burning fuels inside the house, people need to keep combustibles away from any heat source. It also would be good to open the door a little to let in some oxygen, and have a carbon monoxide detector to let you know if such levels get too high. In cold weather you need to keep well covered to avoid frostbite or excessive cold exposure to your skin. Some older people have been killed by cold exposure, or with carbon monoxide from space heaters. If you start feeling dizzy, it is time to get some fresh air. With proper care, you can handle cold weather safely. Pray that people can find warm shelters, and enough food and water to live."

Thursday, January 9, 2014

January 15, 2014
Thursday, January 9, 2014:
Jesus said: "My people, the people of Nazareth knew of Me when I lived there. They could not understand how I had the power to heal people as making the blind see, healing the lame, and even forgiving their sins. When I told them that I was fulfilling the prophet Isaiah's words in their hearing, they were at first joyful that I was among them. Later, when they realized that I was proclaiming Myself the Messiah, and God's Son, they tried to push Me over the cliff for blasphemy. But I walked through their midst because it was not My hour to die. My people are also invited to help the poor, the sick, and those in prison. In St. John's letter he stated that if you love Me, you must also love your brothers. These are the two Great Commandments to love God and love your neighbor. He said further that those, who hate their brother, are liars if they say that they love Me. Show your love for Me when you love your neighbor."
Prayer Group:
Jesus said: "My people, you currently are experiencing two kinds of radiation.

Once source is from a meltdown of the spent fuel rods at the destroyed Fukushima nuclear plant in Japan. You are seeing a lot of radiation being sent into the air and traveling in the water of the Pacific Ocean. It is already affecting the fish and whales in the ocean. The other radiation is the cosmic rays coming from some recent flares of the sun that are aimed directly at your planet. This radiation could upset communications, and it could affect satellites and the space station people. Many of you may have to start monitoring the radiation levels in the air, the snow, and your food."

Jesus said: "My people, your media has not alerted you to the radiation hazards of the Fukushima meltdowns. The amount of released radiation has already exceeded that released in Chernobyl. Now, the radiation is affecting all those who worked on this disaster, including your own first responders from America. It is hard to determine any danger limits because of so much disinformation from trusted sources who are supposed to be monitoring this radiation. It may require your own Geiger counter to test any radiation drifting over you in the air and in precipitation."

Jesus said: "My people, there are plans to place chips in the people as a part of the new Health Care law. The digitizing of medical records is getting ready to be used in the coming chips in the body. This is the mark of the beast that will be forced on your people so they will need it to buy and sell their food and water, but My faithful will not take it. I have warned My people not to take any chips in the body, even if they try to kill you for not using the chip. When chips in the body are made mandatory, then My faithful will need to seek My refuges to protect their bodies and souls."

Jesus said: "My people, this weekend you are seeing a much warmer forecast than the zero temperatures that you had over the last week. It is a welcome relief, but this is only temporary until the next cold wave arrives. This hot and cold weather is a sign of the lack of love for Me by the rest of your world. Pray that the people will warm their hearts to Me by looking to Me for their help in their recent weather trials."

Jesus said: "My people, you know that My Church teaches that couples, who live together in fornication, are committing mortal sins. Those, who are committing homosexual acts, are also committing mortal sins. Those married people, who are using birth control, other than Family Planning of infertile times, are also committing mortal sins. Many people are in denial of these teachings because it interferes with their lifestyles. Even if My Church is persecuted for maintaining its traditions, these acts are still mortal sins that

people will be held accountable for at their judgment. Many need My Warning to wake people up to the sins that are offending Me. These sexual sins should be confessed in Confession to purify souls, so they can be worthy to receive Me in Holy Communion."
Jesus said: "My people, I have told you that when the Antichrist comes, it will be necessary to come to My refuges of protection where My angels will defend you from the evil ones. Preparing refuges to supply bedding, shelter, and food for My faithful is a large undertaking that takes courage and a 'yes' to My call. My refuge builders should be helped by those who come, by performing communal duties for the survival of the people who are at the refuges. Those, who are led by their angels to My refuges, need to work and pray so everyone does their part. Pray for the success of My refuges in feeding and housing My faithful, as My angels will protect you and multiply your food and fuels."
Jesus said: "My people, you will see persecution within My own Church when there will be a schismatic church opposing My faithful remnant. Avoid any churches that teach New Age or occult things that could lead you away from Me. My remnant church will start in the homes, and they will eventually come to My refuges. Pray for discernment so you are not misled from the teachings of My apostles."

January 15, 2014
Saturday, January 11, 2014: (31st anniversary of David's death, my son)
Jesus said: "My people, I sent St. John the Baptist before Me as a herald in the desert of My coming in the Kingdom of God. St. John truly was My best man, and I am the Bridegroom for My Bride the Church. In the Gospel St. John was admitting that I must increase in importance as he must decrease. This can also be applied to all of My faithful in their spiritual lives. In order for My children to come to heaven, you must perfect your lives so I am the only One of importance in your life. All of you are in spiritual progress toward becoming a saint. In order to achieve this perfection, you must give up your entire will over to My Divine Will. This is not easy for man in all of his weaknesses inherited from Adam's original sin. This is why your will must decrease, and My Will must increase as you progress on your journey to perfection. This is not achieved all at once, but by My grace through My sacraments, you can gradually grow in holiness so you

can have your reward in heaven. Do not criticize others in their faith because you all are at different stages of progress on your way to being perfected for Me."
David said: "I want to say hello to my sisters because I am your only brother. Just as you keep my picture on your dresser, I want you to make three copies so you can give my picture to them to remember me. Give them all a copy of this message as well. I love all of my family members so much. I was not with you very long, but I want you to know that I am praying for all of you, and I watch out for you from heaven. I also am praying for Jocelyn to have a safe delivery. You have called on me to help women to have children, but you can also call on me to help you with safe travel along with St. Michael the Archangel. I love it when you remember me in your prayers at the Consecration of all of your Masses. Keep remembering that you all have a saint in heaven that you can pray to, and you have my undivided attention."

Sunday, January 12, 2014

January 15, 2014
Sunday, January 12, 2014:
Jesus said: "My people, today you celebrate My Baptism in the Jordan River by St. John the Baptist. After I emerged from the water, you heard of the Holy Trinity's Presence in God the Holy Spirit in the form of a dove, in God the Son of Me as a man, and in God the Father in the voice that said: 'This is My beloved Son, in whom I am well pleased.' This is My example in Baptism that I invite all of My people to enter into My Holy Family so they can be forgiven original sin or any other actual sin. Those, who are baptized in faith, are priest, king, and prophet. You receive My love and My grace, but it is not meant to be kept to yourself. You are called to be evangelists of My Word, to go out to all the nations and share your faith with others. I call all souls to be converted to the faith in Me, and I want to save all souls from hell, so you can be with Me in heaven. For you parents with children, it is your obligation to have your children baptized and brought into the faith. You also should have them taught the faith so they know that they are here to know, love, and serve Me. Be a good example to your children by bringing them to Sunday Mass and to Confession at least once a month. Teach your children how to pray the Our Father, Hail Mary, and Glory Be so they can pray My Blessed Mother's rosary every day. By helping your children and sharing your faith with others, you will receive your reward

with Me in heaven for all eternity."
Jesus said: "My people, the one world people are trying to cause dissension between the middle class and the poor. The Republicans will not vote for new taxes, so the Democrats will force new taxes on the middle class in the name of Health Care. The Democrats are forcing the middle class to pay for all the new uninsured poor people's health insurance. They are purposely trying to create class warfare for a takeover. The implementation of Obamacare will cause more trillions of dollars in debt to pay for insurance coverage that is not needed. Once the people know how much more they will pay in premiums for less coverage, there is going to be an outrage, especially when Congress, unions, and other rich people will get waivers so they will not pay for their health insurance. Until your President is removed, it will be hard to get rid of your health insurance theft. You could even see riots and a revolution over the excessive premiums forced on the middle class. If the voting for Congress people and Senators is manipulated again in the 2014 election , this will be a further reason for resistance to your government. I have told you that there will be injustices that may not be overturned until My return. Be prepared for a major event that could force My faithful to come to My refuges of protection. Pray for My help to endure the coming tribulation."

Monday, January 13, 2014

January 15, 2014
Monday, January 13, 2014: (St. Hilary)
Jesus said: "My people, in the Gospel it spoke of putting a light on a lamp stand for all to have light in the house. You are also seeing the Light that comes from Me, as I rose from the tomb in My Resurrection. This is the Light of My glorified Body, as I promised all of My faithful who will also be resurrected in their glorified bodies on the last day. When you receive Me in Holy Communion, you are receiving My very Body and Blood, and I bring My Light and grace into your souls. I want you to guard this Light of peace, and carry My Light of faith out to all the nations. By living a holy life, you can bring My Light into your soul, and your good deeds can give a good example to everyone. By sharing your faith in deed and word, you can enkindle a Light of faith in many souls, so they can be joined with My Holy Church. I desire to save all souls from hell, so I am calling all of My faithful to reach out to save as many souls as you can with My help. I love all of you so much, and I want you to love Me and your

neighbor as yourself."
Jesus said: "My people, I have told you in the past that one of the tricks of the one world people to control you, is to find a way to turn off your electricity. If the one world people suspect that the people are forming a backlash against Obamacare, they could stifle your resistance by cutting some or all of your electricity. When you are freezing in the winter in finding fuel for heat, or searching for water and food, it would be hard to resist the authorities while you are in need of the basic necessities. This tactic will not affect My people at My refuges, because most of them will not use electricity. I am just warning My faithful to have alternative means of heating, and to store food, water, and oil for lighting. Some may even need these things if you see power outages from ice storms or high winds. The one world people will not stop at anything that will allow them to control the people, as with mandatory chips in the body, and forced power outages. Pray for My help to survive the evil persecution that will be coming against My faithful remnant."

Tuesday, January 14, 2014

January 15, 2014
Tuesday, January 14, 2014:
Jesus said: "My people, in today's Gospel you even see the demons claiming that I am the Holy One of God. Even though the Jews did not understand that I could be the Son of God, they could hear the demons proclaim it. Because I am God, I did have the power to cast out the demons with authority. I spoke with authority as well, and the people realized by My miracles that I was more than just a scribe or a prophet. I did not claim any political authority, as conquering the Romans, but I came to share the Father's Word, and to die for your sins. My people of today need to stand up and fight the evil ways and laws of your society. You will be persecuted as I was, but you need to witness to your faith in Me, and work to evangelize souls to the faith. This month you will be protesting abortion on the anniversary (Jan. 22) of your Row vs. Wade decision that legalized abortion in America. You can pray for the stoppage of abortion and protest in front of your abortion clinics. If you do nothing, you will be condoning this evil which your country will pay dearly."
Jesus said: "My people, My places of refuge may not be the best looking buildings, but it is My angel protection that will defend you from the evil ones. My angels are five stories tall, and they will put up an invisible shield around

you that will protect you from bombs or any weaponry. You also will have My luminous cross which will heal you of any ailment when you look upon it. My refuges will offer you shelter, bedding, food, and water. You will only be there for a short time when I will bring My victory over the evil ones. Once I bring My Comet of Chastisement upon the world, I will protect My faithful from being killed, as I will cast the evil ones into hell. I will then bring you into My Era of Peace as a reward for your obedience to My Word. Have patience to endure this time of tribulation, as I will come to cleanse the earth of all evil. My message is one of hope, despite the power of the evil ones that I will overcome."

Wednesday, January 15, 2014

January 29, 2014
Wednesday, January 15, 2014:
Jesus said: "My people, I called Samuel as a prophet for the people of Israel. Throughout the ages, I have brought up many prophets to guide the people, and keep their obedience to My Commandments. You, My son, have also been called to witness My Word to the people, so you can prepare them for the coming evil of the tribulation. I have also given you messages about My refuges so the faithful will have a place of protection from the evil ones. These messages are difficult because they ask people to prepare food and fuel for your disasters. Coming to My refuges will be hard for people to leave their comfortable homes and possessions behind in order to live a rustic life in total trust of Me to provide for their needs. I have also warned people not to take the flu shots or any chips in the body. Those, who do not take the chip in the body, could be martyred, if they do not leave in time for My refuges when I warn them. People, who take such a chip in the body, will be controlled by voices like a robot. So refuse to take any chip in the body, even if they threaten to kill you. My Warning is coming soon to wake people up to seeking My forgiveness of their sins, and to prepare them to come to My refuges. My son, you need to keep evangelizing souls, and continue to share My messages of hope in how the people could be saved and protected by My angels if they are converted to following Me."
Jesus said: "My people, you have an expression of some home owners who were 'under water' on their mortgages. This means when you had a bubble collapse in your high priced houses, that the value of the houses lost 30-50% of their value, while the mortgages were higher than the current value. This same analogy will hold when your stock market bubble will also burst, and people could lose 30-

50% of their stock prices. The gold will retain its value, but your government could outlaw gold ownership as in World War II, so it does not interfere with making people poor and subservient to the one world masters. You could even see a new currency or digital money used for buying and selling that could be controlled by a chip in the body. This mark of the beast will be forced on the people, or you could not buy food. Refuse to take any mandatory chip in the body, because this will be a sign that it is time to come to My refuges of protection. At My refuges you will be protected by My angels, and you will have food, water, bedding, and shelter. Have your backpacks or roller boards packed with some immediate needs as food, water, and clothing. Sleeping blankets and tents will also be needed. Have your spiritual things ready also as rosaries, scapulars, Bibles, and Blessed salt. Frequent Confession can also keep your soul pure for the coming Warning. You can sense some changes in your weather and in world politics. The one world people are preparing for martial law, so be ready to leave for My refuges at a moment's notice."

Thursday, January 16, 2014

January 29, 2014
Thursday, January 16, 2014:
Jesus said: "My people, the Israelites did not always win every battle with their enemies, as in today's reading. They were defeated, even with the Ark of the Covenant. When the Israelites worshiped other gods, they were taken over as in the Babylonian Exile. This is the same sign for America as in the Harbinger book. America has suffered a defeat on 9-11-01 and in the 2008 crash, and still you are not repenting of your abortions and your sexual sins. America could fall to its enemies in the one world people because your people are worshiping the gods of money and pleasure, just as Israel did. You are in a battle of good and evil, but there are not many people praying to atone for your sins, or fighting abortion. I allowed Israel to be taken over, just as America will also lose its freedom for the same reasons. Your Lord should be the only One that you should worship. You can fight the good fight on a personal level by your prayers and good deeds. You may see evil winning some battles now, but remain faithful to Me, and you will see all of the evil ones cast into hell when I will bring My victory. Even when you need to come to My refuges, you will see My angels fight to protect you from the evil ones. Trust in Me and you will have your reward in My Era of Peace, and later in heaven."

Prayer Group:
Jesus said: “My people, you have people running your country from an ivory tower with regulations from your EPA that could shut down much of your electricity. I have warned you of power outages from ice storms and high winds. Now, you could be in the dark because of arbitrary regulations that could shut down 40% of your electricity produced by coal. Solar, wind, and other ‘green’ sources cannot provide enough energy to make up for that produced by coal. Natural gas can change some plants, but not all of them. Any changeover could cost a huge increase in bills to your consumers. It is time that your Congress fought back against your regulations that are choking your economy. Your people need to raise their voices for the preservation of their infrastructures.”
Jesus said: “My people, your current Health Plan is anything but affordable, especially for those who are paying the higher premiums. The rich and the people on welfare are not paying much, if anything. It is hard to ask your people to pay for everyone’s health care. Even your computer programs are not secure against hackers, and they do not connect people with insurance companies to pay their premiums. Finding enough money and doctors to continue this program will be a long term problem.”
Jesus said: “My people, you have allowed your corporations to export most of your manufacturing jobs over to cheap labor in China. You are not allowing your own companies to compete on a fair playing field. You give corporate welfare to foreign companies to build things in America without taxes that your domestic corporations must pay. If the incentives are not changed, your children will be living in a third world country. Wake up to how your corporations are raping your workers for obscene profits in supporting slave labor in China.”
Jesus said: “My people, abortion is the worst sin that is bringing down your country. You have the blood of millions of babies on your hands, only for convenience and some financial comforts. The doctors, who make a profit on killing My babies, are the most to blame for desiring their blood money. The mothers, who are killing their children, also will have to pay dearly for their crimes. Stand up for life because your society will continue to decrease in your population as a result of your abortions. Without enough children, who will pay your benefits and taxes?”
Jesus said: “My people, when your Federal Reserve cuts back on the billions of dollars it is putting into your economy, your stock prices will retreat rather quickly. You cannot keep overspending your government budgets, when you rely on the Federal Reserve and China to buy your bonds. Once your deficits exceed

your GDP, you will be no better than Greece as a bad credit risk. When your credit rating drops, you will be paying more interest for your huge debt. Pray that your leaders could cut your overspending, or you could be headed for bankruptcy."
Jesus said: "My people, you are back into Ordinary Time until you come to your next Season of Lent. I have encouraged you to make some time for Me in your daily prayer life. You could also do some fasting to help restrain your bodily desires, even before Lent. You do extra penances during Lent that you could even perform before Lent begins. When you make sacrifices without being asked or forced, you will gain more spiritual graces. Offer up all of your pains and trials for souls who need conversion, and for the souls in purgatory."
Jesus said: "My people, I know many people are strapped with many expenses of life in order to survive in their households. Still the poor have it harder to obtain food and keep warm in a cold winter. You may not be able to afford large amounts of money to help the poor, but you could find it in your heart to share some money, clothing, and food for the poor. Those, who have larger incomes, could cut back on their frivolous spending, so they could give an extra donation to your local food shelves. When you share with the poor, you will have treasure stored up in heaven for your judgment."

Friday, January 17, 2014: (St. Anthony in the desert)
Jesus said: "My people, today's St. Anthony took My words to heart about trying to be perfect. He gave up his possessions, and he became a father of monasticism in his life in the desert. He sought Me in the quiet of the desert, even as I escaped into the mountains to be close to My Father in heaven. I told the rich man in the Gospel to sell all of his possessions and follow Me, if he wanted to search for perfection. He went away sad, because he did not want to give up his money and possessions. So it is with My faithful that you should not let money and possessions so control you, that you care more for them, than for My mission that I have for you. By being open to prayer and doing what I desire of you, you can keep close to Me in love and bring other souls to love Me. It is this detachment from worldly things that can be a problem for people to enhance their spiritual lives. Keep your focus on Me daily, and I will see to all of your earthly needs."

Jesus said: “My people, the one world people are running out of time, so they need to pull off a big event that would kill a lot of people, and give them a reason to call for martial law. They could shut down your electric grid with an EMP attack in various cities, or have hackers shut down your systems via computer, or just have people turn off the switches. In the winter this could kill people with cold exposure, and stop the food trucks from making their deliveries because fuel could not be pumped. Another means is to cause a large earthquake in the West or on the New Madrid fault. This could be done using the HAARP machine, and it could kill people and disrupt food distribution. A third means is to disperse a pandemic virus from the chemtrails that is contagious and deadly. This could kill a lot of people in a short time. A fourth means would be to cause another 2008 stock crash that could even be used to cause a new money that is digital and connected to chips in the body. You can see that the one world people have many ways to kill people, and cause a takeover with martial law. When any threats are made to your lives, I will warn My faithful when it is time to leave for My refuges. My angels will shield you from any powers of the evil ones, and they will guide you safely to My refuges. Know that I am more powerful than all of these evil ones, and I will bring My Warning and My victory to defeat all of their plans. Trust in Me to protect you throughout the tribulation.”

January 29, 2014
Saturday, January 18, 2014:
Jesus said: “My people, I called Levi, the tax collector, to follow Me, and later he was named Matthew. When I had dinner with him and his friends, some Pharisees criticized Me for eating with tax collectors and sinners. Then I told them that sick people need a doctor, and I came to heal sinners, and not the self-righteous. This is why I call sinners to come to Me for Confession, so I can forgive their sins and put My grace into their souls. In the parable of the Pharisee and the publican, the publican beat his breast and he said: ‘Forgive me Lord, for am a sinner.’ The Pharisee thanked Me for his possessions, and he was grateful that he was not a sinner like the publican. The publican went home justified in seeking My mercy and forgiveness. The Pharisee was too proud and received very little merit for his visit. You need to be humble, and do not think that you are better than anyone else, because you are all equal before Me.”

January 29, 2014
Sunday, January 19, 2014:
Jesus said: “My people, in the Gospel St. John the Baptist was calling Me the ‘Lamb of God’ or the Messiah, because he was told that the one whom the Holy Spirit descends on, is the Son of God. I came to the earth by an Incarnation of God and man, so I could sacrifice My life as an unblemished lamb for all of your sins. I came to save souls out of love for man, but you need to accept My love in order to come into heaven. Only those souls, who come through Me, will be allowed into heaven. Be aware of false religions that try to deceive you, because they are led by Satan to distract you. You need to prepare yourself with the truth of My Gospel, and know your faith to defend it from the deceivers, who twist words to mislead you. Converting unbelievers is one thing, but you also need to reach out and bring back the lukewarm, who are the lost sheep. These are the ones who I went out to find, while I left the ninety-nine in the desert. Help your family members, and do not let them be deceived by the wolves in sheep’s clothing.”
Jesus said: “My people, I have told you to prepare some food in storage for a coming world famine. You are about to see some bad growing conditions for your farmers, and there will be rationing of food. It will also be hard to buy food, because you will need chips in the body in order to buy it. There will be enough food in some areas, but without a chip in the body, it will only be obtained on the black market or at My refuges. You will see chaos and stealing of food when people are desperate and hungry. You could order some MREs for a while because these meals are easier to store and eat with little preparation. Soon this supply will run out, and it will be hard to find food. Once people start killing others for food, this will be the time to come to My refuges. Your food will be multiplied at My refuges so all of My faithful will have enough to eat. Be thankful that you are warned ahead of this famine because some people could die of starvation. Refuse to take any chips in the body, even if it threatens your survival. Call on Me to have your guardian angels lead you to My refuges so you will not starve.”

January 29, 2014

Monday, January 20, 2014: (St. Sebastian & St. Fabian)
Jesus said: “My people, I know most people would find it hard to live a monastic life, but obedience to Me in carrying out your mission, is how I call everyone. You all have been given particular talents, and it is part of your responsibility to use your talents to bring yourself and others to your reward in heaven. The subject of the Gospel is on fasting which can help both your body and your spiritual life. By self-denial of the goods and pleasures of this life,you can strengthen your faith against the devil’s temptations. You can also use prayer and fasting to help others in their spiritual lives to overcome any addictions. By being obedient to My Commandments, and using your prayer and fasting, you can be on the right path to heaven.”
Jesus said: “My people, many Catholics today do not have a full appreciation of how much the early Christians had to suffer in fear of being martyred for their belief in Me. All of these martyrs became instant saints, even if they were not canonized by My Church. Many Catholics are not threatened with martyrdom, which is why some are getting too lazy and lukewarm. If you are Catholic, you need to show it in your actions, by coming to Sunday Mass and monthly Confession, along with daily prayer. A time is coming again when My people will be persecuted for believing in Me. So keep strong in your faith, and do not let any false religions mislead you.”

Tuesday, January 21, 2014: (St. Agnes)
Jesus said: “My people, from the first reading you have seen how I had My prophet Samuel anoint Saul and then David. There were seven sons of Jesse, but I looked into the heart of David for the one that I wanted to lead Israel. Even when I call people to do certain missions, I also look into the hearts of those that I choose to lead My people by My Word. In the Gospel reading I told the people, who criticized My apostles, that I was even Lord of the Sabbath. (Mark 3:27,28) ‘The Sabbath was made for man, and not man for the Sabbath.’ My people should be following the spirit of the Law because they love Me and their neighbors. If you have love for Me in your heart, then you will follow My Commandments because you do not want to offend Me. If you had perfect love, you would not even need My Commandments. As it is though, you are weak to

sin by nature of Adam's sin. Until you are perfected, you need to follow My Commandments as guidelines in how to live your lives. It is the spirit of the Law in love that is more important than the Law itself. Follow Me in love, and you will be on the right path to heaven."
(John Foley funeral Mass)Jesus said: "My dear Barbara, I want to console you for the loss of your husband, as I know how much you loved him. He was suffering in the nursing home for some years, and you were dedicated to stand by him. Your family will help you get through this loss as they loved him as well. His life was a gift to support his family and the many churches and needed buildings that helped people and provided a place for worshiping Me. God bless him for all his care for the people. He will be purified for a short time in purgatory because his illness atoned for some of his sins. A few Masses could bring him to heaven. John loves you Barbara, and all the family. He will be praying and watching out for all of you."

January 29, 2014
Wednesday, January 22, 2014: (Roe vs. Wade abortion decision ann)
Jesus said: "My people, you are seeing in the vision how the souls of the dead babies and their angels are going up to heaven. These abortions are a major crime, that you are refusing My gifts of life to you in these aborted babies, just for your pleasures and convenience. The marriage act was meant to produce children, but you are aborting My gifts of life, and denying these babies of their intended missions to contribute to your society. Instead, you have less children, and less workers to pay your benefits in taxes. It is the evil in your court decision that has made it legal to murder your children, which is the worst abuse that you could do. This irresponsible society of yours is killing its children, and this blood on your hands will not be washed away. These crimes of abortion are against My Fifth Commandment of Thou shalt not kill. It is not a right to kill the unborn, but it is an abomination that your country will pay for dearly. Keep praying for the stoppage of abortion, and protest this grisly decision that allows the killing of My babies."
Jesus said: "My people, when you give witness to Catholics or other denominations, you need to focus on Me as the Second Person of the Blessed Trinity. You believe in faith about the Trinity of God the Father, God the Son, and God the Holy Spirit as three Persons in one God. This is a mystery to man,

but I am emphasizing Our oneness in three Persons, because every time you receive Me in Holy Communion, you receive the Blessed Trinity as well. We cannot be separated. Where I am, the Father and the Holy Spirit are there also. This miracle of the Eucharist and the physical blood, is to remind everyone that I am truly Present in My Body and Blood in every consecrated Host. You also need to receive Me with a pure soul without mortal sin. My Real Presence occurs when the priest consecrates the Host, and the bread is transubstantiated into My Body and Blood. This change is also accepted in faith, and the miracles of My Eucharist are a proof to non-believers. Give praise and glory to Me at Adoration, and give Me thanks for My gift of Myself to you in every Holy Communion."

January 29, 2014
Thursday, January 23, 2014: (St. Vincent)
Jesus said: "My people, this darkness is how the devil tries to discourage you with despair and depression over the things in your life. But you have My grace and joy in My Light to overcome this darkness of evil. My faithful need to be beacons of Light and hope to inspire the rest of your people. Even if you see disasters and harsh weather, you need to work together with your neighbors for your mutual survival. When you work together with love to help each other, this is how I want you to live, without selfishness, greed, stealing, or laziness in carrying your own weight. Just like in the first reading of Saul's anger toward David's success, do not be full of anger, pride, or jealousy over people who are doing better than you are. Love everyone for who they are, without regard for their status level. You all are at different levels financially and spiritually, but do not let the evil ones divide you with their push for class warfare. Work with each other in love, whether you are rich or poor. By encouraging My love and cooperation, your society would be focused on a much better outlook, instead of trying to compete with each other. I am love, and I bring you My Light of love to disperse the darkness of evil and hate."
Prayer Group:
Jesus said: "My people, beware of those people who want to hypnotize you for any reason. This is just another portal that demons can come through into your body. This will be the same effect that chips in the body will control you by voices, and the evil ones will control your free will. Refuse to take any chips in

the body for any reason. Even after the Warning, you should remove all TVs and computers from your homes, as well as any electronic devices connected to the internet. The Antichrist will have his face on the TV, and he could hypnotize people to worship him through his eyes. Do not let anything control you as addictions, which have demons attached to them."

Jesus said: "My people, your transportation by truck, car, railroad, planes, and ships are how you receive your food and your fuels. In this time of frigid cold, it is taking more fuel to heat your homes and businesses. If your fuels cannot be found, or your electricity stops, you could be in great duress if you do not have alternative heating means as wood, kerosene, natural gas, or propane. Even if you are struck by a local EMP attack, it would take years to build new transformers to power your grid. At My refuges I will multiply the fuels for My faithful, so they could survive independently."

Jesus said: "My people, it is ironic how you are seeing record cold temperatures, while your leaders are accepting global warming plans that may not be needed. Many of your President's plans to eliminate coal plants may come back to ruin him, when 40% of your electricity comes from coal. If you stop coal, its makes no sense, since all the other countries are using it. Stopping coal will reduce your jobs, and cause a disastrous shortage of electricity, because there are not enough energy sources to replace coal. Before making drastic choices, your President should look at the consequences of his edicts."

Jesus said: "My people, this vision of light shining underneath a door, represents the coming Warning which is at the door. The Warning will be a blessing to sinners, so they can wake up to seeing the consequences of their actions. All of those sinners, who do not believe in hell's existence, will have a reality check if they are judged to hell in their mini-judgment. After your judgment, souls will have a taste of their destination. Your souls are immortal, meaning they will not die as your body will. If you do not change your evil lifestyle, your souls could suffer in the flames of hell for all eternity. Choose life and keep close to Me, so you can have eternal joy with Me in heaven."

Jesus said: "My people, the angels had to choose between serving Me or serving Satan. Satan and I will claim souls for ourselves at the final judgment. You would much rather be with My love in heaven, than be with the hate of Satan in the eternal flames of hell. I do not force people to love Me, but those people, who reject Me, will suffer the consequences forever in the flames of hell. Wake up to the reality of your final destination and choose life with Me."

Jesus said: "My people, you have some new leadership in your diocese, when

your newly installed bishop was leading your protest of abortion in Washington, D.C. This Right to Life protest of abortions is how My faithful should stand up against the evil court decision that has allowed the killing of My babies in America. Your country will suffer much for all these crimes of killing your children. How depraved can a country get, when it kills its own babies in the womb. You should be ashamed to live under your rulers who are dictating this death culture of abortion, euthanasia, and wars."
Jesus said: "My people, I have told you before that if you do not stop your abortions, that I will find a way to stop it in a way that you do not want to know. The coming tribulation will be a punishment for all your abortions and sinful lifestyles. My faithful will be protected at My refuges, but the rest will suffer martyrdom or enslavement to the evil ones. Evil may be appearing to win for a brief time, but in the end, My victory will send all of the evil people and demons to hell. See the writing on the wall for all of those people who are rejecting Me, because there will be wailing and gnashing of teeth when they will suffer eternal hellfire. Remember Stanley's comment to those who do not believe in hell. You will know when you go there."

January 29, 2014
Friday, January 24, 2014: (St. Francis de Sales)
Jesus said: "My people, I am showing you people being baptized because Baptism is necessary to join My Church, and have original sin cleansed from their souls. Even those people, who have been baptized, can fall away from their faith. It is these lukewarm souls who also need to be awakened from their spiritual laziness, and come to be with Me in love. Those, who refuse to accept Me into their lives, are risking the loss of their soul to the world and Satan. Prayer warriors in the family need to encourage your family members to come to Mass on Sunday so they can receive My spiritual food and strength to endure the devil's temptations. There is a cost to being one of My disciples, and it will mean giving up sinful pleasures so you can abide by My Commandments. Those, who are faithful to Me in this life, will receive their reward in heaven. Come to Me with all of your burdens, and I will give you the peace that your soul has been searching for."
Jesus said: "My people, it is good to take some time to walk about nature in the woods so you could get close to the peace of the animals. When you go for a

quiet walk, it gives you a chance to withdraw from the noise of the world, so you could admire My creation and dwell on where you are in your spiritual life. When you visit a monastery, you can also have a small taste of the life of the monks, and how they live in their spiritual discipline. When you are immersed in the daily noise of your music and work time, it is hard to concentrate on your prayers and how much you love Me. It is when you take a few quiet moments with Me in prayer, that you can put your life into perspective of why you are here on earth, and what your mission is for Me. Without a good prayer life in some quiet time, it is hard to detach yourself from worldly concerns, and focus more on heavenly thoughts about Me. I should be your eternal destination in heaven, and your hours of Adoration are preparing you to worship and adore Me in heaven. Remember to make time for Me every day so you can keep close to the God who made you and loves you. Show Me your love in your prayers and good deeds, and you will have your reward in heaven."

January 29, 2014
Saturday, January 25, 2014: (The Conversion of St. Paul)
Jesus said: "My people, the conversion of Saul to St. Paul was very dramatic in how My Light blinded Saul, and his sight had to be restored later. I spoke to him personally, and he agreed to be My disciple. He became one of My most ambitious missionaries, especially for the Gentiles. Not everyone is converted with such a display of My love and power. But the Warning is coming when there will be more conversions, and they will see My Light, their life review, and their mini-judgment. This will be a spiritual wake-up call for many sinners. They will see where their lives are headed, if they do not change their lives. The Warning will give people a second chance to change their lifestyle. I will show people their unforgiven sins, and how much their sins are offending Me. You will see a review of your life from the perspective of others and from My viewpoint. After the Warning many souls will desire Confession, and they will be more open to conversion of their lives. The Warning will be a blessing, and an answer to your prayers for those members of your family who have fallen away from their original faith. I will not force people to love and accept Me, but some will change their lives for the better. Not all of the people will change, since some will love their pleasures and possessions more than Me. Every soul who converts from his or her way of sin to My way of faith and love, will be a cause

for joy and celebration in heaven."

January 29, 2014
Sunday, January 26, 2014: (Camille Remacle's birthday)
Camille said: "Hello, John, I am happy to see you again, and I want to thank you, Carol, and Sharon for taking good care of Lydia at your home. I am still praying for Vic and his problems. I mentioned before that I want our family to get back to church in preparation for the coming Warning. I did see hell when I was dead for two minutes, before the doctors revived me. I do not want any family members to experience what I saw, because I did not show the Lord enough love and attention. The Lord does not want people to ignore Him. Those, who do, are the lukewarm who are risking hell. Some people, like Vic, are going to need the Warning to wake them up. I pray that your prayers and evangelization efforts can save his soul. Your prayers saved me, and they can save the other family members who are not coming to Sunday Mass and Confession. I am watching out for all of you, and I love you all very much, especially Lydia."
Jesus said: "My son, today is a true homecoming day when I gave you an opportunity to greet your parents and many of your deceased relatives. I have told you before that all of us in heaven are watching all of you, and you need to be on your good behavior. Your deceased family is encouraging you in your mission, especially in praying the long St. Michael prayer as a deliverance of your family members who are away from Me. Continue these prayers for their souls as often as you can. These exorcism prayers are powerful, and it can release your family members from their demons. Other families can do likewise in breaking any generational sin or demon control for their members. All people need to make a choice to love Me, or not. If you do not love Me, nor your neighbor, then you could be headed to hell. Hell is a real place of punishment for those souls who reject Me or ignore Me. Keep up your prayer barrage for all of your family members. If they are converted, like your wife's father, Camille, they will be most thankful for all of your efforts to save their souls."

January 29, 2014

Monday, January 27, 2014: (St. Angela Merici)
Jesus said: “My people, in the days of King David, you saw how he came to power, and in forty years his kingdom ended. This coming and going of civilizations has been seen throughout history. America has lasted over 235 years and there are signs of its collapse with greed, power, and corruption attacking your roots. It is your sins of abortion and your sexual sins that are bringing down your country. The one world people have so controlled your government and its debts, that it is just a matter of time before they will have a takeover. This takeover will be a punishment for America in disobeying My Commandments, and for electing poor leaders who are taking away your freedoms with a dictatorial power. It takes too much money to try to win the Presidency or any other Congressional office. This is why the rich one world people can control your leaders because these leaders obey their sponsors more than the people. Just as Israel went into exile for its sins, so America is following the same path. Be prepared to come to My refuges when your authorities threaten your lives in a martial law takeover.”
Jesus said: “My people, these people in the vision were building an underground home for hiding. In the early days of Christianity, the faithful had to hide in the catacombs as an underground church. The persecution of Christians is getting worse, but in America you still have freedom of religion. A time is coming when My faithful will need to form an underground church. You will see a persecution from within My Church and from your government. There will be a division in My Church between My faithful remnant and a schismatic church. This schismatic church will teach New Age and heretical doctrines which will be obvious to the people. You will need to pray to the Holy Spirit for discernment so you are not misled. Be prepared to either build a refuge of safety, or go to a refuge where My angels will protect you from the demons. You will need to leave your homes for an underground church where you will have daily Holy Communion and a safe place to stay. Give thanks and praise to Me for calling people to set up refuges to protect your souls and bodies during the tribulation.”

January 29, 2014
Tuesday, January 28, 2014: (St. Thomas Aquinas)
Jesus said: “My people, you already know that China is supplying a lot of the world’s goods because of its cheap labor. Now, its technical competence is

revealing its expansion in space exploration and a growing influence in its military capability on land and sea. You have already seen how it is challenging Japan and America for various islands in the China Sea. America's economic influence is waning in the face of China's economy that is growing at a faster rate than your country. China is already challenging the dollar as the international currency by trading without using the dollar. With America's growing debt, you can no longer rely on China and other countries to buy your Treasury Notes. You also cannot rely on your Federal Reserve to keep printing more bonds to pay for your deficits. This means that America needs to limit its deficits with no one to finance it. This is why you are seeing a battle over raising your debt limit. America will need to live within its means, even if your welfare state has to be curtailed, or you will go bankrupt. It is not about transferring more wealth to the poor, but it is time that your people started helping themselves, instead of expecting handouts from your taxpayers. You could help your country's jobs by restricting your corporations from exporting your jobs to China."

Jesus said: "My people, your President and your Congress are leading your country into self-destruction. Your sins of abortion and homosexual marriages are enough to condemn you, as I destroyed Sodom and Gomorrah for less. You have been given a grace to change your life and repent, but instead your people are getting worse. Your punishment will be a takeover by the one world people. I will give all sinners one last chance to change their sinful lives when all of the people in the world will experience My Warning at the same time. After your life review and your mini-judgment, you will see where you are headed. Some will experience what hell is like, and they could be evangelized. Others will see purgatory or heaven and be saved. Still others will refuse to change their lives because they worship their pleasures and possessions instead of Me. This means the majority of souls will be lost by their own choosing. For many are called, but few are chosen. Keep praying and evangelizing your own family members, or it may be too late, and they will be lost. All souls have to come through Me to gain heaven. All those people, who love Me and accept Me, will be saved, but the rest will be lost in hell. Choose life in heaven now, because hell will be your only other option."

End January 2014

February 2014

Wednesday, February 29, 2014

February 12, 2014
Wednesday, January 29, 2014:
Jesus said: “My people, in the Gospel I gave you the parable of the sower, and it was My Word that was sown in the hearts of the people. The lukewarm are like the seed planted on rocky ground that springs up but withers in the scorching sun for lack of roots. There are other souls that are distracted and worship other things as sports, money, and possessions, instead of Me. These souls are like the seeds among the thorns that are choked by the world. The seeds planted in good soil grew up and yielded fruit thirty, sixty, and a hundredfold. It is the responsibility of My faithful, who are planted in good soil, to bear much fruit with their good works. As you see these descriptions, you can decide which seed destination fits your life. My faithful need to work hard so you can evangelize the souls who have fallen away from Me. It is these spiritual conversions that will be a sign of your fruits. Strive to be the ones who bear fruit one hundredfold, as you also strive for the higher levels in heaven. Remember, people will see by your fruits how much you love Me, and how much you want to save souls.”
Jesus said: “My people, I have given you some words about your death: ‘You are not ready to live, until you are ready to die.’ What I mean is that you must love Me so much that you would be willing to die as a martyr than give up your faith in Me. Each day you should be prepared in your soul to die in your body. By frequent Confession, you will be able to meet Me at your judgment with a pure soul. In your life review when you die, I will show you each day of your life, and you will see how much you prayed to Me that day. I love you so much, and I want you to love Me, and show Me in your actions every day. I need My prayer warriors to help atone for the many sins in your country and the world by your prayers and good deeds. I thank you for praying the long form of St. Michael’s prayer for your family. This could help save the souls in your family that are away from Me. I wish all families would pray together. Then there would be more family unity and less divorce. Keep close to Me every day, and you will be ready to meet Me at your judgment.”

Thursday, January 30, 2014: (Mass for Jo Ann Stirpe)
Jesus said: “My people, you are seeing Me embracing Jo Ann when she came to heaven. She had a beautiful life of helping people until she had to deal with her cancer. Her husband and the family were with her until her death in caring for her. You are grieving her loss, but she is no longer in pain, and she is with her Lord.” Jo Ann said: “I thank all of you for coming to the Mass for my intention, especially Gina. I love all of my family, as you cared for me, and you had a beautiful service for my funeral. Remember me in your pictures, as I will be praying for all of you.”
Prayer Group:
Jesus said: “My people, this law that one party has forced on your people, has some features that deny your Constitutional rights. Everyone is forced to buy health insurance whether one can afford it or not. Some do not want to buy any insurance, but they are being forced to pay a penalty for not joining. You are being forced to buy more coverage than you want or need in a one size fits all mentality. This plan is ruining your good health insurance which you are not being allowed to keep, as it was a big lie from the beginning. This plan could ruin your economy before it could either be corrected or changed. Pray that changes could be made quickly to strike down these bad features.”
Jesus said: “My people, this threatening tone of your President to bypass Congress, is very much against your Constitutional separation of powers. By potentially overriding Congress, your President puts himself in a dictatorial position of going over the people to get his own way. Your people need to strengthen your laws to stop such Executive Orders that violate your Constitution. If he insists on breaking the law, then he should be liable for impeachment for abusing his authority. All regulations should have oversight protection by your Congress. Pray that your President does not carry out these threats.”
Jesus said: “My people, you have seen how ice storms and wind can take down your power lines to cause power outages. You can imagine how difficult it would be without heat and light in the deep cold temperatures that you have been enduring. You have seen hackers attack banks and stores to get access to people’s money. These same hackers or terrorists could attack your weak electrical grid to cause much damage to your economy. Pray that you could keep your heat and power, or you will need to rely on your backup heating with wood, kerosene, or other means as generators. By being prepared, you could keep warm in a cold winter.”

Jesus said: “My people, you have been reading about some ominous signs in the tetrads of the Jewish feast days in the next few years. This means the red or blood moons are coming on or near these feast days which has only occurred eight or a coming ninth time. There were significant events that happened to Israel when these tetrads occurred. You are seeing these signs of the end days as the tribulation draws near. I will protect My faithful at My refuges from all the evil designs of the one world people.”
Jesus said: “My people, the Federal Reserve central bankers have boosted your stock market over 30% by printing $85 billion/month and buying Treasury Notes and mortgages. As these purchases are reduced, there is a fear in how you are going to finance your interest on your National Debt. If interest rates rise back to normal, there would be an added increase in interest to pay on your debt. This could also trigger a recession when money is not as available to spend. Pray that your government will control its budget, or you could see a reduced credit rating or a bankruptcy.”
Jesus said: “My people, I have told you that your standard of living would decrease, and your average household income would decrease. Over the last ten years, the average household income has decreased from $55,000/year down to $50,000/year. Much of this decrease has been caused by your corporations who have exported your manufacturing jobs overseas. It is hard to find good paying jobs, so people have to take second part time jobs to make ends meet. Your country will see more hard times financially, and with more disasters as a punishment for your abortions and your sexual sins.”
Jesus said: “My people, many times when you attend funeral Masses, you hear some assumptions that the deceased are already in heaven. In actuality, very few souls go directly to heaven. The bulk of souls go to purgatory or hell. For the survivors, it is hard to know for sure what destination their relatives took. It would be best to pray for these souls, and offer up Masses for them, so they could get out of purgatory. If these souls are in heaven or hell, your prayers and Masses would go to help any other relatives who are still in purgatory. My judgments are just and merciful, but do not assume all the souls of the deceased go directly to heaven.”

Friday, January 31, 2014: (St. John Bosco)

Jesus said: “My people, in the first reading you read of King David’s weakness in committing adultery with the wife of Uriah. Even famous figures in the Bible and in public life have human weaknesses to sin. You have read of many scandals with famous men and their lovers. It is even harder to understand this sin with an anointed King. It is wise to realize that the devil is tempting you to sin every day. So be on guard to fight such temptations. Because of Adam’s sin, all of you have a weakness to sin. This is why I have given you My sacrament of Reconciliation, so you can have your sins forgiven, and My grace restored to your soul. I still want My faithful to struggle to avoid sin, but you can be forgiven. Some people are too proud, and they can be humbled by their weaknesses, even if they do not want to admit them. I want My faithful to be humble at all times, because you could fall into sin at any time. Strive to be a good example by following My Commandments, so you are not a hypocrite in not following your own preaching. Call on My strength to keep you strong against your daily temptations from the devil and the world in all of its allurements.”

Jesus said: “My people, three quarters of the earth is covered with water, but the oceans contain salt water which is unfit for drinking and irrigation of crops. A small percentage of available water from rivers, lakes, and wells, is fresh water, and this is very valuable to humans for survival. Unfortunately, people think water is more plentiful than in reality. You need fresh water for drinking, bathing, flushing toilets, and watering your lawn and your crops. The people, who live around the Great Lakes, are blessed with twenty per cent of the world’s fresh water. Your people need to guard your water from poachers who steal it with ships and the bottled water plants. You also need to protect your water from pollution, and recycle your used water through treatment plants. When you receive rain water, this basically is distilled water by nature. People, who do not have lakes, depend on well water, or runoff from the mountains. Fresh water is a world problem, and some areas are either distilling salt water from the ocean, or they are using membranes to purify the salt out. This is an expensive means to produce fresh water, but it is such a needed commodity, that people will pay the price when there is no other source of fresh water. Your fresh water is becoming more valuable than any of your fuels, because it is so necessary for your survival.”

Saturday, February 1, 2014:
Jesus said: “My people, in the first reading the prophet Nathan told King David of a story how a rich man used a poor man’s only lamb to feed his visitor. This emphasized how King David had Uriah killed, so he could take his wife, who was already with child. The prophet told David of his sin and how his child would die. David was forgiven, as he was sorry for offending Me. Instead of stealing from the poor, more well-to-to people should be helping them with charity. Many of My people have plenty of possessions, so you could be helping the poor in buying food for them, or donating to your local food shelves. Now that you have your January tax bills paid, you have no excuse, and you can afford to share donations with the poor. You could also pray for the poor and help them in evangelizing souls. You need good deeds to help balance off your sins, so look for opportunities to help your family and your neighbors. By showing love for Me in helping others, you will store up treasure in heaven for your judgment.”

Sunday, February 2, 2014: (Presentation of the Lord in the Temple)
Jesus said: “My people, Simeon was promised by the Holy Spirit that he would not die until he had seen Me. He was grateful to see Me, and he said I could dismiss him now that this promise had been fulfilled. He also spoke of My coming Kingdom, and how My Blessed Mother’s heart would be pierced by a sword of sorrow at My death. Anna also blessed Me in her patient endurance at the Temple for many years. This represents the Fourth Joyful Mystery of the rosary right after My birth. You pray this every day, so you know this well. This Jewish custom is close to My sacrament of Baptism as you bless most people as infants. I came to save the lost sheep of Israel, but I also came to die for all souls, both Jews and the Gentiles. Keep close to Me in your daily prayers, and I will be watching over you.”
Jesus said: “My people, there are some people who schedule sports games on Sunday and Saturday so the players cannot get to Sunday Mass. When you defy coming to Mass on Sunday without being sick, you are worshiping your sports more than Me. Today, you have your Super Bowl Football game, and you can remember one message that I gave you on this subject. I said if I were to appear

at this game, your people would continue to watch the game instead of looking at Me. You are not to make anything in this world into an idol that you would worship before Me. The first Commandment is that you should have no strange gods before Me. Today, sports, money, and possessions are becoming the idols and gods that the people in the world worship before Me. You should remember Me every day in your prayers, because I should be at the center of your life more than anything else. Those, who are faithful to Me over the years, will have their reward with Me in heaven."

February 12, 2014
Monday, February 3, 2014: (St. Blaise)
Jesus said: "My people, you are familiar with My power of casting demons out of people, but today's account is unusual in that I cast thousands of demons out of one person. I have given power to cast demons out of people to My apostles and to My priests, but this healing is not used much in exorcizing demons out of people. Many people have various addictions, and I have told you often that there are demons associated with your addictions. My faithful can pray deliverance prayers over people with addictions, as with the long St. Michael prayer of exorcism. You can come up against some people who have more than one demon, as those who have multiple demons. These people are like the cases where My apostles could not cast out the demons. The cases with multiple demons require fasting and prayer. You may be successful in ridding some demons for a while, but if that person returns to their old sinful habits, then they will be inviting the demons back into their bodies. You need to set up a shield against the demons with your scapular and your daily rosaries. When you are praying to Me, the demons will not dwell in you."
Jesus said: "My people, an EMP (electromagnetic pulse) attack high in the sky could disable your electric grid, your vehicles, and your computers, meaning no money at the banks. This could cause a power outage that would take years to fix. It could stop cars from moving, and your heaters and appliances would not work. Your country's leaders have been warned about your vulnerability. It would take millions of dollars, but you could put shields on your electrical systems that would stop any EMP effects. You could also put anti-missile batteries in place to shoot down any such missiles. But without starting some preparations, your country would be vulnerable from any rogue country with

nuclear bombs and missiles to deliver them. It would be good to look into what kind of shielding that would be necessary to protect your grid, and your cars. Any appliance or computer with a microchip, would be vulnerable, unless you could shield them. Shutting down your electric grid would be the first move of the one world people, before they would attempt a martial law takeover. My faithful should be ready with backup means for heating and providing light in the dark. Having extra food, water, and blankets would be helpful for survival, or until you need to leave for My refuges. My refuges will not have much electricity, if any. I will multiply your food and fuel wherever you are living. Have faith and hope in Me to help you get through the coming tribulation." (A Faraday cage of aluminum or copper would help the shielding of an EMP attack.)

February 12, 2014
Tuesday, February 4, 2014:
Jesus said: "My people, in the Gospel reading you are acquainted with the healing power of My touch upon people. The lady with bleeding problems was healed because she had faith that I could heal her by touching My clothes. An even more miraculous healing occurred, when I called the dead young girl to rise, and she was brought back to life. When you were conceived in your mother's womb, I gave you a soul and a guardian angel, as I breathed life into your spirit. Regardless of what people say, your soul is created as an immortal spirit that will live on forever, even beyond the death of your mortal body. I touch all of you in a special way, even on your face between your nose and your mouth. I also come to My faithful in My Real Presence in Holy Communion. Then I touch your soul with My intimate love, as I love all of My creatures, even the ones who turn away from Me. It is My wish that all souls will love Me in return for granting them their gift of life both in body and soul. I call all of you to accept Me, and be with Me for all eternity in heaven. Do not listen to the lies of the devil because he can only call you to fleeting earthly pleasures, and hell fire forever. My call is more rewarding because I love you, but the devil hates you."
Jesus said: "My people, your average family is finding it hard to find jobs that will make enough money to pay for a home, a car, and living expenses. Most jobs that are available now, are usually low wage, and not many have

manufacturing jobs. There are fewer workers paying in less money to support your Social Security and your welfare state. Your government is still over spending its budget of $3 trillion by a $500 billion deficit. Your recent stock market has declined since your Federal Reserve is cutting back its quantitative easing. Your supposed recovery is in its fifth year, and the Federal Reserve bankers are still bailing out your banks, and holding interest rates artificially low. Your economy is better for your corporations, but your workers' wages are decreasing in total household income because of jobs that have been exported. Pray for your struggling workers who are forced to carry all of your non-workers in your country. If your workers keep decreasing, you will be forced to cut back on your welfare handouts. Many of your non-workers could find work if your corporations did not exploit cheap labor abroad. If you want more jobs, then the incentives to export jobs should be restricted."

February 12, 2014
Wednesday, February 5, 2014: (St. Agatha)
Jesus said: "My people, in the first reading from Samuel, you are seeing how King David was punished for numbering his people for military service. Because of his sin, the people had to suffer three days of pestilence. Thousands died at the hands of My angels, as they carried out the punishment. Because of your sins of abortion and sexual abominations, you also will suffer the signs of the end times. The description in the end days speaks of famine, earthquakes, and pestilence where many will die as well. My faithful will need to come to My refuges of protection from the evil ones and the many disasters. At My refuges you will have adequate food, water, and shelter during the tribulation. My angels will protect you, and give you daily Holy Communion. I will be with you to the end of this age, and into My Era of Peace."
Jesus said: "My people, I call forth My prophets to prepare for My coming, both when I was on the earth, and when I will come in victory over the evil ones. St. John the Baptist heralded My coming. In the desert he called the people to repent and be baptized. You, My son, are called to prepare the people for the coming tribulation of the end times. You have told them to prepare their souls with Confession to avoid experiencing a vision of hell in their Warning experience. I will give all sinners a chance to repent and seek My forgiveness of their sins. Everyone will have a Warning experience at the same time all over the world,

when you will come before Me to have a life review or an illumination of your conscience. I will show you your whole life with an emphasis on your unforgiven sins. After this life review, I will give everyone a mini-judgment of whether your life is headed toward heaven, hell, or purgatory. You will have a taste of this possible destination. You will then be put back into your body, and you will be given a second chance to convert your lives by following My Commandments. You will be warned not to take any chip in the body and not to worship the Antichrist. You will be shown how refuges will be your only safe place of protection during the tribulation of the Antichrist's brief reign. When your lives are in danger, I will call you to come to My refuges. Call on Me and I will have your guardian angels lead you to My refuges with an invisible shield. Trust in Me and I will protect you, and provide for your bodily needs and your spiritual needs. The angels will feed you Holy Communion every day. I have called some of My faithful to build refuges to accommodate all of My people to live. You will rejoice when I will bring My victory over the evil ones, and you will have your reward in My Era of Peace, and later in heaven."

February 12, 2014
Thursday, February 6, 2014: (St. Paul Miki and companions)
Jesus said: "My people, your goal in this life is to strive to be with Me in heaven, and to bring your family and others to heaven also. You need to come through Me to gain heaven. This is why you need to guard your gift of faith by following My Commandments of loving Me and loving your neighbor. It is not easy to live the life of a Christian, because you will suffer persecution as I did. The world rejects Me and My Church, like the UN did, because you stand up against abortion, euthanasia, and homosexual marriage. The world is led by Satan, and that is why it is against the proper morality of My Church. You need to stand up against the world's immorality as a good example for your children and My faithful. You may be persecuted for your faith, but you need to be ready to die for love of Me, as I died for love of you to save your souls. Do not just be a Christian in name only. You need to witness your faith in your actions, as coming to Sunday Mass, daily prayers, monthly Confession, and good deeds for your neighbor. By practicing what you preach, then I will see your sincere love for Me in your heart, and you will be on the right path to heaven. You are responsible also to bring your children and grandchildren to faith in Me, and

loving Me."
Prayer Group:
Jesus said: "My people, America is fortunate to have new sources of natural gas and oil from your latest technical improvements. This has cut down on your need to import oil, and it is providing some good paying jobs. It is good that you have such supplies of fuel because your cold winter is putting an added demand on your supply. There has been a large battle between environmentalists and your oil people over your pipeline to transmit crude oil from Canada. It would be cheaper and better for your Middle East politics if you received oil from Canada, than from other countries. Be thankful that you are blessed with your oil and gas resources."
Jesus said: "My people, your United Nations was criticizing My Church because of the priest abuses of the children. This situation is being rectified over several years. The other criticisms over fighting abortion, birth control, and homosexual activity are unjustified because My Church is standing behind the morals of My Commandments. The world accepts this immorality because it is led by Satan. My faithful need to stand up for supporting proper morals. The world hated Me for My goodness, and it will hate you as well."
Jesus said: "My people, I told you that you would see one disaster after another. Many of your Southern and Northern states are suffering from the cold, heavy snows, and power outages from your ice storms. Thousands of people are still without power in Pennsylvania, and many airplane flights had to be cancelled. Some of these hardships will have a detrimental effect on your economy. Because of the unusual jet stream patterns, the HAARP machine and your chemtrails are adversely affecting your weather. You are setting record cold temperatures and record high snow levels in various places around your country. Pray for a lessening of these disasters, but some of them are a punishment for your sins."
Jesus said: "My people, you had detention centers set up to hold Japanese and German American citizens during World War II. Now you are seeing more detention centers that will be used to exterminate all those people who will not take a chip in the body, and those who will not go along with the new world order. It is the plan of the one world people to kill or torture all those people who believe in God, and will not worship the Antichrist. These detention centers are death camps to kill American citizens with gas chambers and crematoriums. During this coming tribulation, My faithful will be called by Me to come to My refuges for their protection from being martyred."

Jesus said: “My people, you decided to have your priests offer Masses of Reparation for those people who would die from coming earthquakes. Recently, I gave you a message to include all the deaths from ongoing disasters in your intention for these Masses. Many souls are dying suddenly without being able to prepare themselves with Confession. This is why I am accepting your Masses as atonement for the sins that these people committed, because they did not have a chance to repent for their sins. I thank My faithful and My priests for looking out to save these souls.”
Jesus said: “My people, I am hearing all of your prayer requests for those who you know that are sick or dying. Keep praying that some of them could be healed, and you could visit the sick and dying to comfort them and their families. Go the extra mile to help these people in whatever ways you could ease their burdens.”
Jesus said: “My people, many of you know friends or relatives that have been diagnosed with cancer. It is an upward trend that is being caused by your GMO foods and your polluted environment. You are also witnessing another potential source of cancers coming from the radiation leaks from the Fukashima nuclear plants in Japan that are poisoning the marine life in the Pacific Ocean, and from airborne radiation. Keep building up your immune system with Hawthorn, herbs, and vitamins to cut down the risk of getting cancer.”

February 12, 2014
Friday, February 7, 2014:
Jesus said: “My people, you have read the account of how Herod had St. John the Baptist beheaded because of his pride in making an oath to his daughter, after a dance that delighted him. St. John had been put in prison because he had criticized Herod for marrying his brother’s wife. St. John was brave in speaking out to sinners in calling them to repent. He even boldly criticized the royal people controlling Israel. My people of today, you know of St. John the Baptist’s beheading, but you may not know of a Scripture passage in the Book of Revelation (Rev 20:4): ‘And I saw the souls of those who had been beheaded because of the witness to Jesus and because of the Word of God, and who did not worship the beast or his image, and did not accept his mark upon their foreheads or upon their hands.’ This quotation is a prophecy of how some faithful will be beheaded in the tribulation for not worshiping the Antichrist, and not taking a

computer chip in their bodies. It is also known by some, that guillotines have been delivered to your authorities for the express purpose of beheading those people who do not go along with the new world order or are not taking chips in the body. These weapons are meant to scare people into submission or be similarly executed. You will see a tribulation coming, where Christians will be persecuted with martyrdom, as in the early days of Christianity. This is why I am providing My refuges of protection, where My angels will defend My faithful from the evil ones who want to kill My people."
Jesus said: "My people, when you first arrived for your Divine Mercy Holy Hour, you discovered that the large Host and the lunette were missing from the tabernacle. It was taken for repairs to the holder and the lunette. In the past you have seen some instances where Hosts have been stolen from the tabernacle to be desecrated at black masses. You remember how the demons knew who I was before I rebuked them to be quiet and leave the possessed people. The evil spirits and evil people believe in My Real Presence more than some Catholics do. This is why the evil ones want to desecrate My Hosts because I am really there. Pray to have My angels sent to guard your tabernacles from such abuse in black masses."

February 12, 2014
Saturday, February 8, 2014: (St. Josephine Bakhita)
Jesus said: "My people, when King Solomon first became king from his father, King David, he was humble in asking Me for wisdom and understanding to rule his people. Because he did not ask for a long life or anything for himself, I blessed him with understanding and riches that he did not seek. You have a favorite passage in Scripture for one of your own life philosophies: (Matt. 6:33) 'But seek first the Kingdom of God and His justice, and all these things (of what we need) shall be give you besides.' You were not placed on earth to accumulate riches and possessions, but you are here to know, love, and serve Me. In the vision you saw yourself raised from this life of tears up into My glorious Kingdom. Keep focused on serving Me in your prayers and good deeds, and you will have your reward in heaven, which is beyond your dreams of My glory. All of My people should have this same dream of being with Me in heaven for all eternity. Strive also in your evangelization efforts to save as many souls as you

can with My help and My angels."
Jesus said: "My son, I was giving you a sudden urge that something big was about to happen. The one world people are running out of time before My return, so Satan is instructing them that they need to cause more serious disasters that will kill more people. The HAARP machine has been causing damaging storms that are causing power outages and some deaths. Their new plan is to kill more people by using large earthquakes on land or under the sea. If major earthquakes occurred in populated areas, you could see more deaths. You have seen thousands of people killed with tsunamis that were triggered by large earthquakes on the ocean floor where places of induction occur. Be prepared in your spiritual lives with prayer and Confession. Be prepared also with food, water, and extra fuels if your electric grids are affected. Also be prepared to come to My refuges if these caused disasters trigger a martial law. Do not be afraid of these coming events, but call on My protection and assistance in getting you safely to My refuges where you will be safe from any earthly disasters."

February 12, 2014
Sunday, February 9, 2014:
Jesus said: "My people, today's Gospel focuses on salt and Light. I am calling My faithful to be the salt of the earth in witnessing My Word to the people of the world. You are the seasoning of faith, that needs love to be spread among the people, especially in your good deeds to help people. I call all of you to a personal love relationship with Me so you can find time for Me each day in your prayers. Blessed salt can be used for exorcism of a house, a car, or on people to protect them from evil, and even to help rid demons from people by deliverance prayers. I also give you My grace and help in giving you My Light of faith to ward off and disperse the darkness of the evil demons. You can also be beacons of Light of the faith as you give good example to your family and others. My Light shines through you into the hearts of others by your love and concern for everyone. By this salt and Light in you, you can make your world a little better and brighter with hope in Me."

February 12, 2014
Monday, February 10, 2014: (St. Scholastica)
Jesus said: “My people, in the first reading you read of the cloud of My Presence that filled the Holy of Holies in the Temple of Jerusalem. In the time of King Solomon, the cloud was over the Ark of the Covenant that held the tablets of the Ten Commandments that were given to Moses. Today, you have My Real Presence in the consecrated Hosts in every tabernacle all over the world. I am everywhere, but you have My sacramental Presence every time you receive Me in Holy Communion. Not all Catholics appreciate or believe in My Real Presence. When everyone has their Warning experience, they will have an encounter with Me, and they will know that they can only come to heaven through Me. Everyone will know that I am God, and I will bring My victory over all the evil ones and the false christs. Even the Jews will finally be forced to believe that I am the Christ, the Messiah, the King of the Universe. Give praise and glory to Me as I love all of you enough to die for your salvation. Those, who desire heaven, need to love Me, follow My Commandments, and seek My forgiveness of their sins.”
Jesus said: “My people of America, the value of your dollar has been dropping considerably because it is being diluted by your government’s overspending and your Wall Street gamblers. You see some cash dollars in the vision, but this cash only represents a small portion of money and credit that is in circulation to cover your $17 trillion debt. Your Federal Reserve prints trillions of dollars in Federal Notes to cover this debt. They were printing $85 billion a month to buy up the banks bad debts on their books with money printed out of thin air. They also are holding interest rates at near zero, making it hard for investment in anything that is stable. Your banks and hedge funds have leveraged hundreds of trillions of dollars in derivatives that are nothing more than a gamble that people will not cover their mortgages. It is unlikely that all of these debts will ever be unwound and paid off. This is why your current money system will fail, when payments will not be made. When your money markets and stock markets crash, there will be no way for your government to get bailed out. The one world people will take over, and set up a whole new money system called Strategic Drawing Rights (SDRs) that will be traded digitally, possibly requiring a chip in the hand. Without such a chip, you will have no money. They will outlaw gold and silver, but these metals will still have value on the black market. Once this crash occurs,

then My faithful will need to leave for My refuges, where you will have food, water, fuels, and shelters multiplied for your needs. This will happen, but it is just a matter of when. Have trust and faith in My protection, as I know what you need."

February 12, 2014
Tuesday, February 11, 2014: (Our Lady of Lourdes)
Jesus said: "My people, I called the Pharisees hypocrites in the Gospel because they followed their human traditions more than My Commandments. Just as today, people rationalize My laws to make themselves comfortable, instead of striving to do things to satisfy Me out of love. Do not make excuses for not coming to church on Sunday, and not coming to Confession. You need to worship Me at Mass, and in your daily prayers, if you want to show your love for Me. You also need to repent of your sins and seek My forgiveness in Confession. The body is influencing the soul to avoid discomforts, but the soul needs to control the body's wants and desires. My Commandments are your guidelines to lead a good spiritual life of loving Me and your neighbor as yourself. When someone needs help, you should reach out with your assistance, instead of ignoring them, or making excuses not to help them. When you do good deeds for others, you are storing up treasure in heaven, and you are showing your love for Me in them."
Jesus said: "My people, you may have witnessed or lived through an ice storm. After ½ inch coatings of ice on everything, the ice can break off tree limbs with the weight of the ice. You have seen some bad storms as in Pennsylvania, but now a major ice storm is forecasted for Georgia and South Carolina. (On 2-13-14 there were 772,000 people without power over 14 states.) This many ice storms is highly unusual, especially in warm Southern states. The one world people are using the HAARP machine to cause many disasters, as I mentioned in a previous message. Your economy has suffered considerably in these last few months from the weather problems. You, My son, were without power for eleven days (1991), so you know the hardship that ice storms can cause, especially if transformers are broken. I keep encouraging My people to have some extra food, water, and alternate fuels ready, in case you could suffer a power outage in the cold of winter. Many people are already seeing higher heating bills from the

deep cold in your Northern states. It also is causing problems for the poor and the homeless. If your neighbors or relatives have power outages, you could offer them a warm place to stay, or some means for heating their houses. Heat is crucial in this winter with very low temperatures. You could also contribute to your local food shelves that are getting heavy demands for food. When you help your neighbors, you are showing your love for Me in them."

Wednesday, February 12, 2014:
Jesus said: "My people, those faithful, who come to daily Mass, are My special believers, because they appreciate receiving their daily spiritual nourishment from My Eucharist. If people truly believed in My Real Presence, they would want to be with Me every day at Mass, and come to see Me often in Adoration of My Blessed Sacrament. I am the Creator of your souls and bodies, and you should be praising Me and thanking Me for your life, and all of My gifts to you. Most people think they are the ones who are providing for themselves. I am the One who has given you your talents, your job opportunities, and the natural resources that you use every day. When you understand the marvels of My creation, you can be overwhelmed, as the Queen of Sheba was impressed by King Solomon's wisdom. You have One greater than King Solomon here before you, so continue to revel in My goodness and My gifts to My servants."
Jesus said: "My people, I can see how many of you are facing stress from your weather, your jobs, and from your government. Many of your people are suffering from the deep cold, high snowfall, and ice storms. Your weather has created problems in getting to work and your power outages. You are seeing how vulnerable you are to winter's problems. Some people are suffering stress in their jobs just to make enough money to pay their bills. Some people have been laid off from good paying jobs, and they had to take two lesser paying jobs to get by. Many employers are exploiting their workers to do multiple jobs for the same pay. Your people are also being stressed by your government in its liberal laws favoring abortion, homosexual rights, and mandates from your Obamacare Law. With all of this stress on your people, it is no wonder that you see health problems of the heart, high blood pressure, diabetes, and cancer. Even though you are facing difficult problems in life, you can still turn to Me for help and rest

from life's trials. You may suffer in this world, but you can look forward to being with Me in joy and love in heaven. Your biggest battle is with the devil's temptations, and do not let things in life lead you into depression. Without looking forward to heaven, this life would look hopeless. Look to love Me and your neighbor more in helping people where you can. There is a joy in being able to help others. When you have My peace and a joyful outlook on life, then you can overlook any distress that you meet in life."

Thursday, February 13, 2014:
Jesus said: "My people, when I look down on your world today, I can feel the frustration of Moses, as I see many people worshiping fame, money, and possessions as their gods, with little concern for Me. As I look further, I see your abortions, fornications, and homosexual acts which disgust Me in how evil has controlled your hearts and souls. I ask Myself, does this people have any concern to follow My Commandments? I destroyed Sodom and Gomorrah with fire because of their homosexual and heterosexual sins. Be forewarned that I will not permit such depravity much longer. I have warned My people to be prepared for My Warning, when all of you, all over the earth, will see your life review. This will be the last chance for sinners to repent and seek My forgiveness. Those, who do not improve their lives after I show them their errors, could face the fires of hell. Hell is a real place of punishment, and those people, who choose to still worship other gods and ignore Me, will be on the path to this place of fire and hate. The people on the earth must choose to love Me or reject Me, there is no in between grey area. My faithful will be with Me in heaven, but the idol worshipers will rot and burn in hell with a disfigured body and soul. My faithful need to reach out to save as many souls from hell as you can. You do not wish this hellfire on anyone."
Prayer Group:
Jesus said: "My people, some of your leaders, as your President, want you to hide statues and crucifixes when they come to speak. My faithful need to stand up to such dictators, who are trying to take away your freedom of religion. You remember the thrown out crucifix that was saved and appeared to turn red as blood when it was touched to the tilma of the Guadalupe image of My Blessed

Mother. You are seeing another statue of My Blessed Mother in Israel near the Lebanon border, and it was weeping tears over the sins of the world. You also carry the tears of weeping statues when you use it to pray over people. Rejoice in these signs as gifts from heaven to get people to repent of their sins."

Jesus said: "My people, you are seeing in all of your news programs how hundreds of thousands of people are without power in the South, as ice storms are taking down trees and power lines. Some are dealing with the cold and no heat. Pray that these people can find a way to keep warm and get the food and water that they need. Other states may have to volunteer their linesmen to repair the downed power lines. You remember when you were helped in New York by linesmen from other states in 1991's ice storm. This widespread destruction should be a sign of the punishment that your country is suffering because of its sins."

Jesus said: "My people, because of your abortions, and sexual sins, I told you that you would have one disaster after another, because there are not enough prayers being said to atone for your sins. Your laws that allow abortion, euthanasia, and homosexual marriage, are an abomination in My sight, and these disasters are a punishment for not repenting for your sins."

Jesus said: "My people, you are seeing your President with his pen, and he is changing his own law when it is politically expedient to help elect his fellow Congress people. Changing your laws should come from your Congress, but your President is going around Congress on many issues when he does not get his way. Even your Governor is telling his conservative opposition that they should not live in New York State. These leaders are supposed to support the people, and not be dictators of their own will over the people."

Jesus said: "My people, you are celebrating the birthdays of Abraham Lincoln and George Washington this month as your famous American Presidents. These men stood up for the rights of the people and your Constitution. Your current leaders should take lessons in how they led the people. They did not dictate their own laws and regulations, but these previous Presidents truly believed that your government should be for the people and ruled by the people, and not the interests of a few rich people."

Jesus said: "My people, you are seeing many problems and injustices with your current Health Care Law. It is one thing to want to give health coverage to everyone in America, but it is demonic when this same law will eventually force the mark of the beast on all Americans. Having a chip implanted in the body was mandated for your health insurance in the original bill. This law is all about total

control of your people in making them into robots controlled by voices from the chip. Refuse to take any chip in the body, even if your authorities threaten to kill you. When chips in the body are mandated, this will be a sign to come to My refuges of protection from the evil one world people. Call on Me, and I will have your guardian angels lead you to My nearest refuge, and they will protect you with an invisible shield."
Jesus said: "My people, I do not want My faithful people to lose heart, when you see the evil ones winning certain battles of controlling the people. In the end, I will come to win the last battle, when I will bring My victory over Satan, the Antichrist, the False Prophet, and the evil people and demons. Their reign will be brief during a shortened tribulation, and you will know that I reign supreme over the whole universe. I will protect My people from the Comet of Chastisement, and I will bring them into My Era of Peace and later into heaven. For now, you have to fight the good fight of standing up for your faith in Me against all the evil laws on your books. These laws favor abortion, homosexual marriage, and many other evils against My Commandments and Church laws. Trust in Me and have faith in Me, and you will have your reward in heaven.

February 26, 2014
Friday, February 14, 2014: (St. Cyril & St. Methodius)
Jesus said: "My people, I have talked to you before of how I am dividing up your homes between those people who love Me, and those who reject Me. In your readings you have seen how King Solomon set up shrines to other gods of his wives, and his heart was not with Me. So because of his sins, his kingdom was divided, and stripped from him, except for David's tribe as a tribute to David, his father. Even among My very apostles, Judas betrayed Me, and his sin divided him from Me. So it is even with many families, as you see a division between your family members who believe in Me by coming to Sunday Mass, and those who do not. Still, My faithful need to pray for all of your family members to return to their original faith in Me. Satan and his evil addictions are the real cause of people who fall away from My love. The people need to wake up and repent of their sins, before it is too late, and they could be lost in hell."
Jesus said: "My people, there are two ways to mine coal. One is digging it out from the top of the ground, and the more dangerous is through tunnels

underground. For years America has been using coal to generate electricity, and some is used in steel making. Coal is also used by many countries in the world. Currently, about 40% of America's electricity is provided by using coal. Some coal plants are being replaced with natural gas, but coal cannot be totally replaced by other fuels or green energy. Coal can gradually be phased out, but it is unwise to make regulations so strict that coal cannot be used at all. Your current Administration lives in a dream world if your President wants to shut down coal plants all at once. The question comes up as to how you are going to provide the energy that coal is producing today? This is why ivory tower bureaucrats have no clue what they are doing when they make regulations that are impossible to enforce over the people's objections. Your energy is needed to run your economy, so cooler heads will need to prevail over any of your President's mandates. Pray that there will be a delay in these regulations that could shut down your coal fired power plants. Your President is good at delaying the mandates of his health care law when it is politically desired, but not for other things."

Saturday, February 15, 2014:
Jesus said: "My people, in the first reading the other king set up gold calves in various places to worship, and he made non-Levites into priests. This was against Me in sinful worship, and these people were later overthrown. The new altar for some people today, are the football stadiums for worshiping their gods of sports. Even your television has been worshiped by some. If you want to give something up for Lent, try giving up your TV watching. Some people already read newspapers and look at the internet for their news. By letting these means of entertainment control your life, then you have little time for Me in your daily prayers. Center your life around loving Me and your neighbor, and you will have peace and rest with Me, even despite life's trials."
Jesus said: "My people, there are a lot of injustices that the poor people all over the world are suffering because they are being abused by the one world people. There are evil people who are killing people, or they are indirectly killing people with bad food and man-made disasters. It is difficult for the average person to fight this evil. You can only pray for My help that I will come soon to bring My

justice against these evil ones. You can still help the poor to help themselves, and donate to help your food shelves who are seeing more demand on food donations. There is a reduction in the food stamp program, which is making it harder for the working poor to put food on the table for their families. Food shelves depend on personal donations and church donations of food. They may receive a little community help, but most of their workers are volunteers that are not paid for their work. In addition to your donations for food, you can also give your time to help bring the food to the poor. Everything that you do to help the poor or your neighbor, will be rewarded in heaven. Do not look for your reward here, but trust that you will gain merits in heaven."

Sunday, February 16, 2014:
Jesus said: "My people, you have an expression that a chain is as strong as its weakest link. This can be applied to your own neighborhood in people. You may have family members that are hurting financially because of layoffs or other problems with their income. You can see the needs of some people, and where you could possibly help someone get back on their feet by helping themselves. It is difficult to help people who are only looking out for handouts, and are not working on a long term solution to better themselves. You can also help some people with their food needs for a few weeks until they can get some government assistance. You have an easier time helping someone that wants to work, but it is harder when they have a welfare mentality, or they are addicted to drugs and alcohol. Keep praying for the poor and the homeless people, because all of you have the same needs to survive. Help with your good deeds, prayers, and donations where you see the need to help your neighbors. If you are a Christian in following Me, you need to witness your love for Me and your neighbors in your actions."

Monday, February 17, 2014: (7 Holy Founders of Servite Order)

Jesus said: “My people, your weather is turning severe, where it may become difficult to grow your crops in some areas. You have had a harsh winter, which could cause some damage to your crops and flowers. In the vision you are seeing reduced crops that will be grown this year. A world famine is coming and you will see some crop reductions in areas of bad weather. The larger problem will be from a controlled food supply that will eventually be rationed out according to chips in the body. I have warned you not to take any chips in the body, even if the authorities threaten to take away access to food or your Social Security. The controlled famine and mandatory chips in the body, will be your sign to come to My refuges for food, water, and shelter. I have warned you to stock up on some food when it may not be available for various reasons. This food will be needed before you come to My refuges. This food will not be hoarded, but you will share it with friends and relatives.”
Jesus said: “My people, you have today’s Gospel from Mark where I refused to give a sign to the Pharisees. (Mk 8:10-12) They did not believe in My miracles of healing, nor did they believe in My words. In the Gospel of Matthew (Mt 12:38-41) I gave the Pharisees the sign of Jonah in how he preached repentance to Nineveh. The bigger sign is the parallel of Jonah when he was in the fish three days and three nights. So, I was three days and nights in the grave before I resurrected. This sign of My Resurrection shows how I saved all of mankind from their sins by atoning for them to My Father. The sign of repentance is also for today’s generation in America. Jonah warned the people to repent, or Nineveh would be destroyed. When the people sat in sackcloth and ashes, and changed their ways, then I relented of their punishment, and I did not destroy the city. So, the people of America also need to repent and ask My forgiveness of their abortions and their sexual sins. If you do not repent and change your ways to follow My laws, then your people will face My punishment, when the one world people will take you over.”

Tuesday, February 18, 2014:
Jesus said: “My people, I know all of your needs, both for the body and the soul. When I was healing people, I forgave their sins first, and then I healed their

ailments. In this way I was healing the whole person, both body and soul. In the same way I took compassion on the crowd of 5,000 and 4,000 to feed them with bread and fish. Again, I was both nourishing the body with physical bread, and I nourish the soul with My consecrated Host that is My Body and Blood. At every Mass you receive My Real Presence in the consecrated Host and wine. My Eucharistic meal is again feeding you both a physical and spiritual bread to nourish your whole person, body and soul. Rejoice that you receive Me intimately, but be sure to receive Me worthily without any mortal sin on your soul. Every day that you come to Mass, you are strengthened against the devil's temptations, and you receive My Word in the readings to instruct you and guide you in life."

Jesus said: "My people, I told you that you could fast and pray all year long, and not just during Lent. Your people are suffering their penance of this winter, even before Lent begins. Some days have been so cold or with blizzards that you wanted to stay inside your homes. Some areas had snow days off, and in the South you saw people deserting their cars on the highway amidst the snow and ice. Many records have been set for cold and snowfall amounts. Many of your people are welcoming a warming trend to melt your snow. You could also pray for some lukewarm souls to thaw out their icy hearts to Me. Keep praying your exorcism St. Michael prayers for your family members. Also pray for all the people who are being adversely affected by your winter weather. Start preparing for your Lenten fasting and penances."

Wednesday, February 19, 2014:

Jesus said: "My people, in today's Gospel I healed a blind man in two stages. In doing so, I have shown you all the benefits of your eyesight in your everyday life that you take for granted. At the same time, you can have sympathy for those people with eye problems. Some have cataract problems, glaucoma, macular degeneration, or injuries to the eyes. With your eyes, you are able to see where you are going, to read books and road signs, to see colors and sunsets, and to see My Light in learning about your faith. You may want to help the blind in directing them, and educating them with braille books. When one of your senses fails, your other senses of hearing, touch, and smell can help a person in other

ways. Give praise and thanks to Me for your gift of sight, and appreciate it as one of My gifts in your life to do your mission. Remember also to give witness to your faith by your actions and good deeds, and do things out of love for Me."
Jesus said: "My people, you are aware of people today, who are possessed by demons, because some have invited them in by occult meetings or serious addictions. I have also told you of how exorcist priests can exorcize these demons out of people with prayers and blessed salt or holy water. When you do not have an exorcist priest available, you can pray deliverance prayers as the long form of the St. Michael prayer with blessed salt and holy water. I also have given you a prayer of taking authority over the demons to leave in My Name, Jesus. Pray that the demons can be cast out to the foot of My cross and never to return. The person, who has been exorcized, should wear blessed sacramentals and pray every day so the demons cannot return. When you see this vision of the demons at the foot of My cross, you know that the demons were obedient to the authority of My Name. Once they come to Me, I cast them back into hell. Keep praying your deliverance prayers to keep the demons away from your family members. I hear your prayers, and I command the demons to leave, as I did when I was on the earth."
Jesus said: "My people, most of your power plants use large turbines that are rotated around copper turnings to create a flux that generates electricity. There are many ways to turn these turbines. Some plants use water falling to turn the turbines. Other plants use fuels like coal or natural gas with the water to create steam jets that drive the turbines. Still nuclear power can also make steam for the turbines. Wind propellers, solar cells, or sun mirrors produce only a small amount of your electricity needs. Your need for electricity has grown so much, but the number of power plants available, are just keeping up with today's needs. At peak times for using air conditioners on hot days, this puts an overload on your power production, and it can cause brown outs or complete failures. Your energy production plants are outdated, and it is hard to change fuels or build new plants, and keep the costs down. Before your regulators in government change any pollution restrictions, they need to answer your people on how the electric companies are going to be able to provide your needed electricity at an affordable price. Do some research to see what percentages of various resources that are used to provide your electricity."
Note: 2012 US generated 4,054,000 megawatts of electricity.
37% from coal, 30% from natural gas, 19% from nuclear, 7% from hydroelectric power, and 5% from renewable sources (1.4% biomass, .41% geothermal, .11%

solar, 3.46% wind)
Global fuel usage: (2012) natural gas 23.9%, coal 30%, oil 33%.

February 26, 2014
Thursday, February 20, 2014:
Jesus said: "My people, in today's Gospel I asked My apostles who do they think I am? St. Peter was inspired by the Holy Spirit when he said: 'Thou are the Christ, the Son of the living God.' During My days of ministry, I did not want My apostles to reveal this to everyone. I told them that I would be killed by the Jews, and that I would rise from the dead in three days. This is why I became a God-man so I could die for all of mankind's sins. So when St. Peter wanted Me to do differently, I told him: 'Get behind Me, Satan.' He was speaking from a human perspective of what he expected the Messiah to do. I came as a servant of My heavenly Father, with a mission of being an unblemished Lamb, meant to be offered up for your salvation. I am your Savior and your Redeemer, and no one would change My plan of salvation. I am also asking My faithful of today, who am I? Many souls have fallen away from their initial conversion, and they are more concerned with worldly things, than obeying My laws and loving Me. In order for souls to be saved, they must repent of their sins and seek My forgiveness. Unless you accept Me as your Savior and Redeemer, you cannot enter the Kingdom of heaven. All souls, who reject Me and do not love Me, are on the path to destruction in hell for all eternity. My faithful need to reach out and bring My word of faith to all the nations, so they can evangelize souls for Me. You are all here to know, love, and serve Me in this life on earth."
Prayer Group:
Jesus said: "My people, you know how the previous leader of Iran wanted to blow Israel off the map. Not only is Iran threatening Israel, but they want to destroy America, who is the big Satan to them. Iran has already test fired a missile that could be sent to Israel. They are working on making several nuclear bombs. Iran also said it would send one of its frigates into the North Atlantic to threaten America's coast for a possible EMP attack. Iran is a true threat that needs watching. Israel is ready to attack Iran on its own because of Iran's threats. Pray for peace in this area."
Jesus said: "My people, about fifty protesters have been killed in the latest riots

against the puppet government in the Ukraine. There is a major disagreement with the leaders of the Ukraine, because the people want to be a part of the European Union, instead of being ruled by Russia. Russia is black mailing the Ukraine with credit to support their failing finances. Pray for these people of the Ukraine who are fighting for their freedom from Russia."
Jesus said: "My people, you have been getting bombarded by flares coming off the sun. The particles from the flares are causing the Northern lights to appear more in the Northern skies than before. In other events, a large asteroid, the size of three football fields, came within a million miles of the earth. You are seeing these celestial events, even as you are talking about the blood red moons that will occur on the Jewish feast days."
Jesus said: "My people, you are seeing another bubble building in your overpriced stock market. Your Federal Reserve has been printing billions of dollars of Treasury Notes per month that have pushed up your markets artificially. When this source of money is taken away and interest rates begin to rise, this could create a stock market crash. The one world people are looking for an excuse for martial law, and such a created crash could send your country into bankruptcy. If such a crash occurs, this could trigger a takeover of America by the one world people, and My faithful will need to leave for My refuges."
Jesus said: "My people, there are many people who are dependent on Social Security and welfare payments from your government. When there is not enough money to pay for these checks, then you could see riots for food and places to stay. This could be caused when there is not enough tax money being collected to pay them. This again could trigger a martial law that will send My faithful to My refuges for protection from the Antichrist. Have your backpacks prepared to leave for My refuges."
Jesus said: "My people, My faithful need to be aware of the Masons and occult people, who are being allowed into My churches, and they could change My Church. Do not follow these teachings that worship crystals and things instead of worshiping Me. When any church follows New Age teachings, you need to leave that church. I have told you that you will not travel to all the towns of Israel until I will come with My victory over all of the evil ones. Trust in My protection at My refuges, where you will have all of your needs satisfied."
Jesus said: "My people, the persecution of Christians will get worse until you will be despised and singled out as second class citizens, much like the Jews were persecuted in Germany. There was evil and occult worship among Hitler and his leaders. Today, many of your leaders are also involved with the occult

and demon worship, as seen in Bohemian Grove, California. They worship gods, and they are planning how to exterminate all the Christians. Be prepared with your backpacks so you are ready to leave your homes for My refuges. When your lives are threatened, I will call you to have My angels bring you to the safety of My refuges with an invisible shield."

Friday, February 21, 2014:
Jesus said: "My people, I have given you an example in how I carried My cross. Now, I want My faithful to be able to take up their cross of life, and I will assist them in carrying it with My sacraments. Having faith in Me is a gift that I offer to all of you. Unless you are open to give Me your will, you cannot accomplish the mission that I have given you. You have read in St. James' reading about how My faithful need to witness their faith by good deeds and works. Your works are the fruit of your belief in Me. You not only are called to help your neighbor as yourself, but you should do everything out of love for Me. When you help someone out of love, you feel satisfied in helping them with their physical and spiritual needs. When you help them, you are helping Me in them. I love all of you, and I have given you many gifts. Now, it is your turn to share what you have with others for My greater glory."
Jesus said: "My people, I am showing you in this vision how you are being tracked in your cars, on the internet, and even in your phone conversations. There are many intrusive cameras on the highway and at intersections, and they are recording licenses to tell where you are traveling. All of this surveillance has only one intention, and that is to control you. You can even be tracked by your cell phone, unless the batteries are disconnected. The most intrusive plan of all is the planning of mandatory chips in the body by your Health Care Law. Refuse to accept any chips in the body, and if you are carrying any chipped cards, you could shield them in aluminum foil so hackers could not steal your information. You could have chips in your charge cards, driver's licenses, and passports. Chips in the body can control your free will with voices that are like hypnotizing you to control you like a robot. This is why you do not want to take chips in the body. When these chips in the body will become mandatory, this will be a sign to come to My refuges for protection, before the evil ones could capture you for

their death camps. Trust in My protection, and you will be safe at My refuges."

February 26, 2014
Saturday, February 22, 2014: (Vigil Mass)
Jesus said: "My people, there are two basic themes in today's Gospel of love your enemies, and to strive for perfection as My heavenly Father is perfect. It is relatively easy to love your friends and most of your relatives, but it is hard to love people who harass you, or disturb you in their political opinions. Some of your Federal and State leaders may irritate you with some of their extreme views favoring abortion and same sex marriage. Still, I am asking you to love them as a person, even if you do not agree with their politics. Loving your persecutors is also difficult, but you remember on the cross when I said they did not know what they were doing to the Son of God. Loving your enemies and not holding grudges, is what is needed to help you to perfect yourself. Most souls either have to suffer some time in purgatory, or some pain on earth to atone for their sins. Very few people come straight to heaven. Even though My words of loving everyone may be hard to endure, it is still worth working on in life. You have Lent coming soon, so you can plan some penances to make up for some of your shortcomings. Getting to Confession at least once a month, and praying your daily prayers, are some places to start in helping your personal spirituality."
Jesus said: "My people, I am showing you in this vision that there is a link between dried up water aquifers and some of the sinkholes that you have witnessed in the news. You also could experience sinkholes with old caved in mines. In many areas away from lakes and rivers, the people and farmers rely on well water for their source of water. As droughts become worse, the water table goes deeper. When the aquifers run dry from over use, this can cause empty caverns that could cave in to cause sinkholes. As more water is taken out, because of the droughts, there is a potential for more severe sinkholes. You could use various signals to determine if there are empty pockets in a given area. Then you would know which areas not to build on, so sinkholes with homes could be avoided. This becomes a serious problem in populated areas. Some drought areas may consider piping in fresh water than running the wells dry. Once people understand the causes of the sinkholes, then your people may be able to prevent them from happening."

Jesus said: “My people, I have given you life and all of its gifts and beauties, and you allow Satan to lead you into killing each other, and even aborting My unborn babies. You do not realize how deeply you hurt Me and offend Me with your killings. Satan is leading his occult groups and the one world people into all kinds of ways to kill people in abortions, euthanasia, wars, and even with viruses and vaccines. My faithful need to stand up against your death culture by promoting the preciousness of life in stopping abortions and praying for peace in your world. Work to bring love and help to each other, to overcome all the hate and sin in your world. You need to reach out to save souls from hell, and be a good example by your Christian love. By working to counteract the evil in your world, you can ease the burden of My pain in seeing so many lives taken in vain by evil people. I offer you hope that this evil killing will not be allowed much longer. I will bring My faithful to the protection of My refuges, and I will shorten the coming tribulation for the sake of My elect. Then all the evil ones will be cast into hell for not serving Me, and refusing to love Me.”

February 26, 2014
Monday, February 24, 2014:
Jesus said: “My people, you have seen a drought forming in the West with little snow pack on the mountains in California. You were seeing reports of a persistent high pressure system off the coast of California that has been blocking the usual rain storms from the Pacific Ocean. Such a long standing pattern of high pressure is typical of the HAARP machine that can be used to alter the jet streams around the West. In the Gospel reading you see that expelling a powerful demon requires not only faith in My healing, but also a need for prayer and fasting. When you do not have an exorcist priest, you need to pray the long St. Michael prayer as deliverance for demons and addictions. Also, have some blessed salt or holy water to help remove the demons. Pray in My Name, Jesus,

to cast out the demons to the foot of My cross, and have that person wear blessed sacramentals and pray to keep the demons away."

Jesus said: "My people, your new drilling technology with your shale deposits, is now producing an abundant supply of natural gas and oil. There is some concern about environmental effects on your water sources, but these new supplies can cut down your oil imports. Even with your new natural gas supplies, you have seen gas prices go much higher due to the demands for natural gas to heat your homes with a very cold winter. Businesses are already suffering losses as a result of the cold winter. Pray that your country will find a way to satisfy all of your fuel and electricity needs to keep your economy thriving."

Tuesday, February 25, 2014:
Jesus said: "My people, in today's Gospel I took My apostles to task because they were debating who was the greatest among them. I told them that the one, who chooses to be the greatest among them, needs to be the servant of all of them. In today's world you also have those people, like the Masons, who feel that they are the greatest, and that they are smarter than the rest of the people. Instead of being a servant to others, the Masons want to control the people for their own gain. The Masons and the one world people are following Satan's leadership, and they are against Me and My believers. These one world people are your enemies, but you still have to love them, even though you do not have to follow what they believe. There are even Masons in the Vatican, and you do not have to follow anyone who is preaching heresies. These one world people will put the Antichrist into power, and you will be coming to My refuges for protection from them, when they try to kill you for your faith in Me. Trust in My power that this elite people will be defeated and cast into hell. Then I will bring My faithful into My Era of Peace, and later into heaven."
Jesus said: "My people, I have warned you that you could see a major earthquake on the West coast or on the New Madrid fault. This vision of the earthquake made you feel like you were right there, feeling the shaking. You have been seeing many disasters this year, and earthquakes are happening all over the earth. Most earthquakes have occurred along your Western coast, and

they rarely get up to 6.0. The crevasse created by a coming earthquake, is very deep by what you are seeing. This appears to be a major earthquake that could cause a lot of damage. You have been praying your Masses of Reparation for all the people who will die suddenly without time for a good Confession. Keep praying for all the souls who die without being properly prepared. This is why it is good for you to go to frequent Confession, at least monthly, so you can have a pure soul whenever I will call you home to Myself. Continue to be faithful to your daily prayers, and take advantage of My graces at daily Mass, and when you visit Me in Adoration. Those people, who are close to Me, should have no fear of death, because their souls are ready to meet Me at their judgment."

Jesus said: "My people, this spider on a string represents how the one world people are controlling your spider stocks and your internet. There are good and bad things on the internet, but the information exchanged is exploited by the people who control it. All of your searches and e-mails can be traced to your computer, and it is known by all of your spy services. Using this information, gives your government a profile of all of your activities. This is also true of your phone calls and faxes. The terrorists use your airwaves of communication, and this is why your agencies are monitoring all communications. You may think a warrant is needed for such an intrusion on your privacy, but this monitoring is done on everyone. Many of your freedoms are being violated, and this privacy of information is being lost. Even various foreign governments are breaking into private information. When your financial accounts are being raided, even your money is not safe in the bank. Be aware that you are being spied on at all times because the evil ones want to know who they must exterminate that are against their new world order. Do not be afraid, for I will have your angel bring you to the safety of My refuges at the proper time."
Jesus said: "My people, I have given you several messages of a big event that is about to happen. This vision of coming down a steep hill on a roller coaster, is an indication that this event will be very sudden. I gave you a vision of a large

earthquake yesterday, and this big event is linked to this earthquake. I am not giving you a time, but it will happen in America. Such an event could cause much damage and kill many people in a populated area. It could even trigger a martial law that could make it necessary to leave for My refuges. Have your things ready to leave in a short time. Trust in Me to protect you from the evil ones at My refuges."

Thursday, February 27, 2014:
Jesus said: "My people, in the Gospel reading I was emphasizing to the people how important it is to avoid temptations from the devil. I even went so far as to ask you to remove any body part that could lead you into sin. I kept saying that it is better to come maimed to Me, than to be cast into hell with all of your body parts. In the vision you see the devil setting snares like this spider web to trap you into sin. By keeping your focus on Me, and not being distracted by worldly desires, then you can avoid the devil's temptations, and keep close to Me. In the first reading from St. James, he is showing you how some people come to hell because they worship their money and fine possessions, instead of worshiping Me. You are here in this world to know, love, and serve Me, and not just to accumulate money and possessions that the worldly people seek. Do not put your trust in gold or silver that corrodes, or your fine clothes that will be moth-eaten rags. In the end you cannot take your wealth with you to the grave, but even your body will turn to dust. It is your soul that is your most treasured gift, and you need to repent and seek My forgiveness of your sins in order to be saved. You will be starting Lent soon on Ash Wednesday, and the ashes remind you of your mortal body that will turn to dust. But you have an immortal soul that lives on forever, and you want to be with Me in heaven for all eternity."

Jesus said: "My people, a new leader in the Ukraine is now being tested by Russia as they occupied the Parliament building in Crimea near the Russian Naval Base. After the Olympics are over, Russia is moving quickly to support their interests in the Ukraine. It is unclear how much Russia will try to intervene. Natural gas lines, that are critical for Europe's heating, go through the Ukraine. Pray that peace will prevail without any more killing."
Jesus said: "My people, these unusually cold temperatures have caused your

winter to have severe cold, snow, and ice storms. The one world people control the HAARP machine that can direct the jet streams to bring this cold where it is normally warmer. They have also used the HAARP machine to set up a high pressure area off the California coast that has prevented the rain from coming in. California has about one inch of rain instead of its normal amount. The California mountains also have little snow that is needed to irrigate their farms. Their fields are so dry, it is hard to grow crops. In the end, I will defeat these evil ones as they will be judged to hell."

Jesus said: "My people, I made you male and female for marriage to have children. Now, in addition to your abortions, your people are putting same-sex marriage on a par with the true marriage of a man and a woman. Your corrupt judicial system is claiming same-sex marriage is a right. In actuality homosexual acts are mortal sins, as are acts of fornication. These acts are an unnatural abomination in My eyes, and My faithful should witness against this sinful behavior. Your corrupt judicial system defends these sinful acts under a hate crime to prevent My faithful and pastors from speaking out against same-sex marriage. These people, who engage in these mortal sins, will still have to answer to Me at their judgment."

Jesus said: "My people, this latest legislation in Colorado is allowing non-medical use of small amounts of marijuana, even though it can be an addicting substance. Some people in Colorado are pushing to collect taxes on marijuana sales, and set up business ventures to sell non-medical marijuana, which is illegal in most states. Allowing this use to spread among the people, could have dire effects on people's driving and their health. This is just another sign of the degradation of America. Pray that your people will stop promoting non-medical uses of marijuana."

Jesus said: "My people, you could start making some plans for some penances that you could observe during Lent. This is an opportunity to improve your spirituality as you try to work on some of your sinful habits. Some try to come to daily Mass and frequent Confession during Lent. Others try to fast between meals and avoid meat on Fridays and Ash Wednesday which is advocated by My Church. You may even do other penances as giving up sweets, or avoid watching TV. However you observe your Lenten devotions, let this Lent help you as you work on perfecting your lives."

Jesus said: "My people, one of your Lenten devotions could be praying the Stations of the Cross on Fridays to honor My death on Good Friday. When you observe the words on My cross, you see how much I suffered for all of your sins

in My scourging and My Crucifixion. The Second Person of the Blessed Trinity came down to earth so I could offer up My life in atonement for all the sins of mankind. My crucifixion shows you how much I love all of you that I would give up My life to bring salvation to all those people who believe in Me. This gift of My life is displayed on the large crucifixes on your altars, so you never forget My love for you."
Jesus said: "My people, when the ashes are placed on your forehead in a cross, the priest reminds you that you were made from dust and unto dust you shall return. This returning to dust shows you that your body is mortal, and all of you will die some day, and come to your judgment before Me. You do not know the day of your death, so you need to be prepared every day to die with your prayers and frequent Confession."

Friday, February 28, 2014:
Jesus said: "My people, the Gospel message focuses on a question of divorce. I desire that those, who get married, can stay together as long as possible, unless the marriage is invalid. In some cases where there is a threat against a spouse's life, then a separation is better. In other cases My Church accepts annulments if there is sufficient reason. Only with an annulment can a spouse get remarried. Marriage is a proper love relationship of a mutual commitment between the spouses. Those, who live in fornication without marriage, or in homosexual marriage, are living in mortal sin. I will forgive their sins, but they need to change their lifestyle, and come to Confession. Those, who promote fornication in living together, or homosexual marriage are also committing a sin by promoting the devil's ways over following My Commandments. When your Federal or State governments have laws allowing abortion, euthanasia, same-sex marriage, and smoking marijuana, these laws are putting nails in your coffin as a nation, and you are calling down My punishment. My faithful will see this punishment carried out in a takeover of your government by the one world people. I will have your angels bring you to My refuges when your lives are threatened with religious persecution."

Jesus said: “My people, I am truly your bridge to heaven, as I have opened up the gates to heaven by My sacrifice on the cross. I am your Redeemer and your Savior, as I died in atonement for all of your sins. I do not force My love on you, but I welcome all of you to come to Me out of love, and by your own free will. You can only come to heaven through Me, which is why I represent your bridge to heaven. In the Gospel I showed the people that they need to be humble and innocent as children so they can enter heaven. All of you have to repent of your sins and ask My forgiveness, in order to enter heaven. I love the little children and the unborn, so you need to stop your abortions, and protect My little ones from being abused. In the first reading of St. James, you see the need for healing the body and the soul. When I was on the earth, I healed the whole person. First I forgave their sins, and then I healed their physical ailment. I call My faithful to reach out to share your faith in evangelizing souls, and to help the sick both with doctors and praying over them. The more important goal is to save as many souls as you can with My help. All of you are dependent on Me for all of your needs. So give your will over to Me so I can guide your life. Once you depend on Me in faith in all things, your life will be easier, and I will be able to work out your mission that I have planned for you.”

Sunday, March 2, 2014:
Jesus said: “My people, your priest gave a good testimony for the importance of the Mass that I instituted at the Last Supper. For all Catholics, coming to Sunday Mass is obligated by My Third Commandment. Those, who believe in My Real Presence, are so willing to be with Me in Holy Communion because they have a true personal relationship with Me. In the Gospel I give you comfort that I will look out for your earthly needs, as well as your spiritual needs. Some people worry about what they are to eat, what they are to wear, or where they will stay. If you have true faith in Me, and seek first My heavenly Kingdom, then all of these things will be provided for you. You are more valuable to Me than the birds of the air or the flowers of the fields, so be assured that I am looking out

for you in every way. I love all of you enough to die for your souls, so I call My people to love Me and your neighbor in My Commandments. You have a free will choice to love your Creator, or follow the devil who hates you. These worldly comforts and pleasures are only temporary, so do not let the devil deceive you into loving this world's empty promises. Seek to be with Me always in love, and you will have your eternal reward with Me in heaven."

Jesus said: "My people, most people who hunt deer, have to chase them down and shoot them with either a gun or a bow and arrow. When My faithful come to My refuges, deer will come into your camp and die, so you can have meat. You will still need some people with expertise in cutting up the deer for meat. Even if some people do not like eating deer meat, it will look good to you when you are hungry. I provided quail for meat in the old Exodus, and they flew into the Israelites' camp and died. At My refuges you will have daily Holy Communion for your spiritual bread, and deer meat in the evening. If deer is prepared properly, it will be adequate for My people's taste. My people will be protected by My angels, and you will have food, water, and a place to stay for everyone. Give thanks to Me for multiplying your food and dwellings, and for those people who gave Me their 'yes' to build a refuge."

Tuesday, March 4, 2014: (St. Casimir)
Jesus said: "My people, just as I have a family tree that goes back to King David, so you all have family trees of various generations. I have emphasized your generational healing of the sins in your family, by praying the long St. Michael prayer over their pictures with holy water or blessed salt. I have asked you several times to keep praying this way, so your family can be released from these demons. It is your responsibility to look after your children and grandchildren, not only financially, but for their souls as well. Some of you are the prayer warriors of the family, and they look up to you for spiritual leadership. So you

need to pray for the souls of your family every day, because you could be their salvation in saving them from hell, like your wife's father."
Jesus said: "My people, at your refuges, you would be fortunate to have an old farmhouse with a wood burner. In the cold winter, it is important to have wood or alternate fuels. Most refuges have wooded lots, so you could use wood to keep warm during the winter. Cutting up the wood would present a challenge, so you need some good saws. A gas chain saw would be appropriate, if you could have your gasoline multiplied. You also would need a good bed with plenty of blankets, maybe even some sleeping blankets. There will be food supplied from farming or using deer meat. Water will be supplied from a well or a nearby stream or lake. You will need a source of light at night with a wind-up flashlight or a lamp to burn lamp oil. Keeping warm in winter will require layers of clothes, warm underwear, thick coats, hats, gloves, and boots. By having good clothes, food, water, and wood for burning, you will have most of your needs satisfied for the body. At My refuges you will have daily Holy Communion from your angel, and round the clock Adoration of My Blessed Sacrament. Have trust in Me that your requests for your bare necessities will be fulfilled. You will only have to suffer through the tribulation for less than 3½ years. Trust in My protection, and you will have your reward in My Era of Peace, and later in heaven."

March 12, 2014
Wednesday, March 5, 2014: (Ash Wednesday of Lent)
Jesus said: "My people, you are at the beginning of Lent, as you take your ashes on your forehead at Mass. This is always a stark reminder that you were made out of dust, and unto dust you shall return. You need to remember your mortality because you could die any day, and you want to be ready with a pure soul to meet Me at your judgment. This is why I encourage you to come to Confession at least once a month so you can try to have a pure soul. During Lent many of you observe My Church's fasting between meals and no meat today and on Lenten Fridays. Lent is a time to do penances and give alms to the poor. You are making an effort to give up sweets and not watching TV. This not watching TV is a little practice after the Warning, when I asked you to get rid of your TVs, computers, and any internet devices. This is so you do not look at the Antichrist's eyes which he could control you with to worship him. Lent is meant

to help improve your spirituality, and bring you closer to Me. You are doing these penances in an attempt to make up for some of the reparation needed in atonement for your sins. You can offer up your suffering for your sins, and the sins of others. Try to pray and fast more than you usually do, and I will hear all of your prayers for your intentions."
Jesus said: "My people, your economy relies heavily upon moving merchandise to your stores. When much of your goods are made in foreign countries, like China, then the containers are used to ship things around your country. One of the cheaper ways to move heavy things like cars, containers, coal, and steel, is by railroad trains. It would cost a lot more to move things by truck. Trucks are used once the trains come close to their destination. The trains are only as safe as the tracks are well maintained. Be thankful that you have a means to move heavy things. Moving tank cars of explosive chemicals as gasoline, oil, and solvents, has created an added hazard. You have seen some explosions in your news recently with such tank cars. At times your train drivers were either sleeping, traveling too fast, or using drugs. This is what created some severe accidents. Every mode of transportation has its risks, so some regulations and precautions are needed for your trains to be safe. I am making you aware of one of your economy's necessities for your businesses to function."

March 12, 2014
Thursday, March 6, 2014:
Jesus said: "My people, caves are a special place of hiding, but it would be a moist place with a cool temperature. It may require a tent and a sleeping bag for warmth near the entrance. You would need My protection from any animals, and it would be a little difficult to multiply your food and supply you with water. This shelter may be more of a temporary refuge on your way to a final refuge. Again, you will need your wind-up flashlights for light, and a little fire for warmth. In the Bible you have seen Elijah hide in a cave at Mt. Carmel, and the early Christians hid in the catacombs during the time of persecution. Wherever you take refuge from the evil ones who want to kill you, My angels will protect you with an invisible shield. Trust in Me for your protection, and all of your needs."
Prayer Group:
Jesus said: "My people, you are just starting your Lenten devotions of prayer

which could be directed to the stoppage of abortion in America. You are seeing a million of My babies killed every year in your sins of abortion. These crimes will require much prayer to help atone for the taking of these lives. How can a mother kill her own child in such a gruesome manner? During Lent you could pray much for these mothers to have a change of heart, so they would not have an abortion."

Jesus said: "My people, the only acceptable marriage in My eyes is between a man and a woman. I have told you that homosexual acts and same-sex marriages are an abomination. These acts are mortal sins, and My Church should not have such marriages, or accept them in anyway. These are unnatural acts, and these relationships are not part of any of My plans for a marriage. Your civil society is accepting these same-sex marriages on a par with a normal marriage. Your society accepts abortion, euthanasia, and non-medical marijuana as well. All of these things are against My laws, and My faithful should stand up against these sinful acts."

Jesus said: "My people, I have showed you your many sexual sins and abortions, and this is why you are suffering many disasters as a punishment for your sins. You have seen much damage and power outages from your ice storms and deep cold. Some of you are having to pay higher heating bills because of your cold temperatures. Your salt supplies and your fuels are getting low because you did not expect such a harsh winter. Your schools have had many snow days, and your airlines are suffering from many cancelled flights. You are even seeing an effect on your economy as well. Keep praying to offset so many sins against Me. Without enough prayer, you could see a continuation of your many disasters."

Jesus said: "My people, in other countries the people use bicycles more because of the high cost of running a car among poorer people. Americans have been spoiled with their cars for travel because their fuels are relatively cheap. If your fuel costs get much above $4/gallon, or if your fuel supply is restricted, you could see bicycles used more here in America. Without cheap and plentiful fuels, your cars could get too expensive to run. Give thanks for your cheap fuels while you still have them."

Jesus said: "My people, California has suffered nearly three months of severe drought, and it has stopped many farmers from growing their crops. There was a large rainstorm recently, but the water was only temporary, and not enough to stop the effects of their drought. With the manipulation of the weather, you could see the beginnings of a man-caused world famine. The distribution of food will be controlled, and it may require chips in the body to buy food in the future.

Have some food stored in your houses, in case you could see a shortage, or a demand for chips in the body to buy food."
Jesus said: "My people, in the beginning of Lent you start out with much vigor and purpose in your planned penances. As time goes on, your body is tested, and some of you will not be able to continue your initial intentions. Try to be persistent in your prayers, Masses, penances, and almsgiving throughout the whole of your Lenten sacrifices. Your good deeds and penances will gain you merits in heaven."
Jesus said: "My people, you have a lot of spiritual opportunities given to you during Lent by your own parish leaders. Many parishes have several days of a mission to improve your spirituality. You also have soup suppers and the Stations of the Cross to attend. Some parishes also have special days for Confession, which is part of repenting of your sins. Take advantage of these opportunities of grace, as well as daily Mass for your Lenten observance."

March 12, 2014
Friday, March 7, 2014: (St. Perpetua & St. Felicity)
Jesus said: "My people, you are celebrating First Friday with Adoration of My Blessed Sacrament. This is another devotion that you can use during Lent to come closer to Me. You have a few minutes with Me after receiving Me in Holy Communion, but at Adoration you can pray a holy hour with Me. My daily Adorers are very familiar with being before My Real Presence, because they look forward to My rest and peace that is always before them. Very few people take the extra time to visit Me in Adoration, or in My tabernacle. I am always present for you, as long as you can enter an open church or a chapel. Some can come for a short visit, if you cannot stay an hour. I appreciate all of My faithful who make the time for Adoration and their prayer time. If you truly love Me, you will tell Me every day in your prayers and Adoration. Those faithful, who are looking to enhance their spirituality in this Lent, can take time to visit Me often."
Jesus said: "My people, if you are led to a monastery for your refuge, you will have to work with the monks in providing the food. You may not be forced to live a monastical life, but you could come to their prayer services and Masses. There are some monasteries that are preparing for the end times with extra food and bedding. When you bring a few clothes, blankets, and warm coats, they will

be helpful, since these places are not that warm in the winter. Be grateful to your hosts at whatever refuge that you are brought to, because you will be protected by My angels, and your food, water, and bedding will be multiplied to satisfy your needs."

March 12, 2014
Saturday, March 8, 2014:
Jesus said: "My people, I called My apostles from all walks of life to follow Me. When I called Levi, he instantly left his post without any hesitation. Levi was later named Matthew, who wrote one of the four Gospels. He held a dinner for Me and his friends. Then the Pharisees asked Me why I ate and drank with sinners. I told them that sick people need a physician. I came to heal sinners, and not the self-righteous. All of you are sinners, whether you want to admit it or not. This is why I came, to offer My life up for all the sins of mankind. In return for My giving you salvation of your sins, I am also calling everyone to follow Me. Not all the people are giving their 'yes' to believe in Me. It is only a minority of the people that I call My true faithful remnant. Just as My apostles answered My call, I am asking My people to work hard this Lent to improve their spiritual lives. It is not easy to go against your bodily desires in carrying out your Lenten penances. Keep focused on Me in following My Commandments, and strive to love Me and your neighbor."
Jesus said: "My people, you are watching America self-destruct by its leaders, and your moral decadence. Only a third of your households have a mother and father that are married. The remainder are single, couples living together in fornication, divorced, or homosexual couples. The children of these later households are suffering because most of them do not have a mother and a father. When your lifestyles are focused on pleasure instead of on following My laws, then the children will not be taught in a proper environment. Not only are your family households in disarray, but your government is also in disarray in trying to control its people under socialism, which leads to communism. Satan is controlling the one world people to take over your country with a manufactured martial law. When this evil persecution of Christians threatens your lives, then My faithful will need to leave for My refuges under the protection of your angels."

March 12, 2014
Sunday, March 9, 2014:
Jesus said: “My people, in today’s Gospel you see Me being tempted by Satan in the desert after I fasted there for forty days. I am a God-man, but on earth I was like you are in everything but sin. I always follow the Will of My heavenly Father, so Satan’s temptations would not draw Me into sin. He tried to tempt Me, because in a human way, I was weak from not eating. He quoted Scripture to Me about his temptations, but I also quoted Scripture to him as well. His temptations of a need for food, pride, and power, are the same things that he tempts all of you with in your daily lives. If you keep close to Me in prayer, Confession, and good deeds for your neighbor, you will be strengthened to endure Satan’s temptations. Even fasting during Lent, as I did in the desert, will help keep you focused on following My Will. Just as I followed the Will of My Father, so all of you are called to do the same. Lent is an opportunity to grow in your faith, so be willing to follow your Lenten devotions and fasting for love of Me.”
Jesus said: “My people, you are familiar with a small hourglass for measuring time for an hour. I am showing you in the vision a very large hourglass with enough sand for a lifetime. As you approach your 70’s and 80’s, you can see that there is not much sand left in your hourglass of your life span. I have mentioned before that you need to have your soul pure all the time, because you could die at anytime. By frequent Confession and your daily prayers, you can be ready to meet Me at your judgment. As you get older and later in life, you have an even greater chance of dying sooner than later. I do not tell you when you are to die, because you could die suddenly from an accident, or from a heart attack. Your preparations for death may be more obvious if you are dying from terminal cancer. Do not think that you are guaranteed a long life, so you need to be prepared to meet Me at your judgment on every day. If you are living in mortal sin, you do not want to risk going to hell. So do not put off going to Confession, because you may not have tomorrow. I love all of My people, and I want to see everyone saved. I rely on My prayer warriors and My evangelists to bring as many people to Me as possible.”

March 12, 2014
Monday, March 10, 2014:
Jesus said: “My people, you see Me at the judgment seat at the end of your life, and I should be the only judge of people. Do not judge people, especially unjustly. You can attempt to correct your neighbor politely in trying to save their soul from hell. At the judgment I will separate those who believe in Me and love Me, from those who do not accept Me and do not love Me. If you love Me and your neighbor, then you will feed the hungry, clothe the naked, and visit the sick and those in prison. Help those also who need shelter for a place to stay. If you do these things, you do it to Me in them. If you do not help those in need, then you risk the fires of hell for not truly loving your neighbor. The least that you could do, is to pray for those in need, and give alms to the poor. Do not be so selfish, that you have no love for your neighbor. You also need to show love for strangers, because even serious sinners love their own people. By being generous with your time and money, and being humble by praying for people, then you can be on the right path to heaven. Those, who refuse to help others out of love, do not love Me and they could be on the path to hell. Choose your right decision because this life is too short before you will be facing Me at your judgment.”
Jesus said: “My people, I have mentioned recently how you could see a major earthquake on the West coast. Now today, you have seen a 6.9 earthquake with several 4.6 aftershocks. This is an unusually strong earthquake for this region. It is also close to an induction area that could cause a tsunami. In addition, it is not far from the San Andrea’s fault as well. This could be a sign of larger earthquakes that could occur in this same area. Be prepared for some more significant disasters that could cause some deaths and some damage to your economy. Your people are still not repenting of their sins, and more punishment is coming as a result of not enough people praying for America.”

Jesus said: “My people, I am the Light of the world, and I disperse the darkness of evil. Without a spiritual Light for your soul, you would have no direction for

your soul. As you see in the Gospel, I gave My apostles and My people the 'Our Father' prayer to direct all of you in following the Will of My heavenly Father. Just as you give direction and guidance for your children, so I am giving spiritual direction, as well as My help in providing for your physical needs. You are all dependent on Me for everything in life, but some people may not realize how I help you. I give you life in your spirit, the air that you breathe, the light from the sun, your talents to get a job, and the resources for your food. As you look around in nature, you are seeing all of the plants and animals following My plan for their existence. I have given men and women a free will to choose to love Me and follow My Will. When you choose to follow Me in love, life will be much easier. If you only follow your own will, then life will appear twice as hard. So choose 'life' with Me as your Light to guide you, and you will be on the right path to heaven."

Jesus said: "My people, it is important for the children to be brought up in a loving environment with a mother image and a father image. Both parents bring complementary traits that are needed for a proper balance. The wife brings feminine traits of caring and motherly love for the children. The husband brings masculine traits of leadership and being a financial provider for the family. The women are working more today, but it is better to be home for the children when they are young. The parents are responsible for the upbringing of the children in their faith, as well as in their secular skills. Prayer in the family is essential to hold the family together without divorce. When one parent is missing, the children are not being fully educated in family life. Single parents with children have to bear a double burden of providing the money, and taking care of the children. Working parents are also missing out in the children's upbringing, when the day care provider or babysitter is more known to the children than the parents. Rejoice if you had a mother and father when you were a child, and when you are a mother or father for your own children. Model your family after the Holy Family, and your household will be one of joy and love with Me in the middle."

Wednesday, March 12, 2014:

Jesus said: "My people, during Lent you are praying and fasting just as it speaks

of these things in the readings. In the Gospel I was telling the people that they had someone greater than Solomon's wisdom here in Me. They also had someone greater than Jonah here as well. In the first reading you see Jonah as a reluctant prophet who did not want to tell the people of Nineveh to repent. After being spewed up on the beach, he went. He proclaimed that in forty days Nineveh would be destroyed. The king declared a fast all over his kingdom, and he sat in sackcloth and ashes. Because of this threat, the people of Nineveh repented of their sins, and they changed their sinful lifestyles. Once, I saw that the people had changed their ways of sin, I relented of any punishment, and the city was spared. This is a lesson for America, because I have given America many messages to stop its abortions and repent of its sins, or America will be taken over by the one world people. Because America is not repenting, nor changing its sinful lifestyles, there will be more disasters of punishment. In the end, the one world people will take over your government with martial law, and you will be given over to the Antichrist. This is when you will need to come to My refuges, when you will have mandatory chips in the body and have to worship the Antichrist. Refuse the mark of the beast, and refuse to worship anyone but Me. If you do not leave for the safety of My refuges, then you could be captured and killed in your detention death camps. Trust in My protection because I am more powerful than all of the demons."
Jesus said: "My people, as you all were digging out from your recent snowstorm, you are seeing another one of your snow disasters that is temporarily paralyzing your people from their normal activities. Schools and businesses had to close down because of your blizzard conditions. You are up to 'V' in your snowstorm names, and you are seeing these disasters, one after another, like I told you before. In your Lenten Season, these storms are penances to make up for your sins as a nation. I have been giving you many warnings, like Jonah, to repent and change your sinful ways. Without enough prayer, you will continue to be harassed by these disasters. Wake up America, and stop your abortions, before these disasters will grow worse with time."

Thursday, March 13, 2014:
Jesus said: "My people, I know it will be a while until spring flowers are

blooming, but I want My people to bloom in their faith so they are good examples to others. When you are joyful, and you have My love in your eyes, people can see that you have that extra sparkle that does not come from this vale of tears. Your joy comes from Me, and I wish to share My love with all of you. When you have My love in your heart, you want to share it with everyone, just like I share My love with you. You may be called to reach out and help your neighbor in need, that could take you out of your comfort zone. Be willing to share your time, talent, and money to help people. By going this extra mile to help people, you will gain merits in heaven for your efforts. Continue to bloom where you are planted, even amidst the trials of life."

Prayer Group:

Jesus said: "My people, in the history of the Greeks and Romans, you have seen some of the idols that they treated as gods and goddesses. Even today, in your own society you see how some people worship their sports, possessions, and money, more than Me. Some of these things may be a part of your life, but they are only earthly and temporary. When you worship Me, you are concerned about your spiritual life with Me, and your eternal destination in heaven. I am the only One worthy of your worship according to the First Commandment. This states that you should have no other gods before Me."

Jesus said: "My people, you have seen a major search for an airplane that appeared to be lost at sea. There are many stories and suspicions of why the tracking signal was turned off or failed. You need to pray for the missing people and a resolution of what happened."

Jesus said: "My people, it is sad that Russia has taken over the Crimea by force. It is becoming even more threatening to have thousands of Russian troops and armor gathering on the border of the Eastern Ukraine. As Russia becomes more aggressive, there is a concern for a military takeover of parts of the Ukraine. Pray for peace in this situation, that could break out into a full scale war there."

Jesus said: "My son, you have had to make a decision to continue nutrition and hydration for your wife's mother after her stroke. You are not removing these things that are necessary to continue life. In these decisions you are seeing some people stop any support, which could be considered passive euthanasia. You are seeing some states that allow euthanasia for terminal cases and some stroke situations. You do not want to act like Me in ending life. I bring life and take life, and you should honor My ways, instead of man's ways."

Jesus said: "My people, many of you pray to Me for various intentions. It is hard to make demands of Me, because I receive your intentions, and they are not

always what is best for your soul or another. It is true in the Gospel that I told you to seek and you will find, to ask and I shall hear your prayer. I answer prayers in what is best for you overall in the big picture of your life. Do not be offended if your prayer is not answered as you desire. There may be many reasons that your prayers may be answered in a different way than you requested. Trust that I will protect you and care for your needs."
Jesus said: "My people, at first you are strong with your fervor of faith to carry out your intended penances. You are seeing that the spirit is willing, but the flesh is weak. You are being tested by your body's desire for food and sweets when you are fasting. You also will be tested by the devil's suggestion to break your fasting because of your hunger. He knows you are weak in your body, but remember that you are fasting in order to train the body to follow the soul's desire, and not let the body control you. Your penances are helpful in strengthening your spiritual resolve to avoid sin, and follow My Commandments."
Jesus said: "My people, I asked you to remember to pray the Stations of the Cross on Lenten Fridays. You may forget at times, but you need to make it up the next day, much like you make up missed rosaries on the next day. Make a point to put this on your calendars so you do not forget. Just as you pray My Divine Mercy Chaplet at the 3:00 o'clock hour, remember to honor Friday which is the day on which I died. You will gain merits in heaven for remembering Me when you pray your Stations of the Cross on Fridays."

Friday, March 14, 2014:
Jesus said: "My people, because your President and the European leaders have been reluctant to put troops on the ground, the Russian President will perceive their weakness to restrain him from taking more territory. The big fear is that one side will miscalculate the other side's intentions, and a serious war could be started over the Ukraine. After many no-win wars in Iraq and Afghanistan, many people in America do not want to be drawn into another long war with Russia. This appeasement policy did not work with Hitler, and this could make Russia see that no one wants to resist them militarily. Keep praying that a larger war is not precipitated in the Ukraine."

March 26, 2014
Saturday, March 15, 2014:
Jesus said: “My people, the Last Supper was a Seder Supper that celebrates the Passover when I protected the Hebrews from death by the blood on their doorposts. The Hebrews used unleavened bread as they were in haste to leave Egypt. You are now in Lent, that leads up to Holy Week and the commemoration of My death on the cross, and My Resurrection after three days. You remember My love in dying for all of you at every Mass. The priest consecrates the unleavened bread and the wine which are transubstantiated into My Body and Blood. You receive My Real Presence in My Blessed Sacrament at Holy Communion time. This is a gift of Myself that I have given to you so I will be with you sacramentally to the end of this age. You can visit Me in My tabernacle wherever you can find an open church. Give thanks and praise to Me for all the gifts that I give you.”
Jesus said: “My people, during Lent you are focused on My love for you, when I gave up My life on the cross to atone for your sins. I am all loving, and I want My faithful to love everyone as well. If you desire to come to heaven, then you must be humble, without any anger or hatred in your hearts. In essence, you must be like little children in their innocent trust of their parents. During Lent you need to work on reducing your pride, and on reacting to each scene with love, and not anger or swear words. By being more loving of people, you can curb your sins, and act like a true Christian. While you still have time in Lent, pick out some of your frequent sins, and try to get control over your body’s weakness to these sins. If you truly love Me, you will watch your behavior, so you do not offend Me with any sinful actions.”

Sunday, March 16, 2014: (Gospel on Transfiguration)
Jesus said: “My people, this vision of My glorified Body with Moses and Elijah astounded Peter, James, and John. Out of a cloud they heard My heavenly Father

say: ‘This is My beloved Son, hear Him.’ (Matt. 17:5) My apostles wanted to enjoy this moment, but when they looked up, the vision was gone. This event was meant to give My apostles hope as a preview of My Resurrection. This also gives hope to all of My faithful as well, that one day My worthy souls will be reunited with a glorified body in heaven. This vision gave you a joyful feeling as if you were right there. This is the same peace and joy that you will experience in heaven. Those, who have had this experience, do not want to return to their earthly lives. It does give you hope and support to endure your life, because you know what is coming in the next life. Rejoice and share your feelings with others to give them hope.”

March 26, 2014
Monday, March 17, 2014: (St. Patricks’s Day)
Jesus said: “My people, many of you are wearing green today in honor of St. Patrick. He was a great missionary of My Word for the Irish people. You were amazed that the Irish people did not love St. Patrick more, because they treated him as a foreigner, since he was not born there. Some of the people spent time drinking at the pubs, and there were a lot of people living together without marriage. So the teachings of St. Patrick were meant to change their lifestyles of drinking and living together. This could be why St. Patrick was not loved so much, because sinners did not want to change their ways. This is also why I am not liked by some people, because of My preaching of love your enemies, and avoiding your sexual sins. Anytime that you try to change people’s sinful habits, you are not going to be very popular. Even though My followers will meet some resistance and persecution, Christians need to preach My ways against sin, and practice what they preach. Pray for all sinners, both in Ireland and in your own America, where many Irish people have settled.”
Jesus said: “My people, during Lent one of your devotions should be giving alms to the poor. You remember when I talked of the widow’s mite, when she placed two copper coins into the Temple treasury, which was all that she had to live on. Other rich people placed more in the collection box, but their donations were from their excess wealth. In another parable I offered a rich man to give up all of his money to the poor, and follow Me. He went away sad because he did not want to give up his many possessions. The things that you own, begin to hold

you back, especially when you depend more on your wealth, than you depend on Me for everything. When you give alms, do not let your right hand know what your left hand is giving. In other words, your donations to the poor should be proportional to your income, as in tithing 10 percent of your income. By giving alms from the heart, you will not withhold your wealth from Me. I love a cheerful giver, who is not selfish in hanging on to his or her wealth as a miser."

March 26, 2014
Tuesday, March 18, 2014: (St. Cyril of Jerusalem)
Jesus said: "My people, I call all of you to a life of prayer, but not all of you are called to a religious life. Those, who live in the world, are still called to follow the faith, and not act as hypocrites. In the Gospel I chastised the Pharisees because they did not practice what they preached, and they were not good examples to follow. I told the people to follow their teachings, but not their actions. So I am warning My faithful to live your faith in your actions, so people can see that you practice what you believe. Your best way to teach people how to live as Christians, is to show them in your acts of kindness in helping people. You should love Me and your neighbor, so people should be able to see your love, and that you are following My ways of worship on Sundays and monthly Confession. When you are faithful to My teachings and live your faith, you will be on the right road to heaven."
Jesus said: "My people, you have been given an extra grace of time for people to repent and change their lives in the face of many disasters. Even with more time, your morals are being more corrupted with same-sex marriage and legalized marijuana use. Now, you are seeing signs in the vision of the coming of My Warning experience for all sinners. I have sent you many punishing disasters, and your people still do not understand that they need to repent and change their ways, like the people of Nineveh. In the Warning, everyone will see their life review and where their lives are headed by My justice. Some people will wake up and see how they have offended Me, and they will desire Confession. Others will remain in their sinful ways because they love their pleasures and possessions more than Me. They will rationalize any punishment in hell, but they will only fool themselves if they do not change. When the devil can convince

sinners that there is no hell or punishment, then they can be deceived into more sin without repentance. After the Warning, you will have a short time to evangelize your wayward family members. If they still refuse to repent and refuse to love Me, then they are leading themselves into hell. You will have done your part to warn them. Those, who still refuse to repent, cannot enter heaven and will be punished forever in the flames of hell. Those, who love Me and repent of their sins, will be with Me in the joy and happiness of heaven for all eternity. Choose life with Me in order to be saved."

March 26, 2014
Wednesday, March 19, 2014: (St. Joseph's Day)
Jesus said: "My people, today you are celebrating St. Joseph's Day in many different ways with bread and no meat. St. Joseph received a dream at night that he was to take the Holy Family to Egypt as a refuge, so Herod could not kill Me. In a similar way, you will be told when it is time to come to My refuges, so you will not be captured and killed by the one world people. When you call on Me, I will have your guardian angel lead you with a flame and an invisible shield to your nearest refuge. You will pack your backpacks, tents, sleeping blankets, and some food and water into your vehicles as quickly as you can. Once you leave your homes, you will not return, because after the tribulation, you will come into My Era of Peace. Be prepared to leave at anytime, and trust in My protection and My providing for your needs."
St. Joseph said: "I am Joseph, the guardian of Jesus and my spouse, the Blessed Virgin Mary. I am the patron of the Church and a patron for families. You received a blessing in my honor, and I am giving you a spiritual blessing for all of your families. I especially want to bless all of the fathers who should be the protectors and providers for their families. Not only should you take care of your children, but your grandchildren, and even some great grandchildren. The fathers need to be heads of their households in watching out for the faith and well being of all their family members. I was the protector and provider for the Holy Family, and all of you could imitate us in your own families. I do hear all of your prayers, and I give them over to my foster Son, Jesus."
Jesus said: "My people, today's Gospel starts with St. Joseph at the end of many generations going back to King David and Abraham. This is why St. Joseph and

My Blessed Mother had to register at Bethlehem because of their lineage that went back to King David. The tree in the vision refers to a family tree that branches out into many families and children. Not only was My heritage important to My mission, but family heritage points to who you are in your families. Every time I bring up older generations, it is a good chance to remind you to keep praying for your generational healing in your own families with the long St. Michael prayer and the holy water or blessed salt. Keep praying for your families to break any habitual sin from any addictions."

March 26, 2014
Thursday, March 20, 2014:
Jesus said: "My people, I know that you are a little weary from the harsh winter, but you are starting to see some signs of spring coming. With more days above freezing, the snow is almost melted, the days are longer, and you can see the light at the end of the tunnel of a hard winter. You still may have a few cold days left, but you are switching over to your lighter coats and jackets. Just as you are seeing new signs of life in nature, so in Lent, you should be seeking some improvements in your spiritual lives. Having the sun out with warmer temperatures, is also lifting up your spirits out of some depressing weather. Lift your heads high as you see My creation springing into life again. I love all of you, as you are being more focused on following My ways of love in your life."
Prayer Group:
Jesus said: "My people, you all are like actors on a stage, and each day you are given life's new circumstances. It is your free will choice as to how you will react to your life's daily trials. Many times you are torn to make choices of which direction to go. When you need to make big decisions, come in front of My tabernacle and pray for discernment. As long as your decisions are not sinful, it is the decisions you make that you will have to live with. Call on My grace to help you make the right decisions."
Jesus said: "My son, you have helped to shelter your family members when they were in need. Your family will need to make some compromises to meet the needs of your members. It may require some give and take from each member in order to provide for what is needed. Keep praying for the proper direction that people need to live according to My laws."

Jesus said: “My people, you can see on a small scale how you can get along in peace with your neighbors. You also try to live in peace with your extended family as well. Just as you can live in peace and love with your neighbors and relatives, so on a larger scale your nations should live in peace and love with each other as well. You can see a tense situation going on between Russia and the Ukraine. Keep praying that war does not result from this confrontation, and that lives will be spared.”

Jesus said: “My people, your Federal Reserve has been holding your interest rates at a historically low rate of near 0% for several years. This has helped the rich in your stock market to make millions. Those, who need loans for homes and cars have been helped also. Even though your job market has improved, the average household has not really shared in your improving economy. Your older people who cannot afford to risk their savings, are finding it difficult to live off any income investments and Social Security. Pray for your families who are having to live on less income than in the past. Have trust in Me that I will help provide for your needs.”

Jesus said: “My people, it is unfortunate that some people on welfare have the same income as the working poor, who can only find minimum wage jobs. Many millions of people are applying for food stamps when these programs have been cut back in their funding. Even more people need to rely on food shelves for their food supplies. These food shelves rely on donations, and the food demand is stretching their supplies thin. Pray that the poor can find enough food to survive. This is why I have asked people to make their Lenten donations to their local food shelves to help the poor to have the food that they need.”

Jesus said: “My people, during Lent you may find it difficult to fast between meals, and you may be suffering a little with your chosen penances. Even though these are little sufferings compared to My suffering on the cross, still these penances are good to restrain your body from all of its desires. By restraining your body in small things, it may enable you to restrain your body’s desire for sinful things. As you see that you can live with less of your body’s desires, this will make you stronger to resist sinful pleasures.”

Jesus said: “My people, while you were bringing up your family, you tried your best to have them taught the faith and their prayers. You encouraged them to come to Sunday Mass and monthly Confession. As your children grew into their late teens and left your house, now a good share of them are not going to Sunday Mass, and they pray little. This is a common occurrence in many homes as parents are praying for their children who have lost their way spiritually. All

parents need to pray for their children's souls, and they need to encourage their children to live good Christian lives. Many grown-up children are lazy spiritually, and they need to see the parents as good role models. Keep praying for your children every day."

Friday, March 21, 2014

March 26, 2014
Friday, March 21, 2014:
Jesus said: "My people, you can see an immediate parallel between Joseph in Genesis being sold for twenty pieces of silver by his brothers, and Myself being betrayed by Judas for thirty pieces of silver. In both cases God brought good out of both betrayals. In the case of Joseph, he was brought to Egypt and by interpreting the Pharaoh's dreams, he was able to store up grain during the seven plentiful years to get through the seven years of famine. Even Joseph's family had to get food from him because Israel was in famine as well. In My case the Jewish leaders had Me crucified as a result of Judas' betrayal. But this was My mission, to offer up My life for the sins of all the people. This salvation for all sinners was a plan of God to open the gates of heaven to those who are worthy. As you get closer to Holy Week, you will read about My Passion and Resurrection on Easter Sunday. All of these events were fulfilling the plan of God in the Scriptures for all of mankind. Rejoice in My gift of My life for you in every Mass."
Jesus said: "My people, as you look at streams or rivers, there is a constant flow of water that must be replaced with rain or melted snow. You see time passing you by as well, but you can see yourself aging over time. You are fortunate if you work or get a pension to keep providing your food and paying your bills. You may see new buildings, or you may have to make some repairs to your house. For the most part, things in life do not change very drastically. I call My people to daily prayer, and some come to daily Mass. In life you are always joined to Me, and I help provide for your needs. Some people are busy to accumulate a lot of wealth, while others are content with their lot to live a normal life. When you are older, you look back and wonder where all the time went. This life is very short, so you need to always be ready with frequent Confession to be willing to die one day, and face Me at your judgment. Every time you see someone dying or in a casket, you start thinking how you will be

there one day. Pray for your spiritual protection, and for all sinners, as well as those in purgatory. These souls will thank you one day for helping them to come to heaven."

Saturday, March 22, 2014

March 26, 2014
Saturday, March 22, 2014:
Jesus said: "My people, this parable of the Prodigal Son is a true expression of My compassion on all sinners. I love all of you so much, and you can see why heaven rejoices over one repentant sinner. At times people are so bound in captivity to their sins, that they neglect to ask My forgiveness of their sins. I am all loving and forgiving of the worst sinner. This reminds you of another parable when I asked the people who would be the most thankful. The one who owed 500 bushels of wheat or a debtor who owed 50 bushels, when they were forgiven their debts. Those, whose debt or sin is more, should be more thankful. Even as I forgive you of your sins, I am always waiting for all sinners to seek My forgiveness. Just as I forgive you of your sins, I want My faithful to forgive others as well, as you do in praying the 'Our Father' prayer. You should not hold grudges or be unforgiving of others. When you forgive as I do, then those, who are lost, will be found."
Jesus said: "My son, you are seeing Lydia with signs of her last stages of life. She has been blessed several times, and you have a brown scapular on her. Your family has had some warning of her closeness to death, so it is good that everyone could see her while she is still alive. She has had a full life, and you had some years with her at your home. You should comfort your wife during this trying time. You have had some signs that Lydia's deceased husband, Camille, is waiting to greet her. Keep praying to comfort Lydia and the family during her last days."

Sunday, March 23, 2014

March 26, 2014
Sunday, March 23, 2014: (Lydia Remacle died at 5:15 a.m.)
Lydia's (Carol's mother) comments to me after she died at the nursing home:

“There are no arguments in heaven. That is why you should not be fighting with one another. There is only the love of God that envelopes us. I am happy to not have to endure any more breathing problems, stroke symptoms, and knee problems. I thank all of you for being at my bedside throughout my last days. I am happy to be with Camille, my husband, and all of our deceased relatives. I truly love him, and now we are all at peace. I am getting an urging from Jesus to encourage all of the family to pray for all the souls in the family to bring their souls closer to Jesus. I truly love all of my family more than you know, and I thank you for taking care of me, not only in my stroke, but for all the years that I was in your care. I also want to thank all of my caretakers here at St. Ann’s and in the hospital, as well as the ambulance attendants. I thank Carol and John, Sharon and Dave, and Donna and Herm for taking me out to lunch and dinner so many times, even though you did not always want to do it. I thank you for putting up with me in all of my fussy eating habits. Please call all of my living relatives to let them know of my passing and how much I love all of them. Keep the pictures of me around to remember me.”

Camille, Lydia’s deceased husband, gave these comments to me after Lydia died: “After seventy years of marriage, I am happy to be with my ‘Babe’ again. Lydia’s spirit is still around her body for awhile. I am here with Lydia and our deceased relatives to comfort her in transition from life in the body to life in the spirit only. I will still be letting you know of my presence when you see the light in the dining room go on, and any other signs where I have been before. I see her body will be coming next to me

at my grave, so we will be companions in life and companions in heaven. Life outside the body is peaceful and free of all earthly things.”

Jesus said: “My people, in today’s Gospel you read how I asked a Samaritan woman to give Me a drink of water from Jacob’s well. The woman was surprised that a Jew would ask a Samaritan for a drink of water. Then I told her how she had five husbands, and now she was living with another man. I asked her if she would like My ‘living water’ so she would not have to drink this water again. I was speaking to her about receiving God the Father, God the Son, and God the Holy Spirit in Holy Communion. She mentioned how the Messiah would come to teach people all things. I told her that I was He. She ran to bring the people to hear Me, and they believed that I was the Savior, when they heard My words. The flashback of your wife bringing Holy Communion to her mother, is similar to giving the woman at the well My ‘living water’. Rejoice that Lydia is coming to heaven as soon as her transition to her new life is completed.”

March 26, 2014
Monday, March 24, 2014:
Jesus said: “My people, a prophet is not respected for his gifts in his hometown. In Nazareth, I could not heal people there because of their lack of faith in My healing gifts. Even when I mentioned how I could not heal anyone there, the town’s people wanted to kill Me by throwing Me over a cliff. But I walked through their midst because it was not My hour to die. Even now, those prophets, among you, are not recognized for their gifts either. My prophets should be humble and not look for fame or notoriety. You prophets have been given gifts, and you are doing nothing more than your duty in carrying out the mission that I have given you. Remember also that many prophets were killed and tortured because the people do not want others telling them how to live without their sinful pleasures and lifestyles. As the time of tribulation approaches, you will see My prophets persecuted and eventually the evil ones will seek to kill them. I offer My faithful My refuges of protection, when the Antichrist and his followers will try to kill all of those people who worship Me. Do not take any chip in the body, and do not worship the Antichrist. I am the only One worthy of your worship.”
Jesus said: “My people, during Lent you should try to focus more on some good spiritual reading in addition to your prayers and fasting. Read a little of several good books until you find a book that you feel comfortable in improving your spirituality in coming closer to Me. Read books that bring you into a closer love relationship with Me. I love all of you so much, and I know everything about each one of you. But you do not know much about My deeper love for you. This is why it takes some looking to find such a book of My love. By using your time for a better use, you will not be frittering your time away on foolish entertainment. Instead of trying to comfort the body’s desires, try to comfort your soul in My peace and love that the soul desires. You will see that such spiritual reading will expand your knowledge and love of Me.”

March 26, 2014
Tuesday, March 25, 2014: (Feast of the Annunciation)
Blessed Mother said: "My dear children, this was the big moment in my life when I gave my 'fiat' yes to St. Gabriel, God's messenger. This was the beginning of my Son's journey on earth, when I accepted being His mother by the overshadowing of the Holy Spirit. My children should rejoice at the coming of my Son, Jesus. You celebrate His birth nine months later on Christmas, December 25th. Today, you are also pleased to be great grandparents with your granddaughter's baby. Do what you can to comfort her and support her in her new responsibilities. My Son loves the little ones, and this is why He is so offended by your abortions. Pray for all would-be mothers to have their children instead of killing them. Your people need to be more loving, instead of a part of the death culture."
Jesus said: "My people, on the day of the Warning, or life review for everyone on earth, there will be a very frightening comet that will pass close to the earth. Some could die of fright from this celestial experience, or from seeing their sins as I see them. I have told you before that this comet of the Warning will miss the earth, but its trajectory will be changed by the earth's gravity. The next time that this comet comes around again, it will be the Comet of Chastisement that will strike the earth and kill two-thirds of the people. This vision is another sign that the Warning is not far off. I have warned My people that you need to come to Confession to avoid any visions of hell as your mini-judgment."

Wednesday, March 26, 2014:
Jesus said: "My people, today's readings are all about having people follow the Ten Commandments. The light in the vision represents the Word of God that is given in the Commandments. The Commandments are truly about loving Me and loving your neighbors. I came to fulfill the law and not to change it. All the people need to understand that My laws are like a light to give you direction in how to live your lives for heaven. You still have free will, but if you disobey My laws, you would be more on a path to hell. This light of faith is also important to

share with others in your evangelization efforts. It is also important to pass this light on to your children, as well as your grandchildren. It is the parents' responsibility to take care of the souls of their children. You will have to answer for their souls at your judgment, that at least you made an effort to teach them the faith with your good example. See the light of My laws as a part of how you should live your lives out of love for Me."
Jesus said: "My people, when you look at a newborn baby and how cute they are, you start to wonder how any mother could kill their own child in abortion. You saw a mother crying when her baby cried. But what about the screaming baby in the womb when an abortion doctor kills a baby by late term abortion. Your replacement population does not even keep up with the deaths because of your abortions. Without the immigrants coming in, your population would be decreasing. Keep praying for your mothers to have their children, no matter what the inconvenience a baby may cause. How can you refuse accepting one of My little ones by abortion? America will suffer greatly for all the babies that you are killing by legal abortions. I want you to follow My laws instead of man's laws."

Thursday, March 27, 2014:
Jesus said: "My people, in today's Gospel the people even accused Me of being the prince of demons, because I cast a demon out of a person. I explained to them that Satan's kingdom would fall if it was divided. But if it is by the finger of God that I cast out demons, then the Kingdom of God is among you. The people were confused about My powers because they did not understand that I am a God-man. The demons knew Me and they proclaimed that I was the holy One of God, but I rebuked them to be quiet. I have mentioned before that when a demon has been cast out of a person, that person needs protection by changing his or her life. You can also put a scapular on someone, or other blessed sacramental so they could be protected. If there is no protection, or the person returns to his or her evil ways, then the demon will return to that person with more demons, and the last state of the man will be worse than the first."
Prayer Group:
Jesus said: "My people, whenever a baby is sent to you, he or she is part of a greater family that fits into your family tree. It is good to have the support of the family for the new mother and father. You are all grateful for this new gift of life

that is very precious to all of you. I want all mothers to treasure these gifts of life, and I pray that they will have their children instead of aborting them. I love the little children, and I am so offended when you kill or abuse them. I know there are a lot of children born out of wedlock, but I still desire My faithful to have their children in the married state."
Jesus said: "My son, I know you are all grieving your mother, grandmother, or great grandmother. As you prepare her pictures, a lot of beautiful memories are coming forth to remember Lydia. This is why she wanted to have her pictures around to remember her. She is with her husband here with Me. Rejoice in the gift of her life which has had a large effect on many of your family members. She is the last of her generation in your family."
Jesus said: "My people, it is difficult to say goodbye to a beloved member of your family. It is soothing to know that she is safe with Me, and no longer suffering any pain. She was grateful to all of you who helped to take care of her in her later years. She loves all of you, and she will not forget you, but she will be praying for your souls. Treasure the last moments that she had with you, even if she could not talk to you. You can call on her help as another saint in heaven."
Jesus said: "My people, those people, who chose more difficult penances, will reap even more rewards in heaven for joining your little suffering with Me on My cross. I am always suffering on My cross with every new sin. Please contribute to My joy and glory with your obedience, instead of adding to My suffering with your disobedience. Lent is a time of sacrifices, penances, and almsgiving. When you do these things, you are doing them for love of Me."
Jesus said: "My people of your family, you have seen some signs of Lydia's deceased husband as he turns on your daughter's lights, unlatches the old kitchen door, and other signs. Do not be surprised that Lydia is being taught by her husband to leave her signs in a different way. As you pray to her, she will be allowed to answer you in various ways. It is a grace to be given signs from the deceased. Remember their mission is to bring back souls to Sunday Mass without violating your free will."
Lydia said: "My dear family, I know that you miss me deeply, but you are happy that I am no longer suffering any pain. I thank you for all that you are doing for my funeral. I am giving some of you signs, if you listen and are attentive. I may not be as powerful as Camille, but I am confirming some of my own signs. I appreciated all that you did for me in this life, and I will be watching out for all of your souls."
Lydia said: "Dear family, I want all of you to be on your good behavior at my

funeral, with no arguing or fighting. Be well dressed and make me proud that I am a part of your family. However hard you work to prepare this parting, I know you will do your best, especially with Carol leading things."

Friday, March 28, 2014:
Jesus said: "My people, you have been talking about prayers and messages which are all about spiritual communications. When you pray for requests, worship, Adoration, thanks, or repentance, you are truly conversing with Me on a level that you have My full attention. I hear all of your prayers, and I know all of your needs before you ask. I want to be a part of your everyday life, because I care about all of you, especially in your difficulties, and your problems with sin. Keep your spiritual telephone lines open. You talk a lot on the phone, and all the more reason to consult with Me in making your decisions. At times you are rushing around too much. You need to make time for Me in some quiet time, and slow down. Your worries and anxieties about things will only make you a nervous person. You have been acquainted with several people who have gifts for receiving messages from the deceased. These are acceptable, but let them come by themselves without forcing them by many requests. You are mourning your mother, mother-in-law, grandmother, or great grandmother. It is difficult to be without her, but it was My time to call her home. Remember her in your prayers and Masses. If a soul is already in heaven, then these graces will be given to your other relatives in purgatory. Prayers are never unused in heaven. As I mentioned before, keep your prayers coming because I am watching all of your activities."

Saturday, March 29, 2014: (Lydia's Funeral Mass)
Lydia said: "I was so happy to see my family and relatives, and all the people who came to my funeral. This is a tribute to me and many of my daughter, Carol's friends. I want to thank Bill for coming and for his beautiful eulogy. I also want to thank the priest (Fr. Brown) for his wonderful homily. Carol outdid

herself in all the readings and funeral preparations. I could never have made such preparations on my own. There was a nice service at my grave. Now, Camille and I can watch anyone who steals anything from our graves. Yes, I was playing with the radio and other signs at the prompting of Camille. We will be praying for all of you to come to Sunday Mass, and to stop smoking. Camille and I love you all so much, and I thank you again for all that you did for me in life. We will be watching you, so keep on your good behavior."
Jesus said: "My son, it was not by accident that you have had some transportation problems with your airplane flights to your talks. Do not worry about the numbers of people who come, but be blessed that you are carrying out My mission to share My Word with the people. The evil one will try to make your travel difficult. Remember to put blessed salt around in your vehicle, and pray the long form of the St. Michael prayer for your protection. Call on My angels to protect you from the demons. You might want to leave earlier than you normally plan, so you can anticipate bad weather, detours, or border delays that could make you late to your talks. Whether you are flying or driving, take these extra precautions to prepare for any attacks of the devil to block your mission. Keep remembering your St. Michael prayer in the long form to help the souls of your family."

April 10, 2014
Sunday, March 30, 2014:
Jesus said: "My people, I wanted you to imagine what it would be like if you were a blind person that lived in a world of darkness, without any idea of what a sunny day looked like. Many of you take your sight for granted, and you only sense what a blind person deals with if you have a severe accident with your eyes. You once had a baseball hit you in the eye, and you could not see out of that eye for a day or two. When I healed the blind man, who was blind from birth, he was ecstatic to be able to see for the first time. There are also people with spiritual blindness who have not known how faith in Me could change their whole lives. Experiencing My love can bring them into My Light of faith that will take away the darkness of despair and depression. They can ask for My forgiveness of their sins. After Confession, you have a new slate of graces in your soul that takes you out of the darkness of sin. It is this Light of grace that can bring you to heaven. There is another grace for people who believe in My

Real Presence. At Adoration you can feel My peace and enjoy My love that emanates from My consecrated Host. Do not remain in the darkness of your sin, but seek My Light in Confession."

Monday, March 31, 2014:
Jesus said: "My people, in Isaiah (Is 65:17-25) and the Book of Revelation (Rev 21:1-4), you are seeing a reference to the new heavens and a new earth. In the Era of Peace, that is yet to come, the people in that time will be living a long time. This is why it is said that one, who only lives to a hundred years old, will be considered only a youth compared to the others. This foretelling of the Era of Peace is in the Scriptures, but there are some who do not wish to acknowledge it. Even My Blessed Mother at Fatima, spoke of such a time. This will be the first reward for all of My faithful who will survive the persecution of the tribulation. This will be your preparation to come into heaven. Rejoice, when I will bring about My new heavens and new earth, because man has corrupted My present creation."
Jesus said: "My people, you are seeing some serious incidents along the West coast of America. You saw a mudslide that destroyed homes and killed some people in the state of Washington. Recently, there was a 6.9 earthquake off the coast of California. Also, there was a 5.1 earthquake in Los Angeles with many aftershocks. There was even a 4.8 earthquake at Yellowstone National Park. All of this activity has occurred in the last month, which could mean more earthquakes could happen in this area. If more severe earthquakes occur in more densely populated areas, you could see the possibility of more deaths. You have been offering up your Masses of reparation for the souls of the people who could die in future disasters as earthquakes. Keep praying for those who die in your disasters, who may not have time to make their peace with Me before they die."

April 10, 2014
Tuesday, April 1, 2014:
Jesus said: "My people, you have seen some healings now with some miracles

from gifted people. During your stay at My refuges, all of My faithful will be healed of their ailments, when they look upon My luminous cross or drink the healing spring water. You will not need a doctor because I will be your physician. The time of the Antichrist will be a severe persecution of Christians, where some of you could be martyred for your faith. Give thanks to Me that My angels will be protecting you with a shield of invisibility. Your food, water, and shelters will be multiplied so all of your needs will be satisfied. You will have daily Communion from My angels at My refuges. You will be praying more, and some will be assigned to hours of Adoration around the clock. My refuge life will be rustic with very little electricity, as you will be helping each other in your daily needs. Everyone of My faithful will be working to carry their own weight. Life at My refuges will be calm without anxieties or rushing."
Jesus said: "My people, you have seen many gun incidents that have killed many people. Another incident will come that uses a sniper's gun to kill some innocent people with random shootings. At the end of most of these shooting sprees, the gunman usually kills himself. Some of these gun incidents are fabricated with chips in people to control their violence and suicide. The gunmen are programmed to commit suicide so there is no evidence of why they killed people. They also are people with mental problems. By having periodical shootings, this brings a fear element into the people that can be exploited by the one world people. They are behind using chipped people to cause terror among your society. This is part of a plan for a takeover of your country with mandatory chips controlling the people. When these killings increase, I will call My faithful to come to the safety of My refuges."

April 10, 2014
Wednesday, April 2, 2014:
Jesus said: "My people, My Good News of My Resurrection gives hope to all of My faithful who are suffering through the agony of this life of tears and sorrow. Death seems like an affliction that all of you must endure, and this brings you to My judgment of your soul. In death, your spirit is separated from your body, and your spirit may have to suffer some time in purgatory to be purified. At the final judgment, you will be rejoined with your body at the resurrection of the just, or the resurrection of condemnation. The just will be resurrected with a glorified body in heaven. But the evil ones will be resurrected with a body that will burn

forever in the flames of hell with an ugly appearance. This is why you need to evangelize souls, and pray constantly for your relatives, because you do not want to see any of them lost in hell forever."
(Mass for Lydia Remacle) Jesus said: "My people, the graces of this Mass are being shared with your deceased relatives in purgatory, because Lydia's spirit is already with Me in heaven. She has already made her transition from her earthly body to just her spirit body, so she is no longer present among you. She may be allowed to share a few signs with you, but not like her husband, Camille. You can still pray to her as an intercessor for your intentions. She will be watching over her family from heaven. Many of your friends remembered her well while she was alive. It is hard to mourn a mother, but she is in a better place than her earthly body of knee pains and stroke symptoms."
Jesus said: "My people, this vision is a gruesome scene of some dead bodies in some dirty water. You have seen a severe earthquake in Chile of 8.2 and there was a small tsunami that came ashore. There were several aftershocks of as much as 6.2. Your news has not yet reported how the area of this quake was affected. You are also seeing warmer temperatures that could cause some flood waters from melted snow. Be prepared for more earthquakes and storms that could cause the drowning of people as seen in the vision. As you start seeing more signs of spring, you usually see multiple tornadoes at this time. If the one world people could cause a lot of bad snowstorms with the HAARP machine, imagine what they could do with some severe tornadoes. Pray for My help to assist the victims of your disasters."

April 10, 2014
Thursday, April 3, 2014:
Jesus said: "My people, Moses defended his people from My wrath when they worshiped the golden calf instead of Me. After bringing the Hebrews out of slavery and defending them from the Egyptian Army, still this people turned to worship an idol. I realize man's weakness to sin, so I have given you My Sacrament of Reconciliation. When you come to the priest in Confession, you can repent of your sins, and seek My forgiveness. I am always ready to forgive a repentant sinner. My people of today also have idols of sports, fame, and possessions. I am the only One who is worthy of your worship, and you need to let Me be the center of your life. Do not let your pride, or your own will to run

your life, stand in the way of following My Will for your mission. If you follow your own way, then you will not be able to accomplish the mission that I have given you. My ways are much better than your ways. So give your will over to following My Will. When you repent of your sins, and obey My laws, then you are not far from My Kingdom in heaven."

Prayer Group:

Jesus said: "My son, you are about to leave for your next talk in Marmora, Ontario, Canada. I am reminding you to bless your van with blessed salt or holy water for your protection on the road. Also, before you leave, you need to pray the long form of the St. Michael prayer to protect you from any demons or their attempts to block your trip. I have mentioned before that you will be seeing more attempts by the demons to try and block your travel. Continue to carry out your mission, even despite any persecution or travel problems."

Jesus said: "My son, you have seen your prayer sheets disappear and another of your prayer books. Do not be upset with these little annoyances because you can replace your lost things. Keep your focus on Me in My Blessed Sacrament. You will see certain possessions that get lost, but most things can be found or replaced. Trust in Me to provide for all of your needs, and you will have no worries or anxieties."

Jesus said: "My people, your bishop and priests have to make difficult decisions in their appointment of priests to various parishes. You have seen several churches being combined to accommodate your priest shortage. You can continue to pray to keep your church open. Be prepared to make some changes, because your decreasing numbers of attending parishioners may cause some churches to close. You will soon see a split in My Church that will cause My faithful to have Mass in the homes. Then as your government adds to your persecution, you will need to come to My refuges."

Jesus said: "My people, you just took part in a mission that is encouraging all of you to reach out to evangelize souls to the faith. Not only should you be looking for new converts, but you can also seek to re-convert those Catholics who have fallen away from their faith. I know you are seeing your numbers decrease because fewer young people are coming to church. Keep encouraging any of your family members to come to Sunday Mass. You also need to encourage young people to come to your own parishes because they are the next generation of Christians. Encourage Christians to practice their faith by Sunday worship, so they are Christians in their actions, and not just in name only."

Jesus said: "My people, not only should you be faithful to your Lenten penances

and fasting, but take advantage of Confession, Missions, and Stations of the Cross that your parishes are offering you. Lent is a time to go the extra mile in your prayers, almsgiving, and good deeds to help people. Make some extra efforts to get closer to Me in your spiritual lives. These forty days are special, so let this prayer time of Lent bring you into a closer focus on Me in your lives."
Jesus said: "My people, you will soon see the readings when I was persecuted by My own people because they would not believe that I am the Son of God. Holy Week is a special celebration of My death and Resurrection that all of My faithful should participate in. At first My crucifixion appears to some as a defeat, but actually this was part of My plan of salvation for your souls. I offered up My Divine Body and Blood that is a perfect sacrifice to atone for all of your sins. I am the unblemished Lamb offered up to My heavenly Father, so My Blood washes away your sins, and opens the gates of heaven to worthy souls. Easter Sunday is your rejoicing after My Good Friday suffering. Look beyond your death with the hope of your own resurrection."
Jesus said: "My people, those, who have suffered through a long hard winter, are rejoicing with the longer days and warmer temperatures. Once your fields dry up from your melted snow, then you can cultivate the soil and plant your seeds. You need good soil, sunlight, and fertilizer to grow your crops. You heard in the Mission that you can also plant the seed of My Word in the hearts of sinners, so they can be evangelized to the faith. You need My sacraments, your good example, and a sharing of My Gospel to nourish new converts in their new found faith. Continue to pray and encourage new converts because you are sent out to save as many souls as you can with My help. Go forth to evangelize all the nations."

April 10, 2014
Friday, April 4, 2014: (St. Isidore)
Jesus said: "My people, you do not need to be given a sign for the end times because there are signs all around you. One of these signs is that the numbers coming to Sunday Mass are falling. The hearts of the people are growing cold to Me, as many are falling away from their faith. I have mentioned before, when I return, will I find any faith in the people? Another sign of the end times is the increase in evil. You are seeing fewer people getting married, while more people are living together in fornication or homosexual sin. You see the evil in your

movies and TV programs. Eventually, after the Warning, you will need to get rid of your TVs and computers so you do not look at the Antichrist's eyes. Once I tell you to come to My refuges, you will leave all of your homes and your electrical devices behind. Prepare your backpacks, tents, blankets, and some food and water so you can put them in your vehicles to come to My refuges of protection. I will have your guardian angels put an invisible shield over you on your way to My refuges."
Jesus said: "My people, the Blessed Trinity is a mystery which is almost impossible to understand by man's knowledge of things. This vision of My Light being broken down into different Light components of different wavelengths, is just a little peek into the majesty of Three Persons in One God. All Three of Us, God the Father, God the Son, and God the Holy Spirit, make up the One true Light of God. You cannot separate Us into three parts because we are always One in this Light. When you receive Me in Holy Communion or visit My tabernacle, all Three of Us are present to you. I have shown you visions of heaven, and when you were there, you felt like you were one with Us. Even on earth, I call you to give your will over to My Divine Will so your will becomes one with Our Will. When you give yourself over to Me, then I can give you the graces to carry out your intended mission that I have given you. Keep united with My love, as I love all of you so much that I died to save all of your souls. Show your love for Me in your prayers and your good deeds in helping your neighbor."

Saturday, April 5, 2014:
Jesus said: "My people, you are all called by your Baptism and Confirmation to be evangelists of souls, because helping Me to save souls for heaven is your most important calling. I want each of you to see yourself as a beacon of My Light, My graces, and My Word that you can share with all the nations. Just as this one drop of water sends ripples out in the water, so I want each of you to spread My love out on all the people. Even love your enemies and persecutors. This is My pure love that reaches out to both the good and the bad. When you receive My Real Presence in My Eucharist, you are all like little tabernacles of My Body and Blood. I want all of you to be perfect and holy as My heavenly

Father is perfect and holy. Take Father Guy's advice on praying always. At the beginning of your day, consecrate all of your actions over to Me in love, so that you are carrying out My Will for you each day. By following My directions for your life, you will be fulfilling your mission on earth. Do everything out of love for Me, and you will be on the right path to heaven."
Jesus said: "My people, I will warn My faithful when it is time to come to My refuges, as your lives will be in danger. When you leave your homes for My refuges, you will be stripped of your possessions, and you will be totally dependent on Me for everything. All of your electronic devices will not work at My refuges, so you can leave them behind. At My refuges, I am trying to make you into saints. You will have food, water, and shelters multiplied for your needs. You will have round the clock Adoration and daily Communion from My angels. You will be praying more with My peace, and you will have no stress, no worries, and no anxieties. My angels will protect you from the evil ones, so have no fear. This suffering during the tribulation will be your purgatory on earth. Trust in Me, and all of your needs will be satisfied."

April 10, 2014
Sunday, April 6, 2014: (Gospel on Lazarus)
Jesus said: "My people, this explanation of Myself as the Resurrection and the Life to Mary and Martha, is a glorious joy that I want all souls to experience. I have told you before that I am the Giver and the Taker of life, and you can only come to heaven through Me. I wept for the death of My friend, Lazarus. I weep tears of joy for every soul who repents and converts his or her life by his or her own free will. Heaven also rejoices over every repentant sinner. I am also weeping, as I did for Jerusalem, for all the souls who have not yet converted. My people, you have a choice to be with Me in My Light in heaven, or God forbid that some choose to remain in the darkness of their sin which could lead to hell. You have experienced heaven where you were One with Me in My pure love and peace outside of time. There is beautiful singing by My angels, who continually give Me praise and worship. In heaven you will have My beatific vision of all knowledge. This is why you did not want to return to your earthly life. On the other hand, those, who reject Me, need to know what they would be facing in hell. I showed you the soul bodies agonizing in the flames of hell, and they were

constantly tormented by the demons. There was no love, only anger in hell, and these souls were very ugly in appearance. Worst of all, these souls will never see My loving face ever again. These souls are living in total hopelessness forever. You do not want to see any souls come to this hellish experience. I want souls to come to Me out of love, but some may come to Me out of the fear of hell. I love all souls so much, and I do not want any soul lost in hell. This is why I need help from My prayer warriors and My faithful to evangelize as many souls to be saved as possible. I thank all of you for your efforts to save souls for their resurrection."

April 10, 2014
Monday, April 7, 2014:
Jesus said: "My people, you are seeing in the story of Susanna in the Book of Daniel how lust can make men desire beautiful women as these elders did. This can also emphasize how false accusations can be a serious injustice if the innocent do not have an advocate. Many men are tempted by your society that flaunts pornography, or women who do not dress properly. Many of your people also are too quick to judge people on things without thinking of their own faults. I am the only One to judge people. You can advise people if you see them living in sinful lifestyles, but do not judge them. All persons have to answer to Me for their actions at the judgement. During Lent all of you should be working on avoiding your sins of the flesh, and avoiding gossip that criticizes people either rightly or wrongly. You have human weaknesses, but you are fasting and praying to control the body's desires. By focusing more on following My ways, you can detach yourself from such earthly temptations."
Jesus said: "My people, in the Gospel I told the accusers of an adulteress that whoever is without sin, can throw the first stone. Once they left, I warned the woman not to commit that sin again. I know it is difficult for men and women not to commit sin, so I instituted the sacrament of Reconciliation so you could be forgiven of your future and present sins. I did not condemn the woman of her sin, but I took upon Myself all of your sins so you would not be condemned either. The justice of My heavenly Father was satisfied, when I became sin and suffered for all of you on My cross. Before I gave up My life on the cross, no one could come to heaven, and all the dead had to suffer. Once I resurrected,

then the gates of heaven were opened for those souls who are worthy. As one man, Adam, brought sin into the world and all the effects of that sin, so one man, in Me, brought atonement for all sin, and My promise of heaven to those who believe and obey My laws. Rejoice, that I took all the punishment for your sins upon Me, so you could enter heaven. You do not earn heaven, because I have won your salvation on My cross."

April 10, 2014
Tuesday, April 8, 2014:
Jesus said: "My people, I gave the Hebrews water and manna in the desert, as well as I protected them from the Egyptians. But when they complained about the manna, I sent them the serpents because they were ungrateful of My gifts. Then I had Moses mount a bronze serpent on a pole, and he lifted it high so those who were bitten by the snakes, could look on it and be healed. There is a parallel when I was lifted up on My cross in crucifixion. The people were saved from their sins, as My Blood washed their sins from their souls. I call My people to love Me and their neighbors by following My Commandments. The serpent, as the devil, has bitten you with a desire for earthly pleasures and comforts. I am your Redeemer and Savior by My death on the pole of My cross. When you look upon My crucifix and pray for My help, I lift up all of you, and heal you of your afflictions. It is your souls that are in most need of healing. You can seek My healing in Confession where your sins are forgiven, and grace is restored to your souls. At My refuges My people will also be healed of their ailments when they look upon My luminous cross."
Jesus said: "My people, in the spring you could see some flooded streams from melting snow and heavy rainstorms. In California they are still feeling the effects from an unusual drought. They are irrigating some farms, but your fruit and vegetables will have higher prices this year. You need to keep up on your news to see the latest effect on your crops from California. Keep praying for the right amount of rain to keep their crops coming for your people. You are beginning to see more violent storms from your tornadoes. Weather problems have had some bad effects on your economy due to the deep cold and heavy snow. You are also continuing to see some sporadic shootings that are killing some people. Keep praying for the reparation of your sins and the sins of the world, so these

disasters could be mitigated."

Wednesday, April 9, 2014:
Jesus said: "My people, in today's first reading from Daniel (Dn 3:1-97) Shadrach, Meshach, and Abednego defied the King's order to worship his idol. The king had them thrown into a white hot furnace because they would not give up their faith in Me, even if it meant their death. By My grace, I sent angels to protect them from the fire. The King was converted, and he put the three men in positions in his kingdom. There are many Christian martyrs throughout history who would not give up their faith, but they gave up their lives instead. The vision shows you how the Christians in the Ukraine have also suffered persecution from the Russian leaders. In many other countries you also have seen how Christians have been persecuted for their belief in Me. My faithful need to remain true to their faith in Me, even if they are threatened with death for not taking a chip in the body. Do not take the mark of the beast, nor worship the Antichrist under any circumstances."
Jesus said: "My people, you rise in the morning with a new day of light from your star, the sun. You are familiar with how the sun shines from a nuclear reaction of hydrogen and the resulting helium. You not only receive light from the sun, but also enough heat so the temperatures are not too hot, and not too cold. As man looks to the skies, you see the other planets and comets that circle around the sun. Your planet is the only one in your solar system that has life as you know it. You have sent spaceships to the moon, Mars, and fly-bys of Jupiter and Saturn. Mars appears to have some signs that water and life could have been there at one time. My people should be thankful for My creation of the earth with men and women procreating the human race. You have oxygen to breathe, water to drink, food that you can grow, and light from the sun to help your plants survive. Unfortunately, men are fighting with each other out of greed for land and power over others. See your lives as part of the big picture of My universe, and you will see how little you are compared to the rest of the planets and stars. Give thanks to Me for all that I provide for your living, and give your Creator worship for making you and all the people. The more you learn about other planets, the more you realize how ideal earth is to support life."

Thursday, April 10, 2014: (Mass for Lydia Remacle, Carol's mother)

Jesus said: "My son, your mother-in-law, Lydia, is happy that both you and your wife could come to her Mass. Lydia on several occasions came to the Masses for her deceased husband. She and her husband are happy to be back together, and they are younger looking in their spirit bodies. They also look like newlyweds. Lydia wanted to tell your wife that she did see Me coming for her when she squeezed your wife's hand. It is interesting that your priest tried to give evidence that there is life beyond the grave to a person who asked that question at a burial in the cemetery. Your own experiences have seen many deceased people give you messages at their funeral Masses. In life, Lydia did not get to see her great great grandson, but now she thinks the baby is adorable, and she would have liked to give a gift for Jocelyn and the baby. She is watching over her whole family, and praying for all of you."

Prayer Group:

Jesus said: "My people, as your government overspends and prints more money, the value of the dollar goes down. You have seen gold and silver vary a lot in terms of dollars. Now, diamonds are becoming more valuable in terms of dollars because of inflation. It is difficult to evaluate the clarity and genuine character of diamonds by lay people. Collectors and those who do not trust the dollar, are buying more diamonds, and the demand has pushed up the price. I told you that paper dollars and paper stocks will crash, but the rich are more invested in things of constant value as gold, silver, diamonds, and real estate."

Jesus said: "My people, this weekend you will be celebrating Palm Sunday or Passion Sunday. You will be walking around your church carrying palms to symbolize how people applauded My entry into Jerusalem. Later in the Mass, the cheerful mood changes to a somber mood, as you read My long Passion in the Gospel. It is difficult to understand how a crowd could cheer Me in one moment, and shout 'Crucify Him' in the next minute. All of these events were planned, so I would be crucified on My cross to save your souls. This salvation story is read every year, and you have My large crucifix on most altars to remember how much I love you."

Jesus said: "My people, you need to come to all the Holy Week services at your

local church. You start the Triduum on Holy Thursday with My Last Supper in the first Mass of the bread and wine being changed into My Body and Blood. I also washed the feet of My apostles. In your tradition, you will visit other churches as a sign of your unity. On Good Friday you will have Adoration of My cross and Holy Communion without the Mass. You will read about My crucifixion and My burial in the tomb. The Saturday Vigil and Easter Sunday will celebrate My Resurrection from the dead as I left the tomb. This celebration of Holy Week is the highlight of your Lenten devotions. Give thanks and praise to Me for bringing salvation to all souls who will accept Me."

Jesus said: "My people, it is hard to believe that Lent is coming to a close with Easter Sunday already. Many have been bearing their Lenten penances, which proves that you can will to change your spiritual lives if you really want to change. By following My Will, instead of your own will, you will be more able to carry out your individual missions. By your fasting, you are also able to allow your soul to be the master over your bodily desires. You can do some fasting during the rest of the year, as you give up your desserts on Wednesdays and Fridays. Try to keep some of your Lenten devotions throughout the year so you can remain close to Me."

Jesus said: "My people, some of your scientists and the Jews are focused on the current Tetrad of the four blood moons that has occurred eight times since My birth. Every time this has occurred in the past, there has been a significant event for the Jews. The moon turns an orange red color as the moon travels through the shadow of the earth on the Jewish feast days. You could see a possible war in Israel over the next year or so. Be watchful of some coming event."

Jesus said: "My people, I have advised you to come to frequent Confession of at least once a month. My Church asks you to come to Confession at least once a year during the Easter Season. This is a bare minimum so you are repenting of your sins and asking for My forgiveness. I know that you are all sinners, but you need to acknowledge your sins by confessing them to a priest in Confession. I will forgive all repentant sinners, so cleanse your souls and keep them pure for the day of your judgment before Me."

Jesus said: "My people, I have told you that I am the Resurrection and the Life, so you can have My promise that My faithful souls will be reunited with a glorified body at the last judgment. When you die to this earthly life, you will have a particular judgment when your earthly body is separated from your soul. Most souls who do not go to hell, will suffer some purification in purgatory. But the grand celebration will be at the last judgment when My faithful souls will be

united with a glorified body. At that moment you will be enjoying all the beauties of heaven by all of your perfect senses."

April 23, 2014
Friday, April 11, 2014: (St. Stanislaus)
Jesus said: "My people, in some areas you are seeing a shortage of priests from various reasons. You are also noticing that the demographics of more older priests mirror your general church population of older Catholics. The young people are not coming to Sunday Mass as in the past, and there are fewer allowed vocations of young priests. Because of this priest shortage, the health of your priests becomes very important, since there are more churches with only one priest. You should be praying for your priests' protection all the time, but even more so for their physical well being. Without your parish priest, you would find it hard to have Mass and the sacraments. Keep praying for priestly vocations to help with your priest shortage, that gets worse if young priests are not replacing those priests who are dying or sick. You are seeing more vocations recently in your Diocese of Rochester, N.Y., so you are being blessed."
Jesus said: "My people, you are seeing tall trees that could be used for firewood. On refuges with forests, the trees would be a ready source for heating a house and for cooking. Many refuges are rustic, and they could use a simple source of heating as a wood burner or a fireplace. Most of your heaters run on natural gas, but in rural houses you may need oil or propane to be multiplied. It is good to have at least an alternate fuel in case one source of fuel runs out. With wood from trees, you would have plenty of fuel available. My people need to have your things ready to leave when I will give you the word for your safety to leave quickly. You will see when the persecution of Christians gets violent, that My refuges will be a safe haven for you to come. You will need your spiritual weapons of your sacramentals, and holy water or blessed salt. Call on Me and I will have your guardian angels lead you to My refuges with an invisible shield. Trust in My help and you will be protected from the evil ones."

April 23, 2014
Saturday, April 12, 2014:
Jesus said: “My people, as you approach Passion Sunday of Holy Week, you can see in the readings how the religious leaders wanted to kill Me because many people believed in Me as a result of My miracles. I had raised Lazarus from the dead, and they even wanted to kill him as well. These leaders were also fearful of losing their jobs and positions over the people. The most important charge against Me is that they accused Me of blasphemy because I made Myself equal to God. In essence I was telling them the truth, that I was the Son of God, but they did not want to believe in My Divinity. Throughout history there have been many heresies that did not believe that I am a God-man. When I became a man by Incarnation, I never changed My Divinity, but I came as a Lamb to be offered up as a sacrifice for the sins of all mankind. I am your Redeemer, Savior, and the Messiah that the Jew were waiting for. When they come to their judgment, they will see that they cannot enter heaven, except through Me. I have brought salvation to all sinners who seek My forgiveness and accept Me as their God and Savior. As you come to read My Passion on Palm Sunday, lift up your eyes to greet your Lord who saves you.”
Jesus said: “My people, I have warned you to avoid the Antichrist and his writings on the internet. Especially avoid looking at his eyes because he could hypnotize people with the power of suggestion. Also avoid taking any chip in the body. This is why after the Warning, I want people to get rid of their TVs, computers, and any internet devices, so they do not look at the Antichrist’s eyes on the TV. Even though the Antichrist will be a demon incarnate, I am more powerful than him, and I will protect My people at My refuges. I will send My angels to defend you at My refuges. So have no fear, but heed My warning when I tell you that it is time to leave for My refuges.”

April 23, 2014
Sunday, April 13, 2014:
Jesus said: “My people, today you are having the Mass of My Passion and death on the cross. There are many stories woven together as the two betrayals of Judas and Peter. The Jewish leaders had Me put to death for blasphemy, because they did not want to believe that I was the Son of Man and the Second Person of

the Blessed Trinity. This was part of My plan of salvation to be offered up for everyone. Those, who believe in Me and accept Me, can be saved in heaven because of My sacrifice on the cross. It is My Blood that washes away all of your sins from your soul. Believe in My mercy and My love, and all of you can come to Me for My forgiveness of your sins in Confession. Without the forgiveness of sins, you cannot enter heaven. I give you My sacrament of Reconciliation to be cleansed of your sins at any time that you can confess to a priest."

April 23, 2014
Monday, April 14, 2014:
Jesus said: "My people, this is the start of Holy Week when you commemorate My death and Resurrection. The Gospel speaks of Lazarus' house that I visited, and there is a touching scene when Mary washed My feet with her tears and dried them with her hair. Then she anointed My feet with an expensive nard oil which I said was in anticipation of My burial. The Jewish leaders were plotting to kill Me and Lazarus for My miracle of raising him from the dead. I had told Mary and Martha that I am the 'Resurrection and the Life', and all those who believe in Me, will have eternal life. As you go through the services this week, drink in the love I have for all of you, that I would give up My life so all of you could be freed from the bonds of your sins."
Jesus said: "My people, the remembrance of My death on the cross is not a defeat, but it is My sacrifice that saved all of mankind who accepts Me. This service for Good Friday is very somber, and sad when the candle lights are snuffed out to symbolize My death. Many good things require suffering and hard work to gain them, but in salvation, I am the only One to suffer. I am the only unblemished Lamb worthy to be sacrificed to gain your salvation. Give glory and praise to Me for My gift of salvation that you will celebrate on Easter Sunday. Come to the Holy Week services to have a taste of how I suffered."

April 23, 2014
Tuesday, April 15, 2014:

Jesus said: “My people, even among My own apostles I had some who denied Me and others who doubted in Me. In the Gospel you are seeing how Satan entered the heart of Judas, as Judas betrayed Me with a kiss, and took thirty pieces of silver to give Me over to the high priest. Judas was sorry for his betrayal, but Satan urged him to commit suicide by hanging himself. Peter also denied Me three times out of fear for his life, but he repented later when I asked him three times to take care of My sheep. Then Thomas doubted My Resurrection until he could put his finger into the wounds in My hands and into My side. My apostles had very human fears and little understanding of My mission, until they received the Holy Spirit on Pentecost. After My arrest, My apostles deserted Me, except My beloved John who stood by My Blessed Mother at the foot of My cross. Eventually, My apostles were enlightened by the Holy Spirit, and by His gifts, they received the courage to witness to My Good News. I want My faithful to be strong in their faith so they will not deny Me, even when they may be threatened with martyrdom. Have faith and trust in Me, and follow My Will instead of your own will.”
Jesus said: “My people, on any given day there are a lot of people killed suddenly without time to make their peace with Me. Some die from accidents, violent shootings, stabbings, cancer, heart attacks, or in wars. Because some of these souls do not have time for Confession, I am allowing people’s prayers to save some from hell. I want My faithful to pray some prayers for these souls every day. These souls will be forever grateful that you could help save them from hell. This is the same general intention that you pray for at your Masses of reparation. I have told you before that your constant prayers for your family members that are away from Me, could also save them from hell. You heard your wife’s father thank her for saving his soul from hell by a miraculous death bed conversion. Give praise and thanks to Me for My mercy on so many sinners.”

Wednesday, April 16, 2014:
Jesus said: “My people, this vision of My scourging is another sign of how I offered up My Blood to wash away the sins of mankind. One drop of My Most Precious Blood could heal any sinner who repents. When you are praying for the healing of those souls who have fallen away from their faith, you call on My

Most Precious Blood to predispose these souls to come to love Me of their own free will. Without the forgiveness of sins, you cannot enter heaven. At some point in a soul's judgment, they need to accept Me and love Me to ask the forgiveness of their sins. Souls, who reject Me and refuse to ask My forgiveness, could be lost forever in hell. Keep praying for these souls to repent and change their ways, before its too late and they could be lost."

Thursday, April 17, 2014: (Holy Thursday)
Jesus said: "My people, there are two words which have a great meaning for all of My faithful, and they are 'love' and 'life'. I am all loving which is why My Commandments are all about loving Me and loving your neighbor. There is also an element of obedience because there are penalties for disobeying My Commandments in sin. When you commit a mortal sin, your soul is cut off from My grace, and your soul is dead to Me. You can restore your grace in Confession. Once you are created with body and soul, you are a whole person that experiences life in this world. This is only a training place for heaven because your life in the body is mortal, and will last only a short time. You will always have a spiritual life in the soul because the soul never dies. It is the destination of your soul that is dependent on how you live this short life. If you abide by My laws, and you have some good deeds to balance your sins, you can be on the path to heaven. Those, who refuse My love, and only do what they want to do, are on the path to hell. Choose your final destination by how you live your life in love of Me and your neighbor."

Friday, April 18, 2014: (Good Friday)
Jesus said: "My people, on Good Friday I died for all of mankind's sins in the past, the present, and the future. When I was outside of time on My cross, this is how I am still suffering for the sins being committed right now. This is how you can join your sufferings with Me on My cross. Give praise and thanks to Me that

I was willing to sacrifice My life for you, because I love all of you so much. It was My death on the cross that paid the ransom for your sins, and opened the gates of heaven for all the worthy souls. My death was the sacrifice of the Lamb of God that satisfied My heavenly Father's justice for your sins. I have brought you all salvation by My Body and Blood that was offered up for you. It is your duty to accept My gift, and seek My forgiveness for your sins in order to enter heaven."

April 23, 2014
Saturday, April 19, 2014: (Easter Vigil Mass)
Jesus said: "My people, on this day that commemorates My Resurrection, heaven is truly in an extra celebration mode, giving glory to My victory over sin and death. You are seeing Me rise from My tomb in a flash of light that blinded the soldiers, and burned My image into My Shroud that is now stored in Turin. Some do not believe in this miracle of the Shroud of Turin, but you see My face, and My believers can see My wounds, even though the people were not there. This and many miracles of My Eucharist are encouraging the faith of My faithful to further believe in My Real Presence in every consecrated Host. My Resurrection is a glorious celebration of My power over Satan, the demons, and all the evil people who will be cast into hell. Trust in Me for your protection and the salvation of your soul, that is directed to be with Me in heaven. Shout with joy, for your Savior has risen from the tomb to share My glory with you."

Sunday, April 20, 2014: (Easter Sunday, Colin Justin's Baptism)
Jesus said: "My people, you all are happy to sing Alleluia today, just as My angels and saints are singing it as well. This is a celebration of My victory over sin and death. You are seeing new life in nature and in the Baptism of Colin Justin, your great grandson. May the faith be sustained in him from you and your wife as godparents. You see more people attending Mass today, and it would be well if they came every Sunday. Pray for your parishioners to support their

church every week. I bring My Body and Blood at every Mass at the Consecration so you can share in My Real Presence. You have a beautiful, sunny, and warm day to remember My Resurrection. Pray for more believers to accept and live in My love as they follow their faith in Me."

April 23, 2014

Monday, April 21, 2014:

Jesus said: **"My people, you all have just finished your Lenten fasting and devotions that were meant to strengthen your spiritual lives. Do not let yourselves fall back into your old habits that have wasted your time. I am showing you this vacuum cleaner to clean up your sins, and your old bad habits. Do not give in to Satan's temptations that take advantage of your earthly weaknesses. Be strong in your daily prayers, and continue your special visits to My tabernacle. It is when you forget your prayers and let other worldly concerns take over your lives, that you are vulnerable to sin. Regiment your time more around My plans, so you have more time for Me in your lives. If you keep focused more on Me, then you will have the time to make up your prayers that you may have missed, on the next day. When you are too busy, then you need to slow down and make time for Me."**

Jesus said: **"My people, a time is coming when there will be confusion and division in My Church. This division between the schismatic church and My faithful remnant will not be so noticeable at first. Some may be misled or confused with various statements. Look to the Catechism of the Roman Catholic Church for the true tenets of the faith. As time goes on, you will be seeing heretical statements that will separate My faithful in the homes from those who will be following New Age teachings. If a church has such New Age**

teachings, then leave for a more traditional church. Eventually, all the churches will teach the same false religion, as they will become captivated by the Antichrist. In the homes you may find a remnant of holy priests to offer Mass. You will see more persecution both from the schismatic church and your government. Once your life is endangered because of your traditional belief in Me, then you will need to call on Me to have My angels bring you to My refuges. My angels will put a shield of invisibility over you that will protect you from the evil ones, and those who are misled. Do not be deceived by those who teach New Age, or any other heretical teachings that deny My humanity or My Divinity. I am sending out My apostles, like yourself, to warn the people to avoid false religions, as this division in My Church. Also avoid the Antichrist, and do not take any chip in the body that could control you as robots. You need to prepare some essentials for your trip to My refuges. Have no fear, even if some are martyred, for I will protect the souls of My true faithful."

April 23, 2014
Tuesday, April 22, 2014:
Jesus said: "My people, Mary Magdalen was blessed to be the first person to see Me in My glorified Body, which is why she did not recognize Me until I called her name. I told her to tell My apostles of My Resurrection, as they came to the tomb to see for themselves. This is the 'Good News' of My salvation that I died for all of mankind's sins, and I resurrected to show My victory over sin and death. Death had no hold on Me because My power is greater. I offer all the people an opportunity to be with Me in heaven, and to be resurrected with their bodies at the last judgment. All of the angels and saints are singing Alleluia in joy to commemorate My Resurrection on Easter Sunday. This is also celebrated

in nature with spring's flowers and longer days. As your temperatures remain above freezing, you are all joyful to be able to work in your yards again. Your spirit also is joyful in this Easter Season, as you are filled with My grace and My Real Presence. Enjoy being close to Me as you read about all the conversions in the Acts of the Apostles."
Jesus said: "My people of America, I have mentioned before how in many ways you are losing your Constitutional rights because of your President's Executive Orders. These stories of losing your rights do not make headlines in your newspapers, but your President is usurping your Congress' powers every time he writes Executive Orders that go around your laws. There is virtually no oversight by Congress to stop this grab for power. The Congress and the courts are silent about this takeover of your government by your Executive Branch. The balance of powers between your three branches of government was set up by your Constitution, and it is being violated. Yet, there is little outcry for this injustice. I have said before how your sins are bringing America down, and you will be taken over by the one world people. If your people do not stand up for their rights, then they will lose them by their inactivity. Do not complain of your lost rights when you did not fight to keep them. All of your rights are being taken away one by one, without you even realizing it. You will soon be coming to My refuges when your physical and spiritual persecution will become life threatening."

Wednesday, April 23, 2014:
Jesus said: "My people, this Gospel on the road to Emmaus is a favorite Easter passage for many of My disciples. You all can imagine when they said: 'Were not our hearts burning as He revealed the Scriptures about Him to us.' Many of you also would have liked to listen to what I told these two disciples. Yet, they recognized Me in the breaking of the bread. Even so, I am among you at the Mass when the priest consecrates the bread and wine into My Body and Blood. This appearance of Mine was one of many that I revealed to My disciples, so they would believe in My Resurrection and preach My Good News. You read

how St. Peter and St. John healed the cripple at the Beautiful Gate in the first reading when they called on My Name to heal him. Later, the Jewish leaders would have My apostles whipped for using My Name and for teaching in My Name. The apostles received the gifts of the Holy Spirit, and they went out with courage to teach the non-believers of My Gospel message. They were joyful to be able to suffer persecution for My Name's sake. Even in this world today, My disciples should also speak out in My Name, despite any persecution that could result. The worldly people enjoy their sinful pleasures, and they do not want to be chastised for their sins. You will always see the evil ones rebel against you when you do good deeds and preach in My Name."
Jesus said: "My people, a time is coming when Christians will be fleeing for their lives from the evil one world people who want to kill My faithful. Some will be martyred for their faith, but they will become instant saints in heaven. The rest of the Christians will call on Me, and their guardian angels will lead them to My nearest refuge. Your angels will put a shield of invisibility around you so the evil ones will not see you, even driving in your cars. Be thankful that people have accepted My call to set up their refuges for My faithful to come and be protected. Be generous in accepting their hospitality, and do what you can to help each other survive. All of you will need to help each other to survive. All of you will need to help in preparing the food, washing dishes and clothes, and other needed tasks as collecting wood for the fire. By helping each other in a community gathering, you can all survive the less than 3½ years of the tribulation. Avoid the Antichrist, and do not worship him nor take his mark of the beast. Trust in My help and protection for all of your needs."

Thursday, April 24, 2014:
Jesus said: "My people, some of you have been to see the Upper Room in Jerusalem where I appeared to My apostles. I did not come through the door, but I instantly appeared to them in the flesh. They were incredulous with joy to see Me again. I showed them My wounds in My hands, feet, and My side. I even ate some baked fish to show them that I was not a ghost, but I truly resurrected in the flesh. I then shared the prophecies about Me in the writings of the prophets. I tried to help them understand that it was My plan to die for the sins of all mankind on My cross, and to rise on the third day. Before the coming of the

Holy Spirit, My apostles had a hard time understanding what rising from the dead meant. I had brought some people back to life, but no one has raised himself from the dead alone. My Resurrection was truly a miracle, but it was further proof of My Divinity, that death could have no hold on Me. In this first visit, St. Thomas was not present, and he doubted My Resurrection until he could place his finger into My wounds. Only then did he believe. But blessed are those faithful who still believe without seeing Me in person."

Prayer Group:

Jesus said: "My people, there are many sacred objects that are connected with My suffering on earth. This one object in Bruges, Belgium contains a vial of My Most Precious Blood. One of the miracles associated with this vial, is that at times the blood liquefies. In this morning's Gospel I was showing My apostles My five wounds, and I ate some fish to show them that I was in the flesh. At first they thought I was a ghost because I did not come through the door. Once they examined My wounds, they knew that I was not a ghost, but a person in the flesh."

Jesus said: "My people, some have seen the spiritual power of My true cross in silencing demons. It is also used to pray over people for their healing. My true cross is a relic to be treasured as a weapon in defending people from the evil ones. It has also been used in exorcisms, as it burns the demons. Give thanks that you have such weapons in fighting the evil ones."

Jesus said: "My people, these miracles of My Eucharist occurred when blood came out on the consecrated Host. These miracles were meant to show non-believers in My Real Presence that My Blood is truly present in the Host. At Los Teques, Venezuela there is a consecrated Host covered more than half with blood that can be seen. In Lanciano, Italy there is real heart tissue without any rigor mortis, and crystals of blood that analyzed as AB blood type. This miracle happened in 1300. Many scientists were astounded on examining the flesh and blood that had been changed from the bread and wine."

Jesus said: "My people, the relics of the saints are also powerful, as many of the saints died as martyrs for their faith. See the lives of the saints as role models for My faithful to follow and imitate. When you witness such relics and venerate them, they become an inspiration for your own lives. You will soon see Pope John XXIII and Pope John Paul II canonized as saints in a ceremony in Rome. Miracles have been brought forth as witnesses to the sanctity of these Popes, who you love so dearly."

Jesus said: "My people, many of you believe in My Real Presence in the

consecrated Host that you are adoring tonight in the monstrance. You are drawn to be with Me in Holy Communion and before My tabernacle as you give testimony to your belief in My Real Presence. This gift of Myself in My Blessed Sacrament is the greatest sacramental gift that I could leave with you at every Mass. Give praise, thanks, and Adoration for Me, as I am always in your presence."
Jesus said: "My people, those, who have had the opportunity to visit Israel, are very fortunate to see their Bibles come alive, as they visit the places mentioned in the Gospels. Once you have been to the Sea of Galilee, and the Holy Sepulcher where I died and resurrected, you are very appreciative of such a trip. You also went to the Upper Room where I celebrated the First Mass at the Last Supper. At times it is dangerous to travel in the Holy Lands, but it is a blessing for all who could experience where I walked and lived."
Jesus said: "My people, My Resurrection is the Good News of My salvation for all souls who accept Me. I am giving all of My faithful a message of hope that there is more to your lives after you die. Those, who obey My laws and love Me and their neighbors, are promised one day to be with Me in heaven. You will first see a glorious time in My Era of Peace. Later, at the final judgment, My faithful will be joined both body and soul for all eternity. Rejoice that your short time of suffering here on earth will be rewarded in the glory of heaven. Have patience because this life is passing away quickly."

Friday, April 25, 2014:
Jesus said: "My people, today's Gospel is a lesson in asking My help before you start any undertaking. St. Peter wanted to return to his old profession as a fisherman, but he did not catch anything all night. Then I told the apostles to cast their nets to the right side, and they caught 153 large fish. This was the third time that I appeared to My apostles, as I told them that I would see them in Galilee. I reinforced St. Peter's mission to go out to all the nations and preach My Good News of salvation. I asked him three times if he loved Me in answer to his three denials. Then I said: 'Feed My sheep'. Now, My apostles would be the spiritual shepherds to spread My Gospel of love to the people. I told them that I would send them the Holy Spirit to strengthen them in their work. In the Acts of the Apostles after Pentecost, you can see how St. Peter was now brave enough to

proclaim My Gospel and Resurrection, even in defiance of the Jewish leaders who threatened them with persecution. My disciples of today should also use their gifts of the Holy Spirit in Confirmation to proclaim My Gospel to all the nations. Do not be afraid of criticism, and speak out in My Name so you can convert souls to the faith and help save them from hell. Call on My help and My angels to protect you and strengthen you in My mission for you. Those, who proclaim My Word and follow My Commandments of love, will receive their reward in heaven."
Jesus said: "My people, in areas around the Great Lakes, you are used to having sufficient fresh water to drink, and rain for your lawns and gardens. Out in California, that provides a good share of your fruits and vegetables, they are still experiencing a drought where they have to curtail watering of their lawns. The jet streams have been altered that used to bring them sufficient rain. Without many sources of water, the farmers out West are very dependent on rain to grow their crops. Pray for all of your farmers that they could have good crops this year, or your prices for your food could go up without enough supply of food. With the various droughts you have seen in California, Texas, and Georgia over the past few years, you could see a coming world famine in the making. This is why I have advised My faithful to have some extra food in your pantry when there will be a food shortage. I will multiply your food in cases where it is needed for your survival. Trust in Me to provide for all of your needs."

Saturday, April 26, 2014:
Jesus said: "My people, you have many fears, both small and severe, that can hold you back from carrying out your mission. I am calling out to all of My faithful to go out to all the nations and spread My Good News of My Resurrection. My apostles at first were fearful that they might be killed as I was. But after they received the gifts of the Holy Spirit, they went out and preached in My Name. Most of you have received Baptism and Confirmation, so you should be graced with the gifts of the Holy Spirit as well. It is not easy to share your faith with strangers and friends because you may have a fear of being rejected. Even if you may feel embarrassed or timid, you still need to share your faith experience with others. You know how beautiful it is to share your moments with Me after Holy Communion or in front of My tabernacle. I am with you

always to call on My help in evangelizing souls, and helping you through all of life's trials. Imagine how difficult life would be without My help. This is why you want others to have this confidence and the joy of My love in their lives, as you are receiving Me. You also want to see souls baptized into the faith so they can receive My protection on their path to heaven, and away from any path to hell."

Sunday, April 27, 2014: (Mercy Sunday)
(Baptism of a baby girl) Jesus said: "My people, as you saw another Baptism at Mass today, you know how much I love the little children. I told My apostles to let the children come to Me, and not to keep them from Me. I also have mentioned many times that you need to be like the innocent children in order to come to heaven. Even more I want the parents to watch out and protect their children from any abuse. The ultimate abuse is how mothers are killing their children in the womb by abortion. In your meeting yesterday, you saw all the violent methods used to kill your children in abortion. You wonder why you do not have many young children around, but the answer is because you are killing nearly half of them. Not only is this a mortal sin that can be forgiven, but these killings of My little ones will bring down your nation because you are not stopping these grisly killings for money and convenience. Pray for these mothers to stop their abortions, and have their children."
(Divine Mercy Mass) Jesus said: "My people, The Divine Mercy Hour at the 3:00 o'clock hour is in remembrance of My death on the cross. I thank all of My faithful who have prayed their Novena prayers, received Holy Communion, and have gone to Confession. Those, who have honored this Mercy Sunday with fulfilling the requests of St. Faustina, are receiving a plenary indulgence that takes away all reparation due for your sins according to My mercy. I am a merciful Lord for all repentant sinners. Come to Me and I will forgive your sins according to My Mercy. I am a merciful Lord for all repentant sinners. Come to Me and I will forgive your sins as the father received the prodigal son. Just as I have forgiven your sins and have mercy on your soul, so you should also forgive others in the same way. You pray My 'Our Father' prayer, and you should forgive others as I forgive you. I love all of you so much, and this is why I am pouring out My mercy on all of you. I have died on My cross, so you can be

forgiven of your sins, and have My grace restored to your soul. This is why I have given you my sacrament of Reconciliation to forgive sins. I have also given you My Blessed Sacrament so My grace can heal the wounds of your sins. Give praise and glory to Me for all the gifts that I bestow upon all of you."

May 8, 2014
Monday, April 28, 2014: (St. Louis de Montford)
Jesus said: "My people, in today's Gospel I am talking about two kinds of Baptisms. The first is a Baptism in the flesh when you are brought into the faith as an infant. The second is a Baptism in the spirit as at Confirmation. I told Nicodemus that he had to be born again in the spirit. This new birth in the spirit is later in life when you have to affirm your faith in Me by your own free will. When you were baptized as an infant, you had your godparents speak for you. As you grew up and were educated in the faith, now you are ready to speak for yourself. There is a point in your life also when you realize that you cannot do anything without My help. It is at that point that you give your life over to Me so I can lead you to accomplish your unique mission. I have given everyone a unique set of talents to fulfill the mission that I have given you. You are the only one to carry out that mission. If you follow your own will, you will not be able to carry out your true God-given mission. It is only when you see it is necessary to give your free will over to My Divine Will, that you will be able to carry out My special mission for you. Those, who are willing to pick up their cross and unite their lives with Me, will be rewarded for their efforts by joining Me in heaven."
Jesus said: "My people, you have been celebrating My Easter Resurrection of new life coming from the tomb. Now, in the spring time you are seeing new life in nature as the flowers and trees are coming to life from their winter hibernation. When the temperatures were cold, everything looked dead. Once the sun is coming out and the temperatures are warming, what was dead, is teeming with life. My faithful need to take a lesson from nature. At times My people commit mortal sins, and souls become dead to Me. Once you wake up and seek your Lord in Confession, I can forgive your sins and restore My grace to your soul. Then you become alive in My Presence, just as the plants and trees are coming to life. Do not remain dead in your sins, but see the need to come to Me to restore your spiritual life. While you are in sin, you are groping in the

darkness. Come to Me in Confession, and then you will be walking in My Light of grace. If you truly believe in My Resurrection, you will come to frequent Confession to remain close to Me in love and with a pure soul. Then you will be ready to meet Me at your judgment. Just as nature is waking up from winter, so My faithful need to be alive with My grace in your souls."
About Michael: (The one who gave a message of being lost on the phone.) He appeared to be lost in the darkness of purgatory. I assumed that he was pleading for help, and he could use some Masses and prayers to get out of purgatory.

Tuesday, April 29, 2014: (St. Catherine of Sienna)
Jesus said: "My people, the people, who you see today at church, may be the same people who could be with you at one of My refuges. Just as you saw the disciples in the Acts of the Apostles sharing their money and food, so at My refuges you will be living in loving communities where you will share your food, water, and living quarters. If you know which refuge you are going to, you could already share in some of the expenses of setting up your refuge. You will be sharing your faith and your multiplied food, bedding, and hygiene needs. You will rejoice to be together under the protection of My angels until I will bring about My Era of Peace for you."
Jesus said: "My people, you have seen some deaths and many tornadoes in your news events. The vision of a chair being blown down the street, is a sign of more such events. I am telling you to hang onto your seats because you are in for a rough ride. Some weather people were remarking earlier how this year has started slow for tornadoes. You had a cold and snowy winter, along with a cool spring that has set your flowers and trees back a few weeks, compared to other years. As the year goes on, you could see more violent weather than normal due to a change in the jet streams. At times you have seen the HAARP machine active in causing more violent storms. This factor could influence your weather at any time the one world people want to use it. Pray for your farmers that they could have good growing conditions for their crops."

Wednesday, April 30, 2014: (St. Pius V)
Jesus said: “My people, just as I sent My apostles out to teach My Good News to all the nations, so I send out My special messengers to do the same. My apostles were persecuted and even killed for spreading My Gospel. You also are seeing persecution when you bring My promise of My coming again to warn the people of being ready for Me by going to frequent Confession. Whenever you preach in My Name, you are going to meet resistance from Satan and his demons. Remember to say your long form of the St. Michael prayer both before and after your trips. Pray for your families and for your priests, so you can have My Mass and My sacraments. When your priests are with the bishop, you have to rely on the retired priests for Mass. All of My people need to go forth and share the Gospel message for converts and re-converts of the lukewarm who are not coming to Sunday Mass.”
The Blessed Mother said: “My dear children, my Son and I thank you for coming to this shrine on a cold and rainy day to pray my rosary. I love all of you for your dedication to your prayers, and your trust in our help. I will give all of your intentions over to my Son, as He is always watching out for all of your needs. Keep faithful to your rosaries every day, as the world needs your prayers to offset all the evil being done. Jesus and I are grateful for all that you do to help save souls.”

Thursday, May 1, 2014: (St. Joseph the worker)
Jesus said: “My people, when you read St. John’s Gospel, you see that he emphasizes love of God and neighbor, and My Divinity. You know that I am a God-man, but many times My apostles were amazed when I calmed the storm, multiplied food, walked on water, and raised the dead to life. I told them that I was sent by My Father in heaven, and that the two of Us are One. Even St. Peter was inspired by the Holy Spirit to say that I am the Christ, the Son of the living God. I acted like a man in many ways, but you could also see My Divine nature in healing people and forgiving their sins. I performed many miracles to increase the faith of the people, and to show you how much I loved everyone. The most important miracle is how I died on the cross for all of mankind’s sins, and then I resurrected three days later to fulfill the Scriptures, and to witness to My victory

over sin and death. I bring My Light of salvation into a sinful world, so you can repent of your sins and seize the opportunity to accept Me into your lives, so you can come to Me in heaven for your reward."
Prayer Group:
Jesus said: "My people, without mentioning particular details, you have seen some airplanes destroyed with missiles because the one world people wanted to silence some people on the planes. Some biologists, who worked on making deadly viruses, have also had mysterious deaths. These evil ones are involved with making wars and making money on the weapons. They also are using viruses as AIDS and ebola to reduce the population. These evil ones go to great lengths to silence anyone that could reveal their evil intentions. All of these evil ones will be taken down and cast into hell at their judgment."
Jesus said: "My people, you have a group of communist nations and Arab countries that have a goal of world takeover. Ever since 1917 when communism rose in Russia, there has been a plan of world domination which is celebrated on May 1st. There are even evil ones in America that are trying to destroy your military from within so America would fall. You have certain leaders who are ridding your generals, and weakening your military by cutting its funds, and getting rid of your nuclear weapons. Pray for your country's protection, but your sins will cause your demise."
Jesus said: "My people, the one world people are behind the actions of your Federal Reserve and others to bring down your dollar and your financial system. Their intention is to crash the dollar and set up a new digital money system that would employ chips in the people to control them. I will call My faithful to My refuges before a martial law takeover will take over America. Pray for My protection as you come closer to the tribulation."
Jesus said: "My son, you have quoted the words of your Obamacare Law that demands computer chips in the body in order to get your health care. Refuse to take any chips in the body, even if the authorities threaten to kill you, or take away your possessions. Do not let the authorities dictate their control over your free will. These chips will control your minds with voices, so you do not want to be turned into robots. When I warn you to leave for My refuges, this will be your means of protection from the evil ones."
Jesus said: "My son, you have been giving My messages of a coming martial law takeover, but many people and religious leaders do not want to believe that this will happen. Those, who did not want to stop Hitler, also refused to believe in a takeover until they were killed in the gas chambers. The evil ones in your

country also have made gas chambers at your detention centers to eliminate My faithful people. Some will be martyred, but the rest will be protected at My refuges. Believe in this coming persecution of Christians, and be prepared to leave for My refuges with the help of your guardian angels."
Jesus said: "My people, a division is coming in My Church that will be a split into a schismatic church and My faithful remnant. This schismatic church will teach heresies and New Age as a new dogma, but there will be no worship of Me by Name. My faithful remnant will meet in the homes to avoid persecution. Eventually, you will need to leave for My refuges for your spiritual and physical protection. Pray to the Holy Spirit so you are not deceived by deceitful clergy. The Father of lies in Satan will be leading this division against Me."
Jesus said: "My people, the evil ones are very good in disguising all of their takeover plans so you do not realize their intentions until it is too late. You have seen some communist plans revealed in books long ago, and the one world people have accomplished most of their goals without the people even realizing it. If you read about their successes, you would understand just how far along the plan for a world takeover has come. Believe in My messages of preparation because your soul and your lives will be at risk shortly."

Friday, May 2, 2014: (St. Anthanasius)
Jesus said: "My people, in St. John's Gospel you have read how I tested My apostles in how I was going to feed the multitude of people. I took what little they had with the two fish and five barley loaves, and I distributed food to all of them. They even collected twelve baskets of leftover fragments. This breaking of Bread is a Eucharistic sign. The consecrated Hosts that are not given out, are placed back in My tabernacles. As you see the globe of the earth, you are understanding how I am multiplied in My Real Presence in all the Hosts that are consecrated every day at Mass all over the world. My sacramental Presence is shared with all of My daily Mass people, and the parish people at Sunday and Saturday evening Mass. This gift of Myself in My Blessed Sacrament, is a treasure to help all of you to endure this life of trials on earth. Take time also to visit Me in My tabernacles where you can have My rest without rushing."

Saturday, May 3, 2014: (St. Philip and St. James)
Jesus said: "My people, you are very used to your fine things of comfort in your modern world with cars and nice homes. When I will call My faithful to come to My refuges during the tribulation, I will be testing you to make you into saints. You will be leaving all of your possessions behind, and you will be giving Me your full trust in allowing Me to provide for all of your needs. Do not expect to live as you did before. This old bedding that I showed you in the vision, is a sign that you will be living a more rustic life. At My refuges only a few may have some electricity, and you will all have to help each other as a loving community. You may have farms and some food that will be multiplied, as I multiplied the bread and the fish. You will all share in the various duties that are needed. I will provide healing for all of your ailments with My luminous cross which you will look upon for healing. If you do not have a priest for Mass, My angels will bring you daily Holy Communion. Your guardian angels will protect you with a shield of invisibility, even as you are led to My refuges. You will have Adoration of My Blessed Sacrament as each of you will stay with Me for one hour around the clock. Have no fear of the evil ones, for I will protect you during the less than 3½ years of the Antichrist's reign. Trust in Me for everything for all times."

Sunday, May 4, 2014:
Jesus said: "My people, in the Gospel you are reading a beautiful Resurrection account of how I met two of My disciples on the road to Emmaus. They did not recognize Me at first. I shared the Scriptures with them about the prophecies of My coming as the Messiah to save the people from their sins. The two disciples asked Me to stay for supper, and they recognized Me in the breaking of the Bread. At every Mass I share Myself with you at the breaking of My consecrated Host. I am with you always in the Blessed Trinity, especially as temples of the Holy Spirit. I am also present sacramentally in My Hosts in My tabernacles. In the vision people are sharing in My triumph over sin and death that culminated in My Resurrection. This Easter Season is one of joy, just as My disciples had their hearts burning with My explanation of the Scriptures. So you are all joyful

in My victory over evil. You may suffer here on earth for a short time, but I give My faithful My promise of eternal life with Me in heaven. Blessed are My faithful who have not seen Me, but still they believe in Me. Share this joy of your faith with all the people of the world."

Monday, May 5, 2014:
Jesus said: "My people, St. Stephen was well gifted in his debating skills, and he taught about faith in Me. Those, who challenged him in debate, were no match for his skills. The people were so frustrated with him and his teachings, that they brought false witnesses against him before the Sanhedrin. Later, they would even try to kill him. In today's world you also have people that do not want to hear Christian teachings that criticize their sinful lifestyles. You are always seeing battles with people favoring abortion, living together without marriage, and homosexual marriage. You have the truth from Me that these things are mortal sins, and they threaten people's souls in going to hell. Still these people do not want to answer your protests, so they find ways to criticize you for your proper beliefs. They do not want to argue against the truth, so they call you names and even persecute you. In the end times, these evil people will even try to kill you because they get their orders from Satan himself. When people threaten to kill you, like they did to St. Stephen, then you will need to come to My refuges of protection. Keep close to Me, and never deny your faith, even if people threaten to kill you."
Jesus said: "My people, in the Acts of the Apostles, St. Stephen was looking up to see Me in heaven as I lessened the pain of his being stoned to death. He forgave the people who were stoning him. St. Stephen was faithful to Me, even though the Jews were doing an injustice to him for speaking out the truth about Me. There have been many martyrs who would rather die for their faith, than deny Me. All of My followers should love Me so much. These martyrs are with Me in heaven in a higher place than other souls. In the vision I gave a brief look at what St. Stephen was seeing while he was being stoned. The glory of heaven is very much desired, and not everyone receives this view of My glory. I promise all of My faithful an eternal place with Me in heaven for all those who suffer on earth, especially any persecution for My Name's sake."

Tuesday, May 6, 2014:
Jesus said: “My people, the Jewish people wondered what I could do, and they said how they were fed the manna in the desert by Moses. I corrected them by saying that My heavenly Father gave the people the miraculous manna every day. Moses only directed the people how to collect enough for each family. I had multiplied the bread and fish for the 5,000 and the 4,000, but the people quickly forgot My miracles. In answer to their question of what I could do, I told them that I AM the Bread of Life, and whoever eats My Body and drinks My Blood will have eternal life with Me in heaven. Those, who eat My Body and drink My Blood, will never be hungry or thirsty again. Rejoice in this gift of My Blessed Sacrament that you receive at every Mass, for those who are worthy. You can trust in Me that I will provide for all of your needs, both now, and during the coming tribulation at My refuges.”
Jesus said: “My people, when you have serious droughts in areas like California, your crops are endangered that feed your people. With very little rain in the West, it is hard to find other sources of water. Desalinization of the ocean water can be expensive, even for membranes or distillation. If the people were desperate for drinking water, they might consider more expensive water. Getting cheap water for irrigating crops will be a much more difficult problem. Other places that are arid, also might consider this means of providing water, when other sources of water are not available. Rain water is ideal, but it is difficult to rely on rain only for crops. Irrigation would require larger amounts of fresh water, which is becoming scarce in many countries. Treasure your cheap fresh water from lakes, rivers, and wells. Even at your refuges you may have to ask Me to multiply your water, like your food is multiplied.”

Wednesday, May 7, 2014:
Jesus said: “My people, you have been celebrating My Resurrection, and I have

been revealing Myself as the Bread of Life. When you receive My Body and Blood at Mass, you have all the spiritual food that you need to get through life's trials. When you receive Me and believe in My Word, you are promised eternal life with Me. In the vision I am showing you this path that leads to Me because I want all of you to give your will over to My Divine Will, so I can accomplish My mission for your life. I know that you desire to do your own plans, but My plans will accomplish more for My glory in helping people come to Me. It is not easy to go out to evangelize souls, but saving souls from hell, should be your first priority. I am asking you to work with Me in harvesting souls because only a few are answering My call for this work. Some people are asking Me to send more laborers out for the harvest of souls, but My faithful need to be open to do My work. Those, who do answer My call, will have their reward in heaven. My son, do not be concerned that you are not seeing large numbers of people come out for your talks. Keep working the best that you can, because fewer people will be listening to My voice as you are entering the end times."
Jesus said: "My people, many of My refuges are in the country or more desolate places, away from the cities. Not all of My places of refuge will be prepared with food, water, and places to sleep. Some shrines and monasteries might be places without preparations. In such refuges, My angels will bring you the food and bedding, and they will multiply the buildings that will be needed for sleeping. Trust in Me to provide for your needs in miracles. I have described My refuges, and you will need places of protection from the Antichrist and his people, who will be trying to kill you. This will be a threat to your life, and a threat to your soul. This is why I am sending My angels to fight the demons for you. In the end times, you will be seeing a battle between the good and evil people, and it will come to a head in the Battle of Armageddon. Have trust and hope in My greater power, as the evil ones will be defeated and cast into hell. Then I will cleanse the earth, and bring My faithful into My Era of Peace. Rejoice in My coming victory over all the evil ones."

Thursday, May 8, 2014:
Jesus said: "My people, St. Philip was urged by the Spirit to help the eunuch to understand the passage from Isaiah that he was reading. St. Philip explained how

I was the One whom Isaiah was writing about. St. Philip evangelized the eunuch and baptized him by immersion in the water. This was a blessing for the eunuch as St. Philip then disappeared by a miracle. Sometimes you may also be moved by the Spirit to help someone come to the faith. If they desire to be baptized and join My Church, you can help them come to the classes that will teach them the faith. My faithful should be reaching out to save souls, and especially help those who are open to being evangelized. My apostles were sent out two by two to spread My Good News. Now, My faithful of today are called to do the same, and to encourage the lukewarm to return to Sunday Mass. Many of the young adults are getting spiritually lazy in their lack of Mass attendance, once they leave their parents' house. You parents need to gently encourage your children to remain close to Me in their prayers, and coming to Sunday Mass. My Third Commandment says that you should worship Me on Sunday, and it is a sin to disobey this Commandment. Reach out to save souls from being lost in hell. Many souls know what they should be doing, but they are allowing the distractions of the world to lead them away from Me."

Prayer Group:

Jesus said: "My people, this vision of you steering a large sailing ship, is all about keeping your soul on the right course of following Me. When you are sailing, you tack left and right with the wind, and you follow a course by a compass setting. You are the one guiding your soul through life's storms, and you are setting your course to follow Me to the beautiful harbor of My love in heaven. If you should make a wrong turn, you can always come to Me in Confession, and I will set you back on the right course. Do not let the devil or the worldly addictions control you in any way."

Jesus said: "My people, the pilots who fly your planes, also need to keep their planes on course by homing in on radio beacons. Just as ships use lighthouses to know their positions, so planes use beacons on land and monitor satellites to keep on their course. With planes you also are dealing with three dimensions in the air, and they fly around or above the storms. In life you are always encountering difficulties in your health, your job, and your vocation. This is why it is good to keep calling on My help in prayer to get you through your trials. I am looking out for all of your needs, so trust in Me to guide you to heaven."

Jesus said: "My son, you did well to pray your long form of the St. Michael prayer at the beginning and the return of your trip. You may think that I am asking you to take a lot of precautions for your protection on the road. The evil ones want to attack you and keep you from helping souls. You have seen these

attempts in your accidents and flat tires. By using your blessed salt and your prayers of protection, you can ward off any attacks from the demons. When you are tested in life's trials, you can also call on Me and I will send My angels to help you and comfort you. I am grateful that you have been faithful to your mission in giving talks in various cities so you could spread My Good News of salvation."

Jesus said: "My people, I should always be the center of your life, and you need to consult with Me in confirming your daily plans. You make plans for how to build your home. You plan your financial budget to see what kind of home and car that you could afford. You even plan for your education, your possible marriage, and your retirement. By involving Me in all of your plans, then I can help confirm that you are making the right decisions. I know your needs before you ask for My help, so allow Me to lead you on a path that will bring all of your family members to heaven. Planning to come to heaven by a good prayer life and following My Commandments, will be the best means of reaching your goal of being with Me in heaven for all eternity."

Jesus said: "My people, when you are building things, you need to have the right skills and the proper tools to carry out your project. At times you need to follow the necessary directions to construct a house or other things as a driveway. When you want to get to heaven, you also need the right helps and directions. You use prayers with your rosaries and Masses. You also have your sacramental weapons of a Benedictine cross, rosary, scapular, blessed salt, and holy water. I offer you My sacraments of grace during your life from Baptism until the last rites. I give you a manual of how to live in My Commandments and My Word in the Scriptures. By following My directions, you can be on the right path to heaven by giving your will over to My Divine Will."

Jesus said: "My people, My Church has canonized many saints over the years, and they indeed are good role models to imitate. Living in the human condition can be very trying when you lose a job, or you have serious health problems. You should also be looking out for how you can help people in their financial and spiritual needs. At times you may be called to go out of your comfort zone to help someone. Do not be selfish with your time and money, but share them with others so you are avoiding any sins of omission. My saints are in a higher place in heaven for what they suffered and accomplished on earth. You can strive for the higher places in heaven by seeking to be a saint yourself with My help."

Jesus said: "My people, if there is anything to plan for, your most important plan is for the final destination of your soul. Your bodies are mortal, so you will die,

but your soul will live on forever. This is why planning your soul's destination is the most important decision of your life. If you want to come to heaven, then you will need to be purified in life or in purgatory because only perfect souls are allowed into heaven. By being faithful to Me in your prayers and good deeds, you will be on the right path. You also need to accept Me as your Savior and ask Me to forgive your sins, as in Confession. By following My ways instead of your ways, you will have your eternal reward of being with Me in heaven."

Friday, May 9, 2014:
Jesus said: "My people, this conversion of Saul to St. Paul is one of the most dramatic in all of the Scriptures. Saul was strong in his protest of those who followed My way. His vigor in persecuting Christians was changed to one of vigor in evangelizing souls, as he became one of My greatest missionaries for the Gentiles. Saul was blinded by My Light when I asked him why he was persecuting Me. I told him My Name, and I told him that he would now be supporting Me. Saul became Paul, and he was healed of his blindness when scales fell from his eyes. This miraculous conversion is an inspiration for My faithful to seek people out who want to be converted to the faith. Even in another way this conversion could inspire My faithful to be stronger in their faith, and more open to share their faith with others. You are fortunate to have the many Epistles of St. Paul that you read at Mass throughout the year. St. Paul's efforts are still inspiring people to come closer to Me in how to live a good Christian life. In St. Paul's example, you can see how I can perform impossible feats to change people's lives. I am constantly searching for souls to accept Me in faith, and to share My Good News with all the nations."
Jesus said: "My people, in the vision of this bus, you are seeing fewer souls coming to heaven each day. Unfortunately, you are seeing an increase in the number of souls going to hell, while the souls coming to heaven are decreasing. Even though you still have My priests distributing My sacraments, you are seeing fewer people coming to Sunday Mass, and very few coming to frequent Confession. My people need to believe in My Real Presence in My consecrated Hosts. When people stop praying their daily prayers, and stop coming to Sunday Mass, they become lukewarm in their love for Me. These lukewarm people are

endangering their souls by worshiping worldly things rather than Me. If these souls do not wake up, or have people praying for them, then they could become part of the souls who are cast into hell. Those members in your family, who are lukewarm, need your prayers to save them from hell. Keep saying your long form of the St. Michael prayer to break any demon attachments and addictions. Every person has to acknowledge Me in love at their judgment, or they could be judged to hell based on their sinful actions."

Saturday, May 10, 2014: (St. Damien de Veuster)
Jesus said: "My people, I told My disciples that they would have to eat My flesh and drink My Blood in order to have eternal life. Some of My followers left Me because they thought that I was talking about cannibalism. My Real Presence in My Blessed Sacrament refers to the transubstantiation of the bread and wine into My Body and Blood at the Consecration of the Mass. The consecrated Host still has the same appearance as bread. Since some of My followers left Me, I asked My apostles if they would leave Me also. St. Peter said a famous quote: 'Lord, to whom shall we go? Because you have the words of everlasting life.' St. Peter was really acknowledging My Real Presence in My Eucharist. Today, there are many Catholics also, who do not believe in My Real Presence in My consecrated Host. I am truly present in My Hosts that you receive in Holy Communion, and in the Hosts in My tabernacle. This is why you give reverence to Me by kneeling or bowing to receive Me on the tongue. You also genuflect to My tabernacle when you enter a Catholic church. You can also come to adore Me before My tabernacle in your hours of Adoration. Keep your soul pure with frequent Confession so you are worthy to receive Me in Holy Communion."

Sunday, May 11, 2014: (Mother's Day)
The Blessed Mother said: "My dear children, you are all joyful on a sunny and warm Mother's day. You all are remembering your mothers, even those who are

deceased. From the foot of the cross, my Son gave me to all of you to be your heavenly Mother. You know how much I love my rosary, and I encourage all of you to pray the rosary every day. I am grateful to my prayer warriors who pray three or more rosaries every day for my intentions. I want my children to pray slowly, and from the heart as you focus on each Mystery of the rosary that you are praying. Do not just say words as a duty, but put some meaning and joy into your prayers because they are needed to offset all the evil in your world. I know that you honor me in the month of May, and it is a good time to celebrate my Son's Resurrection in your Easter Season. Rejoice with us in heaven, as you see your weather coming out of your winter hibernation. I want all of you to be kind to each other with love and not criticism."

Monday, May 12, 2014:
Jesus said: "My people, when even My apostles had visions, do not be quick to dismiss people who have visions and messages to teach My faithful. St. Peter by these visions, was led to accept the Gentiles into the Church. When I died for all of mankind, I want to accept everyone into My Church who will accept Me. I do not want My evangelists to discriminate between people who may be different by race, religion, or ethnic background. Go out to all the nations, and preach My Good News. In the Gospel I taught you about Myself as the Good Shepherd, and I received many different folds into My one flock in My Church. Just as St. Peter and St. Paul preached to the Gentiles, and brought them into the faith, so My people of today should accept different groups into My Church as well. I love all of you equally, and I want to see all of you saved. So beg the harvest Master of souls to send more laborers into the vineyard to gather My sheep. The more souls you can save from hell, the more heaven will rejoice for My greater glory."
Jesus said: "My people, some of you believe in My Real Presence in My consecrated Hosts. Those, who believe, love Me and give reverence to Me by genuflecting to My Presence in the tabernacle. There are also people who recognize My Presence, but who are evil by desecrating My Host in a black mass. It is those who love and worship Satan who want to desecrate Me. You were fortunate that the one black mass in the media, was cancelled. It was the protests that stopped this from happening. So if you truly love Me, you will

stand up for Me and protect My Hosts from being desecrated. You remember how a priest and nun died trying to retrieve My Hosts from a burning church. This means My people have to take some security measures in protecting My Hosts from being stolen for black masses. Even at Mass you may have to watch people who receive Holy Communion in the hand, but they do not consume Me as they should. Satanic masses are going on in many places, and these evil people are always seeking My Hosts to desecrate. Pray for the protection of My consecrated Hosts that are not guarded very closely."

Tuesday, May 13, 2014: (Our Lady of Fatima)
Jesus said: "My people, some people may have forgotten the words of My Blessed Mother at Fatima to the three children. She said if the world does not change its ways, then Russia will spread its errors throughout the world. After 1917, you saw the birth of communism that was financed by the one world people. As you saw in the 'Agenda' movie, these evil ones have accomplished a lot of their plans to bring America down. They are destroying the family, and introducing drugs and homosexuality to destroy your society. They have taken prayer out of the public places, and atheists are attacking Christianity in your schools and colleges. Your government leaders are focused on disarmament with zero nuclear arms as their goal. You have socialists and communists imbedded in many high places in your government and world organizations. Even now, Russia is trying to restore its old empire because it senses weakness in Western leadership. You are seeing a decay in your morality and the continued abortions in America. Your younger people are falling away from their faith, which is why you have an older population at church, but they are dying off. The rosary and consecrating Russia were part of the messages given at Fatima. In older days you used to pray for the conversion of Russia, but fewer people are praying for this cause. You are reaping the consequences of not following My Blessed Mother's messages at Fatima. You have seen World War II, and a possible World War III is on the horizon. Wars are a result of not enough prayers being said for peace in the world. Keep praying My Blessed Mother's rosary for peace and the stoppage of abortion."

May 22, 2014
Wednesday, May 14, 2014:
Jesus said: “My people, I have given you signs in previous messages of the possibility of a big war with Russia when the asteroid exploded over Russia. The Russian leader has tried to set up another cause for invading the Eastern Ukraine by inspiring voting of Russian citizens to choose Russia to protect them. Because this leader was able to invade and take over the Crimea without much foreign resistance, he is now positioning his troops to further exploit the weakness of the West. He may keep testing further takeovers, until there could even be a war to protect the Ukraine government or other countries. There are also signs in Israel that its leader may take action against Iran, who is threatening to bomb Israel, once it acquires nuclear weapons. The Tetrad blood moons are a sign that a world war could involve Israel in a battle against its Arab neighbors. I am still protecting My chosen people in Israel. You are seeing other news events trying to distract you from these two looming possibilities for a war that could involve many nations. If such a world war breaks out, you may have to come to My refuges of protection for your personal safety. The one world people are behind these war efforts, so be prepared if such a war develops.”

May 22, 2014
Thursday, May 15, 2014: (St. Isidore)
Jesus said: “My people, the radiation is still spewing unabated from the nuclear reactors that melted down in Fukushima, Japan. Even to this day, there is no meaningful repair being done to limit the radiation coming into the air and the water of the Pacific Ocean. This radiation is affecting the marine life, and it is threatening the fish population that many people are eating. If the people in Japan eat the radiated fish, they could become sick or die from radiation poisoning. The fish that come out of the Pacific Ocean are suspect, and may have to be checked for acceptable radiation levels. Some radioactive by-products could have long half-lives, meaning that the radiation becomes additive without

going away in your body. Your public safety people are not making you aware of the true dangers of this radiation to your health. Pray that there will be a way to minimize any further radiation pollution." (Look up any current radiation reports on this spread of radiation. Robots are being planned for repairs.)
Prayer Group:
Jesus said: "My people, I told you that you would see continuous disasters in America. Earlier, you have seen severe droughts in California due to a lack of rain. Now, because of the dry brush, you are seeing several major fires that are consuming many acres and a few houses. At the other end of too much rain, you are seeing severe flooding where the rainfall has been the heaviest. Florida has experienced the worst flooding. Pray for your fellow Americans who are losing their homes also to severe tornadoes. They need your prayers and donations for their survival."
Jesus said: "My people, you have seen complete leveling of various towns and trailer parks by severe tornadoes. One of the blessings of these damaged scenes, is that some people have set up safe rooms underground that have saved many lives. For trailer parks and home owners in tornado alley, it should be mandatory to have concrete safe rooms so people could be protected, especially below ground."
Jesus said: "My people, it is bad enough to suffer severe damage to your homes, but being left in the dark at night, is even harder to bear. This is why it would be good to have some emergency light sources as windup flashlights that are not reliant on batteries. Pray that these people could find some shelter until they could get another home. In disasters it is hard to find food and fresh water. Be thankful that aid groups can provide needed assistance for the disaster victims. Once people have been displaced by tornadoes, they may plan to live in an area with less chance of a tornado."
Jesus said: "My people, it is one thing to suffer weather disasters, but it is worse when man-made wars are destroying peoples' homes. In Syria, Iraq, and other places of war as Afghanistan, you are seeing the innocent citizens trying to find safe places to live. Many people are setting up tents and makeshift homes in order to be protected from the weather. They suffer more when it rains and floods their temporary homes. Pray that these refugees of war could find shelter and enough food to eat."
Jesus said: "My people, you remember how hard it was to get started in building your first home. It took years of saving for a down payment, and much work to establish a lawn with some shrubs. These people who had to start all over, may

be older, and it is hard to do such work when you are older. Pray for such people who are finding it hard to get a loan for a house, and possibly another place to work."
Jesus said: "My people, individual families may be able to restore what was lost, but it is much harder for cities and towns to rebuild their infrastructures. Even now there is a push to restore many aging bridges and power lines, when it is hard to find the funding for such large facilities. These things keep getting put off because it is hard to find the financing of such public needs."
Jesus said: "My people, you may be able to build physical buildings, but it is harder to build up My Church. In many areas you are seeing a steady decline in church attendance as well as the numbers of priests. I have told you before that saving souls from hell should be your first priority. It is difficult to convert souls to Christianity, and even harder to keep people coming to church. You are dealing with free will, and the people need to want to be with Me in love by their own decision. Keep encouraging your fallen away Catholics to return to church, and keep praying for the salvation of their souls. You could be the instrument to save the souls of your family."

Friday, May 16, 2014

May 22, 2014
Friday, May 16, 2014:
Jesus said: "My people, you should not complain about getting some rain, unless it creates a flood. You need fresh water from rain to water your crops and your grass, especially if you are below your normal rainfall for the year. You have seen some areas in the West that need such rain, and some areas in the South that have too much rain. You are fortunate to have just what is needed. In the Gospel reading you have a beautiful quote when St. Thomas asked where I was going. I told My apostles that 'I am the Way, the Truth, and the Life.' I was about to die on the cross and be raised up on the third day in My Resurrection. I told My apostles to have faith in Me, and I visited them several times after My Resurrection and before I ascended into heaven. All of this rain is a sign of the water of Baptism. My faithful need to reach out and have people baptized, or re-converted to the faith. You have a limited time in this life, and you do not know when you will die. It is best to bring souls to conversion as soon as possible, before it is too late, and they could be lost in hell."

Jesus said: “My people, you are seeing in this vision a place of refuge among the chaos of the world during the tribulation of the Antichrist. Do not fear this time of trial because I will be protecting My faithful remnant with My angels and My miracles. At every final refuge you will see a luminous cross where people will be healed by looking on My miraculous cross. My angel will place an invisible shield over all the people so you will be protected from the evil ones. You will be adoring Me around the clock, and you will receive Me in Holy Communion every day. I will be making all of My faithful into saints, as I will be weaning you off of your worldly desires and things. You will leave your home, and you will not return to it. You also will leave most of your worldly possessions behind as well. At My refuges you will have more time for prayer, and to grow more holy in helping each other. Your love for Me and your neighbor will become stronger, and you will focus more on following My ways instead of your ways. Rejoice that you will be suffering with Me, as I will eventually bring My faithful into My Era of Peace.”

May 22, 2014
Saturday, May 17, 2014:
Jesus said: “My people, I have told you before that I am the Light of the world that disperses the darkness of evil. There are two meanings here. My Light of understanding My Word is what I want all of My faithful to follow, and hold your faith close to your heart forever. I also want My faithful to imitate My life, and spread your faith to others so you are like beacons of Light yourselves. This reading from Matt. 5:14-16 is the focus of this vision: ‘You are the Light of the world. A city set on a mountain cannot be hidden. Neither do men light a lamp and put it under the measure, but upon the lamp-stand, so as to give light to all in the house. Even so, let your Light shine before men, in order that they may see your good works and give glory to your Father in heaven.’ In the first reading you read how St. Paul and Barnabas were preaching to the Jews in Antioch. St. Paul told them of My mission to the people, but the Jews there did not want to accept it. So St. Paul then preached My Word to the Gentiles, and they were happy to receive My Word. The Jews expelled them from their city as St. Paul went on to preach in other cities. My faithful may be persecuted for speaking out and sharing their faith. But it is your duty to try and evangelize souls to My way,

so they can be baptized into the Church and be promised eternal life."
Jesus said: "My people, you have seen bridges with railings, and even some have safety nets to keep people from jumping. Even some acrobats on the trapeze use a net, if they should fall. In your spiritual life I give you My Commandments and Church laws as a guide for living, much like a handrail on a bridge. I even provide you with a safety net in Confession for when you fall into sin. People, who commit mortal sins, are dead to Me in their souls, but they could be brought back into My good graces by confessing their sins to My priests. The absolution of the priest is the same as My forgiveness of the repentant sinner. It is unfortunate that more Catholics do not come to Confession to confess their sins. Those in mortal sin are in great need of My forgiveness so they can be worthy to receive Me in Holy Communion. There are a lot of sacrilegious Holy Communions being received because these people are in mortal sin. Some do not come to Confession because they are afraid of what the priest will say. Some have a hard time accepting that they are sinners, and others are just lazy and do not want to come. Some priests talk about Confession, but very few talk about sin in their homilies, and the need to confess before receiving Me in Holy Communion. Confession gives you the absolution of your sins, and restores My grace to your soul. My faithful should confess their sins at least once a month, or sooner for mortal sin. By keeping your soul pure, you can be prepared to meet Me whenever I call you home at your death."

Sunday, May 18, 2014:
Jesus said: "My people, as you watch the young First Communicants receive My Eucharist, it reminds you of your first encounter with Me in My Real Presence. I have told you that he who eats My Body and drinks My Blood, will have life everlasting. It is unfortunate that more Catholics do not accept My Real Presence in My consecrated Hosts. Those, who truly believe that I am Present in the Host, have more reverence in genuflecting to My tabernacle, and even come to daily Mass. You have a miracle performed at every Mass when the bread and wine are transubstantiated into My Body and Blood. You have Me Present in every tabernacle, so you can even come before Me to adore Me and listen to My words for you in your life's decisions. As you see the innocent children receiving Me

for the first time, you should also remember that you need to have faith in Me as a little child in order to enter into heaven. My arms are always open to receive every sinner in Confession so you can always be worthy and have a pure soul to receive Me."

May 22, 2014
Monday, May 19, 2014:
Jesus said: "My people, when the people in the Acts of the Apostles saw St. Paul heal the crippled man from birth, they wanted to worship St. Paul and Barnabas as gods. My disciples told them that they were only human beings, and to thank God for healing the man. This is a lesson for all of you, so you do not accept praise, or become puffed up by human fame. When you have accomplished some good works, you should give praise to Me and not yourself. This is the Psalm Response: 'Not to us, but to God give the glory.' Even when the people wanted to make Me king after feeding the 5,000, I fled into the mountains. Human fame is fleeting, and My people should not seek the praise of others. It is better to praise Me for your gifts and successes, so you are not swelled up with pride."
Jesus said: "My people, you have your backpacks, tents, sleeping bags, and some food and water ready to place in your van when you leave for My refuge. In the vision I am reminding you to have your bikes ready to use. You need to have a pump, and pump up your tires along with having helmets and windup flashlights. If you have room, you could take your extra containers of gasoline, in case the power is off. Again, if you have room, you could also take your Coleman stove with some propane gas bottles. When you are on the road to your refuge, you need to be independent with all of your needs. Trust in My help that My angel will lead you to a refuge of safety. The more food that you bring, the more help it will be for your refuge when it is multiplied. If you take both vehicles, then you could carry more to your destination. Try to keep your gasoline tanks in the car at half full or more, so you will have enough gas for your trip. You need to be in a ready mode because you may only have a short time to pack up and leave your home for My refuge."

May 22, 2014
Tuesday, May 20, 2014: (St. Bernadine of Siena)
Jesus said: "My people, there are some people who have a few drinks, and there are others who drink so much that they are alcoholics. It is excessive drinking that is sinful because you lose your sense of thinking properly. This is why drunk drivers cause accidents, and even kill people or themselves. There are places for rehab for drinkers, but they have to choose to stop. This is an addiction that is hard to break on their own. The first step to a cure is to accept that they have a problem with excessive drinking. Once they see that they are endangering lives, sometimes they desire to stop. Rehab is a long road without taking one drink. Prayers of deliverance are also helpful to get rid of these demons. Relapses are common, but patients need to stop, or they could die of liver problems. Keep praying for these souls to keep them from going to hell."
(Bishop Matano confirmed Justin, my grandson) Jesus said: "My people, you witnessed how Bishop Matano personally confirmed every candidate for Confirmation. He also had everyone kneel for the Consecration in giving reverence to My Real Presence. In the vision you were at first seeing a large Temple. Then you saw a person who was a small Temple of the Holy Spirit. You receive the Holy Spirit and His gifts in Confirmation. You remember at the first Pentecost, how My disciples witnessed a great wind, and then tongues of fire were present over each of them, as they received the gifts of the Holy Spirit. It was after this indwelling of the Holy Spirit that My apostles spoke out with courage and witnessed My Resurrection to the Jews and the Gentiles. Just as My apostles were now evangelizing people to the faith, so all of My faithful have received these gifts of the Holy Spirit to speak out in My Name to convert souls to the faith. Do not let the evil ones and the atheists keep you silent, but be brave to defend your religious freedoms while you still have them. Remember that your most important job as a Christian, is to save as may souls from hell as you can with My help."

End May 2014

June 2014

Wednesday May 21, 2014

June 5, 2014

Wednesday, May 21, 2014: (St. Christopher Magallanes, Lydia's Mass)
Jesus said: "My people, you are honoring your wife's mother at the Mass for her intention. She is still concerned about her family and all of their problems. She is especially praying for her daughter's husband, that he will get well. She is still trying to get them to stop smoking and other things. She is also looking out for her son, and that her daughters will look out for him. Lydia's husband, Camille, is especially upset with those people who are defacing his gravestone on his name. Remember to keep their pictures where you can see them."
Jesus said: "My people, during the spring you enjoy taking pictures of the flowering trees, the tulips, and the lilacs. I am showing you some beautiful lilacs of all shades of purple in the vision. The up close vision of purple reminds you of the purple used for My Passion during Lent. You have nature blossoming with all kinds of flowers and colors, but these purple lilacs bring you close to Me in My suffering. You also are suffering at times with illnesses or persecution. I want all of you to unite your sufferings with Me on My cross. Those, who suffer persecution for My Name's sake, will receive graces in heaven for being faithful to Me amidst any suffering that you may have to endure. So when you see these purple lilacs, think of Me in how I suffered in death for all of your sins to save your souls."
Jesus said: "My people, you saw on your news where the fields in California cannot grow any crops because they do not have the water necessary to irrigate them. They also told you how the unemployment was higher because those people, who work in the fields, are out of a job. This also hurts the local merchants who sell things to these workers. What the news people did not explain, was how this drought was brought about. I told you before, and you found it on the internet, that the one world people had the HAARP machine set up a high pressure system off the coast of California. All the normal rainstorms that provide California's water could not come through the high pressure system. For three months this rain was diverted around this high, and it resulted in a serious drought that California has still not recovered from it. The drought also has been instrumental in causing many fires, even before the summer heat. Keep praying for a normal rainfall to be restored to California. It is this abuse of the HAARP machine that is creating bad weather for crops with droughts and floods. It is also setting up the conditions for a world famine, where man-made control will diminish the food availability, unless you have a chip in the hand. Do not fear this famine because I will multiply your food and water at My refuges. When your lives are endangered, I will warn you that it is time to call on

your guardian angel to lead you to the nearest refuge. Trust in My help to provide for all of your needs."

Thursday, May 22, 2014

June 5, 2014
Thursday, May 22, 2014: (St. Rita of Cascia)
Jesus said: "My people, both St. Paul and St. Peter had signs that they were to accept Gentiles into My Church. I did not die just for the Jews, but for all of mankind's sins. Because the Gentiles were not trained in the Mosaic Law, this became a problem for the early Church in how much was expected of the Gentile converts. It was agreed among the members in Jerusalem that the Gentiles did not have to be circumcised, but they did need to follow certain Mosaic laws. Other issues have been decided throughout history in the Church by various Popes and meetings. I have also been giving you several messages about a new division coming in My Church that will separate a schismatic church from My faithful remnant. This schismatic church will teach New Age which is a worship of things and not Me. Ultimately, there will be an evil in this schismatic church that will even go along with the Antichrist. This is why My faithful remnant will need to come into their homes for Mass, and eventually they will have to come to My refuges to protect their souls and their bodies from the coming mandatory chip in the body. Already you are seeing a coming mandatory chip in your credit or debit cards in the next year or so. Then this mandate will go to a chip in the body. Refuse to take any chip in the body, because it could control your mind and your free will. These chips are all about controlling you by the one world people. These chips in people will be how the Antichrist will control people by voices for those who take this chip. This is indeed the mark of the beast, no matter how many will criticize you for taking such a stand against it. Those, who refuse to take this chip, will become outlaws, and the evil ones will try to kill you. This is when you will need to come to the safety of My refuges. Trust in Me because My power is greater than all of these evil people and the demons."
Prayer Group:
Jesus said: "My people, not many people in the West understand the significance of a large deal that Russia has made to supply natural gas to Communist China. ($400 billion over 30 yrs. starting in 2018.) With such a large customer in China, Russia does not need to sell fuel to Europe. At one point the European leaders thought it was safe to buy natural gas from Russia because they need the hard

currency to survive. Now that China will give Russia the currency they need, there is less of a need to sell fuel to Europe. Any threats by Europe to cut its natural gas imports from Russia will not have much effect. This could be more of a problem for Europe to find a possible new supplier if Russia turns off the natural gas line."

Jesus said: "My people, America is fortunate to be able to use fracking to supply your natural gas. It is no thanks to your President, because he is against using fossil fuels. Gas and oil are more plentiful than before, and cheap energy is needed to operate your factories and businesses. There is still a mock struggle with your environmentalists who want to cut carbon dioxide emissions to lessen global warming which is still a theory without much proof. Those countries without cheap fuels, will have to pay more to import fuels. Be thankful for all of your natural resources that are fueling your economy."

Jesus said: "My people, those, who control your government, want to control you through regulations and pushing up the cost of your fuels with carbon credits and fees for those who use fossil fuels. The green movement and global warming are the excuses being used to cause you problems in running your vehicles and running your businesses. The government wants to control every facet of your life so you are more dependent on them. Do not lose heart over this control, because soon you will be coming to My refuges for your needs."

Jesus said: "My people, you have allowed the evil one world people to corrupt your morals, and draw you away from Me by your lack of prayer, and lack of coming to Me in Mass. You have accepted abortion, homosexual marriage, and pornography that is bringing you down spiritually. Because of your sins, your country is being degraded into a third world country which is resulting in the loss of your freedoms. It is your moral corruption that will bring about your fall."

Jesus said: "My people, your enemies know that your belief in Me with sound morals, and a central family life, along with your work ethics are what has made you great in the eyes of the world. By breaking down your society with drugs, sexual sins, divorce, and attacks on the family, the communists have been very successful in taking away your greatness. Your people have not even realized how your country is being destroyed from within. You have been great when you followed My laws in your documents. When you turn your back on Me, you will cease to be great."

Jesus said: "My people, it is true that America is in need of a great spiritual revival in waking up to the fact that you depend on Me for everything. When

you put Me out of your lives, you are allowing the demons to take you over. Without Me, you are nothing. I give you all the gifts that you need for your survival. Those, who refuse to let Me into their lives, are inviting a disastrous fall. Depend on Me for everything, and your life will be prosperous and a joy. Depend only on yourself, and you will be headed for ruin and depression."

June 5, 2014
Friday, May 23, 2014: (Remo Salzetta Funeral Mass)
Jesus said: "My people, Remo was a very loving and helpful man in his building talents, which he shared with many people. He was an energetic worker even until his death. Some people were praying for him, as he will need some Masses to leave purgatory. Keep praying for his soul. He is concerned for his family since he left you so suddenly. He loves all of you, and he was happy to see all of his family and friends who attended his funeral. He suffered some internal injuries when he had a fall, and he died of internal bleeding in the intestines. It is sad for his family to be without him, but remember him with your pictures of him. Keep praying for him."
Jesus said: "My people, I have told you about a coming world famine, but some people cannot understand how this could be brought about. Your farmers have few people that they can buy their seed from, as well as the fertilizer. Much of your seed is controlled hybrid seed from places like Monsanto. You also have seen how the one world people can cause droughts or floods to wipe out your crop lands, using the HAARP machine. You have seen a lot of fish being killed, and a problem of radiation poisoning from Japan's nuclear meltdown. All of these things are reducing the food supply, while you have an increasing population. You will see that the demand for food will be more than the available food supply. You already are seeing starving people in the third world countries. This is why I have encouraged My people to store some extra food before you leave for My refuges. You may not find food on the shelves, or you may not be able to buy it without having a chip in the body. I will multiply the food at My refuges that will be shared there. My faithful may have to share their food with other Christians who will not take the chip in the body. If it is necessary for your survival, I may have to multiply your food at your homes before you leave for My refuges. Whether at home, or at My refuges, all of My faithful will find enough food to survive. Trust in Me to provide for your needs, but you could see

some faithful martyred for their faith in Me during the tribulation."

Jesus said: "My people, some people go through life, and they earned a good living by being honest and hard working. Others had money given to them, or they cheated and robbed people to get where they are. The desire for money can cause many family disputes and hard feelings. My people, you all have to answer to Me for your actions at your judgment. So work to follow My laws and My ways in all that you do, and you will have your reward in heaven. Do not let money, fame, or pride run your lives, but follow in My footsteps. You may not be rich and famous in the world's view for being honest and generous. In heaven's eyes, you are being a respected servant of your Master, and you will be rewarded for your good works. This life is very short, so live it to the fullest, so I can be pleased that you are one of My disciples."
(June & Tony Wedding Mass) Jesus said: "My people, you are fortunate to be part of a wedding ceremony in My Church, because fewer couples are getting married, let alone in My Church. Many couples are living together without marriage, and some marry in civil ceremonies. Marriage has been a respected institution, especially for those who receive My sacrament of Matrimony in My Church. Unfortunately, this sacramental marriage has been less thought of as a life long commitment, which is why more couples are not as much committed in living together without a marriage contract. Even worse, is the degrading of marriage with same sex marriage being promoted in many states. Marriage was only meant for a man and woman to have children. This is why marriage of same sex partners is an abomination and unnatural. Your morals are being degraded when your country accepts couples living in mortal sin, whether in heterosexual or homosexual relationships without true marriage. When My disasters of punishment fall upon you, now you can see the link of your sins to My justice. Marriage is all about love between a man and a woman, and this is an example of My love, where I am the Groom and My Church is the bride."

Jesus said: “My people, those people, who had to fight in wars, suffered much for your country, especially those who died in battle. When evil people, as Hitler, get in control of their people, many suffer from these evil people who torture and kill people with wars. The devil is always at work in causing division, so you need to keep praying for peace, that evil tyrants are not in positions of authority. Your country was founded by God-fearing people that respected My laws. Now, the one world people are putting socialists and communists in your government, as you are coming under their control. Atheism is thriving, as people turn their backs on Me in their sins, especially abortion. War is a punishment for sin, so the American people need to wake up from their sinful behavior, and change their lives, or they will lose everything.”
Jesus said: “My people, today you honor all of the soldiers who fought in all the wars which America has entered. It is even a harder remembrance for the families who lost loved ones in your wars. Some of you are also aware of how the one world people purposely have led you into no-win wars so they could make money on the weapons. If your people had a real choice to choose war or not, very few would choose to fight foreign wars for no real reason. As it is, your Presidents have been entering America into wars with little or no approval from your elected government. Jesus said: "My people, you have seen various military conflicts between the Russian separatists and the Ukrainian army. This latest battle at an airport was a little more serious, right after the latest election of a new leader in the Ukraine. The lightning in the vision between the two camps is a sign that you will be seeing more conflicts as each side is fighting for control. The current sanctions against Russia may not be as effective, now that China is backing up Russia's finances by buying natural gas. The Russian leader will use any excuse for a mock takeover of former Russian block countries. It will be crucial to see if the Ukrainian people solicit help with arms or money to fight Russia's takeover attempt. If Russia does not see any attempts to block their takeover, then this will embolden them for more takeovers. Keep praying for peace in this area."
(Mass for Lydia Remacle) Jesus said: "My people, your wife's mother, Lydia, was grateful that you gave a copy of an old picture of herself and Millie over to Millie. Souls of the deceased are always interested when their pictures are being shared with other living people. Lydia is still concerned for Dave and Vic because of their situations. She is praying for all the family, but especially for those having problems. She was grateful for all that you did for her in life, and even for taking care of her old house and property. The souls in heaven can see all that you are doing, and she wants all of you to be on your good behavior."

Wednesday, May 28, 2014:
Jesus said: "My people, this vision of a lock on My Word, represents how everyone has to come to Me by opening their minds, so they can receive My Word into their hearts. You read in the first reading how St. Paul was trying to bring the Good News to the Athenians. Once he talked about My Resurrection

from the dead, they did not want to listen to him, and they had closed minds to My Word. Believing in Me on faith is a gift, and it requires an open mind to try and understand the spiritual world of My grace. You can pray for people to be predisposed to My Word, but each person has to make a personal choice to believe and follow My Commandments. Living a Christian life will mean changing any sinful behavior, which may require giving up some earthly pleasures for My sake. In the end all souls will have to accept Me or reject Me at their judgments. Those, who love and accept Me, will come to heaven. Those, who reject Me and have their minds closed or locked from Me, are on the road to hell."

Jesus said: "My people, some of you are well aware of the dangerous use of billion watt microwaves that are used by the HAARP machine to cause tornadoes, hurricanes, droughts, and floods. This is one of the secret operations of your government to cause man-made disasters. When these things happen, most people are not aware that these disasters are man-made because there is little proof being publicized. This is how the one world people could even black mail nations into doing their bidding, or pay the price of a major disaster. Many people are not aware of the evil uses of the HAARP machine. It can cause weather disasters as well as large earthquakes. Currently, the one world people's plans are to cause droughts and fires to affect your food supplies. When there is not enough food, it is easier to control people. Once this famine causes problems with food distribution, My faithful will be called to come to My refuges for multiplied food."

Thursday, May 29, 2014: (Ascension Thursday)

Jesus said: "My people, after My death on the cross, I resurrected from the tomb after three days. Then over forty days I appeared to My apostles to show them that I was present to them in the flesh. I was preparing My apostles to go out and evangelize souls with My Good News of salvation. I breathed on them to receive the Holy Spirit. Later, I told them that I was returning to My heavenly Father, and I would send the Holy Spirit and His gifts to strengthen them in their courage. My apostles had some doubts of what they would do, once I left them. I reassured them that I would still be with them in the 'Breaking of the Bread'. I told them to wait for the Holy Spirit to come to them. My apostles were still

frightened before they had the tongues of fire come over them from the Holy Spirit. At times My faithful of today may have some troubling things happen in their lives. You can still call on Me to help you through life's trials. I am truly Present in My Blessed Sacrament to give you strength, just like My apostles received. You can also call on the Holy Spirit for help with His gifts. We are always available to give you physical and spiritual support in your daily missions. So trust in Me and follow My Commandments throughout your lives. I love all of you, and you are never out of My sight."

Prayer Group:

Jesus said: "My son, when you were in Ohio, someone handed you a sheet prepared from Cleon Skousen's book on 'The Naked Communist'. This reminded you of the 'Agenda' movie by Curtis Bowers. This collection was a set of communist plans back in the 1950's for a takeover of America. On looking at the list, you can see how the one world people have been very successful in accomplishing their goals. They set out to destroy your morals, your families, your churches, and your way of government. Their plan was to turn your democratic republic into a socialist government which leads to a tyrant communist state. You can see by reading this list, how far America has moved to the left, and your morals are decadent. It will take a miracle, or a spiritual revival to turn back America's path to ruin. Keep praying for your people to wake up to changing their lifestyles."

Jesus said: "My people, many of you have old pictures of how you dressed and came to church back in the 1960's. Pictures of weddings were frequent then, but not as much today. Living together in sin, was shunned by your society years ago. Today such heterosexual and homosexual relationships are accepted or tolerated by your society. You can see how America has accepted abortion, some mercy killing, and even the use of marijuana. When you see the contrast of your morals years ago compared to today, you are shocked how evil you have become. Keep praying for poor sinners, and the stoppage of abortion, which most offends Me in killing My little ones in the womb."

Jesus said: "My people of America, your current movies from Hollywood are a disgrace to your society. Half or more of these movies are rated 'R' for nudity, language, or violence. You had a Legion of Decency in the past, but these old standards would be aghast in trying to rate your current movies. See that your movies, TV programs, and adult magazines are nothing more than pornography that has become a multibillion dollar industry. It may be better to avoid these evil movies that could encourage sexual sins."

Jesus said: “My people, I have told you that your addictions have demons attached to them. This is how evil has become so pervasive in many areas of your society. You are seeing addictions to pornography, prostitution, drugs, alcohol, smoking, and internet devices. My people should not let these things control your lives, because they take away My peace in your souls, and lead you away from your prayer time with Me. Addictions require deliverance prayers, exorcisms, treatment, or miracles to break them. Use your prayers, blessed sacramentals, blessed salt, and holy water for your protection. Frequent Confession and Adoration can also help your souls.”
Jesus said: “My people, I have given you My Holy Family as a model example for your families. You have read of St. Joseph as a model husband and father, and My Blessed Mother as a model wife and mother. They brought Me up according to the Jewish way of life in the Bible. Your families today are being split by divorce and living together without marriage. Many children are being raised by one parent. It is hard to teach children the faith of following My Commandments, when many people are living immoral lives. Pray for your children to have a good prayer life, and live a proper moral life. You want your children to be saved in heaven, and not lost in hell.”
Jesus said: “My people, when your society turns its back on Me, America will be calling on My justice for punishment. Your abortions and sexual sins are even more evil than Sodom and Gomorrah. How do you expect Me to allow such sin to continue? The evil of your society is dragging your country down, and you are seeing more disasters as a result. Pray for your country to return to its previous moral values, or America will fall into ruins.”
Jesus said: “My people, in your lives you make mistakes and bad decisions at times. It is important that you look at why you chose the wrong things, and learn not to repeat them. If you do not learn from the history of your mistakes, then you will continue to repeat your sins. Do not keep making the same sinful mistakes, and pray for My help in avoiding the devil’s temptations. If all of your people improved their sinful lives, then you would have a better country.”

Friday, May 30, 2014:
Jesus said: “My people, you are well aware of the body’s needs and desires that crave the pleasures and comforts of your earthly life. You may not always

understand that your soul craves to be at peace with your Creator in Me. Your soul hungers to be satisfied spiritually with Me, and you can only find this peace with Me. You have a struggle between the body and the soul, because each one is seeking its own gratification. Some people are constantly searching, as in the vision, in order to find this peace in their souls. Because they cannot find My peace in things or entertainment, their souls are frustrated, since they are looking in all the wrong places. This is why it is a joy for you to be able to lead souls to conversion in the faith, so they can come to know Me, and satisfy their souls in My peace and love. Once you find My peace, you do not want to lose it. Do not allow addictions or material things to take away your spiritual peace, because you are allowing things to control you. By frequent confession of your sins, you can keep My peace in a pure soul. You will see that your soul's joy with Me is long lasting, but your sinful pleasures are only fleeting for the body. By allowing the soul to restrain your body's sinful desires, you can be in constant joy and peace with your Lord."
Jesus said: "My people, you have been spoiled with living in a nice house, and you have two vehicles to drive around. When My faithful come to a refuge, you may not be doing much driving, unless your gas is multiplied. You will be living in a confined community with a lot of other people. Getting some food everyday, washing your clothes, and dealing with the heat of summer and the cold of winter, will be your main concerns. All of you will need to do various jobs in food preparation and maintaining your heat in the winter, possibly with wood. Your new lifestyle will include more time for prayer and Adoration. Be thankful that most of you will be at a refuge and protected by angels from the evil ones during the tribulation. Also, be thankful that My refuge builders were able to say yes to providing a home for people to come. Trust in My protection, and the multiplying of your food and fuels."

June 5, 2014
Wednesday, May 21, 2014: (St. Christopher Magallanes, Lydia's Mass)
Jesus said: "My people, you are honoring your wife's mother at the Mass for her intention. She is still concerned about her family and all of their problems. She is especially praying for her daughter's husband, that he will get well. She is still trying to get them to stop smoking and other things. She is also looking out for

her son, and that her daughters will look out for him. Lydia's husband, Camille, is especially upset with those people who are defacing his gravestone on his name. Remember to keep their pictures where you can see them."
Jesus said: "My people, during the spring you enjoy taking pictures of the flowering trees, the tulips, and the lilacs. I am showing you some beautiful lilacs of all shades of purple in the vision. The up close vision of purple reminds you of the purple used for My Passion during Lent. You have nature blossoming with all kinds of flowers and colors, but these purple lilacs bring you close to Me in My suffering. You also are suffering at times with illnesses or persecution. I want all of you to unite your sufferings with Me on My cross. Those, who suffer persecution for My Name's sake, will receive graces in heaven for being faithful to Me amidst any suffering that you may have to endure. So when you see these purple lilacs, think of Me in how I suffered in death for all of your sins to save your souls."
Jesus said: "My people, you saw on your news where the fields in California cannot grow any crops because they do not have the water necessary to irrigate them. They also told you how the unemployment was higher because those people, who work in the fields, are out of a job. This also hurts the local merchants who sell things to these workers. What the news people did not explain, was how this drought was brought about. I told you before, and you found it on the internet, that the one world people had the HAARP machine set up a high pressure system off the coast of California. All the normal rainstorms that provide California's water could not come through the high pressure system. For three months this rain was diverted around this high, and it resulted in a serious drought that California has still not recovered from it. The drought also has been instrumental in causing many fires, even before the summer heat. Keep praying for a normal rainfall to be restored to California. It is this abuse of the HAARP machine that is creating bad weather for crops with droughts and floods. It is also setting up the conditions for a world famine, where man-made control will diminish the food availability, unless you have a chip in the hand. Do not fear this famine because I will multiply your food and water at My refuges. When your lives are endangered, I will warn you that it is time to call on your guardian angel to lead you to the nearest refuge. Trust in My help to provide for all of your needs."

June 5, 2014
Thursday, May 22, 2014: (St. Rita of Cascia)
Jesus said: “My people, both St. Paul and St. Peter had signs that they were to accept Gentiles into My Church. I did not die just for the Jews, but for all of mankind’s sins. Because the Gentiles were not trained in the Mosaic Law, this became a problem for the early Church in how much was expected of the Gentile converts. It was agreed among the members in Jerusalem that the Gentiles did not have to be circumcised, but they did need to follow certain Mosaic laws. Other issues have been decided throughout history in the Church by various Popes and meetings. I have also been giving you several messages about a new division coming in My Church that will separate a schismatic church from My faithful remnant. This schismatic church will teach New Age which is a worship of things and not Me. Ultimately, there will be an evil in this schismatic church that will even go along with the Antichrist. This is why My faithful remnant will need to come into their homes for Mass, and eventually they will have to come to My refuges to protect their souls and their bodies from the coming mandatory chip in the body. Already you are seeing a coming mandatory chip in your credit or debit cards in the next year or so. Then this mandate will go to a chip in the body. Refuse to take any chip in the body, because it could control your mind and your free will. These chips are all about controlling you by the one world people. These chips in people will be how the Antichrist will control people by voices for those who take this chip. This is indeed the mark of the beast, no matter how many will criticize you for taking such a stand against it. Those, who refuse to take this chip, will become outlaws, and the evil ones will try to kill you. This is when you will need to come to the safety of My refuges. Trust in Me because My power is greater than all of these evil people and the demons.”
Prayer Group:
Jesus said: “My people, not many people in the West understand the significance of a large deal that Russia has made to supply natural gas to Communist China. ($400 billion over 30 yrs. starting in 2018.) With such a large customer in China, Russia does not need to sell fuel to Europe. At one point the European leaders thought it was safe to buy natural gas from Russia because they need the hard currency to survive. Now that China will give Russia the currency they need, there is less of a need to sell fuel to Europe. Any threats by Europe to cut its natural gas imports from Russia will not have much effect. This could be more

of a problem for Europe to find a possible new supplier if Russia turns off the natural gas line."
Jesus said: "My people, America is fortunate to be able to use fracking to supply your natural gas. It is no thanks to your President, because he is against using fossil fuels. Gas and oil are more plentiful than before, and cheap energy is needed to operate your factories and businesses. There is still a mock struggle with your environmentalists who want to cut carbon dioxide emissions to lessen global warming which is still a theory without much proof. Those countries without cheap fuels, will have to pay more to import fuels. Be thankful for all of your natural resources that are fueling your economy."
Jesus said: "My people, those, who control your government, want to control you through regulations and pushing up the cost of your fuels with carbon credits and fees for those who use fossil fuels. The green movement and global warming are the excuses being used to cause you problems in running your vehicles and running your businesses. The government wants to control every facet of your life so you are more dependent on them. Do not lose heart over this control, because soon you will be coming to My refuges for your needs."
Jesus said: "My people, you have allowed the evil one world people to corrupt your morals, and draw you away from Me by your lack of prayer, and lack of coming to Me in Mass. You have accepted abortion, homosexual marriage, and pornography that is bringing you down spiritually. Because of your sins, your country is being degraded into a third world country which is resulting in the loss of your freedoms. It is your moral corruption that will bring about your fall."
Jesus said: "My people, your enemies know that your belief in Me with sound morals, and a central family life, along with your work ethics are what has made you great in the eyes of the world. By breaking down your society with drugs, sexual sins, divorce, and attacks on the family, the communists have been very successful in taking away your greatness. Your people have not even realized how your country is being destroyed from within. You have been great when you followed My laws in your documents. When you turn your back on Me, you will cease to be great."
Jesus said: "My people, it is true that America is in need of a great spiritual revival in waking up to the fact that you depend on Me for everything. When you put Me out of your lives, you are allowing the demons to take you over. Without Me, you are nothing. I give you all the gifts that you need for your survival. Those, who refuse to let Me into their lives, are inviting a disastrous

fall. Depend on Me for everything, and your life will be prosperous and a joy. Depend only on yourself, and you will be headed for ruin and depression."

Friday, May 23, 2014: (Remo Salzetta Funeral Mass)
Jesus said: "My people, Remo was a very loving and helpful man in his building talents, which he shared with many people. He was an energetic worker even until his death. Some people were praying for him, as he will need some Masses to leave purgatory. Keep praying for his soul. He is concerned for his family since he left you so suddenly. He loves all of you, and he was happy to see all of his family and friends who attended his funeral. He suffered some internal injuries when he had a fall, and he died of internal bleeding in the intestines. It is sad for his family to be without him, but remember him with your pictures of him. Keep praying for him."
Jesus said: "My people, I have told you about a coming world famine, but some people cannot understand how this could be brought about. Your farmers have few people that they can buy their seed from, as well as the fertilizer. Much of your seed is controlled hybrid seed from places like Monsanto. You also have seen how the one world people can cause droughts or floods to wipe out your crop lands, using the HAARP machine. You have seen a lot of fish being killed, and a problem of radiation poisoning from Japan's nuclear meltdown. All of these things are reducing the food supply, while you have an increasing population. You will see that the demand for food will be more than the available food supply. You already are seeing starving people in the third world countries. This is why I have encouraged My people to store some extra food before you leave for My refuges. You read in the first reading how St. Paul was trying to bring the Good News to the Athenians. Once he talked about My Resurrection from the dead, they did not want to listen to him, and they had closed minds to

My Word. Believing in Me on faith is a gift, and it requires an open mind to try and understand the spiritual world of My grace. You can pray for people to be predisposed to My Word, but each person has to make a personal choice to believe and follow My Commandments. Living a Christian life will mean changing any sinful behavior, which may require giving up some earthly pleasures for My sake. In the end all souls will have to accept Me or reject Me at their judgments. Those, who love and accept Me, will come to heaven. Those, who reject Me and have their minds closed or locked from Me, are on the road to hell."

Jesus said: "My people, some of you are well aware of the dangerous use of billion watt microwaves that are used by the HAARP machine to cause tornadoes, hurricanes, droughts, and floods. This is one of the secret operations of your government to cause man-made disasters. When these things happen, most people are not aware that these disasters are man-made because there is little proof being publicized. This is how the one world people could even black mail nations into doing their bidding, or pay the price of a major disaster. Many people are not aware of the evil uses of the HAARP machine. It can cause weather disasters as well as large earthquakes. Currently, the one world people's plans are to cause droughts and fires to affect your food supplies. When there is not enough food, it is easier to control people. Once this famine causes problems with food distribution, My faithful will be called to come to My refuges for multiplied food."

Thursday, May 29, 2014: (Ascension Thursday)

Jesus said: "My people, after My death on the cross, I resurrected from the tomb after three days. Then over forty days I appeared to My apostles to show them that I was present to them in the flesh. I was preparing My apostles to go out and evangelize souls with My Good News of salvation. I breathed on them to receive the Holy Spirit. Later, I told them that I was returning to My heavenly Father, and I would send the Holy Spirit and His gifts to strengthen them in their courage. My apostles had some doubts of what they would do, once I left them. I reassured them that I would still be with them in the 'Breaking of the Bread'. I told them to wait for the Holy Spirit to come to them. My apostles were still

frightened before they had the tongues of fire come over them from the Holy Spirit. At times My faithful of today may have some troubling things happen in their lives. You can still call on Me to help you through life's trials. I am truly Present in My Blessed Sacrament to give you strength, just like My apostles received. You can also call on the Holy Spirit for help with His gifts. We are always available to give you physical and spiritual support in your daily missions. So trust in Me and follow My Commandments throughout your lives. I love all of you, and you are never out of My sight."

Prayer Group:

Jesus said: "My son, when you were in Ohio, someone handed you a sheet prepared from Cleon Skousen's book on 'The Naked Communist'. This reminded you of the 'Agenda' movie by Curtis Bowers. This collection was a set of communist plans back in the 1950's for a takeover of America. On looking at the list, you can see how the one world people have been very successful in accomplishing their goals. They set out to destroy your morals, your families, your churches, and your way of government. Their plan was to turn your democratic republic into a socialist government which leads to a tyrant communist state. You can see by reading this list, how far America has moved to the left, and your morals are decadent. It will take a miracle, or a spiritual revival to turn back America's path to ruin. Keep praying for your people to wake up to changing their lifestyles."
